

Thank you 5231

Chapter 5231: why, do you still feel bad for me? 6

Master Cheng's heart suddenly heated up, and he felt a little proud. He scratched his hair and said, "I didn't do anything to you, so why are you crying?"

"I'm not crying." Sister Hong bit her lip. you're thinking too much.

master cheng was still staring at her, and after a while, he smiled."And you said you didn't cry."

He went over, held her face, and carefully wiped the tears from the corners of her eyes."i just can't bear to miss nan, that pretty boy. i won't go and find trouble with him. not only that, i'll even give him money. isn't your man especially generous?"

sister hong didn't know whether to laugh or cry. " you're obviously trying to bribe me. it has nothing to do with being generous. "

Master Cheng smiled. then, is your man capable? "

...

Sister Hong pursed her lips before slowly saying, " "it's so chaotic outside, how can you still laugh?"

"That's why I said your man is capable." Master Cheng said proudly. Then, he lay on the bed and said, " help me wipe my body. I smell like medicine. It's quite uncomfortable.

he was just teasing her, but he didn't know that sister hong would really go get water and help him wipe his body.

while she was wiping his face, master cheng's eyes were bloodshot and he looked at her as if he was spewing fire.

this was the first time he felt that a woman was willing to follow him at all costs, not because he was the rich master cheng, but because he was a man.

Suddenly, master Cheng grabbed her hand. come with me.

This sentence was different from the previous sentence of living with everyone for fun. This was officially becoming master Cheng's woman, a fixed woman.

sister hong's hand paused for a moment, then she said softly, "Married?"

master cheng scratched his head. "we're all people of the pugilistic world. why bother with the small details?"

"don't make excuses for your scumbag." Sister Hong didn't buy it. I'll leave after you're discharged. Also, the situation outside is getting tense. You should also close your business. Don't lick the blood on the knife all day long. There are many children like Xiao Mao. Why would they all follow you to death? Do you have the heart to endure it?"

"i also can't bear to part with you." Master Cheng was acting like a big dog, his head on sister Hong's shoulder, refusing to move away. He was full of Rascal strength.

sister hong didn't care about him at all. she pushed him to the side. "go to hell and stay far away. if you want to be lovey-dovey, go find your woman."

master cheng wouldn't be master cheng if he was thin-skinned, so he continued to pester her and praise her in all kinds of ways.

Sister Hong really couldn't do anything about him, so she found an opportunity to go to the bathroom.

Master Cheng was hiding under the blanket like a child. He wanted to give her a scare later, Yingying.

Master Cheng heard footsteps and faintly smelled a woman's fragrance. A hand was pulling his quilt.

He immediately stood up and hugged her. "Let's see where else you can run to. Let Grandpa kiss you and hug you."

He was about to kiss her, but the next second, master Cheng let go of the woman as if he had seen a ghost.

it was not liu hong, but su zhiyan.

When did this woman come in?

Master Cheng suddenly looked like a little white flower. He clutched his clothes tightly and then slowly looked in the direction of the bathroom.

Sister Hong leaned there, quietly watching the show.

"I'm innocent." Master Cheng forced out a smile.

Sister Hong smiled. I don't know if he's innocent or not, but they're quite in tune. You guys continue.

Chapter 5232: Why, do you still feel bad for me? 7

As she spoke, she wiped the water off her hands and said casually, "I'll move you guys to a new place. Miss su, please take good care of master Cheng. He misses you.

Sister Hong said as she prepared to leave.

Master Cheng was extremely anxious. why are you leaving? woman, I must have mistaken you for someone else.

He jumped down and wanted to catch her, but this time, he was too anxious and really tore his wound.

Master Cheng's dark face suddenly turned pale. He covered his wound and slowly sat on the bed.

su zhirou's heart ached as she tried to help master cheng up. although master cheng was in pain, he still pushed her aside."Get out."

...

Su Zhiyan's lips trembled. After a long while, she finally said,"master cheng, don't regret it. if you get together with this old woman, i'm really going to ignore you."

As soon as he finished speaking, he was slapped by master Cheng.

