

## Thank you 541

Chapter 541 shen lian has been gang-raped by tang xin (1)

he kept them in suspense for a week.

tang xin didn't even see pei qiqi after she was discharged.

tang yu came to pick her up from the hospital. the servants had already packed up their things and left.

Tang Xin looked at her brother with a sad face, " brother, is Qiqi really angry? "

"Probably Yingluo!" Tang Zheng smiled. but it's nothing. You don't like her anyway. You don't need to care if she's angry with you, right? "

No way!

However, the proud little girl couldn't say these words.

tang xin could only look at tang yu like a little wolfdog and asked in a low voice, " "Then, brother, will Qi Qi not see me?"

"To see if you're obedient." Tang Yu laughed.

Tang Xin was used to messing around with him, so she came over and wanted to hug Tang Yu's body.

Tang Yu grabbed one of her small arms, " okay, You're a Big Girl Now. You can't hug me anymore.

if tang xin was his sister, he would hug her, but she wasn't.

For the sake of the future, it would be better for him to keep a distance from Qianqian if Qiqi found out about her.

tang xin wrinkled her little nose, " i think i'm quite young. "

"look, she hasn't developed much yet."

Tang Yu didn't know whether to laugh or cry.

this little bastard!

his mind couldn't help but think of pei qiqi's steamed buns.

He sighed and put his arm around Tang Xin's shoulder, " "Go down! Dad is waiting for you."

"brother, aren't you going to send me back? and yingluo, " she said pitifully, " "i want to stay at your place."

Tang Zheng rubbed her little spiky head. I'll pick you up after a while.

"if you want qi qi to come too." Tang Xin said in a low voice.

Tang Yu laughed. This child was actually very pure and kind. He just couldn't accept it before.

When they arrived downstairs, Tang Xin reluctantly said goodbye to Tang Yu and got in the car.

After she got into the car, she realized that Tang Zhiyuan wasn't the only one in the car. Shen Lian was also there.

Shen Lian was sitting in the front seat, so Tang Xin didn't see her before she got in the car.

All the hair on Tang Xin's body stood up, making her look more like a Hedgehog.

"Dad, why is she here too?" she complained unhappily.

Tang Zhiyuan chided her softly, "you're so rude. This is your sister Shen Lian.

Tang Xin pursed her lips tightly and reached out to open the door, but it was impossible. The car had already started.

she lowered her hand angrily. "I only have my brother."

Of course, she still had Qiqi, but Tang Xin wasn't stupid. She wouldn't say this in front of Tang Zhiyuan to poke his heart.

Tang Zhiyuan was about to say something when Shen Lian's voice was soft, "Uncle Tang, don't blame Tang Xin. She's still young and can't tell right from wrong."

Tang Zhiyuan's expression eased up, "Tang Xin, did you hear that? Your sister Shen Lian is so reasonable. She won't argue with you.

Tang Xin's voice was a little strange, "If she didn't want to marry brother, Dad, do you think she would be here?"

Tang Zhiyuan was stunned by the question, and Shen Lian was also embarrassed. She didn't expect Tang Xin to have such a sharp mouth.

Tang Xin was so excited that her face didn't look good. She slowly leaned back in the back seat and whispered to Tang Zhiyuan, "Dad, I just don't want to be used by others. Mom was very silly back then."

When Zhao Ke was mentioned, Tang Zhiyuan was even more silent.

Zhao Ke was not good, but his approach and heartlessness must have left a bad impression in Tang Xin's heart.

He tried to ease the tension. "You're still young. You don't understand the matters of adults."

Chapter 542 Shen Lian has been gang-raped by Tang Xin (2)

Tang Xin looked innocent, "Yeah, I don't understand!" But I don't know why sister Shen Lian would tell me about these matters regarding the adults."

As soon as she said that, Shen Lian's expression turned ugly.

Pei Qiqi and Tang Xin were both annoying and difficult to deal with!

They were really born from the same mother, and they were equally annoying.

