

Thank you 551

Chapter 551-he is overprotective

as the assistant spoke, he looked at shen lian. " according to what i've said, mr. tang and manager shen have a good personal relationship. if even manager shen thinks this way, what about the others? "

shen lian's temper was gone after she suffered a series of setbacks.

Just then, the door to the meeting room opened. Tang Yu walked in slowly with Xiao ran behind him.

his expression was calm as he walked to the conference table, sat down, and put down the documents in his hand.

The assistant bent over and whispered a few words. Tang Yu nodded and looked down, " Marvel's main product for the next season will still be electronics, so we're looking for the most professional talents, the companies that fit the concept of Marvel the best.

He looked down and said, " everyone has seen Marvel's main products. What's the best way to promote these products? "

A middle-aged CEO sitting in front immediately said, " " i don't believe that we can't take a share of the market if we invest in advertisements. "

tang zheng smiled. " then, president yang, how many overwhelming advertisements do you think we need to invest in to make the product famous? invite a celebrity? primetime slot for all sorts of broadcasts?"

President Yang's face was a little swollen. He sighed and didn't say anything.

at this moment, shen lian said,"advertisements are a must!" Then, we'll set up a Marvel counter in the well-known electronics brands in the country so that the public can experience it and recognize the advantages of Marvel."

Tang Yu nodded, " manager Shen, you're right. However, it's not detailed enough. Also, Marvel is the most advanced electronic product. If we wait for the customers to finish experiencing it, the next generation of Marvel will probably be out by then.

he paused for a moment. " nowadays, the effect of celebrities is getting weaker and weaker. not many people believe in the products endorsed by celebrities anymore. so, boss qin and i have already confirmed that this advertisement will mainly promote new faces. I don't want the public to first think of a celebrity's face when they think of Marvel. Then, did the celebrity advertise for Marvel, or did Marvel advertise for the celebrity?"

His words were very sharp, and those who were about to invite an international superstar shut up.

Tang Yan scanned the room and his gaze finally landed on PEI Qiqi's face. He said calmly, " boss PEI, do you have any good suggestions? "

pei qiqi smiled, " i haven't thought of a specific suggestion. " but i think that marvel is a high-end electronic product. in that case, the customer base will be mostly young people, mainly those born in the 80s and 90s. so, we have to invest in advertisements. should we change our way of thinking?

it's no longer the traditional tv commercial. think about it, how many young people are sitting in front of the tv now?"

boss pei, please continue. " tang yu's eyes were filled with encouragement.

PEI Qiqi stopped and reminded him, " Mr. Tang, this is a competition, isn't it? "

Tang Yu smiled. His gaze fell on her face with a hint of admiration.

shen lian sneered, " are you holding back or are you just bluffing? "

PEI Qiqi returned a sweet smile, " whoever manager Shen thinks it is, it will be.

she wouldn't fall for it. she wouldn't be goaded into blurting out everything.

she was determined to win this case.

shen lian's expression turned ugly and she did not say anything else.

tang yu asked around and had a rough idea.

most of the traditional companies were here to freeload. they felt that marvel's products would not have to worry about sales. they just needed to find a big star to shoot the advertisements and wait for the money.

Chapter 552 He is overprotective (part two)

Then, what was the point of having a general agent?

Marvel would have been able to hire people to film the advertisement and collect money.

marvel's main focus was development, while promotion had always been done by looking for agents. obviously, many company leaders felt that they could just sit back and wait to collect money.

" i hope everyone can understand that for this collaboration, marvel is looking for a long-term partner who can face the cruel market competition with marvel. if you're satisfied with the past, or if you're still unclear about marvel's philosophy, then i can only say sorry in advance. " tang yu said rudely.

It was obvious that he was not very satisfied with his performance today.

After he finished speaking, he stood up, nodded slightly, and left. Xiao ran followed closely behind.

no matter how one looked at it, there was a sense of lust.

wang ziqi's assistant walked to the conference table and put his hands down slowly. " i'm sorry, everyone. mr. tang only wants to see the results, so please prepare your plans. there will be a comparison next monday. "

The staff began to pack up lazily. It seemed like they did not buy the assistant's words.

