Chapter 571 Critical hit on the White Lotus, face smacking slap slap slap (4)

“then work for me.” There was a hint of contempt in Shen Lian’s exquisite eyes.

after she left, xiao gao sat there for a long time, and she felt cold all over.

She had fallen into Shen Lian’s strange circle. She clearly knew that by working for Shen Lian, Shen Lian’s requests would only become more and more excessive.

This is illegal!

Xiao Gao didn’t want to go to jail, but she didn’t want to have a wedding without a house.

she slowly stood up. her body was a little shaky. just when she wanted to walk out, she saw pei qiqi and little wen standing outside the window.

Xiao Gao’s face was completely drained of blood as he stared at PEI Qiqi without blinking.

pei qiqi turned her head and said something to little wen. little wen walked in and said softly, ” boss PEI wants you to make a trip back to the company.

gao knew that pei qiqi knew and he couldn’t hide from her anymore.

so, when they arrived at pei qiqi’s office, xiao gao got straight to the point, ” ” boss pei, it’s up to you to call the police or fire him. ”

PEI Qiqi lowered her eyes and only spoke after a while, ” “i’ve heard of you before when my dad was still around.”

When Xiao Gao heard her mention it like this, he was also slightly moved because PEI Minghe really treated her well.

“My dad always said that there’s a young and energetic man in the company.” PEI Qiqi raised her eyes and looked at Xiao Gao, ” he said that the young employee he has the highest hopes for is you.

Xiao Gao was a little ashamed.

after a long time, she finally said, i’ve let boss pei down.

PEI Qiqi forced a smile, ” so, if you’re willing to resign, I won’t make things difficult for you.

“as for the relationship between you and shen lian, i can’t help you with that.” she paused.

This result was already beyond Xiao Gao’s expectations.

She opened her eyes and looked at PEI Qiqi. She couldn’t believe that PEI Qiqi was really willing to let her go.

” if there’s no problem, you can hand over to xiaowen now. as for your salary, it will be transferred to your account. ” pei qiqi said indifferently.

Xiao Gao stood there, her face turning from white to red. After a long time, she finally smiled bitterly, "boss pei, you already knew that i would do something, right? "

the rookie that she looked down on the most had actually set her up.

and what about shen lian? He had been tricked by this seemingly harmless little girl.

PEI Qiqi said indifferently, "I can't be sure!" the only one who can be sure for you is yourself."

xiao gao was speechless. he had to admit that he was the one who caused the situation. there was nothing to say.

she was forthright, and xiaowen went to hand it over to her.

Dink was also in the Planning Department.

When Xiao Gao passed by him with his box, he pursed his lips and then said softly, "i've underestimated you,"

Dink definitely knew about this.

the young man sitting there smiled. "you've overestimated yourself. "

therefore, those who always treated others as idiots were mostly idiots themselves!

"The position of the supervisor is yours now, right?" Xiao Gao said coldly.

dink didn't make a sound.

sometimes, silence meant consent.

Little tall left without looking back.

perhaps this ending was the best for her ...

She had a feeling of relief.

After leaving the PEI Corporation, Xiao Gao held his suitcase in one hand and took out his phone with the other to call Shen Lian, "manager Shen, I've been fired by PEI Qiqi.

The other side said something, and Xiao Gao laughed softly, "What else do you want, manager Shen? I've lost my job, so I'm not afraid of anything anymore. Oh right, manager Shen, if I'm going to jail, I don't think it'll be just me. I accidentally kept the recordings of our conversation."

Chapter 572 Critical hit on the White Lotus, face smacking slap slap slap slap (5)

after that, xiao gao hung up the phone.

when she was working with shen lian, she already knew that there would be a day when she would fight with shen lian. how could she not find a way out for herself?

a woman like shen lian, who came from a good family and thought she was smart, couldn't even handle pei qiqi.

When little Gao Lin got into the car, he took another look at the sign on the PEI family building.

she had come here as soon as she graduated.

at that time, pei minghe took good care of her, but she felt that pei minghe was not capable and was just a good person.

However, PEI Qiqi was different. She had abilities and courage that were completely different from her appearance.

Xiao Gao smiled and finally got into the car, leaving the place she had stayed in for several years.