However, she still wouldn't say these words in front of Tang Zhiyuan. Tang Zhiyuan couldn't help but look at the girl in front of him and asked in a deep voice, "Shen Lian, did you tell Tang Xin those things?"

shen lian was stunned for a while before she hurriedly explained, "uncle tang, i'm just afraid that tang xin will be deceived again. that pei qiqi is very scheming. tang xin will be led astray. "

Tang Zhiyuan frowned and was about to say something, but Tang Xin had already said in a high-pitched voice, "Oh, really? However, I feel that sister Shen Lian's schemes run deeper. Also, how did sister Shen Lian know about our family matters? don't tell me it was big brother who told you?"

Shen Lian was speechless and bitter.

No matter how satisfied Tang Zhiyuan was with her, he still had some opinions at this time. After all, he still loved Tang Xin very much. After Zhao Ke's death, he also felt guilty towards Tang Xin.

Shen Lian had gone too far this time. How could he not know that she was doing this for Tang Yu? tang zhiyuan's voice was a little stern, "shen lian, don't tell tang xin about such things in the future. "

shen lian felt very uncomfortable after being reprimanded by him. however, she still put on an appropriate front. "uncle tang, i understand. i did not think this through. "

Tang Zhiyuan didn't know what to say about her being so decent. This matter was considered over.

shen lian originally wanted to 'talk' with tang xin again, but now that tang xin said so, she felt that it was unnecessary.

Thus, when the car stopped at Yan Hui, Shen Lian did not enter. She stood in front of her car and said, "Uncle Tang, I'll be leaving first."

"Drive slowly." Tang Zhiyuan sighed.

Shen Lian opened the car door and got in.

seeing that tang zhiyuan was still watching, tang xin snorted, "fake. "

Tang Zhiyuan lowered his head and looked at the small one. He frowned. you're not allowed to talk like that.

"dad clearly knows that she has bad intentions. why is he still so polite to her? " Tang Xin said with dissatisfaction.

Tang Zhiyuan looked at Tang Xin and didn't say anything.

he could tell that this little girl was on pei qiqi's side.

Well, since they were born from the same mother, outsiders couldn't tear them apart.

This time, Shen Lian was too stupid.

"Go in!" Tang Zhiyuan's voice sounded tired.

After all, he hadn't stopped for a while, especially with Lin Yun, who hadn't made any progress.

he had even heard that lin yun and zhao yi would sometimes attend banquets together. such a public couple, it was probably a good thing.

tang xin was smart and didn't continue. she knew that her father didn't want qiqi to be with her brother.

However, his brother had never listened to him.

tang xin ran to her bedroom, took out her phone, and turned to the page with pei qiqi.

Should they fight or not?

She had said such outrageous things. Qi Qi must hate her now?

tang xin was very distressed, but she didn't have the face to slap him.

Well, I'll just wait a little longer.

Tang Xin's face burned when she thought of Qiqi trying hard to have a child with her brother for her.

She remembered what she heard that night, what her brother and Qiqi did in the car.

bashful face!

Chapter 543 Honey-like, bashful face (1)

pei qiqi was very anxious.

because she really wanted to get pregnant now, she was very active almost every night.

tang yu was very happy to take the initiative.

the result of his happiness was that he would stay up late every day and do whatever he wanted.

often, she would beg him to tease her.

One night, about two weeks later.

Deep in the night, deep love.

PEI Qiqi was covered in sweat as she lay in Tang Yu's arms. She was like a little beast with only a thin blanket covering her.

At this time, Mr. Tang's interest was very strong. Although it had happened twice, he was still somewhat eager to move.

PEI Qiqi felt it too. She wrapped her arms around his waist and said in a coquettish voice, "I don't want it.

just an hour ago, he had suddenly carried her up and bit her little ear.

Now, she was soft and could not move.

How could Tang Yu let her go after she acted like this?

As a result, she was bullied again.

Just as they were in a good mood, PEI Qiqi's expression suddenly changed. Then, it was hard to describe.

she covered her mouth and looked at tang yu. then, she quickly pushed him away.

At that moment, Tang mo let out a muffled groan and was somewhat embarrassed.

However, the little person had already rushed into the bathroom. He was lying on the toilet bowl and vomiting desperately.

tang mo calmed himself down at the fastest speed and quickly went to the bathroom.

PEI Qiqi was still vomiting and felt weak.

tang yu reached out and half-hugged her, letting her lean on his arm. his voice was a little warm, " what's wrong? "

pei qiqi flipped her hair with one hand and shook her head. then, she laid there and vomited again.