"you dare to scold my woman? Who's an old woman? in my heart, she's a little fairy." Master Cheng said in a rough voice.

su zhiyan could not believe that she could not win against an old woman. was master cheng so protective of this woman because he wanted to marry her?

she was so embarrassed that she covered her face and ran away.

sister hong looked like she was watching a show, which made master cheng a little angry."Call the doctor. Do you want your man to die?"

Seeing that he didn't look like he was lying, sister Hong called for a doctor.

The result was that it was very serious, and master Cheng had to stay in the ward for another week.

but master cheng was happy.

The weather outside was about to change. He lay on the bed, enjoying the comfort of his woman, nibbling on a crystal pear, and humming a little tune."this is a duck of life ~~"

it was a pity that he couldn't have other entertainment activities because of his injuries.

while master cheng was singing, xiao mao was talking about the situation outside. finally, he said in a low voice, "eldest sister-in-law urged eldest sister-in-law to go out and take care of things. it is much more peaceful outside. master, eldest sister-in-law is really capable."

xiao mao was really impressed and praised him.

at first, master cheng was about to jump up and down, but later on, he was also beaming with joy after hearing that his woman was capable.

however, even though he was proud of himself, master cheng didn't want sister hong to get involved in this mess. after xiao mao left, he looked around the small room.

Sister Hong was currently writing on her notebook with a cup of coffee in her hand.

"what are you writing?" master cheng leaned over and asked happily.

sister hong had written in english and was about to show off when she realized that she couldn't understand a single letter.

Hence, his face darkened. 'Why did you have to write in a foreign language?'

"Then you're not drinking the wine or smoking the cigar?" sister hong glanced at him.

Master Cheng blushed and touched his head. it's not the same. It's so cool to buy things from the Westerners and make them work for us.

Sister Hong continued to write and then said indifferently, " "Yeah, it's so funny to beat you to death."

master cheng was a little angry. " what dead or not? do you want your man to die all day? without me, where can you find such a perfect person? " He's rich and in good health."

“You won’t be able to find someone as thick-skinned as him,” sister Hong snorted.

master cheng smiled and winked at her. “did you miss me?”

“you’re so shameless, get lost.” sister hong said impolitely.

Master Cheng immediately suspected that he had been hospitalized for half a month and they had been separated. Given this woman’s flirtatious nature, she might have found another pretty boy to accompany her.

At the thought of the process of being with him, master Cheng felt particularly uncomfortable and felt that he had been cheated on.

Chapter 5233: Why, do you still feel bad for me? 8

master cheng approached her silently, and sister hong was caught off guard.

“Have you ever done anything to let me down?” he asked her in a low voice.

Sister Hong couldn’t take it anymore. are you crazy? I’m not your wife.

These words were equivalent to an admission.

the cheng father and son’s hearts turned cold. it’s over, he’s been cheated on.

After that, his eyes turned green and he didn’t know how to hold back. Sister Hong couldn’t stand him anymore and closed her notebook.”cheng zheng, are you done?”

...

master cheng looked at the expression on her face and knew that she had been provoked.

Master Cheng was already so angry, but when he saw her angry, he didn't feel angry at all.

"i'm just teasing you," he replied with a smile.

sister hong sneered. " so what if i'm looking for a gigolo? we're not related. we're not husband and wife. "

After she finished speaking, she packed her things and was about to leave.

surprisingly, master cheng didn't stop her. instead, he just sat there in a daze.

sister hong gritted her teeth and was about to leave.

"i'm sure you never loved me," master cheng said faintly.

"You're sick." Sister Hong snorted. Cheng Zheng, go and check on the brain surgery department.

she was furious. she was fine, but he said she was looking for a pretty boy.

"Why didn't you make me jealous?" master Cheng was annoyed and aggrieved.

"is that jealousy? that's ginseng and rooster," sister hong said coldly.

Master Cheng was being unreasonable like a child. do you still have a conscience? "

Sister Hong said coldly,"I have no conscience?" who was the one who went over to that su guy in just a week? why didn't you check your conscience when you were having fun? did you get eaten by a dog? cheng zheng, you even asked me if i was jealous. are you very proud? you are very proud that you made a woman cry, right? it is true that you don't care about women, but you can't force women to care about you, right? You're not loyal and you still want a woman to be loyal to you. Cheng Zheng, do you treat women like dogs or toys?"

master cheng was a little confused. " i just said one sentence. why are you so angry? "

Sister Hong sneered. I'm not angry. I'm just looking down on you.

she was really going to leave.