.....

pei qiqi stood in front of the window and looked at it silently for a long time. then, she said to xiaowen, " "am i a little cruel?"

" not really, " xiaowen said honestly. " things wouldn't have turned out this way if she wasn't so greedy. "

pei qiqi looked at it for a while more before she turned around and sat down behind her desk.

After a long time, she looked up at Xiao Wen and pondered for a while. Xiao Gao probably didn't tell Shen Lian anything else. For example, the plate in my hand and the one in her hand are not the same.

Xiao Gao also nodded. their cooperation is only based on interests. Xiao Gao wants to make a profit and also wants to leave unscathed. shen lian is too greedy. she wants to use me again after using me once."

She paused for a moment before continuing. actually, boss PEI wants Xiao Gao to get away. That's why he asked her to resign at a time like this, right?!

pei qiqi didn't reply and xiao wen knew she guessed right.

boss pei was cold on the outside but soft on the inside. he always thought of old relationships and hoped that xiao gao would turn over a new leaf in the future.

after he finished talking about xiao gao, he turned back to business. of course, he also called dink over.

this plan was thought of by ding ke and pei qiqi together.

PEI Qiqi provided ideas and inspiration, but she wasn't a professional in this area. She always needed people like dink to organize her ideas. Besides, dink also provided a lot of interesting points of view.

the three of them sat on the sofa with a laptop on the table. dink pulled out a document from the computer and opened it. he smiled. " this is jin taihe's proposal for marvel. take a look. "

pei qiqi and xiaowen exchanged glances with qianqian.

Xiaowen swallowed her saliva. how did you get it? "

"I don't remember you having two million to bribe the people around Shen Lian," she added.

Dink smiled. we just need to hack into her computer.

little wen's mouth was wide open as she looked at him in admiration. " dink, i never knew you were so powerful. "

"Quickly look!" dink accepted her praise and pointed at the screen. " you have to know yourself and your enemy. "

His fingers were very beautiful, and they had the fair skin of it men. He typed nimbly on the keyboard. Shen Lian has never experienced any setbacks. Jin Taihe's team is very strong. This is all thanks to Shen Zhongshan's decades of management. So, whether Shen Lian exists or not, it is not that important.

Xiaowen coughed lightly. actually, you don't have to go into so much detail. Also, you seem to understand Shen Lian very well."

there was a hint of disdain in her tone.

dink only looked at her, then smiled and didn't say anything.

The three of them looked at it together, and the more they looked, the more they felt that something was wrong.

PEI Qiqi looked at dink suspiciously. why do I feel like our proposal was made to suppress this weakness?!

Chapter 573 Pig-like teammates (1)

"That's why I said just now, know yourself and know your opponent, and you can win every battle!" Dink smiled. the others are not important.

PEI Qiqi watched and fell into a daze. Just as dink said, the other company's proposal was perfect. However, they modified it after they got Jin Taihe. The result was indescribable.

She was about to say something when the office door opened.

the person who opened the door was none other than tang yu.

Tang mo stood at the door, his hand holding the door. He was surprised to see the three people huddled together, head to head, looking at something in front of the computer.

At that moment, the three of them were a little dumbfounded.

especially pei qiqi.

She looked at Tang Yu, then at Xiaowen and dink.

on the computer, jin taihe's proposal was still flashing.

Dink immediately realized their situation. Obviously, it was extremely irrational to turn off the computer now, so he coughed and closed the computer. He looked at Xiaowen and said, " "shall we go out first?"

xiaowen's eyes were straight as she looked at pei qiqi.

Xiaowen wasn't stupid. If Tang Yu saw this, it would be a big deal!

boss pei ... i'll leave mr. tang to you!

dink also quickly stood up. the two of them left the scene without any integrity. when they passed tang yu, tang yu took a second look at dink.

he looked pretty good!

He was a little too good-looking and very young!

The door closed and Tang Yu slowly walked over to PEI Qiqi.

pei qiqi glanced at the laptop, " why are you here? "

"there's a dinner party nearby, so i came over to take a look." as she spoke, tang yu was already sitting beside her.

the sofa caved in slightly as he sat down. the slight sound of his shirt rubbing against the leather made pei qiqi's pores open in fear.

