

Thank you 5151

Chapter 5151: this is my wife (4)

In the car, su mu fastened his seat belt and suddenly asked, ” “when can i see ye jie?”

Ye xiangnan started the car and turned to look at her. “I thought you didn’t want your son anymore. Aren’t you happy these days?”

su mu’s face was a little hot. he knew that he did it on purpose. he liked to embarrass her with those private words, and it was indeed very embarrassing. fortunately, he would never mention it in front of others.

Ye xiangnan looked like a gentleman, but he was not a gentleman in private. He was terrible, especially when they were alone. Su mu was afraid of him.

This was also the reason why she was usually obedient. She really couldn’t handle his tricks.

so, she didn’t say anything. ye xiangnan turned to look at her, then smiled.”What, you still don’t want to admit it?”

...

“aren’t you happy too?” She didn’t know why, but she just said this.

As soon as he finished, ye xiangnan laughed in a low voice. His laughter was light and happy, even more attractive than the night. I’m quite happy. I’m happy every day. Mrs. Ye, do you feel a sense of accomplishment when I say this? ”

su mu didn’t want to listen to him at all. he turned his head to the side. his hair covered half of his face, which made him look more charming from his angle. In fact, su mu was quite feminine, probably because he had given birth early. He didn’t look old, but he had the charm of a woman, which was quite fascinating.

This was also the reason why President Ye came home every day to eat. He was a vegetarian and the food was quite delicious.

su mu was even more reluctant to talk to him when he was so mean. later, he brushed her hair and touched her face at the red light."It's so hot?"

"Thinking of the South at night! what are you trying to do?" she was a little annoyed.

Ye xiangnan stared at her little face for a while and then smiled gently."You don't know what I want?"

su mu pushed his hand away at once. "I don't know,"

he was obviously a little angry, but he didn't make things difficult for her because the green light in front of them had turned green.

at 7:30 sharp, his car stopped at the entrance of the vegetarian hot pot restaurant, which was very famous. su mu and ye xiangnan had been here twice. after getting off the car, she followed him silently and went to the private room that she had arranged with sister hong.

When he saw sister Hong, he naturally felt a little complicated. Sister Hong's injuries had not yet recovered, but she was fine.

Sister Hong was there, and surprisingly, editor-in-chief Zhang was there as well. When they went in, the two of them were smoking together like brothers. There was no sign that they were an ex-couple who had had a falling out with each other.

Su mu also knew that after this incident, sister Hong and editor-in-chief Zhang probably had the feeling of old friends. All the love and hate had passed, and what was left was only the cherishing of the past.

Zhang fucai's face was bruised and swollen, and he still looked like a pig's head. It was funny to see him smoking. Su mu bore with it and greeted them.

The other party treated her as usual, but he treated ye xiangnan differently. On one hand, his status was particularly noble. On the other hand, he saved sister Hong. On the other hand, he even gave her the face to come and eat this meal. This was something that she would never have expected.

sister hong couldn't help but take another look at su mu.

Su mu didn't say anything. He just sat beside ye xiangnan and ate in silence.

Sister Hong knew very well that a man like ye xiangnan wouldn't act until he saw the rabbit. She knew that su mu must have made a lot of sacrifices to be able to come out. As for the extent, she didn't know how much they had sacrificed judging from their hesitant looks.

Chapter 5152: This is my wife (5)

When Zhang fucai told her that su mu and ye xiangnan had gotten married, she didn't believe it at first, but now she did. she didn't feel good. su mu did it for her.

however, from another perspective, sister hong felt that this might be the best ending for su mu.

Cheng Zheng's incident had taught her a big lesson. Without power, she would only be at the mercy of others. Su mu was the woman that Cheng Zheng had always wanted. If it was not for Ye Xiang Nan, Cheng Zheng would probably not have been so polite to him. This was probably the best outcome for su mu.

However, sister Hong didn't say these words. Su mu should have experienced it himself. after this time, her state of mind had changed a lot, and it seemed that she had accepted many things, especially zhang fucai.

zhang fucai was timid and afraid of trouble. his only shortcoming was that he liked women. however, he was no longer her husband, and that was no longer his shortcoming. she had never thought that he would have a time where he would help her at the cost of his own life.

