

## Thank you 531

Chapter 531 PEI Qiqi's biological father (1)

shen lian did not return to the company. instead, she went home.

shen chongshan had not gone to the company for a few days and had been at home.

These days, Shen Lian also heard her parents quarreling. Her mother kept shrieking and saying that she couldn't forget people even after they died.

Shen Zhongshan did not argue with her, but Shen Lian was a little annoyed.

She got out of the car, walked to the study room upstairs, and knocked on the door.

shen chongshan, who was inside, responded, "come in."

shen lian pushed the door open and walked in before closing it.

shen chongshan was sitting behind his desk, smoking.

She was a little shocked because he had almost quit smoking all these years.

"Dad, why are you smoking again?" shen lian asked softly.

shen chongshan's handsome face was slightly unnatural. he put out his cigarette and said, "I'm a little annoyed,"

shen lian stared into his eyes and did not miss any change in his expression. then, she slowly said, "is it because mom fought with you?"

At that moment, Shen Chongshan looked a little embarrassed. He looked up at Shen Lian and said, "children don't understand adult matters.

"Dad, I'm already 26." shen lian lowered her eyes and smiled. "i know. you and aunt tang had a past. mom and you have been fighting over this. "

Shen Chongshan's facial muscles twitched when he was exposed by his daughter. After a long time, he finally calmed down and tried to sound as calm as possible. it's all in the past. She's no longer here. What's the point of talking about this? "

"But she has a capable daughter!" shen lian's voice was a little cold, "dad, for pei qiqi, tang yu terminated all of our collaborations with our company. "

Shen Chongshan's sharp eyes suddenly narrowed as he looked at his beloved daughter. "what have you done?"

Shen Lian's heart skipped a beat and she subconsciously denied it, "Dad, I didn't do anything."

I know Tang Yu's style the best. If you don't provoke him, he won't offend you. shen chongshan's tone was filled with anger, "you should know how big a blow it is for jin taihe to lose a big customer like sheng yuan or to have such a strong opponent. "

"we've almost finished discussing the collaboration with marvel for the new quarter, and the pei family appeared out of nowhere. now, you've offended sheng yuan.

you've put the company in such a state just because of your personal feelings! shen lian, how can i leave the company to you without worry?" shen chongshan said meaningfully.

Shen Lian was unable to refute.

"Think about how you can repair your relationship with Sheng Yuan." Shen Chongshan said sternly.

Shen Lian's eyes turned red. After a while, she said softly, "i know," after she left, shen chongshan closed his eyes.

The muscles on his face twitched again. He was holding a report in his hand under the desk.

On it were the DNA Reports of him, PEI Qiqi, and Tang Xin.

PEI Qiqi and Tang Xin were both his children!

that woman, zhao ke!

Shen Chongshan had never thought that a money-loving and vain woman like Zhao Ke would actually give birth to two children for him. She had never said anything about it.

If Tang Zhiyuan didn't reveal any information, he wouldn't have thought of it.

The two children were his.

Of course, he knew that Tang Xin was sick!

However, he couldn't be a match. Once he went, Shen Zhongshan's life would be ruined.

Chapter 532 pei qiqi's biological father (2)

the circle he was in made it impossible for him to have such a scandal.

at that time, his wife would cause a ruckus and ruin the divorce, and his company's stock price would fall to the lowest.

he only weighed the pros and cons before deciding to give up ...

he gave up on reuniting with pei qiqi and gave up on tang xin's life.

shen chongshan sighed.

However, he still went to see Zhao Ke.

In the cemetery, he was wearing sunglasses and a formal British suit, which was Zhao Ke's favorite look.

he still remembered that the young her liked to lie in his arms and unbutton his buttons one by one with her small hands.

At that time, Zhao Ke was indeed young, beautiful, and somewhat cute.

However, towards Zhao Ke, he was only an ordinary man, a man with power who would relax after work. It was only because she was beautiful and young that he was looking for some comfort from her.

After playing with it, she didn't really remember.

She belonged to Tang Zhiyuan, but he didn't feel much. He just subconsciously distanced himself from her and didn't keep in touch with her.

however, he had never thought that Zhao Ke would be so bold as to give birth to his two children, Yingluo.