She looked at Tang Yu, " then, you're leaving in a while? "

Tang Yu mumbled, " I can probably only sit for half an hour.

Half an hour?

After she dealt with it, PEI Qiqi ran to the bookshelf and took out a thick book of information to consult Tang Yu.

In fact, it had been a long time since he hugged her because of Shen Lian's incident.

He definitely didn't come here to teach her these things!

what tang yu wanted to teach pei qiqi was an adult version, the kind that wasn't suitable for children.

however, looking at her eager and curious eyes, he smiled and took the document from her hand to read it casually and give her some advice.

pei qiqi tried her best to listen. anyway, she just needed to get through this half an hour.

Tang Yu's voice was very clear and pleasant to the ears. His words were a little profound. PEI Qiqi didn't understand everything and just wanted to sleep.

"you should have this saved on your computer, right? I can't remember this place clearly!" tang yu put down the documents in his hand, bent down, and was about to flip open his laptop.

PEI Qiqi's thoughts of sleeping were all gone. If he saw it, then the PEI family and Marvel partnership would probably be ruined.

Her little hands wrapped around his waist and she pressed her face against his back, " Tang Yu.

His voice was a little heated.

Tang Yu's hand had already touched the notebook. At the same time, he felt the warmth behind him.

He paused. Qiqi? "

“I don’t want to learn anymore.” She pouted her little mouth behind him, and her little hand moved up restlessly.

he naturally felt her proactiveness and seduction.

He laughed silently and his eyes fell on her laptop.

The laptop was on because he felt something warm.

Chapter 574 Pig-like teammates (2)

She was probably clinging to him because she didn’t want him to turn on his computer.

“pei qiqi, you asked to learn.” His fingers were still on the computer panel, not moving away. He also wanted to tease her.

PEI Qiqi was a little anxious but she had to stay calm. If he saw it, she didn’t dare to imagine the consequences.

most importantly, she was doing it for dink.

This was dink’s doing. If Tang Yu was put in a difficult position, dink would have a hard time in the industry.

tang yu had a rough idea of what was happening.

Before they came, the people in the development Department of Marvel had said that the PEI family had crushed Jin Taihe in this draft, and it looked very strange ...

the pei family had taken care of everything that jin taihe and the others thought was slightly lacking.

No one would believe that there was nothing fishy about it.

however, the one who was suspicious was the president’s little sweetheart, so no one dared to say anything.

tang yu thought about it for a while and finally understood what they were looking at.

she smiled. ” qiqi, you have to study hard. ”

he dragged her to the front and held her in his arms, trying to turn on the computer again.

pei qiqi immediately wrapped her arms around his neck. her eyes were watery, ” tang yu, i can’t bear to see you tire yourself out. ”

“when did our qiqi become so sensible?” He rubbed her little head, his gaze a little unfathomable. you can also not be so considerate.

PEI Qiqi clung onto him, not letting him touch Qianqian.

Tang Yu chuckled and leaned in close to her ear, ” Qiqi, why are you suddenly so clingy? ” did you miss me?”

She buried her face in his chest and nodded like a kitten.

tang yu’s voice was a little warm. his thin lips touched her neck and he looked at his watch, ” “ten more minutes, qiqi.”

she knew what he was talking about and bit him angrily, especially in the places where his eyes moved easily.

tang yu chuckled and let her bite him.

If he didn't have something to do later, he wouldn't let her off so easily.

he lowered his head and looked at her. he felt a little uncomfortable and sighed slightly. "qiqi, the one just now is not bad."

pei qiqi had already dragged him back to the sofa. when she heard him say that, she knew he was talking about dink. however, she still played dumb, "little wen is pretty."

He laid flat and reached out to pinch her cheek. I'm talking about a man.

pei qiqi exclaimed, "dink."

she laid in his arms, looking innocent and cute. "He already has a girlfriend, Mr. Tang. You're overthinking it."

"am i overthinking?" he said with a deeper meaning, "pei qiqi, this is your attitude when i see this?" hmm?"

he paused for a moment before he continued. "last time, i only saw shen lian like that. you acted like that. tell me, how should i punish you for today's matter?"

