Chapter 611 Boss PEI's acting (1)

PEI Huan was stunned.

Jinrong's child?

Did father already predict that she wouldn't give birth, so he made this arrangement?

Now that jinrong was in a vegetative state, how could she have his child?

pei huan's tears fell.

For herself, for PEI Minghe, and for that child.

for the first time, she regretted aborting the child. she had thought that no one would care about the child in her stomach.

It turned out that daddy cared so much about Yingluo.

PEI Huan's expression was dazed and she didn't speak for a long time.

the reporters at the scene were in an uproar. the truth was actually like this!

PEI Huan was thinking too much. In addition, she was only married to the Lin family for a short time.

It was still the same sentence, this girl was too dramatic.

He then looked at boss PEI. Although he was young, he was very magnanimous.

pei qiqi looked at pei huan and continued in a calm voice, " since I can't fulfill my promise to father now, I've decided to donate 80% of the PEI family's annual profits to the disadvantaged.

She took a name list from Xiaowen's hand. It was a thick book with dozens of pages.

"everyone here has also received this list of names. there are detailed records of the pei family's love for these organizations at the back of the list," he announced.

PEI Qiqi held the documents in her hand and said emotionally, " as of now, the PEI family has already donated more than 30 million Yuan to the society. I think my father's spirit in heaven will be comforted.

The reporters clapped wildly-

There weren't many girls who were so young and full of sympathy.

However, after thinking about it, she was the wife of Sheng Yuan's President and would not care about the PEI family's small amount of money.

scheme? This crime was too laughable.

pei qiqi bowed to express her gratitude. in the end, her gaze landed on pei huan's face and she smiled, " "pei huan, i believe you don't have any objections to this arrangement, right?"

As she said that, she paused and flipped to a certain page of the document. Her voice was soft but powerful. among these, I helped the girls 'families the most, so that those fatherless children can be well taken care of.

PEI Huan was stunned.

PEI Qiqi didn't say anything more. She stared at PEI Huan for a while before leaving the meeting room-

Some reporters noticed that boss PEI's eyes were wet as he left.

was she crying?

Was it because she thought of old boss PEI and her own family background?

Looking at PEI Qiqi, it was an inspirational drama.

The reporters were busy with their reports, leaving only PEI Huan and her Scripture person, Xiao Mei, standing there.

PEI Huan's expression was a little strange, and Xiaomei comforted her.

"i want to be alone here for a while." PEI Huan's voice was a little soft, so Xiaomei went out first.

PEI Huan raised her head and could not calm down for a long time.

this place was her father's blood, sweat, and tears. honestly, pei qiqi managed this place very well-even better than when pei minghe was here.

Also, PEI Qiqi's story was very touching. Even she, PEI Huan, who grew up with PEI Qiqi, was almost fooled.

how could she be so naive? how could she believe pei qiqi?

PEI Huan laughed so hard that she cried.

on the other side, pei qiqi walked into the office and xiao wen followed.

" boss pei, we've passed this crisis. " Xiao Wen thought about it and still felt a little indignant. that PEI Huan is too much. The Marvel advertisement made her famous, but she abandoned her in the blink of an eye after crossing the river.

Chapter 612 boss pei has more acting to do (2)

As she said that, Xiaowen asked eagerly, " is the supplementary explanation in old boss PEI's will real? "

"It's fake." pei qiqi's voice was very calm, " i forged it. If not, how can I shut PEI Huan's mouth?"

Xiaowen's mouth was wide open, unable to digest the fact.

Boss PEI, isn't she too lacking in integrity?

this also meant that pei huan would not be able to benefit from this.

just as xiaowen was about to say something, the door was pushed open rudely.

pei qiqi looked up and saw pei huan standing at the door. she had a look of dissatisfaction on her face.

It was within expectations!

PEI Huan wasn't that stupid and she quickly understood.

this was just a trap set by pei qiqi. to think that she was touched.

"pei qiqi, your acting skills are really good now. why don't you become an actress?" PEI Huan's expression was a little flustered and exasperated.

pei qiqi gestured for xiao wen to leave first. after the door closed, she chuckled, "if i become an actress, won't i steal your job again?"