Although it was very painful, her heart ... There was a little joy.

her yueyue might be pregnant.

He finally vomited, and his bile was about to come out.

She placed her hand on her stomach and looked up at Tang Yu, " will I get pregnant? "

tang yu smiled warmly. he helped her flush the toilet and then took her to clean up.

she had no strength to begin with, and now, she was even more powerless as he carried her back to the bedroom.

Now that they were lying on the bed together again, those previously impossible desires| wang city was cleaned up.

PEI Qiqi's small body was nestled in Tang Yu's arms. He hugged her from behind.

The lights were dim, and the atmosphere was warm and warm.

pei qiqi bit her lips, " tang yu, will i be a good mother? "

she really, really didn't expect to be pregnant so soon.

Tang Zheng's warm palm was placed on her lower abdomen, rubbing it for her to make her feel more comfortable.

"I'll go get some hot water," he said softly after a long time.

the moment he moved, pei qiqi turned around and hugged him.

She hugged him coquettishly and buried her face in his arms. She said softly, " tang yu, don't go. "

Right now, she really needed him and really wanted to stick to him.

pei qiqi hugged him and bit him.

Tang Yu felt that it was a sweet feeling that he couldn't describe.

"didn't i say that i'll take care of it?" he pressed down on her little head, his voice low and hoarse.

warm and tender!

pei qiqi acknowledged him and obediently snuggled in his arms, " tang yu, i want to drink water. "

he sighed and got up to pour her a glass of water. he carefully helped her up and held her shoulder to feed her.

After she finished drinking, she lay in his arms and hugged him, looking especially fragile.

tang yu stretched out his hand and picked up his phone to call xiao ran, " i won't be going to the office tomorrow morning. make some arrangements. "

#### Chapter 544 Honey-like bashful face (2)

Tang Yu stretched out his hand and picked up his phone to call Xiao ran, " I won't be going to the office tomorrow morning. Make some arrangements.

After hanging up the phone, he kissed the little guy in his arms. I'll take you to the hospital for a checkup tomorrow.

PEI Qiqi shyly hid in his arms.

tang yu's fingers gently caressed her hair. his voice was low and hoarse, " didn't you always beg me to give it to you? now that you have it, why are you embarrassed? "

She didn't say anything and continued to lie in his arms.

Tang Yu chuckled and reached out to stroke her long hair. He didn't say anything else and just enjoyed this quiet beauty.

the child teased his and qiqi's child.

just thinking about it made him excited!

After PEI Qiqi fell asleep, Tang Yu hugged her with one arm and pulled open the nightstand with the other. He took out a small and exquisite box.

His little girl had never noticed it.

And he had not found a suitable time to propose, so it had been delayed.

xiao ran's wedding preparations were already half done, but his future wife was still in the dark.

tang yu rubbed his head. what should he do?

However, this kind of worry was also sweet.

he kissed the little person in his arms, his heart so full that it was about to overflow.

Although he got pregnant to save Tang Xin, he was also looking forward to the child.

his and qiqi's child urged him to pamper him to the heavens.

thinking about those short, chubby legs, chubby hands, and chubby little bodies, tang yu's heart softened.

then, he kissed all of the children's mothers. as he kissed her, he felt as satisfied as if he had smelled the fragrance of a little meat bun.

one had to admit that tang yu was thinking quite far ahead!

he didn't sleep well the entire night. he tossed and turned, and all his thoughts were on pei qiqi's stomach.

early in the morning, pei qiqi didn't throw up. tang yu made breakfast for her.

of course, he only made some plain porridge. however, he felt that he must take good care of qiqi since she was pregnant.

In the afternoon, he would let Xiao ran register for a class on his behalf. He wanted to take care of Qiqi's body personally.

however, it was hard to take care of a pregnant woman. she used a spoon to pick up the porridge and protested, " tang yu, you're only giving me this? "

"i'll make do with it first. i'll give you good food at noon and at night." he coaxed her very patiently.

PEI Qiqi replied with an 'Oh' and forced herself to finish half a bowl.

tang yu didn't force her. he quickly finished his breakfast and took pei qiqi to the hospital for a checkup.

It was doctor Mei who saw him, and they even met Lin Yun.

pei qiqi didn't feel comfortable. although lin yun didn't object to it anymore, the past couldn't be erased.

