Chapter 511 Prenatal education (1)

her small face was on his shoulder, and in an instant, warmth filled her entire body.

Tang Yu, what's wrong? " she asked softly.

He didn't answer, only hugging her a little tighter, his face buried in her warm neck.

"why aren't you eating?" he asked after a long time.

"i want to wait for you to eat with me," she said obediently.

Her slender arms wrapped around his slender waist and she hugged Yingying tightly.

He lowered his head and searched for her small mouth, kissing it deeply.

She snorted softly, her small hands gripping his shirt tightly. Her entire body was as soft as water in his arms.

Their lips and tongue were intertwined with each other.

For a long time, he nibbled on her small neck. It was soft and fragrant, and he was reluctant to put it down.

PEI Qiqi obediently lay in his arms and let him gnaw on her. After a while, she felt his passion and couldn't help but remind him, " it's not convenient for Tang Yu to come here.

He stopped and looked at her silently for a while. Then, he carried her with one hand and brought the soup over with the other. He fed her spoon by spoon. since it's not convenient, then it's all the more necessary to make up for it.

"Aren't you hungry?" PEI Qiqi looked at him pitifully.

she gestured for him to drink as well.

tang yu just smiled and fed her a bowl of soup. then, he said, " "You can wait for me in the future, but you can't go hungry."

"i'm not a child." She pouted and wanted to get down. Tang Yu didn't force her and patted her.

PEI Qiqi sat down next to him and the two of them ate in silence.

after a while, pei qiqi sneaked a glance at him. she felt that his eyes were gloomy.

She didn't dare to ask and obediently ate her food, then took a shower and went to sleep.

tang yan went to the study to deal with some work. when he returned to the bedroom, pei qiqi was still awake.

Her long black hair was loose, and she was wearing a cartoon nightgown as she leaned against the bed and read a fairy tale book.

She was very focused and looked like she was 17 or 18 years old.

Tang Yu was a man, a normal man. You could also say that he was a man with bigger needs.

Moreover, it was a bit of a bad taste.

at this moment, she was like a little white rabbit on his bed. if he was unmoved, he wouldn't be a man.

of course, tang yu didn't forget that it was inconvenient for pei qiqi.

He looked at her silently for a while before walking to the bathroom.

when he came out, his hair was already dry. he lifted the blanket and leaned against her. he looked at her indifferently and asked softly, " why do you like this? "

he thought that she wanted to read books on business management.

PEI Qiqi's eyes were still on the fairy tale book. She casually said, " "Didn't you say you wanted to get pregnant? I'm doing early prenatal education."

She herself lacked motherly love, so she hoped that her child would be filled with love in the future.

Even when she was a sperm, she could feel the love from her mother.

Tang Yu looked at how serious she was and was actually quite speechless.

the dark thoughts from the afternoon had also been washed away.

pei qiqi leaned against him for a long time but she didn't have any intention of responding to him. she didn't kiss him or hug him.

Tang Yu was a little disappointed. He coughed, " I guess I'll have to cooperate with you, right? "

"no need! I'll do it!" PEI Qiqi placed her fingers on her stomach and smiled sweetly, " the baby is growing in my stomach. I'll just read.

She was not pregnant yet, but she felt that she already loved this baby very much.

Chapter 512 prenatal education (2)

Tang Yu raised his eyebrows. He carried her over and placed her in his arms.

PEI Qiqi leaned into his arms and didn't forget to take the fairy tale book. She glanced at him, " "Don't forget Yingluo."

Tang Yu smiled. He reached out and his long fingers touched her little mouth. His voice was slow, " what did you say just now? "

pei qiqi held the book and lay in his arms like a little beast.

especially the little milk cow pajamas she was wearing, which made her look even more petite.

She looked at him eagerly. what did he say? "

tang yu's fingers were still slowly caressing her lips. he smiled, " pei qiqi, you said that you only need yourself to get pregnant. "

Her face turned red and she argued, " "it's not like that!"

He was bad!

