Chapter 641 qi qi, i want to do the things of a beast (2)

pei qiqi already knew this but seeing pei huan like this, she still felt sad.

tang yu's adam's apple bobbed as he held her in his arms. his voice was hoarse, "pei qiqi, i'm not feeling any better than her."

She looked up at him, and after a while, he picked her up and walked upstairs.

PEI Huan was screaming, cursing, and crying inside, but her voice was getting further and further away.

pei qiqi frowned and pounded tang yu's shoulder, "tang yu, i'm pregnant."

Ever since she got pregnant, he had never really wanted her, including their wedding night.

but now, his body was so solid and hot.

tang yu lowered his head. his bright and fiery eyes were filled with desire. his adam's apple moved sexily. after a while, he said in a rough voice, "Don't worry, I know what I'm doing. I won't hurt you,"

as she spoke, she kicked open the bedroom door.

That force!

PEI Qiqi closed her eyes. This is called knowing your limits?

Tang Yu's steps were heavy as he walked to the bed and carefully put her down. His movements were controlled.

when he bent down| PEI Qiqi's fingers clutched the bedsheets tightly.

sweat seeped out and stained the white bed sheet bit by bit. she was like a lily blooming to her heart's content.

in a low voice, pei qiqi cupped his hot and handsome face and pressed her forehead against his, "Tang Yu, the one who was drugged was you, Hanhan, not me."

In exchange, he kissed her deeply. Then, she was picked up and her long hair wrapped around the two.

in the time that followed, pei qiqi deeply understood what it meant to be worse than a beast.

When everything returned to normal, she was covered in sweat as she laid on Tang Yu's chest. Her little hands would tug on his chest from time to time.

Her little mouth was numb, and her fingers were trembling.

beast!

The beast chuckled satisfyingly and nibbled on her lips. He said in a low and hoarse voice, "Qiqi, I'm a little exhausted. If you still want to, I need to rest for a while."

she smacked him and was extremely angry.

she was clearly the one who had put in the effort.

tang yu chuckled and pulled her into his arms.

in fact, for this kind of thing, even if a man did not move, he would be exhausted after four or five times.

PEI Qiqi raised her head from his embrace and asked softly, "Then why didn't PEI Huan care about her?"

"It's good to make her feel bad." if not, "Tang Yu said in a heavy tone, "she will continue to be so stubborn forever.

He didn't want to tell PEI Qiqi about young master Ying's situation.

She did not ask, and he would not tell her.

She napped for a while and woke up at two in the afternoon.

tang yan went to heat up the food she made before while pei qiqi ran to release pei huan.

She was stunned the moment she opened the door.

That was because PEI Huan had lost control of her bladder.

pei huan's eyes were filled with hatred when she saw pei qiqi's white and smooth face, "pei qiqi, i will not be grateful to you."

pei qiqi looked at pei huan in shock. she had never seen her like this before.

Ever since she was young, PEI Huan had always loved to look pretty, just like a little princess.

Now that he was in such a sorry state, it was a little funny.

pei qiqi didn't immediately untie her. instead, she leaned against the door and smiled, "i don't want your gratitude! also, what's the use of your gratitude?"

PEI Huan was speechless. That's right, what could she bring to PEI Qiqi with her current state?

"Go and wash up! if there's still hope, can't you just quit and be a good person?" pei qiqi said lightly and then untied pei huan.

Chapter 642 a ghastly insult (1)

PEI Huan glared at her, "aren't you afraid that I'll Push You?" You're pregnant."

"if you have the guts, you wouldn't be called pei huan." PEI Qiqi's hands didn't stop and her tone was still very calm.

When PEI Huan heard this, she only wanted to cry.

she raised her head. she didn't want to admit that in this world, the person who understood her the most was pei qiqi, the person she hated the most.

PEI Qiqi untied PEI Huan and stood up slowly, "go and wash up. Then, eat. After you're done, you can leave.

pei huan was stunned for a long time before she asked with difficulty, "you're not going to ask me what happened between me and Tang Yu?"

PEI Qiqi looked her up and down and smiled, "if anything can happen between him and you like this, I can only say that he has a really weird taste.

