Chapter 591 his proposal (part four)

in the end, she felt a little uncomfortable because tang zhiyuan didn't bring any red packets.

In the end, someone brought a check over and Tang Zhiyuan wrote a set of numbers. it would be embarrassing to write less, wouldn't it? in the end, he wrote a check for 10 million yuan and kept it for his girl.

The reporters were taking photos like crazy, but there was a cold figure standing far away in the midst of the flashes.

it was shen chongshan.

ran ran was engaged to zhao ke's daughter. she called all the elders, but he was not there.

shen chongshan felt a sense of loneliness.

in her heart, there was an indescribable feeling. not only tang yu, but also pei qiqi's upcoming marriage to tang yu. also, shen lian's loss this time was a huge one.

Not long after she was transferred to the headquarters of Jintai, the first project she hosted failed and was even defeated by the unknown PEI family. Everyone in the company did not think highly of her and felt that she was acting on her emotions.

Shen Chongshan's feelings towards PEI Qiqi were a little complicated.

he didn't love zhao ke, but he admired this young lady.

pei qiqi was stunned and looked like him!

Her personality was like his, having the boldness of his youth. Her eyes also faintly revealed his appearance when he was young.

however, why did zhao ke give birth to such a young daughter for him?

Shen Chongshan could only sigh.

however, the reporters were not willing to let him go. soon, some cameras captured shen zhongshan.

Shen Chongshan was Shen Lian's father. Even though Tang Yu and Shen Lian's relationship wasn't that dramatic, it did exist.

so, countless microphones were pointed at shen zhongshan, asking him to express his thoughts.

From a distance, Tang Zhiyuan felt some sympathy for Shen Chongshan. He had thought that he was already miserable enough, but now, brother Shen seemed to be in an even worse state.

shen zhongshan was forced to walk in front of the newbie. he looked at pei qiqi and his voice was a little hoarse, " "When you get married, I'll ask for a glass of wine."

Tang mo naturally responded with ease.

No one else noticed anything strange. Only PEI Qiqi saw that Shen Zhongshan's eyes were a little wet.

was it because she was sad?

It's sad because of Shen Lian, Yingluo.

She hummed in agreement, and Shen Chongshan looked at her deeply for a long time.

This child was really good-looking!

In the end, the celebration party turned into an engagement party.

at the opening dance, pei qiqi was dancing in tang yan's arms.

her small hand was placed on his shoulder, and the two of them were very close to each other. they were so close that her nose was filled with his refreshing masculine scent. The desire was inexplicably seductive.

PEI Qiqi's voice was a little soft, " why didn't you say so earlier? also, why did you use Marvel's name to do it? "

pei qiqi looked at the sparkling diamond ring on her finger. it still didn't feel real.

Did they really set a title?

Tang Yu lowered his head and looked at his little fool. He chuckled, " if you're not sure, I'll make a mark on Mr. Tang's body when we get back tonight.

she looked up at him and tang yu's heart skipped a beat. he leaned in and whispered in her ear, " qiqi, did i ever tell you that you're beautiful tonight? "

" also, the reason why i'm using marvel's name is because i mind. i mind that you and wang ziqi stood together as the male and female hosts last time. " Mr. Tang Yu was narrow-minded but also very confident.

pei qiqi glanced at wang ziqi, who was sitting in the corner. he was very outstanding.

She leaned on Tang Yu's shoulder and chuckled. Then, she secretly bit him, " "you're so petty."

Chapter 592 His proposal (5)

Tang Yu turned around and looked away from her, not letting her look at other men.

yes, he was indeed petty.

she couldn't even take a look at other men.

they danced together. other people only saw tang yu's deep love and the perfect couple. they didn't know how difficult it was for them to be together today.

Lin Yun looked at them quietly, her eyes full of deep thoughts.

Tang Zhiyuan looked at her. The Lin Yun at this moment looked like the little girl from more than 20 years ago.

There was love in her eyes.

but, yunyun, do you still have me in your love?

lin yun felt tang zhiyuan's gaze. when she looked back at him, she was as calm as water.

all that love, all that hate, they were all gone.

there was only a faint nostalgia for the past.

he couldn't go back anymore, he and yunyun ...

