Chapter 61-how did you recognize me?

As he said this, he used the document to knock her on the head. idiot!

His fingers took off her glasses, and then she was hugged again.

That hug was a little warm, but it was also a little teasing!

PEI Qiqi turned around with difficulty. Seeing his focused gaze, she gathered her courage and asked, " when did you find out? "

tang mo chuckled. " from the beginning. "

PEI Qiqi bit her lip and stopped talking. Was it fun to play with her like this?

If he wasn't her sugar daddy, she would probably take a bite.

tang yan closed the document and put it back in its original place. he looked at her as if he could read her mind. " very interesting. "

Then, under PEI Qiqi's infuriating gaze, he calmly walked out for a stroll.

a long time after he left, pei qiqi finally came back to her senses. she reached out and pinched her face. the pain told her that this wasn't a dream.

Outside, when Tang Yu walked out, Xiao ran could clearly feel that the president was in a good mood. The corners of his mouth were even raised. She thought of the working students inside and understood.

President, there's a meeting at four in the afternoon. It's starting soon! Xiao ran reminded him.

Tang Zheng paused and turned to look at Xiao ran. what time will we be driving until? "

" it's quite long. it'll end at about eight o'clock! " xiao ran thought for a moment and answered.

tang yu continued to walk forward. when he reached the elevator, he paused again, " let pei qiqi take notes. "

Xiao ran was a little surprised. She already knew who PEI Qiqi was, but as a working student, she had to take on such an important role. More importantly, this was Sheng Yuan's confidential meeting. It was obviously not appropriate.

the president had never separated his work from his private life. she couldn't help but be suspicious of tang yu and pei qiqi's relationship. what stage did they reach for things to turn out this way?

As for Tang Yu, he was considering two things. One, he wanted to tease his little pet a little more. Two, even if PEI Qiqi were to attend the meeting, she probably wouldn't understand what he was saying!

when xiao ran went over to inform pei qiqi, pei qiqi felt her entire body turn cold.

it felt like a little white rabbit's fur had all stood up. xiao ran repeated it before she was sure.

She followed behind Xiao ran and felt a little broken down. She really didn't know anything.

Xiao ran pushed the door open and nudged PEI Qiqi over. There were about 20 people and they all looked like elites.

xiao ran nodded slightly at the people in the meeting room. she was very professional. even though she had a rookie following behind her, she was still a vice president. any decision she made was a wise one.

pei qiqi was a little nervous. this was just tang yu's little prank. how could she not know?

she was also surprised. she didn't think tang yu was someone who would have such bad taste.

His bad taste was usually in bed.

sit here! Xiao ran gestured to her with an indifferent expression. sit here!

then, a small laptop appeared in her hand. she looked up and xiao ran gave her an encouraging look.

in fact, xiao ran also knew that his boss was making things difficult for the young lady.

PEI Qiqi was still a student. It was obviously difficult for her to attend such a professional meeting. However, if the boss liked it, the subordinates couldn't say anything.

Tang Yu, on the other hand, was as calm as before. He calmly held the meeting and handled it with ease.

## Chapter 62

### 62 How did you recognize me?(2)

At first, PEI Qiqi was still struggling. She was trying her best to remember what he said and what the higher-ups said. However, she didn't last five minutes before she hung up.

He couldn't understand it at all, nor could he remember it.

she stared at the notebook in her hand and then looked up at tang yu.

He didn't notice her. In fact, he hadn't even looked at her since they entered the meeting room.

Even if she was sitting in the seat closest to him.

Even if she couldn't remember, PEI Qiqi was having a hard time sitting there. After a while, she secretly opened the drawing and started to draw randomly.

One stroke after another, it ended up looking like Tang Yu.

PEI Qiqi was stunned as well. She stared at him. Although the lines were a little messy, she could clearly see that it was Tang Yu.

she wanted to delete it, but before she could, tang yu's gaze fell on her.

PEI Qiqi instantly turned into stone.

"Show me the record!" tang yu suddenly spoke. his voice was as gentle as jade.

PEI Qiqi looked at him and Tang Yu reached out his hand to tease her.

she bit her lip and placed the laptop on the table in front of him, so that only he and xiao ran could see it.

Xiao ran was surprised, but he held back his laughter and teased her.

