Chapter 581 White Lotus turns into dregs in seconds, blinding titanium dog eyes (3)

of course, tang yu could ignore her, but that would damage his reputation ...

at this moment, pei qiqi spoke softly. " mr. tang, the pei family's business plan is about to start. so, there's nothing that we can't show to the public. "

tang yu's gaze landed on pei qiqi's face. in his eyes, other than the calmness of work, there was also a hint of gentleness and a little pride.

pei qiqi carefully returned his gaze and continued, " I don't want Marvel's reputation to be ruined because of the PEI family, and of course, President Tang.

when she mentioned tang yu, she secretly waved at him.

Tang Yu's serious and handsome face couldn't keep up the act anymore. He looked at her and revealed a gentle smile.

PEI Qiqi walked in front of manager li, " can I trouble manager li to pass me the PEI family's APP? "

manager li quickly found it and handed it to pei qiqi. pei qiqi called dink over, put it in the computer, and took the projector.

The APP displayed the PEI family's philosophy this time, as well as the advertising design.

pei qiqi stood in front of the big screen and explained as the short video played-

"we've done a detailed analysis of marvel's main products for this season. they're as novel as ever, and of course, they're competitive in the market! however, no matter how good the product is, it needs to be promoted well. how can we let these young people understand or know about the electronic manufacturing factory that marvel has developed for young consumers quickly?" pei qiqi smiled and looked at the people around the conference table with open eyes.

tang yu and the others had a hint of admiration in their eyes.

His Pei Xiao Qi hadn't graduated from University yet. She used to study design and had never come into contact with this industry.

shen lian was the only one who was shocked!

How could this be?

this was not the APP that xiao gao had given her!

She looked at PEI Qiqi in shock and almost blurted out-this isn't!

but shen lian held it in because once she said it, it meant that she did something!

but she wasn't stupid, and in these few seconds, she understood one thing.

From the beginning to the end, PEI Qiqi never fell for it.

in fact, from the beginning until now, pei qiqi had been toying with her like a monkey.

She had been tricked!

the copy that xiao gao took away wasn't the one that pei qiqi wanted to get her hands on!

shen lian gritted her teeth.

she had really underestimated pei qiqi!

PEI Qiqi acted like she didn't see Shen Lian's expression and continued to talk about the app.

"the focus of pei family's research this time is on how to let young people understand marvel's products better and faster." She smiled. traditional advertisements are no longer acceptable to young people because they can't sit quietly in front of the TV. An online drama advertisement? of course, it's useful, but those who follow web dramas are generally more otakus, and they may not be the main consumer group of marvel electronic products."

At this point, she paused for a moment before continuing slowly,"the main consumers of Marvel should be the white-collar workers. So, what kind of occasion and method would be most acceptable to them, and what would be the most acceptable for them to see every day?"

the screen switched to the subway station.

Tang Yu smiled slightly with a little pride in his expression.

their qi qi was so capable!

she can do it at home and outside too ~

PEI Qiqi's face heated up after being admired by him for such a short while. She continued to say,

Chapter 582 white lotus turns into dregs in seconds, blinding titanium dog eyes (4)

"Yes, it's the subway. the office workers will spend one to two hours on the subway every day. if we put advertisements on the screens in the subway cars, i think the effect should be the most obvious and the fastest."

"at the same time, we will print wechat codes for marvel's product pages in various conspicuous places in the subway. I believe that the Marvel crowd is going to receive a critical hit."

after pei qiqi finished speaking, a round of applause sounded.

tang mo smiled, an indescribable feeling in his heart.

There was a kind of joy that came from a girl who had just grown up.

Their family's Qi Qi had grown up and could take charge of things on her own.

moreover, he knew that in the battle of wits with shen lian, qi qi had won.

Black-bellied little thing!

At this moment, Meng Qingcheng leaned over and said in a low voice, "i can't tell!"

“there are many things you can’t see!” Tang Yu chuckled and also clapped his hands.

Meng Qingcheng looked at him and sighed in his heart.

As for that, look at his baby!

when pei qiqi met tang yu’s gaze, she smiled-

but shen lian just sat there, her entire body cold.