He wasn't cold-blooded enough to kill PEI Qiqi like Zhao Ke. However, his identity didn't allow him to acknowledge these two daughters, Qianqian, and Tang Zhiyuan!

Shen Chongshan looked at Zhao Ke's photo and sighed, " "Why are you so silly?"

even though he didn't love her, he still remembered the tears in her eyes when he gave her money to abort the child when she was pregnant.

she was not willing, but she agreed obediently.

After that, he did not see her for about a year.

He thought that she had turned over a new leaf with the money.

however, a year later, she appeared in his world again, until she asked him if he could take care of her in a fixed place.

He knew that she would not receive anyone else when she was with him.

he had never asked her to do that, but if she did, he would give her more money to live.

from the beginning to the end, he had never thought that she would ask this because she was pregnant again.

she yearned to give birth to his child, Yingluo.

He left and gave her a breakup fee, and he never looked for her again.

She didn't look for him and just quietly teased him.

after that, she became Tang Zhiyuan's wife and got married while she was pregnant.

He had also suspected that the child in her stomach might be his Yingluo.

but on the day of her wedding, she held onto Tang Zhiyuan and smiled happily ...

he didn't think too much about it. Xuxu never thought that Zhao Ke kept it a secret from everyone until fate sent Pei Qiqi to Tang Yu.

Shen Chongshan's voice was low, " "why do you have to do this!"

with her beauty, it wasn't difficult for her to marry a man like Tang Zhiyuan. why did she give birth to his child and end her life?

Shen Chongshan's fingers gently caressed Zhao Ke's photo and he suddenly laughed. I've let you down in this life.

then, he slowly walked out of the cemetery.

the sun outside shone on him little by little, but Shen Chongshan's heart was dark.

he was the one who destroyed zhao ke, but at the same time, zhao ke had also turned his life into a mess.

I can't explain it, I can't calculate it!

shen chongshan sat in the back seat and closed his eyes. "let's go back,"

halfway there, he made a phone call and said respectfully, "old man, i would like to visit you."

shen chongshan let out a breath and continued, ""....."

Chapter 533 father and daughter meet again (1)

After PEI Qiqi got off work, she went downstairs and saw Tang Yu's car parked there.

she opened the car door and got in.

tang yu leaned over and kissed her naturally. then, he helped her put on her seatbelt.

tang yu, i'm not a kid anymore. " She leaned against the back of the chair and protested.

His finger stopped at a certain spot for a moment and he smiled. our Qiqi is indeed not a child anymore.

Her little face was red. Tang Yu!

he chuckled and retracted his fingers. he placed them on the steering wheel."let's go to grandpa's place for dinner now."

The moment Tang Yu said that, PEI Qiqi's heart started beating faster. Her voice was soft,""tang yu ~~~?"

He tapped the steering wheel with his long fingers and said with a faint smile,"Qiqi, do you prefer to eat me?"

"let's eat!" She covered her face with her hands and snorted.

Tang Yu looked at her, " Qiqi, you're becoming more and more like Tang Xin. I'll feel guilty if you do this.

she glared at him.

"you call me big brother all day, how can i do it?" he pinched her little face and finally started the car.

PEI Qiqi covered her face again. He was too shameless.

He didn't say anything, but she couldn't help but say, "I'm still scared."

"The old man is very fierce, but he likes you." tang yu chuckled, " didn't you run over last time? why are you so timid now? "

"that's different." PEI Qiqi pursed her lips.

tang yu focused on driving. when they reached a red light, he looked at her and said seriously, " qiqi, if grandpa doesn't like you, he will never agree. "

"he didn't agree to it either." PEI Qiqi lowered her eyes.

tang yu couldn't help but laugh. his voice was a little hoarse as he said, " yes, i want boss pei to be with me. shamelessly asking for a kiss."

he held her hand and pulled her to him. he said in a meaningful voice, " " what about boss pei? are you giving it to him or not? "

her little hand was burning, and she looked at him with tears in her eyes ...

He felt a little embarrassed because he was actually doing that now.