"don't think that you're better than me in everything." pei huan stared into pei qiqi's eyes, "don't be too confident."

pei qiqi lowered her eyes and smiled, "how would i dare?"

She looked at PEI Huan and her gaze was sharp. PEI Huan, do you dare to say that you have no deal with Shen Lian?"

This matter did not seem like what PEI Huan wanted to do.

PEI Huan finally turned over. Why didn't she want to cherish her own feathers? why did she want to tear her apart and reveal the fact that she was once married to the public?

How could her little fans take it?

Everything was the work of money!

PEI Huan was on fire, but she lacked money.

And Shen Lian had given her enough money, Yingluo.

Under PEI Qiqi's gaze, PEI Huan had no choice but to follow. She pursed her lips and only laughed coldly after a long time, "PEI Qiqi, you're thinking too much."

"i also hope that i'm overthinking it!" pei qiqi lowered her eyes, "pei huan, can't we start over from now on?"

PEI Huan's body froze in an instant. She looked at PEI Qiqi and didn't say anything for a long time.

After a long time, PEI Huan laughed and tears welled up in her eyes."pei qiqi, you think everyone is like you? Who can do anything like you?"

She looked at PEI Qiqi. I have no way out. PEI Qiqi, I'm different from you. I can only rely on myself or Qianqian.

"Or, one by one, men in a daze," she said with a self-deprecating tone.

pei qiqi could only sigh.

she raised her head and looked at pei minghe's portrait. after a while, her gaze fell on pei huan again."Enough is enough. your luck will run out one day."

“This is also what I wanted to tell you, PEI Qiqi!” As PEI Huan spoke, she put on her sunglasses and walked out.

this was the pei family’s property. one day, she would take it back.

PEI Qiqi kept looking at PEI Huan’s back and her heart sank.

After a long time, she retracted her gaze and said softly, ” ” dad, if you knew what i’m doing, you would think it’s right, right? ”

She did not kill PEI Huan, but she did not harm her either. This was considered a compromise.

no matter if pei huan was happy or unhappy, she could not hand the pei family business over to her.

She knew PEI Huan’s personality too well. PEI Huan never planned to run a company properly. She thought the same as Zhou Meilin, that she wanted to cash out the company. That was why Pei Qiqi would not back down.

Chapter 613 Her period is late (1)

This storm was easily dealt with by PEI Qiqi. The media said that PEI Qiqi was the most caring female CEO and even specially interviewed her. Of course, they also asked about boss PEI and Mr. Tang’s love life.

PEI Qiqi sat in the broadcast room and looked at the beautiful host. Then, she smiled awkwardly, ” my relationship with Mr. Tang! That period of time was really not good, Yingluo.”

She frowned and smiled again. Mr. Tang is the kind of person who is cold to you one second and can be sincere the next.

“did i?” the pretty host looked interested, ” but in the hearts of the women in B city, mr. tang yu has always been cold. there are almost no females around him. ”

PEI Qiqi ran her fingers through her hair and said, ” yes, his Secretary, Xiao ran, is one of them. He’s also very pretty.

pei qiqi confessed to xiao ran through the screen, ” “xiao ran is a very capable and easy to get along with secretary.”

The beautiful host hinted that she had gone off topic, even though she felt that boss PEI was being too harsh.

then, let’s go back to the original question. Can you share some interesting things about Mr. Tang Yu? ” the beautiful host was more interested in the noble president of sheng yuan.

pei qiqi tilted her face and thought for a moment, ” yes, i think he’s quite smart. ”

Split?

the pretty host’s face was about to stiffen, and she couldn’t continue the conversation.

PEI Qiqi laughed. actually, Mr. Tang Yu isn’t that cold. He’s just a normal person.

then, boss PEI hopes that Mr. Tang Yu has a cold and elite style or that he’s more approachable. The pretty host took the opportunity to ask.

pei qiqi didn’t think too much and replied, ” “It’s not important. As long as he loves me, it’s fine.”

alright, i've been stuffed with dog food!

After PEI Qiqi finished recording this episode, she coincidentally bumped into PEI Huan when she walked out.

PEI Huan participated in a variety show. She had quite a lot of resources recently.