PEI Qiqi pouted, "then punish me by not being able to get close to you. Mr. Tang, please give me the cold shoulder!"

she looked very sincere and tang yu also sincerely said, "i won't give you the cold shoulder! The method I choose is usually more intense."

PEI Qiqi glared at him.

"There's still five minutes! pei qiqi, i actually want to continue with my lesson." he secretly threatened.

pei qiqi groaned and lay in his arms for a while. then, she raised one arm and carefully unbuttoned his shirt with the other.

tang yu's voice trembled. "qiqi?"

Chapter 575 you've changed, mr. tang (1)

actually, he just wanted to kiss and hug her. after all, today's matter was very important.

However, their little kitten was working hard to eat it as if it was eating candy.

He closed his eyes and could only see her small head.

tang yu knew it was embarrassing to make a sound but he couldn't control himself.

His body was extremely uncomfortable, but he couldn't really free himself from the heartache.

He grabbed her long hair and said in a low voice, "Qiqi, that's enough! his voice was so hoarse that it sounded like he had a mouthful of hot sand in his mouth.

PEI Qiqi looked up and bit down hard on his neck!

Suddenly, an intimate Hickey appeared on her neck.

tang yu was in pain but it was too late.

He actually wanted to remind her that today's meal would be open to the public, and there would be a lot of reporters. Well, about thirty to forty!

If he went to the meeting with such a Hickey that couldn't be ignored, as his girlfriend, PEI Qiqi would be the first one to make the headlines.

Tang Yu decided not to tell her. He waited until she finished biting before he got up.

he stood up and buttoned his shirt while bending over to kiss her.

It was a shallow yet deep kiss. He kissed PEI Qiqi until her toes curled up. Then, he said in a hoarse voice, " "I'll continue next time."

she curled up on the sofa and bit her finger. she felt that it was quite magical to see him return to his noble appearance.

before tang yu left, he looked at the laptop again and smiled. only then did he step out.

of course, the result of today's public meal was ...

City Z of City B was also present that day. There were even military representatives and the summit of all the top figures.

then, the late tang yu walked to his seat with a hickey on his neck and sat down.

Old master Lin's eyes were wide open as he stared at him!

was this still the outstanding and self-restrained grandson of his?

Even he blushed on his behalf when he walked around with such a Hickey.

shen zhongshan's gaze became even more complicated. shen lian qianqian, who was sitting beside him, had been raped by pei qiqi this morning. now, she was raped again.

The Hickey on Tang Yu's neck was PEI Qiqi's best weapon.

Her expression was not good, and she lowered her head.

"shen lian, it's time to let it go." shen chongshan's voice was deep. " you've seen it too. "

Shen Lian pursed her lips and did not say anything.

" dad, if pei qiqi wasn't your daughter, would you ask me to give up? "

Is it because in your heart, the guilt you feel towards Zhao Ke and PEI Qiqi has caused you to have other plans in your heart?

However, Shen Lian did not show that she knew everything.

sometimes, if she didn't point it out, there was still room to turn things around. but once she did, she was afraid that pei qiqi, that b * tch, would come and ask for a share of jin taihe.

jin taihe's assets were over a hundred billion yuan, which was not something that the pei family's small company could compare to.

Tang mo sat down with a faint expression. He didn't seem to know that his Hickey was enough to set off a bloody storm in the financial report. He let the reporters take photos and calmly spoke.

The dinner party lasted for about an hour. Tang Yu left quickly and avoided elder Lin's walking stick.

In the parking lot, Shen Lian was waiting for him.

tang yu walked over to open the car door. shen lian called out to him, " tang yu. "

His hand paused for a moment and he looked at Shen Lian."what's the matter, manager shen?"

shen lian looked into his eyes. " you actually put up with her like this. "

Her tone was filled with unwillingness.

Chapter 576 you've changed, mr. tang (2)

Tang Yu touched his neck and smiled, " "this is not patience."

Not patience?

shen lian's expression was a little dazed. in the past, he would always be patient when she touched him. now that he was with pei qiqi, was he having fun?

she didn't speak and just looked at him.

she remembered the last time he taught her a lesson for pei qiqi.

" are you free? let's have a cup of coffee together, " she said softly after a long time.

Tang Yu didn't say anything.

"What's wrong? You don't even have the time for a cup of coffee?" shen lian's voice was sharp.