Tang Yan leaned over and kissed her little mouth. He suppressed the evil fire in his heart and said in a low voice, " Qiqi, go back early later.

She retracted her little hand, and her small body shrank far away.| the wolf looked at him.

Tang Yu chuckled and continued to drive in a good mood.

when they arrived at the lin residence, she was a little hesitant. " tang yu, i'm still a little scared. "

"what's there to be afraid of? the old master won't eat you." tang yu's voice was firm. he got out of the car and held her hand.

she wanted to shrink back, but he didn't allow it. he held her hand and walked into the main house. in the antique hall, old master lin was playing chess with a man.

seeing the two little ones come in, elder tang stopped and chuckled, " tang yu, your uncle shen is here. "

Then, he turned to the man and said,"Chongshan, this is Tang Yu's little girlfriend. She's the one who ran away from her wedding last time. She's a troublesome girl.

In front of outsiders, Grandpa Lin didn't give PEI Qiqi any face at all.

However, in these words, there was a vague hint of affection and a little bit of bragging!

shen chongshan, look, look, look, the girl my grandson found is so pretty. look, isn't she very pretty?

It didn't matter even if she was a little pretentious!

Shen Chongshan had long understood that the old man was like an old child.

However, his body was still a little tense.

Chapter 534 father and daughter meet again (2)

Shen Chongshan didn't expect Tang Yan to bring PEI Qiqi over.

his daughter, the daughter that he had never seen properly ... just like that, before he could calm his mind, she appeared in front of him.

Grandpa Lin even pulled PEI Qiqi over, " this is Jin Taihe's President Shen. Call him uncle Shen.

pei qiqi was also shocked because of grandpa's attitude.

at this moment, tang yu was practically invisible. in the old man's eyes, there was only pei qiqi.

who wouldn't like a pretty girl?

Even if he was an old man, he would still appreciate it!

pei qiqi called out. she felt a little weird because shen zhongshan was shen lian's father.

tang yu's ex-girlfriend's father. it was weird for her to call him that.

shen chongshan stood up and looked at the girl in front of him.

He could still find traces of Zhao Ke's younger self in her.

Back then, when Zhao Ke was like a kitten nestled in his arms, she had such a soft appearance.

At this moment, his body was tense, and his expression was a little stiff.

"How's it, Chongshan? does he look good? She's a good match for Tang Yu!" The old man asked happily.

the old man was also a heart-piercing person. he clearly knew the purpose of shen zhongshan's visit today, but he still said this.

in grandpa lin's heart, shen lian had embarrassed tang yu quite a bit back then. today, pei qiqi had finally helped him get back at her.

pei qiqi felt like f \* cking a dog in her heart. however, she looked at tang yu and tang yu signaled for her to keep quiet.

she felt a little aggrieved. old master lin was showing off to her like a little kitten or puppy.

Shen Zhongshan's gaze fell on PEI Qiqi's little face for a long time. Grandpa Shen thought that he was shocked by the beauty of his little lamb and became more and more proud.

After a long time, Shen Chongshan said lightly, " "Yingluo is indeed not bad."

the old man was happy. " chongshan, you have good taste. "

This girl only had this one advantage.

Elder Shen was so happy that he gestured to Tang Yu, " get someone to serve the food. I want to have a few drinks with your uncle Shen.

Tang Yu smiled and quickly walked to the door to order the little girl.

in just a short while, everyone had moved to the dining room, and a table full of sumptuous tea was already prepared.

the old man didn't mention anything about the conflict between sheng yuan and jin taihe, only drinking and chatting.

of course, pei xiao qi became the little maid who poured wine. she found it a little strange that none of the lin family's family members had appeared. however, she later thought that it was probably old master lin who had deliberately prevented them from appearing.

she looked at tang yu. he was holding her hand under the table while he was dealing with elder lin.

shen zhongshan finally brought the topic to the purpose of his trip, but the old man diverted it away with a few words. shen zhongshan had no choice but to talk about some irrelevant things again.

grandpa lin hadn't been this happy in a long time. he deliberately put on a stoic face and looked at the cup in front of pei qiqi, "pei girl, why aren't you drinking?"