PEI Huan was deeply insulted and glared at PEI Qiqi.

"this is the last time! pei huan, this is the last time i'm going to care about you." PEI Qiqi said very seriously, "no matter what happens in the future, you have to bear it yourself." &Nbsp;

PEI Huan raised her head and looked at PEI Qiqi. Her lips moved but in the end, she didn't say anything.

Even PEI Qiqi didn't want to care about her?

PEI Qiqi walked out, "go to the dining room after you're done. there's a change of clothes in the bathroom."

when she walked to the dining room, tang yu had already prepared lunch for her.

PEI Qiqi sat down and looked at him, "my mouth is numb."

mr. tang smiled and leaned over to kiss her. "Are you still numb?"

pei qiqi made a sound of acknowledgment and pouted her lips. however, she still ate her food obediently.

Tang Yu reached out his hand and touched her like he was touching a child.

PEI Qiqi lowered her head and ate her food obediently.

In fact, although her hands were sore and her mouth was numb, he was really very gentle and sweet.

For a man who was under the influence of that drug, Tang Yu's self-control was already outrageous.

pei huan stood at the door and looked at this heartwarming scene.

Originally, she pulled her shirt up to her shoulders to purposely anger PEI Qiqi.

However, after seeing this scene, she pulled up her clothes.

he only felt that he was shameless for doing that.

she sat quietly beside the couple and ate without a word.

pei qiqi looked at her, but tang yu treated her like she was invisible. this made pei huan even more uneasy.

after eating a small bowl, she wasn't full. pei huan raised her eyes and pushed the bowl in front of pei qiqi.

he still wanted to eat!

before pei qiqi could say anything, tang yu said in a deep voice, ” “Don’t you have hands?”

PEI Huan spoke naturally,”in the past, PEI Qiqi was the one who filled my bowl with rice.” &Nbsp;
” i’m the one filling up pei qiqi’s bowl now. should i also fill up your bowl? ” Tang Yu’s voice was cold.

pei huan swallowed her saliva and then went to get more with her tail between her legs.

It had to be said that PEI Qiqi’s cooking was very good. PEI Huan hadn’t eaten such delicious food in a long time.

after she finished eating, she still wanted to hang around. but tang yu packed her up and threw a few hundred yuan for her to take a taxi. he told her to get lost.

pei qiqi looked at how neat he was and leaned against the door. she looked at him with a deep gaze,
” “it seems like you really hate pei huan.”

Mr. Tang slowly walked in. When he passed her, he said very proudly, ” a woman can be ugly and not cute, but it’s hateful and detestable to be so self-confident that every man would want to sleep with her. ”

pei xiao qi responded with an ‘oh’ and didn’t say anything else.

after a while, she eagerly followed him over. Tang Yu, do you think I’m not good looking or my personality isn’t cute? ”

Chapter 643 A ghastly insult (2)

Mr. Tang was sitting in his study, smoking. When he saw her coming in, he immediately put out the cigarette and looked at her with a smile.”PEI Qiqi, what do you think?”

“yingluo should be the pretty and cute kind, right?” pei qiqi said.

“what a mysterious self-confidence.” tang mo looked at her.

she boldly climbed onto his lap and nibbled on his chin, ” tang yu, thank you. ”

She was referring to PEI Huan’s matter.

Tang Yan glared at her and chuckled, ” PEI Qiqi, I’ve already received the gift.

if it wasn’t for pei huan’s incident, if he wasn’t drugged, if he didn’t care about her health, or if he couldn’t bear to treat her like that, he would have really been ruthless today. it was quite satisfying.

She knew that he was being naughty again and was a little shy, so she reached out and hugged his waist.

tang yu sighed,”qiqi, you should let pei huan grow up, chengcheng.”

“i know! I’ve already told her. ” She stuck close to him, her voice like a little lamb.

Tang Yu lowered his head and kissed the soft little guy.

PEI Qiqi pushed him away in disgust, ” “it’s the smell of smoke,”

tang zheng picked her up. ” i only took one puff. ”

he kissed her so tenderly that her toes were all curled up.

Because of PEI Huan's matter, Yingluo was always a little weird when she played, so she didn't stay for long and returned to B city after three or four days.