Qiqi, how are you going to have a child without me? ” He leaned close to her ear and naughtily taught her, ” “Or do you want to get it yourself?”

as he spoke, he shamelessly pulled her little hand and wanted her to do bad things.

she retracted her hand as if she was scalded.

tang yu laughed in a low voice and teased her. he thought it was very interesting.

his eyes fell on the little milk cow on her pajamas and admired it for a while. he was sure that she was not wearing anything else under it. it was probably a bare shirt.

He held her in one hand and picked up the fairy tale book she had scattered to the side with the other. He flipped through it and saw the story of Little Red Riding Hood.

” the big bad wolf ate little red riding hood into his stomach, ” his elegant voice sounded like a fairy tale. it was also very pleasant to the ears, and he sounded so serious that one couldn’t tell that he was up to no good.

PEI Qiqi leaned on his shoulder and looked at him in a daze.

She looked up at him like a kitten and said, ” “Tang Yu, do you like children? Will you tell her stories in the future?”

Tang Yu was still flipping through the fairy tale and casually said, ” “i like it!”

“i like the child’s mother too,” he said while rubbing her.

as he said that, his voice became more meaningful,”But, I’ll only have a child if I like the mother of the child for a while, right?”

Frivolous!

her face was red.

However, it was reasonable for a man and a woman to talk in private in such a bedroom.

tang yu put down the book in his hand and lifted her up to sit up straight. he then said seriously, ” qiqi, do we need to practice again? ” This kind of prenatal education is more three-dimensional and vivid.”

pei qiqi’s face turned red, ” practice? ”

Mr. Tang Yu, who had always been cold and Noble and made countless women in City B cower in fear, smiled, ” it’s simple. I’ll play the Big Bad Wolf and you’ll play the Little Red Riding Hood. I’ll eat you up.

pei qiqi covered her face. he was too shameless.

really, when this man was shameless, his level of shamelessness was directly proportional to his iq in the business world.

Shameless, shameless, shameless!

tang yu chuckled. he reached out his hand and red riding hood’s clothes disappeared.

“Baby, do you think the Big Bad Wolf will wash and eat Little Red Riding Hood before eating her?” He deliberately teased her, and she was no match for him.

her little body was in his arms, shaking like a little beast. she covered this part, but she lost that part. tang yu ate her up and there were pink marks all over the place.

he left a lot of marks on her playfully, and he controlled his strength very well. it was neither light nor heavy, so she probably wouldn't have a chance to show her arms and big arms for a week. His legs!

Chapter 513 Prenatal education (3)

The fairy tale book was kicked out of the Ivory luxurious bed and fell to the floor pitifully ...

what happened to prenatal education? why did it become the male owner's sex education for the female owner?

after a long, long time, pei qiqi laid in his arms and panted like a little beast.

After a while, she looked for him with her breathless breath. She bit him, ” Tang Yu, you're going to teach the child the wrong things.

He made a sound of agreement and lowered his head to look at her. Then, he said in a meaningful tone, ”You'll be the first to spoil the baby, and the baby will follow suit.”

He thought about it and put on an elite look. PEI Qiqi, I suddenly realized that it's easier this way. You don't even need to do prenatal education.

PEI Qiqi was being pressed down and bullied by him. She wailed in her heart- who said that tang mo was cold? he was clearly excited.

her small hand was placed on his shoulder, and her voice was soft. ” stop fooling around, okay? ”

She laid down softly and looked up. we're going back tomorrow. Can we sleep? ”

Tang Yu looked at her and smiled, ” okay!

After a while, PEI Qiqi started screaming. Her voice was shaking, ” Tang Yu, you said you would sleep.

“yup!” he raised his head and chuckled. ” i'm 'sleeping'! ”

pei qiqi was about to cry. he said he was going to sleep, so why did it become sleeping with her?

it was probably because she had to go back tomorrow. even if it was inconvenient for her, he still hugged her and did not let go. he was uncomfortable and she was uncomfortable as they tossed and turned like this.

Finally, PEI Qiqi took the initiative to crawl out of the blanket and take a stroll.

tang yu was so excited that his voice changed. he reached out and grabbed her little head, ” qiqi, huh? ”

she replied in a daze, then gritted her teeth-

Tang mo groaned, pulled her out of the quilt, and kissed her desperately.