The two of them met in the elevator, and it just so happened that no one was there.

PEI Huan looked at the high-class suit PEI Qiqi was wearing, " "It doesn't feel good to be in disguise, does it?"

pei qiqi smiled and looked at the number on the elevator, " "pei huan, there aren't that many disguises in life. there's also a type of lie called 'unimportant' or 'white lies'. "

PEI Huan laughed coldly. I heard that you're getting married soon. How is it, Yueyue? your family is broken and no one is attending the wedding. That feels good, right? "

" pei huan, if saying this makes you feel better, i don't mind. " PEI Qiqi looked at her.

PEI Huan looked into PEI Qiqi's eyes and coldly said, " " i hate this look of yours the most. you look like you have no desires. in fact, you're greedier than anyone else. "

PEI Qiqi got jinrong's love. For her, jinrong didn't even want his life.

When she met Tang Yu, she immediately forgot about jinrong.

" pei qiqi, your happiness is built on jinrong's blood. don't ever forget that you are the one who made jinrong never wake up. " pei huan's face was filled with determination.

PEI Qiqi suddenly felt a little tired. PEI Huan's heart was as stubborn as Zhou Meilin's, to the point of no cure.

She just smiled slightly. If this made PEI Huan feel better, then so be it.

pei huan just didn't grow up, and she was still running away.

when she walked out, tang yu's car was parked in front of the tv station. he was leaning against the car door with a cigarette in his hand but he didn't light it. when he saw pei qiqi walk out, he threw the cigarette away and walked straight towards her.

Chapter 614 Her period is late (2)

"You're done?" he caught her small hand and naturally pulled her small body into his arms. he lowered his head and kissed her forehead.

pei qiqi acknowledged and looked up at tang yu, " done. "

Tang Yu smiled, " we went to try on the dress. They called us a few times.

PEI Qiqi looked at him and didn't move for a long time. After a long time, she said with difficulty, " " didn't you say that there are still more than three months before the wedding? "

It was already autumn.

tang yu's gaze was deep. his warm palm touched her hair and he said in a hoarse voice, " "There's nothing wrong with making preparations first."

He was afraid that he would be caught off guard.

And this little fool actually didn't realize that Yingluo's period had been delayed for a few days.

PEI Qiqi responded obediently. Tang Yu pinched her face again and hugged her, "let's go!"

he helped her into the car. he was more careful than usual but pei qiqi was so careless that she didn't notice.

She had been too busy recently, and she had been looking forward to having a child, but it was always gone, so she had neglected it.

Tang Yu was planning to take PEI Qiqi to the hospital for a check-up in a few days. Before this, he didn't plan to tell this little fool. He was also afraid that if she wasn't the one, she would feel more pressure.

After trying on the wedding dress at The Wedding Salon, he took her home.

tang xin had moved back to yan hui's place for a while, so it was a little deserted.

at night, tang yu returned to his bedroom from the study.

their pei xiao qi was sitting at the head of the bed in her pajamas. her long black hair was soft and loose. she had probably taken a shower.

he walked in and undid his tie. "what are you looking at?" he asked casually.

in fact, he saw that his baby was undergoing prenatal education again.

He smiled as he walked into the bathroom. Then, he heard PEI Qiqi's soft voice from outside, "Tang Yu, can you tell me a story later?"

Tell a story?

Tang Yu smiled and took off his clothes to shower.

When he went out after washing up, he saw his little one still leaning against the bed. He asked as he dried his hair, "the lights are so dim, what if i ruin my eyes?"

"it's all paintings, it's fine." PEI Qiqi put down the book in her hand and knelt beside him. She took the towel and dried his hair.

he sat at the head of the bed, and she put one hand around his neck from behind and dried her hair with the other.

tang mo grabbed her little hand and rubbed it. "it's almost done."

As he spoke, he pulled her into his arms and held her like a baby.

His movements were especially careful, for fear of pressing on her.

PEI Qiqi's delicate arms hung around his neck and her eyes were filled with love, "Tang Yu, I can't sleep.

he knew what to do and asked calmly, "why can't i sleep?"

her soft little body fell into his arms. the thin pajamas couldn't hide anything, not to mention that she was not wearing anything underneath.

her little hands wrapped around him tightly. she buried her face in tang yu's heart and nibbled on it evilly.