The moment he returned to B city, he received news that PEI Qiqi had won the best entrepreneur Award.

Old master Lin celebrated at home first, saying that his wife had given the Lin family face.

Lin Yun felt helpless. Now, the old man really thought that Tang Yu's last name was Lin, the next day, when they returned to the Lin family, old master Lin opened a few tables to welcome them.

For the first time, Lin Yun brought Zhao Yi back to the Lin family, and it could be considered as giving him a title.

the most important thing was that Lin Yun asked Tang Yu to bring Tang Xin over for the sake of Pei Qiqi and the child in her stomach.

When Tang Yu went to pick up Tang Xin, Tang Zhiyuan was also there.

When he heard about this, Tang Zhiyuan naturally wanted to join in the fun. The fun was fake. He mainly wanted to get close to Lin Yun.

Tang Yu was silent for a while and then said, "dad, Yingluo has decided to be with Uncle Zhao. Uncle Zhao will be there tonight.

after Tang Yu finished speaking, Tang Zhiyuan's old face froze.

did Yunyun really decide to be with Zhao Yi?

He had just persuaded the young model to abort the child. He wanted to talk to Yunyun, but she had already decided to be with Yi Zhao.

At that moment, Tang Zhiyuan's eyes lost focus and became a lot darker. From his high-spirited self in the past to his current frustration, it was vividly reflected in this moment.

Tang Yu's heart almost softened. He could only sigh.

After a long time, Tang Zhiyuan said softly, "it's good that Tang Xin can go. There will be more people to take care of her in the future. This child is always a little lonely living here.

As he spoke, he looked up at his son and repeated himself. He didn't even know what he was saying.

All these years, he had been thinking about Lin Yun. He had missed her and wanted to have her again. However, in his heart, he always had some dark thoughts. He didn't want to divorce Zhao Ke, so he could still relive the old dreams with Lin Yun.

but now, he was single again, and she still chose Zhao Yi. Tang Zhiyuan felt that he had been daydreaming all these years.

Chapter 644-accidentally kissed

perhaps Lin Yun had some old feelings for him and couldn't forget him, but she hated him more.

she was so proud and arrogant, how could such a proud woman want him?

He was overthinking.

he put his hand on his forehead, slowly sat down, and said gently to tang xin, " "You can go with your brother, you can stay for a few days, and Yingluo."

He raised his eyes and looked at Tang Yu,"PEI Qiqi is very good." &Nbsp;

tang yu smiled and didn't say anything. he just patted his father's shoulder.

That moment made Tang Zhiyuan a little dazed again.

That was the sympathy between men.

tang zhiyuan laughed bitterly. " you don't have to worry about me. i'm used to being a coward after so many years. "

he was used to not having lin yun, but he didn't say that he wasn't used to lin yun belonging to someone else.

she was going to ... she was going to marry that man!

Tang Xin called out to her father like a kitten. Tang Zhiyuan reached out and touched his head, smiling bitterly, " dad is fine. Dad deserves it.

tang xin threw herself into his arms. " then i'm not going. i'll stay with dad. "

"go!" tang zhiyuan pulled himself together. " let's go and play. you haven't seen your qiqi in a long time. "

When Tang Xin left, she was still worried and looked back three times with each step.

When she arrived at the Lin family, although she felt uncomfortable, she still sneaked a glance at first aunt and her man.

yingying did look younger and more handsome than her father.

tang xin whimpered and didn't dare to look anymore.

It was probably because Zhao Ke was dead, so Lin Yun was a lot calmer. When Tang Xin came over, she also took care of her.

when the banquet was about to start, lin jinrong was pushed out by his mother.

PEI Qiqi's body stiffened. Tang Yu patted her hand and said in a low voice, " we'll be seeing each other more often in the future. Are you sure you want to see jinrong like a mouse seeing a cat every time? "

She glanced at him and did not say anything.

Tang Xin sat beside PEI Qiqi. Her Hedgehog head was like a small steel needle as she looked at Lin jinrong.

He had actually seen it before, but this time was different.

he was the man qiqi liked. she used to think that he was very handsome. now, he had a kind of temperament.

it was an indescribable feeling. tang xin looked at it for a long time before she could think of a word to describe it.