Master Cheng hardened his heart. let's go. You don't have to care about my life or death. I'm just an uncouth fellow anyway. I know you graduated from a famous university. It's normal that you don't like me.

As she spoke, she went to the ward to find a cigarette to smoke. She looked like a child who was angry.

sister hong sneered,"i'll beat you to death." "Don't think that I can't bear to see you play this kind of trick every time. Cheng Zheng, I won't fall for it. You can die or live however you want, I can't be bothered with you. You look like you have developed limbs but you're actually a huge baby that lacks motherly love. You don't need a woman, you should find a nanny."

"get lost!" master cheng was furious. otherwise, i'll beat you up."

Just as he finished speaking, sister Hong threw the notebook in her hand at him.

Master Cheng dodged quickly, otherwise, he would have been bleeding again.

He and sister Hong glared at her with bloodshot eyes.

no one gave in to anyone.

Finally, master Cheng spat out a few words, " "Get lost, don't let me see you again."

"Whoever looks for me again is a bastard." "i'm looking for a pretty boy, don't cry," sister hong also said fiercely.

"Whoever cries will be a bastard." Master Cheng also said some harsh words and then turned his head."get lost. don't think that i can't bear to part with you. i have a lot of people with looks like yours."

this woman was trying to kill him just now!

Chapter 5234: Master Cheng's great love

after sister hong left, master cheng felt regretful, but he couldn't lose face.

When Xiao Mao came in, master Cheng snorted and then said, "that woman, left?"

xiao mao nodded and bowed. "she's gone. she's completely gone. she won't make master cheng angry again. "

"this is more like it." Master Cheng said stubbornly.

Then, he seemed to have recalled something. actually, I'm fine. I was just jealous. Her temper is too bad. If it were any other woman, I would have slapped her twice.

xiao mao, who was listening at the side, was in a difficult position. however, he still mustered up his courage and said something fair, " " master cheng, don't you like what you've said. sister-in-law has been slapped by you many times. "

...

Master Cheng's eyes widened. I've been slapped by her many times. Who can I tell? "

Master Cheng walked around and complained a little more, so Xiao Mao could only listen.

in the end, master cheng's eyes turned red. " damn it, she has no conscience. i can't let her go, but she left so quickly. "

Xiao Mao was also impressed by their master Cheng's great love.

how infatuated.

xiao mao came up with a bad idea. " since sister-in-law has not changed her mind, why don't we go back to our old villa? master cheng will definitely like a few girls. "

Master Cheng glared at Xiao Mao. what did you say? "

xiao mao mustered up his courage and repeated himself. master cheng gave him a light slap and said, " i don't want to live anymore. can't you see that your sister-in-law is angry? she even found a few young girls. i'm so capable. "

xiao mao was not angry after being hit. he just smiled secretly.

Master Cheng also realized that he had let the cat out of the bag. He pulled a long face and gave her another slap."Little brat, you're setting me up."

"i wouldn't dare, master cheng," xiao mao said softly.

After that, she told him about how her sister-in-law took care of master Cheng when he was asleep. Master Cheng was overjoyed."It seems like this woman is deeply in love with me."

"yeah, i think sister-in-law is deeply in love with master cheng," xiao mao said.

Master Cheng was in a better mood. He was lying on the hospital bed, nibbling on an Apple.

I had a fight with her in the hospital, " he said. it's so bad. Will she really go and find a pretty boy?
"

" i can't say for sure, " xiao mao mumbled. " sister-in-law is a woman too. "

Master Cheng touched his head, feeling very anxious.

"do you think your sister-in-law will respond to me if i go to her now?" he asked xiao mao eagerly, treating xiao mao as a love advisor.

Xiao Mao himself was half-baked, he thought about it, " "Probably, maybe."

Gritting his white teeth, master Cheng instructed Xiao Mao, ” “how about this, you let a few of your brothers follow your sister-in-law.”

“Surveillance?” Xiao Mao’s eyes were sparkling.