The assistant didn't think much of it. Since he had already delivered the message, who would dare to not participate in the election?

pei qiqi also packed her things and walked out with xiaowen.

at the door, she met shen lian.

shen lian walked in her seven-inch high heels and looked down at pei qiqi, " this case will not be yours. "

"Is that so?" PEI Qiqi was gentle like a little white rabbit, " thank you for your encouragement, manager Shen.

shen lian's voice was a little low. " it's not a good thing to have a sharp tongue. " pei qiqi, other than being good at seducing men, your mouth is probably the only thing you're good at."

PEI Qiqi still looked innocent, " Tang Yu likes my sharp tongue. He said Wanwan was interesting. the little fun that he unintentionally revealed was enough to make shen lian so angry that she wanted to vomit blood.

xiao wen, who was standing at the side, was dumbfounded. was this her serious little boss pei?

"Still not leaving?" PEI Qiqi said in a low voice. She didn't want to stay with Shen Lian for too long.

Oh, " Xiaowen replied and followed him as if she was sleepwalking.

qin anlan walked to shen lian's side and said in a low voice, " "if i were you, i wouldn't make things difficult for her! You must know that if PEI Qiqi gives Jin Taihe a Pillow Talk now, his situation will become even worse. You don't care, but thinking about your inheritance, I'm sure uncle Shen doesn't want to be disappointed in you."

Ever since PEI Qiqi appeared, Shen Lian's self-control seemed to have disappeared. Her abilities had also decreased by a lot.

She really wasn't suitable to argue with a young lady who was so proud of herself.

Philosophy?

pei qiqi acted coquettishly behind tang yan's back and got the idea he was thinking about.

why couldn't shen lian understand?

Shen Lian looked at Qin Anlan.

this man used to love her so much that he was willing to be her backup.

but now, he fought with tang yu over pei qiqi and everyone knew about it.

Qin Anlan, don't you feel sad when you think about the pillow Talk she had with Tang Yu and the private things she did to Tang Yu? " she laughed coldly, deliberately provoking him!

"You think I'm like you?" he turned around and pressed her against the door. her four legs were bound by him and nailed firmly to the door. he stared into her eyes with his dark eyes."don't try to seduce me! i don't have what you want."

Shen Lian chuckled and leaned forward. Her charming red lips whispered into his ear,"what if you have something that i want?"

Qin Anlan looked at her with a cold smile on his face.

shen lian, the person you wanted was never me. it was tang yu!

Chapter 553 He's just overprotective (3)

pei qiqi walked to the elevator and the assistant respectfully said, "Boss PEI, Mr. Tang invites you over."

tang yu?

Didn't he leave?

pei qiqi was a little puzzled, but she still followed her assistant.

In a high-class office on the top floor of Marvel, Tang Yu was sitting behind his wooden desk and flipping through some documents. He was a little fast so he didn't even look at her when she walked in. He just said, "I only have two hours here."

although it was just a few short words, pei qiqi's heart ached.

She made an "Oh" sound and slowly walked over. She carefully said, "tang yu, it's been hard on you?"

"Mm! A little." he smiled and gestured for her to sit down. "i'll have about ten minutes after i finish reading this."

Oh, "PEI Qiqi replied. She sat on the sofa and felt deeply ashamed.

compared to him, her busy schedule was really nothing.

after a while, she mewled like a kitten, "tang yu, did you take on marvel because of me?"

tang yu hummed, "what can i do? My family's little fool has been set up by the old man. If I don't take over Marvel, my little fool will not get the contract and will be sad."

pei qiqi stood up and ran over to hug him from behind. she placed her face on his shoulder.

"tang yu," she said softly, "you're getting better at saying nice things."

He hummed in acknowledgment and turned to look at her with a smile. "pei qiqi, if you do this, i won't be focused on work."

she laughed on his shoulder and acted coquettishly.

tang yu patted her head, "qiqi, without you, i will still take over the lin group. but it won't be so soon."

"actually, you can pick up the call from the headquarters. you don't have to pick up the call from marvel." she said eagerly. how could she not know that he was doing this for her?

the moment she said this, tang yu's pen stopped. then, he said in a meaningful tone, "You want me to see you and the Prince together?"