"it's a little hot, i can't sleep," she said in a soft voice.

Actually, Tang Yu also felt that her body temperature was higher than before. It was probably because of Hanhan.

"i'll coax you to sleep," he patted her.

however, the little girl in his arms refused to let go. she was like a little kitten, rubbing against his arms.

tang yu was a normal man. how could he not be moved?

but at this time, he did not dare to touch her for fear of an accident.

Chapter 615 her period is late (3)

he coaxed her and laid down with her. he carefully placed her in his arms and said in a hoarse voice, " "Baby, you miss her?"

The little Beastie hummed and grabbed his bathrobe with its small hands, exploring inside restlessly.

Tang Yu let her do whatever she wanted and even let her do all sorts of things to him.

There was joy, but more of it was pain.

PEI Qiqi bit his neck and said in a small voice, " "tang yu?"

he didn't move, so she suspiciously reached down to stroke him.

Tang Yu didn't stop her until she screamed and pulled her finger back.

He was a pervert, and he was clearly, clearly, he was a pervert.

he chuckled and turned over to press her down. he only used his arm to support his weight. " little guai, call me brother. "

she lay under him, her eyebrows as beautiful as a painting, soft and beautiful.

Recently, their relationship had been very good, especially when it came to sex. | when it came to matters, he was usually willing to please the other party.

Her small hands were wrapped around his neck, and she looked at his slightly tensed face and deep eyes.

He was already moved.

"Big brother." pei qiqi called out obediently. then, she buried her little face in his chest and begged for his love like a little beast.

Tang Yu's beast blood was about to boil. He exhaled with difficulty, "you little bad thing.

he lowered his head to kiss her, still supporting himself with one arm.

However, in this case, his little thing felt that it could not get any closer to him, and its little body was hanging on his neck.

Tang Yu laughed in a low voice. He kissed and coaxed, "be good, take your time."

his little bad thing had never taken the initiative like this before. she was so enthusiastic that he wanted to rub her to death.

However, no matter how much he thought about it, he still had to consider Yingluo.

As they kissed, his big palm moved down.

after a long time, pei qiqi bit her lip. her small face was blushing and she melted into water in his arms.

her little body was covered in a thin layer of sweat, and there was a touch of coldness in the slight heat.

her breathing was chaotic and she was like a little beast in tang yu's arms. she only had a blanket on her body.

baby Yingluo. he kissed her little mouth and comforted her with his large palm.

her small hands wrapped around his neck and slowly tightened their embrace.

Although she didn't really come, she was really exhausted.

with her face against his chest, she could feel his heart beating extremely fast ...

After a long time, she calmed down and looked up at Tang Yu. Her voice was a little warm, "Tang Yu?"

He kissed her. it's okay, Qiqi, " he said in a hoarse voice. I'm fine.

however, she could feel his tension. she didn't know why he had only used his fingers just now.

she shifted herself and rested her small face on his waist.

tang zheng raised his eyes slightly. "qiqi?"

"uh huh?" she mumbled, "tang yu, you don't want to?"

of course, he wanted to.

after that, it was a dazzling display like fireworks.

At the last moment, he pulled her back and held her tightly in his arms.

his heart was beating so fast that it felt like it was going to jump out of his chest.

when pei qiqi heard him say those three words, she felt so quiet and beautiful.

It was late at night. She said in a soft voice, "Tang Yu, go and wash up.

he hugged her and laughed in a low and hoarse voice. he kissed her slightly sweaty hairline, and his thin lips were close to her ear as he whispered, " "our baby has improved."

Naturally, she knew what he was talking about. She blushed and punched his shoulder.

As for Tang Yu, he looked at her delicate little face and felt a little lost.

It had never been so full.

Chapter 616 Her period has been delayed (4)

he placed his large palm on her lower abdomen. if they had a child, it would be even more perfect.

Qiqi, I'm going to city H for a week tomorrow. he suddenly said.