Tang Yu looked at it and made a few changes. Then, it looked even more similar.

PEI Qiqi was even more stunned. He actually helped her fix her Kasaya.

“continue!” tang yu threw the notebook back to her. his eyes looked down and he calmly continued the meeting.

PEI Qiqi continued to draw Wanwan.

The higher-ups continued to speak seriously.

Well, the scene was very harmonious.

The meeting was earlier than Xiao ran had expected, but it was already 7 pm. PEI Qiqi closed the notebook and wanted to return it to Xiao ran. However, Tang Yu said, ” “You can keep it for your future use.”

PEI Qiqi wanted to say that she didn’t need it since she was in the archive room, but in front of others, she didn’t dare to go against his decision.

Xiao ran secretly gave her a complete record and asked her to give it to Tang Yu.

PEI Qiqi was a little embarrassed. Xiao ran knew that she didn’t do anything. However, Xiao ran didn’t ask anything from the beginning to the end. PEI Qiqi heaved a sigh of relief.

when tang yu walked out, pei qiqi still hadn’t followed him. he turned around and looked at her, ” why aren’t you coming over? ”

” oh, ” pei qiqi replied and immediately ran over with her laptop.

Tang Yu just looked at her and walked into the elevator. PEI Qiqi also went in, but Xiao ran didn’t follow.

As a confidential secretary, she knew when to advance and when to retreat. This was the president’s private time, and he probably did not want her to disturb him.

In the elevator, PEI Qiqi lowered her eyes and held a small USB in her hand.

Tang Yu also looked at her. Then, he lowered his voice, ” why did you come to Sheng Yuan? ”

“For money,” PEI Qiqi said without hesitation.

“three thousand yuan?” He coldly snorted.

PEI Qiqi lowered her head even more. After a while, she said, ” you don’t know how much these three thousand dollars mean to me.

How could Tang Yu not know?

Although PEI Qiqi had only been with him for half a month, he understood her Wanwan a little.

It was nothing more than her pride not allowing her to rely on him.

“If you know I’m here, why didn’t you leave?” his voice deepened.

pei qiqi raised her eyes and looked at him. she said in a small voice, ” i thought you couldn’t tell. ”

“I really don’t know if you’re insulting my intelligence!” he reached out and placed his hand on her head.

Chapter 63

63 How did you recognize me?(3)

she looked up at his hand with a dazed expression.

Tang Yu chuckled. His long fingers finally came down and rubbed her hair a few times.

the elevator door opened at the same time. he walked out and waited at the door for a while. pei qiqi quickly followed.

” i have to work overtime. xiao ran will order food for me. what do you want to eat? ” when tang yu walked into his office, he took off his jacket and casually threw it behind the sofa. then, he turned around and asked her.

pei qiqi was a little surprised, ”i’m staying too?.”

“i can’t help!” she added.

Tang Yu had already walked to his desk and turned on his computer. When she saw this, she quickly handed him the USB that Xiao ran gave her. Tang Yu took out the documents and scanned through them while saying, ” “as long as you stay by my side, it’s fine.”

PEI Qiqi felt that she was making a loss by accompanying PEI Qianqian in the company, so she took 3000 Yuan!

“you’re not willing?” tang yu looked up at her and unconsciously brought out the dignity of a superior.

PEI Qiqi didn’t dare to say no and softly said, ” “I’m not unwilling!”

He looked at her and stood up. He held his tie with one hand and pressed the internal line on the table with the other. Xiao ran’s voice came from the other end very quickly. President.

order two sets of food for me, Zhenzhen. he looked at PEI Qiqi and asked directly without avoiding Xiao ran, ” “what do you want to eat?”

PEI Qiqi took a deep breath, ” barbecued pork rice.

tang yu ordered and hung up the phone.

PEI Qiqi was uneasy. She stood in front of him and asked in a small voice, ” “Is it too late for me to resign now?”

tang yu lowered his head and looked at his documents. he didn’t even look up when he heard her. his eyes were still on his documents. he smiled, ” pei qiqi, you came here of your own accord. ”

she gave up and walked to the sofa at the side. after thinking for a while, she said, ” “Believe it or not, I don’t want to have too much interaction with you outside of Yingluo’s house.”