"Stingy!" she lay on his shoulder, her arms wrapped around his neck. he was so entranced that he lost his soul. how could he still have the mood to deal with work?

"Qi Qi!" His voice was a little stern.

PEI Qiqi laughed and pressed her face against his shoulder. She smelled the nice scent on his body, " what can I do for you, Mr. Tang? "

tang yu took a deep breath and pulled the little person behind him into his arms.

he trapped her firmly, not allowing her to escape, and not giving her the chance to do evil.

he stared into her eyes and slowly said, " "PEI Qiqi, do you want me to teach you with my fingers?"

"ah!"

She covered her face, her little face a little red. He was too shameless!

Tang Yu simply hugged the little rascal and signed with one hand.

She, on the other hand, slowly calmed down and obediently lay in his arms, watching him deal with work.

by the time tang yu finished dealing with all this work, an hour had passed.

When he looked up, PEI Qiqi also looked up at him.

"Good girl." He lowered his head and kissed her, as if he was rewarding a little pet.

pei qiqi blushed and looked at him, " "where are you going next?"

"Let's go back to Sheng Yuan. I have two meetings to attend in the afternoon! there's a social event tonight." His voice was low and hoarse.

The reason he kept her here was that he would be so busy that he might not have much time to accompany her.

it wasn't just business, but also the wedding.

PEI Qiqi responded with an 'Oh'.

Chapter 554 PEI Qiqi, are you jealous?(1)

Tang mo packed his things, called his assistant on the internal line, and handed the document to him. pass down these instructions. Call Xiao ran if you need anything.

the assistant nodded and was also a little surprised by mr. tang's efficiency.

tang yu was already walking out with pei qiqi. as he walked, he said calmly, " "Let's have dinner together later, and at night, be good and wait for me to come home."

She caught his hint and blushed slightly. I have a business dinner tonight too.

Tang Zheng frowned. He seemed to have thought of something. do you need to drink? "

"No need! It was a client with a very good relationship, and there was a table full of people! besides, i know what i'm doing, yingluo."

At this point, her voice seemed to be more gentle than her age.

because she knew that tang yu had long since stopped smoking and drinking for the sake of the child, so she wouldn't even touch it.

Probably because she said that, he felt happy. He ruffled her hair and was about to enter the elevator.

pei qiqi pulled him back, "tang yu, isn't this too high-profile?" If I win, people will gossip."

not only did he ignore song qi, he even carried her into the elevator. "how could that be?"

As he spoke, he laughed in a low voice, "qiqi, are you very confident?"

PEI Qiqi looked at him. Her eyes were especially alluring.

She pouted her little mouth and said somewhat evilly, "i'll use my real ability first. if i can't win against manager shen, i'll quit!"

she leaned in close to his ear and said in a flirtatious voice, "i'm just a pillow talk."

tang yu coughed and tidied his clothes. his voice was hoarse, "who taught you this?"

PEI Qiqi said even more evilly, "Mr. Tang is your ex-girlfriend." &Nbsp;

tang yu's romantic feelings instantly disappeared.

Shen Lian's Jue Jue really made people worry.

he didn't say anything and just patted pei qiqi's little hand.

pei qiqi also felt a little dull and a little jealous.

it was normal for him to have an ex-girlfriend, and she wouldn't be too calculative about it. however, an ex-girlfriend who always made things difficult for her made her feel particularly distant. not to mention, this ex-girlfriend's eyes were filled with ambition, and it was written that she wanted to tear her man apart and eat him alive.

of course pei qiqi would mind.

When she got into the car, she stopped talking and sulked.

tang mo read the documents and didn't say much.

"i don't want to eat." she threw a tantrum. "i want to get out of the car."

he finally put down his documents and looked at her, "pei qiqi, are you jealous?"

"I didn't!" She turned her little face to the side.

But she didn't know that the word 'jealous' was clearly written on her face.

Tang Yu just looked at her and smiled. He hugged her and kissed her, "What are you angry about?"

He moved closer to her ear and said a few words. PEI Qiqi's face turned red and she pushed him away, "no, i'm not."

