Chapter 561 An unbearable scene (1)

pei qiqi laughed, "uncle shen really didn't need to make this trip today. tang yu already explained everything to me."

shen chongshan also smiled. "it's good that you've explained."

PEI Qiqi didn't want to be rash, but she still went straight to the point, "if mister shen has anything to say, you can just say it. zhenzhen does not need to beat around the bush. However, I Won't Back Down on the Marvel case."

"Of course," Shen Chongshan's eyes were gentle. I'm here. Perhaps I'm really here to ask for a cup of tea and a few words of gossip. little girl."

PEI Qiqi was stunned. She didn't dare to believe it.

Shen Chongshan had already stood up. I still have something to do. I won't disturb you any longer! as for shen lian, i will convince her."

PEI Qiqi watched as he walked to the door and couldn't help but ask, "why?"

Shen Chongshan's body froze. He stood there for a long time before he turned around. He still looked calm. I'm doing this for my daughter.

pei qiqi smiled, "i know."

shen chongshan's expression was complicated. qiqi, you don't know.

but how could he say those words out loud?

In the end, he still left.

the door closed and pei qiqi sat alone for a long time. when little wen came in to clear the tea, she was still in a daze.

boss pei, i have a meeting later." Little Wen reminded him in a low voice.

only then did pei qiqi come to her senses,"oh."

The main topic of the meeting was the Marvel competition. PEI Qiqi formed a small group during the meeting.

there were six people in total-her, xiaowen, two employees from the planning department, and two from the advertising department.

There was a man and a woman in the Planning Department and two women in the advertising department. After the meeting ended, PEI Qiqi had another small group meeting and handed out the documents from Marvel.

"this time," she said slowly, "we're not only facing traditional companies, but also a strong opponent like jin taihe. so, we have to come up with a bright idea."

As soon as she finished speaking, the beautiful Xiao Gao from the Planning Department frowned. boss PEI, we can't beat Jin Taihe. Jin Taihe has gathered the best planning talents in the industry.

“however, they might not have any intentions.” pei qiqi interrupted her. “ if it’s like what you said, the other companies don’t need to participate. wouldn’t it be easier to directly make a deal with jin taihe? ”

Xiao Gao did not say anything more.

PEI Qiqi paused. I know it’s hard. But if the PEI family doesn’t even have the courage to try, it means that they will never be able to walk out of such a small structure. They would also forever live on the charity of others.

Of course, PEI Qiqi wouldn’t say the last sentence because it would hurt her.

next, they discussed the relevant progress and division of labor.

When the meeting ended, it was already noon. PEI Qiqi brought Xiaowen out first.

as xiao gao watched them leave, he started to complain, “I’m going to work overtime to death this time!”

“i haven’t been this tired in a long time,” anna from the advertising department said as she lay on her stomach.

that’s right. When the old president was still around, life was never so difficult. He was paid a full salary and did things easily. It was not like this. Xiao Gao rolled his eyes. if there’s someone else, I really want to throw these documents at her face. I’m not doing it.

dink, who was in the planning department with her, smiled. “ ” before you have the courage, i advise you to come up with something that will satisfy boss pei. ”

Xiao Gao looked at dink and said somewhat sourly, “ ” i think you only think that she’s pretty, but you can only look at her. you should look at the person behind her. ”

Chapter 562 an unbearable scene (2)

dink was a little patient. “ xiao gao, don’t forget that you’re working at the pei family now. ”

xiao gao glared at him. “ then you can be a lackey for life! ” After she finished speaking, she left in her high heels. The people at the scene looked at each other-

there was something wrong with xiao gao’s mood.

should i tell boss pei? anna couldn’t make up her mind.

The other person from the advertising department smiled and said, ‘Xiao Gao said it himself. Who is behind boss PEI? It’s fine, what storm can there be! besides, boss pei might not be that stupid.”

anna calmed down and thought that it was true, so she didn’t say anything more.

On the other side, PEI Qiqi and little Wen entered the office. Little Wen couldn’t help but say, “ “boss pei, you’ve mentioned xiao gao before. you said that she didn’t meet the company’s requirements and wanted to fire her. why did you let her participate in such a major project this time? you must know that if she has any other thoughts, she can sell the company in minutes.”

pei qiqi sat behind her desk and smiled, “ i was afraid she wouldn’t sell it. ”

Xiaowen was stunned.