She didn’t want him to think that she was the kind of woman with bad intentions, or even insatiable greed.

tang yu’s lips curved up and his voice was low, ” i know. ”

PEI Qiqi looked at the humble things in his eyes. She was showing weakness to him.

tang yu sighed, ” don’t worry. i won’t make things difficult for you. ”

PEI Qiqi’s heart was filled with warmth. To her, other than PEI Minghe, Tang Yu was the person who treated her the best.

Tang Yu buried his head in the documents again and said calmly, ” “you can use the time now to read some books.”

PEI Qiqi didn’t reject him. She went to the changing room and took her bag in. She opened her book and started reading.

ever since yingluo got together with him, she didn’t have many opportunities to study at home, so he was naturally willing to let her go now.

it was extremely quiet in the office. she curled up on the sofa lazily, like a kitten.

it was quiet and cute.

tang yu raised his eyes and looked at pei qiqi in a daze.

Xiao ran saw this scene when he entered.

PEI Qiqi was quietly sitting on the sofa reading a book. Her hair was scattered and covered half of her face, only revealing the side of her face. However, it was already stunning enough. Tang Yu sat there and focused on her.

xiao ran knocked on the door and walked in with dinner. only then did tang yu look away.

“President, I’ll leave it here for now. I’ll clean it up later!” Xiao ran said respectfully.

tang yu muttered to himself and looked at pei qiqi, ” “No need. Qiqi will clean it up later.”

Qi Qi’s disdainful heart swayed.

then, she smiled and left.

Chapter 64

64 how did you recognize me?(4)

as they were talking, pei qiqi was so engrossed that she didn’t notice.

tang zheng coughed. ” eat. ”

only then did pei qiqi raise her eyes. the moment she raised her eyes, a layer of moving water appeared between her brows. even tang yu’s heart couldn’t help but skip a beat.

“I’ll do it!” PEI Qiqi put down her hands and ran over. She carried the food boxes to the side table and carefully opened them.

It was very sumptuous. Other than his own, his was a plate of steamed pork ribs rice, which was quite fragrant.

After PEI Qiqi was done, she smelled the aroma and felt a little hungry. She looked at Tang Yu in a daze.

tang zheng stood up and walked to the small table. ” eat. ”

Oh, ” PEI Qiqi replied. The two of them ate in silence. After a while, he looked at her portion and frowned.

She looked small and skinny, but the portion of the steamed bun meat in the barbecued pork rice was very large. Also, this kind of meat was very greasy to Tang Yu, so he had never tried it before.

pei qiqi noticed his gaze and looked at her bowl in embarrassment. then, she carefully picked up a piece of barbecued pork for him.

Actually, Tang Yu didn’t want to eat it at first. But now, she put a piece of greasy barbecued pork into his bowl.

Tang Yu’s gaze landed on her little face. PEI Qiqi then realized that she seemed to have used her own chopsticks to pick up food for him. Was he disgusted by her saliva?

just as she was thinking, tang yu slowly picked up the piece of barbecued pork and put it in his mouth.

It’s more delicious than he imagined, Yingying.

when pei qiqi saw him finish eating, she immediately picked up another piece for him.

The expression on her face and her Swift movements made Tang Yu think of a word, ” Feeding the pigs.

“enough!” he stopped her with a gentle voice.

pei qiqi didn’t help him get a third piece of kasaya.

After dinner, he worked overtime for a while. PEI Qiqi packed her things and continued reading. However, when it was 9 pm, she looked at the time and secretly closed her eyes to take a nap. However, the moment she closed her eyes, she fell into a deep sleep.

at ten o’clock at night, tang yan closed his notebook and looked up. he saw pei qiqi sleeping.

her long hair was scattered over her shoulders. under the light, her forehead was bright and clear, her eyebrows were dark without drawing, and her nose was particularly tall. not to mention, when she was asleep, her bright red lips were glistening with her perfect facial features. there was not a single flaw to be picked out at a close distance.

a small white hand was supporting her small chin, swaying as if she couldn’t hold on any longer.

tang yu sat next to her and looked at her little hand. he remembered that the barbecued skewer didn't go to waste. her little hand was soft and meaty, just like the skewers.