He couldn't walk now and was in a wheelchair, while she was bald. Wasn't she just as pitiful?

Probably sensing her gaze, Lin jinrong looked over at her with a cold look.

so fierce!

Tang Xin looked away.

Old master Lin's face was red as he raised his cup. "don't be too formal. it's a family dinner to celebrate tang yu's wife winning a big award. also, our jinrong has woken up."

mother lin's mouth twitched.

jinrong had been awake for half a month, but grandpa shen didn't want to celebrate. why was pei qiqi celebrating now that she won an award? was it because she didn't want to see the two cousins fight?

everyone had the same thought as mother lin. lin jinrong smiled and raised his glass. he looked at pei qiqi and said honestly, "qiqi, congratulations."

that atmosphere!

It was fine if he didn't call her cousin-in-law, but he could have just called her PEI Qiqi. He actually called her Qiqi.

So intimate!

from far away, one could smell the jealousy on tang yu. however, their tang yu was very calm. he even smiled and drank on pei qiqi's behalf.

Lin jinrong's lips curled into a smile as he drank it too.

Chapter 645 accidentally kissed (2)

the old man looked at this one and then at that one, his expression unparalleled.

The meal was also eaten in silence.

only the old master laughed happily from time to time, completely not minding the matter.

after dinner, tang yu took pei qiqi back for lunch. tang xin went to grandpa's library to look for books. grandpa had a lot of out-of-print books and said she could pick two books to bring back.

the huge library was hundreds of square meters in size, but tang xin didn't find anything interesting after walking around for a long time.

she didn't go to school for a day, but zhao ke had always hired the best tutor for her, so tang xin knew more than her peers.

she walked slowly and walked around a large row of bookshelves. finally, at the top of a bookshelf, she saw an out-of-print picture book that she had been longing for for a long time. it was a collection of some Italy master.

however, she was simply too small to reach it.

After jumping around for a long time, she couldn't do anything. In the end, she ran to the side and took a flower rack to put the flowers on, then climbed up to take her books.

The flower rack was too narrow, and she couldn't stand on it steadily, her body swaying.

She was afraid and couldn't bear to part with the book, so she held onto the bookshelf to reach Yingluo.

Before he could reach it, his body tilted and he fell straight down.

the expected pain didn't happen. on the contrary, she fell into a warm embrace.

It was a somewhat thin but powerful hug.

The tip of her nose seemed to have hit something, and she only felt a little pain.

tang xin almost cried. she raised her eyes and looked at the good-looking face in front of her.

it was lin jinrong.

at this moment, she was lying in his arms while he was sitting in the wheelchair.

Oh my God, did she hit him just now?

or did he think that she was throwing herself into his arms?

Tang Xin's voice stuttered, " I didn't mean it.

lin jinrong acknowledged her absent-mindedly and looked deeply at the little girl in his arms. after a while, he said in a low voice, " i know. "

looking at her, he asked, " aren't you coming down? "

When she fell down just now, he actually didn't have to catch her. Anyway, the floor was covered with a thick blanket, so she wouldn't fall. But he still caught her out of kindness every day.

his gaze was a little dazed because she looked 60% similar to pei qiqi. their two little faces overlapped.

however, tang xin looked sweet while pei qiqi looked a little more beautiful.

he looked at her like this, and tang xin groaned, immediately blushing and getting up.

She muttered in her heart, she didn't know where her nose had hit him just now. Something was wrong, it seemed like her lips had also touched something soft!

tang xin's eyes widened. did ran ran kiss him?

Lin jinrong didn't express any dissatisfaction at being stared at so directly by a young lady. He only asked indifferently, " "do you want to take the book?"

tang xin nodded.

She pointed at the picture book that she had been fanning for a long time. "it's that book."

lin jinrong looked at her short legs and smiled. then, he stood up.

under tang xin's shocked gaze, he stood up.

when he was sitting in the wheelchair, there really wasn't much pressure, but when he stood like this, his body was slender and tall. he was almost a head and a half taller than her, at least 1.8 meters.

tang xin stood in front of him like a little doll.