PEI Qiqi raised her eyes and looked at Xiaowen. She slowly said, " " jin taihe's manager shen must be more determined than i am, so it's impossible for her to not take action. in that case, i'll open the pei family business to her. "

Xiao Gao was the gap in the PEI family's defenses and was also the safest place in the Kasaya.

Xiaowen didn't expect PEI Qiqi to be so two-faced. After a long time, she finally said, " stealing company secrets is going to jail.

PEI Qiqi laughed, " do you think Xiao Gao is that stupid? she won't cause any accidents?"

Xiaowen suddenly felt that her four years of working experience had become a rookie in front of boss PEI, who was in his early twenties.

yes, she couldn't be blamed!

It must be Mr. Tang's teachings. Yes, it must be!

xiao gao thought about it and felt balanced.

pei qiqi opened the document and said in a low voice, " "i'll be a little busy from now on, so you should keep an eye on the team."

xiaowen nodded, leaned over, and said somewhat eagerly, " boss PEI, you're going to personally design a proposal? "

pei qiqi nodded.

Xiaowen quickly took a few steps back and staggered.

pei qiqi didn't raise her head and just smiled, " Xiaowen, I won't let you get caught. You didn't do anything bad.

Xiaowen scratched her head and thought, it's better not to know! don't worry, boss pei. i'll definitely keep this a secret."

"I trust you," PEI Qiqi laughed, " Oh right, give King Entertainment's CEO Qin a call. Tell him that I have something to talk to him about.

"aren't you afraid that mr. tang will be angry?" xiaowen asked with a smile, holding the documents.

pei qiqi glared at her and xiao wen didn't dare to say anything more.

Xiao Wen went out. PEI Qiqi had her lunch and didn't take a break. Instead, she started thinking of a plan.

She wrote and denied countless of them, and threw them all into the trash can.

She kept feeling that something was missing.

The word 'Marvel' was something she had almost achieved in her dreams.

She had chosen to meet Qin Anlan two days later. She had gone to King Entertainment's headquarters alone.

this was pei qiqi's second time at KING entertainment. her mood was completely different from the first time.

qin anlan's secretary opened the heavy wooden door for pei qiqi. the door opened wide, and the scene inside was something that pei qiqi would never forget for the rest of her life.

PEI Huan was lying on the office table, her clothes disheveled. The person who was lying on top of her was none other than Qin Anlan.

The two of them were hot and sweating profusely!

pei qiqi stood at the door while qin anlan closed his eyes and enjoyed himself.

his secretary reminded him uneasily, " "boss qin, boss pei from the pei family is here."

Chapter 563 An unsightly scene (3)

qin anlan's body stiffened for a moment, then he quickly left pei huan without a trace of reluctance.

pei huan wanted to hug his neck, but qin anlan avoided her.

he tidied his clothes and looked at pei qiqi who was at the door. he smiled lightly, " "Boss PEI is very punctual."

pei qiqi's gaze was still on pei huan. although she knew that pei huan had fallen, she never thought that pei huan would do such a thing.

She didn't care about her reputation anymore. She only cared about her goal.

pei qiqi roughly guessed what qin anlan meant, but she really didn't believe that he would be so preposterous.

pei huan lazily got up from her desk and pulled up her skirt. she looked at pei qiqi, " "What a coincidence,"

PEI Qiqi's eyes were still on her.

pei huan's face was still filled with lust. she curled her lips and looked at pei qiqi. soon, she came over and her expression changed from lazy to fierce, " PEI Qiqi, don't try to convince me with your preachings. If you still have a conscience, then return the PEI family to me.

"I won't give you my father's blood and sweat." PEI Qiqi stood up. All the blood in her body was frozen.

pei huan's lips curled up. she took out a long and thin cigarette and lit it up. she took a puff and blew it on pei qiqi's face. she said frivolously, " " then you're willing to watch your father's daughter being pressed down by another man? "

PEI Qiqi looked at PEI Huan and said, " "That's your choice."

PEI Huan's choice was wrong again and again.

not just the pei family alone could help her. she was so depraved that she could squander the pei family's money in two years.