Sister Hong sighed and looked at ye xiangnan and su mu. I must give a toast to President ye today. Not only to save me, but also to wish President ye and Mumu happiness.

...

ye xiangnan, who was indifferent, became a little interested. he smiled lightly and raised his glass as well. su mu, on the other hand, had to show respect to sister hong. he also raised his glass and drank a little. when he was about to pour the second glass, ye xiangnan stopped her, "if you can't drink, then don't. you're just trying to show off."

"just a small cup." su mu turned his head and glanced at him.

Ye xiangnan let her drink. I won't take responsibility if you drink too much. Don't think I'll Carry You Home.

su mu ignored him and talked to sister hong. she had not seen sister hong for many days and was injured again. she missed her.

Sister Hong was very carefree. Although she had suffered a loss from Cheng Zheng, she did not mind that she had stabbed Cheng Zheng in the back.

On the other side, ye xiangnan and Zhang fucai were drinking. Fatty was flattered. Who was this? it was president ye. He was actually drinking with him.

editor-in-chief zhang was very, very careful. he kept calling him president ye and sun newspaper. towards the end, he was a little incoherent. ye xiangnan smiled and said, "let's not talk about business today. I'll give you an exclusive interview. Just let su mu do it for reporter Liu.

He turned around and looked at sister Hong and su mu. "is there a problem? the satellite tv and sun newspaper will be synchronized. you'll be in charge of it. this will be the first official case."

su mu was stunned for a moment. sister hong nudged her. "quickly thank your president ye."

After su mu said "thank you," he felt something was wrong. Zhang fucai touched his head and chuckled, "We're all family, what's there to thank!"

His words made the atmosphere a bit subtle. Ye xiangnan looked at su mu and smiled. "i can thank you when i get home."

Zhang fucai chuckled again. He was born with a little bit of that kind of personality, and this time, he added a bit of ambiguity. Su mu was also quite that kind of person.

sister hong glared at zhang fucai. " what are you laughing at? do you think that everyone else is like you, with a brain full of paint? i heard that du meili bullied your wife when you were hospitalized. zhang fucai, you should be more careful. she followed you at such a young age. how is she not worse than du meili's bus? "

zhang fucai chuckled and said, " men are all the same! You're talking about du Meili? they've already broken up."

Chapter 5153: This is my wife (6)

Sister Hong found it strange. Even su mu felt that the sun had risen from the West. He looked at Zhang fucai, but Zhang fucai didn't say the reason.

the meal ended at 10:30. su mu had eaten a lot, which ye xiangnan had forced for her. it would be hard for her not to eat. when they were leaving, ye xiangnan wrapped his arm around her shoulder and said goodbye to sister hong and chief editor zhang.

He was drunk, and su mu was even more drunk. He had already asked the driver to come over and wait for them. When he saw them coming, he immediately drove the car over."Sir, Madam, get in the car."

zhang fucai and sister hong were standing side by side, looking in that direction.

Zhang fucai sighed. su mu is really a South Africa diamond. I can't believe it.

he then turned to sister hong and said,'su mu is not that good-looking, how did president ye like him? There are so many beautiful women out there."

...

sister hong lit up a cigarette and took a long drag. she glanced at zhang fucai and said, " do you think everyone has the same taste as you? su mu isn't as flirtatious as you, who only knows how to climb into a man's bed.

“They have a child after all. Su MU’s character is quite attractive to men.” She puffed out a mouthful of smoke.

After saying that, he looked at Zhang fucai and said, ” you men can’t get the best, right? that’s how it is for president ye now.”

Hearing this, Zhang fucai immediately became excited. He took the cigarette from sister Hong’s mouth and took a puff. Then, he licked his old face.”right now, to me, it’s the best if you can’t have it.”

“really?” sister hong snorted.