PEI Qiqi was about to pick up her cup when Tang Yu stopped her. He looked up at Grandpa and smiled, "Qi Qi can't drink it."

the old man responded with an "oh" and asked with great interest, "why can't i drink?"

Although he asked, his entire old face was glowing red with anticipation.

Tell me, tell me, tell me, tell me that Qiqi is pregnant!

Tang Yu looked at the stars in elder Tang's eyes and smiled again, "Grandpa, I'm not young anymore. I'm preparing for a pregnancy."

Chapter 535-father and daughter meet!

Preparing for pregnancy?

Just preparing for pregnancy?

however, it was good that she was willing to prepare for pregnancy!

Although elder Tang was happy, he knew that with Tang Yu's ability, he could succeed in planting the seed in minutes!

However, she still looked unhappy on her old face. you're not married, so why are you preparing for pregnancy? aren't you afraid of being laughed at by others?"

As he spoke, he coughed lightly and said to Shen Chongshan, "Chongshan, I'm sorry for making you laugh! young people nowadays are different from our time. young people are open, bold, and unrestrained, and they want to have children every day."

Shen Zhongshan felt an indescribable feeling in his heart. He naturally knew why Pei Qiqi wanted to have a child at such a young age.

It's for Tang Xin!

he raised his glass to hide his unnatural expression and smiled. "it's good to give birth earlier."

Old master Lin laughed heartily. "that's right, that's right. i'm not young anymore. i'm just waiting to hold my great-grandson. tang yu, you have to work hard! It's fine to earn less money, but you have to have a child."

"We have to work hard!" Tang Yan lowered his eyes and looked at PEI Qiqi again. He looked at her with a complicated expression and said slowly, "if he doesn't work hard to have such a prodigal wife, he would probably have to compensate sheng yuan to the old man after a few meetings with her."

Old master Lin's eyes flashed. He knew that Pei Xiao Qi had told him everything.

He put down the cup and chuckled. I was just testing this girl. I didn't know that she loved money more than you.

So, kid, be sad!

Tang Yu didn't mind, "then I need to earn more money. Even if it's money that loves me, it's good."

grandpa lin spat and turned to shen chongshan, ” ” look, i’ve never seen someone as shameless as tang yu. ”

She then sighed. this is probably what you call a true lady!

after one night, they finally got to the main point!

How could Shen Chongshan not understand this? he was silent for a moment.

when he saw pei qiqi’s pretty face, he thought of zhao ke.

if he had not been married back then, and zhao ke did not have that kind of status, he would have probably married her if she was just the daughter of a humble family. after all, she was very beautiful and very obedient.

however, there were many things that could not be changed. he had already passed away, and it was useless to say anything more.

shen chongshan stammered like this and forgot the purpose of his visit.

The wine cup had cooled down, and when he woke up, he found himself sitting alone with old master Lin in the dining room.

old master lin was deep in thought, and shen chongshan realized that he had lost his composure.

He smiled apologetically and covered it up with a cup.

“chongshan, i’ll slowly talk to tang yu about why you’re here! however, the condition is that shen lian doesn’t cause any more trouble. otherwise, i can’t guarantee what tang yu will do.” as he said this, he sighed. ” i’m old, chongshan, you’re not young either. you’re already in your fifties, and you all understand one thing-a melon that is forcefully twisted is not sweet. ”

Shen Chongshan did not say anything.

the old man continued. ” you saw it too. tang zheng doted on that girl very much. even if everyone in yingluo objected, he still insisted on being with her. he even took five hits from me. ”

shen chongshan was stunned.

“it’s impossible between him and shen lian! Don’t even think about it. ” The old master laughed, ” Pei Xiao Qi, that girl, has become his precious treasure. How can he break it off? ”

Shen Chongshan walked out with a heavy heart.

when he reached the outer courtyard, he stopped in his tracks.

Chapter 536-father and daughter meet!

in the corner of the garden, tang yu pressed pei qiqi against the wall and kissed her.