But unexpectedly, Lin Yun's expression was natural. She spoke to Tang Yu at the door, " "i heard from dr. mei that you've made an appointment for a prenatal examination?"

tang yu held onto pei qiqi's hand and didn't give her a chance to escape. he admitted openly, " oh, qiqi might be pregnant. "

Lin Yun looked at her son as if she was looking at a beast.

how old was qiqi?

in his early 20s?

tang yu got her pregnant?

But Lin Yun thought about it and realized why they got pregnant so early. It was probably because of Tang Xin.

She sighed. shall I go in with you? "

After he finished speaking, he looked at PEI Qiqi and said calmly, " you already have a child. From now on, don't call me Auntie. Just call me Tang Yu!

Chapter 545 honey-like bashful face (3)

pei qiqi was stunned. then, her voice trembled and she couldn't say anything.

tang zheng pinched her little nose. " greet her. "

pei qiqi's nose felt a little sour because she really never called her mom.

Lin Yun was very calm and smiled. you'll get used to it.

pei qiqi finally called out in a trembling voice, like a mosquito.

However, this was already enough.

from now on, she wouldn't be zhao ke's daughter but tang yu's wife.

After PEI Qiqi finished shouting, Tang Yu rubbed her long hair and smiled, " you're so timid? "

“You always bully her.” Lin Yun looked at her son with disapproval and then took out a white jade bracelet. I didn’t prepare it. I’ll make do with it first, and then go to my place to pick a few that you like.”

she put it on for pei qiqi. the white jade was warm and suitable for a baby.

“Alright, let’s go in!” Lin Yun smiled.

doctor mei asked about the basic situation and asked in detail.

PEI Qiqi’s face was red as she looked at Tang Yu.

Tang Yu did a clean job and the atmosphere was so sweet.

dr. mei pushed up her glasses and said in a somewhat reproachful tone, ” if you’re pregnant, you can’t have such intense sex. furthermore, it has to be below the male and above the female! ”

PEI Qiqi almost coughed out blood. She grabbed onto Tang Yu’s sleeve and wanted to run away.

“i didn’t know before.” tang yu said calmly.

Doctor Mei wrote a list. why don’t you go and do a blood test? ”

tang yu looked at pei qiqi. she looked so pitiful.

“Let’s go!” he carried the little girl, who looked like she was about to be tortured, and left.

doctor mei smiled, ” lin yun, look, when did tang yu become like this? ”

lin yun sighed, ”i have no choice!” I like it. ”

doctor mei also smiled. ” this lady is also very blessed. ”

on the other side, pei qiqi looked up with teary eyes, ” tang yu, can’t we do a urine test? ”

why did he want to draw her blood the moment he came?

She didn’t want to!

Tang mo chuckled and reached out to rub her hair. this is more accurate.

pei qiqi looked at him suspiciously, ”how do you know so much?” Did you make a little girl pregnant?”

his face darkened, ” pei qiqi! ”

Tang Yu gestured for the nurse to get an injection.

pei qiqi wailed and he pulled her into his arms, ” “Alright, I’ll be done soon. You’re going to be a mother soon!”

she obediently laid there. her soft appearance made tang yu’s heart melt.

in fact, he was even a little reluctant to let her have children.

If this was already painful, how painful would it be later on?

The test results came out half an hour later. Dr. Mei took a look at it and then gave a meaningful look.

She looked at Tang Yu and coughed, " according to Hanhan's report, Qiqi isn't pregnant.

Not pregnant?

pei qiqi couldn't hide the disappointment on her face. she placed her hand on her stomach, " but i vomited. "

How could she not be pregnant?

Tang Yu also used his eyes to question doctor Mei.

Dr. Mei found it funny and coughed lightly. this ... Maybe she had an upset stomach. Maybe it's ran ran.

She looked at Tang Yu with a condemning gaze then slowly said, " "Or, it's too frequent, Yingluo." [ did you vomit? ]

at that moment, mr. tang's expression was very interesting.

He pulled PEI Qiqi out quickly and only slowed down when they reached the corridor outside.

PEI Qiqi grabbed his fingers and said softly, " Tang Yu.

He stopped in his tracks, his expression not looking good.