“of course it is,” zhang fucai said, trying to curry favor.

she then became serious. ” you see, we’re old friends. liu hong, it’s not like you can’t see through my thoughts all these years. i’ve regretted it a lot. ”

At this point, sister Hong didn’t play dumb.”it’s impossible between us.”

Zhang fucai squinted his eyes and took a puff of the cigarette.”Why is it impossible?”

sister hong lit up another cigarette. ” do you want me to be your mistress? or do you want to divorce and marry me? ” she asked.

“let’s just be close friends.” Zhang fucai said shamelessly, half-telling the truth.

Sister Hong stood there smoking her cigarette and looked at him.”Zhang fucai, are you asking for a beating again? haven’t you woken up from the beating before?”

Zhang fucai touched his head. can you not mention this? I was beaten up by that Cheng guy because of you. It’s all for you.

he gritted his teeth. ” if i had the ability, i would definitely kill that bastard. how dare he treat you like that? ”

“isn’t she just sleeping?” sister hong didn’t care much. ” what’s the big deal? you’re shouting about fighting and killing. besides, are you going to use your fat to kill him? you don’t even know how to train yourself. you still have the nerve to say that you want to make up with me? do you think i’d be willing to do that with just a body of pork? only du meili doesn’t mind you.”

Zhang fucai’s pig-like face turned red. Liu Hong, don’t go too far. I’ve risked my life for you.

“Yeah, I got beaten up for nothing!” sister hong said coldly, deliberately angering him.

She was touched, but this was how they got along. it had been so many years, and she wasn’t used to it all of a sudden. besides, she didn’t want to give him any hope.

Zhang fucai was a little dejected. At this moment, he received a call from his wife, who said that his child had a fever.

Chapter 5154: This is my wife VII

after hanging up, he said to sister hong, ” “the child is having a fever. i have to rush back.”

Sister Hong nodded. hurry up and go. Don’t fool around outside in the future. It’s not easy for your wife to take care of two children.

Zhang fucai threw away the cigarette butt in his hand and said, ” I know what to do. I’m leaving now. You should be careful when you go back.

“Here, this is for you.” Sister Hong took out a card.

there was 300000 yuan inside.

it was a small token of her appreciation. although he was an editor-in-chief, he had spent a lot of money on du meili these days. it was not easy for his wife at home.

...

Cheng Zheng let her go and asked her subordinate to give her a check of five million Yuan. She gave this to Zhang fucai as the medical expenses and a small token of appreciation.

zhang fucai was stunned for a moment, then he frowned, ” “What kind of person do you think I am?”

su mu said in a cold voice, ” take it. don’t be so wishy-washy like a girl. go now. treat your wife well in the future. ”

zhang fucai suddenly felt like crying.

He came over to hug sister Hong and said very softly, ” Liu Hong, I’m sorry. Be my wife in your next life. I’ll treat you well.

liu hong was silent for a while. she wanted to cry too, but she pushed him away and said with a smile, ” “You’re talking nonsense again. I want to give you a big slap.”

However, Zhang fucai’s eyes were filled with tears. you’re always like this. You’re a good woman with a tough mouth but a soft heart. I’m the one who’s not blessed in this life.

Sister Hong pushed him. what are you saying? it’s so mushy. Hurry up and get to the hospital.

Zhang fucai replied with an ‘en’, and his Adam’s apple seemed to be choking. He quickly took a taxi and left.

sister hong stood there alone with a long and thin cigarette in her hand. she was exhaling smoke in the dark night, looking very charming and attractive.

At least, in master Cheng’s eyes, she was quite rare.

Master Cheng was dressed in black, followed by two of his subordinates. He was also having R meal in the vicinity and didn’t want to come out and see his old rival. He looked at sister Hong’s clothes and her long hair that was laid down. He looked carefully as if he could see all the skin on her.

Sister Hong saw him as well. She stood there and puffed out a cigarette, reaching out to hail a taxi.

Master Cheng gave him a look and his underling let the car go, but the driver refused. "You won't let anyone else take the bus!"

master cheng snapped his fingers, and his subordinate immediately threw a stack of hundred-yuan bills in, about two or three thousand yuan. the driver immediately drove away happily.

master cheng smiled and said,"see? this is the charm of money." there's nothing that money can't solve. if there is, it's because you don't have enough money."