I can't go back.

Tang Zhiyuan's eyes were filled with desolation. He had actually used so many years to understand.

if it wasn't for the absurdity of his relationship with zhao ke, even if he was cruel enough to not be with zhao ke when zhao ke found yunyun, would he also be very happy now?

Was he still the person beside Yun Yun?

however, no one could answer his question.

looking at the pair of men on the wall in the middle of the dance floor, little wen was so touched that she wanted to cry.

They looked so compatible. When they stood together, it felt like there was no room for a third person between them.

Moreover, it was so beautiful that it made people want to cry.

Xiaowen was afraid of losing her composure, so she picked up the cocktail beside her and drank it one glass after another.

slowly, the couple in front of her became even more beautiful, because ...

There were now four people in front of him, eight people. Why was it so chaotic?

xiaowen drank too much and wanted to cry.

Where was her Mr. Right?

At this moment, an arm was placed on her waist. The man's voice was a little soft. are you drunk? "

There was a faint reprimand, but he still doted on her.

xiaowen looked at the four, no, two men in front of her.

How could there be two dinks?

"you're drunk. i'll bring you to my house to lie down for a while, okay?" The man's voice was coaxing.

Go to dink's house and lie down for a while?

Xiaowen blinked, then clapped a little and said excitedly, " Alright, alright. I was going to pounce on you anyway. Now's the perfect time.

dink smiled warmly and quickly brought the drunk little wild cat home.

As for who was eating who, it was unknown. But that night, Xiao Wen felt-pain on her skin-

IT men were not only coy, but also particularly rough.

she almost cried.

after a midnight dream, he sobered up and moved. his whole body felt like it had been shattered.

She suspected that she had been disassembled and reassembled by someone. The moment she moved, the man beside her woke up and bent down to kiss her. his voice was hoarse.

Xiaowen lay there with her eyes open, helplessly looking at his bare, muscular body.

They were lying together in a daze, with only a blanket covering their bodies.

her eyes widened. she had been eaten!

Dink kissed her and admired her helpless look. He laughed in a low voice. "haven't you been planning to take me down? Now I'm going to do it here, I can do it twice, if you don't feel pain, let's continue to do it. "

xiaowen lay back down heavily, her hands covering her eyes, but it couldn't stop the man's wolf-like ferocity.

what's wrong?

She was the one who wanted to push him down, so why did he bring her back to his house?

also, this kind of thing, one time was enough. why did yingluo have to do it again?

Chapter 593 you are my real estate, mr. tang (1)

on the other side, the banquet at the lin family's hotel was in full swing. tang yu left with pei qiqi.

He had drunk a lot of wine. It was an engagement, so there would always be people who would come and make a scene.

usually, he was serious and no one dared to joke around with him. however, none of his employees were afraid of him tonight. they took turns to toast him, and he drank them all.

At this moment, he and PEI Qiqi were sitting in the back seat. There was a partition between them and the driver.

However, this also made the back seat seem a little narrow, and his breath was everywhere.

tang yu leaned back in his chair and pressed pei qiqi's little face on his shoulder.

She had always been obedient.

as for himself, he couldn't help but turn his head to kiss her.

Because of the wine, the breath he spat out was scorching hot.

pei qiqi was exceptionally obedient tonight. if he wanted to kiss her, she would sit in his arms and let him kiss her.

The little thing in his arms had her eyes covered, and her small body was soft and fragrant.

as a man, he naturally missed her.

however, they were getting engaged today, and he didn't want to be so hasty.

Tang Yu let out a deep breath, " I'll deal with you when we get home.

His little one laughed naughtily in his arms and played with the diamond ring on her hand.

Tang mo glanced at her, reached out to untie his tie, and said in a hoarse voice, " "Do you like it, Qiqi?"

She said very obediently, "I like it!" But I like Mr. Tang more."

Tang Yu was still leaning back in his chair. His long fingers found her little face and pinched it, "PEI Qiqi, your sweet nothings are getting better."

Her small body was on his shoulder, and her small mouth was on the side of his ear.