They were like two fish entangled together ...

late at night, pei qiqi was so sleepy that her eyelids were fighting.

however, mr. tang's spirit was still particularly good. he kissed the little thing in his arms and said in a seductive voice-

"Qi Qi, call me big brother."

" brother. " pei qiqi's voice was soft and small. she was in his arms and was very obedient.

"Baby, call me daddy."

.....

PEI Qiqi's little hand reached out from under the blanket and smacked his face-

"transform into a t-shape."

Tang Yu coughed, " if you don't, I can't guarantee that I'll do anything to you. He thought for a moment. did you eat me just now? "

PEI Qiqi covered her ears. She couldn't listen to this anymore.

tang yu finally let her go. he reached out and pulled her into his arms, " qiqi, it's okay. time to sleep. "

she leaned on his shoulder and played with his chin. " really? " he asked pitifully.

Tang Yu chuckled and reached out to press her against his chest. That small ball of warmth felt like it was carved into his body.

"If you don't want to sleep, I can do it too." he spoke gently, but the content was not gentle at all.

" oh, " pei qiqi replied and hugged his neck tightly.

"The baby is going to sleep." she said childishly, " good night, daddy. "

It was really terrible!

He patted her with his large palm and reached out to turn off the light.

it was a sweet night.

the next morning, pei qiqi opened her eyes and saw tang yu's enlarged face.

He stood by the bed and put on his tie. When he saw her open her eyes, he bent down and kissed her on the lips. His voice was a little hoarse, like when he woke up in the morning."Morning."

Chapter 514 The man in Zhao Ke's heart (1)

PEI Qiqi was wrapped in her blanket like a little shrimp. Her eyes were wide open and her face was a little red.

tang mo smiled and released his fingers. he then held her small face."help me with my tie."

pei qiqi didn't move, so he simply carried her.

she had no choice but to kneel down and do it for him.

she didn't really know how to play, so her movements were clumsy. tang yu was also very patient. if she didn't play well, he would teach her. after 10 minutes, she could finally play as beautifully and neatly as he did.

He reached out and flicked her forehead. Mrs. Tang, I'll leave my tie to you from now on.

"i'm not your mrs. tang." she was still kneeling, looking a little lazy in the morning light.

Tang Zheng smiled and whispered into her ear. then I'll be Tang Baobao.

PEI Qiqi remembered how he pressed her down last night and all the shameless things he did. She bit his neck, " shameless.

he let her bite him, his face full of indulgence.

"be good, go change your clothes." he patted her.

"It's already eight o'clock." He raised his hand to let her look at the time.

pei qiqi remembered that she hadn't gone to work for a few days. her face heated up and she quickly ran to the bathroom.

But she still had her period, so she stopped after a few steps, her expression very strange.

tang yu walked over and easily carried her to the bathroom.

She put her arms around his neck and said softly, " Tang Yu, you'll spoil me.

She looked a little uneasy. Tang Yu smiled, " miss PEI, you've been spoiled!

she even dared to slap his face, and she still said she wasn't spoiled?

She wailed and hugged him tightly.

After a while, she said in secret, " Tang Yu, even now, I still don't feel like it's real. Can I really have someone as perfect as you all to myself? "

tang yu was both amused and angry.

He really didn't know if she was flattering him or speaking the truth.

To be honest, he felt that PEI Qiqi was becoming more and more like Tang Xin. In front of him, she was quite childish.

However, she was only 21 years old, so it was considered normal.

He reached out and touched her little head. Then, he sighed. Qiqi, I'm not perfect at all.

That perfection was only in the eyes of outsiders.

and she was the one who had seen the most real him.

he would also get rough with her because of his emotions and anger. he would also get angry and lose control of his feelings.

pei qiqi hugged him childishly, " i just think you are perfect. "

Tang Yu chuckled, " okay! But in my eyes, you're not perfect."

pei qiqi glared at him.

he suddenly became serious. " it's not perfect. that's why i can spoil you so much. qiqi, i enjoy the process. "

PEI Qiqi bit him. you should enjoy your time in bed!

He laughed even more lazily. Qiqi, you really know me well.

With that, he let go of her and walked out.

