

Thank you 521

Chapter 521 no one can replace this pain (4)

after pei qiqi finished speaking, she raised her head and stopped her tears from falling.

zhao ke didn't know that while she was enjoying her life, her abandoned daughter would be locked up in a small black room by zhou meilin.

Sometimes, when she saw PEI Huan enjoying Zhou Meilin's love, she was very envious.

After a long time, PEI Qiqi closed her eyes and softly called out, " "Mom."

When Zhao Ke was still alive, she couldn't call him that. It was only after Zhao Ke died that PEI Qiqi could call him that in front of her grave.

in the future, she would have no father and no mother.

Tang Yu took her into his arms and let her rest on his shoulder.

she cried softly. only in times like this could she be weak.

Her tears quickly stained his heart. It was wet and hot, making him feel very uncomfortable.

she clutched his coat with her small hands and cried in his arms.

Perhaps, this was the only time in her life that she could cry for Zhao Ke like this.

Tang Yu's heart was heavy as well. He hugged her, closed his eyes, and called her Qiqi.

She seemed to have fallen asleep, and her small face was already full of crystal tears.

Tang Yu hugged her with one arm and reached out to wipe the tears from her eyes.

When his warm fingers touched her cold face, PEI Qiqi seemed to wake up. She looked at him in a daze.

her eyes were wide open, and she looked at the dependence and trust in his dazed eyes.

It was as if he was the only one in the world. It was as if there was only Tang Yu by her side.

"tang yu." she called his name softly.

He hummed in acknowledgment and reached out to stroke her long hair.

pei qiqi snuggled in her arms and looked at zhao ke's photo. she said softly, " "Even if you don't agree, even if you hate me, I will still be with him."

She would be happy.

She would love this man with all her heart.

because he was the one who gave her everything. he was the one who gave her new hope.

She hugged him, her hands clenched tightly.

However, none of them noticed that there was a small person standing in the distance.

it was tang xin.

She watched as Qi Qi and her brother stood side by side. She watched as Qi Qi cried and her brother comforted her.

why was qiqi crying?

was it really like what sister shen lian had said? was it really qiqi who sent her mother, qianqian, to prison?

However, she already knew that her mother had given birth to Qianqian with someone else.

Qiqi, why did you do that to mom?

Tang Yu looked on helplessly. She couldn't accept Yingluo.

She looked at it for a long time, then dragged her tired body out.

She carried a large backpack on her back, which contained her daily necessities and a bear that her mother had given her.

she had brought her own savings, which had a few million dollars. her mother had saved it for her.

She didn't want to stay in that house anymore. She didn't want to face Qiqi either.

she was afraid that when she saw qiqi, she would cry and ask her why she wanted to harm her mother.

she used to like qiqi so much, and qiqi was so good to her.

It turned out that all of this was fake. It turned out that Qiqi was hiding so many things from her.

her brother was qiqi's and her father had gone out to play. she heard a young model on the phone.

tang xin cried as she walked. in fact, she had nothing left.

She ran away from home for three days before Tang Zhiyuan realized that Tang Xin was missing. He called Tang Yu.

when tang yu picked up the phone, pei qiqi happened to be beside him and heard him. her face turned pale.

chapter 522-qi qi, i'm here

"do you have any clues now?" tang yu patted her hand, telling her to calm down.

tang zhiyuan said something and his face turned serious.

after she hung up, pei qiqi asked anxiously, "how is it?"

tang yu patted her little face and walked to the bedroom to get a jacket, "i'll go find it."

"I'll go with you." PEI Qiqi grabbed his arm.

he looked at her and pursed his lips. "go get a coat."

his voice was a little hoarse.

pei qiqi immediately ran to get her coat and the two of them rushed downstairs.

The night wind was a bit cold as Tang mo drove and he closed the window.

the two of them did not speak, and their expressions were ugly.

Tang Xin had been sick since she was a child, so she didn't have any close friends. She must be hiding in some hotel or hotel now.

"She took her savings, a few million." tang yu's voice was heavy and his long fingers gripped the steering wheel tightly, "qiqi, tang xin might know something."

He told her so that she could be prepared for what she was about to face.