Under the moonlight, Shen Zhongshan saw PEI Qiqi’s eyes were like water. Her little hands were on Tang Yu’s shoulders, helplessly but obediently letting Tang Yu kiss her.

they were so engrossed that shen chongshan could even see that while tang yu was kissing, he couldn't help but reach out to touch the kasaya.

the surrounding air seemed to be about to explode.

the overflowing emotions also bore the burden of the love jade kasaya that could not be ignored.

Shen Chongshan looked on in silence. He didn't leave immediately. Instead, he leaned against the wall, took out a cigarette, lit it, and took a long drag.

Seeing them like this, he thought of the time when he was with Zhao Ke.

it was also like this!

When he first met Zhao Ke, he was shocked by her appearance, and she was well-behaved in front of him.

at that time, he almost wanted to stay in bed 24 hours a day, in the corner of her body.

if she didn't give birth to pei qiqi and tang xin for him, he thought that he would probably only remember that he had such a woman and would never miss her as much as he did now.

after she got married, he tried his best not to see her. he avoided meeting her on various occasions.

this was because he could see the infatuation in zhao ke's eyes, and this was not what he wanted.

after that, it slowly faded. he also heard that although she and tang zhiyuan had their own fun, she had a lot of pretty boys.

however, all of this had nothing to do with him.

This was how the upper-class society was. Things that had not been torn apart did not count.

It was only when she died that he remembered that those eyes represented her resentment, her hatred, and her unwillingness.

Shen Chongshan looked at the pair of lovers under the moonlight and silently thought, Zhao Ke loves me, right?

but what could he do?

So, what?

He looked at it silently for a long time before straightening his body. His black clothes blended into the night and slowly disappeared.

under the pergola, pei qiqi was in tang yu's arms. at this moment, he was nibbling on her little neck. his breath was hot, making her tremble and her legs weak.

He had drunk some wine, and his body was warm. It was a mixture of alcohol and a man's body odor, and it smelled good and intoxicating.

she pushed him with her little hand and finally regained some of her rationality. " we'll talk about it when we get back. "

Tang Yu continued to press against her domineeringly, as if he wanted more.

He leaned on her shoulder and said in a warm voice, " after we go back, I can do whatever I want? "

her face was completely red, but fortunately, it was dark here, so it couldn't be seen.

She reached out and pushed him again. let's go back.

he intentionally stopped her, " you still haven't agreed, pei qiqi? "

Her little face turned to the side helplessly, and she wanted to kick him.

tang yu chuckled and grabbed her leg. he chuckled, " i broke it from kicking. you can't feed it tonight. "[ You're full."

he grabbed her and leaned forward to kiss her. he kissed the corner of her mouth and the back of her ear.

his low and hoarse voice rang in her ear. " did my baby miss me? "

he really, really was too shameless.

PEI Qiqi was a little embarrassed and said angrily, 'I don't want to'.

In the next second, she screamed and teased him.

Tang Zheng kissed her small mouth and swallowed her scream. It took a while for her to calm down.

However, his hand was still 'checking' her!

Her eyes were wide open, and there were tears in them as she looked at him in a daze.

"Now, do you want to? Baby? Hmm?" He was probably drunk and especially impetuous.

chapter 537! hunger marketing

PEI Qiqi covered her face with her hands and was about to cry, " tang yu, let's go back, okay? "

this was the lin residence, and the old master could appear at any time!

She felt ashamed just thinking about it!

"then tell me, do you want to or not? Do I just do whatever I want?" He didn't let her go and continued to torture her.

pei qiqi turned her head, bit her pitiful red lips, and nodded.

Then, she was picked up in a Princess carry!

"Put me down." she spoke softly and pounded his shoulders, not daring to raise her voice.

Tang Yu lowered his head and kissed her. His voice was a little muffled, " PEI Qiqi, if you dare to scream again, I will throw you down.

She was so scared that she didn't dare to move and obediently hugged him until he put her in the car.

Tang Yu placed her on the driver's seat and leaned over to kiss her, " "qiqi, can you drive?"

He had drunk a lot and was slightly tipsy.

PEI Qiqi was both embarrassed and angry. Being kissed like this, her little hand reached over and pinched him hard.