Moreover, Lin jinrong was wearing a pair of gray casual pants with a white shirt on top. He looked simple and clean.

his appearance was suitable for the first love. even our 17-year-old tang xin was moved.

Chapter 646 accidentally kissed (3)

His appearance was suitable for the first love. Even our 17-year-old Tang Xin was moved.

so handsome, so handsome!

However, if he could stand, why was he still sitting in a wheelchair?

lin jinrong was very tall, so he easily got the book she wanted.

Tang Xin looked at it and was about to thank him when she saw Lin jinrong's pained expression.

He suddenly sat back in the wheelchair, panting heavily.

Tang Xin was scared, squatted down, and touched his heart with her little hand, asking anxiously, "lin jinrong, what's wrong?"

Was he going to be in a vegetative state again?

lin jinrong grabbed her little hand and stopped her from moving.

After panting for a while, he stared at her in a daze.

did she know what her actions just now meant to the man? It meant seduction!

he looked at her deeply, and tang xin's heart was beating fast. she was angry that she didn't want to fight back, so she blushed and her heart beat faster.

lin jinrong looked at her for a while before throwing her hand away. his voice was a little stiff, "don't do this again. "

tang xin was stunned and watched him push the wheelchair out.

she grabbed his wheelchair from behind and asked, " what happened to me just now? "

young master lin pushed the wheelchair again, but the little one was stubbornly holding on to him from behind. he couldn't move no matter how hard he tried.

He was a little angry from embarrassment. After all, this was an embarrassing thing for a man.

A little girl could handle him?

"let go." His voice was a little cold.

Tang Xin was a pragmatic girl, so she stubbornly asked again, " "what happened to me just now? I touched you like that because I was worried that you would die! Lin jinrong, can you not put all those dirty, colored rubbish in your head?"

The little girl said sternly.

Lin jinrong turned the wheelchair around, his eyes deep. what do you think I was thinking just now? did he press you down to kiss you, or did he rip off your clothes?"

tang xin was so scared that her mouth trembled and her eyes widened. after a while, she screamed, " "You're shameless."

Lin jinrong pulled her over and she sat straight on his lap.

His leg was actually in great pain, but he insisted on teaching this arrogant little girl a lesson.

His fingers pinched her face gently. "speak, are you thinking about this?"

Tang Xin shook her head like a little white rabbit, obviously scared.

Lin jinrong looked at that little face and was in a daze again.

he didn't know why he was so serious with her. maybe it was because she looked too similar to qiqi.

And now, he wanted to let go of her because she wasn't PEI Qiqi.

When she let go of her, Tang Xin was a little disappointed.

just now, she had found a trace of pain in his eyes.

when he looked at her, it was like he was looking at qi qi.

She landed on the ground, looked at him, and asked, " "do you still like qiqi?"

lin jinrong pushed his wheelchair out and his voice had returned to its usual coldness, " "You're thinking too much,"

tang xin looked at his back and felt a little lonely. her heart also hurt a little.

it was like he was reluctant to part with her.

After a while, she mumbled,"actually, Qiqi is not the only one that is suitable for your Yingluo."

He stopped at the door.

Tang Xin swallowed again, " that's true. What you can't get will always be in the turmoil. Since you're destined to lose it, why don't you let it go? why torture yourself? "

Chapter 647 Accidentally kissed (4)

"how much do you know? Little wimp!" Lin jinrong said in a low voice.

tang xin waved her little fist, " i'm not a little kid. "

"Just now, I saw ... Little wimp, you haven't developed yet, have you?!" fourteen this year, or thirteen? hmm?"

the 17-year-old girl was being humiliated. " i'm 17! "

"His IQ is offline, and his body doesn't look like it." He concluded evilly and then pushed the wheelchair out.

she saw her mother as soon as she went out.

Mother Lin looked at her son in surprise, because he was actually smiling.

"Jinrong, why are you so happy?" mother lin was in a good mood, so she pushed him towards the bedroom.

lin jinrong reached out and touched his face. was he smiling?

