

## Thank you 631

Chapter 631 pei qiqi's choice (2)

she looked up at him with a pitiful expression. tang yu took a deep breath and whispered in her ear, "I'll hit your little P \* s tonight!"

"what about tang yu? you're so fierce, i'm starting to think of changing my mind." Her voice was like a kitten, and he was indignant. Indignant, he wanted to eat her up, Yingluo.

this little bastard!

However, no matter how chaotic it was, the wedding still went on.

three people!

lin jinrong sat beside them and witnessed the wedding.

When she threw the bouquet, PEI Qiqi didn't throw it away. Instead, she knelt down and gave it to Lin jinrong.

"Don't think that I'll forgive you just like that." he reluctantly accepted it and said proudly.

PEI Qiqi laughed. There were tears in her eyes, " jinrong, thank you.

However, in the end, they still missed out on Huanhuan.

That past could only be treated as a beautiful memory.

pei qiqi, don't think of me calling you cousin-in-law. no way!

at the side, old master lin was in a state of confusion from the start. now that the results were good, old master lin was a little disappointed. he loved to watch drama that turned around the most.

she glared at tang yu. this kid has always been so confident since he was young.

really, there was no suspense at all!

however, everyone, including pei qiqi, didn't know.

while tang yu was certain, he was a little flustered. he believed that she loved him, but he was even more afraid that the pregnant woman would get emotional and forget that she was the mother of tang yu's child.

Only when PEI Qiqi apologized to jinrong did his heart finally relax.

just like her, he could only say sorry. because of love, he could not give in.

Jinrong's kiss was the limit of his patience. If Qiqi was pregnant with a daughter, then jinrong would have kissed two important women in his life.

after the wedding, pei qiqi and tang yu left in a black car. hundreds of maybach cars lined up in a row and drove straight to the hotel.

Lin jinrong sat in his wheelchair and kept looking at her with a deep gaze.

The surroundings were filled with people, especially the old man who had just recalled that his little darling had woken up.

“you little brat, after sleeping for so long, only that little lamb can wake you up, right?” tears streamed down the old man’s face as he glared at lin jinrong’s mother, “and you. It’s been so long, but you still haven’t told me. You’ve been waiting for this day, haven’t you?”

Lin jinrong’s mother could not say anything. Wasn’t this what jinrong wanted?

he had just woken up, and she was just going along with him, wasn’t she?

Lin jinrong only smiled and looked ahead. Suddenly, his eyes froze.

because in the crowd, he saw pei huan from afar.

she was standing far away, looking very different from how he remembered her.

Although she was still dressed in a pure and innocent manner, she could not hide the haggardness in her expression.

he remembered her voice and remembered her saying that pei qiqi was getting married.

The voice that had woken him up was her Yueyue.

PEI Huan looked at Lin jinrong in shock and disbelief.

more than that, he felt regret.

he had actually woken up. she had thought that he would never wake up.

then, the child she aborted, the marriage she lost ...

pei huan’s body swayed and she almost couldn’t stand.

Her lips moved, but in the end, she could not say a word.

lin jinrong gestured for his mother to push the wheelchair over. mother lin was unwilling, but she still went over.

Chapter 632 pei qiqi’s choice (3)

pei huan wanted to escape, but she was so ashamed that she had nowhere to stand.

lin jinrong looked at her quietly, his voice a little hoarse, ” “pei huan, long time no see.”

She stood there in a daze, unable to move a step or say a word.

“i heard that the child is gone, is that true?” lin jinrong lowered his eyes and asked in a low voice.

pei huan looked at him for a long time before she laughed. she laughed so hard that she cried, ” “yes, there’s nothing else. our marriage has also been dissolved. ”

the moment he woke up, he came to find pei qiqi. didn’t he find out about this?

Her heart ached so much. She had loved him before. She had loved him deeply.

That kind of pure and innocent girl's love was no less than PEI Qiqi's.

however, the only thing that remained in his heart was disgust.

PEI Huan covered her face. jinrong, I'm sorry.

i'm sorry for ruining your life. i'm sorry for taking away your love.

i'm sorry, i'll let you see the person you like marry someone else today.

lin jinrong sat there without any expression on his pale face.