The way she was acting right now, she was more or less trying to seduce him. He knew that too, but he was just pretending not to know.

She leaned close to his ear and smiled naughtily. these are not sweet words, Mr. Tang. You are my immovable property.

that's why it's cuter than a diamond.

after that, she gnawed on her immovable property and provoked him with no regard for her life.

other than provoking him, she had to admit that she also had the intention to want him.

After gnawing for a long time, she stopped gnawing at Yingluo.

Tang Yu lowered his head, "baby, what's wrong?"

pei qiqi raised her head, "it's not easy to get pregnant."

he let out a deep breath. "qiqi, since when do we have to be together in a certain period?"

"You were the one who said it." She lowered her head and looked very aggrieved.

Tang Yu couldn't help but be a good boy. PEI Qiqi laughed evilly as she leaned on his shoulder. Then, she bit him, "Tang Yu, you fell for it.

he held her little face and looked at her.

Pei Xiao Qi was very proud. Her pretty little face was full of pride. Tang Yu looked at her for a while. Then, he turned her face and kissed Yingluo hard.

little thing! you're dead!

The moment they returned to the Rose Garden, PEI Qiqi jumped out of the car first. She lifted the hem of her dress and ran towards the main house. In the silver dress, she looked like a little fairy under the moonlight.

tang zheng leaned against the car door and watched for a while, then smiled and quickly chased after her.

Chapter 594 mr. tang, you're my real estate

When he arrived at the main house, he called the little maid and ordered that no one was allowed to enter the main house tonight.

he wanted to give his little one a good whipping.

tang yu took off his jacket and threw it on the sofa. then, he loosened his tie, rolled it up, and walked upstairs in a daze.

The lights in the main residence were dreamy and dazzling tonight.

“Qi Qi?” tang yu slowly walked up the stairs and called out to his little girl, “ mrs. tang?”

however, it was quiet all the way to the bedroom.

Tang mo stood there and smiled. He put his tie aside and then sat on the sofa.

she held her forehead with her fingers and smiled lovingly, “Mrs. Tang, if you don’t come out now, I can guarantee that you won’t be able to sleep tonight.”

there was no sound for a long time.

tang yu rested for a while. just as he was about to get up, his little guy walked out of the changing room.

he was only wearing a white shirt.

his white shirt.

Other than that shirt, he could not see anything else.

The loose shirt on her small body made her look beautiful and sexy, especially that pair of tender little legs. He almost couldn’t take his eyes off her.

Tang Yu didn’t move from his seat. His voice was hoarse, “ Qiqi, come here.

he reached out his hand to her.

the little person slowly walked over barefooted and climbed onto his knees like a little wild cat.

tang yu’s voice was hoarse, “ where did you get this? ”

As he said this, his large palm had already uncontrollably struck inside, just as he had imagined.

There was nothing inside.

his breathing became a little more heated, and the way he looked at her also became a little more intense.

“i found it in your closet.” She obediently wrapped her arms around his neck and begged him, “ “Big brother.”

Tang Yu’s beast blood was all ignited!

He used some brute force to pull her into his embrace. His Jade-like fingers pinched her sharp chin, “ PEI Qiqi, are you looking for death? ”

Her long hair had been let down and fell on her small shoulders. Together with the pure white shirt, she looked petite and beautiful.

Her small hands were hanging around his neck, warm, and she was calling him big brother, big brother in a mess.

As an older brother, how could he hold back his wailing?

tang yu’s eyes were filled with a deep desire that couldn’t be looked at directly. his thin lips touched the side of her lips, “ mrs. tang, let’s take our time. ”

He had such a bad taste, and she deliberately seduced him. Although he was eager, he took his time. So slow that PEI Qiqi wanted to cry.

She was such a young girl, and she was wearing his shirt, crying and begging him. no man would be able to stand that kind of situation.

Not to mention, it was a man in beast form.

However, Tang Yu held it in and tortured her evilly. Seeing her beg him, he thought it was real and interesting.

The little girl's eyelids were pink, and her long eyelashes trembled slightly. There were one or two drops of emotional tears on them, which rolled down with a blink.