"Yes, it's my choice!" "Who told my mother to raise such an ungrateful person?" PEI Huan's voice became agitated.

pei qiqi looked at her and didn't say anything. it was a lie that she didn't feel bad.

PEI Huan was her father's daughter after all, but now, Hanhan had become like this!

Her sympathetic gaze probably triggered PEI Huan as she took a few puffs of her cigarette and laughed, " "don't be so smug, pei qiqi! until the end, no one will know who will be the one to sympathize with who!"

"Enough!" "I don't like women who talk too much," Qin Anlan said in a displeased tone.

PEI Huan did not dare to make another sound. It was obvious that she was very afraid of Qin Anlan.

PEI Qiqi looked at Qin Anlan and said calmly, " "president qin, can we have a private chat?"

Qin Anlan smiled lazily.

pei huan moved closer to pei qiqi and said in a low voice, " "pei qiqi, we're the same! Sell the same! but let me remind you, don't let qin anlan eat you up. if that happens, will tang yu still want you?"

pei qiqi stood up straight, " that day will never come. "

because she was a human, and she had a bottom line.

PEI Huan laughed, and her laughter was a little ear-piercing!

after she left, qin anlan's assistant closed the door again.

in the huge office, there was still a sense of nostalgia that did not dissipate.

qin anlan sat on the sofa naturally, as if he didn't care about this matter anymore. he looked at pei qiqi, " " boss pei is looking for me. is there something? "

pei qiqi's lips moved. " i think i've already gotten my answer. "

Qin Anlan smiled slightly and turned his handsome face to look at her. boss PEI is so smart.

"do you want to destroy KING entertainment or marvel? or perhaps, it's me?" pei qiqi slowly walked in front of him and looked down at qin anlan.

he laughed. " what do you think, boss pei? "

"you will only think that pei huan is my weakness." PEI Qiqi was expressionless. but President Qin, you're wrong. I have nothing to do with PEI Huan.

Chapter 564 an unsightly scene (4)

qin anlan held a glass of red wine in his hand and played with it with his slender fingers. he chuckled and said, " "what a cruel and petty person."

he looked at her. " i promoted pei huan as the female lead of the advertisement. it's considered fulfilling her wish. how can you call it destroying her? "

"you know what she's been infected with? any scandal would be enough to destroy her!" PEI Qiqi gritted her teeth.

qin anlan made a shushing gesture at her, then smiled gently. ” ” boss pei said that he doesn’t care. he’s so agitated that people will misunderstand. ”

pei qiqi looked at his hateful face. then, her eyes fell on the glass of red wine in his hand. she snatched it over and splashed it on his face.

qin anlan’s face instantly turned into a mess.

however, he continued to sit there in a noble manner. he didn’t even wipe his face, and just let the wine drip down.

they fell drop by drop! it slid past his sexy face and flowed into his shirt collar.

his deep eyes locked onto pei qiqi. she stood there and pursed her lips.

” boss pei, you’re really not that smart. ” Qin Anlan looked into her eyes, and there was a faint spark. there’s only the two of us here. It’s easy for me to do anything to you!

PEI Qiqi laughed, ” that’s right, there are two of us. However, my phone is connected to my Secretary. So, boss Qin, if you do anything, I can guarantee that you will be charged for sexual harassment in less than five minutes.

Qin Anlan squinted his eyes and smiled faintly. ” five minutes is enough to do a lot of things. boss pei should know this better than anyone else.

“you can try.” pei qiqi tilted her head and laughed, ” i don’t think president qin is that stupid.”

As she spoke, she looked at him, and the bright light in her eyes made him unable to look away.

Did Tang Yu see her expression before?

It was a little mischievous and a little naughty. That smile was curled on her lips, but it made one want to pick it up and treasure it in the palm of one’s hand.

while qin anlan was still in a daze, pei qiqi slapped him, ” scum! ”

after she was done, she left. the door opened with a ding and closed with a ding.

qin anlan was left sitting there in a daze.

After a long time, he touched his face with his hand. | it was a burning pain.

Perhaps, many people said that he was ruthless, unscrupulous, and dissolute ...

However, no one had ever said that he was scum!

qin anlan had nothing to do with scum like him, yet pei qiqi was scolding him like this!

his secretary rushed in and was stunned when she saw the fingers on qin anlan’s face and the wine dripping from his hair.