" oh, " pei qiqi replied and looked up with a pitiful expression.

tang yu smiled, " what's wrong with our boss pei? why are you so weak all of a sudden?"

"i can't bear to leave you," she said, hugging him.

he had said that his qi qi's love words were getting more and more pleasant.

Mr. Tang lowered his head and kissed her as a reward. PEI Qiqi looked at him softly, " "Can't I just not go?"

she didn't know why, but she seemed to be particularly clingy to him recently, and she always felt like she wanted to be with him all the time.

"i'll try to come back earlier, okay?" he hugged her and coaxed her gently, " it's quite important. it's about one-third of sheng yuan's income next year. "

Oh, " PEI Qiqi replied. Then, she snuggled into his arms and didn't say anything.

Tang mo didn't hear her speak for a long time and thought she was angry. He looked down and saw that his little guy had fallen asleep.

he couldn't help but smile and reached out to pinch her little nose. little lazy pig.

His large palm was moving around her lower abdomen. She should be pregnant, right?

Feeling a little excited, he kissed the child's mother a few more times.

Finally, she got out of bed lightly and went to the bathroom to turn on the shower ... To solve her still-unresolved desire.

He wasn't satisfied with the way she teased him.

After doing this a few times, he returned to the bedroom with a touch of coldness. He laid down beside her and PEI Qiqi immediately stuck herself to him and snuggled into his arms.

He looked at it and could not help but smile.

The dissatisfaction he had just now was no longer important. He leaned over and kissed her on the lips. good night, Qiqi.

the next morning, tang yu finally found out how clingy a girl could be.

his luggage was packed for the first day. pei xiao qi saw that he was leaving and sat on his luggage in her pajamas.

mr. tang was dressed in a noble manner. his hands were crossed in front of his chest as he looked at his family's xiao qiqi.

at that moment, he could almost imagine what their child would be like in the future.

It must be like how clingy Qiqi was now, sweet and giving people a headache.

“Qiqi, you're not a child anymore.” He took her body off, carried the suitcase in one hand, and half-hugged her with the other.

in the morning light, she was only wearing her pajamas. she clingily leaned on his shoulder and kissed him back, nibbling at him like a puppy.

tang yu really didn't know what to do with his little girl. he patted her head, ” “I'll come back earlier, okay?”

PEI Qiqi knew that she was clingy, but she really couldn't control herself.

she leaned on his shoulder and looked up at him. then, she willfully bit his neck.

The bite marks were enough to last for seven days.

she let go of her mouth and childishly wrinkled her nose. ” “this is good.”

tang yu laughed and rubbed her, ” you think too much, mrs. tang! ” other than xiao ran, there are no other women.”

And Xiao ran was the person she trusted the most. Didn't she praise Xiao ran in the live broadcast room today?

pei qiqi finally let go. however, tang yu still carried her downstairs to have breakfast.

It wasn't like they had been separated before, but this time it was obviously different. He explained many overbearing terms before getting into the driver's car and leaving.

Tang Yu arrived in city H before noon that day. There was a National Summit that would last for five days.

Chapter 617 Tang Yu doesn't fall into chaos (1)

These five days had been difficult for him because he was worried and missed his little one.

he had a two-day trip after the summit, but he shortened it to one day and planned to fly back to B city the next morning.

city H's nightlife was more prosperous than city B's because the southern people had a richer nightlife.

In the middle of the meal, Tang Yu went outside to smoke a cigarette. When he returned to the room, he was surprised to see PEI Huan.

she had come here with a certain ceo, so of course, there must be some unspeakable things hidden in between.

Tang Yu didn't have a good impression of PEI Huan. It wasn't just because of Qiqi, but also because of jinrong.

This girl was too cruel to jinrong. As an outsider, he felt that it was a pity for the child.

pei huan was very beautiful tonight and was also a lady. although there were some unspeakable transactions, everyone present respected her. after all, she was a popular female star.

While Tang Yu was still in shock, PEI Huan held up the cup in her hand and smiled, " Mr. Tang, what a coincidence.

at an event like this, pei huan was the spokesperson of marvel. tang yu wouldn't lose his composure. he nodded and sat down, but he was already thinking about leaving.

PEI Huan was much more restrained and didn't have the overbearing attitude she had in the past.