He lowered his head and gently bit her hand. PEI Qiqi immediately woke up. When she opened her eyes, she was like a Frightened Rabbit.

“Let's go home!” tang yu patted her hand and stuffed her books into her bag.

PEI Qiqi didn't move for a long time. She just looked at him.

tang mo went to get his coat, put it on, and looked at her. “What's wrong?”

There was something in PEI Qiqi's eyes that she couldn't explain, ” Tang Yu, don't be so nice to me.

People were all things that they relied on. She was afraid that one day, she would not be able to bear to leave.

Tang Yu thought for a moment and then said, ” “Alright!”

He stood there, waiting for her to leave with him, Yingluo.

pei qiqi finally got up, picked up her bag, and followed behind him.

He was very tall, and she had to look up to see the whiny whiny above his head as she walked behind him.

Chapter 65

65 How did you recognize me?(5)

Compared to him, she was so insignificant. They were not the same kind of people at all, and they were not from the same world.

But he was really good to her.

This kind of kindness was beyond her tolerance.

If PEI Qiqi was more open to relationships, she would know that this kind of worry was called running away.

There was the possibility of liking her, so she was afraid of Hanhan. In her heart, she and Tang Yan would have to separate sooner or later, Hanhan.

the next morning, tang yu didn't send her to school. instead, he asked her to wake up early and took the bus to school.

last night, he was probably a little tired as well, so he didn't ask her to join him. after quietly eating breakfast, pei qiqi went to school alone. the moment she reached the school, she felt that the atmosphere wasn't right.

Although PEI Qiqi was the prettiest girl in school, she kept a low profile and didn't make many friends.

as she walked on the road, many students passing by pointed at her and secretly poked yingying.

pei qiqi didn't know what was going on. she pursed her lips, pulled her bag, and continued walking. A sharp voice rang in her ears. look at the clothes she's wearing. It's a new model from a top brand, a Kasaya, that costs more than 20000 Yuan each!

PEI Qiqi lowered her head and looked at her clothes. Only then did she confirm that they were talking about her.

20,000? She really couldn't tell that these clothes were all prepared by Tang Yu.

the other voice was a little harsh. " what's 20000 yuan? you're someone's mistress. you can have as much money as you want! "

" that's right. i wonder what it feels like to be pressed down by those men. i wonder if our school beauty will give a speech, hehe, " a girl laughed and said. her eyes were fixed on pei qiqi with jealousy.

pei qiqi stopped and looked at the girl's face. then, she slowly said, " "i'm afraid that even if it's just a speech, it'll be useless for you to listen to it!"

her eyes were cold. " some innate conditions can't be changed. "

The girl's face turned pale with anger. The person beside her pulled her back."forget it, she's shameless anyway."

PEI Qiqi was still standing there with the France parasol trees on both sides of her. The sun shone through the leaves and onto her body, leaving behind a golden glow.

after a long time, she smiled lightly. yes, she was shameless.

when a person was forced to a dead end, what was shame and self-respect?

When she slowly made her way to the classroom, she was already late.

The teacher looked at her with a complicated expression. Chen Xinjie secretly waved at her. PEI Qiqi walked over and sat down.

"Seven-Seven," Chen Xinjie said in a low voice. everyone in school is talking about you today. They're saying that you're Hanhan's mistress. I want to speak up for you, but I can't say that I can't help Hanhan.

PEI Qiqi was stunned. She didn't say anything and just took out her book.

chen xinjie looked at her, and after a while, she leaned over and bit her lip."this must be pei huan's doing, she's too despicable, yingluo."

pei qiqi laughed,"pei huan won't whine."

PEI Huan was such a proud person. She might trample on her in front of her, but she would never spread such news in school.

If PEI Qiqi's reputation was ruined, it wouldn't do PEI Huan any good. They would always have the same surname.

chen xinjie didn't expect him to say that either. she was stunned for a moment before she asked, " well, why? "

pei qiqi didn't say anything. she opened her laptop, " class is starting. "

## Chapter 66

### 66 tang yu becomes a parent (1)

Chen Xinjie had no choice but to stop talking about it, but the moment class ended, she continued to talk about it with PEI Qiqi.