She also heard PEI Qiqi calling out from behind, " tang yu, i take back what i said before. "

He's clearly a pervert, but he's perfect!

tang yu laughed. he thought she was extremely cute like this.

tang yu went downstairs and waited for her at the dining table. he first flipped through the newspaper but soon, the smile on his face froze!

Zhao Ke resentfully committed suicide in prison.

He used his clothes to tear the straps and strangled himself.

the newspaper used the ex-wife of a certain famous person as an article. there were even wedding photos of zhao ke and tang zhiyuan as a selling point.

Tang Yu's body leaned on the chair and his fingers held his forehead.

he had a feeling that zhao ke was trying to escape from something.

just after he went to ask who tang xin's father was, zhao ke committed suicide!

There was definitely no such coincidence!

Chapter 515 the man in zhao ke's heart (2)

When PEI Qiqi went downstairs, Tang Yu folded the newspaper. He looked up and smiled, " come and have breakfast.

she looked at him and sat down beside him.

"Have some warm milk." he poured a cup for her and watched her take small sips.

pei qiqi noticed that he was looking at her. she held the cup in her hand and pouted her pretty little mouth. her voice was soft and delicate, " tang yu, why are you always looking at me? "

tang mo looked at her quietly and then rubbed her long hair. " i just feel that our qiqi has grown up, yingluo. "

" oh, " she replied and lowered her head to drink the milk again, obediently taking in her nutrients.

actually, tang yu knew that she didn't like to drink milk. she was being so obedient because she wanted their child to be healthier.

this was probably because qi qi did not have a mother's love since she was young, so she was extremely cautious about the arrival of this child.

He suddenly reached out and pulled her head to his forehead. He said in a hoarse voice, " Qiqi, you have me.

She was very close to him, and the man in front of her was noble and unparalleled. PEI Qiqi's little face was a little red.

She was also scolding herself in her heart. It wasn't like Wanwan hadn't kissed him before. They'd done it countless times and she'd seen him naked many times, so why was she blushing so easily?

her face was so red that she didn't know what to do.

However, he didn't tease her anymore. He just stuck to her and enjoyed the warmth.

pei qiqi hugged his waist and felt his muscles tense. she looked up and softly called out, 'tang yu'.

tang yu lowered his head and kissed her on the forehead, " okay, it's almost time for breakfast. i'll take you to the office in a bit. "

she hummed in agreement and obediently ate her breakfast.

The newspaper was under a small plate next to Tang Mo's hand.

After eating, Tang Yu wiped his lips with a napkin and kissed her on the forehead, " "i'll be waiting for you in the car."

pei qiqi acknowledged him and went upstairs to get her bag.

tang yu dropped her off at the pei group's building and reached out to open the car door for her, " i'll pick you up in the afternoon. "

pei qiqi got out of the car and bent down, " no need to trouble yourself. i can go home by myself. "

he looked at her without saying a word.

He suddenly moved over, hooked her Little Neck, and pulled her into the car. He kissed her little mouth and let go of her little mouth, but he didn't let go of her Little Neck. His voice was a little hot."I'll have uncle Zhao send you back tonight."

she was about to say something when tang yu placed his finger on her red lips, " qiqi, be good. "

"tyrannical!" she leaned over and bit his lips, then quickly escaped.

tang yu's eyes were deep as he looked at her back. he was deep in thought.

He picked up his phone and dialed Xiaowen's number.

Xiaowen received a call from boss Tang and was completely shocked.

Oh my God, why would President Tang look for her?

" take away all the newspapers in qiqi's office. don't let her see today's news. " Tang Yu's voice was calm but also tense.

" oh, " xiaowen replied. then, there was no " then " because BOSS tang hung up the phone.

She was stunned for a moment before she immediately went to boss PEI's office to collect the newspapers.

since mr. tang said that he didn't allow her to look, there must be something wrong!

downstairs, tang yu sat quietly in the car for a while before starting the car.

Chapter 516 the man in zhao ke's heart (3)

Under Sheng Yuan's pressure, Zhao Ke's news was suppressed. There was no more large-scale publicity.

however, because zhao ke had no relatives left, no one could help her with her funeral matters other than tang zhiyuan.

No matter what, Tang Xin was her closest person.

