

## Thank you 5171

Chapter 5171: Is this considered dating after marriage? v

Su mu couldn't bear to listen to such words. don't you teach the child a bad lesson.

being held in su mu's arms like this, ye jie always felt that there was something different between her father and mother, but she couldn't tell what the difference was.

hence, she looked at her mother with bright eyes."Will mommy be with ye Jie in the future and will never leave ye Jie again?"

after asking, the little guy's nose soured and he buried his head into his mother's arms, refusing to come out.

Su mu lowered his head and looked at the little guy in surprise. He comforted him for a while, but the little guy seemed to be very angry.

"he might be mad at you," ye xiangnan said with a smile.

...

what? " su mu lowered his head in surprise. ye Jie, are you angry with your mother? "

Little ye Jie did not make a sound.

that meant he was angry.

Su mu coaxed him for a long time, but it didn't work. Ye xiangnan gloated, " see, I'm ignoring you. You're too cruel.

su mu was quite dissatisfied with him. " ye xiangnan, don't say so much. he'll be even more excited when you say it. "

ye xiangnan smiled. ” i won’t tell you. you’ll know how clingy he is when you coax him to sleep at night. ”

Su mu didn’t say anything else. Looking at the little guy in her arms, she felt soft, reluctant, heartache, and guilt in her heart. It was her fault, or rather, she was useless, which made ye Jie so sad.

She pressed her face against ye Jie’s and said very gently and sincerely, ” “Mommy won’t leave anymore, okay?”

“Really?” disbelief was written all over ye cha’s face.

Su mu answered, ” no, I’ll take ye Jie with me wherever I go.

ye jie was very happy. she hugged her mother tightly with her two small arms. she was very strong.

ye xiangnan, who was sitting in the front row, suddenly felt a little jealous. he was jealous that ye jie could get su mu’s gentleness. he coughed and said, ” “how old are you? you’re going to get married and have children soon, but you’re still sticking to your mother like this.”

ye cha was also familiar with him and knew how to talk back.”xun yu is only five years old.”

“hmm, have you prepared all the girls you like?” ye xiangnan snorted,”if there is, you can’t hug other girls to show your loyalty to her.”

Ye Cha was stunned. After a long time, he asked softly, ” “Can’t I even hug mommy?”

“What do you think?” ye xiangnan snorted.

“mom, xiaomei won’t be happy if i carry you,” ye jie said carefully.

Su mu was both surprised and amused. What was his son talking about?

xiaomei?

Was he serious?

Ye Cha was indeed serious. He looked at su mu eagerly.”Mommy, Xiaomei is very pretty.”

su mu called ye xiangnan softly. president ye smiled.”Aren’t you good at educating your son? You can educate him now.”

i’m talking about something serious with you, ” su mu said in a low voice.

Ye xiangnan said with a faint smile while driving, ” su mu, you probably don’t understand men very well. For a man, no, for a child, it’s very easy to like someone. It’s not serious. You don’t have to worry like an old hen.

Old hen?

su mu didn’t want to talk to him anymore. he sat in the back seat and didn’t make a sound. even when ye jie coaxed her, she didn’t say anything.

when they arrived at the villa, president ye got out of the car, carried little ye jie, and glanced at his wife again. he smiled. ” “Are you still angry?”

“I wouldn’t dare.” Su mu put on his coat and followed him.

“Put on your coat,” ye xiangnan turned around and looked at her.

Chapter 5172: is this considered dating after marriage? 6

“put on your coat,” ye xiangnan turned around and looked at her.

She tensed up silently and saw ye xiangnan glare at her. She was quite speechless. It was only a few steps away.

after they went in, ye xiangnan turned on the air conditioner in the house and only allowed them to take off their coats when it was warm. he accompanied ye jie and asked su mu to cook, saying that there were vegetables in the refrigerator.

su mu went to the kitchen and made a chicken soup and two delicious side dishes. there was also a cucumber salad, which was ye xi's favorite. After they were done, they went to the dining table. Ye xiangnan led ye Jie to sit down and said, intentionally or unintentionally, "i'll learn how to cook in the future."