Because she had nothing to say. Yingluo had lost. She had lost completely.

tang yu stood up and walked over to pei qiqi, ” congratulations, boss pei. ”

he reached out his hand towards her. pei qiqi was stunned for a moment. she raised her head and looked straight into his eyes.

after a long time, she put her small hand in his palm to feel his dry and warm palm.

slowly, he reached out his hand and held hers. as she screamed and everyone was shocked, tang yu pulled her into his arms.

it was an extremely restrained hug.

he pressed his thin lips against her ear and said in a low and hoarse voice, ” “our qi qi is really amazing.”

Her face was on his shoulder, and it was a little warm.

in just two seconds, tang yu let go of her and walked back to his seat, ” marvel has prepared a celebration party. KING entertainment will also be joining. ”

at the scene, many people were congratulating pei qiqi!

No one was a fool. They could tell that PEI Qiqi was capable. It wasn’t that Tang Yu was biased.

At this moment, no matter what Shen Lian said, it would be useless.

she sat there, motionless, with an indifferent expression on her face.

did she lose?

she had lost, and yingluo had suffered a crushing defeat.

He laughed softly and left Xuxu silently.

When she walked outside, Shen Lian’s tears started to fall.

why? why did pei qiqi steal her father, tang yu, and even her career?

would pei qiqi’s next step be to get her hands on her family’s company?

shen lian looked up and said,”i’m really scared!”

she had underestimated pei qiqi. today, pei qiqi was no longer the pitiful little girl she used to be. she was no longer the little girl who hid behind tang yan.

between her and pei qiqi, it wasn’t just a matter of love. it was a battle between two women.

Shen Lian was very clear that even though her father had thought highly of her these past few years and she was the only successor, she was still the only successor.

but now, it was different.

Now that he had PEI Qiqi and PEI Qiqi was about to marry Tang Yu, this was different for Shen Zhongshan.

They were both daughters. If she were to marry Shengyuan, would her father sacrifice her, his biological daughter?

shen lian did not know.

she was in a state of panic, as if she was about to lose everything.

she turned around and saw pei qiqi in a daze.

That face was extremely similar to the young Zhao Ke.

In the past, it was Zhao Ke. Now, it was PEI Qiqi ...

Chapter 583-closing the door, spreading dog food!

when pei qiqi returned to the pei family from marvel, xiaowen already knew about the pei family's attack.

pei qiqi and ding ke had just entered the company when people on both sides sprayed ribbons.

“Dong!” It was a little scary.

however, it was still something to be happy about.

PEI Qiqi patted her chest and looked at Xiaowen, ” “you’re being naughty again.”

Everyone in the company was happy. Xiao Wen was even more so. boss PEI, I’m a few years older than you.

“yes, sister xiaowen.” PEI Qiqi laughed along and took off the ribbon on her hair.

Dink was also surrounded by a few young female employees, and they all looked at him.

this time, he had made the company proud. what kind of company was jin taihe? the planning team was almost entirely from ivy league universities. this time, the battle between the pei family and jin taihe was like an egg hitting a stone.

but dink was just that powerful and capable.

“Dink, you’re amazing! you’re so good at doing things.” the female employee’s electricity was being discharged.

as for the IT man, dink, it was obvious that few women would be so attentive to him. he scratched his head and said in embarrassment, ” not really. It’s mainly because boss PEI’s creativity is good.

“you’re the one who can do it.” the female employees continued to flirt.

Dink was definitely valued by boss PEI now, and boss PEI was going to be the wife of Sheng Yuan’s President in the future. In the future, dink might enter Sheng Yuan and become a top talent.

PEI Qiqi and little Wen stood side by side. PEI Qiqi looked at little Wen and smiled, ” “What are your thoughts?”

Xiaowen snorted,”a Playboy!” &Nbsp;

“I think dink is a little slow. Are all IT men like this? I’ve heard that there are many people who are single for life.”

xiaowen’s eyes looked in that direction, and her eyes were burning red, almost burning a hole. ” “he’ll be gone soon.”

pei qiqi looked at her face and sighed, ” “yup! actually, i think that if you like her, you should chase her. if you miss her, you won’t have her anymore.”

“The celebration party tomorrow night is a good opportunity,” she said in a low voice.