Tang Yu also sighed in his heart. Perhaps in the entertainment industry, no matter how arrogant and willful a woman was, she would lose her temper in front of her sugar daddy.

The banquet became lively because of the addition of a young and beautiful girl. At this time, no one remembered that this woman had once married into the Lin family and belonged to jinrong.

Tang Yu smoked two cigarettes and was ready to leave.

City H's night was brightly lit, and there were many famous cars and beautiful women in BMW cars at the entrance of the hotel.

The driver was already waiting for him in front of the car. When he saw Tang Yu come out, he respectfully opened the door for him, " "Please get in the car, Mr. Tang."

Tang Yu nodded. Just as he was about to get into the car, a delicate arm grabbed his arm, " "Tang Yu."

he turned his body and was not surprised to see pei huan.

Her black hair fluttered in the night sky, her delicate little face was abnormally red, her eyes were blurred, and her forehead was covered with a thin layer of sweat.

Her body was very soft and pressed against him, and desire was written all over her body.

Rather than saying that PEI Huan had drunk too much, it was better to say that she had taken some kind of medicine.

Tang Yu pushed her away without a trace and said calmly, " "you've drunk too much. i'll send you back."

As for whether PEI Huan did it on purpose or if she was being framed, he didn't care.

He was only willing to care about her life and death because of Qiqi, Chengcheng.

the driver looked at tang yu's expression and said, " "Miss, please sit in the front row. It's less carsick."

pei huan bit her lip. under the colorful lights, she was indeed beautiful.

"No, I want to sit in the back seat," she said, her voice soft but stubborn.

she had to admit that she was imitating pei qiqi.

but, this was her only chance. because tang yu was in city H, she had the chance to seduce him.

if tang yu returned to city B, then it would be impossible for her to do anything.

Tang Yu looked at her for a while then suddenly helped her into the car.

pei huan's body followed his force and fell into the back seat. her body was half-leaning against the seat, and her knee-length skirt rolled up, revealing her tender legs.

Her small mouth was slightly open, exuding an invisible seduction that ordinary men could not resist.

she felt that tang yu was just so-so, he got what he wanted so easily.

However, the car door slammed shut in front of her.

“send her to the hotel.” tang yu ordered the driver.

Chapter 618 tang yu's calm mind (2)

the driver could tell that the pretty female celebrity had clearly turned into lust. the woman deliberately seduced mr. tang. fortunately, mr. tang was a man of virtue.

so she nodded and said, “ okay, she doesn't look too drunk. i'll take her to the hotel. don't worry, mr. tang. ”

tang yu turned around.

The car door suddenly opened, and the night poured into the car ...

pei huan leaned on the back seat, her clothes in a mess, her black hair stuck to her fragrant neck. she bit her finger and chuckled, “ Tang Yu, you coward.

tang mo stood there, took out a cigarette from his pocket, lit it, and took a long drag.

(the only good thing about leaving B city is that you can smoke a couple of times.)

His black eyes looked at PEI Huan quietly and his voice was cold, “ ” i can guarantee that if you say another word, i'll throw you on the streets. if you don't want to write anything interesting in tomorrow's newspapers, close the car door and have some self-respect. ”

PEI Huan was still chuckling. The chauffeur couldn't take it anymore and closed the door for her.

really, how could mr. tang be interested in such a woman?

Tang Yu watched the car drive away and then walked forward. He smoked with one hand and took out his phone with the other.

his fingers slid a few times and he found pei qiqi's number. he called her.

pei qiqi had fallen asleep. when she picked up the phone, she was still in a daze, “ hello? ”

“you're asleep?” tang yu's voice was a little hoarse.

When he heard her voice, his mood improved a lot, as if all the darkness was gone.

pei qiqi acknowledged him softly and then asked him softly, “ “What about you? did you go back to the hotel?”

” i’m walking around. ” tang yu looked around and smiled, ” it’s a little lonely outside. ”

He said something in a low voice. PEI Qiqi’s face was a little red and she hummed softly.

after chatting for a while, tang zheng could tell that she was sleepy. he let her go and hung up the phone.

his heart softened as he walked toward the hotel.

fortunately, it wasn’t far and only took half an hour to get there.