Su mu sat across from him, not sure what he meant.

ye xiangnan coughed lightly. "in the future, we don't need a regular servant except for an hourly cleaner. ye jie will live with us. of course, if you feel that it's too hard, we can still use a servant."

...

su mu thought that he had something important to announce, but it was still the same thing. she slowly ate a mouthful of rice. "if you have no problem, then i have no problem. i don't seem to be too busy with work now, and i can coordinate my time."

this problem seemed to have been settled just like that.

Ye xiangnan ladled a small bowl of soup for her, "I'll replenish it. He's as thin as ribs.

only then did su mu's opinion of him change a little. now, he felt that he was still the same as before. he snorted and took it.

ye jie looked at this and then at that. he felt that his father and mother were somewhat different. as for what was different, he could not tell.

however, the way his father treated his mother was the same as how he treated xiaomei. he clearly liked her very much, but he was too stupid to say it out loud, or he just wanted to bully her.

It's fun to bully them.

ye jie was quite happy. with this happiness, the weakness of being sick was gone. after dinner, she would pester her mother, asking her to carry her, telling her stories, and taking care of the baby.

there were no servants in the house. in the end, the dishes were washed by the noble president ye. looking at the greasy plates, he really wanted to break his decision, but it was only the first day and he was a person who wanted face so badly. no matter what, he had to endure it.

This was the first time noble master ye had done such housework. He was definitely not stupid, but he was not very skilled either. After washing the dishes, he was wet all over. So he went upstairs to take a shower, changed into a set of home clothes, and then lay on the sofa in the bedroom to read a book for a while. Su mu had not returned for a long time, so ye xiangnan went to the children's room.

This time, su mu actually slept in the children's room. Was he not going to come back?

Thinking of night, Nanman was speechless. He sat on the edge of the bed and touched his son's face, then pinched su MU's nose and teased him.

Su mu woke up and met his eyes.

I'll wait for you in the bedroom. Why don't you come back and try? " he threatened in a low voice and left after saying that. he was probably afraid of waking his son up and letting him see such a scene.

After he left, su mu closed his eyes.

What the hell is this?

However, su mu had to go back.

Chapter 5173: Is this considered dating after marriage? 7

she got up carefully and took ye xun's temperature again. after confirming that there was no problem, she returned to the master bedroom.

as soon as the door was opened, su mu saw ye xiangnan leaning on the sofa and playing with his mobile phone lazily. seeing her coming, he patted the spot beside him, signaling her to go over.

Before su mu could start, he said, " ye Jie already has a girl he likes. As parents, you should let go of her sooner. Don't raise your child to be a mommy's boy. Xiaomei won't like him.

su mu was speechless. was ye xiangnan only five years old?

President ye smiled again. I don't feel good. Don't you still have me? "

"i'm sorry." Su mu sat beside him with his head lowered, deep in thought. She blocked ye xiangnan's way when he came over.

...

He reached out to stroke her hair and said in a hoarse voice, " "What's wrong? you won't do it with ye Jie around?"

what are you thinking? " su mu glanced at him. I have something to tell you.

"Speak." Ye xiangnan put his hands behind his head and leaned on the back of the sofa, saying generously.

su mu bit his lower lip and thought for a while before he said softly, " I want to bring little Wen, the little Wen from Sun newspaper. You've met her before. She'll be my assistant at the station.

while she was talking, ye xiangnan squinted at her. su mu looked at him."Do you agree to it?"

He laughed and reached out to caress her hair. He said lazily, " " you just want an assistant, right? i'll arrange it for you. secretary wang is not bad, right? i'll send her to your place. she'll definitely be loyal and won't betray you. "

don't. I'm doing a good job at your place. Won't I lose a lot of levels if I follow you? " su mu found it a little hard to bear.

Ye xiangnan smiled again. no problem. I thought you were going to poach reporter Liu.

“what if?” su mu turned his body and asked her, probably because he had been triggered.