At this moment, the school forum was already filled with rumors that the school beauty PEI Qiqi was the mistress of a certain rich man. The most ridiculous rumor was that PEI Qiqi's mistress was a seventy-year-old man.

in less than half a day, pei qiqi was almost drowned by the rumors.

In the afternoon, PEI Huan found PEI Qiqi and stood at the door in anger, " "pei qiqi, come out."

pei qiqi slowly walked out. pei huan's face was a little pale. he raised his hand and directly slapped pei qiqi's face.

PEI Qiqi turned her face away. Five red marks appeared on her fair face.

She slowly turned her head.

"You're really shameless." PEI Huan looked at her coldly.

Before she could finish, PEI Qiqi's hand returned the slap and half of PEI Huan's face was swollen.

PEI Huan covered her face and looked at PEI Qiqi in disbelief, " "You dare to hit me?"

"why wouldn't i dare!" pei qiqi didn't care if her face was hurt. she looked at pei huan coldly, " you are the shameless one. and your mom, wanwan, isn't that right? "

pei huan sneered, " pei qiqi, you must have forgotten your identity. you are just an illegitimate child, a dog raised by our pei family! "

The moment she finished speaking, PEI Qiqi pounced on her and teased her.

As a result, they were called to the principal's office together.

because they were relatives, the school was in a difficult position.

pei huan's face was disfigured by pei qiqi's slap. she bit her arm and scratched her neck.

To PEI Huan, this was simply intolerable. She wanted to Sue PEI Qiqi.

The principal's head hurt too. With the news that appeared on the school's website this morning, he looked at PEI Qiqi, " call your parents over!

PEI Huan glared at PEI Qiqi, " let me tell you. My mom came for me. As for my dad, I won't let him know. You better be smart.

by saying this, she made pei qiqi even more certain that the one who spread the news wasn't pei huan's teasing.

The principal looked at PEI Qiqi with a complicated gaze. He had always liked this girl. She was well-behaved, good at her studies, and one of the top three in the entire grade.

But now, many girls lost their way very quickly. It was not new for them to sell their bodies for money. He had to have a good talk with her parents.

PEI Qiqi, you should call your parents over too. Things have to be settled! the fight wasn't that serious, but pei qiqi being a kept woman was something that had to be clarified to uphold the school's reputation.

pei qiqi bit her lip as she walked out of the principal's office. the school's attitude was very clear. if she couldn't explain this, she might be expelled, wanwan.

“Now you know to be afraid?” PEI Huan stood at the door, her clothes a little tattered, and looked at her.

PEI Qiqi looked at her and said coldly, ” PEI Huan, you are the stupidest person I've ever met!

PEI Huan was about to explode again. She wanted to pounce over but PEI Qiqi walked away.

she walked to a corner where no one was around and took a deep breath while facing the window.

She probably already knew who had set her up. She laughed softly, but her laugh was bitter.

No matter who it was, it shouldn't be her.

she would rather it be pei huan.

she put her fingers in her pocket and took out a phone from inside. it was a gift from tang zheng.

she reached out to dial his number, and when she heard the toot sound, she felt a little conflicted.

she wanted him to pick up, but she also didn't want him to pick up hanhan.

## Chapter 67

### 67 tang yu becomes a parent (2)

after his phone rang three or four times, tang yu picked it up, ” qiqi? ”

his voice was elegant and pleasant, and there was a hint of confusion in it, because she had never taken the initiative to call him.

PEI Qiqi pursed her lips, ” can you come to school for a while?

“What's wrong with you?” tang yu's voice wasn't as calm as before.

PEI Qiqi opened her mouth with great difficulty. I had a fight with someone from Xuanji. I injured him!

so, you won? ” he chuckled.

she hummed in acknowledgment and thought to herself, this is not the main point, okay?

However, she did not say that she had hit PEI Huan.

tang yu muttered to himself, ” i'll be there in half an hour, is that okay? ”

If not, I'll probably have to take a helicopter.

PEI Qiqi was a little overwhelmed. She thought that even if he could come, he would have to finish his work.

"i can," he stammered.

Tang Yu had already gotten up. He picked up his jacket and walked out. Xiao ran happened to come over with some documents, " President, this is an urgent document from new York, Wanwan.

"We'll talk when I get back in the afternoon." Tang Yu didn't stop and walked straight into the elevator.