An elegant figure stood in front of the Presidential Suite and opened the door. Once it was opened, the lights were on.

he slowly closed the door, took off his coat, and unbuckled his tie. he threw it on the sofa and prepared to take a shower and sleep.

tang mo walked into the bedroom and frowned.

His bed was filled with women’s clothes, from skirt to underwear. | yi | he even had pants ...

He didn’t go any further in, as he could imagine the scene in the bathroom.

He quickly left the room and walked out of the suite with his phone. He dialed the front desk of the five-star hotel and said in a deep voice, ” room 2608. Get the security guards here now.

the receptionist knew that this room was tang yu’s. after receiving the call, she was shocked and immediately sent two security guards over.

tang yu saw her and said calmly, ” “Where’s your manager?”

the manager naturally came up with him. he braced himself and stepped forward. ” mr. tang, did you lose something valuable? ”

Tang Yu replied indifferently, ” no, I just want to know why there’s a strange woman in my room. How did she get my room card? ”

The manager was shocked and immediately led the security guards in for a walk.

tang yu didn’t go in. he wasn’t interested in seeing pei huan’s body.

He had already given her a lot of face, but he did not expect her to run into his room ...

pei huan had fallen asleep in the bathtub.

although the medicine was arousing, it was not fatal.

She heard some movement and thought it was Tang Yu. But when she opened her eyes, she saw three men standing at the bathroom door.

Chapter 619 Tang Yu’s calm mind (3)

pei huan screamed.

One of the security guards was even looking at her body-frozen.

tang zheng listened to the movements inside. he held his phone in one hand and lifted his suitcase at the same time. he walked outside. ” qingcheng, arrange a private plane for me. ”

He would not sleep in the room that PEI Huan had stayed in and the bed that she had slept on.

As for what would happen to PEI Huan, it was not something he should worry about. This kind of woman, once you get involved, there would be no end to it, especially if it was a beautiful female star.

because of tang yu's sudden departure, all the higher-ups in the hotel were shocked.

this hotel chain is a five-star hotel under sheng yuan's GM. i wonder what will happen to mr. tang in the future if he's so angry this time ...

At the door of the suite, there were more than a dozen reporters who rushed in to take pictures when the door opened.

there was no entanglement between a man and a woman as he had imagined. only pei huan, who was covered in sweat, was thrown out by the security guards in a sorry state.

pei huan was going to be on fire again!

she covered her face and frantically snatched the reporters 'cameras, her voice sharp. " stop taking photos, stop taking photos, zhenzhen. "

She knew that having Tang Yu around and not having him around were two different things.

tang yu left and now she was here in this situation. she would be attacked.| summon| The mark of a woman.

however, the reporters in city H were very gory. pei huan had no connections here and she was the one who had hired them. now, she had to suffer unspeakably.

She covered her face and appeared on the headlines the next day with only a bathrobe on. Of course, Qin Anlan and King Entertainment were also ridiculed.

This matter didn't affect Marvel too much.

Marvel held a press conference in time and announced the cancellation of PEI Huan's endorsement.

After that, some of PEI Huan's endorsement brands also announced that they would cancel their cooperation.

in the middle of the night in city H, pei huan wrapped herself in a bath towel and almost jumped down from the hotel.

At that time, Tang Yu was still downstairs and the hotel's management came to ask for instructions.

"She doesn't have the courage to jump! If she had the courage, she wouldn't be able to do such a thing." tang yu walked to the car in front of the hotel and drove away.

There was only one life. If PEI Huan didn't cherish it, how could others cherish it for her?

She was wrong to think that he would tolerate her again and again because of Qiqi.

If PEI Huan dared to jump, Qiqi would only be sad for a few days. It would be over after he comforted her.

if he tried to stop her now, this woman would only pester him more and more and hurt qiqi.

Or rather, PEI Huan was so twisted that she didn't know what was proper. She didn't cherish her opportunity and caused her life to be like this. She couldn't blame anyone.

pei huan stood on the sixth floor and watched tang yu's car leave. she didn't even look at her.