“boss qin, do you want to get boss pei back?” she stammered.

“No need!” qin anlan raised his hand and looked at his secretary. ” “you’re not allowed to tell anyone about what happened today!”

being splashed with wine and slapped by a little girl, these things naturally could not be known by others.

the secretary nodded in fear.

when pei qiqi walked into the elevator, she saw pei huan inside as well. it seemed like he had been waiting for her for a long time.

“pei qiqi, you can’t destroy it.” PEI Huan puffed. boss Qin usually doesn’t change his words.

pei qiqi lowered her head and smiled. then, she looked up at pei huan, ” ” do you think of qin anlan as your last life-saving straw? ”

pei huan glared at her and did not say anything.

“Do you understand the grudges between him, Tang Yu, and Shen Lian? you can still take this advertisement? I can kill you in minutes.” pei qiqi’s voice was stern.

Chapter 565 an unsightly scene (5)

“Am I not miserable enough now?” PEI Huan did not care. At least, President Qin will give me money.”

pei qiqi looked at pei huan like this and couldn’t help but think back to how she and pei huan bickered when they were young.

back then, although pei huan was mean, she was still a decent girl.

She closed her eyes. can’t you just quit drugs and live a good life? ”

“it’s here again!” pei huan laughed coldly, “pei qiqi, put away your saintess act!” Take care of yourself. Oh right, I heard that Zhao Ke’s Jiaojiao girl is seriously ill. You must feel bad for her! What, you can’t save her?”

pei huan’s slightly thick face inched closer to her. ” i’m your sister too. why don’t you have any good intentions towards me? ”

“My good intentions were all fed to the dogs by Auntie!” PEI Qiqi was expressionless.

the elevator reached the first floor and she stepped out. pei huan shouted from behind, ” “pei qiqi, i won’t quit!”

then, she laughed, “tang yu already knows you’re here, hanhan.”

pei qiqi turned around and quietly looked at pei huan, ” “if he doesn’t believe me, then he’s not worthy of my love.”

just like that night, when she saw shen lian hugging him, she was angry but she believed everything he said.

Because she believed that he loved her and would not do anything that would make her sad or embarrassed.

pei huan was stunned and the smug smile on her face froze.

PEI Qiqi looked at her and asked softly, "pei huan, do you know what it feels like to love someone?"

"i've forgotten!" pei huan's expression was a little ugly.

She wanted to smoke again, but after searching for a long time, she couldn't find a cigarette box.

the unrestrained life made pei huan look a few years older. she was the same age as pei qiqi but she looked like she was 25 or 26 years old.

She was a little annoyed and looked up at PEI Qiqi, "PEI Qiqi, what about you? don't you like jinrong? didn't she quickly run into tang yu's arms?"

she laughed coldly and walked into the elevator. the elevator door slowly closed in front of pei qiqi.

pei qiqi just looked at him and her eyes felt hot.

Her life on Qingshui Road seemed to have been rewound, and she had a hard time.

however, she still felt a little sad. pei huan could have had a perfect life.

if she knew how to love someone, she would not be like this. jinrong was not stone-hearted, but pei huan was not willing to wait.

In the car, PEI Qiqi was still in a daze.

Suddenly, she missed Tang Yu and the warmth he gave her.

just then, her phone in her bag rang. she picked it up and saw that it was tang yu.

I heard that you went to look for Qin Anlan, " he said in a clear and elegant voice.

hearing his voice, pei qiqi felt the darkness in her heart dissipate.

He even felt a little happy. Mr. Tang, do you want to have lunch together? "

"Well, it depends if there's any desserts for lunch." on the other side, tang zheng pulled his tie and suddenly felt a little restrained.

pei qiqi snorted, " i'll come and find you later. "

he then hung up the phone and drove to sheng yuan's building.

This was the first time PEI Qiqi went to look for Tang Yu as his girlfriend. Besides, it was weird to pick up a man for lunch.

However, Tang Yu sat beside her and fastened his seat belt, "Where to?"

PEI Qiqi tilted her head and looked at him, "you don't mind going to a normal restaurant, right?"

She knew that he had never exposed himself much, and he rarely ate at cheap restaurants.

"I don't mind," Tang Yu smiled and closed his eyes.

Chapter 566 an unbearable scene (6)

PEI Qiqi started the car and said strangely, " "i thought you'd come to me first."