PEI Qiqi pursed her lips and looked at Tang Yu.

he held her hand with one hand. "qiqi, leave it to me! Let me talk to Tang Xin."

He knew that she cared a lot about Tang Xin, and this care was no less than his weight in her heart.

pei qiqi tiredly leaned her head against the window, "let's find her first."

however, looking for tang xin like this was undoubtedly like looking for a needle in a haystack.

tang yu and pei qiqi searched for a whole night and used a lot of connections to find tang xin.

Tang Xin didn't have an ID card, so she couldn't stay in a big hotel, so she could only stay in a small hotel.

where had tang xin ever lived in such a dark place?

she didn't know how to take care of herself, and she was sick, so she had a high fever for three days.

PEI Qiqi walked into the dark and damp hotel. Her legs went soft and tears almost came out.

until now, she still remembered the first time she saw tang xin. tang xin had a princess's hair and was wearing a very lady's dress, looking like an english princess.

but now, the dilapidated walls and the banister of the stairs were crumbling.

She couldn't imagine that Tang Xin would live in such a place.

she looked up at tang yu, "take me in."

the person who led them was a local. he led them to the second floor and knocked on the door. there was no response.

"i'll do it." Tang Yu reached out and grabbed the doorknob. When he used some force, the lock broke.

He frowned and PEI Qiqi's heart trembled-

tang xin lived in such a place without any security!

Tang Yu opened the door and PEI Qiqi immediately followed him in.

tang xin was sleeping under the quilt, and only her little hedgehog head was exposed.

They walked over and Tang Yu gently lifted the blanket. He reached out to touch the Kasaya.

it was very hot!

Without thinking, Tang Zheng took Tang Xin out of the quilt, wrapped her in his coat, and walked out.

After taking two steps, he grabbed PEI Qiqi's wrist with one hand, " "She's running a fever. She needs to be sent to the hospital immediately."

he said briefly and did not say much to her.

In fact, Tang Xin couldn't have a fever with her illness, and she had been lying there for a long time.

When he carried Tang Xin into the car, Tang Xin woke up and tried to open her eyes to look at Tang Yu. She called him 'brother' like a kitten.

tang yu reached out and touched her little head, " close your eyes and sleep. "

tang xin closed her eyes and opened them again. she saw pei qiqi.

Chapter 523 qi qi, i'm here!(2)

a guarded look appeared in her eyes. it stabbed pei qiqi's heart.

the softest and most unguarded part was very painful.

tang yan pursed his lips and reached out to hold pei qiqi's hand, using his eyes to comfort her.

pei qiqi hummed and sat beside tang xin, holding her so that she wouldn't fall.

She knew clearly that Tang Xin knew about it, otherwise Tang Xin wouldn't have such an attitude.

otherwise, she would pester her to call her qiqi and make a fuss.

The sky was already bright, and the black sports car drove through the old streets, heading towards Sheng Yuan hospital.

An hour later, Tang Xin got an IV and fell asleep peacefully, but her face looked a little abnormally red.

tang yu was leaning against the door. pei qiqi was sitting in front of the bed, using a wet towel to cool tang xin.

She was very careful, afraid that the water would be too cold, and kept changing the water.

finally, tang yu spoke, " qiqi, that's enough. "

His voice was hoarse. I haven't slept for the whole night. It's almost noon now. Go in, eat something and sleep. I'll watch over here.

"I want to stay here and watch her." PEI Qiqi said numbly,"Tang Yu, she'll be fine, right?"

As she spoke, her eyes fell on Tang Xin and she couldn't bear to look away.

Tang Yu walked over and reached out to carry her. He held her in his arms and said sternly, "Qiqi, be good."

It was rare that PEI Qiqi didn't listen to him and insisted on staying to take care of Tang Xin.

Tang Yu didn't know what to do with her. In the end, he simply hugged her and stopped her from being busy.

he was worried that qiqi was too stubborn with tang xin ...

Because she had lost too much in the past half a year, she was like a bird that was frightened by the mere twang of a bow.

PEI Qiqi kept looking at Tang Xin. Tang Yu was worried that she couldn't take it, so he gave her a sleeping pill.