Although it was cruel, Tang Yu couldn't stop Tang Xin from seeing Zhao Ke for the last time.

tang zhiyuan originally hated zhao ke to the core, but now that she was dead, what else was there to be calculative about?

tang zhiyuan did the funeral for zhao ke. although it wasn't a big scene, it wasn't embarrassing.

Zhao Ke lay quietly, her face ashen. One couldn't tell that she was as beautiful as a peach more than ten years ago, and that she had become so magnificent for so long.

She couldn't see Tang Xin crying out of breath, she couldn't see ...

perhaps, they would only meet in the future.

the first half of zhao ke's life was for herself, and the second half of her life was for that man.

However, that man, Wanwan, finally came to see her.

Tang Zhiyuan didn't want to bear the name of being mean, so Zhao Ke's funeral was as simple as it should be.

shen lian was standing beside shen chongshan. she was dressed in black, but she still looked pretty.

after she bowed, she stood up straight and comforted tang zhiyuan gently, " "Uncle Tang, don't be sad."

Tang Zhiyuan smiled knowingly and looked at Shen Chongshan. Chongshan, I'm sorry for letting you see this.

Shen Chongshan's gaze fell on the dead Zhao Ke's face and he said indifferently, " perhaps this is the best release for her.

Tang Zhiyuan sighed and said yes.

Only Shen Lian's gaze was fixed on her father's face. She did not say anything.

Release?

Was it Zhao Ke's release or his father's release?

before she came, she had heard her father and mother quarreling downstairs. her mother's voice was mixed with the same words as before-

“little bitch!”

“Vixen!”

he must be talking about zhao ke!

about zhao ke’s past, sob sob.

shen lian raised her head and looked at shen chongshan. however, shen chongshan did not notice.

he was a successful man who took good care of himself. he was nearly fifty years old, but he looked like he was only in his forties ...

this was when a man was at his most mature and charming.

In the past few years, although Shen Zhongshan did not have much gossip, he always had one or two close female friends around him. Most of them were famous stars and models. They were sensible, so the Shen family seemed to be safe and sound.

Now, Zhao Ke’s death was supposed to be a good thing.

however, shen lian knew that shen chongshan had been in his study room the entire afternoon.

it seemed that, at the very least, zhao ke’s body had once made him infatuated.

“dad,” he said. Shen Lian held Shen Chongshan’s arm and said, “ we should go.

zhao ke and tang zhiyuan were already divorced. it was already a great favor for her to come and visit. it was really not appropriate for her to stay.

shen chongshan came back to his senses and smiled, “ you still have something to say to your uncle tang. go to tang xin and comfort her. ”

Shen Lian could not reject him, so she went upstairs.

However, she didn’t go upstairs immediately. Instead, she stopped halfway.

because she heard tang zhiyuan and his father talking about pei qiqi.

What a stupid man!

Zhao Ke was already dead. Tang Zhiyuan didn’t even know who Zhao Ke loved in this life.

At first, Shen Lian didn’t know either. However, Zhao Ke had always been good to her and always treated her and Tang Yu well. So, she understood everything.

it’s really wishful thinking, yingluo.

Chapter 517 the man in zhao ke’s heart (4)

Downstairs, there was no one around.

tang zhiyuan’s voice was a little calm. “ brother chongshan, i won’t hide it from you. i’m not afraid of you laughing at me. ”

tang zhiyuan’s gaze fell on zhao ke’s face and he looked a little sad. “ zhao ke has hidden many things from me, including the fact that she has a daughter. ”

“Tang Xin?” Shen Chongshan frowned.

Tang Zhiyuan sighed, "it's not Tang Xin. It's PEI Minghe's daughter. The girl who's with Tang Yu now.

tang zhiyuan was very unhappy when he talked about pei qiqi.

shen chongshan's gaze fell on tang zhiyuan's face, and his pupils suddenly shrank.

after a long time, shen chongshan said in a dry voice, "That girl is Zhao Ke's child?"

Tang Zhiyuan was immersed in his own pain and didn't notice Shen Chongshan's strange behavior.

"Yes!" Tang Zhiyuan laughed. you hid it from me. Not a single drop of water could leak out.