"we'll calculate after eating!" tang yu's eyes were still closed, " i'm a little tired now. "

As he said this, he rubbed the space between his eyebrows. His fingers naturally pulled off his tie and unbuttoned two buttons.

His shirt was slightly open, revealing his beautiful collarbones and his slightly moving Adam's apple, which was extremely sexy.

PEI Qiqi turned her head and coughed, " Yueyue was very tired last night.

"Yup! i've been reading documents all night." he smiled. " qiqi, call me when we arrive. "

She didn't say anything else. Although she knew that he was more or less pretending, she still couldn't help but feel a little gentleness in her heart.

The car drove more steadily, and ten minutes later, it stopped in front of a private restaurant.

after parking the car, pei qiqi unbuckled her seat belt and looked at tang yu.

he seemed to be asleep. from the side, his facial features were more three-dimensional and beautiful.

As she looked at him, a strong arm suddenly wrapped around her waist.

then, she was carried over and sat on his lap. she punched his shoulder angrily."tang yu!"

He laughed in a low voice and did not open his eyes. He just pressed her down and pressed her against his body.

Qiqi, I'll get off later. Do you think I can get off now? " He moved slightly, letting her feel the change in him.

pei qiqi bit her lip and glared at him, " Tang Yu, weren't you asleep? "

"how can i fall asleep with you around?" He laughed softly and hugged her. Qiqi, be good and don't move. It'll be fine in a while.

PEI Qiqi pouted her lips and didn't dare to move anymore. She leaned on his shoulder.

after a while, she raised her head and asked pitifully, " tang yu, are you done? "

"not yet!" He laughed even more happily.

pei qiqi's little hands wrapped around his waist and she nibbled on his heart. her voice was like a little lamb, " then hurry up. " I'm hungry."

tang yu lowered his head. his voice was a little warm, " then should i feed you? "

she chuckled and bit his heart hard.

Tang Yu's heart was soft. The anger that he tried so hard to suppress came back. He held her little head and lowered his head to kiss her on the lips.

she also obediently let him kiss her. that little look made him want to kill her.

After a long time, he let go of her small mouth, but he still kissed the corner of her mouth, as if to comfort her.

” tang yu, you’re doing that again. ” her voice was muffled.

he smiled and opened the car door for her to get out. he took off his coat and placed it on his arm. ” let’s go. it’ll be done in a while. ”

He was noble and there was nothing unusual about him.

PEI Qiqi followed him into the dining room. The dishes on the table were not bad, but she didn’t eat much.

tang yu looked at her. ” what’s wrong, qiqi? ”

From the moment she took the initiative to ask him out for dinner, he knew that she had something on her mind.

PEI Qiqi raised her head and looked into his eyes. After a long while, she said, ” “it’s pei huan!”

lowering her eyes, she looked at the food on the plate and said in a low voice, ” “When I went over, I saw her with Qin Anlan! Tang Yu, you know about that, right?”

She looked up again.

Tang Yu nodded. he roughly knew about qin anlan’s actions.

In the past, it was probably because of Shen Lian that he was a little disappointed with women. Later on, he did not even treat women as humans anymore. From what she said, he could guess what had happened.

Chapter 567 An unsightly scene (7)

PEI Qiqi pursed her lips, ” the endorsement for Marvel will be endorsed by PEI Huan.

tang yu took a piece of her favorite vinegar fish for her, ” you’re scared? ”

Qin Anlan was clearly here for Qiqi. PEI Huan was like a time bomb. No one knew when it would explode.

Qin Anlan clearly knew about it, but he still did it in such a way. He was probably trying to make things difficult for Qiqi!

however, this was also qin anlan’s prediction that marvel would choose the pei family in the end!

“i’m not afraid!” PEI Qiqi sighed. I just feel that PEI Huan’s actions make my heart hurt.

the family that was once not warm, pei minghe was gone. zhou meilin went crazy in prison. pei huan aborted the child and walked on this path.

Tang Yu, I suddenly have a feeling that I’m happy. But I’m a little lonely.

The people around her-those she loved, those she didn’t love, and those who hated her-had all left. as she said this, she looked a little disappointed.

Tang Yu reached out and patted her little head, " Qiqi, you still have me and Tang Xin.