Gradually, she could not hold herself anymore. Her eyelids drooped and she fell into a deep sleep in his arms.

Tang Yu carried her to the small room and placed her on the small bed.

He covered her with the blanket, reached out to brush away the hair on her forehead, and stayed with her for a while before leaning over to kiss her on the lips.

He went outside and checked on Tang Xin's condition. Although the temperature didn't drop immediately, it didn't rise again.

tang yu sat on the sofa and read some documents. from time to time, he would look after tang xin.

She woke up when he was taking her temperature.

her little face was pale. she looked at tang yu and said softly, "brother."

tang yu smiled, "you're awake?"

tang xin hummed and didn't move. she just looked at tang yu, "brother."

"What?" Tang Yu brought her a glass of water. He helped her up and gestured for her to drink.

Tang Xin leaned on his shoulder and pursed her lips. After a long time, she said in a trembling voice, "Brother, can you break up with Qi Qi?"

Tang Mo's hand holding the cup paused.

he looked at tang xin with a complicated expression, then put his hand to her lips, "you're not awake yet?"

tang xin threw a tantrum, which was rare, and pursed her lips, refusing to drink.

Tang Yu put the cup aside and put Tang Xin down, letting her lean on the bed.

He sat beside her, his gaze deep. can you tell me what you've found out in the past few days? that's why you want me to leave Qiqi.

tang xin's face was abnormally red, but now it was pale.

After a long time, she said softly, "it's Qiqi who caused mom to go to jail, isn't it?" she's mother's child, right?"

Chapter 524 qi qi, i'm here!(3)

tang yu's thin lips formed a straight line. he looked at her for a long time but didn't answer directly, " who told you that? "

tang xin never hid anything from him, " it's sister shen lian. "

Tang Yu frowned.

Shen Lian?

" sister shen lian heard dad and uncle shen talk about it. then, i saw you and qiqi go to see mom. " Tang Xin hugged her shoulders, her expression fragile and sad, " " i know that you hate mommy, and the relationship between qiqi and qianqian is not good. also, i heard daddy tell you about it before. "

At that time, she was secretly happy. She thought that it was great that Qiqi was her sister!

But, it was Qiqi who made her mother go to jail!

tang yu reached out and touched tang xin's little head, " how could it be qiqi's doing? " Shen Lian has always wanted to marry brother. She's lying to you."

tang xin stared at tang yu, "but dad admitted it!"

tang yu's heart tightened, " what did you ask him? "

"mom left a diary behind." tang xin chuckled and looked at tang yu, " "Big brother, she's a demon. She caused mom's death and our family to become like this! Can you break up with her?"

tang yu's eyes fell straight on tang xin's little face and he said slowly and deeply, " "Is this what you really think?"

yes, " Tang Xin said firmly, " I don't want to see her. Brother, let her go.

"Alright!" tang yu slowly stood up, " i can let her go, but i will leave hanhan too. "

he said cruelly, " i won't give up on pei qiqi. so, tang xin, the result is that i give up on you. "

Tang Xin was stunned and murmured, "but, I'm your sister." &Nbsp;

"You're also her sister!" He stared into her eyes and said, "do you know?" She's asleep now. I've fed her sleeping pills. We've been looking for you the whole night! Her feet were so worn out that she refused to stop."

Tang Xin was stunned by him. After a while, she slowly hugged her body, " that doesn't change the fact that she hurt mom.

Tang Yu asked in pain, " then did your sister Shen Lian tell you? " Your mom wanted to kill PEI Qiqi and kill her own flesh and blood! did she tell you? your mom knew about pei qiqi's existence, but she didn't acknowledge her and didn't think of a way to match her for you?"

Tang Xin's eyes stopped.

" it's not qi qi who harmed her. she harmed herself. " tang mo spoke with no expression.

This time, if he didn't change Tang Xin's mind, she might never be able to change it again.
tang xin was still in shock.

'Mother, are you going to kill Qiqi?'

also, did her mother not want her to live?

she raised her head and looked at tang yu pitifully. her voice was like a pitiful kitten, " "is it true?"
tang yu's voice softened, " when have i ever lied to you? "

Tang Xin shouldn't have known about this.

but she didn't know that she would hate qi qi.