Shen Chongshan's fingers started to tremble.

Zhao Ke's!

Twenty-one years ago, Zhao Ke had aborted a child for him.

pei qiqi was probably in her 20s.

That child ...

Shen Chongshan's face was ashen. After a long time, his gaze fell on Zhao Ke's face.

If Zhao Ke was still alive, he could ask her if PEI Qiqi was his child.

but zhao ke was dead!

tang zhiyuan sighed, "Tang Xin is sick, and Zhao Ke has done too many evil things in her life, that's why she ended up like this."

she paused for a moment, "she wanted to kill pei qiqi but caused jinrong to become a vegetable. "

tang zhiyuan's heart felt heavy, "in the end, she died in the hands of her own daughter. from what i see, pei qiqi set her up. " what an ill-fated relationship."

he and shen chongshan had always had a deep friendship. they used to play together since they were young, and they had never been estranged.

Besides, he and Zhao Ke had already divorced. Tang Zhiyuan had no one to talk to about this. At this time, he could only talk about it in front of Shen Chongshan!

Shen Chongshan's heart skipped a beat, and his fingers slowly clenched.

Why had he never thought that the child and Zhao Ke had disappeared twice, leaving him alone?

Tang Xin's age, if she was his child, it would make sense!

When her gaze fell on Tang Zhiyuan's face again, it was a lot more complicated.

Of course, with Shen Zhongshan's status, Jin Taihe of the Shen family was only second to Sheng Yuan. Naturally, he would not make a sound.

more than twenty years ago, he refused to accept zhao ke's child. even today, after it was confirmed that pei qiqi was his child, he still wouldn't acknowledge her.

He couldn't have a single scandal and he couldn't be on bad terms with Tang Zhiyuan.

Shen Chongshan did not say anything. He did not expect Shen Lian to hear everything.

shen lian's face was calm.

now, she finally knew why zhao ke didn't like pei qiqi so much. it turned out that not only was pei qiqi's illegitimate child born outside, but it was also very likely that it was the illegitimate child her father left in zhao ke's body.

how ironic. she and pei qiqi might have the same father but different mothers!

Shen Lian hid the shock in her eyes and did not miss the rest of her father's words.

It was PEI Qiqi. She was the one who designed the plan to send Zhao Ke to prison.

If she told Tang Xin all this, would the consequences be wonderful?

PEI Qiqi loved Tang Xin so much, but Tang Xin was looking at her with hatred. Would her heart hurt?

Shen Lian slowly walked to Tang Xin's bedroom with a touch of pleasure.

She felt that it was time to let PEI Qiqi have a taste of pain.

tang zheng pampers you, but you have such an unbearable background. what you did to zhao ke is enough to send you to hell!

Chapter 518-no one can replace this pain

after pei qiqi got off work, she got into old zhao's car and went back to her house.

She hadn't gone to work for a few days, so she was a little tired.

he ordered a simple bowl of egg noodles and curled up on the sofa to watch tv.

The night was boundless, but her heart was soft.

Because she had Tang Xin and Tang Yu.

there was a knock on the door. she was stunned and immediately put down the bowl in her hand to open the door.

tang mo stood at the door, his eyes deeper than the night.

PEI Qiqi was stunned for a moment. She looked up at him, " why are you here? "

He half-hugged her and brought her inside.

The door closed and Tang Yan looked at her quietly. His voice was a little hoarse. Qiqi, is there any more noodles? "

she made an "oh" sound and turned around to look."i'm done. i'll help you again."

"You go take a shower first," she pushed him.

However, he hugged her entire body, holding her small body in his arms.

his breath was so strong that it caught her breath. pei qiqi leaned on his shoulder and couldn't say a word.

after a long time, tang yu let go of her, " i'm going to take a shower. it'll be fine if it's simple. "

PEI Qiqi watched him walk into the bathroom and felt that something was wrong with him.

she went to the kitchen. although he told her to make it simple, she still made him his favorite chicken noodles.

Downstairs, Tang Yu came out. He didn't have his clothes, so after his shower, he only wore a bathrobe.

he hugged her waist from behind and buried his face in her neck.

In an instant, the small kitchen was filled with his scent.