Tang Yu lowered his head and kissed the tear away with his Hot Lips.

after that, he stretched out his beautiful fingers and gently touched her small mouth. he said in a meaningful voice, " "Qiqi, you can still ask for more."

She opened her eyes and looked at him. Her eyes were dazzling.

Tang Yu couldn't help but lean down and kiss her pink eyes. He then teased, " Qiqi, I want to eat you up when you're like this.

she trembled even more. he was clearly eating her cream.

Chapter 595 you are my real estate, mr. tang (3)

In the end, she had no choice. She lifted her body and leaned into his ear, acting coquettishly, praising him, and saying whatever he liked to hear.

She called him 'brother', 'father', and finally, she was forced to say some vulgar words that made her blush and her heart beat faster. Only then did he let go of her and let go of her.

The night was long-

the slightly drunk tang yu didn't seem to feel tired as he wrapped himself around her little body again and again.

Sweat was dripping down.

he only let her go when the sky was slightly bright.

He knew that his little girl loved to be clean, so he gave her a simple wash and hugged her to sleep.

The two of them were only wearing thin bathrobes, and they hugged each other. There was a very close warmth. Her long hair wrapped around each other, and it was like their fates, tightly entangled.

Tang Yu thought she was asleep so he closed his eyes. Then, he heard the little girl in his arms ask, " Tang Yu, I still haven't given you \$200.

He recalled the story of the two hundred Yuan and smiled. I thought that boss PEI would be willing to add a hundred Yuan after my performance last night.

"oh, add me in." PEI Qiqi buried her head and mumbled.

tang yu muttered, " yes, i told you mrs. tang's sweet nothings are getting better and better, yingluo. "

He paused for a moment and then continued in a hair-raising voice, " "so, in order to praise mrs. tang, mr. tang decided to do it with his own body."

As he said this, he was about to ruthlessly whip her.

pei qiqi shamelessly hugged his waist and said in a small voice, " i don't care, yueyue. i don't want it anymore, yueyue. "

Tang Yu lowered his head. His voice was a little warm, " then from now on, I'll say that baby Yingluo has to be good, Yingluo.

the little one in his arms nodded obediently. " "I know, brother."

tang mo suppressed his hot blood and lowered his head to kiss her forehead."You little bad thing, you still dare to provoke me now! Hmm?"

she, yingluo, was really becoming more and more perverted.

PEI Qiqi chuckled and buried her face in his neck.

After a while, she softly said,"Tang Yu, I feel so happy,"

If ... If Tang Xin's illness could be cured and she could see Tang Xin get married, then she would be happier and better.

Tang Zheng didn't hear her speak for a long time. He looked down and saw that there was a touch of anger on her beautiful face. He knew what she was thinking.

he kissed her. " qiqi, tang xin's body isn't that impatient. let's take it slow. "

His little girl was the one who couldn't bear to hear the words 'take it slowly' the most. She buried her face in his arms and bit down hard, right on his most vulnerable spot.

tang yan wanted to scare her, " pei qiqi, i'm not full yet! "

perverted, beast!

it had been a night!

however, pei xiao qi didn't dare to provoke him anymore and obediently nestled in his arms.

After a long time, Tang Yu was about to fall asleep. His Mrs. Tang looked up at him and asked, " "Tang Yu, are you still hungry? Do you want me to cook some noodles for you?"

Mr. Tang's answer was to press her down, and then he said,

He ate the noodles she had cooked (ate it all)...

He had wanted to do this for a long time!

early in the morning, when pei qiqi woke up, tang yu was no longer in bed.

She turned her body sideways and stroked his pillow with her fingers. She smiled and teased him.

She was too lazy to move, and she didn't want to get up to look for him.

Because, on a morning like this, he would not bear to leave her behind.

The door was pushed open gently.

She fell softly on the pillow, hugged his pillow, and looked at him softly ...

Chapter 596 Mr. Tang, you are my real estate (4)

Tang Yu was holding a big bouquet of white roses in his hands as he slowly walked in.

in the morning light, he bent down and kissed the cute little thing on the bed.

pei qiqi took the initiative to hug him. the two of them kissed for a while before he let her go. his voice was a little hoarse, ” do you like it? ”

“are you talking about the flowers or your kiss?” the corners of her mouth curved up slightly.

tang yu maintained his position of touching her lips and chuckled, ” “mrs. tang, it’s a two-way choice,”

“You’re the best!” she kissed him.