Master Cheng was unhappy. what surveillance? that’s so unpleasant. Your sister-in-law is such a Pretty Woman. Of course, you have to watch her.

Oh, ” Xiao Mao replied. that sister-in-law is much more promising than before. This is the power of money.

Master Cheng was quite proud. isn’t this all my credit? without me, how could she be so radiant? ”

Xiao Mao suspected that master Cheng was driving, but he had no evidence.

after talking for a while more, he then arranged for the surveillance, no, the protection work to be done.

Sister Hong returned to her high-class apartment and returned to her life as a Bachelor. It was hard to wake up early and return home late, but the news agency was doing well.

Chapter 5235: master cheng’s great love (2)

however, a few days later, she found that there were people following her everywhere she went, and they were obviously not good people.

after that, he caught it once, and it mumbled that it was xiao mao’s idea.

“zhenman, you can just say that it’s cheng zheng.” “he hasn’t been discharged?” sister hong released him and lit a cigarette.

“our master cheng misses sister-in-law so much. he’s living in regret every day,” said the very good speaker.

“is that so?” sister hong smiled. ” why do i hear that he’s making the nurses happy every day? ” she asked.

Master Cheng’s subordinate couldn’t help but frown. After a while, he whispered, ” “master cheng just moved his lips. his hobbies are a little strange, but nothing has ever happened that made you unhappy. master cheng is cultivating now and is very well-behaved, waiting for you to forgive him.”

...

“Did little Mao teach you this?” sister Hong was both angry and amused.

The man lowered his head. I said it myself. Master Cheng asked us to learn romance novels. These sweet nothings can be said easily.

sister hong immediately felt extremely nauseated. this cheng zheng was simply too perverted.

“go back and tell him that i don’t need to be protected.” after finishing her cigarette, sister hong stepped on the cigarette and snuffed it out.

His posture was also very cool.

“master cheng also said to ask you to smoke less. your health is important,” the subordinate said with concern.

“stop being so mushy, get lost.” Sister Hong’s temper wasn’t good and she flared up.

The man went back to report to Xiao Mao, and Xiao Mao told master Cheng in detail.

gritting his white teeth, master cheng said, ” this coquettish old woman is afraid that my people will ruin her plan. xiao mao, continue to have people follow her. keep an eye on her 24 hours a day. if she makes me a cuckold, i’ll cut off all your heads. ”

When Xiao Mao heard this, he felt that it was quite serious, so he found those people and held a small group meeting. that's what master Cheng said. You guys think about it. Do a good job, or we won't have a good end.

if you do well, master Cheng will reward you handsomely. Five hundred thousand in cash each. Xiao Mao said as he looked down at the people below.

ever since he had a heart-to-heart talk with his sister-in-law, master cheng trusted him very much.

In order to better understand the thoughts of a man and woman in love, Xiao Mao had also read a lot of romance novels and gained a lot.

as soon as xiao mao finished speaking, one of them raised his hand. " we're not doing this for the money. we're doing this for master cheng's happiness. "

xiao mao slapped his thigh. " it's good that you have this awareness. work hard. master cheng won't treat us badly. "

his subordinates were excited again.

therefore, no matter how much sister hong resisted or chased them away, those people stuck to her like glue and followed her everywhere. everyone in B city knew that sister hong was working for master cheng, and they even valued her 24-hour protection as if she was their precious little baby.

sister hong couldn't do anything about it. she called master cheng and scolded him. however, that person's skin was so thick that it didn't even hurt. sister hong couldn't do anything about it.

Master Cheng was discharged from the hospital and had a lot of things to do, so he didn't have time to look for his woman.

Instead, he went to ye xiangnan.

the two of them met in a club.

master cheng had brought a large group of people and stood behind him.

there were only two people in ye xiangnan's team. one was him, and the other was his secretary li.

Secretary li saw master Cheng, but he had never seen him like this. His legs were shaking in fear.

This kind of formation could only be seen on TV.