After she finished speaking, PEI Qiqi left, leaving behind little Wen who was still staring at him. Her eyes were still burning red and her little hands were clenched into fists as she looked at dink being surrounded by a group of seductresses.

An image appeared in front of her eyes.

dink was eaten by the seductress bite by bite, and his body was covered in lipstick marks, followed by hickeys.

After that, Yingluo decided that since he was going to be eaten anyway, she might as well eat him.

She left with PEI Qiqi, but she didn’t know that when she turned around, dink’s gaze was cast in her direction. There was a deep meaning in his gaze.

Was this considered as provoking her?

he should be!

who said that IT men were dull?

who said they didn’t have emotional intelligence? dink was black-bellied!

Xiao Wen walked into PEI Qiqi’s office and asked, ” boss pei, can i claim tomorrow’s gown? ”

those female seductresses would definitely be able to sneak in.

it was impossible for the pei family to attend such a banquet in twos or threes. if there were too few people, they would appear weak.

Therefore, if he wanted to win against a group of female seductresses, he would have to spend money to dress up.

PEI Qiqi looked at Xiaowen and slowly said, ” ” i can probably prepare an extra dress for you. i might also have matching accessories. ”

Xiaowen was stunned at first, then she cheered.

It was too awesome!

pei qiqi also laughed, ” good luck, young girl. ”

Chapter 584-closing the door, spreading dog food!(2)

It was already eight o'clock when she returned home at night.

the white ximi stopped at the apartment building. before she got out of the car, she saw a certain man leaning on the ground floor in a relaxed manner.

under the moonlight, his handsome face was like a god's, and his temperament was magnificent.

His eyes were so deep that she almost indulged in them. She looked at them quietly for a long time before getting out of the car and walking over slowly. why didn't you tell me you were coming? "

tang yu continued to lean there with deep eyes, " "I don't know if Yingluo will welcome me."

"I'm afraid that boss PEI is still angry." She chuckled.

PEI Qiqi snorted,"yes, still angry." &Nbsp;

She was about to walk forward, but her arm was quickly pulled back.

She was pressed against the wall, and then her little mouth was kissed.

She wanted to break free, but then, her arm was completely hugged. His palm was on her back, not allowing her to be rubbed against the hard wall.

His long fingers ran through her long hair and caressed her scalp to comfort her.

" wu, wu, wu. " pei qiqi struggled slightly. the words she wanted to say were all stuck in her mouth.

he chuckled and moved his long legs forward, stopping her from moving.

"tang yu." She said weakly, " not here.

his body froze in that instant.

The storm-like kiss calmed down, and he licked her as if comforting her.| He kissed her on the lips.

"qi qi, go home? hmm?" his voice was a little hoarse and slow.

However, that wasn't what his Jade-like eyes indicated. His body was about to explode ...

she could feel it.

Tang Yu finally let go of her and took her to the elevator. He kissed her all the way up.

She wanted to say no, but she was pushed against the elevator wall again. Her arms were raised high, and their bodies were shamefully pressed together.

pei qiqi felt as if her body was on fire. being kissed by him like that, her body melted into water.

"Qiqi, the key." he probably hadn't touched her for more than ten days. he had plenty of ammunition, and he had no choice but to fire.

pei qiqi didn't feel anything at first, but she couldn't take it when he kissed her like this.

His fingers drooped and he found the key.

tang zheng half-hugged and half-hugged her out of the elevator, ready to push her against the door when he opened it!

anyway, she was not going to sleep tonight.

but when the brother and sister kissed like this and walked out of the elevator, they saw little tang xin sitting at the door pitifully.

The little hedgehog watched them kiss and eat their saliva with his eyes wide open.

did she come at the wrong time!

No matter what the brother wanted to do, he could only put out the fire in his body and heart when he saw Tang Xin looking at him like this.

“why are you here?” he asked in a heavy voice.

tang xin still sat there and didn’t move, ” brother, do you think i’m annoying? ”

“i’m worried about your safety.” he calmed down and gestured for pei qiqi to open the door. then, he picked up the little guy’s arm and pulled her back, ” aren’t you afraid of the cold sitting on the ground? ”

Tang Xin groaned and followed behind PEI Qiqi like a little pug, ” “Qiqi, do you have any noodles at home? i want to eat your chicken noodle soup.”

pei qiqi rubbed her head and found it funny, ” you sneaked out so late at night just to eat noodles? ”

tang xin was silent.