"it's alright!" "I just saw a little fool in a book," he said lightly."It's quite interesting."

mother lin sighed. " don't lock yourself in the study room all day. go out and bask in the sun more often. it'll help with your recovery. "

lin jinrong nodded. " i know, mom. Don't worry, I'll be able to walk normally in less than half a year."

he could only stand for a while and couldn't use any strength. just now, he had helped the little fool hold the book, and it was already so painful.

at the thought of that little fool, lin jinrong's lips curled into a faint smile.

little fool, you're quite interesting.

However, he had lied.

Actually, she was not without any material. Although it was not big, it was like a small steamed bun. It had a good shape and felt good to the touch.

That's right, he accidentally touched her, Yingluo.

lin jinrong was in a good mood the entire day, which was a rare sight.

however, when he read the newspaper and saw news about pei huan, his heart sank again.

mother lin looked at the newspaper on the table and could tell why he was in a bad mood.

"It's all over! don't think about it anymore." mother lin patted him.

lin jinrong looked ahead and said softly after a long time, " mom, do you believe me? I have high hopes for that child.

that was because pei huan was pei qiqi's sister. that child should look a little like pei qiqi. he had about one-eighth of the same blood as pei qiqi.

Mother Lin was dejected and didn't say anything.

that was the child's fate. it was destined not to be born.

Lin jinrong lowered his eyes. I'm going to the courtyard to relax. I want some peace and quiet.

"I'll Push You back later," mother Lin nodded.

lin jinrong went out by himself and slowly walked out of xuanji.

It was the summer solstice, and the wisteria in the long corridor of the courtyard was in full bloom. There was a sweet and fragrant smell in the air.

He was here and PEI Qiqi was there.

when their eyes met, they were shocked.

the short distance of ten meters was their full distance.

after a long time, pei qiqi walked over and stood still.

“It’s been a long time,” He lowered his eyes and said in a relaxed manner.

pei qiqi walked behind him and pushed his wheelchair. she slowly said, ” “jinrong, let’s take a walk together.”

his eyes were a little hot, and he only managed to restrain himself after a long time. PEI Qiqi, don’t think that I’ll forgive you for breaking your promise.

I know. That’s why I can keep pushing you until your leg is healed. She promised him seriously, ” if you can’t leave by the time my child is born, I’ll get my child to push his uncle.

he turned around and glared at her,”pei qiqi, you are cursing me!”

“I’m just trying to provoke you.” She looked at him with a smile. think about it. The little guy would even push your wheelchair over and pour sand in. Or he would dress your wheelchair up as a princess’s carriage.

Lin jinrong’s face was turning black. Wanwan, this was what she wanted to do, right?

Chapter 648 not jealous? not angry?(1)

PEI Qiqi looked at him and smiled, ” I’ll Push You.

she pushed him forward and lin jinrong snorted coldly, ” pei qiqi, don’t think too much of yourself. i’ve already forgotten everything that happened in the past. ”

After he said that, there was no sound from behind him for a long time.

The hands on her knees clenched into fists. PEI Qiqi hummed, ” en, I forgot too.

Those beautiful moments were sealed in their own memories, never to be mentioned again, never to be touched.

Perhaps, as they grew old, they would occasionally recall that they had met each other in the best years of their lives.

On the campus, under the pear tree, he remembered the other person’s appearance with one glance.

After that, they didn’t say anything more. She just accompanied him for a walk, as if she had walked with him on all the roads that they had never walked before.

silence, silence, beautiful

“pei qiqi, aren’t you tired?” lin jinrong asked her softly.

he remembered that she was pregnant.

PEI Qiqi stopped, ” I think so. Before they knew it, they had been walking for more than an hour.

the house was also ridiculously large, and they had not even made a round in more than an hour.

it was very abnormal!

“i can push it myself when i go back.” Lin jinrong’s voice was a little faint.

Then, he looked up and saw Tang Yu walking over from the opposite side. He was dressed in a fresh set of clothes that didn't lose a single bit of his usual elegance.

pei qiqi stood there and watched as tang yu walked over.

"Why are you so far away?" He walked over and reached out to stroke her fluffy little head. He took her hand and pushed jinrong away, and they slowly walked back.