Tang Xin couldn't accept it for a moment. She slowly lay down, covered her head with the quilt, and said in a muffled voice, " brother, I want to cry for a while. can you please go away?"

tang yu rarely saw tang xin like this. she must be really sad.

Indeed, no one would be able to accept the fact that such a young child had suffered a blow.

he knew very well that everything he was doing for tang xin was mostly for pei qiqi.

He loved Tang Xin. They were blood-related before, but now it was because she was Qiqi's sister.

Chapter 525 Qi Qi, I'm here!(4)

Even if Tang Xin was his sister and Tang Zhiyuan's daughter, he would still choose Qiqi.
no one was more important than her, yingluo.

Even if he had to give up everything, even if he had to bear everything, he would not hesitate.

Tang Yu sat for a while and was about to get up when he saw PEI Qiqi.

She stood at the door weakly and watched Tang Xin cry.

Her face was filled with helplessness and panic.

Tang mo looked at her with a warm gaze.

That touch of warmth gave her the last bit of courage.

she didn't disturb tang xin. just as tang yu said, let him say and do it.

in the end, tang xin cried and fell asleep. when she woke up, pei qiqi was no longer there.

she leaned against the head of the bed and ate the tonics sent by the servants, looking around.

Tang Yan knew what she was looking for. He coughed lightly. Qiqi left.

Tang Xin groaned and continued to eat her food. After a while, she couldn't help but ask, "where did you go?"

he asked pitifully.

tang yu smiled, "i'm home. where else can i go?"

he paused for a moment before he continued in a low voice. "she knew you didn't want to see her. she left on her own. she should be happy now, right?"

his tone was normal, so how could tang xin hear it?

She just felt a little disappointed.

The soup was no longer fragrant.

Tang Yu added another strong dose of medicine, "Qiqi heard what you said that day. so don't worry, she won't come looking for you in the future."

Tang Xin was stunned. After a long time, she asked, "then, brother Huahua, will you still be with her?"

"of course!" tang yan smiled. "i won't change my decision for anyone."

his mother had been against it at first, but now she had agreed.

Moreover, he had no relationship with Zhao Ke and Wanwan.

tang xin nodded, lowered her head, and didn't speak for a long time.

tang yu looked at tang xin. tang xin lowered her head and looked up at him pitifully, "mommy, did qianqian really lose qiqi?" and you want zhenzhen to kill her?"

lin jinrong was in a vegetative state because of her mother!

Also, was first aunt's mother really that bad?

tang zheng pursed his lips and didn't answer directly. he just gently rubbed her little head. "some things are in the past. don't think about it."

he paused for a moment and felt a little embarrassed. after all, even as a brother, it was still a little difficult to say this kind of thing because he was a mature man and tang xin was a little girl.

she coughed lightly. "in order to match you, qiqi is willing to have a child so early."

Tang Xin was stunned.

have a child?

Was it to save her?

tang xin stopped talking.

Tang Yan stood up. I'm going to the office. I'll come to see you tomorrow.

Tang Xin looked at him,"brother, then let's do it tomorrow."

Even if she didn't say anything, Tang Yu knew what she was going to say. But, he pretended not to know, "I'll come see you tomorrow."

After that, he went to the door and Tang Xin's voice came over hurriedly, "then the seven-seven kasaya"

he held back his laughter, turned around, and looked at tang xin, "what's wrong with qiqi?"

Tang Xin still had a little self-respect and said, "goodbye, big brother."

tang yu smiled and turned around to leave.

he walked to the hospital and opened the door of his black sports car. he sat in and looked at pei qiqi.

she looked at him, her small face tensed.

Tang Yu smiled and put an arm around her shoulder, "are you still worried?"

"does she hate me?" pei qiqi weakly closed her eyes, "Tang Yu, this is what I'm most afraid of. If I could, I'd rather Tang Xin never know."