Tang Yu said slowly, " Shen Lian, I already told you. We're going over! I don't want Qiqi to misunderstand because of you."

"She wouldn't have misunderstood if she loved you!" shen lian was very stubborn.

Tang Yu looked at her but didn't say anything. He turned around and opened the car door to get in.

At that moment, Shen Lian quickly ran over and grabbed his arm.

she raised her head and looked at tang yu.

She could not accept it. Even at this moment, she hated him, but she still loved him.

she quickly pressed her lips against his, and under his stunned gaze, she tasted a piece of cold.

Tang Yu was only shocked for a second before he pushed her away. Shen Lian took a step back and glared at him. Her eyes were filled with tears.

"tang yu!" She looked at him. I can't accept this! why her?"

tang yu took a tissue from the car and wiped his lips. his eyes were cold, ” “this is the last time.” After that, he got into the car and drove away.

Shen Lian quickly rushed to the front of his car and reached out to stop his car.

Five meters, four meters, three meters ...

she just looked straight at him without any intention of hiding.

tang mo suddenly braked and stopped.

he sat in the car and did not move. after a long time, he opened the door and got out. he looked at shen lian.”are you crazy?”

Shen Lian’s tears fell drop by drop, but she was proud. She raised her face to look at him and smiled gently,”yes, I am crazy, Yingluo.”

Her voice slowly became shrill.”Tang Yu, I’ve gone crazy! i still love you, how can you love someone else!”

She cried her heart out, but he had long been indifferent to her.

Finally, she slowly squatted down and hugged herself with her arms. She muttered to herself, ” you all don’t love me anymore. You all don’t love me anymore.

” what’s so good about her? ” she laughed.

tang yu’s voice was cold, ” there’s nothing good about her. she’s just the type i like. ”

Shen Lian was still squatting.

tang yu directly walked past her and headed for the elevator.

she burst into tears behind him, but no matter what, she could not win him back!

Her self-esteem would not allow her to plead like this. She was Shen Lian, the eldest young lady of the Shen family.

shen lian stood up slowly. she wanted to crush pei qiqi in the competition at marvel. she wanted to let tang yu know who was the right woman for him and who was the most qualified to stand by his side.

shen lian’s eyes were filled with determination.

in the elevator, tang yu looked into the mirror and let out a deep breath.

he could only be ruthless towards shen lian.

it would be unfair to qiqi if he said that he cared about their relationship.

Tang Yu left in another car. And that car happened to be elder Lin’s.

elder tang held onto his walking stick and pointed at tang yu’s neck. he asked coldly, ” are you being pestered by the shen family’s girl again? ”

Tang Yu laughed, ” not really! She just hasn’t thought it through yet.”

Chapter 577 You’ve changed, Mr. Tang (3)

“you must understand this matter. don’t let that girl pei suffer in the future.” The old man said.

The old master was clear about this kind of thing. His family rules were strict. Married men had to take care of the family. No matter how good the women outside were, they could not touch them.

tang zhiyuan was an example of a bloody case.

Tang Yu smiled, ” of course.

The old man saw his smile and was a little angry. He glared at him. “You can’t even handle a woman, what’s the use of having you!”

Tang Yu laughed and his long fingers touched his forehead, ” “Old master, do you think Shen Lian can be dismissed with money or violence?”

the old man touched his nose and stopped talking. he said unhappily,”Anyway, you have to deal with your own matters! since that girl pei is going to be married, no matter what her background is, you have to treat her well.”

tang mo smiled and said nothing.

the old man was angry again. ” look at you now. you’re ostentatious. do you think you’re the only one with a lamb in your family? ”

As he said this, the old man could not help but look at her again and snorted. you just can’t handle a little girl.

“You have to give way to this.” Tang Yu smiled, ” let’s not talk about this.

“don’t think that i don’t know why you insisted on taking on marvel first.” the old man’s eyes flashed.

Tang Yu continued to smile, ” Wang Ziqi is a very talented person. Grandpa, I don’t think I’ll have the energy to manage two companies for the rest of my life.

old master lin was upset when he heard that. ” then have a few more. ”

when it came to having children, tang yu fell silent. his little girl didn’t even let him touch her, so how could he have a child?

at this point, the old man also asked a few more questions,”The wedding is set, right? This girl won’t change her mind again, right?”