"do you have any other requests?" he asked after a long time.

PEI Huan raised her head and looked at him in shock. She could not believe what she had just heard.

She looked at him for a long time before she lowered her head and smiled bitterly. no, I don't need it anymore.

She raised her eyes and looked at him deeply.

they used to be husband and wife, but now that he was awake, she didn't even have the courage to kiss him.

let's do this then, yingluo.

lin jinrong also looked at her. " alright then. "

His wheelchair was pushed away and PEI Huan stood there, staring at Yingluo in a daze.

mrs. lin's voice was a little tense. " jinrong, don't hang out with her in the future. "

She was really afraid of PEI Huan. If it wasn't for that mother and daughter, would jinrong be in such a miserable state?

Lin jinrong patted the back of his mother's hand and smiled. it's all broken.

He was just doing his last duty as her husband to ask her what she needed, Yingluo.

he knew that pei huan had been in a terrible state recently.

PEI Huan had schemed against him, but she had carried a child for him.

even though she had already aborted it.

That child, no one loved her. Even if she was gone, it was good.

Lin jinrong lowered his eyes and looked up again, silently looking at the church in front of him.

he had dreamed of having his wedding with pei qiqi here. she would look very beautiful in her wedding dress.

he saw it today, but it was for someone else.

he laughed softly, laughing at himself for being silly and silly.

.....

in the carriage, tang yu saw that his little guy's nose was red and sighed, " PEI Qiqi, we are getting married today.

She looked at him, " Tang Yu, I'm happy.

He couldn't help but sigh again, " PEI Qiqi, I would rather you be happy because of me.

"It's all because of you." It was only then that she remembered that she wanted to say something he liked to hear, so she leaned on his shoulder and whispered coquettishly.

"is that so?" Mr. Tang dragged out the last syllable with some profound meaning.

PEI Qiqi felt all the hair on her body stand up.

because every time tang yu said something like that, someone would be in trouble.

When the banquet started, Lin jinrong didn't appear again. PEI Qiqi was wearing a Chinese dress and was by Tang Yu's side. There were also a few female companions taking care of her.

tang yu was newly married and she was pregnant, so he drank as much as he wanted. halfway through, he was already slightly drunk.

old master lin saw that the situation wasn't right, so he signaled for someone to drink on his behalf.

with tang yu's status, he couldn't just get drunk and lose his composure. also, was their wedding night going to pass?

What if he was too rough when he was drunk and hurt his precious little great-grandson?

Chapter 633 we're married (1)

PEI Qiqi returned to the hotel suite first. Tang Yu was only helped in after two hours.

The room was filled with red, like an ancient nuptial chamber.

In that room of red, his Xiao Qi Qi had removed the Chinese wedding dress and was lying on the large bed with only the thin inner layer.

Her fine black hair brushed against her face, and her features were as exquisite as a painting.

She had fallen asleep.

tang yu had some alcohol and his body was a little hot. now, his blood was boiling.

He pulled open his collar and took off his coat. He leaned over and called her softly by her ear, " Qiqi.

pei qiqi turned around and looked up at him in a daze.

her small face had a touch of moving red, and her long eyelashes blinked slightly under the dim yellow light, dazzling.

Tang Yu covered her eyes with his hand because they were too beautiful.

"qiqi," he said in a hoarse voice.

her small hands were wrapped around his neck, but she didn't say anything.

He lowered his head and kissed the corner of her lips lightly, bit by bit.

He was so meticulous that she wanted to cry. She wrapped her body around him and begged him silently.

His hot breath after being slightly drunk also moved her, and she called his name over and over again, ” ” tang yu! tang yu! tang yu! ”

“Call me hubby.” it was as if he was biting her little ear. his voice was elegant and pleasant, and in the middle of the night, it had a touch of seduction.

Her eyes were watery as she looked at him softly.

after a while, she fawningly meowed like a kitten.

Tang Yu’s gaze was deep.

her thin underwear couldn’t withstand his ravaging and hung slanted. her skin reflected the snow and was unspeakably attractive.

tang yu supported himself with one arm and exhaled with difficulty. he looked at the attractive little thing under him.