PEI Qiqi bit her lip and said in a weak voice, " Tang Yu, I'm below.

He tightened his arms and pressed his face against hers. I know.

She turned to look at him and continued to cook, " Tang Yu, I think you're acting a little weird today.

she turned her head and glared at him. " tell me, did you do something wrong? " Which girl did you come into contact with, huh?"

he smiled slightly. " i wouldn't dare! "

PEI Qiqi snorted, " I don't think you would dare to either.

she angrily turned around and bit his neck. she only bit him lightly, and her eyes fell on it for a long time before she snorted."I'll give you a mark and you won't dare to provoke little girls."

tang yu forced a smile, " our qiqi is also a young girl. "

She looked at him and snorted. Then, she put the noodles away and was about to leave when Tang Yu hugged her and said in a low voice, " "qiqi, you will always have me."

pei qiqi turned her head around, wanting to look at him but tang yu didn't let her.

her heart sank bit by bit.

her face was as calm as water, and after a long time, she asked softly, " " tang yu, what happened? "

His small body was turned around, and he looked at her seriously. Zhao Ke committed suicide in prison.

he could not tell her more.

PEI Qiqi looked at Tang Yu, her face pale.

She looked straight at Tang Yu and her voice was uncertain, " Tang Yu, what did you say? "

Although it was cruel, he still told her.

The quiet night was the best time.

he pulled her into his arms and whispered into her ear, " qiqi, you still have me. "

However, she couldn't hear it. She only heard that Zhao Ke had committed suicide.

pei qiqi's voice trembled, " "she's dead?"

tang yu nodded slowly and hugged her tightly, not letting her escape!

then, she bit him on the shoulder, hard and hard.

Chapter 519 no one can replace this pain (part two)

blood gushed out in an instant, but he stood still and let her bite him, letting her vent her anger.

pei qiqi couldn't cry. she just bit him and said in a hoarse voice, " tang yu, i'm not sad. "

"yes, i'm not sad." She leaned on his shoulder and said softly.

However, when she closed her eyes, Zhao Ke's face was all she could see.

high and mighty, mean, tragic ... it was all about zhao ke.

pei qiqi lost all her strength. she laid on tang yu's shoulder and didn't move.

after a long time, her tears fell.

that person hated her, and she also hated the person who gave birth to her.

However, the woman who had always given birth to her had stayed in Zhao Ke's stomach for more than nine months.

Zhao Ke is dead, ran ran, she doesn't have a mother anymore.

There was no more.

i don't even have a chance to be hugged, yingluo.

pei qiqi cried and laughed. she broke free from tang yu's embrace and her expression was a little crazy, " tang yu, i sent her to prison. it was me, hanhan. "

she just wanted zhao ke to get the punishment she deserved, but she didn't expect zhao ke to die.

Tang mo forcefully pulled her into his arms and pressed her down, not letting her escape.

" listen to me, qiqi. it's not your fault. " he pressed on her shoulder. " zhao ke, " he said. " she's doing this for herself. "

He couldn't tell her what he suspected, and he couldn't tell her that Tang Xin wasn't his sister.

That way, PEI Qiqi's existence would be even more unbearable.

he looked at her seriously. pei qiqi was in a daze. after a long time, she said, " " tang yu, is it true? "

"It's true!" He hugged her, patting her back with one hand and stroking her long hair with the other. she just wants to be free.

Death might be the best release for Zhao Ke.

For a woman like her, going to jail was already a form of torture. It was only normal for her to leave now.

pei qiqi looked at him. she didn't cry anymore. she didn't cry anymore.

However, she remained silent the entire night.

She still brought the noodles over to Tang Zheng, but how could he be in the mood to eat?

Tang Yu took a few bites and looked at her dazed expression, " "Qiqi."

mm. she lowered her eyes. when will she die? ”

“The day after tomorrow.” he told the truth.

PEI Qiqi didn’t say anything more. When night fell, she didn’t make a sound. She lay quietly on his shoulder. She was quiet. No one knew what she was thinking.

Tang Yu didn’t disturb her.

at this moment, he needed a cigarette, but he held back.

He reached out and touched her shoulder. Qiqi, if you want to cry, you can come into my arms.