PEI Qiqi didn’t say anything and just waited for her to speak.

After a long time, Tang Xin said softly, ” in fact, I didn’t sneak out. A woman came to my house today. She was pregnant and said that she wanted dad to take responsibility.

Chapter 585-closing the door, spreading dog food!(3)

pei qiqi and tang yu looked at each other awkwardly.

tang yu knew about this. the person tang zhiyuan made pregnant with was a small model. they had an affair before zhao ke was alive.

even though zhao ke was in jail, tang zhiyuan didn’t take the little model to heart. he wanted to go after lin yun again before he even wiped his P * s clean.

He looked at Tang Xin and sighed silently.

after a while, the brother and sister occupied the sofa, and pei xiao qi obediently went down.

However, she kept peeking at them from time to time. Tang Yu didn’t know whether to laugh or cry.

Now, he almost didn’t have any physical contact with Tang Xin. First, Tang Xin was slowly growing up, and second, she wasn’t his biological sister. No matter how good their relationship was, he had to avoid her.

pei qiqi brought the noodles over and tang xin gobbled it down. she was so thin and small, looking pitiful.

After eating half a bowl, Tang Xin finally relaxed.

The moment he looked up, he saw PEI Qiqi’s Starry Eyes.

Tang Xin blushed, " Qiqi, don't look at me like that. I'll overthink it.

"nonsense." tang yu patted her little head.

Tang Xin's eyes were filled with little red hearts, " Qiqi is so powerful.

he put down his chopsticks and put his hands together. " " i heard that you defeated that white lotus.

white lotus?

At first, PEI Qiqi was stunned. Then, she understood. She looked at the man meaningfully.

mr. tang acted as if he didn't see it and let them speak.

He quickly finished the bowl of chicken noodles. It was as delicious as ever.

"You guys continue chatting, I'll go take a shower first." he got up and looked at pei qiqi. his eyes were telling her that qianqian is waiting for you. hurry up!

under such fervent gazes, pei qiqi's face turned red.

Tang Xin, on the other hand, stammered in confusion.

Sigh, this poor child. Her teacher was her own brother and sister.

tang yu went back to pei qiqi's room first. tang xin then slept with pei qiqi.

Originally, she didn't have two bedrooms here. The last time Tang Xin came, she had a small bedroom separated.

"qiqi, let's sleep together." Tang Xin hugged PEI Qiqi and acted coquettishly.

Pei Xiao Qi thought that today wasn't the day to get pregnant, so she felt-

she felt like doing it with tang yu was a waste of time, so she happily agreed.

Tang Xin finished washing up and sat on the bed happily, waiting for her, " Qiqi, hurry up.

PEI Qiqi nodded,"I'll be back after I shower." &Nbsp;

she looked at the time. it was 10 pm. tang yu probably didn't have the patience to wait any longer. he's been quite busy these past few days, so he might have already fallen asleep.

He adjusted his clothes and pushed open the bedroom door.

however, as soon as she pushed the door open, her little arm was pulled by a force, and she fell into a warm embrace.

her little face was pressed against his chest, and she could feel his abnormal heat through his shirt.

"This late?" his voice was hoarse as if he had a mouthful of hot sand in his mouth, and it sprayed on her soft ear.

She placed her small hand on his shoulder and poked his shoulder with her slender, white, and tender fingers. Her voice was soft. Tang Xin wants me to sleep with her.

his body tensed up and he bit her ear, " pei qiqi, what should i do? Hmm?"

in his arms, she could naturally feel his “what to do” as she continued to poke him with her little fingers. her face was close to his warm neck as she pouted.”You think of a way yourself!”

he grabbed her little hand and did something indescribable. then, he held it tightly in his arms.”it’s like this? Boss PEI, is it still the same?”