When he turned around, he saw Xiao ran's dazed expression.

When Tang Yu arrived at the principal's office, the principal couldn't stay calm anymore.

didn't she say that she was calling her parents? why did she call her boyfriend?

he was also a successful and powerful boyfriend.

Tang Yu introduced himself like this, " principal Wang, I'm Qiqi's boyfriend.

principal wang was stunned for a moment, then he immediately stood up, wiped his hands, and immediately held the kasaya.

PEI Qiqi stood at the side and was stunned.

She didn't tell him to do this, Yingluo.

of course, zhou meilin and pei huan were also stunned-

Tang Yu actually said PEI Qiqi was his girlfriend. This stupid girl, was she trying to fly into the sky?

tang yu spoke calmly but his tone carried the authority of a superior, " I heard that your school allowed PEI Qiqi to be harmed on the school's internet. I will have my team of lawyers follow up on this matter.

principal wang's forehead was already covered in sweat. this was really f \* cking bad.

Now that Mr. Tang had spoken, even if she was really a married woman, who would really dare to say anything?

"it's a misunderstanding!" principal wang took out a handkerchief and wiped his sweat as he spoke.

he thought for a moment and added,"regarding this matter, i will find the person who first spread the rumor and severely criticize him."

tang yu snorted, " 24 hours. i want results. "

of course, of course. We'll definitely deal with Wanwan as soon as possible, " principal Wang said respectfully. Then, he walked Tang Yu to the door.

when tang yu arrived at the door, he turned his head, " i remember there's a library in B university that needs to donate a kasaya. "

principal wang's eyes lit up as if there was a mountain of gold in front of him. " mr. tang, you mean yingluo? "

"I will donate it in the name of PEI Qiqi!" tang yu's expression was calm.

principal wang was stunned. then, he looked at pei qiqi. at this moment, she was no longer a problem student but a super big South Africa diamond. " yes, yes. student pei is still very outstanding. the department and the school have been considering sending student pei to study abroad. "

after he finished speaking, he felt that it was inappropriate. it was so far away, what if mr. tang was reluctant?

tang yu spoke up, " then wanwan's not bad. "

as he spoke, pei qiqi raised her head and looked at him.

did he really want her to study abroad?

However, she didn't dare to ask this question, and this matter was far away.

Chapter 68

68 tang yu becomes a parent for once (3)

zhou meilin and pei huan also followed them out for a walk.

"Mr. Tang, PEI Huan was not the one who spread the news!" Zhou Meilin felt guilty, afraid of Tang Yu, and unwilling, " "Look at how PEI Qiqi beat PEI Huan up."

tang yu's gaze landed on pei huan's face. it was indeed a little disfigured from all the scratching. he turned around and looked at pei qiqi's face. there were only five finger marks. pei huan must have hit her first.

he sighed in his heart. if he provoked her one day, would she also treat him so fiercely?

Zhou Meilin looked at Tang Yu's unmoved expression and felt a little anxious. So, she said in a neutral tone, " "no matter what, pei huan is also jinrong's fiancée yingluo."

and pei qiqi was just tang yu's wife, qianqian.

"What about jinrong? why is he missing after such a big incident?" Tang Yan chuckled and then looked at Zhou Meilin and PEI Huan. whether it's you or not, I'll put the blame on you for anything related to Qiqi in school.

pei huan's face turned pale. tang yu's meaning was obvious. if something happened to pei qiqi, she had to take the blame for her.

she wanted to say something, but zhou meilin stopped her. zhou meilin's voice had a touch of flattery, " of course, huanhuan and qiqi are sisters. of course, they should help each other, qianqian. "

pei qiqi almost vomited after hearing that.

tang yu wasn't interested in zhou meilin's acting. he held pei qiqi's hand and looked at her, " have you eaten? "

She shook her head in a daze, and only then did she feel that she was really a little hungry.

tang yu chuckled and brought her out of the school. pei qiqi followed him, " where are we going? I still have classes in the afternoon."