He just looked at her smile, his face full of indulgence.

in the end, they still had dinner together.

it was light and nutritious.

later on, pei qiqi realized that no matter how busy tang yu was, he would always find time to have a meal with her. only she could understand the sweetness of it.

after dinner, tang yu had a lot of things to do, so he asked the driver to take her back to the company.

He leaned against the car door, bent over, and whispered, ” “Qiqi, prepare well!”

“If you really can’t do it, you can try Pillow Talk,” he said in a lower voice.

Chapter 555 pei qiqi, are you jealous?(2)

she stared at him, the tears in her eyes making tang mo’s fatigue disappear. he leaned over and kissed her small mouth.”See you tonight.”

however, she didn’t expect that they would meet again before she got home. it was such a coincidence that pei qiqi and tang yu were having a dinner party in a restaurant.

pei qiqi was an honest child. she was indeed entertaining clients.

however, the people tang yan met were tang zhiyuan, shen zhongshan, and shen lian.

Tang Zhiyuan was here to be a lobbyist.

although tang yu’s series of actions didn’t shake jin taihe’s foundation, he didn’t look good.

at this moment, tang yu sat down and looked at tang zhiyuan. his gaze paused for a few seconds. probably because he had been through a lot recently, tang zhiyuan’s face, which had always been well-maintained, always looked a little old. he wasn’t as high-spirited as before.

Tang Yu heard that Tang Zhiyuan recently fell in love with a small star. It was before the incident with Zhao Ke. Recently, there was a lot of commotion.

That minor celebrity was actually a Virgin and claimed to be pregnant.

This made Tang Zhiyuan, who was already so old, very troubled. Besides, he still had hope for Lin Yun and he didn’t want to give up.

The small star refused to abort the child no matter how much money she was offered. She went all out with Tang Zhiyuan.

Tang Yu really didn’t understand why Tang Zhiyuan still cared about the Shen family’s business when he was in such a terrible situation.

“Tang Yu!” Tang Zhiyuan raised his glass and smiled. have a few drinks with your uncle Shen. We haven’t sat together in a while.

Tang Zheng smiled but did not move. a few days ago, uncle Shen and I had a meal at the old master’s place.

tang zhiyuan felt a little uncomfortable. the old man used to be his father-in-law. now, even shen zhongshan could go for a meal, but he didn’t even let him in.

he was a little sad and missed lin yun.

however, he knew that if he didn’t settle the small star’s matter, lin yun wouldn’t see him.

He was a little bored, and his purpose today was a little dull.

no one drank, but tang zhiyuan drank two glasses.

Shen Chongshan smiled, " Tang Yu, I'm here for a private matter. I'm not here for work.

Tang mo was a clear person and understood his meaning.

He looked at Shen Lian and smiled. it's fine if it's personal or business matters. This wine is indeed not to be drunk!

"Qiqi and I want a child," he said bluntly.

As soon as he said this, Tang Zhiyuan disagreed, " Tang Yu, how can your marriage be so sloppy? "

"sloppy?" tang yu slowly wiped his hands and looked at tang zhiyuan, " you can get the little wild model pregnant, but I can't get my future wife pregnant? "

this time, it touched tang zhiyuan's wound and he was speechless.

Because there were outsiders, some things were not convenient to say.

Tang Yu felt it was about time. He didn't know the father and daughter of the Shen family would be here today. If he did, he wouldn't have agreed to meet them.

His patience with Shen Lian had run out.

He nodded at Shen Chongshan and Shen Lian before he stood up and walked out.

It was ten O'clock at night, the busiest time of the night. As they walked along the aisle, they could hear the sounds from the private rooms from time to time.

tang yu was noble and pure.

Suddenly, Yingying was hugged by a pair of soft arms.

His body froze. Other than PEI Qiqi and Tang Xin, there was only one woman who would dare to hug him.

tang yu, don't go! " the woman behind him murmured. she pressed her soft body against him, trying to awaken his instinct.

Chapter 556 pei qiqi, are you jealous?(3)

Tang Yu's body froze and then he squinted his eyes.

"Let go." he reprimanded her, giving her the last bit of dignity.

Shen Lian didn't let go. Instead, she hugged him even tighter. Her voice was gentle, " Tang Yu, I'm not letting go! the moment i let you go, you'll be with someone else."