PEI Qiqi glanced at him. Seeing that he didn't look angry, she tugged on his sleeve and followed behind him, "I just walked around and went far away.

was he really not jealous? not angry?

pei qiqi couldn't believe it. when they lived in xia city, jinrong only came once. when he left, he tormented her like crazy.

now, she had been alone with jinrong for more than an hour, and he had no reaction at all?

At first, PEI Qiqi felt uneasy, but Tang Yu's expression remained the same. He even chatted with jinrong about business.

From what she had heard, it seemed that jinrong would not return to school but would enter the Lin organization directly.

She didn't make a sound, holding Tang Mo's hand and quietly listening to them talk. She unconsciously walked back.

when mother lin saw the three of them appear at the same time, she was quite surprised. the scene was indescribably harmonious.

"alright, i'll stop here." Lin jinrong turned around and smiled. Oh right, I haven't given you any gifts for your wedding.

"Mom, bring me the box in my room," he said in a soft voice.

mother lin subconsciously looked at tang yu. tang yu's expression was normal. he was really, really calm.

Only then did she go and take it. It was an exquisitely wrapped box, and she handed it to Lin jinrong.

Lin jinrong took it and looked at it for a while. Then, he placed it in PEI Qiqi's hands, "it's not anything valuable. Keep it. I made it myself.

PEI Qiqi acknowledged him and her eyes were a little hot.

she held it tightly in her hands.

Tang Yu took it for her. The little girl was still a little unwilling so she squeezed it a little harder.

Only when Mr. Tang looked at her did she let go.

aunt, jinrong, I'll bring Qiqi back to rest. Tang Yu smiled.

Mama Lin's gaze landed on PEI Qiqi's stomach and was a little envious. If it wasn't for PEI Huan, the child in her stomach might have been jinrong's child.

Chapter 649 you're not jealous? you're not angry? part two

pei qiqi was caught off guard by mother lin's passionate gaze. she stammered to tang yu, " "Then let's go back."

She took the initiative to pull him away. Tang Yu smiled.

After walking for a few meters, he patted her little head. silly girl. A girl who was a young mother for the first time would always be shy easily.

He handed the things in his hands to her and reached out to carry them horizontally.

PEI Qiqi wrapped her arms around his neck, " people will laugh if they see this.

no one will laugh. Our Qiqi is going to be a little mother. It doesn't matter how much you spoil her. He lowered his head, the tip of his nose touching hers, and muttered affectionately.

pei qiqi bit her lip then leaned over and bit him again.

Tang Yu's voice was extremely hoarse, " Mrs. Tang, are you trying to stir up the fire or are you feeling guilty? "

pei qiqi hugged him tightly.

could she not choose either of them, because neither of them would end well!

she hugged him shamelessly and said in a soft voice, Let's go find Tang Xin, okay? "

"Not good." Mr. Tang immediately saw through her thoughts. She moaned and hugged him.

from a distance, lin yun and zhao yi were standing side by side, looking at the pair of little children acting lovey-dovey.

"You can rest assured now," Zhao Yi smiled.

Lin Yun smiled but didn't speak.

Zhao Yi suddenly held her waist, and at that moment, Lin Yun felt tense.

"yunyun, isn't it time to consider our matter?" yi zhao said softly.

"Our business?" lin yun's voice was a little low.

Zhao Yi just half-hugged her like this and smiled bitterly,"yunyun, you're not asking me to be a monk for the rest of my life, are you?"

They were about the same age. He was almost fifty years old. Other than the one or two times he was ridiculous when he was young, he had been keeping his chastity since he met Lin Yun.

their friendship was as calm as water, but she really thought that he had no desire for her. | was it wangwang?

She didn't know that even though she was almost fifty years old, she was still extremely attractive.

With the moving posture of a young woman, how could he not be moved?

even lin yun's face was slightly red. she understood what he meant.

However, she was already so old, and she still couldn't get over it.

If it was someone like Tang Zhiyuan, she could really understand. Ever since Tang Zhiyuan had Zhao Ke, he couldn't control his lower body at all.

zhao yi was stunned.

She raised her head and he put her on his shoulder. Yunyun, I can't take it anymore.

however, there was no need to rush.

it was obvious that zhao yi had been holding back for a long time. of course, in a place like the lin family, he didn't dare to be rash.