Chapter 526 Qi Qi, I'm here!(5)

His other hand brushed away the hair on her forehead, and his voice was a little low, "now she knows, Qiqi. Don't worry too much. Tang Xin is still young but she is very innocent. She will know how good you are to her."

she smiled and said, "she's already looking forward to you visiting her. although she didn't say it, i can tell."

Under his palm, she was a little confused by his teasing. They were clearly talking about serious things, so why did he have to touch her lips?

tang yu's finger landed on her red lips. he was a little moved because he remembered what tang xin said about yingluo having a baby.

And looking at the time, her period had already passed.

He had been worried for the past few days. Now that he could relax, Tang Yu started to have some frivolous thoughts.

he unbuckled her seat belt and carried her over easily. he trapped her in his arms and in front of the steering wheel.

PEI Qiqi leaned back and her back was against the steering wheel. Her little hands were on his shoulders, "Tang Yu!

His heart was filled with thoughts of giving birth and so on. He coaxed her softly, "be good, don't move, i'm just going to kiss you."

However, how could it just be a kiss? his large hand slipped into her sweater, and his other hand clasped her small shoulder, burying her in his arms.

if he lowered his head, he would be able to kiss her. he could kiss her however he wanted.

He kissed her so sticklish until his body was a little hot and he could not control his emotions.

She obediently lay in his arms. When she sensed his intentions, she shamelessly hugged his waist, "Tang Yu, we're in the car now."

Looking up, his Adam's apple moved. her eyes were filled with emotions that she could only understand.

tang yu let out a deep breath, " i know. "

However, he still hugged her and pressed her little head against his chest.

pei qiqi's face blushed when she heard the intense beating of his heart.

Her fingers gently stroked his chest and her voice was as seductive as a kitten's, " Tang Yu? "

"What?" He lowered his head and kissed her smooth forehead.

although she was blushing and shy, she still said softly, " i'll kiss you tonight. "

"tonight?" Tang Yu muttered, " you're busy tonight? "

she lay on his chest and bit him.

There was a sharp pain and a little numbness. He laughed softly and hooked her small chin. do you want to have a child with me tonight? "

He was shameless!

pei qiqi didn't make a sound. she hugged him with her small hands and enjoyed this quiet moment.

Tang Yu sighed, " Qiqi, if you're willing, I can take you home right now.

"don't!" she was afraid that he would really do that, so she hurriedly said, " "I still have something to do later."

besides, she couldn't accept going back in the middle of the day to do such a thing.

he was just teasing her. seeing her blushing, he smiled and touched her little face before starting the car and sending her to the company.

When she got out of the car, she placed her hand on the door and hesitated for a while before looking at him.

tang yu was wearing a formal suit and looked noble. he turned his head, " what? did our qiqi change her mind? "

"No, I'm not." she must have thought of some unhealthy scene. she licked her lips and then said softly, " "I just wanted to say, thank you."

"i like it more at night. thank me properly." As he spoke, his slender finger landed on her red lips, hinting at her.

Chapter 527 Protect Qi Qi and help her vent her anger!(1)

pei qiqi's little face turned red again. she opened the door and ran out.

Tang Yu looked at how she ran away and couldn't help but smile. Then, his smile froze and he took out his phone, " Qingcheng, help me arrange for Hanhan.

Tang Yu's car arrived at Sheng Yuan's building. The security guard at the entrance opened the door for him.

they took the elevator to the top floor, and xiao ran came up to them. he lowered his voice and said, " "President, manager Shen from Jin Taihe is here."

Shen Lian had recently been transferred from the branch to the headquarters as a department manager. Some of the business dealings with Sheng Yuan had also been transferred to her.

It wasn't strange for her to appear, but

tang yu's lips curled into a cold smile, " where is she? "

" i arranged for it to be in a small conference room. i wanted to wait for the president to come and see. " xiao ran could tell that shen lian had feelings for the president. after careful consideration, it was better to arrange the meeting room.

Tang Yu nodded lightly, " then arrange for the relevant personnel to receive them.

xiao ran immediately understood what the president meant, so he called manager zhu from the public relations department, who was famous for being difficult to deal with.

manager zhu was a fair-skinned, rich, and beautiful woman in her early thirties. she was as warm as spring to her clients, but it was a different story when it came to beautiful women of the same sex.

in short, when two women were together, sparks were bound to fly.