“I don’t want to cry!” Her voice was hoarse.

after a while, she turned around and hugged his waist tightly, leaning into his arms.

Her small face was facing his chest, and after a while, he felt that it was wet and hot.

it was a little cold and very uncomfortable.

however, he didn’t say anything and only caressed the little girl.

And now, his little girl was so sad!

His heart was as heavy as hers.

at first, pei qiqi cried silently. then, she started to sob.

Tang Yu patted her and looked into the dark night. His voice was gentle, ” “baby, you’re fine after crying.”

how could he not know? how could he not know what she was carrying?

he would rather suffer for her.

however, no one could replace yingluo with this pain.

it wasn’t until late at night that her crying gradually stopped.

Chapter 520 no one can replace this pain (3)

Tang Yu lowered his head and looked at her teary face. She had already fallen asleep.

His warm fingers gently wiped the tears from the corner of her eyes. He looked at her silently for a long time before carefully placing her in his arms.

Qiqi, you will be fine tomorrow.

Because you still have me!

He hugged her all night and did not put her down. He hugged her all the time.

pei qiqi woke up when the sky brightened.

when she opened her eyes, they were a little sore and bitter.

Her small hand tugged at his bathrobe, and her voice was hoarse. I want to go and take a look.

tang zheng pursed his lips. ” it’s already done this morning. i’ll take you there in the afternoon. ”

tang zhiyuan was in charge of everything. tang yu didn't participate. also, with pei qiqi's status, she wasn't suitable to attend zhao ke's funeral.

pei qiqi knew this as well. she lowered her head and didn't say a word.

tang yu hugged her for a while, " don't go to the office in the morning. "

she looked up.

"I'll go with you." he smiled slightly.

suddenly, pei qiqi threw herself into tang yu's arms. she buried her face in his shoulder and her voice trembled, " tang yu, our child. can she save tang xin? "

"I will. I definitely will." "if one doesn't work, then i'll have two!" he patted her and comforted her.

pei qiqi looked at him,"i'm not a pig."

"Yes, I'll turn you into a pig."

She leaned on his shoulder again and said softly, " Tang Yu, I'm afraid of Hanhan.

She was afraid that the people around her would leave Yingluo one by one.

she was terrified.

Her small hands tightened and she hugged him desperately.

tang yu reached out and stroked her long hair. his voice was clear and elegant, " don't be afraid. We will grow old together. When our hair turns white, I can still hold you, Qiqi.

Her body was a little soft as she lay on his shoulder. She closed her eyes and imagined how they would look when they grew old.

She couldn't believe that they would grow old together.

she couldn't believe that they could be like any other ordinary couple and walk to the end.

tang yu held her face and said firmly, " "we definitely will! Qiqi, we will."

he kissed her, without any affection, just pitifully kissing his little poor thing.

He spent the entire morning with her and did nothing else.

in the afternoon, tang yu drove pei qiqi to the cemetery.

The sky was gloomy.

when pei qiqi got out of the car, she looked at the endless cemetery and sighed.

This was because PEI Minghe was also buried here. No matter how unwilling Zhao Ke was to see him, they were buried together after his death.

PEI Qiqi was dressed in black. Her pale face was covered in sunglasses and she was holding a bouquet of white chrysanthemums. She followed Tang Yu to the new grave.

the photo was taken from zhao ke's younger days. her features were like a painting, and every part of her was exquisite.

even if it was just a photo, one could see her arrogance.

PEI Qiqi slowly knelt down and placed the White chrysanthemums in front of Zhao Ke's tombstone. On it was a tombstone with Tang Xin's name.

Her name, PEI Qiqi, wasn't there.

Yes, in Zhao Ke's heart, she, PEI Qiqi, didn't exist.

from the beginning to the end, he had never thought of acknowledging her.

she stood up slowly and looked at the photo. she said softly, " if you didn't look for me at that time and didn't let me leave Tang Yu, things wouldn't have ended up like this, right? "

She would rather never know who her mother was.

"you will never be able to hug me, and i will never be able to call you mom." pei qiqi looked at her photo and lowered her head, " but you never knew how much i once wanted you. "