"If you're willing to act like a spoiled child, even my mother will treat you like a little girl." He smiled.

"Really?" She looked at him carefully and thought of acting coquettishly with Lin Yun.

"Of course." he laughed again. " it's almost time to eat. "

only then did pei qiqi finish her meal and drive him back to the company. when they reached sheng yuan's building, pei qiqi sat in the car and watched him get out. she glanced at him, " don't think that i've forgiven you. today, we're just having a normal meal. it doesn't mean anything. "

Tang Yu had already gotten out of the car. He bent over to look at her and saw her proud expression. He couldn't help but feel amused and angry.

He knocked on the window with his long fingers and smiled. PEI Qiqi, let me remind you. Your ovulation period is almost over.

pei qiqi's frustration was washed away in an instant. seriously, what ovulation?!

Tang Yu's voice was low and hoarse like a killer weapon. Even the usually noble Mr. Tang was serious when he said these private words, " "The ovulation period is also the eye-opening period for women! Qiqi, I didn't say anything wrong, did I?"

PEI Qiqi glared at him!

he straightened his body happily and gestured for her to drive slowly. then, he turned around and walked to the lobby.

shameless!

pei qiqi glared at his back and drove the car away.

in the living room of sheng yuan, xiao ran was waiting for tang yu at the door. as he walked closer, xiao ran followed closely, " "President, the wedding dress has been confirmed with the designer in Milan as per your instructions. It will be sent back by air next week."

She paused for a moment before continuing. GM hotel has also closed for business. The designer's proposal has been completed. It's in my hands now.

Tang Yu nodded and walked into the elevator with Xiao ran.

when he arrived at his office, he looked at the proposal and was very satisfied.

of course, he also knew that these were the results of xiao ran going first. tang yu looked through the photos one by one and smiled, " "i'll raise your salary next month by three tiers."

xiao ran was overjoyed. " thank you, president. " give out more wedding candy."

"naturally," tang yan smiled and put down the things in his hands. " let them prepare first. i'll take qiqi to try it on tomorrow. "

xiao ran also smiled. " alright, i'll go out first. "

after she left, tang yu looked at the photo again.

He was very busy now. Sheng Yuan and the Lin family's Affairs. Although he had only taken over Marvel on the surface, Wang Ziqi still had to report many things to him after he took over.

Chapter 568-critical strike on the white lotus, face smacking slap slap slap slap slap!(1)

it wasn't wrong for tang yu to say that he was extremely busy every day, but when his little girl said she wanted to have lunch with him, he agreed without hesitation. no matter how busy he was, he couldn't neglect his little girl who was ovulating.

When she thought about this, she laughed. Qianqian didn't even know how to give a Cold War to PEI Qiqi.

It was probably because the power of the one hundred million Yuan from before was still there! Although she was fierce at times, most of the time, she did not dare to talk back to him.

The Cold War was so cold that it had a different taste and was sweet.

They didn't see each other day after day, and they only had dinner. The girl during her ovulation period didn't let him have his way. Even when he sent her home after dinner and kissed her in the car until her whole body heated up, she would still push him away with a red face.

.....

a week later, pei qiqi held a small group meeting and listened to xiao gao and ding ke's progress. anna and the others were also listening.

Xiao Gao was particularly enthusiastic, almost giving the credit to himself for dink's late-night project.

Dink held back.

PEI Qiqi suggested a new plan and left the matter to Xiao Gao.

After they left, Xiao Gao looked at dink. this is how the workplace is. I'm more experienced than you, so it's inevitable for newcomers to be at a disadvantage.

"is that so?" Dink was very young, only 26 or 27 years old. He had worked for the PEI family for more than a year after graduating from university, so he was indeed not as experienced as Xiao Gao.

he packed up his things and looked at xiao gao deeply, " "I don't think you'll be able to peek at other people's things forever."

Xiao Gao smiled and watched him leave.

in fact, she was not optimistic about the pei family's business at first, but she did not expect dink's proposal to be so good and in line with the market. thus, she felt that this was a chance for her to become famous.

as she had expected, boss pei was satisfied.

in that case, she would just take over and do it well.

Xiao Gao chuckled. In fact, it was nothing much. She was also dink's boss. It was normal for her subordinates to have their ideas taken away.

there were two more days before the creative meeting. she put in a lot of effort to work overtime and followed pei qiqi's instructions.