"let's eat!"

but did yueyue need to hold her hand all the time?

pei qiqi lowered her head and looked at his hand that was holding hers. she struggled a little but tang yu held her hand even tighter. his voice was neither warm nor cold, " " pei qiqi, i haven't settled the matter of you fighting in school. "

Oh!

she became obedient and followed him outside. the sun outside was very bright, and their shadows were very long.

behind two long rows of sycamore trees stood a handsome figure. he looked in tang yu and pei qiqi's direction from afar. his gaze was distant.

Outside of the school gate, Tang Yu's Black Jaguar was parked. However, it was surrounded by reporters with guns of all sizes aimed at the school gate.

PEI Qiqi subconsciously hid behind Tang Yu. She didn't want to be photographed.

no matter how honorable tang yu was, it wasn't a glorious thing to be his wife!

But her body was removed by him, and his voice was a little deep. "What are you afraid of, Zhenzhen?"

Yingluo. PEI Qiqi looked up at him.

Tang Yu cupped her little face and kissed her forehead. Then, he looked at her, " " qiqi, i don't have a girlfriend and i'm not engaged. it's normal for us to be together. "

no one could say anything, unless she was guilty.

and now, tang yu didn't treat her like a woman he bought. it seemed like other than his body's needs, there were other things. for example, she knew how to make shredded chicken noodles and her stupid hanhan.

Her gaze was a little dazed. He lowered his head and kissed her small lips again. His voice was almost hoarse. are you ready? "

prepare? prepare for what?

pei qiqi was stunned. then, he put his arm around her shoulder and walked towards his car.

Mr. Tang, may I ask what's your relationship with miss PEI Qiqi? ”

Chapter 69

69 Tang Yu becomes a parent (4)

Tang Yu looked up, ” a relationship.

This answer was a little vague.

however, the reporters weren't easy to get rid of. they followed them like crazy and it was difficult for them to even get into the car. tang yu and pei qiqi were stuck there and were in a daze.

Mr. Tang, will you and miss PEI Qiqi get married before she graduates? ”

” mr. tang, what if miss pei qiqi is pregnant? ”

.....

The questions were all about PEI Qiqi's stomach. Tang Yu scanned the room and said calmly, ” my relationship with Qiqi is pure. I won't touch her before she graduates.

pei qiqi had already accepted all kinds of shock and changes today, but what made her most speechless was wanwan.

He said that he wouldn't touch her before graduation, so who was the man who had been hugging her and unlocking all kinds of positions with her every night?

However, Tang Yu's aura was like a forbidden piece of Jade. The words he said were very convincing. Even PEI Qiqi herself suspected that it was her first time!

At this moment, the school finally sent security over to escort Tang Yu and PEI Qiqi into the car.

The car gradually drove away.

at school, pei huan stood in front of lin jinrong and asked softly, ” you called the reporters, right? ”

she knew what he was thinking. he was doing this for pei qiqi. he was forcing tang yu to admit pei qiqi's identity.

lin jinrong retracted his gaze and looked at pei huan quietly. ” you know how we slept together, don't you? ”

with that, he turned around and left.

The sunlight shone on his back, bathing him in the sunlight. However, PEI Huan felt that he was on the dark side of the world.

“jinrong!” PEI Huan called out to him softly, but Lin jinrong did not stop and continued walking.

tang yu brought pei qiqi to a private restaurant for dinner. the restaurant wasn't big, but it was exquisite.

“aren't you in a hurry to go back to the company?” pei qiqi asked softly.

tang yu was also a little hungry. he ate quickly and elegantly. when he heard her, he looked up, ” i have a lunch break. ”

Oh, ” she replied and lowered her head to eat.

After a while, she looked up again. then if someone asks about me, how am I going to explain it, Yingluo? ”

“There’s no need to explain!” tang yu chuckled and reached out to caress her hair.

He didn’t need to report to anyone who he was with. Today, he did it because PEI Qiqi was attacked for no reason.

pei qiqi lowered her head again and finished her rice. he looked at her small bowl and saw that there was not a single grain of rice left. he smiled again.

when pei qiqi was sent to school, there were many students gathered at the school gate. there were two major events that happened to pei qiqi today. one was that pei qiqi’s ‘pet’ appeared and was surprisingly handsome.

if the people they raised were all so handsome and rich, please give them a dozen.

The second time was when PEI Qiqi beat PEI Huan up in a battle between the school Belle and the Department Belle. The school Belle won in terms of physical strength and explosive power.