Chapter 5236: ye xiangnan, this pretty boy, is quite powerful (1)

Ye xiangnan was well-dressed and always had the air of a noble young master. He sat down gracefully and said, "Master Cheng, you're looking for me just to have a cup of tea?"

there was a box in front of master cheng.

master cheng put his hand on it and said in a deep voice, " " president ye, this is the second time we've had tea together. i, cheng zheng, am a loyal and trustworthy person, but i don't think you are. "

"i don't quite understand what you're saying, master cheng," ye xiangnan smiled.

The people behind master Cheng were about to explode, but master Cheng shouted, " "Little brat, do you have the right to be impudent here? Get the hell out!"

The man's face was filled with anger. master Cheng, this President ye has ruined so many of our venues and lost billions of dollars. Are we just going to let him go like this? " it's too easy on him."

...

As he spoke, he pulled out his saber, as if he wanted to fight.

Master Cheng gave the man a tight slap, making him see stars.

master cheng scolded him. " president ye, can you deny it? do you think you can touch him so easily? there's a hole in president ye's body. i'll hold you responsible. "

the man stood up straight, and his eyes revealed a wolf-like look.

The other ten or so people were the same. They all seemed to want to gnaw ye xiangnan.

ye xiangnan smiled and looked up. ” master cheng is performing today. is he putting on a show for me? ”

“there’s a hole in my body?” he got up, still smiling, and then pulled out his gun and aimed at the man.

bang!

there was a hole in the man’s shoulder.

everyone was stunned.

even master cheng, who licked blood from his blade, was like this. then, he narrowed his eyes. He had underestimated this pretty boy.

carry him to the hospital, ” ye xiangnan said with a calm expression. otherwise, his arm will be crippled.

This shot turned the situation around in an instant.

even master cheng didn’t dare to act rashly. the main thing was that he couldn’t do anything to the person in front of him as he pleased. he could do it, but everyone would be buried with him.

Today, he also wanted to scare this pretty boy. Perhaps his legs would go soft.

However, there was definitely no such thing.

He stared at ye xiangnan, suspecting that this pretty boy had been trained. Otherwise, how could he have such skills and courage? they had more than a dozen people on their side, and they could take down this pretty boy with the surname ye in minutes.

however, he had fired a shot. it was obvious that he knew that he would not dare to completely fall out with him.

Good, that's amazing.

Gritting his teeth, master Cheng grinned. Lin Zi, hurry up and thank President ye for his concern!

The one called Lin Zi was in so much pain that his forehead was covered in sweat, but he still gritted his teeth and endured it. "thank you for your concern, president ye."

Ye xiangnan calmly watched him being helped out, and then looked at master Cheng, " "now, can we start the discussion?"

Master Cheng sat down gently. President ye, you've given me a big show of authority.

"We're just the same." ye xiangnan smiled.

master cheng pushed a box in front of him over. " this is for President ye. I hope President ye likes it.

ye xiangnan smiled and asked secretary li to open it.

Secretary li was stunned when he opened it.

wasn't this a national treasure? the jadeite cabbage that wasn't even in the museum was priceless.

master cheng said indifferently, " i'm a rough man. i don't know how to appreciate these cultural relics. but you should know. i just don't know if you'll still like this little thing. "

ye xiangnan toyed with the item for a while. " it's not bad. "

“This thing, it’s not for me, right?”

Chapter 5237: Ye xiangnan, this pretty boy, is quite powerful 2

Master Cheng’s eyes lit up. President ye is indeed a smart person. This is for President ye’s uncle. I hope he will like it.

Ye xiangnan’s expression became even more indifferent.”His hometown doesn’t like this kind of thing. Master Cheng, you’re so considerate.”

“Didn’t President ye mediate between us?” master Cheng softened his tone.

ye xiangnan lowered his eyes, took out the thing, and played with it carefully. after a while, he looked up.”it depends on how much master cheng is willing to give in.”

Master Cheng heard that they could talk and said in a rough voice, ” “Go ahead,”

ye xiangnan was still calm. ” that cigarette is the limit of that person. if master cheng insists on touching it, i can’t protect him. ”

...

master cheng’s heart was like a f * cking dog,”pretty boy, when did you want to protect me? do you want me to die every day?”

his heart was moving like this, but on the surface, he put on a look of being taught.”President ye, please enlighten me.”