Sister Hong was speechless. Cheng Zheng, what are you trying to do now? "

Master Cheng touched his chin and looked at her. "i'd like to know what you're up to. why, you've just recovered and you're out to seduce men again? That fatty just now was your old flame, right? what, your ex-husband's injuries have recovered and you're preparing to get back together? is that fatty good enough?"

Chapter 5155: This is my wife 8

in fact, master cheng's subordinates had discussed this in private. reporter liu wasn't very good-looking, but he was quite flirtatious. when he put on makeup and dressed up, he really looked like a woman. he also had a strong personality.

As for women like su zhirou, they were just like desserts to master Cheng. He was already sick of them. Didn't they say that the things that men wanted the most were the hardest to get? other than miss su, only reporter Liu caught master Cheng's eye.

Miss su was master Cheng's benefactor when he was young, Bai yueguang. Of course, master Cheng wouldn't do anything to her. But reporter Liu was different. Even if he was a little polite in the past, after such a quarrel, he had shed all his face.

However, master Cheng's taste was really heavy, but wouldn't it be a bit of a scumbag to think about two women at the same time?

whether she was a scumbag or not wasn't something that these underlings could ask about. they were only responsible for watching the show and encouraging master cheng. master cheng had only wooed two women in total.

One was miss su, who was a big spender. The other was reporter Liu in front of them. Although his method was a little special, they could all see that master Cheng liked reporter Liu.

...

Master Cheng's eyes glowed with greed again.

sister hong did not have time to waste with cheng zheng. she had to go back, but just as she was about to leave, her arm was grabbed.

Then, master Cheng's voice was low, "he's using my money to raise a pretty boy." You're thinking of running away?"

"Your money?" Sister Hong sneered, "how is that your money?" besides, i can spend my own money however i want. it doesn't seem to have anything to do with you, cheng zheng. besides, is zhang fucai a pretty boy?"

"You know it in your heart." "do you think i'm blind?" he sneered.

sister hong looked at him and laughed after a while. Cheng Zheng, are you crazy? I'm not related to you. Didn't we agree to go our separate ways? "

She glared at him after she finished speaking, thinking that he would be difficult to deal with. Unexpectedly, he had convinced master Cheng.

Master Cheng touched his buzzcut. yeah, why should I be serious with you? you can sleep with whoever you like. I don't care.

As he said that, he walked away while mumbling.

"He's really sick," sister Hong cursed.

why don't you just tie that woman up and bring her to the villa? " one of master Cheng's subordinates asked. master Cheng can do whatever he wants.

Master Cheng smacked him on the head and said,"am I that kind of person?" I have no interest in that old woman."

he muttered to himself as he got into the big benz and left.

sister hong smoked two more cigarettes before she called zhang fucai to ask him how the child was. zhang fucai's voice was quite low. " it's alright, it's 39 degrees celsius. it came just in time, and now the fever has subsided a little. "

Sister Hong said a few more words before hanging up the phone.

zhang fucai hung up the phone, and his wife asked softly, " "is it sister hong?"

" yeah. " zhang fucai nodded. " we had dinner together to thank president ye of starlight. "

he was quite proud when he said it. after all, it was an honor to have a meal with a big shot like president ye. however, his wife came from a small place and was a little out of touch with society after getting married, so he did not say anything.

He was a little embarrassed when his wife suddenly said, " "fucai, you know that you've always had sister hong in your heart. if you really want to, why don't i take care of her?"

"What are you talking about?" I'm willing, but she's not, " Zhang fucai interrupted her. you're probably the only one who takes me seriously with all the fat on my body.

Chapter 5156: Su mu, am I good-looking?(1)

"oh, that's right." he took out a card. " this is my bonus. there's 300000 yuan in it. save it. our child will need to spend money on many things in the future. "

So the little girl's heart was at ease. The man put the money with her, which meant that his heart was at ease.

After a while, she remembered to ask, "Fucai, is the nightclub that you mentioned very awesome?"