Tang Yu was about to break free from her but when he looked up, he saw PEI Qiqi standing in front of him with a pale face.

xiaowen was also beside her.

their eyes met.

tang yu didn't know how other men would feel when they met their mistresses, but at this moment, he felt like f * cking hell, even though it was a misunderstanding!!

shen lian hugged him from behind. her delicate face was slightly raised and she looked at pei qiqi with a hint of provocation.

PEI Qiqi looked and her gaze moved to Tang Yu's face.

his gaze was indifferent as he broke away from shen lian and walked over.

pei qiqi was stunned for a moment before she quickly ran out to take a walk.

Damn it!

Tang Yu chased after her.

Shen Lian shouted his name from behind, " Tang Yu!

tang yu didn't stop. he didn't stop for her, not even for a second.

Under the lights, Shen Lian's face was already covered in tears.

she stood there, unwilling to admit that she had lost completely.

Her and Tang Yu's relationship of so many years couldn't be compared to Tang Yu and PEI Qiqi's relationship of a few months.

She slowly knelt down and cried like a little girl.

it had been a long time since she was as willful as a little girl.

She cried so hard that her throat was hoarse. Suddenly, a piece of tissue was stretched out in front of her.

Shen Lian was stunned. She called out to Tang Yu. Then, she looked up and only saw Xiao Wen.

PEI Qiqi's Secretary!

her eyes were guarded as she looked at xiaowen. " i don't need your fake kindness. "

xiaowen sighed and squatted down. " look, your pretty little face is all over from crying. is it worth it for a man? "

Especially a man who didn't love her.

Shen Lian snatched the tissue paper from her hand and wiped her face forcefully. She almost wiped her face.

"what do you know?" was tang yu an ordinary man?

do you know how happy I was with Tang Yu? " Shen Lian's face was filled with reminiscence. you know that many people say that we are very compatible!

seeing that she was bewitched, xiaowen kindly reminded her, " the man you love doesn't love you, but you're so well-to-do. you can have many men who love you. "

Shen Lian's voice was a little crazy,"can they compare to Tang Yu?." &Nbsp;

Tang Yu, so perfect, so good!

xiaowen sighed. "no matter how good he is, he's just an ordinary man who sleeps with others every night."

She had given up on persuading Shen Lian. Anyway, this kind of rich young lady was always self-centered and the whole world revolved around her.

after xiao wen left, shen lian covered her face. however, tears still flowed out from the gaps between her fingers.

Shen Chongshan walked out slowly. He had heard and seen everything just now.

"Shen Lian, just give up!" He said in a deep voice.

Shen Lian slowly opened her eyes and looked at Shen Zhongshan in a daze.

There was a strange smile at the corner of her lips. dad, Wanwan, you want me to give up too? "

Shen Chongshan frowned. He looked at his daughter and felt that she was a little strange.

Did she know something?

shen lian continued to chuckle. she widened her eyes and looked at shen chongshan."Dad, don't you love me the most?" he asked.

"i can't force tang yu! "you're not a child anymore. Shen Chongshan's tone was a little heavy. can you stop doing such inappropriate things in the future? "

was it?

Shen Lian smiled gently and laughed with tears in her eyes.

her father had also started to be biased towards that b * tch's child!

Chapter 557 domestic violence against the noble tang zheng (1)

PEI Qiqi ran to the hotel entrance and was caught by Tang Yan.

Her small body was hugged by one of his arms from behind, and he said in a deep voice, "If you don't run, I'll let you go."

She lost all rationality and struggled, "Tang Yu, you bastard!

"Other than being a bastard, you can still say something else." he held her easily and walked towards the parking lot.

PEI Qiqi was furious. She lowered her head and bit his palm, "shameless!

tang yu's heart was heavy at first, but now he didn't know whether to laugh or cry, "pei qiqi, do you only know how to scold people with these few words? "

His hand did hurt a little from her bite, but he didn't care. He half-dragged and half-hugged her to the car.

She wanted to climb out of the car, but the door was locked. Her head fell heavily on the back of the seat, and she saw stars.