After Xiao ran made the arrangements, he no longer cared about this matter.

Tang Yu returned to his office and just as he sat down, Meng Qingcheng came in.

she sat across from tang yu and smiled, " you're not even giving shen chongshan face? "

Just an hour ago, Tang Yu told him to cancel all the collaborations with Jin Taihe.

Those that are about to cancel their cooperation, those that are still signed, will not renew their contract.

This was a heavy blow to Jin Taihe, but it was not the key.

the most important thing was that sheng yuan's actions had made his position clear. he and jin taihe were irreconcilable.

Meng Qingcheng saw that Tang Yu didn't say anything and guessed, " "for pei xiao qi?"

Only women's matters, or Pei Xiao Qi's matters, could make Tang Yu so angry.

Tang Yu flipped open the document and signed it. He didn't care about Meng Qingcheng.

Meng Qingcheng coughed lightly. manager Zhu from our company has a lot of firepower. Are you sure Wanwan can bear to see your ex-girlfriend being bombarded? "

finally, tang yu lifted his eyes and looked at meng qingcheng, " qingcheng, order a bouquet of flowers for me and send it to qin anlan's ward. "

meng qingcheng shut up. qin anlan's ribs were broken by tang yan that time. he had to keep his body to pick up girls.

when he thought of women, he thought of tang xin again.

he sighed in his heart and asked softly,"how is tang xin?"

Tang Yu put down the pen in his hand and leaned back in his chair. He looked into Meng Qingcheng's eyes seriously.

after a long time, he said softly, " qingcheng, if tang xin was twenty years old now, i would entrust her to you. but she's only 17. she's not an adult yet. " Your family's Yueyue won't agree either! no matter what, i don't want our relationship to be affected by tang xin, whether it's business or personal."

Meng Qingcheng understood what he meant.

tang xin was too young and he was afraid to scare her.

"I will find a way to cure her." tang yu looked out the window, " let's wait until she's older. "

meng qingcheng was silent.

just as the two of them were silent, the door was pushed open. shen lian was standing at the door.

her face was filled with anger and grievance.

tang yan quietly looked at her for two seconds before saying to meng qingcheng, " "You can leave first."

Chapter 528 protect qi qi and help her vent her anger (2)

meng qingcheng nodded and walked out.

After he left, Shen Lian walked in.

when xiao ran came over, tang yu ordered, " " secretary xiao, can you go out and get a cup of coffee for manager shen? "

"I don't want to drink coffee." Shen Lian said rudely.

xiao ran looked troubled.

"secretary xiao, please leave." Tang Yu was still very calm.

Xiao ran then left and closed the door.

Xiao ran turned around and saw manager Zhu standing behind him. He smiled and said, " "Manager Zhu, what are you doing here?"

manager zhu crossed his arms and snorted. " secretary xiao, did shen lian go in? "

Without waiting for Xiao ran to answer, manager Zhu sneered, " does she really think that this is Jin Taihe, or does she think that she has a high status in the president's office? "

Manager Zhu was in her early 30s and was considered an old man in Sheng Yuan. She came from a good family background and knew a thing or two about Tang Yu and Shen Lian's past.

However, someone as astute as her could naturally tell that the CEO's mind was on the PEI family's Lily.

In terms of ability, little Lily was not as good as Shen Lian. However, little Lily was beautiful and the president liked her.

It was an undeniable fact that once a man liked someone, he would be willing to show everything to his woman.

She was especially clear that the reason why Xiao ran asked her to negotiate with him today was because Wanwan wanted to make things difficult for Shen Lian.

She was just trying to figure out her boss's intentions. That Shen Lian actually dared to say that he wanted the president to fire her.

Did she think she could just fire it?

Did she think that she was the president's wife?

manager zhu did not buy it. he was furious and in a fit of anger.

Xiao ran laughed. don't be angry. Manager Shen, don't you still remember your old love? " Come to my place for a cup of coffee."

manager zhu fell for xiao ran's trick. he hesitated for a moment and said, " a cup of coffee! the ones you make are always different from others, they smell really good!"