Zhang fucai glanced at her and said, "you're very awesome. He's the only male related to the two most powerful families in B city. Don't you think he's awesome?"

"that's really amazing," the little mistress said with a face full of yearning.

*

...

at this moment, the powerful president ye was sitting in the back seat of the car with su mu beside him. she had drunk a little too much and was a little drunk. fortunately, she did not have any allergies.

he regretted letting her drink. if she had an allergic reaction, it would be too troublesome to go to the hospital. it would also affect her body. she was already a bag of bones. when he thought about how she used to drink with liu hong without caring about her life, he wanted to shake this woman awake now. she was really too stupid.

however, now that she was leaning on him, the faint tipsy smell mixed with her body smell was quite nice. ye xiang nan couldn't help but smell it and even moved closer.

Su mu didn't wake up. He leaned on his shoulder without knowing anything until the car stopped at the entrance of the villa. The driver wanted to get out of the car to open the door for them, but he was smart enough to notice that President ye had no intention of getting out of the car. Therefore, he got out of the car and left quietly.

it was warm inside the car, completely different from the cold outside. night thought south turned his head and murmured, "It's not that I don't want you to drink, but you've drunk so much."

He patted her face, but she didn't react and continued to lean on his shoulder.

“if it wasn’t yingluo, you wouldn’t expect me to carry you upstairs, right?” Ye xiangnan frowned, ” su mu.

She opened her eyes and stared straight at him, not knowing if she was sober or drunk.

ye xiangnan suddenly had an evil thought. he pinched her chin with his slender fingers and said,”do i look good?”

su mu’s gaze was even more fixed with a touch of eagerness. she nodded. ” “It’s nice.”

“do you want to take a closer look?” ye xiangnan leaned closer.

“yes, i do.” as she spoke, she reached out to touch his nose and his face.

“do you want such a good-looking person to be your husband?” His voice became deeper.

su mu hummed in acknowledgment. it even tasted a little sweet. at least, ye xiangnan was a little sweet. he got close to her completely and asked softly in a tone that could not be refused, ” am I more good-looking or is Shen Wenxuan more good-looking? ”

Su mu stared at him for a long time before he said, ” “You’re good-looking,”

“Call me hubby and I’ll let you keep looking at me.” Ye xiangnan found it interesting to tease her like this. Usually, su mu would look cold and uninterested in her. When he was drunk, he would stare at her and couldn’t bear to move his eyes away. In fact, she had always been attracted to his face, but she just couldn’t bear it.

He said one thing but meant another!

su mu was still looking at him eagerly. after a long while, he whispered, ” but i don’t have a husband. ”

“isn’t ye xiangnan your husband?” He coaxed her. He didn’t expect her to be so strong after getting drunk. How did she survive in the past? the more he thought about it, the angrier he got. She wasn’t afraid of being taken advantage of.

therefore, he pinched her chin in a fit of anger. su mu bit his lip and said it was painful, but he didn’t let go.”you still know pain, huh?”

Chapter 5157: su mu, do i look good? 2

Su mu just looked at him blankly and muttered in pain.

Ye xiangnan found her dazed look quite interesting. He laughed in a low voice and teased her.

it was very warm in the car, filled with the faint smell of alcohol and his burning body breath. su mu would not be able to stand it normally, but now, her mind was all fuzzy, and she could only think of the south at night.

thinking of nan zhi zhi every night, she thought of nan zhi zhi every night. she didn’t know how many times she had said his name before he let her go. after that, he carried her out of the car and entered this luxurious villa.

the villa was especially warm, and she fell asleep in his arms.

she only woke up when the morning sun shone on her face. when she opened her eyes, she was greeted with a gray and luxurious decorations.

...

She thought of Cheng Zheng’s description of a handsome young master, which seemed to fit ye xiangnan’s description. She laughed but when she sat up, she could not laugh anymore.

She was wearing a white shirt. It was not the first time she had worn ye xiangnan’s shirt to sleep, but that was when she was wearing pajamas. She remembered that this shirt was the one he had worn yesterday, and there was a faint male breath on it.