"scumbag, pervert, shameless, bastard!" As she scolded, she scolded back.

tang yu quickly sat in the driver's seat. he looked at her in the rearview mirror for a while and then fastened his seat belt, " keep scolding me. "

She placed her fingers on the steering wheel and realized that there were a few deep teeth marks on her fingers.

"pei qiqi, are you born in the year of the dog?" He held his forehead, knowing that the little guy was not easy to comfort.

However, he did not explain immediately. He started the car and drove to the Rose Garden.

PEI Qiqi's petite body sat in the back seat. She bit her finger and turned her face away from the window, not looking at him. She was full of anger.

Once they were there, he did not restrict her freedom.

PEI Qiqi ran upstairs, packed up her things, and ran downstairs.

Tang Yan stood downstairs, took off his tie, rolled it up, and put it on the sofa. He looked at her and frowned. it's not what you see.

PEI Qiqi ignored him.

then, he walked out.

" let me remind you, i threw away your car keys. there's no car here. if you want to go back, you'll have to walk for an hour before you can get a taxi. " he said slowly, then slowly sat down on the sofa and undid two buttons.

in reality, tang yu wasn't in a good mood either.

PEI Qiqi walked over, picked up her handbag, and threw it at him. The metal button on the bag scratched his handsome face and left a thin line of blood on his ear.

It was not serious, but it did not look good.

this was the first time she had laid a hand on him, and it was out of control.

PEI Qiqi's little fists pounded on his heart and her lips were tightly pursed.

He let her hit him until she was done venting and had no more strength left. Then, he grabbed her little hand and pulled her into his arms."Alright, have you cooled down? how could there be anything between you and her?"

pei qiqi glared at him,"i saw her hugging you!" mr. tang, what kind of social event is it to have a hug with your ex-girlfriend in the hotel at night?"

He smiled bitterly, knowing that she would not believe him no matter what he said.

"I didn't know she would go," he sighed.

PEI Qiqi didn't care. She had gone too far just now and she couldn't get out of the situation now.

plus, she really thought that shen lian was the danger between them. she wouldn't cling onto tang yu.

that would be useless!

if a man doesn't have you in his heart, it's no use even if you sleep beside him every night.

Moreover, the PEI family was now looking for a partnership with Marvel. So, PEI Qiqi made a bold decision.

She looked at him and raised her hand to stop him from approaching. I'll move back first!

tang yu's body sat down heavily. he held his forehead, " qiqi, you don't believe me? "

Chapter 558 domestic violence against the noble tang zheng (2)

"It's one thing to believe it or not, but it's a fact that you were hugged!" "Mr. Tang, what would you do if I was hugged by another man?" she hit him with her bag again. are we just going to let it go?"

Tang mo was silent. Of course, he would not!

He would kill the man first, then deal with her later. Whether she did it on purpose or not, he couldn't let her hug him.

PEI Qiqi knew the answer just by looking at his expression. She snorted, " "i have the same idea as mr. tang."

He grabbed her hand and PEI Qiqi was a little angry, " "Let go!"

he laughed deeply and refused to let go. pei qiqi picked up her bag and smacked him a few more times.

tang yu laid on the back of the sofa and raised his hands, " okay, okay, i'll let go. "

He looked at her with his dark eyes. Qiqi, I'll send you back.

Thinking that she didn't have a car, she agreed. She picked up her bag and walked towards the door proudly.

her little P * s wriggled. tang yu's eyes were on fire.

tonight, he had wanted to dote on her properly, but now it was all in vain.

he let out a long breath, got up, and touched his face. he had a cut.

Outside, PEI Qiqi stood beside the car. Her little face was lowered and she didn't look at him.

tang mo quietly looked at her. yes, she was angry.

He opened the car door and got into the car. With both hands on the steering wheel, he pressed the horn lightly when she did not move for a long time.

PEI Qiqi then opened the car door in a fit of pique and sat in the back.

He only shook his head and smiled at her childishness. He started the car and glanced at the rearview mirror. Qiqi, your behavior today can be classified as a tigress.

"you're worse than a beast!" she said gloomily.

tang yu continued to smile gently, " you really won't forgive me? "

"yes, i won't forgive you."

after that, no matter what he asked, she refused to say anything more.