Chapter 586-closing the door, spreading dog food!(4)

Her little face was completely red, and a layer of skin on her little palm was so hot that it was about to fall off.

she pursed her lips and looked at him, ” tang xin is waiting for me. ”

at this time, her long hair was let down, and she was wearing home clothes, which were unspeakably soft.

it was what he had imagined his little wife to be like.

however, very quickly, that set of home clothes fell to the ground and piled up at her feet.

“Tang Yu!” PEI Qiqi bit her lip and almost cried out-

Then, she was pressed against the door.

“You want to sleep with Tang Xin? hmm?” tang yu pressed down on his young girl and wanted to bully her, ” “Then, Zhenzhen”

His voice became a little meaningful, ” “Then big brother will carry you there? hmm?”

As he spoke, he really wanted to carry her and open the door to go out.

pei qiqi was about to cry. how could she go out like this?

She wrapped her little hands around his waist and buried her face in his neck. “i don’t want to.”

As she said this, she bit his neck angrily. Bad guy, she did it on purpose.

however, this made it seem as if she was hugging him and not letting him out, and she was being peeled into such a fragile state by him.

“didn’t you want to sleep with your sister? I’m going to carry you out now and let your sister see what your brother and sister are doing!” Tang Zheng turned his face and his warm lips were on her cheek.

pei qiqi punched his shoulder and kicked xuxu.

for a moment, what was originally just passion had now become a complete beast.

Tang Yu pressed against her passionately. Although he was passionate, he controlled himself.

He didn’t forget that Tang Xin was waiting there and might rush in at any time.

He exhaled with difficulty and looked down at the little girl whose face was red and her heart was beating fast. He said in a hoarse voice, ” “I’ll let you off.”

pei qiqi was soft in his arms. at this moment, she still dared to provoke him, ” “Actually, it’s a waste of time.”

tang yu immediately understood. for free?

”pei qiqi, other than giving birth, do you think i, yueyue, can’t make you scream in joy?” he pressed his lips against her ear and said in a warm voice, ”or, let’s try it now and see how boss PEI pesters me for Yingluo when he can’t get pregnant.

he was really shameless!

PEI Qiqi buried herself in his arms and couldn’t listen to another word.

he laughed in a low voice, and the deep laughter shook his heart.

he reached out and touched her long hair. ”qiqi, leave before i change my mind. ”

otherwise, he could not guarantee how he would treat her!

pei qiqi widened her eyes and glared at him. her eyes were filled with tears.

he exhaled with difficulty. before she left, he suddenly grabbed her little arm and called out in a deep voice, ”qiqi. ”

She looked at him pitifully.

this made tang yu want to tease her again. his long fingers gently touched her red lips and he said in a low voice, ”what should i do? she’s not a girl who’s ovulating. ”

Her face was completely red, and she bit his neck. bad guy.

the side of his face was pressed against hers, and there was a touch of brightness in his eyes. it was an expression she was most familiar with.

no matter how many times it happened, pei qiqi was still shy. she wrapped her arms around his neck, ” “I’m leaving?”

tang yu looked at her deeply. all his feelings were written in his eyes.

She rubbed against him coquettishly. otherwise, Tang Xin will be anxious. You don’t want to be interrupted by Yingluo, do you? ”

Only then did he let her go and take a step back to let her charge at him.

Chapter 587-closing the door, spreading dog food!(5)

pei qiqi walked out of the bathroom. she was only wearing white pajamas and her skin was pink. her long hair was tied into a ponytail and she looked pure and alluring.

”pei qiqi, i regret letting you go. ” He caught her and kissed her fragrant Little Neck again and again. The tip of his slightly cold nose touched her, and it was a little itchy.

PEI Qiqi pressed against his chest and her little hand gently stroked it. She bit her lip, ”I’m done!

Her eyes were wet and she looked like she wanted to kill him. Tang mo kissed her fiercely for a long time before letting her go.

When PEI Qiqi walked out, her legs were soft and her whole body was soft.

In the room, he closed the door and leaned against the door to see that Tang Xin had fallen asleep.

She tilted her little face, and her thin little face looked cute and beautiful.

PEI Qiqi looked on and felt a little sour and bitter!

He walked over slowly, but he didn't sit on it directly. Instead, he squatted in front of Tang Xin.

he reached out to brush away the hair in front of tang xin and said in a low voice, "big sister will definitely think of a way."