Tang mo smiled, holding her in one hand and scattering the roses on the White bed in the other.

she was lying in the middle of the white roses, her dark red lips were indescribably moving.

he sat beside her and did not do anything. he just reached out and touched her red lips.

PEI Qiqi called his name softly and leaned her head on his leg.

the morning light shone on them, and that moment was peaceful and beautiful!

however, beauty was sometimes short-lived.

Just as the two of them were feeling tired, the maid’s uneasy voice came from outside. Sir, there’s a delivery outside.

express delivery?

Tang Yu stood up, ” she told me to wait downstairs.

The maid added, ” it’s for miss.

pei qiqi looked at tang yu and wrapped her arms around his neck, ” “carry me down.”

The maid was still at the door, blushing.

tang yu was the type of man who was very introverted on the outside and let it out on the inside ...

to put it bluntly, it was boring.

the maid was also there. he looked at pei qiqi and his voice deepened, ” “Qiqi.”

“Call me Mrs. Tang,” She was not afraid of him at all, lying in his arms like a Rascal!

tang yu had no choice but to carry the little person downstairs.

“Close your eyes,” he said as he walked past the maid.

But Mrs. Tang hugged his neck and kissed him hard.

He had destroyed Yingluo, but no matter what, he couldn't bear to be fierce to her.

Downstairs, even Tang Yu couldn't remain calm.

downstairs, there was a little princess made of roses. she was very exquisite and beautiful.

Seeing PEI Qiqi standing there and looking so happy, Tang Yu asked the maid beside him, " who sent this? "

this was naturally for pei qiqi. he was a man, so of course he didn't need these.

The maid handed him an envelope. this.

Tang Yu gestured for her to leave. He opened the pink card and saw a few congratulatory words and the name " Qin Anlan " .

Most importantly, there was a piece of suet white jade in the envelope.

What was this?

tang yu frowned and looked at pei qiqi who was still looking around. he suddenly felt like his fingers that were cutting the roses were just balls. it hurt so much.

" tang yu, you're so pretty. " She sprinted over and wrapped her arms around his neck like a lively bird.

Tang Yu lowered his head and kissed her on the forehead. Then, he handed her the envelope, " "it's a gift from qin anlan,"

pei qiqi's smile froze for a moment before she opened it.

" it seems like an lan is quite concerned about you. " Mr. Tang touched his nose and walked to the sofa at the side.

PEI Qiqi lowered her head and looked at the words on it. Then, she picked up the piece of Jade and looked at it for a while. She ran over to him and knelt beside him.

tang zheng glanced at her and continued to drink his coffee, ignoring her.

PEI Qiqi hugged his arm and acted coquettishly, " "you're angry?"

Chapter 597 you are my real estate, mr. tang (5)

"No, I didn't!" Tang Yu looked at his little girl again, " "Do I need to be angry with him?"

PEI Qiqi hugged him and stuck close to him. She raised her little face and tried to please him, " I like Mr. Tang's white roses more.

Because he had personally picked those roses for her this morning. Perhaps he had personally planted these roses, so to her, they were naturally different.

Maybe it was because she was trying to please him, Tang Yu was finally willing to kiss her.

However, Mr. Tang's face was full of disdain.

however, pei qiqi was still very happy. she was like a puppy trying to please him.

it was just short of barking!

Tang Yu, Tang Yu, Tang Yu!

It was still a look of disdain.

” brother yingluo ” looked at him with her wet eyes. ” i’ll throw it away immediately. ”

Tang Yu looked at the puppy in disdain, ” if you like it, then keep it. But if you don’t want this lock piece, then forget it.

it was enough that she had what he gave her.

the puppy nodded obediently, and yingying, who was thrown far away, pounced over and called him big brother again.

tang mo brushed away the long hair on her small face and kissed her for a while. his voice was a little hot before he whispered,”Why are you acting like a child now?”