When he passed it to PEI Qiqi, PEI Qiqi nodded, " "Very good! xiao gao, i'll leave this with you. tomorrow, you'll go to marvel with me. "

Xiao Gao was a little surprised.

boss pei's confidant had always been xiaowen. he actually wanted her to go with him tomorrow.

"what, you're not willing? You've been doing well at work recently!" PEI Qiqi smiled and tidied up her desk to get off work.

Xiao Gao immediately returned the smile, " how could that be? I just didn't expect boss PEI to think so highly of me! previously, i thought that boss pei didn't really appreciate me. that's why i'll work hard in the future, yueyue."

pei qiqi nodded,"okay." Go down first and perform well tomorrow."

Xiao Gao went out.

PEI Qiqi stared at the closed door, stunned.

After a long time, Xiaowen came out of the lounge and stuck her head out. boss PEI, Xiao Gao looks very sincere. I don't think he'll betray us.

"it's best if you don't!" pei qiqi lowered her eyes and smiled, " xiao gao, the news that i'm going to marvel together with you will definitely spread. shen lian will definitely take action. "

" boss pei, are we really going to hand over dink's hard work? " Xiaowen asked hesitantly.

pei qiqi opened her drawer and took out a cd, " "this is dink's true level. Little Gao's idea was just a classic idea that dink borrowed from the past, but little Gao couldn't even tell. You can imagine how lazy she has been all these years."

Xiaowen just sighed and didn't say anything else.

Chapter 569 Critical hit on the White Lotus, face smacking slap slap slap slap slap!(2)

in marvel's conference room.

Tang Yu sat at the head of the table and scanned the room. In the end, his eyes landed on PEI Qiqi.

however, it only stopped for a few seconds before he moved away. his voice was clear and elegant."this time, the competition will not be open to the public. we will first eliminate some of the companies that marvel thinks are completely unsuitable, leaving five companies for the final contest.

" of course, some people will think that my relationship with boss pei is personal. that's why this review will be carried out by marvel's special department. i'm only responsible for the final review. after tang yu finished speaking, he turned to shen lian, " manager shen, is there a problem? "

shen lian knew that his words were directed at her. she forced a smile and said, " of course not. "

tang yan smiled, but he did not lose his dignity as he scanned the crowd. " so, no matter what the result is, i hope that there won't be any bad rumors. not only will marvel not dare to work with a company like this, but even sheng yuan will not dare to do so. "

Shen Lian gritted her teeth.

after tang yu finished speaking, he gestured for his assistant to gather the information and hand it over to the person in charge of the development department.

they handed it in one by one. when it was pei qiqi's turn, xiao gao suddenly said in a low voice, " boss PEI, it's bad. The disc in my bag is missing.

PEI Qiqi frowned and looked at her,"keep looking." &Nbsp;

Xiao Gao looked left and right, but could not find it. He was so anxious that he was sweating ...

Shen Lian arrogantly looked at them with a cold smile on her face.

A small company was indeed a small company, unable to withstand a single blow.

She looked at Tang Yu. President Tang, I don't think there's a need for everyone to wait for boss PEI. Perhaps boss PEI is just trying to stall for time!

tang yu looked at shen lian indifferently. he didn't say anything, nor did he help pei qiqi. he didn't even agree with shen lian's words.

I'll call Xiaowen. I've made a copy and left it with her. She's nearby now. pei qiqi said lightly and then called xiaowen.

Xiao Gao was stunned. Boss PEI had a backup?

wouldn't that mean that wanwan had worked for manager shen for nothing?

would manager shen want to turn back the two million yuan that she had given him?

Xiao Gao's heart was uneasy and his eyes unconsciously drifted to Shen Lian.

Shen Lian glared at her.

this idiot, why was she looking at her? was she afraid that pei qiqi couldn't tell that they had a deal?

Xiao Gao retracted his gaze.

at this moment, tang yu's cold voice sounded, " boss PEI, if the PEI family's business proposal can't be delivered within ten minutes, we'll disqualify the company.

shen lian revealed a victorious smile.

pei qiqi is finished!

such a big case was like a test for her by elder lin. it was impossible for her to make such a low-level mistake, not to mention being tang yu's wife and the wife of sheng yuan's president.