Chapter 546 honey-like bashful face (4)

Tang Yu looked at her and sighed, " Qiqi, we will have a child.

doctor mei said that they had done too much, so she could not get pregnant.

However, if she didn't do much, she was afraid that she wouldn't be able to get pregnant.

"Let nature take its course!" Tang Yu smiled and ruffled her hair, " this way, the child might be happier.

Oh, " she replied, but she still looked a little dejected.

Tang Zheng pulled her out. When he got into the car, he touched her little head again, " I'll bring Tang Xin back to stay for a few days in a few days? "

only then did pei qiqi feel a little happier. tang yu smiled as he drove the car away.

sure enough, he brought tang xin back in a few days.

pei qiqi drove to the rose garden after work. when she got out of the car, she heard tang xin's voice, " qiqi. "

she was stunned for a moment.

Then, he subconsciously looked and saw Tang Xin running out of the house.

The little girl was as lively as before, except that her hair had grown longer.

As she got closer, Tang Xin slowed down and looked at PEI Qiqi, ""Qiqi."

the little fellow didn't dare to come up.

PEI Qiqi smiled and reached out to Tang Xin, "come here.

Tang Xin suddenly threw herself into her arms and rolled, "Qiqi ~~"

pei qiqi lowered her head and rubbed her short hair, "hurry up and go in. it's hot outside."

Tang Xin didn't move and said in a muffled voice, "Qiqi, don't you blame me?"

"why would i be strange?" pei qiqi pulled her in. tang xin's face was still red and she felt embarrassed.

The older brother sat on the sofa, completely unmoved.

tang xin pulled him up. " brother, can you play the piano? the song for alice is pretty good. "

Then, he looked at PEI Qiqi, " Qiqi, you don't know this. I learned this to propose to you.

PEI Qiqi glanced at Tang Yu.

mr. tang was dressed in casual clothes and looked at tang xin lightly, " you're too talkative. "

How could he not know that Tang Xin was just trying to flatter PEI Qiqi and was eager to tell her everything she knew?

He was angry and amused at the same time. However, he still walked over to the piano and sat down. His long fingers landed on the piano and he tilted his head to look at PEI Qiqi. Then, he started to play.

She had actually heard of it many times, including when they were at their worst. But she never thought that Tang Yu learned it for her.

PEI Qiqi's heart was a little wet and she couldn't describe the feeling.

Tang Xin's little body leaned over and hugged her arm with two small hands like a pitiful little girl, " Qiqi, I don't want you to save me. I just feel awkward.

she was still young, and she couldn't say those nice words.

but pei qiqi knew.

how could she blame tang xin?

How could she not understand the pain of losing her mother? Tang Xin once really had her, but she destroyed it.

Tang Xin, can you forgive me? " She asked seriously.

tang xin closed her eyes, buried herself in her arms, and nodded hard.

"qi qi, don't abandon me." The little guy was especially insecure.

In fact, she didn't know why Tang Yu was the older brother and Qiqi was her older sister. But she instinctively wanted to be closer to Qiqi.

Her brother was good, but she was always afraid of him.

There were some things that she was only willing to tell Qiqi.

At this moment, she was also ashamed of her anger at that time.

pei qiqi's voice was soft, " of course. why would she not want our tang xin? our tang xin is so cute!"

Chapter 547 His Qi Qi is actually very smart (part one)

"I'm not cute!" Qiqi, " Tang Xin said, " as long as you don't hate me.

she cuddled like a little kitten and pei qiqi laughed.

She blinked at Tang Yu and teased, "

well, his 'hunger marketing' was indeed effective.

But the result was that Tang Xin didn't feel safe and kept pestering her.

tang yu leaned against the headboard and read a magazine for a while before pei qiqi returned to the bedroom.

He put down the things in his hands, looked up at her, and reached out his hand to her. why are you so late? "

PEI Qiqi finished her bath and her little body snuggled in his arms, " Tang Xin just fell asleep.

She looked up at him, feeling uneasy, " Tang Xin is still afraid that I'll be angry.

"little kid, you'll be fine after a while." he kissed her little neck and said in a warm voice, " " besides, you're her sister, and tang xin is a reasonable child, yingluo. "

when he mentioned 'sister', the older brother started to think too much. he pressed her down and kissed her while coaxing, " " pei qiqi, you haven't called me brother yet tonight. "

pei qiqi was lying on the pure white bed. her black hair was spread out on the pillow and some of it was wrapped around his arm. it looked soft and fragrant.