Su MU's face suddenly became hot. It was so hot that it seemed to be burning from the inside to the outside. at this moment, ye xiangnan came in. as soon as he entered, he saw her in this state and smiled. " what's wrong? "

su mu immediately slid into the blanket and bit his lip without saying a word. at this time, she was wearing his shirt and her soft long hair was scattered on her shoulders, making her look very soft. president ye could not help but think more.

He curled his lips and sat by the bed. He reached out and touched her hair."i didn't have the strength to get you your pajamas last night."

Su mu bit his lip and glared at him. She looked so funny that he asked in return, " "is there a problem?"

"Of course, no problem," she said, lowering her eyes.

Ye xiangnan shamelessly nodded. that's right. You're mine. It's just a piece of clothing.

"Mrs. Ye, what do you think?" he leaned closer to her and said in a soft voice.

Su mu was still biting his lips and couldn't answer her at all. He didn't feel it was difficult for her, but he rubbed her hair affectionately."Get up, breakfast is ready. I'll take you to work later."

He said it so casually and naturally, but su mu didn't agree. "Ye xiangnan, can you not be so high-profile?"

He lowered his head.

He then stared at her and said,"I think it's good." however, su mu, are you trying to seduce someone else by hiding your married identity? Oh, by the way, Shen Wenxuan's in the company too. Do you have any other thoughts that you shouldn't have?"

su mu was furious. " ye xiangnan, don't slander me. "

” then, prove to me that you only have mr. ye in your heart and no one else. ” His voice suddenly became low and hoarse.

Su mu just glared at him, obviously furious.

ye xiangnan chuckled. ” are you angry? or are you admitting it? ”

“Boring.” Su mu lifted the quilt, got up and ran to the cloakroom. She didn’t want to talk to him anymore. Ye xiangnan liked to do this now, and she didn’t know if other people would find him annoying.

However, it was obvious that he didn’t want to let her go. When she was about to close the door of the cloakroom, ye xiangnan blocked the door and pressed her against the door. He was actually bullying her.

Fortunately, there was a heater in the cloakroom, so she wouldn’t feel too cold wearing only a shirt. However, she would be afraid.

She was afraid of thinking about the South at night like this.

Chapter 5158: Su mu, am I good-looking?(3)

“are you afraid?” his voice was a little intimate as he said next to her ear,”Apologize and I’ll let you go.”

“There’s nothing to apologize for. Thinking of Nan at night, you’re just boring.” She closed her eyes gently. it’s getting late. I have to go to work.

ye xiangnan raised his hand to look at the time and then said in a low voice, ” there’s still half an hour before we leave. Change quickly and don’t put on makeup. We’ll have breakfast in the car, Yingying.

she widened her eyes in shock.

Half an hour later, su mu was in the car. Ye xiangnan gave her a bag.”I made breakfast, Mrs. Ye.”

su mu didn't feel like eating at all now. he leaned against the back of the chair to rest.

...

He had never allowed her to sit in the back when she sat in his car. Su mu did not object to it anymore when he said that he was not her chauffeur. She tilted her head and said softly, "Please don't tease me in the morning. I have to go to work."

"isn't it normal for a newly-wedded couple to be like this?" He reached out and pinched her chin. "eat your breakfast. you're already thin enough. i don't want to feel like i'm holding a bunch of bones when i'm holding it. "

Su mu really didn't want to talk to him, but he still finished his breakfast in the end. If he didn't eat, he would probably torture her in other ways.

the car drove for more than half an hour until they arrived at the headquarters of starlight. ye xiang wanted to get off the car south, but su mu had already gotten off from the other side. He called out to her, " come to my place for lunch. Auntie Chen's cooking is more appetizing.