PEI Qiqi got out of the car and bent down to say goodbye to Tang Yu. He called out to her, ” “Qiqi.” she bent over to look at him. tang yu turned his body and kissed her on the lips. he said in a low voice, ” “Go earlier in the afternoon.”

her face was burning as she nodded at him.

Tang Yu smiled and started the car.

in the crowd, chen xinjie stood there and waved at pei qiqi, ” “qiqi.”

pei qiqi walked over and smiled, ” “everything’s been settled, yingluo.”

” that’s great. i felt so relieved when i saw pei huan’s face just now. ” chen xinjie clapped her hands.

70 Tang Yu becomes a parent for once (5)

pei qiqi smiled and walked into the classroom with her.

When she went to Sheng Yuan in the afternoon, Tang Yu unexpectedly got someone to transfer her to the design department. He even arranged for her to have an office table.

PEI Qiqi sat down and touched the set of tables and chairs with her fingers. She knew that it was a very lucky thing for a student who had yet to graduate to be able to enter the design department of Sheng Yuan.

She had mixed feelings. She knew this was Tang Yu's exception.

She knew that he wasn't a person who would separate his private life from his work, but he was still an exception for her.

at 5 pm, tang yu called her and told her to go home first. he still had a meeting to attend to. in the end, he added, " take a taxi. otherwise, i'll ask qingcheng to send you home. "

of course, pei qiqi didn't want to trouble meng qingcheng. she obediently took a taxi back.

Tang Yu sat in his office and looked at his phone. After a while, he smiled and put down his phone.

today, his and pei qiqi's matter was in the papers. so be it. he didn't stop them and didn't have any pr.

However, there might be some trouble, Yingluo.

At this moment, in Yan Hui's Villa, Tang Zhiyuan was on the phone with Lin Yun. His tone was full of dissatisfaction, " Lin Yun, aren't you too indulgent with Tang Yu? look at today's newspaper. Who is he with?! PEI Minghe's daughter! not only is she from a small family, but she's also an illegitimate daughter. how will the tang family face others if word gets out?"

on the other side, lin yun, who was wearing a simple and elegant cheongsam, held the phone and smiled gently, " it's already spread! moreover, tang zhiyuan, you don't seem to be from a noble family. you can't even be considered a small family!"

Lin Yun had never been polite to Tang Zhiyuan.

Tang Zhiyuan almost jumped up. His ex-wife had hit his sore spot.

However, he quickly recovered. tell him to break up with that girl immediately, Yingluo.

tang yu is an adult! " lin yun couldn't help but speak, her voice a little cold, " besides, he's not married. he can be with anyone he wants! "

tang zhiyuan was stunned. he was a little annoyed by his ex-wife's words, but he didn't dare to flare up.

in this life, tang zhiyuan was lacking in confidence in front of two people. one was lin yun, and the other was his old man, lin yue.

At this moment, he was silent for a moment before saying, " Yunyun, can we be more rational and only talk about Tang Yu? "

call me Lin Yun or Madam Lin, Mr. Tang Zhiyuan. lin yun's voice was cold, " besides, we have nothing to talk about. "

He hung up the phone after saying that.

on the other side, tang zhiyuan looked at the phone. his heart couldn't help but feel sad.

It wasn't that he didn't have feelings for Yunyun, but he had lost his way.

lin yun was also extremely beautiful when she was young, but she wasn't as flirtatious as zhao ke. he just made the mistake that all men would make.

on this side, tang zhiyuan was reminiscing about the past. on the other side, zhao ke was holding the newspaper. her gaze was fixed on the photo on it and she stared at wanwan.

It was her!

her slender fingers clenched so tightly that her delicate nails almost cut through the newspaper.

Zhao Ke's face was filled with fear. She definitely couldn't let that child destroy her happiness.

can't be scared

Tang Zhiyuan, who was immersed in the past, didn't notice her strange behavior.

– PEI Qiqi's life was peaceful. She went to school, worked, and would visit PEI Minghe on the weekends.

Sometimes, Zhou Meilin and PEI Huan would be at home too. They would look at her with a bad expression, but PEI Qiqi didn't care.

pei minghe was also very happy. he was already much better and went to work.