“Qi Qi, what should we do?” His fingers slowly caressed her red lips, his voice a little hoarse.

She looked at him innocently, letting him do whatever he wanted.

tang yu couldn’t help but kiss her. his ten fingers roughly locked onto her, not letting her struggle.

Her black hair spread out helplessly, like a desperate little beast.

The more she acted like this, the hotter the blood in Tang Yu’s body became. He kissed her and rubbed her.

His large palm suddenly held her small hand and placed it on his belt.

She retracted her little hand, but as he coaxed her to kiss him, he nimbly led her little hand to do some embarrassing things.

Hibiscus mask, ye Xiao’s soul. Nothing could stop Tang Yu from enjoying the gentleness of his wedding night.

After a long time, PEI Qiqi laid on her red inner clothes and panted like a little beast.

His body was immediately pulled into a warm embrace. Tang Yu’s chin touched the center of her hair and his voice was hoarse, ” “qi qi, are you alright?”

She hit him hard with her little hand.

This scoundrel!

tang mo leaned into her ear and said in a hoarse voice, ”i’m going to take a shower.” Although he was happy for a short time, he didn’t dare to indulge.

He reached out to hug the girl and walked towards the bathroom. PEI Qiqi was so scared that she screamed. She wrapped her little hands around his neck, ” Tang Yu!

he was slightly drunk, and she was afraid of falling down.

“i won’t let go, you little fool.” Tang Zheng’s voice was hoarse as he lowered his head to kiss her small mouth.

The wedding night, the couple’s bath, wasn’t it already there?

early in the morning, pei qiqi was woken up by a needle.

when she opened her eyes, she saw tang yu’s magnified handsome face and he was kissing her.

She hugged his head and pushed him away in disgust. you’re always kissing me. So annoying.

Tang Yu stopped, turned around, and pulled her into his arms. His fingers touched her red lips and his voice was low and hoarse, ” “Last night, I don’t know who was the one who kept calling me hubby and begging me to kiss him.”

Chapter 634 we’re married (2)

She blushed and buried herself in his arms without saying a word.

Tang Yu chuckled. He grabbed her and kissed her for a while before saying, ” “When we wake up later, we have to go and offer tea separately.”

“oh,” she said.

Tang Yu pinched her little face, ” little Mrs. Tang, you’re so cute.

“I’m not young.” she blushed.

he was so hateful that when he said those words, one of his hands was placed somewhere.

tang yu smiled again. his eyes were full of love. with a little force, she would cry out in pain. he was really funny.

PEI Qiqi pouted her lips, ” pervert!

mr. tang agreed and then slowly began to torture her.

He tortured her and bullied her at the same time ...

“mrs. tang, is this perverted enough?”

PEI Qiqi simply covered her eyes and refused to look at him.

Abnormal, abnormal, abnormal!

Tang Yu’s Duan level was increasing day by day.

“Mrs. Tang, what about this? was it a little perverted just now, or is this more perverted?”

PEI Qiqi’s little face was pink. Her eyelids were also pink from being bullied. She wanted to cry but didn’t. When he hit her ruthlessly, a teardrop would flutter on her long eyelashes. When she blinked, she was so beautiful that it moved people’s souls.

tang yu thought this was very interesting. but, this wasn’t enough. he carried the baby into the bathroom and bullied him in front of the mirror.

as he bullied her, he coaxed her to look at the decadent scene in the mirror. pei qiqi naturally wouldn't let him. her small hands wrapped around him and her small mouth nibbled on his shoulder.

Although he wasn't very satisfied, he only bullied her or fed her like this.

However, he was indescribably gentle and comfortable, as if it was enough to make her tremble and make her happy.

while torturing her, he looked at the beautiful scenery in the mirror and slowly said, "Mrs. Tang, do you think the child will look like you or me?"

She didn't doubt him and said, "It should be like you!"

as she spoke, she opened her misty eyes and looked at him in a daze.

She could see how he had bullied her in the mirror.

she let out a cry and quickly closed her eyes.

this pervert!