Tang Yu chuckled, ” it’s okay if she runs away. I’ll bring her back home. The old man can have as many children as he wants. After that, he’ll let her out to play like that. She probably won’t run away.

Elder Lin glared at Tang Yu with an infuriating look. He was so angry that he wanted to hit him with his walking stick, ” “Do you think that PEI girl is a pig?”

Tang Yu was calm, [I thought this would make Grandpa happy.]

The old master didn’t say anything else. This kid was simply too slick now. He didn’t know if he was like this when he was with the PEI girl. He was used to bullying the little girl.

thinking about it, the old man felt a little better.

However, elder Tang was a little childish, so he asked the driver to drop Tang Yu off on the way.

The driver sighed and did not dare to disobey. He had to stop the car.”young master?”

tang zheng turned his handsome face to the side and smiled faintly. ” if such childish behavior makes the old master happy, it’s nothing for me to walk a few more steps. ”

the car door closed and the driver asked carefully, ” “It’s about an hour’s walk from here to Sheng Yuan. Is old master really willing to let young master walk like this?”

Old master Lin waved his hand to signal for him to start the car as he snorted coldly, ” “What do you know! this is called improving the relationship between a married couple. he must have asked that girl pei to pick him up.”

It was now her lunch break. If she took a nap or something, wouldn’t she have a child?

When it came to giving birth, every second counted.

The chauffeur immediately understood and nodded before driving the car away.

tang yan stood there and watched as the car drove away. then, he took out his phone and called pei qiqi.

Sure enough, the person who understands you the most is still the one who often quarrels with you!

Chapter 578 You’ve changed, Mr. Tang (4)

tang yu coughed, ” qiqi, i’m at zhunhai road. drive over. let’s have a meal together. ”

“i’ve already eaten.” pei qiqi was uninterested.

What a joke. Now that all the information on the computer had been destroyed, how could she still have a meal with him? he was almost done eating her.

She wasn’t that stupid.

“You’re really not coming, huh?” Tang Zheng paused.

yes, Mr. Tang. We’re in a Cold War right now, so ... PEI Qiqi chuckled, ” so ... You should walk back!

This little bastard!

How did she know that he called her because of this?

Tang Zheng shook his head and smiled. Even if she was so naughty, he also felt happy.

He took off his coat and placed it on his arm as he walked slowly in the direction of Sheng Yuan.

When she arrived at the company, she received a call from Marvel. It was Wang Ziqi’s assistant.”The results are out, Mr. Tang.”

tang yu muttered to himself, ” is this the result i want? ”

” mmh, ” the other side replied softly. tang yu didn’t ask any more questions. from pei qiqi’s reaction in the afternoon, he knew that shen lian was tricked by pei qiqi.

He laughed, feeling a little helpless. There was a sense of sourness like a child growing up, but also a little pride.

that black-bellied little thing was his qi qi.

After hanging up the phone, Xiao ran came in with a glass of iced drink in his hand.

tang yu looked at her.

Xiao ran held back his laughter. boss PEI called and instructed me to do this. He said that ran ran is here to cool down the president's anger.

No matter how cold Tang Yu was, at this moment, he couldn't help but laugh. This little guy.

He gestured for Xiao ran to put the things down and watched her close the door. Then, he called Pei Xiao Qi.

"when did you become so naughty?" He sighed softly. boss PEI should have sent himself here if he wanted me to calm down.

"I'm not stupid." Her voice was a little soft and a little mischievous.

tang mo held the cup of cold drink and his voice became deeper."It's Grandpa who called you."

She acknowledged softly, "I also know that you've met Shen Lian.

tang yu chuckled as his long fingers played with the cup. after a while, he chuckled, "then grandpa didn't tell you that today's dinner party was public. there were probably more than 30 reporters at the scene! "

PEI Qiqi's face turned red and white. After a long time, she finally understood what he meant.

tang yu, this bastard!

But Tang Yu had already hung up the phone and was in an indescribable good mood.

on the other hand, pei qiqi turned on her computer and searched for news about tang yu-

Today's financial headlines were all about Tang Yu's Hickey!