Tang Yu was in pain but he didn't let go of her immediately. He laughed for a while.

Her little face was buried in his arms. When he smiled like this, her chest trembled slightly. In addition to the heat from his body and his unique manly scent, PEI Qiqi couldn't help but blush.

After a while, Tang Yu reached out and rubbed her head, " PEI Qiqi, remember to drive faster. I can't wait any longer!

PEI Qiqi looked at him, " close the door and get in.

However, the moment Tang Yu closed the door, PEI Qiqi started the car.

After driving for about ten meters, she saw him standing there in a daze in the rearview mirror.

The dark night covered his figure, but it could not hide his magnificence.

the car screeched to a stop, and she was a little annoyed.

tang yu slowly walked over and smiled as he opened the car door. then, he slowly put on his seatbelt.

PEI Qiqi kept her face turned to the side and looked at him, her breathing a little erratic.

the calmer he was, the more flustered she was.

"drive. Hmm?" He smiled and then sat down seriously.

Fake seriousness!

PEI Qiqi continued driving and ignored him.

Tang Mo closed his eyes and leaned against the chair, looking a little tipsy.

when they arrived at the rose garden, she parked the car.

Tang Zheng opened his eyes and looked around. His voice was a little hoarse. why did you drive here? "

then, without saying anything else, he pinched her little face, unbuckled her seat belt, and carried her over.

Tang Yu, we're home. Her small hand pounded on his shoulder, but he still had his way.

She sat in his arms so shamefully, not knowing what to do.

He leaned over and kissed her little mouth, first lightly and then deeply.

in the end, it became hot, and his breath stained her whole body. it was hot, uncomfortable, and a little reluctant to let go.

The pair of small hands on his shoulders slowly rested on his shoulders, and then slowly wrapped around his neck.

The two of them were envious of each other, and there was an indescribable feeling.

when tang yu's hand moved down, pei qiqi supported him and ran out of the car with one hand.

Tang Yu lowered his head and looked at his Kasaya. He chuckled and got out of the car, following her.

However, when she got out of the car, she hung her coat on her arm to cover her embarrassment.

there were a few maids standing at the door. pei qiqi turned around and looked at tang yu. she took the initiative to wait for him and snuggled up to him, " i'll help you get your coat. "

This little rascal! tang zheng looked at her and pulled her into his arms.

#### Chapter 538 punishment

He held her to cover his embarrassment and threw his coat on her face.

pei qiqi's little head was covered in his coat. for a moment, she couldn't see him and could only hold on to him tightly.

"Don't enter the main house tonight." Tang Yu ordered in a hoarse voice.

he walked into the hall and the door behind him closed.

PEI Qiqi took off her coat and threw it on the sofa.

"You little bad thing! Let's see how I'll punish you." he lowered his head to kiss her, one hand holding her waist, and pushed her to the stairs.

he was indeed a little drunk, so he didn't hold back. pei qiqi's lips were numb from his kiss.

She wanted to push him away, but her body was pressed even tighter, and her back hurt a little.

However, his lips were so soft and light. He kissed her as if he was comforting her.

But slowly, he was no longer gentle, and became a little rough.

the clothes fell to the ground one by one, from the bottom of the stairs to the top, and were thrown everywhere.

He had never been so crazy before. It was like he was going all out, like he was going to have a last Carnival.

Instead of waiting for the bedroom, he occupied her on the stairs.

when she couldn't control her emotions, tang yu pressed against her, frowned deeply, and said some vulgar words.

PEI Qiqi was about to die. She struggled like a little beast and whined.

he was so shameless. how could she say such shameful words?

But she didn't want to say it, and he didn't want to give her the Kasaya.

Tang Yu, you're bad! she bit his shoulder and finally said those two words.

He was hot and moved beyond his control. He panted and loved her passionately. His voice was shaking. baby, say it again.

PEI Qiqi hugged him and bit his thin earlobe. Then, she obediently said it.

This time, he was going to die. He seemed to have gone crazy and shapeshifted.

That night, he only let her go at two in the morning.

pei xiao qi was only left with half a life. tang yu was almost dead too.