Tang mo freely turned the steering wheel and drove to her place.

half an hour later, the car stopped.

just as pei qiqi was about to get out of the car, tang yu said softly, " Qiqi, I forgot to tell you that today is your ovulation period. suitable for mating| it was suitable for pregnancy.

her hand paused for a moment, then she glared at him. " shameless. "

She was willing to give up a chance!

at least, she was not willing to do so today!

Tang Yu sat there, his fingers on his forehead. He sighed. Even Yingying couldn't lie to him about this. It seemed like she was really angry!

then, he followed her upstairs.

PEI Qiqi ignored him. When she opened the door, Tang Yu suddenly grabbed her hand.

the next second, she was forced against the door.

tang yu's palm covered her small hand and his body was pressed tightly against hers. what was even more outrageous was that he stuck one long leg between them and didn't let her move. because if she moved, he would raise his leg ...(indescribable)

"Tang Yu, let go." PEI Qiqi struggled furiously, but it was all in vain.

the hair on her forehead was wet with sweat and stuck to her forehead. she looked up at him in a sorry state.

tang yu's body leaned forward and his long legs lifted slightly. as she moaned, he asked in a low voice, ""when will you forgive me? Hmm?"

actually, there was nothing to forgive or not to forgive. there had never been anyone else between them.

PEI Qiqi's little hand turned away and ignored him.

when she ignored him, he felt that it was boring.

however, she underestimated tang yu. his long legs continued to move upwards and it made her hair stand on end.

she was covered in sweat, but she still held it in and did not make a sound.

Chapter 559 Domestic violence against the noble Tang Zheng (3)

" baby, tell me, when do you plan to forgive me? " his face was close to her ear as he muttered.

his masculine aura was extremely alluring.

pei qiqi gritted her teeth. her voice was so light that it didn't sound like her own, " "i won't forgive you."

“then i’ll just have to wait patiently.” He chuckled and let go of her.

pei qiqi’s hand drooped and her body was still pressed against the wall. she felt soft.

He’s despicable!

After teasing her like this, he didn’t want her just because he said so.

her eyes were as moving as water. she bit her red lips and pressed her small hand against the wall, looking at him just like that.

tang yu pinched her cheeks. ” goodbye, boss pei. ”

When he kissed her just now, he was calling her little darling. Now, he was calling her boss PEI.

pei qiqi was so angry that she kicked him. tang yu turned around and glanced at her. he didn’t mind and just smiled. he quickly went downstairs.

pei qiqi’s little face blushed and she calmed down for a long time-

this bastard! she did not want to forgive him.

However, she wanted to get pregnant. What should she do?

pei qiqi couldn’t think of anything even if she pulled her hair.

To lure him?

get him drunk?

no, no, no!

PEI Qiqi never thought that one day, Tang Yu would use hunger marketing on her!

she finally opened the door and went home, and answered a phone call from tang xin.

That heart-wrenching feeling was as if she didn’t care about her pride and wanted to drag Tang Yu back to Yingying to do something that could make her pregnant.

Tang Xin finally said she was sleepy and hung up the phone.

pei qiqi took her clothes and went to the bathroom. while she was soaking in the bathtub, she looked up at the ceiling.

in her mind, she kept thinking about what happened tonight. she thought about how shen lian hugged tang yu.

In the middle of the night, when no one was around, PEI Qiqi finally admitted to herself that she cared a lot.

She cared that he had a past with Shen Lian. She cared about him and was hugged by Shen Lian.

He kicked his legs unconsciously and let out a long breath.

It turned out that she was such a petty person.

of course, when she asked herself if she had ever doubted him or if her trust in him had wavered, she really didn’t.

she wasn't that stupid. she wasn't so sure when he was going through so much trouble to be with her.

but she was still angry.

and she felt that she had the right to be angry, yingluo.

pei qiqi sat in the bathtub and walked out. she dried her body and moisturized her mouth before putting on a bathrobe.

While she was lying in bed, she received a call from Tang Yu.

"You're home?"

he hummed in acknowledgment and then asked her in a meaningful tone, "Did you miss me?"

"no, i didn't!" pei qiqi reminded him, "mr. tang, don't forget that we are in a cold war."

tang yu hummed again, "that's true!"