She thought Tang Xin had fallen asleep, but Tang Xin woke up again. In a daze, she hugged PEI Qiqi's arm and called, 'Qiqi'.

pei qiqi's heart was wet and there was an indescribable feeling.

I'll be fine, Tang Xin. I promise. She bent down slightly and kissed Tang Xin.

this small person really gave her a feeling of being one with her. this was a feeling that pei huan had never given her before.

the next day, pei qiqi didn't go to work and stayed at home with tang xin.

Early in the morning, Tang Yu went to the office. At 4 pm, he sent a car to pick her up to the salon. Of course, PEI Qiqi also called little Wen.

Tang Xin lay on the sofa and looked at PEI Qiqi and Xiaowen.

it was really beautiful.

xiaowen was wearing a light blue long dress. the strapless design highlighted her figure very well. she didn't notice that xiaowen was so full before.

PEI Qiqi took out a diamond necklace from the jewelry box and put it on for her. It was real and it was the finishing touch.

xiaowen looked at herself in the mirror and couldn't believe it.

"it's very beautiful." PEI Qiqi smiled, "good luck!

xiaowen's face was a little red as she turned around to look at the row of gowns. "boss pei, you can't just focus on my side. there's still an hour left. you should quickly pick one yourself."

just as pei qiqi was about to speak, tang xin pointed at something and shouted, "this one looks good."

She even ran over, took the dress down, and handed it to PEI Qiqi, "it's really beautiful.

"Hurry up and change."

pei qiqi glanced at tang xin but still followed the staff in.

when she came out, her expression was a little strange, and tang xin also swallowed her saliva.

oh my god!

Yingying was really as beautiful as the sky.

The silver evening gown on PEI Qiqi made her look like a mermaid.

the gown was very conservative, and everything that should be covered was covered, but the upper body was very close-fitting.

she had a small shoulder, a small waist, and a small chest. there was an exquisite diamond ring around her waist, and below it were layers of tulle, which reached her feet.

The highlight of the entire gown was the pair of small arms that were exposed. Her skin was as fair as snow, so tender that it made people want to take a bite.

tang xin stood and looked at it, then reached out and touched it in an unruly way, and exclaimed.

pei qiqi laughed and was angry at the same time, " tang xin! "

Chapter 588 His proposal (part one)

Tang Xin reached out again and touched it as if it was an antique, " Qiqi, no wonder brother became worse than a beast.

pei qiqi pinched her little face,"nonsense."

Xiaowen was laughing so hard that she was shaking like a flower.

Tang Xin pouted and muttered, " "it's true. even i want to touch it after seeing it."

not to mention her brother.

pei qiqi's dress was designed to be shoulder-length, so she only had a diamond necklace around her wrist. her long hair was pulled out in two strands and fixed at the back with a crystal clip. she looked pure and a little sexy.

she stood there and looked at herself in the mirror in a daze.

"it's so beautiful!" tang xin carefully held her skirt, " qiqi, you just need to be as beautiful as a flower. "

Xiaowen had been narcissistic just now, but now she felt like she had been killed in seconds.

How should she put it? any woman who put in effort to dress up would seem a little rough in front of boss PEI.

her beauty was sweet and moving, like a moving oil painting.

The long silver dress she wore tonight added a bit of fairy-like beauty and glowed.

This shock continued all the way to the celebration party in the evening.

At the entrance of the Lin group's five-star hotel, luxury cars and the smell of clothes were gathered.

There was a long red carpet at the entrance, and the two stops were filled with reporters. The cameras in their hands flashed from time to time as the guests walked on the red carpet.

almost all of the important clients who had dealings with the lin group or marvel were there, and the reporters were surprised and crazy to find that-

Old master Lin was here!

Lin Yun was here!

tang zhiyuan was here!

these three people rarely appeared together because of their close relationship.

however, the one who appeared with lin yun was zhao yi.

The reporters went even crazier. Was this the sign that the former Mrs. Tang was going to have a second time?

in that case, if tang zhiyuan appeared at the same time, wouldn't he be smacked in the face?

suddenly, the red carpet was extremely lively.