"I'll just eat in the staff cafeteria." su mu didn't want to get any privileges.

after she finished speaking, she didn't care if he agreed or not and left. ye xiang, nan xiaoxiao, let her do as she pleased.

when su mu arrived at the first floor of his office, he felt that the atmosphere was not right. it was an indescribable feeling.

she walked to her seat and sat down. a colleague beside her asked in a low voice, "is president ye really your husband?"

su mu hummed in agreement.

that person exchanged a look with the other people in the office. they were both surprised and happy. they were surprised that this was starlight's boss's wife and she was in the same office as

them. they were happy that they could get close to her in the future if they could curry favor with her.

su mu knew what they were thinking and said softly, ” “i’ve just arrived and don’t know anything. please give me your advice. Especially the professional stuff.”

as soon as she finished, a pair of well-maintained hands were placed on her shoulders gently, followed by a gentle voice, ” su mu, don’t worry. we’ll help you familiarize with the environment here and everything will be in line. besides, we’ll treat you as an ordinary colleague. don’t feel pressured. ”

Su mu raised his eyes and recognized that this was Zhao Ning, the female star of the TV station. Yue Ning had an especially good temperament and seemed to be very cultured. She was quite famous and was not arrogant usually. She was very popular in the station.

Su mu had a good impression of her since their first meeting. He nodded with a smile.

zhao ning’s position was obviously superior here. her words were gentle but carried weight. even director wang was especially respectful when he saw her. Zhao Ning smiled. I’m going back for maternity leave soon. Su mu, you have to get familiar with the work as soon as possible. If you don’t know anything, just ask me. If you need to test your voice, you can also find me. Don’t be afraid of the trouble.

“Director Wang might arrange a separate office for you,” she continued,”and I suggested to her that you do it in my office.” It won’t be a waste for me to go on maternity leave.”

This considerate person.

su mu did not know how to refuse, so he did not say much.

Chapter 5159: su mu, do i look good? iv

Su mu did not know how to refuse, so he did not say much.

after zhao ning left, a colleague beside her said in a low voice,”Su mu, don’t believe her completely. Zhao Ning is a good person. Even director Wang has been tamed by her. Her husband is also in the

middle of Starlight. This woman is very ambitious. Be careful. President Xuanji is rich and handsome.”

i won't say anything more, i understand what you mean.

Some women just want to get close to you with the intention of getting your husband.

Zhao Ning was pregnant now, so of course she couldn't do anything. But what if she attacked President ye because they were close to each other?

That was really hard to say.

...

Su mu was a little surprised. In her opinion, a woman like Zhao Ning's life was already perfect. Did she still need to do this? besides, ye xiangnan had a bad temper. what were these women thinking?

she nodded. ” thank you for your reminder. ”

” her current husband is a mistress, ” the colleague whispered. ” she's used to being a mistress. ”

Su mu was stunned.

Later, she politely thanked Zhao Ning for the suggestion of sharing the same office with her. She didn't ask for director Wang's arrangement for her to sit outside and said that it was quite good. Su mu also had his own plans. When she was outside, Zhao Ning had some private matters and it was not appropriate for her to come over and talk to her.

His colleague smiled. su mu, you'll have a private office when you're a streamer. Besides, this Starlight building belongs to you. You're acting like Zhao Ning is the host.

“My family's?” “It's President ye's family.” Su mu smiled.

“if i round it up, it’s your family’s.” Her colleague was quite loving. First of all, it was because of her identity. Second of all, it was because su mu was easy to get close to. Moreover, there was also master Cheng’s story. Moreover, she was dressed appropriately and not so flamboyant. On the other hand, Zhao Ning was like Chanel all the time. She did not have to dress like a real rich lady.

Therefore, although Zhao Ning appeared to be popular, the bottom-level employees did not like her very much. Now, it seemed that she wanted to have a third party with su mu and even had another child in her stomach. She was really ambitious.

su mu did not really believe it. after du meili, he felt that there were always such women in the office. however, she would not show it on her face if it did not happen. after all, she was just a small employee now. this starlight building had nothing to do with her.

She had signed a prenuptial agreement, but she didn’t need to tell anyone.

After a busy morning, she was about to go for lunch when Zhao Ning came out. She put her slender and beautiful hands on su MU’s shoulder. ” how is it? do you want to have dinner together or did you meet up with president ye? ”

“i’ll eat it myself.” Su mu smiled.