“where's your previous bedroom?” he asked her in a low voice.

Lin Yun's body was soft. After a while, she muttered, ” Zhao Yi, let's wait a little longer.

he couldn't wait any longer.

In Lin Yun's elegant bedroom, she had seen the Forbidden Zone. A man who had been lustful for many years was terrifying.

She had not enjoyed herself for many years, and all she had left was intoxicating mumbling.

.....

PEI Qiqi hung on Tang Yu's neck and carefully whispered into his ear, ” “That seems to be mom and uncle Zhao.”

Also, it seemed like uncle Zhao was carrying Tang Yu's mother.

how bold. pei qiqi thought immorally, how nice it would be if the old man came out at this time to change the family's image.

He couldn't just watch her and Tang Yu!

Tang Yu gently patted her little P * s and said in a hoarse voice, ” “You should care more about yourself, Mrs. Tang.”

Chapter 650 Not jealous? not angry?(3)

PEI Qiqi groaned and didn't say anything else.

he carried her back to his courtyard and placed her on the dressing table. behind her was the mirror.

Tang Yu supported her with one hand and opened the small box with the other.

the box was made of wood and exuded the fragrance of good wood. inside was a music box made of the same wood. although the cutting was a little rough, it was still cute, especially when the song inside was-to alicia.

this time, he had poked the hornet's nest.

pei qiqi was a little anxious. she reached out to grab it but tang yu held her in place with one hand.

he looked at her slightly red face and insisted on listening to the entire song.

“well done, jinrong has put in a lot of effort.” He expressed indifferently.

pei qiqi bit her lips, " you said you weren't angry. "

tang yu played with it and his eyes were deep, " "is there? pei qiqi, when did i ever say something like that?"

She glared at him.

"you're the one who went to see your first love, mrs. tang. you should feel guilty." "tell me, how do you want to compensate me?" mr. tang said generously.

he had gone around in circles all for compensation?

pei qiqi looked at him with watery eyes and her voice was soft, " what do you want as compensation? "

he kissed the corner of her lips. " mrs. tang, you have to show your sincerity. "

With a slap, her small hand cupped his handsome face, teasing her with her sincerity.

tang yu glared at her. she was really bold now.

"there's nothing going on between jinrong and me! Unlike a certain someone, we don't even know what he did with his ex-girlfriend in the past." the mother of the child was fearless. since she was pregnant, he would not dare to do anything to her.

tang yu pinched her face. " you want to settle old scores? "

"i don't! if you don't mention it, i won't either." She said childishly. Then, she hugged his waist and said gloomily like a little lamb,"you're not allowed to mention it again, or i'll get angry."

tang yu didn't know whether to laugh or cry. she really, really wasn't afraid of him!

she deliberately put on a stern face, " i'm still angry. pei qiqi, aren't you going to coax me? "

"how do i coax her?" The little person's hand moved down quietly. like this? "

her little hand was very soft and she was treating him like that again. tang mo took a deep breath and looked down at her.

He only felt that his little dainty wife was submissive and pleased him obediently.

for a moment, he was a little reluctant to part with her. he pulled her small hands over and wrapped them around his waist."Alright, baby."

PEI Qiqi's little face was pressed against his waist. It was warm. She lifted her head and stuck her face out, " Tang Yu, you really don't want it? "

" mm. " he looked down at her and stroked her long hair with his large palm very gently.

It was wonderful to hug her quietly like this.

Tang Yu, you're the best. She hugged him and acted coquettishly.

She had never known that there was someone who could make her feel so at ease in his arms.

how could she let him dote on yingluo without any defense?

She thought that the reason she couldn't be with jinrong was because of Tang Zheng's appearance.

Perhaps everything was already destined.

.....

Tang Yu brought PEI Qiqi and Tang Xin to stay here for two days before leaving. However, someone else left before them.

it was his mother and zhao yi.

he could almost guess what had happened between them.

what happened between a man and a woman, and what didn't happen, could be guessed from their expressions.

during dinner that day, lin yun was a little tipsy, and she wasn't as neat as she was before.