Ye xiangnan laughed. it’s not impossible, but Mrs. Ye, you have to pay a price. After all, reporter Liu is a dangerous person. Do you think Cheng Zheng will let her go? ”

Men always understood men. Cheng Zheng was a rough and uncouth person who never hid anything in her eyes. It was obvious that he had a strong interest in sister Hong. Even though he had gotten her before, this woman did not buy it. He still wanted to get her again. If she was not willing, he could only force her.

Ye xiangnan was well aware of these tricks, which was why he said Liu Hong was a dangerous person. In fact, even if he was Liu Hong’s boss, he could not protect her all the time. After all, this was a private matter.

Su mu was a little worried when he said that. “Do you want me to tell Cheng Zheng?”

“don’t you dare!” ye xiangnan pulled her over and pinched her chin, ” “You can’t wait to hide from a man like Cheng Zheng and you still want to look for him? do you know what kind of business he’s doing?”

Su mu was stunned.

Ye xiangnan said softly, ” this man is very lucky. He met the old seventh master Yan and saved him. The seventh master Yan is old and doesn’t have any children. Cheng Zheng is his half son. Now, Cheng Zheng is in charge of the business. Do you know what business he is in? ”

seventh master yan and lao ai were well-known figures. it was impossible for su mu to not know them.

she froze for a moment because she did not expect cheng zheng to be taking over seventh master yan’s work. no wonder she did not move for a while.

Chapter 5174: is this considered dating after marriage? 8

” it’s not that he can’t move, it’s just that he’s at the wrong root. once he moves, he’ll affect his entire body. i can only say that money is a good thing. the money in master cheng’s hands has opened up many joints. ” ye xiangnan touched her face. ” i heard that your sister is with cheng zheng now. she seems to have contracted a bad illness. ”

Su mu was taken aback. The last time he saw su Zhiyan, she did not look too good. Even with makeup on, she still looked pale and emaciated. He thought that she was on a diet and did not know that she had contracted a bad illness.

“How did you know?” she asked softly.

I’m in the media industry, ” ye xiangnan smiled. I’ll naturally have this kind of news.

su mu was a little absent-minded. ye xiangnan rubbed her hair. ” “you’re worried about her?”

she said no, only that it was a pity.

...

Even if su Zhiyan was not a good girl, she was still related to her by blood. Once she had this bad habit, she would probably be crippled. She remained silent for a long time.

” alright, alright, let’s go to sleep. why am i talking so much to you? you just want a small assistant, don’t you? ” He pulled her up. don’t think about these things anymore. Cheng Zheng is Cheng Zheng, and you are you. Su zhirou followed Cheng Zheng willingly. In the future, when Cheng Zheng falls, she won’t be able to run away.

Su mu looked at him, Cheng Zheng will fall?

“Of course. Do you think he’s a good-for-nothing?” Ye xiangnan put his hands behind his head and said in a low voice, ” they’ve been living happily for too long. They really thought that they were the Masters of this world and could do whatever they wanted.

He spoke in a low voice, but there was a hint of ruthlessness in it. Su mu was shocked and felt that ye xiangnan was not ordinary.

” why are you looking at me like that all of a sudden? ” he asked. ” are you secretly in love with me? ”

“Boring.” Su mu snorted and didn’t want to talk to him. Ye xiangnan also smiled and didn’t say anything else. He probably had something on his mind. After she fell asleep, he got up and went to the balcony to smoke two cigarettes. Then, he went to see ye Jie and returned to the bedroom.

He lay down and thought about some things before falling asleep.

early in the morning, when ye xiangnan opened his eyes, su mu was no longer by his side. his fingers touched the warm pillow beside him. he took the pillow and sniffed it deeply. it was full of the fragrance of her hair.

he actually felt a sense of satisfaction when he smelled it. he lay there for a while, then got up and went to the cloakroom to change his clothes.

on the stairs, he saw ye jie sitting on the sofa, dressed neatly and holding a children’s book. su mu was making breakfast in the kitchen.