PEI Qiqi bit her lips and hugged him with her small hands.

he was too evil.

Tang Yu chuckled, "good girl, call me hubby one more time.

She refused to call him and pestered him until 10 O'clock before she returned to the Lin residence.

Even though Tang Yu was controlling himself and didn't really touch her, PEI Qiqi's neck still had a few hickeys that were very obvious.

elder lin, lin yun, and the other elders were sitting at the head of the table. they silently looked at tang yu with a reprimanding gaze. he didn't know how to control himself. he looked at the little girl's eyes and saw that they were all white. one look and he knew she didn't sleep well.

Tang Yu smiled and took the tea from the little girl beside him. He knelt down with PEI Qiqi and served the tea.

Lin Yun drank this cup of tea with mixed feelings, but she finally felt relieved.

"Don't kneel when you're pregnant. You might hurt the baby." she said gently as she woke pei qiqi up.

Tang Yu carefully helped his wife up. On the side, the old man glared at him, "what does a treasure look like now? did you forget it last night?"

tang yu smiled, "weren't you drunk?"

"You have to pay attention to prenatal education." "And don't think that you can drink and smoke without restraint just because you're pregnant," the old man snorted coldly.

prenatal education?

pei qiqi bit her lips and thought that mr. tang's prenatal education was even more outrageous!

Chapter 635 we're married (3)

she glanced at tang yu. only mr. tang could understand her expression.

Tang Yu reached out and held her hand. He smiled, " Qiqi, I love it when I teach the baby.

Old master Lin had no idea what he was thinking. He raised his beard and said, " nonsense. how can such a young child feel it?"

everyone was silent. it was clearly the old man who had said that just now.

the old man's face reddened as he looked at everyone's accusations. he flew into a rage out of humiliation. alright, why are you still standing there? go where you should go and go on a honeymoon. Don't think that you can save all this just because you got the little girl pregnant.

Even Lin Yun couldn't bear to listen to such crude words and called out softly, " "Dad," he said.

old master lin paused and said dryly, " "what i mean is, we can't treat the girl badly."

the gazes around him were all disapproving. the old man looked at this one and then at that one. his old face was slightly red and he hesitated for a while before he squeezed out another sentence, " "In short, a honeymoon is indispensable."

Tang Yu chuckled, " Qiqi is pregnant. She's not planning to go overseas. She's planning to find a resort to stay for half a month.

"that's good too." the old man nodded.

He then looked at PEI Qiqi's stomach, " it looks like a girl.

The old man was quite open-minded. Actually, he didn't want a grandson. It was more fun to have a pretty little girl.

thinking of that soft little girl calling him great-grandfather, it felt like yingying's entire body was soft and fluffy like she had eaten cotton candy.

pei qiqi lowered her head and subconsciously placed her fingers on her stomach. was it a girl?

she seemed to like spicy food.

After having a meal with Tang Yu at the Lin family's house, elder Tang chased her away, saying that she was going on a honeymoon.

Walking out of the main residence and into the lush green courtyard, it was still antique, but probably because his state of mind was different, these scenery also seemed a little more lively and not as oppressive as before.

He held her hand and walked slowly. Suddenly, he paused and said in a low voice, " jinrong is here. Do you want to see him? "

PEI Qiqi raised her head and looked at him. After a while, she shook her head, " maybe next time.

tang yu smiled, " okay. "

he held her hand and continued to walk forward. after a while, her soft voice entered his ears. Tang Yu, you seem to be jealous.

"no, i didn't!"

“But your face is a little red.” She hugged his arm and stared at his side profile.

The young, handsome, and Noble man looked at her. “PEI Qiqi, you must be mistaken.”

Her small hands hugged him tightly, like a little girl clinging to him, and her voice was soft. ” tang yu, can i still go to jinrong and tell him that i’m going to choose again? ”

“shut up!” this time, tang yu directly sealed her mouth.

he had only wanted to shut her up and punish her, but slowly, he was moved.

PEI Qiqi was pressed against the flower rack and kissed Huahua deeply.

Her small hand hung softly around his neck.