Tang Zhiyuan's mood was extremely bad. Lin Yun asked him to come over and said that it was something important.

wasn't it just a celebration party?

He thought that she had changed her mind, but when he came here, she and Zhao Yi appeared at the same time.

He had wanted to question her, but there were too many people around. Also, the pregnant model hadn't aborted the child yet, so he didn't have a position to do so.

So, Tang Zhiyuan just looked at Lin Yun and Zhao Yi standing side by side. Although they didn't do anything too outrageous, he was still furious.

however, tang zhiyuan was a celebrity after all, and it was such an occasion, so no matter how unhappy he was, he could only suppress it. when he passed by lin yun, he asked in a low voice, "what's going on?"

Didn't she know that two tigers couldn't live on the same mountain?

This was a big deal for Marvel under the Lin group. He was considered the son-in-law of the Lin group. If she stood with Zhao Yi like this, wouldn't she be deliberately making things difficult for him?

Lin Yun looked at him indifferently and said slowly, "it's nothing. of course, if you don't want to, you can leave."

tang zhiyuan's heart was in a mess. she was now with another man and had nothing to fear.

At this moment, Tang Yu walked out of the hotel in a daze.

The moment he came out, he was extremely eye-catching.

Usually, Tang Yu was already very particular and Noble. But today, he was even more eye-catching. He was very formal and almost cautious.

of course, with him acting like this, there was a kind of restriction all over his body. The taste of desire.

Chapter 589 his proposal (part two)

tang yu greeted the few elders. when he saw tang zhiyuan, he nodded, "Dad," he said.

Tang Zhiyuan's heart was in a mess. He pursed his lips and mumbled,

It was rare to see five of them in the same frame.

The reporters had always had a dog's sense of smell. They immediately realized that the reason why Tang Zhiyuan was unhappy was because of Lin Yun and Zhao Yi's argument.

it was really the blood of a wealthy family.

She wasn't afraid of how ugly Tang Zhiyuan's expression was. She pressed the shutter without any hesitation, making Tang Zhiyuan's face turn uglier and uglier.

However, no one cared about his feelings. Just like how he abandoned Lin Yun back then, he didn't care about Lin Yun's feelings either.

Fortunately, a black limousine slowly stopped in front of the red carpet. Tang Zhiyuan could tell that it was Sheng Yuan's limousine. The only person who could come in this car was PEI Qiqi.

As expected, Tang Yu walked over.

The driver got out of the car. He was wearing white gloves and a well-ironed uniform. He opened the back door.

pei qiqi slowly got out of the car. her long silver gown dazzled the entire red carpet.

In the strong night wind, she stood there with her black hair and red lips.

That was the first time she was standing face to face with him in front of everyone.

At this moment, her name was PEI Qiqi. She had proven herself. She was no longer an accessory to anyone.

tang yu's steps were fast at first, but when he saw her, he slowed down. in the end, he stood under the stars and looked deeply at his beautiful little girl.

his qi qi was so beautiful, so beautiful that he wanted to hide her away and not let others see her.

The young man's eyes were moist for the first time.

it was on this day when they simply stood together that his qi qi had sacrificed a lot.

Although she didn't say it, he was very clear about his little girl's pride.

Tang Yu smiled at her. His eyes were filled with deep love that only she could see.

finally, she slowly walked towards him, step by step.

every step was filled with his deep affection. he was the one who called out, " "qi qi, come here."

finally, she walked to his side.

Tang Yu's voice was a little hoarse. boss PEI, you look very beautiful today.

Her eyes were fixed on his face, and she couldn't move them away. Her lips curved into a faint smile."You too, Mr. Tang."

Tang Yu's eyes scanned the surroundings and suddenly had an interesting thought, " PEI Qiqi, if I do something right now, would you be surprised or touched to tears? "

What?

She didn't have time to react.

Tang Yu knelt down on one knee in front of the young girl-
the stars and the moon were proof.
the crowd exclaimed in shock!
heavens! Mr. Tang is proposing!