“Master Cheng, are you still playing dumb?” “If you’re still pretending, then there’s no need for us to continue this conversation,” ye xiangnan sneered.

he got up and was about to leave when secretary li looked at him carefully.

“Alright!” Master Cheng said in a rough voice. i won’t bring that thing in again. i’ll take it as a blessing.”

“Really?” ye xiangnan turned his head.

master cheng’s voice was rough,”of course i meant what i said. if i don’t keep my word, how can i survive in the underworld?” However, I’ll have a few days to settle this matter. With so many brothers, I have to make some arrangements.”

Ye xiangnan was silent.

Master Cheng was so angry that he cursed the eight generations of this pretty boy’s ancestors.

he had gone too far by squinting his eyes. he was pushing his luck.

he had come to negotiate with sincerity, but this pretty boy had no room for negotiation at all. he had given in to everything himself. it was too embarrassing and shameful.

However, at this time, master Cheng didn’t dare to fight head-on. He didn’t have the confidence.

he knew that it was harmful to people, but it was easy to make money. master cheng was single and didn’t care about retribution.

At this moment, as he gritted his teeth, he thought of a certain woman. He suddenly felt that if he had done one less bad thing, would this woman have lived a better life?

master cheng felt a little better thinking this way.

“alright, alright, i’ll do as you say.”

He touched his nose again. It was quite embarrassing, especially the way his subordinates looked at him.

master cheng was furious. ” i’m doing this for you little brats to live well in the future. if you continue to do this, everyone will be dead. ”

His subordinates didn’t make a sound and were silent.

master cheng then looked at ye xiangnan and smiled.”If I, Cheng Zheng, agree to something, I will definitely do it. Tomorrow, I will burn it all, not leaving a single one. As for my gang of brothers, they’re all working for me. President ye, can you guarantee that you won’t touch them? it’s not easy for them.”

“If master Cheng can do it, of course I can,” ye xiangnan said in a low voice.

master cheng had mixed feelings. ye xiangnan’s promise was like that person’s promise. he was a man of words.

su mu? ” he asked again after a long while, ” you’re not killing us because of su mu? ”

ye xiangnan shook his head. ” no, it’s just that he doesn’t want to make it a big deal. isn’t it better to turn over a new leaf? ”

The main reason was that master Cheng’s business was too big. If he uprooted it, he wouldn’t be able to bear it.

master cheng was dazed for a moment before he said, ” ” in the past, i didn’t have any food to eat. it was su mu who fed me like a dog for a few years. i won’t touch you for this favor. ”

Chapter 5238: ye xiangnan, this pretty boy, is quite powerful (3)

secretary li, who had been nervous the whole time, almost burst out laughing.

In fact, master Cheng was a little cute.

Seeing her like this, master Cheng immediately exploded.”i won’t touch him, but i’ll touch you, okay?”

secretary li was so scared that he peed his pants. he looked at president ye.

“My Secretary was scared,” ye xiangnan smiled.

Master Cheng was very upset,”then I’m not scared?” after what you did, i was so scared that i peed my pants and hid in the hospital for a few days. why didn’t you feel bad for me, president ye?”

...

Ye xiangnan felt a chill down his spine. I’m not reporter Liu. You don’t have to tell me this.

“i don’t care about her,” master cheng said while touching his head.

ye xiangnan smiled and walked out without saying anything else.

Master Cheng shouted from behind. ye xiangnan, you bastard. Don’t tell Mumu about this.

he was so embarrassed. a while ago, he had been madly pursuing su mu, but now he had fallen in love with someone else. master cheng felt embarrassed.

Ye xiangnan waved his hand. don’t worry. I’ll tell Yingluo.

Master Cheng was about to get angry, but Xiao Mao leaned over and said in detail, ” “Master Cheng, isn’t this great? someone’s going to confess to sister Hong on master Cheng’s behalf!”

master cheng thought for a moment and touched his head. ” it’s not bad. little mao, you’re a master of love now. ”

Xiao Mao naturally flattered him again, ” “It’s all because of master Cheng’s good training.”

Hearing this, ye xiangnan felt a chill and quickly left.

when he returned to the starlight headquarters, he still had some things to deal with. su mu happened to come over, so secretary li pulled him aside and told him about president ye's heroic appearance today in detail. then, she looked at su mu. "Our President ye is amazing, right? Really, I shot him without even blinking."

su mu looked at secretary li with a face full of surprise. "Really?"