PEI Qiqi wrapped her arms around his waist like a little lunatic.

After a while, her small face was buried in his arms and she did not move.

tang yu’s fingers gently caressed her long hair and helped her straighten it. his voice was also unbelievably gentle, ” “What’s wrong with our Qi Qi?”

pei qiqi’s voice was a little hoarse as she looked up at him, ” tang yu, i still don’t feel real. ”

Her voice was very soft, and each word seemed to have entered his heart ...

“do i really have a home again?” She looked at him.

Tang Yu smiled warmly and reached out to pull her into his embrace. He hugged her gently and took today’s newspaper with one hand, ” PEI Qiqi, you can’t run away from this.

Today’s newspapers were all about them.

PEI Qiqi blinked her eyes and wiped away the tears and uncertainty in her eyes.

A big warm palm covered her fluffy little head ...

“qi qi, you little fool.”

“i’m not an idiot.”

—

“isn’t it?” Tang Yu smiled and rubbed her, ” change your clothes and eat breakfast.

he got up, pulled her up, and patted her little P * ss. ” go upstairs and change your clothes. ”

She did not move and looked at him pitifully.

“you want a hug?” tang zheng turned his face and chuckled.

pei qiqi grunted and her little hands automatically wrapped around his neck.

tang yu carried her up and headed upstairs.

“En, PEI Qiqi, Hello.”

Tang Yu, I like you.

“pei qiqi, you’re going on a diet?”

Tang Yu, I love you Yingluo.

.....

in the end, breakfast turned into lunch, and they shared the sweetness of the morning.

Tang Yu used the two days of vacation to bring PEI Qiqi to the surrounding cities for two days.

however, most of the time, she would play with him during the day and he would play with her at night.

it was a holiday, but it was more tiring than working.

at night, pei xiao qi lay on her side and looked at the man who was only wearing a bathrobe as he walked out of the bathroom. she pouted and complained, ” Tang Yu, I think we should get a card reader at the head of our bed. I’ll clock in to work every day.

Mr. Tang, who was about to bend down to kiss her, paused for a moment and then said meaningfully,”mrs. tang, i thought you would need a timer.”

She covered her face and turned over to lie down. you’re shameless.

Chapter 598 qin anlan’s heart is moved (1)

tang yu wasn’t going to let her go tonight either, but now, seeing his little girl like this, he couldn’t bear it.

hence, he leaned against the headboard and pulled her into his arms. he kissed her and said, ” i’ll let you off tonight. ”

PEI Qiqi couldn’t believe her good luck. She opened her eyes wide and looked at him innocently.

“mrs. tang, if you keep looking at me like that, i can’t guarantee that i won’t break my promise.” mr. tang took off her small body and lay down, putting her in his arms.

he trapped her with his long arms and legs, and his voice was a little hot. ” qiqi, time to sleep. ”

his little girl insisted on teasing him. she tugged at his bathrobe and said in a small voice,”i want big brother to coax me.”

mr. tang closed his eyes and went through all the major decisions of the company before he decided not to immediately do anything to his little girl.

the next day, one was full of energy, while the other was not satisfied.

Tang Yu drove her to the PEI Corporation. Before they got out of the car, PEI Qiqi mischievously kissed his handsome face, ” “See you in the evening, Mr. Tang.”

tang yu didn’t move and smiled, ” “I’ll pick you up after work.”

pei qiqi got out of the car and bent down to wave at him.

he smiled and drove the car away.

pei qiqi went upstairs to her office and xiao wen followed, ” ” boss pei, marvel’s commercial is scheduled to be filmed today. KING entertainment’s secretary, boss qin, called and asked you to follow up. ”

pei qiqi sat down and looked up, ” is it still pei huan? ” president qin didn’t change his mind?”

Xiaowen nodded. yes, it’s still PEI Huan.

Then, Xiaowen asked worriedly, ” ” boss pei, do you want to leave? i’ll go. dink will do too. ”

pei qiqi shook her head, ” no need. i’m too weak if i have to avoid this. ”

moreover, ” she paused, ” there’s no response from Marvel. I can’t say anything!