He kissed her again and again. When he was finally satisfied, he pressed his forehead against hers. He didn’t do anything but just hugged her and kissed her.

On the second floor, Lin jinrong sat in his wheelchair and looked at the couple kissing under the tree from the floor-to-ceiling window.

he used to fantasize about spending time with pei qiqi but now, she had someone else.

Chapter 636 we’re married (4)

Lin jinrong just looked at him, his gaze unfathomable.

Mother Lin stepped forward and pushed his wheelchair. She said softly, ” “jinrong, it’s time to take your medicine.”

lin jinrong’s good-looking thin lips were tightly pursed and he did not say a word.

Mother Lin pushed him to the living room outside and said lightly as she took medicine for him, ” ” jinrong, don’t think about it anymore. she already has a child with tang yu. even if she used to like you, she can’t be with you anymore. for the sake of the child, she will choose tang yu. ”

lin jinrong quietly took his medicine. when mother lin straightened her body, lin jinrong softly said, ” “Mom, it’s not like that.”

Mother Lin looked at him.

PEI Qiqi chose brother Tang Yu because she loves him. It has nothing to do with the child. lin jinrong said softly, as if he was speaking to his mother, but also to himself.

mother lin sighed. after a long time, she forced a smile.”That’s all in the past.”

Lin jinrong didn’t say anything else. He just let his mother help him to the bed and lay down quietly.

after mother lin closed the door, he casually picked up a book to read. however, he couldn’t continue reading. the scene of tang yan kissing pei qiqi kept flashing in front of his eyes.

It was as if a demon had entered his body.

He didn’t know how long it would take for him to forget.

in the quiet afternoon, the young man’s face was pale. he lay quietly without moving, like a quiet painting.

slowly, slowly, everything froze.

.....

PEI Qiqi and Tang Yu took a private plane to a holiday villa in the South. It took 10 minutes to travel between villas, so the privacy of the guests was greatly guaranteed.

Other than enjoying their warm time together, Tang Yu would also take PEI Qiqi to the old town to play and buy some little things that girls like.

Of course, the nights were her favorite and most afraid times. Tang Yu would always think of ways to torture her. He had all sorts of bad interests.

She was seriously pregnant and he had x-excitement.

she wanted to reject him every time, but she would be seduced by him.

that night, tang yu was slowly bullying her, but his mind was occupied with something.

on the afternoon of their wedding day, he still took her to see tang zhiyuan.

Tang Zhiyuan spoke to him alone for a while. At that time, his father said this.

Tang Yu, although you and PEI Qiqi aren't related by blood, when Tang Xin calls you brother and PEI Qiqi sister, I feel like you two are having an affair.

At this moment, the older brother was bullying the young lady. He lowered his head, and his young wife was crying softly.

Her eyelids were pink, and her body trembled because of his bullying. She wrapped herself around him for a long time without moving.

tang yu reached out his hand and teased his little dog, "qiqi."

however, she started to cry fiercely. that fragile state of hers made him feel that it was extremely interesting.

So this was how his baby looked when he got pregnant.

just like this, ten days passed.

Pei Xiao Qi didn't want to stay with him like this anymore. It was simply indescribable.

Early in the morning, while Tang Yu was shaving, a little person was following behind him. The little person hugged his waist and pressed her face against his back, "Tang Yu, I want to eat a big meal outside. I want to play.

tang yu looked at the little person in the mirror and slowly said, "mrs. tang, the food you're eating now can be compared to the emperor's offerings in the past. and you're playing with a kasaya?"

his voice became meaningful, "didn't i just play with you every night?"

Chapter 637 i won't thank you (part one)

seeing her glare at him, he found it funny. he picked her up from behind and placed her in his arms, his voice low and seductive. PEI Qiqi, let's not talk about the outside. Even inside, we've played Yingluo before.

Her little face turned red. He was shameless!

Tang Yu chuckled. He reached out and pulled her into his arms and gave her a kiss, "I'll take you out to play later.

PEI Qiqi wiped her lips in disgust, "you're the one who shaved.