Ye xiangnan walked down the stairs with a smile on his face. He found that he liked this kind of atmosphere. There were no servants around, and the three of them seemed to be more at ease.

“Are you feeling better?” he touched the little guy’s head.

Ye Jie said happily that she had recovered. Then, she held ye xiangnan’s arm and asked his father to tell her a story. Ye xiangnan patiently told him two stories and then left his son to find his wife.

” what breakfast did you make? ” he asked as he hugged her slender waist.

Su mu wanted to break away from him, but he wouldn’t let him. I like Western food, okay? ”

her face was a little hot, not used to such intimacy. ” “ye jie will see.”

“Shouldn’t a couple hug each other to make their child feel safer?” He leaned closer to her and muttered.

Chapter 5175: President ye is rich and overbearing (1)

Su mu was speechless at him. He said in a low voice, ” “i think of the south at night.”

“Yes, I am. I’m here.” “What’s wrong? are you still shy?” he asked softly.

“What I wanted to say was that you shouldn’t disturb me while I’m making breakfast. Ye Jie will be late.” she said it with a straight face on purpose.

However, ye xiangnan was not angry. Instead, he nodded as if she was right. that’s true. Then, Mrs. Ye, ye Jie and I will wait for your breakfast.

he left gracefully. su mu was speechless. why did she and ye xiangnan look like a loving couple now?

she bit her lip and felt uneasy for a while before she continued to make breakfast.

...

The atmosphere at breakfast was so good that su mu was not used to it. It was as if they had been married many years ago and raised a child together for several years. They had a tacit understanding.

she wasn’t used to it, so she felt uncomfortable and her actions were choppy.

After they got into the car and sent ye Jie to school, ye xiangnan opened the door of the passenger seat. “Sit in front.”

As he said that, he fixed his eyes on her. Su mu was still a little uncomfortable and wanted to say that he would sit in the back, but he insisted. get in the car. I have something to tell you.

she nodded and sat down beside him.

ye xiangnan was driving. after a while, he said in a low voice, ” ” there’s a family dinner at my parents ‘place tonight. ye hui and shen wenxuan will be there and they invited us. su mu, are you okay with it? ”

she turned her head to look at him.

He smiled and said,”about ye Hui and Shen Wenxuan’s wedding.” someone from the shen family will be here too. su mu, i hope you can go.”

He had used the word ‘hope’ instead of using a forceful tone like before. It was quite an improvement. Su mu was a little touched!

She didn’t say anything. Ye xiangnan continued, ” ” our wedding is in a month’s time. what do you think about christmas? ”

it was a red light, so he grabbed her hand and played with it gently.

su mu tilted his head and looked at him. ” ye xiangnan, what are you thinking? what do you want? ”

he also stared at her, and after a while, he laughed.”you don’t know what i want?”

“what if i can’t afford it?” she lowered her eyes.

Ye xiangnan smiled. Mrs. Ye, you can afford it. It’s just that you don’t want to.

He suddenly leaned closer and said affectionately, ” “Are you scared, huh?”

su mu sat up straight, even stiff. he bit his lips.”I’m not.”

Ye xiangnan smiled. really? if you didn’t, why are you so stiff?”

“No, I didn’t!” su mu had changed beyond recognition. ” ye xiangnan, i don’t want to talk to you. ”

The light turned green, and he let go of her in a good mood. He smiled as he drove.”Why do you look like Xiaomei from ye Jie’s class? I didn’t bully you.”

she turned her head away angrily.

After a moment, ye xiangnan’s voice became a little lower.”I hope that I can introduce you as my wife to others on such a formal occasion. I don’t want to do it sneakily unless you think it’s embarrassing to be Mrs. Ye. I don’t care about it anymore, and you don’t have to care about it either. You don’t need to care about other people’s opinions. In the future, you’ll be my wife, and no one can look down on you.”

Su mu was silent for a long time before he said with a nasal voice, ” “I’m quite touched.”

He sighed. I can’t hear any emotion in your tone. Mrs. Ye, you’re really hard to please.