The product was produced by Marvel. No matter what, if they were not satisfied with PEI Huan, they would be the ones to suggest it, not the PEI family.

xiaowen nodded and begged. then, she looked at pei qiqi and didn’t say anything else.

She didn’t dare to say that she didn’t sleep with dink that night. Instead, she was slept by dink.

In fact, the result is the same!

PEI Qiqi only felt that Xiaowen’s face was a little red today.

however, she didn’t like to joke. it seemed that xiaowen had succeeded.

Who knew that she would be sleeping with dink instead?

She went to the set after dealing with some work, and Xiao Wen naturally followed her.

It was a little hot in the studio, and PEI Huan was standing and taking photos for the audition-

To be honest, PEI Huan’s appearance was not bad. She was dressed in a pure and innocent style today and looked more energetic than the previous few times.

qin anlan stood at the side and watched indifferently. his gaze was a little cold and disdainful.

He held a cigarette between his fingers, his posture relaxed, but also a little lonely.

pei qiqi thought her eyes were playing tricks on her, but in qin anlan’s eyes, she actually saw a trace of loneliness.

He walked over and called out to President Qin.

Qin Anlan looked at her and snuffed out the cigarette in his hand. His voice was a little hoarse when he spoke, ” you’re here.

pei qiqi stood beside him and before she could say anything, qin anlan said to xiao wen, ” “You don’t mind helping me buy a bottle of water, right?”

xiaowen was not very willing. boss qin did not seem to be a stable person. what if he did something to boss pei after she left?

Chapter 599 Qin Anlan’s heart is moved (2)

qin anlan had rolled out of a group of women. when he saw xiao wen’s expression, he smiled faintly.”there are at least seven or eight people here, what can i do?”

He even bent down and leaned close to Xiaowen's ear. why, little Secretary? are you afraid that I'll do something bad? "

At such a close distance, a man's breath rushed into Xiaowen's ears. Xiaowen had to admit that this guy was very unrestrained.

with a shiver, xiaowen ran out.

Qin Anlan straightened his body. The smile on his face had already been wiped clean.

"Don't scare her," PEI Qiqi said indifferently.

qin anlan's gaze became unfathomable. he looked at her and laughed softly. "pei qiqi, your little secretary should be in a broken place soon. just now, i smelled the scent of a beauty on her. "

pei qiqi said coldly, " xiao wen isn't a small-time celebrity or model in your company. don't have any ideas about her. "

qin anlan glanced at her again and crossed his arms in front of his chest. " i don't like this kind of plain vegetable porridge. "

After he finished speaking, he laughed. PEI Qiqi, you should be worried about yourself.

His words were more or less meant to provoke her.

pei qiqi understood, but she didn't reply. she was really stupid.

"You don't believe me?" &Nbsp; Qin Anlan smiled and lowered his head. you don't like the flowers I sent you? "

PEI Qiqi's gaze landed on PEI Huan and her voice was low, " "i think you should say this to pei huan!"

qin anlan's smile became more unrestrained. his slender fingers played with the lighter in his hand as he smiled. " me and her? There's nothing else other than physical contact, and I won't touch her in the future."

He would not touch any of the celebrities that the company had promoted and were on their way to stardom.

however, the prerequisite was that pei huan did not seek death!

However, the possibility of this was very small.

PEI Qiqi didn't say anything more. She just felt sad for PEI Huan ...

Qin Anlan looked at Jin Rong in disdain.

jinrong was so good, and pei huan was once so close to love.

That was once something PEI Qiqi could only look at but not reach. Now, PEI Huan had it.

How could PEI Huan be willing?

how could she be willing to give up on love and waste her time with one man after another?

pei qiqi took out something from her pocket and handed it to qin anlan, " "i've accepted the flowers. president qin, please keep this."

Qin Anlan looked down. It was the suet white jade that he had given away.

He looked at it for a while before saying softly, "PEI Qiqi, there's no reason for me to take back what I've given out."

pei qiqi gently placed her hand on his and said in a low voice, "qin anlan, whether i'm with tang yu or not, you're not the person i'm waiting for."

His body trembled. It turned out that he had thought that he had concealed it very well, or rather, he had lied to himself.