They had come in the heat of the moment, but now that they had stopped, they felt that they had been too rough.

PEI Qiqi lay in his arms like a little beast. Probably because of the pain, she bit his shoulder as a little revenge.

Tang mo let her bite him and knew that he had gone too far.

After biting for a while, PEI Qiqi finally let go. She looked at the small bite mark and snorted.

she just didn't know how he was able to leave so many marks on her body without getting tired of it.

In the past, Yingying only kissed him!

But tonight, he bit her.

His entire body was covered in teeth marks, and the process was extremely torturous.

Tang Yu chuckled, "there won't be any in two days.

"I'm going to see tang xin tomorrow. how do you want me to go with this?" She bit him again in anger.

"Why don't you bite me to this extent?" he suggested kindly.

PEI Qiqi pouted and ignored him. Then, she endured the strange pain in her leg and ran to take a shower.

He was still half-lying, and after admiring it for a while, he lifted the quilt and walked into the bathroom together.

the result was that pei qiqi was injured even more!

The next morning, PEI Qiqi nudged him at 8 am sharp, "Tang Yu, get up.

Tang Zheng opened one eye to look at her. are you sure you want to see her?"

"Of course I am!" she hugged his arm and acted coquettishly, which was rare.

Tang Yu smiled and thought about it, "Tang Xin made a fuss about cutting off all contact with you. Don't you hate her?"

pei qiqi was stunned for a moment. then, she pouted, "didn't you say that she has thought it through?"

tang yu reached out and ruffled her long hair, "qiqi, do you really not know what 'hunger marketing' is?"

chapter 539 punishment

She looked at him eagerly.

of course, she understood these four words, but what did it have to do with her and tang xin?

“She did understand, but Tang Xin is still young. If someone tells her something in the future, it’s hard to guarantee that she won’t remember it. So, Qiqi, you can’t take the initiative to see her even if she has thought it through.” Tang Yu said calmly.

PEI Qiqi understood what he meant, but she still wanted to see Tang Xin.

It didn’t feel good to be separated by a misunderstanding.

“believe me, you’re not feeling well right now, and she’s even more uncomfortable than you. I have more experience than you in dealing with this little girl.” tang yu said it casually.

pei qiqi looked at him. ” what? you know tang xin very well? ”

tang yu chuckled and pulled her into his arms. his big hand held her small waist and his voice was thought-provoking, ” why are you jealous of tang xin too? don’t forget, she’s my sister too. ”

He was not related to Tang Xin by blood, so he naturally would not tell her.

this involved pei minghe.

His instinct told him that Tang Xin and PEI Qiqi had the same father and mother. That man was the one Zhao Ke was thinking about.

Whether it was PEI Minghe or Tang Zhiyuan, they were just cannon fodder and spendthrifts.

Without any evidence and without any clues, Tang Yu didn’t want PEI Qiqi to know the truth.

When he said that, PEI Qiqi buried herself in his arms and mumbled like a little kitten.

Tang Yu lowered his head and kissed and rubbed her. No matter how he rubbed her, it wasn’t enough. His voice became a little hot, ” why are you younger than Tang Xin?! you love to act coquettishly!”

“I am!” She lay in his arms and rubbed against him, like a baby.

Tang Yu sighed. He reached out and placed his hand on her little belly and gently rubbed it, ” I don’t know if I’m pregnant or not, but I’m sure I have a baby.

she wrapped her small arms around his neck and pouted. after a while, she raised her small face to his ear and blew gently, ” “mr. tang, do you think we succeeded last night?”

she wanted to flirt with him, but she was still shy.

tang mo turned his head and held the small one, his voice a little warm.”what if we don’t succeed?”

She lay in his arms like a Little Vixen and leaned over to kiss him with her slightly swollen lips.

tang yu didn’t hesitate and pressed her down.

When she woke up again, it was already ten O ‘clock.

although pei qiqi was convinced by tang yu not to see tang xin, she still got up and made tang xin a very nutritious and light porridge.

she carefully packed it and put it in the car. when they arrived at sheng yuan hospital, she stayed in the car after tang yu got out.