The shaving water wasn't even cleaned!

tang yu let go of her, smiled, and continued to shave. his movements were elegant and pleasing to the eye.

alright, pei qiqi admitted that mr. tang was very attractive even if he shaved.

she ran far away and lay on the bed, waiting for her master like a puppy.

when he came out, refreshed, he picked up the little thing and said in a low voice, "big brother will take you out to play. "

PEI Qiqi bit his good-looking chin, "pervert!

He was about to act perverted when the phone by the bed rang ...

Tang Yu propped himself up. After taking a look, he took the phone, "yours.

PEI Qiqi laid on his waist and looked at the caller. It was an unfamiliar number.

she thought for a moment and picked it up, "it's pei qiqi."

the other party said something and pei qiqi's expression changed. after a while, she pursed her lips and hung up.

"What's wrong?" Tang Yu's voice was a little hoarse. it seems like we need to change our plans.

PEI Qiqi looked at him and said, " " tang yu, if i were to control pei huan again, would you think that i'm a particularly good person? "

Tang Yu wasn't surprised. His Qiqi was actually very soft-hearted.

pei huan was a willful and arrogant girl, but she grew up with pei qiqi. moreover, a large part of this was because of pei minghe.

"If you decide, I have no objections." He reached out and touched her hair. it's just that you can leave some things to me, Qiqi. Everything should be for the child and yourself, okay? "

His voice was gentle and slow.

In reality, the people that PEI Huan touched or provoked were more or less dangerous. And those were things that Tang Yu didn't want PEI Qiqi to be involved in.

PEI Qiqi obediently replied with an 'Oh'. her soft appearance made him feel a little mischievous. he covered her head with the blanket and hugged her together with the blanket. his voice was a little hoarse. "I'm going out to deal with it. Wait for me here and don't run around."

With that, he kissed her again through the blanket.

pei qiqi stuck her head out, ” don’t talk to her. ”

Tang Yu laughed. This little fool was obviously afraid that PEI Huan would seduce him but he couldn’t bear to leave her.

in fact, she didn’t know how soft-hearted she was.

Tang Yu drove a black BMW to a high-class club.

Earlier, Meng Qingcheng had already called to say that this club was famous for being involved in this. | a black dot.

high-class female celebrities sold silver, sucked D, and were everywhere.

he guessed that pei huan had been infected with everything.

The black sports car stopped at the entrance of the club. Although he was not a member, his aura made the doorman not dare to stop him, so he let him in.

the moment tang yu entered, he whispered to the club manager, ” “i’m looking for a girl with the surname pei.”

the manager’s expression suddenly became a little awkward.

was it that pei huan?

that would be difficult.

Chapter 638 i won’t thank you (2)

pei huan, that outdated small star, had originally agreed on the price with young master ying to sleep with him for one night.

However, at the last minute, PEI Huan was unwilling.

At this moment, he was detained, and a bunch of nude photos were taken. The most terrible thing was that a video of him drawing that thing had been taken.

He was being held up there, and he couldn’t get over it without a free night’s sleep.

He didn’t know what was wrong with that little great aunt. Everyone was having fun, but they suddenly turned hostile. Wasn’t it just a matter of sleeping? which small star didn’t sleep with her? did she really think she was some international movie queen?

too naive!

the manager hesitated. tang yu’s voice was deep, ” what, i don’t have the face to do that? ”

His face darkened. Naturally, he had a kind of prestige. The manager glanced at him and immediately welcomed him. While leading the way, he made a phone call to inform the other side.

When Tang Yu saw PEI Huan, he glanced at her. She was sitting on the chair with her hands tied up. Her clothes were messy and her sweat was stuck to her face. She looked like a mess and there were traces of cigarette ash on her body.

Tang Yu just looked at it quietly and then looked around.

It was probably a gathering for a group of famous people in the South to have fun with minor celebrities.

But these people weren't ordinary people. Tang Yu only needed one look to understand.

there seemed to be four or five investors. there were also a few small-time celebrities and models. pei huan might have ruined the mood of these people!

when tang yu walked over, young master ying stood up and walked over slowly, " mr. tang, when it comes to power, all of us here can't even compare to one of your fingers. but, when we're out here to play, we must have rules. don't you agree? "

Tang Yu nodded,"yes." &Nbsp;

Young master Ying was a young man with a devilish look. He looked at PEI Huan and smiled. actually, I don't really like this girl. If Mr. Tang likes her, I have no objections to taking her in.