But in the end, it wasn't like she didn't understand, Yingluo.

he slowly closed his palms and smiled. "boss pei, you're thinking too much. this is just an ordinary gift."

as qin anlan spoke, there was a hint of undetectable loneliness on his face.

It had been a long time since he was in the mood to give a girl a gift.

it seemed that every woman who had slept with him was either a role or a cheque.

It's been a long time since I've given something to someone else.

the item he gave pei qiqi wasn't an ordinary item. he gave it to her without thinking.

it wasn't because he wanted to get anything. he simply felt that the jade was very white and suited pei qiqi.

However, he had forgotten that she already had someone else's gift. Why would Yingluo still want his?

qin anlan did not force her. he looked up at pei huan, who was filming. "she's quite talented."

pei qiqi followed his gaze and looked over. indeed, pei huan was photogenic. perhaps it was because this was her only chance to become famous, so pei huan was very serious.

PEI Qiqi looked at Wanwan and she would rather PEI Huan continue to work hard. That way, she would feel better.

"You didn't expect this, did you?" Qin Anlan took out another cigarette and lit it up. He took a slow puff."i have a good eye for people! pei huan has potential, but she's not as good as you. of course, if you say that i slept with her, it would be better to say that she took the initiative to look for me. and i have no problem with who a pretty woman is."

As Qin Anlan spoke, he smiled again. "I also want to know how PEI Qiqi's sister tastes like."

These words nearly provoked Yingying.

pei qiqi naturally ignored him.

&Nbsp; Qin Anlan smiled. what a pity. There's nothing special about it. she was just a woman who had been toyed with by many people. there was no trace of shyness, no trace of moving.

PEI Qiqi's face turned cold and she didn't say anything.

Qin Anlan did not speak to her again. He walked over to the director and said a few words before leaving.

His appearance was sudden, and so was his departure.

PEI Huan was a little unhappy.

Initially, she was quite happy when Qin Anlan came over and tried her best to show him.

PEI Huan was not stupid. She could only rely on Qin Anlan now, ran ran.

but what she didn't expect was that pei qiqi would come. even though she was filming a commercial, she could see the gentleness in qin anlan's eyes when he looked at pei qiqi.

Qin Anlan liked PEI Qiqi!

This discovery made PEI Huan wish she was dead. Why, why did every man she met love PEI Qiqi?

pei huan took a break from filming and walked off the stage. she took a bottle of water and drank it while looking at pei qiqi, " " why? you're already engaged, but you still haven't given up on the entire forest outside? "

"PEI Huan, you're thinking too much." pei qiqi's voice was cold.

PEI Huan laughed strangely and her expression was the same. She put down the water in her hand and laughed softly."You're just like your mother. You're destined to be a femme fatale!"

pei qiqi looked at pei huan and her eyes turned cold, " up until now, i only have tang yu. in the future, there will be no one else. "

PEI Huan paused for a moment, and there was an unspeakable pain in her eyes.

After a long time, she sharply asked, " PEI Qiqi, do you think I like to have sex with these men?| A bed? If you didn't force me into a corner, do you think I would need to do this?"

pei qiqi looked at her and calmly said, " "pei huan, you're the one who messed up your life."

if you didn't drug jinrong, if you and zhou meilin didn't seek death, if dad didn't leave hanhan, if you didn't die ...

You won't be like this today!

Besides, you were so heartless as to abort jinrong's child.

"You've never loved jinrong. PEI Huan, you only love yourself." pei qiqi laughed bitterly.

PEI Huan looked at her expression and chuckled, " "What about you, PEI Qiqi? you're a winner in life now, but what's with that expression of yours? even you, pei qiqi, have regrets, don't you?"

pei huan's laughter was strange and unpleasant. " jinrong is your regret. you must be regretting it a lot, right? "

pei qiqi didn't say anything else because pei huan and pei qiqi were sisters-in-law who couldn't get through.

or perhaps pei huan was unwilling to admit it. she had to admit that she was wrong.

in her dreams, did pei huan not miss the child she had lost?

PEI Qiqi didn't believe that PEI Huan wouldn't regret it!