Zhao Ning smiled and said casually, aren’t you going to eat with President ye? President ye seems to be very close to you after you got married.

su mu’s smile was now for business. ” “I like to separate work and private life.”

“That’s true,” Zhao Ning smiled. let’s go. i’ll introduce you to the staff cafeteria in starlight. it’s pretty good.”

su mu couldn’t refuse, so he packed his things and went with them. the remaining people walked slowly on purpose and said in a low voice, ” “The most powerful mistress is probably going to make a move again. Don’t you think su mu is too stupid? If I just ignored her, it would be too obvious.”

The other person laughed. that’s right. She’s so smart. She made su mu happy. If President ye is seduced, I think she’ll give up the baby in her belly.

Chapter 5160: Su mu, do I look good? 5

Another colleague said mockingly, " exactly. She has the face of an angel and the heart of a devil. I hope su mu isn't that stupid.

I don't think he's stupid. Just think about it, he must be a tough character to be Mrs. Ye. Besides, President ye seems to be very infatuated with him. Why don't we hurry to the restaurant? there might be a good show. I'm on su MU's side this time.

"Of course I'm on su MU's side. He's the real Madam. Zhao Ning is just a live streamer. To put it nicely, she's a celebrity. To put it bluntly, she's just an actress." The other sneered.

therefore, everyone in the office went to the staff cafeteria. when they arrived, they saw zhao ning and su mu sitting there and having their meal.

Just as they were about to go over, the dining room suddenly fell silent.

At the entrance of the restaurant, ye xiangnan came over with Secretary li.

...

Heavens! it was president ye!

ye xiangnan walked in gracefully. su mu pretended not to see him, but zhao ning coughed and said,"that's president ye. su mu, aren't you going to invite him to have dinner with us?"

su mu almost couldn't eat anymore. this guy was really coquettish. he said he wouldn't go to his office, but he came here to catch him. "it's okay, we can eat by ourselves," she said softly with her head buried.

Zhao Ning was about to say something when she saw ye xiangnan and Secretary li walking toward them. She immediately put on a professional smile. However, Secretary li picked a table for ye xiangnan, and he sat down.

zhao ning was a little disappointed, but she still smiled politely.

ye xiangnan acted as if he couldn't see her. he didn't even know who one of his little streamers was. besides, if it was about temperament and appearance, he had many beautiful women around him. it was better to be flirtatious than to talk about temperament with men.

Zhao Ning was a little embarrassed. At this moment, Secretary li came over and smiled. "mumu, president ye is waiting for you there. if you don't go over, he'll be angry."

she was full of hints, so su mu couldn't pretend to be confused. he raised his chin."i'm eating with my colleagues."

She could see through Zhao Ning's thoughts. She was quite unhappy. Although she didn't want to monopolize ye xiangnan, she didn't want to be used by others.

zhao ning suggested, "it's not convenient. su mu, why don't we eat with president ye? it'll be easier for you to talk."

secretary li was a little surprised.

wasn't the woman in front of him the female live streamer? she heard that she was pregnant, but who was she trying to show off to? did she think that she could copy lin lu?

At that time, Lin Lu was a woman who only appeared when President ye was angry and let loose. Now, President ye is like a good man who goes to work and goes to work on time every day. Who can see President ye go out and fool around? besides, host Zhao is pregnant with the flesh and blood of Starlight's middle management. Even if she doesn't think for herself, she should think for her husband's future. Seducing someone else's husband in front of his wife, is her brain damaged?

Secretary li understood what he meant. He glanced at su mu, who was expressionless.

Secretary li had spent a lot of time with her, so she understood. Su mu understood it as well.

"Alright, let's eat together," su mu said calmly.

she looked at ye xiangnan, and president ye seemed to look at her inadvertently, then waved her over.

zhao ning was extremely excited. " su mu, let's go over quickly. "

Su mu smiled faintly and said,"okay."

those colleagues were all stunned. one of them mumbled, " "She's here, she's here. She's here with the baby in her stomach to seduce President ye, Yingluo."