"I only know him, I was entrusted by someone." tang yu said indifferently, " do you have any other rules here? "

Young master Ying turned around and looked at his group of people who were having fun. He rubbed his lips with his fair and beautiful fingers and slowly walked back to PEI Huan.

pei huan's face was pale. she looked at tang yu and her voice was a little hoarse, " "I don't want her fake kindness."

If it was possible, Tang Yu wouldn't care about her life or death. Plus, this woman was still making a scene.

Tang Yu's gaze fell on her and his voice was deep, " if it wasn't for her fake good intentions, you wouldn't have been able to leave this place today.

pei huan's pale lips were tightly pursed and she didn't say anything.

"It seems that Mrs. Tang asked Mr. Tang to come," young master Ying laughed.

young master ying was dressed in black, black pants and a black shirt. his skin was fair and his features were exquisite. he looked like the type that was specialized in seducing young girls.

Her eyes met Tang Yu's and she tilted her head, " if it's because of Mrs. Tang, then it'll be easier.

"there's a glass of wine there to help with sex. mr. tang should know about it. if mr. tang drinks this cup, then you can take this woman away." young master ying's eyes were a little evil. " but i also advise mr. tang to think twice. this wine is very strong, no man can withstand it. think about it, even if you drive, it will take at least half an hour to get to mr. tang's place from here. in this half an hour, will something unpleasant happen to mrs. tang? "

Chapter 639 I won't thank you (3)

tang yu's dark eyes were filled with anger but his tone was extremely calm, " it seems like you guys play like this often? "

Young master Ying's eyes were filled with indifference. He picked up a glass of red wine and shrugged. "everyone came out to have fun. this girl broke the rules, so of course we can't just take her away with a word. otherwise, how are we going to live in the future?"

He passed the glass of wine in his hand to the front with a smile on his face.

tang yu looked at pei huan again and his expression was cold.

Did she know who she had offended?

Although he had never met young master Ying before, he had heard of him. He was someone that PEI Huan should not have provoked.

young master ying was not so much a rich second generation as a political second generation. his background was so deep that it was unimaginable.

No matter how much money Tang Yu had, he couldn't compete with them.

Giving him a choice was already giving him face. Otherwise, it would not be a big deal even if PEI Huan died here today.

Tang Yu took the glass of wine and smiled, " young master Ying, you always keep your word.

of course. young master Ying chuckled. but let me remind you, Mr. Tang, is it worth the risk for such a woman? "

Tang Yu didn't reply and directly drank the glass of wine.

he raised his head and the wine slid down his throat.

His Adam's apple bobbed up and down, making him look extremely sexy.

PEI Huan looked on in a daze. Her eyes were wide open and she could not believe it.

after tang yu finished his drink, young master ying high-fived him, " mr. tang, please help yourself. "

the people behind him were getting restless. young master ying stopped them. " let them go. "

then, he smiled at tang yu, " this drug has no cure. it can only work on women. but i heard that mrs. tang is pregnant, so mr. tang, please take care. "

young master ying took a glass of wine from a waiter and drank it down.

an alluring woman automatically wrapped herself around him and kissed his lips. her entire body was like a snake spirit that was wrapped around him.

Tang Yan looked at her quietly and then pulled PEI Huan up. let's go.

He did not untie PEI Huan and pulled her out just like that. When the door closed, young master Ying pushed the woman on top of him away and wiped the blood from the corner of his lips. He laughed coldly. I'm impressed that he can endure it.

the woman was thrown to the ground, but she still climbed over unyieldingly. her small hands nimbly covered his, and she was extremely charming.

Young master Ying looked coldly at the woman who was squatting down and serving him. He was playing with women, but it was usually the women who served him.

He rarely took the initiative to touch them because he thought they were dirty.

.....

tang yu threw pei huan into the back seat of the car. pei huan was still in shock.