Xiao ran was very popular, and even manager Zhu, who was The Public Enemy of all women, could get along with her.

hearing her words, xiao ran smiled. " the one inside doesn't like it. "

"she's trying to hit on the president!" Manager Zhu had always been straightforward. He sneered. let's just watch the show!

xiao ran smiled, pushed the door open, and went in. " you'll know when you go. "

.....

inside the president's office, tang yu looked at shen lian, " you can talk now. "

Shen Lian slowly walked in front of him. She placed her hands on both sides of his desk and pursed her beautiful lips. why did you withdraw your business with Jin Taihe? "

tang zheng lowered his eyes and chuckled. " manager shen, are you questioning my decision? "

Shen Lian's voice was a little agitated. don't call me manager Shen. I'm asking you this question in my personal capacity.

Personal identity?

Tang Yu's lips curved up, " if it's a private identity, then you should know better why I'm doing this.

Even though she had already guessed it, Shen Lian still took a deep breath when she received a clear answer.

how could you do this for a woman? Sheng Yuan and Jin Taihe have been working together for more than 20 years. Shen Lian's voice was choked. She knew that Tang Yu was being merciless by doing this.

tang yu's eyes were cold, " shen lian, she's not 'a woman' like you said. she's my future wife. the child she has is sheng yuan's heir. i won't allow anyone to hurt her behind her back. "

as expected, he knew!

Shen Lian sneered,"did Tang Xin tell you that?"

She paused for a moment, " you're really a good brother to Tang Xin. Tang Xin tells you everything.

Chapter 529 Protect Qi Qi! Help her vent her anger!(3)

"Of course." tang yu was unmoved.

Shen Lian laughed and laughed until she started to lose her mind. She took a step back and looked at Tang Yu with heartache, " "Why? She's obviously Zhao Ke's bastard, why do you still want to be with her, Yingluo?"

Tang Yu didn't say anything. He didn't need to explain his relationship with Qiqi to outsiders.

Shen Lian laughed, " Tang Yu, she's the same as her mother. As long as you have money, you can have sex with her. You can sleep with her. They're both cheap!

tang yu's eyes changed.

"What's wrong? i've touched your sore spot, right?" shen lian lifted her chin, " you have money, so she slept with you. if it wasn't for you, pei qiqi would have slept with countless men. " She'll become as dirty and cheap as her mother."

tang yu had already stood up and walked to her side.

however, shen lian remained unmoved!

she was about to go crazy!

Tang Yu, why? why did you fall in love with her? Why Don't You Love Me? "

Her heart was heavy, and she looked at him with an accusing gaze. I've liked you since I was ten. You said you liked me.

but the only response she got was a slap from tang yu.

He rarely hit women. He hit PEI Qiqi once because she said she loved jinrong and begged him to let her go.

this time, it was shen lian. it was because she said pei qiqi was cheap!

he didn't allow anyone to say anything about qiqi's background.

That slap was so solid that even Shen Lian was stunned.

She knew Tang Yu well and knew that he wouldn't do anything for a woman.

but now, he hit her for pei qiqi!

"Get lost," he said. tang yu's voice was extremely sinister and his eyes were filled with a brewing storm.

Shen Lian covered her face and looked at Tang Yu in shock. Her eyes were filled with tears.

"you hit me?" her voice was trembling.

Tang Yu adjusted his tie and his expression was cold, " yes, I did!

then, he walked back to his desk and pressed the internal line. ” secretary xiao, inform the security to ask manager shen to leave. ”

shen lian felt greatly insulted and screamed crazily, tang yu, i hate you. ”

No one had ever treated her like this before. Tang Yu definitely wouldn't.

he had always been a sentimental person. it was all because of pei qiqi who urged that b * tch to give birth to his child.

Shen Lian looked at Tang Yu, ” one day, you will regret it. Y-cat gave birth to y-cat!

manager Shen, I don't mind fighting a lawsuit with you, and I don't mind throwing you out with my own hands. It was rare for Tang Yu to be this angry.

Women who had lost their rationality were all unreasonable, and he had finally tasted it today.