Tang Yu! she stood there and shouted in the wind, " Tang Yu, you're not a man!

however, no one listened to her. only the reporters behind her were frantically taking pictures of her in a sorry state.

tang yu sat in the car with a dark expression.

He returned to the Rose Garden in B city at one o'clock in the morning.

after stepping into the main house, the maid helped him put away his luggage. he motioned for them to go down and slowly went upstairs.

In the bedroom, the lights were bright. PEI Qiqi was already fast asleep.

Tang Yu sat on the edge of the bed and reached out to caress her little face. His fingers were probably a little cold, so she moaned uncomfortably and moved to the side.

He chuckled silently and went into the bathroom to take a shower. He didn't wake her up, but just leaned against the bed and looked at her sleeping face.

pei qiqi was in a deep sleep and didn't wake up.

the next morning, when pei qiqi woke up and opened her eyes, she was completely shocked.

She looked at the magnified handsome face in front of her and pursed her lips. when did you come back? "

tang yu's fingers gently touched her little face and his voice was a little hoarse, " "Around one o'clock at night."

She was stunned for a moment and then said with some dissatisfaction, " "you can come back today. you don't have to work so hard."

Tang Yu's dark eyes were focused on her. Then, he slowly said, " something happened. You should be able to read about it in the newspaper in a while.

newspapers?

pei qiqi wanted to ask but tang yu had already stood up.

She looked at him with a lot of questions in her heart. In the end, she only read them in the newspaper during breakfast.

pei huan was finished.

PEI Qiqi looked at Tang Yu, " what happened? "

tang mo wiped his lips and said lightly,"It's exactly what you saw. She ran into my room and tried to seduce me."

pei qiqi flipped it over and over again. after a long time, she threw the newspaper down, ” why is she so stupid?! ”

If she had succeeded in seducing her, she would only be able to anger her. What else could she do? she was already married to jinrong, so why would she marry tang yu?

Tang Yu looked at her and slowly said, ” ” pei qiqi, you don’t seem to be worried about my innocence at all? ”

There was a questioning tone in his words.

PEI Qiqi looked at him,”then will you be seduced?”

“Of course I won’t,” Tang Yu stood up and kissed her on the forehead, ” I’m glad you don’t blame me.

On this matter, he was already kind to PEI Huan. If it wasn’t for PEI Qiqi, he would have killed PEI Huan.

PEI Qiqi sat there and watched him walk out.

She didn’t know why, but she felt that Tang Yu was angry.

Was it because she was not worried about his chastity?

But this was not the main point, okay? she believed that he wouldn’t whine at all.

However, when Tang Yu was awkward, he could be quite cute.

PEI Qiqi ran out. That tsundere man sat in the car and watched her run. He frowned and got out of the car, ” “Qiqi, slow down.”

pei qiqi responded with an ‘oh’ and slowly walked over. her voice was like a little sheep, ” “you went to work?”

he hummed in agreement.

“i’ll be there in a while, can you send me?” She tugged at his sleeve, acting like a spoiled little girl.

tang yu lowered his head to look at her and smiled, ” go change. ”

Oh, ” PEI Qiqi replied and went to change.

In the car, she sized him up from time to time in a daze.

PEI Qiqi, if you dare to look at me again, I can guarantee that you won’t be able to sleep tonight. Tang mo moved close to her ear and said in an outrageous tone,”Finger inspection.”

thinking about the torturous process, pei qiqi didn’t dare to watch anymore.

He was shameless.

When he reached the company, the entire company knew about PEI Huan. There was no other way. Everyone liked to watch entertainment news.

Of course, there wasn't a single word about Tang Yu because Meng Qingcheng had already done some PR.

pei qiqi walked into the office and xiao wen stammered out what happened.

"I know." PEI Qiqi said lightly.

xiaowen hesitated for a moment. " marvel and pei huan have terminated their contract. "

pei qiqi looked up in shock.

" there's a clause in the contract that states that the artist must maintain their image. otherwise, the company has the right to cancel the endorsement unconditionally. "

Xiaowen emphasized, " moreover, when a tree falls, everyone will push it. A few of PEI Huan's endorsements and films have been canceled. I think it will be difficult for her to make a comeback.