Chapter 5176: president ye is rich and overbearing 2

He sighed. I can’t hear any emotion in your tone. Mrs. Ye, you’re really hard to please.

“i’m not trying to please you.” She said stiffly, ” you don’t have to.

“And then, go find another woman?” He laughed. can you bear to do that? you were going to mess with me back then. Su mu, I’ve already figured out your little tricks. You just can’t bear to part with me. You did all this to attract my attention and provoke me, didn’t you? ”

Su mu was dumbfounded. He found his voice after a long time.”Ye xiangnan, aren’t you a bit too confident?”

” i’m finally happy, mrs. ye. didn’t i say that you’re hard to please? ” He said.

Therefore, su mu didn't say anything until the car stopped in front of the Starlight building. When she got out of the car, she said in a low voice, "Should I wait for you in the lobby after work?"

...

"let's go to my office!" He smiled and held her hand."it's very distant to wait in the hall."

su mu was about to get off the car, but he couldn't help but say in a low voice, "Ye xiangnan, you don't have to do this. We're just Yingluo."

"aren't we a married couple?" He looked straight at her and asked softly, we work together, raise our children together, eat and sleep together. What's the difference between us and other couples? you told me about su mu, so what's wrong with me treating you better and being closer to you? "

su mu was left speechless by her words.

after a long while, she said with difficulty, "I'm not ready yet."

"no need to prepare, i'll do it." Ye xiangnan's voice was hoarse and pleasant to the ears."If you don't know how to be in love, I'll teach you."

Su mu stared at him for a long time before he whispered, " ye xiangnan, do you have a fever? "

He immediately grabbed her hand, his eyes filled with annoyance.

su mu didn't dare to provoke him anymore. he lowered his eyes."I'll go find you after work."

Only then did he let go of her, but he still looked unhappy. President ye was unhappy, so he had to take revenge. He quickly got out of the car, then grabbed her hand, wanting to be high-profile.

hence, there was such a scene in the living room on the first floor of starlight. president ye forced himself to hold mrs. ye's hand. mrs. ye's face was full of unwillingness and she resisted in a low voice."Everyone's looking at me."

“did i embarrass you?” “Am I not good-looking or decent enough?” he said unhappily.

He pulled her along, and they walked quite quickly, leaving everyone around them with their jaws hanging.”President ye, you dote on your wife so much. Is this a one-sided love?”

I think so. Mrs. Ye doesn’t seem very happy. Is it because you think President ye is not good-looking or dignified enough? ”

master Cheng is good-looking and generous. He’s even more generous than President ye. He gave out ten billion Yuan at once and even had to sign a pre-marriage agreement to become Mrs. Ye. How pitiful. If it were me, I would choose to be Mrs. Cheng.

me too, that Cheng Zheng looks so strong. Is it because President ye can’t beat her?

.....

all of this gossip entered ye xiangnan’s ears, and president ye was about to explode.

in the elevator, he held su mu’s chin and pushed him to the corner of the elevator. he trapped her with his tall body. is Cheng Zheng’s body in great condition? ”

su mu was especially speechless. he didn’t care about the employees of starlight but came to vent his anger on her!

Ye xiangnan’s voice was even more hoarse. is there something going on between you and him? ”

Chapter 5177: President ye is rich and overbearing (3)

Su mu was especially speechless. He reached out his hand and pushed him.”ye xiangnan, you’re crazy. if you want to know, go ask su zhirou.”

As soon as she finished speaking, his face looked much better. He pinched her chin and asked softly, ” “is this a denial?”

she didn't even want to pay attention to him. he was a lunatic.

"It's time for me to go to work." Su MU's face darkened. He was quite unhappy.

however, ye xiangnan laughed lightly,"Actually, you can also ask reporter Liu, don't you think so?"

su mu was speechless. " ye xiang nan, are you a pervert? if you really want to know, you can ask cheng zheng. "

...

"Is it because I'm not in good health and I'm not generous enough?" he suddenly asked.

Su mu was simply too much. It was time to go to work, yet he, the president of Starlight, blocked her in the elevator and asked her such a question!