PEI Qiqi raised her eyes and looked into Tang Yu's eyes. Then, she said slowly, " "I respect President Tang's decision."

I hope that boss PEI can respect all of us. If you want to quit, then quit. Don't use any other improper means. Shen Lian said mercilessly.

pei qiqi waved the phone in her hand, " it hasn't been ten minutes yet. Manager Shen, you don't have to jump to conclusions so quickly.

shen lian was a little angry, but she couldn't do it in front of tang yu, so she held it in.

She really wanted to see if PEI Qiqi had three heads and six arms and could make that little Wen fly over.

Time passed by.

shen lian's expression slowly turned into one of mockery. at the last minute, she looked at tang yu, " president tang, i think boss pei can leave this meeting room now. "

Chapter 570 critical hit on the white lotus, face smacking slap slap slap slap slap!(3)

Tang Yu didn't move. He looked at the time and said, " 30 seconds left.

shen lian's beautiful fingers tapped on the table and she looked at pei qiqi, " " then, boss pei, you can start praying. "

"I'm not a religious person." PEI Qiqi smiled.

Shen Lian's expression changed slightly. Then, she glared at PEI Qiqi—how can she still laugh at a time like this?

"ten seconds. Boss PEI." shen lian sneered.

"i know," PEI Qiqi was calm and composed.

At this moment, the door of the meeting room was rudely opened from the outside.

At the door stood Xiaowen, panting. She wiped off her cold sweat. The time was finally right!

Boss PEI said that this was the effect he wanted!

pei qiqi smiled,"the timing is just right."

xiaowen walked in and handed the folder to pei qiqi.

Xiao Gao's face turned pale. Xiao Wen's appearance in ten minutes meant that boss PEI was suspicious of her.

No, wait!

yesterday, she had shown boss pei the final draft, but he had left without even touching it.

where did the copy come from?

but xiao gao didn't dare to say it.

this was because she had already said that shen lian did not know how to deal with her.

She sat there and watched as Xiaowen handed a paper bag to PEI Qiqi without moving. Her entire body was cold.

Tang Yu smirked. boss PEI, don't do it again.

... He really had an iron face and impartial appearance.

PEI Qiqi pursed her lips, " of course.

Shen Lian was not willing to accept this, but so what? She glanced at Xiao Gao, who lowered his head guiltily and did not say a word.

.....

half an hour later, xiao gao and shen lian appeared at a coffee shop.

shen lian's expression turned ugly. " miss gao, can you tell me how you work for your employer? " You've made me lose face today."

xiao gao felt a little guilty. " i don't know why it's like this! i swear, i've never thought of betraying manager shen."

shen lian took a sip of her coffee and chuckled. then, she raised the cd in her hand. " have you seen the things in this? "

Seeing that she had calmed down, Xiao Gao heaved a sigh of relief and said in a low voice, " I think you've done a good job.

"not bad?" Shen Lian glared at Xiao Gao and then broke the disc in half, " I really don't know how you managed to climb to the position of the PEI family's head. This thing can only fool PEI Qiqi, that idiot who didn't graduate from University.

how could such a high-quality imitation compare to the top talents in marvel?

Xiao Gao's face turned dark. By scolding PEI Qiqi like that, Shen Lian was also scolding her, Xiao Gao, as an idiot.

she looked at the disc that had been split in half and didn't say anything.

shen lian seemed to be very magnanimous. " then i don't want the money back. but you have to stay in the pei family and watch over pei qiqi's every move for me. "

xiao gao's lips moved slightly, and he protested weakly, " "manager shen, we made a deal at the same time."

"right!" shen lian looked down at xiao gao arrogantly. " yes, i did say that. but since you can't do anything about it, it's not too much for me to add some more, right? " Or, miss Gao, you can just return the money to me, and we'll be even."

Xiao Gao's lips were pursed.

money, how can we get the money back!

She was getting married to her boyfriend. They had worked so hard for so long, but they could not even get enough money for the down payment of a house. So, she took a risk and agreed to Shen Lian's request. She had just received two million Yuan when she transferred it to her boyfriend to pay the down payment.

xiao gao's expression froze.

Shen Lian chuckled. you don't have the money, do you? "

Xiao Gao's lips moved for a long time, but he did not say anything.