Compared to Shen Lian, his Qi Qi was many times better.

No matter how sad she was, she still endured it.

His heart ached at the thought of that vile person.

“is it because my attitude isn't clear enough that you think you can trample on her like that?” tang mo said in a cold voice.

Shen Lian was stunned. She knew what Tang Yu meant.

it meant that he wanted to marry pei qiqi.

She was in a daze as she looked at Tang Yu.

Tang Yu stared at her, ” as you wish.

the security guards at the door came in at this moment and wanted to drag shen lian out.

Ever since she was young, Princess Shen had never been treated like this. In fact, Tang Yu was the one who humiliated her like this.

she struggled to break free and looked at tang yu. her eyes were locked on him and she asked word by word, ” “have you ever loved me?”

If he had loved her before, he wouldn't have been so cruel and heartless.

Chapter 530 Protect Qi Qi and help her vent her anger (4)

Tang Yu stood there elegantly. After thinking for a while, he answered her question.

before I met Qiqi, I thought I loved you. But after I met her, I know I never loved you.

If that person was Qiqi at that time, even if he couldn't touch her, he wouldn't find someone else to try.

if it was qiqi, even if they could not be A couple for the rest of their lives, as long as qiqi was willing, they could fall in love spiritually or satisfy her in other ways.

If it was Qiqi, he would not have given up so easily. He would not have been so indifferent when he saw her with Qin Anlan.

He and Shen Lian started out because they both felt that the other was suitable. That was all.

Shen Lian's stubbornness was that she was unwilling to give up. However, she had ignored the fact that she had already given up.

After hearing Tang Yu's words, she was stunned.

he never loved yingluo. he never loved her.

That's right, how was that love?

he truly loved pei qiqi.

he had never looked at her like that.

Shen Lian maintained the last of her pride and walked out on her own.

Xiao ran and manager Zhu were standing in the secretary's office, looking through the blinds.

manager zhu held his coffee and sneered, " see, secretary xiao, when a man doesn't care about you, don't rush to paste it on him. it's not worth a lot of money. "

so what if it's shen lian?

what's the use of a luan luan if she's beautiful and has a good family background?

If the president didn't like it, he didn't like it.

xiao ran only smiled and did not say much.

after a while, she delivered some documents to the president's office. she saw tang yu sitting behind his desk and reading documents.

She sighed in her heart. Manager Zhu was actually right. There was indeed no place for Shen Lian in the CEO's heart.

shen lian was about to get into the car when she saw a white sports car parked in front of her.

her hand stopped and she kept looking at it.

Qin Anlan got out of the car and leaned against the car door as he looked at her. why? you still haven't given up? "

"you don't need to care!" shen lian said coldly, " why? your ribs don't hurt anymore? "

Even now, her face was still in pain.

tang yu's slap landed on her heart.

Qin Anlan laughed. Shen Lian, if I were you, I would have let it go long ago.

just like how he treated her, he used to like her too. he really, really liked yingluo.

but one day, when he looked at himself in the mirror, he asked himself, was it worth it for a woman who didn't love him?

Later, he let it go.

he let it go but he did not let it go as he looked at shen lian. she was still living in her own world.

Shen Lian laughed coldly. you should worry about your own ribs!

he opened the door and got in the car. he drove so fast that he brushed past qin anlan's body and almost fell.

Qin Anlan smiled and reached out to touch his rib. It did hurt.

he took out a cigarette from his pocket and slowly lit it up. as he smoked, he looked at the tall sheng yuan building.

Tang Yu

This building was as cold and uninteresting as Tang Yu. It was as unattainable!

Qin Anlan got into the car and drove away.

It was an accident to meet Shen Lian. He did not know why he was here.

He had a fight with Tang Yu before. At that time, he was a little mischievous. However, in the dead of the night, he admitted that he did have some feelings for PEI Qiqi that night.

because that night, she was beautiful enough, so beautiful that it was in his bones.

Qin Anlan's expression was ugly.

This was the second time he had his eyes on Tang Yu's things.

the first time was shen lian and the second time was pei qiqi!

PEI Qiqi was startled.

the corners of his mouth curled into a cold smile.