First, she didn't think she would escape so easily. Second, she was shocked that Tang Yu was willing to drink that thing.

she remembered that she knew about the wine. there was really something wrong with the wine. it was very strong.

young master ying and the others all liked to drink that.

she looked at tang yu's back. he was driving and he looked normal.

pei huan suddenly licked her lips and said in a seductive voice, " tang yu, are you feeling very uncomfortable right now? "

"Yes," He said, " because you're in the car! PEI Huan, if it wasn't for Qiqi, I would have thrown you out right now."

how could he not know what pei huan was thinking?

Just like how PEI Huan used to say PEI Qiqi, PEI Huan was now an ingrate.

His voice was extremely cold and PEI Huan did not dare to be rash.

probably because of her insecurity, she chuckled after a while, " if you bring me back, will pei qiqi be jealous? "

Tang Yu didn't say anything for a long time. Just as PEI Huan was feeling proud and wanted to tease him again, Tang Yu said, " " pei huan, if you look in the mirror, you'll know how pathetic you look. do you think that all men will think of you when they see you? "

She thought too highly of herself and underestimated Tang Yu.

If he had a reaction to her just because he had drunk a cup of medicine, then he was not qualified to say that he loved Qiqi.

pei huan was stunned and did not say anything.

All her self-esteem was completely destroyed by Tang Yu. Really, not a single bit was left.

He was being polite, and she understood what he was trying to say.

The car was silent and PEI Huan did not dare to say anything.

However, she was getting more and more uneasy. Thinking about how PEI Qiqi was going to see her in this state, she felt irritated.

That feeling was not good.

it was like he was one level lower than pei qiqi.

the car stopped.

PEI Huan shrank into the back seat and bit her lip, "I'm not going in. I don't want to see PEI Qiqi.

Tang Yu looked at her and didn't say a word. Then, as she wished, he pulled her down and threw her on the ground.

pei huan was still tied up and her clothes were in a mess.

She saw that Tang Yu was really leaving and shouted anxiously, "I'll go in, I'll go in."

As she spoke, she began to cry, her tears and snot flying.

no man had ever treated her like this, not to mention a man who had been drugged. he did not even treat her as a woman.

tang zheng paused and looked sideways at pei huan. she followed behind him in a sorry state.

At this moment, PEI Huan's smoking addiction kicked in. Her face was pale and her body was trembling.

She followed Tang Yu into the mansion. It was almost noon.

the sun shone into the quiet little courtyard, and it looked indescribably warm ...

Tang Yu's forehead was covered in a thin layer of sweat as he walked in slowly. PEI Huan followed behind him. Every step was difficult.

She was afraid to see PEI Qiqi sneer at her and say, "PEI Huan, you have such a day too?"

She was even more afraid of seeing PEI Qiqi tell jinrong Wanwan.

However, she saw PEI Qiqi in the small kitchen. The sun was shining brightly and PEI Qiqi was wearing a white men's shirt and a pair of black shorts. She was cooking at the counter.

the sunlight outside shone on her body, creating a beautiful halo.

It was wonderful.

It was quiet and beautiful.

PEI Huan just looked on like that, and as she looked on, her eyes welled up.

compared to pei qiqi's calmness, pei huan felt dirty.

It was dirty from the inside out.

She watched and closed her eyes slightly, her whole body cold.

the sunlight could not warm her.

He could not touch her cold heart.

Beads of cold sweat seeped out of her forehead. PEI Huan's lips moved, and she felt that they were frighteningly dry.

pei qiqi turned her head and looked at them.

tang yu walked over and hugged her. his voice was a little hoarse, "qiqi, i might do something worse to you than a beast."

His kiss was gentle and delicate, and he really didn't look like he was going to do something beastly.

However, she could feel his heart beating a little fast. She looked up at him and was stunned. she had never seen that look in his eyes before.

she opened her mouth slightly and looked at him in a daze, unable to say a word.

tang yu reached out and patted her head to comfort her. then, he grabbed her with one hand and pulled pei huan with the other.

He locked the crying PEI Huan in an empty room and locked the door.

pei qiqi didn't understand. tang yu said in a low voice, " "she's used to powder, so she's addicted now."