Secretary li nodded vigorously. really, President ye is amazing. He took on more than ten people by himself without even frowning.

Su mu didn't say anything, but Secretary li continued, "I was so scared that I peed my pants. it's so scary."

"is it very dangerous?" su mu asked in a low voice.

Secretary li was stunned for a moment before nodding. a little. But our President ye's aura is really powerful.

Su mu nodded.

secretary li left.

Ye xiangnan was on the phone. He was standing with his coat on the back of the chair and his back facing them.

Su mu walked over slowly. The carpet absorbed the sound of her footsteps. She walked to his back and hugged his waist gently.

Ye xiangnan seemed to be stunned for a moment, then he held her hand and hung up after a few words with the other side of the phone.

He wanted to turn back, but su mu didn't want to let him, so he kept holding him.

"What's wrong, Mumu?" ye xiangnan asked in a low voice.

he rarely called her that, but it was more appropriate to call her that now.

su mu pressed his face against his back and said in a low voice, "I don't want to talk. I miss the South at night."

"mumu, you've learned how to act coquettishly?" he gently smiled.

She tightened her grip and asked in a low voice, "weren't you afraid?"

ye xiangnan was stunned for a moment and knew what she meant. he said in a low voice, "if i'm afraid, how can i do great things?"

He still pulled her over from behind, looked at her, and said in a hoarse voice, "you cried?"

He reached out to wipe the tears from the corners of her eyes, and his voice was unbelievably gentle.

At this moment, the phone on the table rang. He didn't care about it, but held her face and carefully wiped her tears.

Chapter 5239: Ye xiangnan, this pretty boy, is quite powerful 4

the phone kept ringing, so he simply picked it up and put it aside.

then, he looked at his wife with a very gentle voice. "what's wrong, why are you crying like this?"

su mu bit his lip and said in a low voice, "have you never thought of ye jie or me?"

"I have." he said in a low voice, "but if i'm not around, my parents will take care of you. but if i don't do this, if someone else does it, that person might not be around anymore. as long as my uncle is around, cheng zheng would not dare to touch me."

su mu looked up and said softly, "thinking of the south at night, you bastard."

“Why are you scolding me?” His voice was gentle as he lowered his head to kiss her forehead. “i thought you would like a hero.”

...

you’re not, ” she said softly, her eyelashes wet with water droplets. Then she hugged him.”Ye xiangnan, even though you’re particularly detestable, I still hope that you can live well.”

“I will,” he said with a smile.

Su mu didn’t say anything and just hugged him.

She was rarely like this. In the past, she had always been indifferent to him. No matter how much he tried to be nice to her, she didn’t seem to appreciate it. Now that she was like this, it made him laugh and feel a little heartache.

Su mu was probably frightened.

he continued to whisper, ” i promise i’ll be fine, okay? ”

Su mu didn’t say anything and just leaned in his arms.

There was a faint smell of tobacco on him. He was quite manly. Su mu didn’t say anything and just leaned against him obediently. Later, he simply carried her into the lounge and coaxed her for a while. He only went to work after she fell asleep.

In fact, today was the most thrilling day, and she was so clingy. He still had a lot of things to do, but he didn’t find it annoying at all. Instead, there was an indescribable feeling in his heart.

Ye xiangnan held his forehead and smiled.

at this moment, secretary li pushed the door open and entered. ” president ye, a customer said that your landline can’t be connected. ”

“oh, i’ll take it off for a while. i can take it back in now.” he smiled and put the phone back on.

Secretary Li’s gaze was strange, and then he left.

ye xiangnan continued to work until nine o ‘clock at night. he stretched and went to the lounge. su mu was still asleep.

Ye xiangnan sat by the bed and pinched her face. “Let’s go home.”

Su mu woke up and looked at him. “Thinking of the South at night?”

He hummed in acknowledgment, but she said she had a nightmare again, Huahua.

After that, she fell into his arms and he hugged her for a long time.

when su mu came back to his senses, he was already in the car. she turned her head and looked at the roadside. it was the way back to the villa.