Tang Yu, doctor Mei said to control herself. her eyes seemed to be filled with tears. her little hand was on his shoulder, and she gently circled it.

He lowered his body and laughed in her ear. then, boss PEI, let's talk about serious business.

Serious business?

Before PEI Qiqi could come back to her senses, Tang Yu had already flipped to the side and chuckled, " it's about the Lin Corporation and Marvel.

PEI Qiqi sat down and looked at Tang Yu, " why do you say so? "

the contract you signed with the old man, " Tang Yu said slowly, " because you broke the contract, boss PEI, you probably won't get financial support from the Lin group. You'll have to re-bid for the Marvel project.

pei qiqi glared at him.

"there's no use staring at me!" Tang Yu's expression was lighthearted. boss PEI, I always thought you were someone who didn't like to go through the back door.

"I like it now!" her voice carried a hint of coyness.

"show me your true abilities, boss pei." he pinched her little face. "don't embarrass me."

at first, pei qiqi didn't understand what he meant. but after a while, she understood.

She also understood why he was doing this.

Because of Tang Zhiyuan, Tang Xin only stayed here for two days before going back.

PEI Qiqi was a little disappointed. In the end, they couldn't acknowledge each other and couldn't always be together.

tang yu comforted her for a while during breakfast.

PEI Qiqi came down from upstairs and sat in his car. As she fastened her seatbelt, she said, "Tang Yu, you don't have to send me. My car is here."

"please send him off!" Tang Yu waited for her to put on her seat belt and chuckled, "later on, it might not be convenient."

pei qiqi acknowledged, "next, i'm going to marvel. you're not going the same way."

How could it not be on the way?

he and she would never be on different paths.

after sending her to the pei family's building, pei qiqi placed her hand on the car door but pulled it back. she looked at tang yu suspiciously, "Tang Yu, you're not going to take back the money for this building, are you?"

"i can't afford it," she pouted.

tang yu chuckled. he reached out and pinched her face. then, he said, "isn't this a taste of your body?"

Shameless!

pei qiqi opened the door and got out of the car. when he saw that she had changed her face to 'boss pei' again, he couldn't help but shake his head and smile!

This little fool!

His gaze became a little profound. In fact, when the old man had said that, he had agreed at the time.

he wanted her to be by his side in peace. he wanted everyone to stop saying that pei qiqi wasn't good enough for him. or rather, he didn't want them to say that he was only interested in her looks.

His Qi Qi was actually very smart!

Chapter 548 His Qi Qi was actually very smart (2)

the moment pei qiqi entered the office, xiao wen hurriedly followed.

even if she didn't say it, pei qiqi knew what xiaowen was thinking.

“I know.” PEI Qiqi said indifferently, “we’ll go to Marvel to check out the situation later.”  
&Nbsp;

Little Wen’s voice trembled. this time, Jin Taihe will also be participating in the election. Moreover, the other company has sent Shen Lian. She graduated from an Ivy League school and is quite strong in the business world.

“Oh.” pei qiqi understood that the reason xiao wen acted this way was because shen lian was tang yu’s ex-girlfriend.

“It’s not like she’s going to eat me up. Look at how scared you are.” PEI Qiqi said, amused.

xiaowen continued. ” as for the shooting of the advertisement this time, marvel has already confirmed that king entertainment will be in charge of it. the companies that manage to win the election will then connect with king entertainment. ”

PEI Qiqi raised her eyes, ” why King Entertainment? ”

From what she could remember, the old master did not really like Qin Anlan.

this time, xiaowen’s gaze was meaningful. it was as if she was saying, ’boss pei, how could you not know?!’ He looked at her and then slowly said, ”because mr. tang broke one of president qin’s ribs. this is compensation!”

The compensation was quite expensive. After all, Marvel had always been generous with their advertising budget.

PEI Qiqi glanced at little Wen. She felt like little Wen said she was here to report on work, but she was actually here to gossip.

After a long time, she lowered her eyes and said, ” alright, give me the information. I’ll be going to Marvel later.

Xiaowen nodded and quickly sent the information over.