“I’ll be down in half an hour.” he kissed her small lips to comfort her.

PEI Qiqi’s face turned red and she snorted, ” I’m not jealous!

“it’s good that you didn’t!” He smiled and ruffled her hair. Qiqi, remember this.

she made a face at him. “| State!”

This was because this morning, he had forced her to call him brother Yingluo several times.

She had never thought that Tang mo would be so indecent.

Ever since they broke up and made up, he seemed to have changed.

tang yu laughed as he got out of the car and went upstairs to the hospital.

pei qiqi sat for a while and felt a little stuffy, so she came down to take a walk.

she had only taken two steps when she saw the man standing in front of her!

He was Shen Zhongshan, whom she had just met last night.

pei qiqi stared at the man. he was just walking out of the hospital. when he saw pei qiqi, he seemed a little surprised.

However, Shen Chongshan quickly calmed down and smiled with the gentleness of an elder, ”

“What is miss PEI doing here?”

you came here with Tang Yu? ” She said simply, not intending to say too much to the man in front of her.

shen chongshan naturally felt her hostility and smiled, ” are you here to see tang xin? ”

PEI Qiqi looked at him and didn’t say anything.

Shen Chongshan’s eyes were fixed on her small face. In his gentle eyes, there was a sense of nostalgia that she didn’t know about.

This child actually looked quite similar to Zhao Ke when she was young. It was just that the stubbornness in her eyes was something that Zhao Ke didn’t have.

shen zhongshan looked at her for a while longer. pei qiqi felt uncomfortable, ” mr. shen, if there’s nothing else, i would like to take a walk over there. ”

“Of course.” His gaze was deep.

pei qiqi nodded and walked in another direction.

As she walked away, Shen Chongshan’s gaze became more and more unfathomable.

just now, he actually went to the corner to look at tang xin from a distance.

he also learned that tang xin’s illness could be delayed for a year, two years, or even three or four years.

However, without a suitable bone marrow, one would not live long.

At that time, he hesitated for a moment, but how could he do that? if he went for a match, it would mean that he had silently agreed to this daughter of his. Then, he would lose everything.

His family, reputation, and even his company would be in great turmoil.

shen chongshan lit a cigarette but didn't smoke it. he looked down at the cigarette in his hand and sighed.

his daughter called him 'mr. shen'.

it should be!

he had never raised her, and he had no intention of acknowledging her.

All of this was the will of the heavens!

Shen Chongshan stood there for a long time, occasionally looking at PEI Qiqi.

the little girl seemed to be surprised that he was still standing there, and would sneak a glance at him from time to time.

he smiled. after all, she was still a little girl in her early twenties. she was probably looking at him like an enemy.

It wasn't until Tang Yu came out that Shen Chongshan opened the car door and got in. He closed his eyes and said to the driver, "Let's go back to the company."

During this period, because Sheng Yuan had withdrawn all of Jin Taihe's business dealings, although it did not cause the company to be in a crisis, he still had to go to the company to take charge.

Especially since Shen Lian was young, the shareholders were also talking about her past with Tang Yu.

plus, he couldn't just let the matter with sheng yuan be. he understood that tang yu's ultimate goal was to restrain shen lian.

This young man always did things in a roundabout way. If Shen Lian was half as good as Tang Yu, he wouldn't have to worry so much.

shen chongshan regretted not having a son. although shen lian was outstanding, she might not be able to handle jin taihe.

far behind the car, tang yu walked over to pei qiqi and stood beside her.

"tang yu?" She looked at him sideways. how's Tang Xin? "

Tang mo held her hand and said as they walked, "You're in good spirits! i'm quite disappointed to see that you didn't come."

Qi Qi stopped in her tracks and asked, "Should I go and see her?"

Tang Yu reached out and pinched her nose, "I've been talking to you for so long. Why aren't you getting enlightened? "

Oh, " she replied and lowered her head, not daring to say anything else.

at this moment, tang yu was like the head of the family and had absolute authority. pei qiqi was like a little white rabbit.

the little white rabbit, white and white, with its two ears perked up,

disobedient, little leather whip, whip,

it's so cute!