After PEI Qiqi watched the video, Tang Yu was really, really calm. The camera lens was directly aimed at his neck.

pei qiqi felt that she couldn't live with such a black-bellied man!!!

She had wanted to call him in anger, but after thinking about it, she decided not to.

Of course, Shen Lian had also seen the video. It was so obvious that she could not ignore it. There was no need to mention who left the Hickey behind. Also, Tang Yu clearly stated in the interview that their wedding was approaching.

Shen Lian was curled up on the sofa in the living room. She was looking at the television and her lips were tightly pursed.

pei qiqi, you shouldn't have been born in this world!

you're the bastard that zhao ke seduced my dad and now you've stolen tang yu!

i won't let you succeed!

Marvel's press conference is the time for you to lose face!

Chapter 579-turning white lotus into slag, blinding titanium dog eyes

shen chongshan came back from outside and saw shen lian sitting on the sofa watching tv.

the maid carefully took off his coat and hung it up, then left the room.

"why didn't you turn on the lights?" Shen Chongshan's voice was a little hoarse, and it could be heard that he had been drinking. He paused for a moment and asked, "

"Where's your mother?"

shen lian did not move. when shen chongshan turned on the light, she covered her eyes with her hand and remained sitting on the sofa.

after a long time, he laughed softly, " "Dad, do you still care about mom?"

"What are you saying!" Shen Chongshan slowly sat down beside her and patted Shen Lian's leg. "you're just letting your thoughts run wild!"

shen lian slowly sat up straight and looked straight into shen chongshan's eyes. then, she chuckled. " dad, do you dare to say that you've never done anything to let mom down? "

Shen Chongshan had a faint smile on his face as he wanted to have a good chat with Shen Lian and give her some advice.

however, there was probably no way to continue the discussion.

"Sleep early!" Shen Chongshan stood up.

He slowly went upstairs, his mood completely ruined.

shen lian, who was behind him, suddenly said in a sharp voice, "dad, do you dare to say you didn't?"

"that's enough," Shen Chongshan stopped in his tracks and turned around with a cold expression.

shen lian had never seen this shen chongshan before. he was unfathomable.

Shen Chongshan's eyes were also cold, or rather, cold and heartless.

"no matter what you know, you have to pretend you don't know! You can't tell your mother anything." " do you understand? " he asked in a deep voice.

shen lian sat there with her lips trembling. she did not say anything for a long time.

he admitted it!

she closed her eyes for a long time before she heard her own weak voice. " i know, dad. "

shen chongshan looked at her silently for a long time before he said softly, " "You are the only heir of the Shen family, do you understand?"

shen lian's eyes were filled with tears, but she did not dare to say anything more.

At this moment, she was not facing a father!

instead, he was a realistic businessman, a worldly businessman who placed his interests first.

Did he also face Zhao Ke like this back then and speak to her so heartlessly?

zhao ke is so stupid!

Shen Lian suddenly laughed softly. Zhao Ke was really stupid. In fact, she was stupid too.

They were all fools!

she watched shen chongshan walk up the stairs with heavy steps until she could no longer hear his footsteps.

She stared at the TV in a daze, then suddenly grabbed a decoration and threw it at the TV.

With the sound of an explosion, the living room was filled with sparks and instantly turned into a garbage dump.

shen chongshan stood in the middle of the stairs and looked at shen lian.

Shen Lian did not move. She curled up on the sofa and hugged herself.

she sobbed silently, her voice choked. "dad, don't worry about me. let me cry for a while!"

"I'll be fine after crying for a while. I'm the Shen Lian from before again." She hugged herself, her whole body cold as she said this.

shen chongshan looked at her and pursed his lips. after a long time, he said softly, "Shen Lian, you're not a child anymore. You should be able to distinguish the severity of the matter!"

shen lian did not make a sound and only cried softly.

There was finally some warmth in Shen Chongshan's eyes. No matter what, this was a huge blow to Shen Lian.

Just as he was about to walk down, the door opened. Mrs. Shen had just returned from playing mahjong. When she saw the mess, she was stunned. Then, she saw Shen Lian crying and became anxious."How did you end up like this? also, why are you crying?"