“ye jie is with my mother.” Ye xiangnan said lightly.

Oh, ” su mu replied and asked again, ” have you eaten? it’s getting late.

He raised his hand and looked at the time. It was already ten O ‘clock.

“I haven’t eaten yet. Where do you want to go?” ye xiangnan nodded.

“i want to eat hotpot,” su mu said after some consideration.

He smiled and agreed.

“It’s best to have hot pot in this weather. It’s warm,” su mu added.

after saying that, he threw his coat at her. ” “Cover it up, you look so cold.”

Su mu had refused at first, but the coat had a faint smell of tobacco, which was very similar to the smell of his body. Therefore, he covered himself with the coat gently, leaving only his head exposed.

Ye xiangnan looked at her sideways and thought that she was quite cute.

Su mu, on the other hand, was caught by his gaze.

Chapter 5240: ye xiangnan, this pretty boy, is quite powerful 5

She felt that there was something different in his eyes, but she could not tell what it was.

when they went to the famous hot pot restaurant, they unexpectedly met acquaintances. they were sister hong and zhang fucai.

It was probably business. The two of them talked while eating hotpot, with a notebook and some documents to refer to.

ye xiangnan looked at su mu and said in a low voice,”If your master Cheng sees this, he’ll fly into a rage again.”

Su mu just looked at him and snorted. “He’s not my master Cheng,”

she then thought of su zhiyan and suddenly said, ” Cheng Zheng stopped doing that. Zhiqiao doesn’t know what to do. She’s used to smoking that.

...

Ye xiangnan led her to a seat and asked in a low voice, ” “You pity her?”

“no, i just feel that she has ruined herself.” Su mu said softly.

Ye xiangnan shook his head. that's Cheng Zheng's fault. Forget about her body, but su zhirou doesn't own those cigarettes. If she wasn't with Cheng Zheng, she wouldn't have had the chance to touch those.

ye xiangnan continued, " i know that many women like him and think that he is a bit cute. however, a person's mouth is bad. no matter how much he has a personality, he has done many harmful things. i don't think he is a good man for women. "

Su mu looked at him with a strange expression. ye xiangnan, you seem to be talking about Cheng Zheng all the time today. Are you overthinking? "

"Well, I just want you to know his misdeeds." President ye said very carefully.

"I know." Su mu lowered his eyes.

She looked in sister Hong's direction. Since sister Hong hadn't noticed them, she didn't want to disturb them.

I'm just worried about sister Hong, " she whispered to ye xiangnan. I think she likes Cheng Zheng.

"i don't know what she likes about cheng zheng," she said after a pause.

Ye xiangnan ordered the dishes and smiled. I like him. He's rich, healthy, and good-looking. Who wouldn't like a man like him? "

su mu cast him a strange look.

suddenly, ye xiangnan asked mrs. ye, " "By the way, su mu, how many do you think I have?"

Su mu felt that he was boring and shameless, so he refused to answer the question.

Ye xiangnan laughed in a low voice. He stopped teasing her and focused on eating with her.

On the other side, sister Hong looked up and saw the two of them eating quietly. Sister Hong looked at Zhang fucai for a while and also noticed it. She whispered, ” ‘Should I go say hi?’

“let them eat in peace,” sister hong shook her head.

She had mixed feelings in her heart. She knew very well that ye xiangnan wanted to kill Cheng Zheng, but he let her live in the end. Not only was it because of his position, but it was also more or less for su mu.

Cheng Zheng was indeed a smart person. She knew that the situation was not good and she knew why she wanted to let it go, but she still followed the flow.

A few days ago, the situation had been very tense, but today, everything was back to normal, so the negotiations should have been settled.

she looked at him like this, but zhang fucai misunderstood her and whispered, ” ” it’s all my fault. if i wasn’t such a fool in the past, we would be like them now, having a good meal and going home together. ”

Sister Hong laughed. you’re thinking too much. Isn’t it good now? you still have a wife and children to live in.

Zhang fucai glanced at her, lit a cigarette, and said, ” “how can that be the same?”

Sister Hong snorted. don’t be so calculative. You were so obsessed with du Meili at that time. It was fatal.