PEI Qiqi took a quick look and left with Xiaowen. The chauffeur drove her.

the marvel was a very modern building. although it was only about 20 stories high, it was located in a prime location and was a very young company under the lin corporation.

pei qiqi heard before that when this company was first established, lin jinrong was involved in a lot of planning.

now that she was here, her heart was filled with mixed feelings.

now that she was with tang yu, the person she felt the most sorry for was jinrong.

tang yu knew what she was thinking and would tell her about jinrong’s situation. but, it still wasn’t good.

After they got off the car, PEI Qiqi and Xiaowen walked side by side to the elevator. As they walked, they discussed how to deal with the situation.

The elevator door on the first floor was about to close, but the people inside probably saw them and opened it again.

When she walked in, PEI Qiqi realized that it was Qin Anlan and his entourage.

The last time they met, Qin Anlan and Tang Yu had a fight. After that, there were rumors that Qin Anlan and Tang Yu were jealous of each other and got into a fight. It made them feel a little uncomfortable when they met.

qin anlan looked relaxed and natural. with one hand in his pocket, he watched as pei qiqi entered.

The elevator door closed again.

pei qiqi wanted to f \* ck a chihuahua! she stood there without making a sound.

Xiaowen just looked at this and that.

Qin Anlan chuckled. boss PEI, the lilies you gave me when I was hospitalized were very beautiful.

“You’re welcome,” pei qiqi put on a fake smile.

qin anlan’s smile became even more charming. ” however, i’m allergic to lilies! boss pei didn’t put in any effort.”

“is that so?” pei qiqi lowered her eyes and smiled, ” my understanding of boss qin is only limited to work. so, i’m sorry. ”

qin anlan turned sideways and looked at her. after a long while, he chuckled. ” why didn’t i hear the word ‘sorry’ in boss pei’s tone? ”

Chapter 549 His Qi Qi was actually very smart (3)

PEI Qiqi raised her eyes and smiled, ” boss Qin’s intuition is quite accurate.

Xiaowen was stunned!

Qin Anlan’s attendant felt a little uncomfortable. This boss PEI was too straightforward!

Fortunately, Qin Anlan did not mind and only smiled.

After a while, he looked at PEI Qiqi meaningfully, ” ” boss pei, the surprise today might be far beyond what you can imagine. ”

pei qiqi didn’t know that tang yu had to bear the entire lin family’s burden just to marry her and be with her.

One Sheng Yuan was already very tiring, not to mention the Lin clan, which was not far behind.

the lin group was different from sheng yuan. unlike sheng yuan, which was almost a brand new company with unified management, the lin group was deeply rooted and had many subsidiaries. some were good, such as marvel, while others were bad. they were facing a transformation soon, or else they would have gone bankrupt.

all of this required a lot of effort to complete. Lin jinrong had to inherit the family business as soon as he graduated because his father’s health was not good.

now, there was no other way. the old man's meaning was very obvious. he had set a trap for tang zheng to fall into. n/ô/vel/b//jn dot c//om

as for tang yu, he willingly went in. pei qiqi didn't know about this.

When the elevator arrived, Qin Anlan graciously let PEI Qiqi go first.

pei qiqi walked quickly and whispered to xiaowen, " "be careful of him, he has no good intentions."

Xiaowen teased, " it's true that President Qin fought for you. That broken rib was for nothing.

"you thought it was for me?" PEI Qiqi snorted, " he's doing this for Shen Lian.

xiao wen did not say anything. she had clearly seen qin anlan's gaze when he looked at their boss pei. there was a different kind of passion in his eyes.

however, boss pei did not have that intention. he was also on such good terms with mr. tang. hence, she did not say much about this matter.

Qin Anlan might not even know if he did.

under the guidance of a professional, pei qiqi entered the meeting room of marvel. there were more than ten people sitting in the huge meeting room. pei qiqi knew a few of them. of course, the one she was most familiar with was jin tai he's shen lian.

Jin Taihe's family and business were huge and Shen Lian was the heir. Therefore, everyone gave way to her and let her sit at the lower end of the main seat.

When PEI Qiqi entered, Shen Lian glanced at her but didn't say anything.

qin anlan also saw shen lian. he wasn't surprised. of course, he didn't greet her. instead, he sat at the back with pei qiqi and didn't try to avoid arousing suspicion.