The young man's face was moved like never before. He raised his head and said in an extremely humble and tsundere manner, PEI Qiqi, I'm willing to spend the rest of my life doting on you, torturing you, making you happy, and making you unhappy. Yueyue, when I see you happy, I'm happy. When I see you angry, I'm even happier. Yueyue, are you willing to accept this Mr. Tang? "

PEI Qiqi just looked at him like that. Her eyes welled up with tears but she pouted, " pervert!

tang yu laughed and took out a ring from his pocket with one hand. he still looked up at her, " " pei xiao qi, can you accept such a pervert as your husband? "

he opened it with one hand, and a dazzling heart-shaped diamond ring appeared.

Tang Yu seemed to be holding his heart in front of PEI Qiqi.

PEI Qiqi's voice was a little hoarse, " what about you? "

He smiled slightly, picked up her small hand, and put the diamond ring directly on her slender finger.

Chapter 590 his proposal (3)

A round of enthusiastic applause rang out from all around. The reporters had not expected to see a proposal today.

how romantic! xiaowen wiped her cat urine. what was this? it was not easy for her to dress up like this, but now there was no limelight.

she wiped her tears, and dink, who was behind her, handed her a tissue and smiled. " "every girl will have such a day, but it may not be as grand as this."

xiaowen was a little touched!

But ... He paused for a moment before continuing with his venomous tongue. however, Xiaowen, you're not as beautiful as boss PEI. That's why you should lower your standards.

xiaowen glared at him.

"Alright, let's go in!" Dink laughed.

"I'll look at it for a while longer," Xiaowen said, glancing at him.

On the other side, Tang Yan followed PEI Qiqi's arm and stood up. She went forward and hugged her.

She was completely in his arms. He held her in a restrained manner and gave her a very restrained kiss.

"Mrs. Tang, you can't run away." Tang Yu's voice was trembling. He wasn't as calm as he looked.

pei qiqi's little hands were wrapped around his waist and her face was on his shoulder. she said these three words in a very, very small voice.

his body froze for a moment, and after a long time, he pushed her away and looked at her little face carefully.

She thought he would let her say it again, but he just smiled. "Mrs. Tang, you can tell me this again tonight."

Then, he took her little hand and walked to the old man and Lin Yun. "greet them,"

pei qiqi obediently called her grandpa xuxu to lin yun and called her mom like a kitten.

tang zhiyuan, who was standing at the side, saw that lin yun's expression didn't change. he couldn't help but sigh. his ex-wife was really magnanimous.

He felt a little emotional. It seemed that no one cared about him anymore, and no one cared about his past with Zhao Ke.

That's right, everyone was happy, so why would they care about him?

would he still care about a dead person, a zhao ke?

Tang Zhiyuan had a feeling that he had lost all his power and his expression was a little dejected.

luckily, pei qiqi only called zhao yi 'uncle zhao'. if she called him 'dad', tang zhiyuan would have vomited blood!

Lin Yun gave him a red packet, and Yi Zhao also took out a red packet calmly.

this meant that they had known about it beforehand.

When Zhao Yi took the red packet, the old man coughed lightly, "kid Zhao, you can't miss it. This is Tang Yu's only wedding.

"I'll make up for it later." Zhao Yi was very easy-going, and he was not angry because of the old man's childlike anger.

However, there was one person who was angry. It was Tang Zhiyuan.

what's going on with lin yun and zhao yi giving out red packets together?

did he think that tang zhiyuan was dead?

However, no one cared about his feelings. It was only when it was his turn that he realized he was unprepared.

however, he didn't want to lose face. in order to show his status as the 'legal wife', tang zhiyuan's face was cold."What, you don't know how to call me anymore?"

"Uncle Tang,"

no one paid attention to pei qiqi.

"uncle tang,"

tang zhiyuan still snorted coldly.

who's your uncle's?

How can I be compared to Zhao Yi, who doesn't have any status?

tang zhiyuan's face was cold and he didn't say a word.

Tang Yu smiled, " Qiqi, call me daddy.

pei qiqi looked at tang zhiyuan and asked him if he dared to call her, but would he dare to respond?

Tang Zhiyuan looked at PEI Qiqi teasing the little girl. Why would I not dare?

as a result, tang zhiyuan was finished off by lin yun in a few moves. she brought a man with her and tang zhiyuan was provoked.