PEI Qiqi thought he was going to hang up but Tang Yu stopped her. With a smile, he asked seriously, "Qiqi, you really didn't miss me?"

"no, i didn't!" she hung up the phone in embarrassment.

Even though he had hung up, she seemed to be able to hear his low laughter.

it was too detestable.

PEI Qiqi's face was burning like fire. She mumbled that she actually wanted to.

She covered her head with the blanket to stop herself from thinking about it.

later, she opened her eyes and went through the pei family's case before falling asleep.

the next day, she naturally didn't have enough sleep. when she went to the company, xiaowen said that she looked particularly listless and even looked at her with a kind of hair-raising gaze.

PEI Qiqi glared at little Wen. Little Wen then looked away and whispered, "we have a guest."
Guest?

PEI Qiqi looked at Xiaowen with suspicion in her eyes.

Xiaowen's voice became even softer. it's Jin Taihe's Mr. Shen. I made the decision to let him into boss PEI's office because he's of high status. He just went in.

pei qiqi looked at xiaowen and forced a smile, "go and make a cup of tea. bring my dad's favorite tieguanyin tea."

Xiaowen nodded and opened the door for her.

pei qiqi went in. when the door closed, her eyes fell on the figure standing by the wall. from behind, he stood tall and straight. she couldn't tell that he was in his early 50s.

shen chongshan, who was looking at pei minghe's painting, probably heard the sound of her entering. he slowly turned his head and looked at pei qiqi quietly.

she and pei minghe indeed did not have any similarities, even their expressions were different.

pei minghe was such a good old man, but he could actually raise such a stubborn child.

“Can I call you Qiqi?” Shen Zhongshan finally smiled.

pei qiqi smiled and walked to the sofa. she gestured for shen zhongshan to sit down, ” ” of course. tang yu calls you uncle. ”

Her position was made clear in one sentence. Shen Zhongshan’s expression was a little complicated. After sitting down, Xiao Wen came in with a teacup. She took a careful glance, put down the teacup, and left.

pei qiqi looked at shen zhongshan. ” uncle shen, this used to be my father’s favorite. ”

Shen Chongshan took a small sip and smiled, ” “pei minghe has taught you well.”

pei qiqi’s eyes drooped and she smiled, ” “maybe.”

Shen Chongshan’s eyes were fixed on her little face. PEI Qiqi looked up and her eyes stopped.

she was a little surprised, and then she didn’t know how to respond.

After all, the other party was an elder, and his status was so special.

Shen Chongshan looked at her beautiful face, especially when she lowered her eyes just now. He was a little dazed for a moment and actually called out Zhao Ke’s name, but his voice was a little hoarse and deep.

pei qiqi felt like she heard zhao ke’s name, aww.

She was a little surprised. She looked up at Shen Chongshan and asked, ” what did you call me? ”

she asked with great difficulty. she was afraid that she had heard wrong, but she would rather she had heard wrong.

Shen Chongshan came back to his senses. The muscles on his face trembled a little as he forced a smile. I mean, you look a little like Zhiyuan’s ex-wife, but she has passed away.

PEI Qiqi’s lips trembled. Since Shen Zhongshan said that, it meant that he knew about it.

For a moment, she was speechless.

because she couldn’t understand why the man in front of her was here. was he trying to use her identity as zhao ke’s daughter to persuade her to leave tang yu?

shen chongshan saw the wariness in her eyes and smiled helplessly, ” you don’t have to worry that i’m here to ask you to leave tang yu. besides, i don’t have the right to do that. ”

“then, can you tell me why you’re here?” pei qiqi lowered her head, “it’s not just to drink a cup of tea from me, right?.”

shen chongshan sighed in his heart. if that was the case, so what?

but there are some words that can never be said.

he looked at pei qiqi, cleared his throat, and said with some difficulty, ” ” shen lian was too stubborn last night. zhiyuan asked tang yu out but tang yu didn’t know shen lian and i were there. ”

pei qiqi looked at the elder in front of her. he was more easy-going than the old man and he wasn't as sharp as tang zhiyuan. however, she knew that shen zhongshan wasn't a simple person. if he was simple, jin taihe wouldn't be ranked second in B city or the entire north.