She still wanted to say something, but she had already decided. "let's go to my office,"

su mu was quite guarded and didn't know what he was going to do.

ten minutes later, she found out that ye xiangnan had called shen wenxuan over. he drafted a thick stack of documents, hundreds of pages. it took an entire morning for a team of lawyers of more than 20 people and a team of eight accountants to complete it. the scale of the work shocked the entire starlight.

the whole of starlight knew that president ye had signed a pre-marriage agreement with mrs. ye again. this time, they didn't know what kind of shameful content it was.

by noon, the contents were all prepared. there were 12 thick books in total.

Shen Wenxuan was surprised as well, but he tried to communicate with su mu in a calm and professional tone. miss su, President ye has transferred all his personal assets under his name to you. The market value is 132 billion, which means that President ye has nothing other than the shares of Starlight.

ye xiangnan sat on the sofa and said, ” “i only have a b \* stard wife and an obedient son.”

even shen wenxuan burst out laughing.

the people present wanted to burst out laughing, but they could not laugh out loud and could only hold it in.

Su mu was about to explode. He was like this just because someone said that Cheng Zheng was in good health. She was a little embarrassed and wanted to leave. That was why she was not willing to sign the document.

ye xiangnan quickly went over and caught her. then, the people in the president’s office left, including shen wenxuan.

Still holding su mu, ye xiangnan whispered, ” “Are you angry?”

su mu was especially embarrassed. he turned his head.”let go of me, ye xiangnan, you’re a bastard.”

“how am i a bastard?” He pressed her to the side and whispered into her ear, ” “i just wanted to show that i’m not worse than him. i’m just a little more powerful, how am i a bastard? you tell me, huh?”

su mu couldn’t stand him anymore and turned his head. ” “I have to go to work.”

everyone in Starlight knows that you’re here with me. Other than competing with my financial resources, do you think I should prove something else? ” he whispered.

Su mu bit his lip, speechless.

Ye xiangnan said in a low voice,”you’re not talking?” That means you don’t acknowledge me?”

Su mu still didn’t say anything. He laughed.”Are you angry? then i’ll coax you, okay?”

su mu turned his head to the side and said in a low voice, ” “ye xiangnan, can you let me go?”

“I don’t want to. I’ll release it if I can.” “Su mu, sometimes I really want to strangle you, but I think it’s too easy for you. How cruel.”

with that, he carried her up and walked towards the lounge.

Chapter 5178: president ye is rich and overbearing 4

Later, su mu got angry.

Nan Yitian didn’t let her go to work, which proved that he wasn’t inferior to master Cheng in other aspects besides his financial resources. He did prove it, but su mu couldn’t clear his name even if he jumped into the Yellow River.

he was probably busy, so he locked her in the bathroom and went to a meeting to review documents. su mu stayed in the lounge for the whole morning, bored. at noon, he asked her to accompany him, but su mu didn’t even think about the process.

When it was almost time to get off work, she went to the station and reported her whereabouts. She was especially embarrassed. However, to her surprise, little Wen came over. Seeing su mu coming over, she was a little excited.”President ye called me personally, so I came over.”

su mu was also surprised. then, he rubbed little wen’s little head and said, ” “then work hard here.”

The treatment at Starlight was much better than that at sun. Little Wen was naturally willing to do so. Besides, she had su mu as her backer. When she packed her things and came over, those people were envious of her. Little Wen also felt that su mu was very capable. Those who said that she would not be able to enter a rich family after a divorce shut their mouths. Su mu was doing very well.

...

little wen also felt very proud and wanted to treat su mu to a meal. although su mu was angry, he still remembered what ye xiangnan had told him. ye hui was going to discuss the details of the wedding tonight, and someone from the shen family would be there. therefore, he told little wen that he would invite sister hong to have some drinks with him another day.