Shen Lian raised her eyes and looked at Shen Chongshan.

but his eyes were calm.

shen lian knew that he wanted her to hide this from yingluo.

So, she used a tissue to wipe her tears, "Tang Yu is getting married. I'm angry.

as expected, mrs. shen was fooled. she sighed."But you don't have to smash things like this. What if you get hurt?"

He called the maid over to help him bandage the wound. As he bandaged the wound, he persuaded Shen Lian to put it down.

Mrs. Shen was the victim herself. She always hoped that her daughter could find a man who truly loved her. Even if he wasn't as outstanding as Tang Yu, it was fine.

In her heart, she thought that when Qin Anlan was good to Shen Lian in the past, if she had been with him at that time, she would not be where she was today.

however, the shen lian today was no longer the shen lian of the past. qin anlan was also no longer the qin anlan of the past.

Mrs. Shen sighed in her heart, but she didn't say much. She just sighed.

shen lian was in pain but she did not cry out. she just silently endured the pain.

Chapter 580 White Lotus turns into dregs in seconds, blinding titanium dog eyes (2)

On Friday, the results of the competition were out.

all the company leaders sat down, including those from marvel. only tang yu wasn't there. In fact, most people were prepared to lose. One was president Tang's new love, the other was his old love.

his new love's pillow talk was amazing, and his old love's company was amazing!

shen lian and pei qiqi's seats were pre-arranged today. it wasn't known if they did it on purpose, but the seating arrangement was magical.

they were wufu, who was directly below tang yu.

The two women sat face to face, and the killing intent in their eyes was enough to make people tremble.

Of course, this was because the others were trembling with excitement.

At nine O'clock sharp, Tang Yu came in on time, followed by Meng Qingcheng. They sat down and Tang Yu nodded at manager li from Marvel.

manager li understood and took out the materials he had prepared. he glanced around and smiled. "after a round of comparison, the company that will be cooperating with marvel this time has almost been decided. "

No one made a sound. manager li continued,"after rounds and rounds of selection, the company that marvel will be working with next quarter is qin zhuan."

pei qiqi was calm and composed while shen lian revealed a victorious smile.

the one that xiao gao showed her was trash compared to jin taihe's.

She looked at PEI Qiqi with disdain in her eyes.

How could a pheasant be compared to a Phoenix?

manager li looked at the name list and paused for a moment. then, he slowly announced the name of the company."congratulations to the pei family."

He raised his eyes and looked at PEI Qiqi, " congratulations to boss PEI too.

pei qiqi only smiled back.

shen lian was stunned.

how could this be?

How could it be the PEI family?

She had seen that plan before, and it was no match for Jin Taihe's.

However, the reality was that the PEI family won the election.

Shen Lian looked up and saw PEI Qiqi receiving congratulations. Why did the smile on her pretty face look so piercing to her?

"wait a moment." shen lian stood up and looked at pei qiqi. she smiled, " "the pei family has defeated so many competitors this time. this project must be extraordinary! I want to see it, and I think everyone here wants to see it too!"

manager li looked at tang yu.

tang yu looked at pei qiqi and said slowly, " "there's no need for that."

"is it unnecessary or you don't dare to?" Shen Lian's smile turned cold.

Tang Yu looked at her without any expression, " manager Shen, do you want me to explain or give you an explanation? "

These words were a little heavy!

if shen lian knew when to advance and retreat, then it would be enough.

however, she was unwilling to give up.

Moreover, she knew that if she revealed PEI enterprise's proposal now, not only would PEI Qiqi lose face, but Tang Yu and Marvel would also lose face because of the plagiarized proposal.

Her gaze fell on Tang Yu's face. In her eyes, there was a pained love.

However, those memories that were once engraved in his bones and engraved in his heart, didn't leave a single trace in Tang Yu's heart.

For the sake of PEI Qiqi, he had mercilessly destroyed her self-esteem ...

So today, she wanted to get back her face.

didn't he favor pei qiqi? then, in this kind of situation, she wanted to let tang yu know that pei qiqi was just a hopeless person!

let him know that he had loved the wrong person!

"then, is president tang seeking personal gain, or is he really doing it with a clear conscience? i remember that they've always held public duels in the past. why is it an exception this time?" Shen Lian did not yield an inch.