Shen Lian's gaze shifted to Qin Anlan's face. Her voice was a little heavy."President Qin's seat seems to be opposite mine."

qin anlan's voice was a little languid. " in what capacity are you reminding me, manager shen? "

Shen Lian felt embarrassed and did not say anything.

Qin Anlan did not make things difficult for him.

He had never been the kind of man who would be led by the nose by a woman. As for Shen Lian, she had always thought that what did it mean if they had slept together?

Did she think that he would love the past so deeply that it would still be unforgettable?

he laughed coldly in his heart but he received a look from pei qiqi.

he laughed at how silly she looked.

So, PEI Qiqi also liked to gossip.

shen lian let qin anlan off, but that didn't mean she would let pei qiqi off.

Taking advantage of the fact that the people from Marvel had not appeared yet, she sneered, " previously, Marvel and the PEI family made such a big scene, and I thought this case would be PEI family's property. I didn't expect that ran ran would be involved in it.

Chapter 550 His Qi Qi was actually very smart (4)

Shen Lian paused and pointed at PEI Qiqi, ” ” it seems that boss pei’s ability isn’t good enough. ”  
when she said the word ‘ability’, shen lian deliberately emphasized it.

the meaning was clear to everyone.

if pei qiqi ran away crying because of shen lian’s trouble, she wouldn’t be able to survive!

She lowered her eyes and smiled. Yes, manager Shen is my senior in this aspect. I naturally have to learn from you.

she retorted back, neither soft nor hard.

shen lian was a little annoyed! She also felt a little regretful. It wasn’t the first time she knew that PEI Qiqi and Tang Xin’s little mouths were sharp.

he laughed coldly. ” i don’t have the ability to teach boss pei. boss pei learned it without a teacher. he was born with it! ”

... even if she didn’t say the last word, pei qiqi could guess it.

PEI Qiqi smiled and maintained her good temper, ” manager Shen, you are too humble. However, I need to learn from your hard-working spirit.

shen lian’s punches were always off the mark and the people around her had started to talk about her bullying the weak.

you must know that for a woman, the most unbearable thing is that you are old!

she was indeed older than pei qiqi by! few years!

A young lady in her early 20s was indeed more attractive when compared to a mature lady in her 26s. Especially when PEI Qiqi had a face that could bring disaster to the country.

She narrowed her eyes and did not say anything.

pei qiqi naturally wouldn’t say anything more. she respected her seniors very, very much.

Qin Anlan, who was listening at the side, smiled.

Shen Lian wasn’t as good as before, but PEI Qiqi was a breath of fresh air!

Full firepower!

Actually, Shen Lian still didn’t understand why Pei Qiqi had the upper hand. It was because of Tang Yu’s choice.

tang yu’s choice placed pei qiqi in a different position. shen lian no longer admitted it, but he could see the uneasiness in qianqian’s heart.

what could be more terrifying than a man falling in love with someone else wholeheartedly?

You desperately tried to catch it, but you could never catch it!

Qin Anlan’s chuckling attracted PEI Qiqi’s attention. She only glanced at him once before looking away.

Because his face was filled with ill intentions.

At this moment, Wang Ziqi's assistant walked in first and smiled gently. I'm sorry for making everyone wait for a long time. However, before the meeting begins, I want to announce something to everyone.

he paused. "yes, it's a little important! the former ceo of marvel, prince qi, has entered the lin's headquarters as the vice president. as for marvel, the biggest shareholder, mr. tang yu, will take over temporarily."

the scene was in an uproar.

Everyone knew that the Lin and Tang families were in-laws, but even if Tang Yu accepted the project, he would take it to the Lin headquarters. Why would he take it to Marvel?

immediately, everyone understood that this was probably for pei qiqi.

For a moment, his gaze was a little complicated.

What was there to compete for? was there any suspense?

shen lian was the first to step forward to express her dissatisfaction. she sneered, "are you trying to turn marvel into a company that only has backdoors?"

the assistant was not someone to be trifled with. he smiled at shen lian and said, "miss shen, i would like to know where you came to this conclusion."

he looked around and said, "I think everyone in the industry knows about Mr. Tang Yu's reputation. He would definitely not be biased just because of his relationship with boss PEI."