Xiaowen covered her face and said that she had changed. She said that she would enjoy following President ye and learning to be bad. Su mu snorted. you're being rude, aren't you? you'll be my assistant in the future. You have to be more respectful to your future boss.

little wen was particularly humble. su mu laughed."I'm just playing with you. Alright, I'll tell the station head that I'll get off work first."

in fact, she was having a headache. if this went on, when would she be able to become a good streamer? she felt that ye xiangnan had been dragging her down. later, when she sat in her car after work, she complained. ye xiangnan smiled and said, " take your time. This streamer can't go back and have children. You can learn from her for a few more years.

"I'll be old in a few years. Can I still be on camera?" She asked in a soft voice and then looked up at ye xiangnan.

Ye xiangnan seemed to think about it seriously and laughed,"What you said sounds like a problem."

there was a mischievous glint in his eyes. " however, i'm already ugly now. i can count on my temperament when i'm older. what do you think? "

Su mu knew that he wasn't good-looking, but she was still angry when he said it so bluntly. When the car stopped at a red light, she pinched his face with both hands for some reason. ye xiangnan, you're so mean.

he didn't make a sound, and even his breathing was clean as he stared at her.

Su mu immediately realized that something was wrong with him. He withdrew his fingers and coughed."well, i didn't do it on purpose."

"i know," "But does su mu mean that we're closer?" he asked in a low voice.

She didn't want to answer, but he just had to stare at her with an oppressive gaze. Su mu leaned against the back of the chair and said in a low voice, " "The light is green, and I want to go south at night."

he continued to look at her with his bright eyes, but his voice was frighteningly low."I'll deal with you after we get back."

after that, it started to drizzle.

the black bentley drove in the drizzling night, reflecting some neon lights and making it look a little romantic.

Chapter 5179: Actually, she's quite doted on (1)

he played the song, and the car suddenly became more charming.

Su mu was also a little tired after being messed with by him for the whole day, so he leaned on the bed lazily.

The traffic was heavy, and she would occasionally turn her head to look at ye xiangnan. Then, he held her hand, and a pure male voice came, " Su mu, if you keep looking at me like this, I won't be able to drive.

"so, you're blaming me?" su mu bit his lower lip.

" if i don't blame you, then who should i blame? there's no second mrs. ye here. " he smiled and continued to drive.

the car was really slow. what was supposed to be a 40-minute drive took two hours to reach wen garden. ye xiangnan turned off the engine and looked at the bright lights in front of him. he sighed."the people from the shen family are already here. you can just follow me later."

...

su mu nodded. after all, such a scene was not pleasant for her. her previous encounter with shen wenyuan was not very good.

in fact, it was not just her. even wen yuan still did not think much of shen wenyuan. ye mubai and wen yuan also had some reservations about shen wenxuan's intentional seduction of ye hui. however, ye hui's stomach was already big and she liked shen wenxuan so much.

there was no other way.

wen yuan used to worry that shen wenxuan and su mu would rekindle their old relationship. however, now that her son had taken action personally, she felt that there would be no problem. although it was a little awkward, at least everything was settled and everyone was happy.

Su mu was about to get out of the car when ye xiangnan took his coat from the back of the chair and put it over her shoulders. "Wait a moment."

He got out of the car first, took an umbrella from the back seat, and then opened the door for her. To be honest, such treatment was quite preferential for su mu. He always thought that there were times when the South Pole young man was so considerate to women. Most of the women were money-making tools for Starlight, and he did not care about them.

It was this ugly little thing that he doted on and doted on, but she didn't take it seriously. She didn't even take a fancy to things that other women could only dream of.

Ye xiangnan was upset just thinking about it. He walked toward the house with her in his arms. Su mu wanted to break free from his grip, but he used too much force. She had no choice.

ye xiangnan was the eldest son of the ye family and the successor of starlight entertainment. the wen family liked him even more. however, due to his high status and good looks, the servants in the family also liked him very much.

The moment he returned, everyone crowded around him. young master, you're all wet. Don't break your shirt in this cold weather.

ye xiangnan smiled and released su mu from his arms. " "aren't you protecting this heartless thing?"

the servant smiled at the sight of su mu and helped them change into slippers. " "Young lady is nothing."

He laughed at the thought of su mu. He stared at su mu and said in a low voice, ” “it’s not that i’m saying you’re not a thing, but look at you?”

The servant laughed. it’s my fault. I didn’t say it well. Young lady, please don’t be angry.

ye xiangnan glanced at his mother when he saw su mu’s unusual enthusiasm. he knew that su mu must have had something to do with this, so he didn’t say anything. he just wiped his hands quietly and helped su mu take off his coat.”go and have a cup of ginger tea to warm your body.”

“but we have guests.” su mu said in a low voice. he didn’t want ye hui’s marriage to be affected because of him. besides, some things had happened in the past. as he said, the more he tried to avoid it, the more suspicious it would be.

Chapter 5180: Actually, she’s quite doted on 2

after she finished speaking, ye xiangnan said as if nothing had happened, ” go and have some ginger tea with aunty Wang. Give me a cup when you come back. I’ll just go and say hello.

su mu thought for a while and then did as he was told. he went to the small dining room with aunty wang as if he was very familiar with the place. ye xiangnan watched her leave and then slowly walked to the living room. he greeted the shen family courteously and courteously, then sat on the sofa and picked up a magazine to read.

shen wenyuan’s parents were still fine. after all, they were considered to be on a higher social status. however, shen wenyuan had always had an opinion of su mu. she felt that since shen wenxuan and ye hui were married, su mu should avoid suspicion. how could he marry into the ye family? wasn’t he deliberately making things difficult for the shen family?

initially, she had wanted to wait for su mu to come over so that she could bring it up. however, su mu didn’t come at all. after warming up, he and ye mubai didn’t seem to be angry either. she was a little confused.

in fact, there was nothing he did not understand. in wen yuan’s opinion, shen wenxuan and ye hui would still be shen wenxuan after they got married. however, su mu was different. wen yuan had bought su mu long ago and he was considered a child of the ye family. how could they be the same? Shen Wenyuan was not someone who could be humiliated by just one Shen Wenyuan. Since they had already had dinner together, Wen Yuan would definitely not let su mu suffer. Indeed, Shen

Wenxuan and su mu had both contributed to the ye family by giving birth to their children. However, Shen Wenxuan's child's surname was Shen and ye Jie was the future heir of the ye family. This was very important.

su mu spent ten minutes in the kitchen to drink half a cup of ginger tea. aunt wang put her hands on her palms and said with a smile, " " i've never seen young master treat a girl so well. young madam, you're the first. "

...

holding the cup, su mu looked in the direction of ye xiang's south and said in a low voice, " "what about the previous miss qin?"

they're childhood sweethearts. They can't compare to young Madam's love for him. It's obvious that young master's heart is set on young Madam. I can't be wrong about the look in his eyes when he's deeply in love. aunty wang said it so sweetly that su mu couldn't stand it.

aunty wang thought for a moment and said, " oh, that's right. didn't young master say that he would bring him a cup? young madam, hurry, hurry. it's not good for young master to be sick. hurry and bring a cup over for young master to warm his body. "

aunty wang stuffed a cup into su mu's hand as she spoke. su mu could not refuse even if he wanted to, so he had to go over.

she had been with ye xiangnan for a long time. when she saw wen yuan and ye mubai, she naturally called them her parents. ye xiangnan did not even raise his head. he just waved her hand and she sat beside him. she handed him the cup and said,"Ginger tea,"

Ye xiangnan threw the magazine in his hand aside, took the cup from her hand, and drank it in a few gulps. Then he asked her if she was hungry, and she said she was fine.

Ye xiangnan pressed her to his side and rubbed his hair. "let's eat together after they've agreed."

They looked like an old couple and had no intention of introducing su mu to her. It was as if su mu had long been a part of the ye family.

wen yuan and ye mubai were already used to it. no matter what, su mu was still hogged by their own son. it was embarrassing. however, it seemed that the couple's relationship was quite good. su mu did not show any signs of uneasiness. it seemed that his heart was still with his own son.

as a mother, wen yuan was quite proud of his mighty son!
