

Thank you 661

Chapter 661 a super romantic surprise (2)

Tang Yu's heart was about to melt. He wasn't satisfied. He could only touch her lightly and now she wouldn't let him touch her. But, he still felt an unspeakable satisfaction.

As he kissed and rubbed her, he did not dare to touch her again.

He stopped her and gently comforted her.

She finally stopped. Her eyelids were pinkish from crying, and she bit her small mouth. Her red and moist lips were very beautiful.

She looked at him with watery eyes. is it okay for you to kiss her? ”

tang yu lowered his head and kissed her. his voice was warm, ” “You're crying like this, how can I do it?”

pei qiqi didn't make a sound and just hugged him while mumbling. he was still mumbling and mumbling.

As Tang Yu was holding back his anger, he heard the little guy whisper into his ear, ” I'm fine.

After she finished speaking, she buried her face in his shoulder, feeling a little shy.

Tang Yu was overjoyed. He kissed her on the lips and after a long time, he mumbled, ” don't cry Later.

because if he did that, he wouldn't be able to do it.

PEI Qiqi bit his shoulder and whined.

After a while, Tang Yu laughed in a low and hoarse voice.

His Qi Qi also wanted him to sleep.

that night, it was warm and romantic. he only dared to come once, and that was to hug her and watch the meteor shower.

he spoke softly. in the second half of the night, pei qiqi fell asleep in his arms.

tang yu laughed like a spring breeze.

Of course, there was someone who was living a better life than him, and that was Zhao Yi.

A week later, Zhao Yi announced his marriage to Lin Yun.

He was an old-school man, and what should have happened between him and Lin Yun had already happened.

she should take responsibility for what happened. the two of them were not young anymore. it was time to get married.

old master lin didn't make things difficult for zhao yi. to be honest, with zhao yi's qualifications, he could even find a beautiful girl in her early twenties. why did he have to find his half-aged daughter? it was even because of feelings.

He didn't mention any conditions and directly asked Zhao Yi to take the man away and treat Lin Yun well.

Zhao Yi insisted that the marriage should be arranged as soon as possible, and he was very anxious. Lin Yun wanted to just have a meal with her family, but Zhao Yi didn't agree.

"yunyun, i don't want it to be extravagant, but i want to see you in a wedding dress." This was his small wish. He had seen her in a wedding dress before. That time, it was for Tang Zhiyuan.

And this time, it was for him.

lin yun looked at his expression. she knew him and naturally knew what he was thinking.

In the end, he still listened to Zhao Yi.

the old man felt a little comforted as he watched them get along.

Lin Yun wasn't a girl who would give in easily, but Zhao Yi had settled her with just a few words and no dispute. It seemed that this girl really cared about Zhao Yi.

the wedding was scheduled for a week later, and zhao yi would be the one to organize it.

as for lin yun's wedding dress, pei qiqi had accompanied her to look at it many times. of course, sometimes she also took tang xin with her.

The black RV stopped at Yan Hui. Tang Xin jumped out of the car and bent down to say goodbye to Lin Yun.

lin yun rolled down the window. " walk slowly. "

tang xin felt that since her aunt was going to marry uncle zhao, she had become a lot more loving and she was not afraid of her anymore.

She smiled and waved. Just as she was about to go in, she turned around and saw Tang Zhiyuan standing at the door of the villa.

"daddy." Tang Xin's voice was small and a little uneasy.

tang zhiyuan's face didn't look good and he looked a little dispirited. he looked at tang xin, " let's go in first. i have something to say to your aunt. "

Chapter 662 a super romantic surprise (3)

Tang Xin turned around and looked at Lin Yun again, smiled embarrassedly, and left with a squeak.

lin yun sat in the car, feeling regretful. she shouldn't have shown up.

But now, she couldn't hide. Tang Zhiyuan must have found out about her marriage to Zhao Yi!

tang zhiyuan slowly walked over and said in a deep voice, " "Don't tell me you won't even give me ten minutes to talk?"

" qiqi is in the car too. i'll get down and talk there. " lin yun opened the car door.

at this moment, tang zhiyuan also saw pei qiqi who was sitting in the back seat. pei qiqi felt a little uncomfortable and called out 'dad'.

tang zhiyuan nodded.

Lin Yun walked with him to a few meters away. The two of them stood there, and Tang Zhiyuan didn't say anything.

in the silence, lin yun sighed softly, " "zhiyuan, you know, don't you?"

tang zhiyuan pursed his lips. " you're getting married to zhao yi? "

Lin Yun didn't reply.

tang zhiyuan was a little annoyed. he took out a cigarette from his pocket, lit it up, and took a puff. then, he looked at her through the smoke. " you slept with him? "

lin yun looked at him deeply and didn't answer him directly. she just smiled faintly, " "zhiyuan, what's the point of asking this?"

All the women he had slept with, including small stars and small models, could form a whole row!

tang zhiyuan lowered his head and smiled bitterly. " yeah, it's boring. "

he raised his eyes and looked at the woman who had accompanied him for ten years when he was young.

to be honest, he had lived with zhao ke for a longer time, but he didn't have many memories. all he remembered was the time he spent with yunyun.

at that time, he must have been possessed to sleep with a woman like zhao ke. he would only divorce lin yun if he slept with her.

Tang Zhiyuan's heart was filled with desolation and his voice was hoarse, " "lin yun, if i tell you that the woman i love the most in this life is you, and i still love you, would you believe me?"

"i believe you," lin yun nodded.

it was probably her words that gave tang zhiyuan hope. he looked at lin yun fervently and said, " "Yunyun, that little model's child has been aborted. If you want, we can start all over again. I don't care about your Zhao Yi's past,"

Lin Yun thought it was ridiculous. She looked at Tang Zhiyuan. that little model? " tang zhiyuan, you didn't even remember the other person's name and got her pregnant! and what do you mean you don't care, i care? why should i, lin yun, want a man who has been with countless women?"

tang zhiyuan was stunned. the cigarette in his hand also froze.

after a long time, he smiled bitterly, " "i knew this would be the result."

however, he didn't want to give up. he wanted to try one last time.

in the end, she still didn't want him.

tang zhiyuan raised his eyes and looked at her quietly. this was his wife.

how could he bear to give up on such a quiet and beautiful woman?

Tang Zhiyuan's eyes were warm and his voice was low and hoarse, " "Yunyun, I wish you happiness."

after he finished speaking, tang zhiyuan turned around and walked inside. as he turned around, lin yun saw a tear in the corner of his eye.

lin yun was stunned.

However, she couldn't say anything and could only sigh.

After getting back into the car, PEI Qiqi carefully looked at Lin Yun but didn't dare to say anything.

It was better for her to speak less about the matters of her in-laws.

lin yun's eyes were a little red too. she didn't feel good when she saw tang zhiyuan like this.

After all, they were a young couple with good memories. Now, it was impossible.

Chapter 663 The sadness of egg (1)

As the car drove further and further away, PEI Qiqi silently handed a piece of tissue to Lin Yun, "Mom, I won't laugh."

Lin Yun took it and wiped her face, "PEI Qiqi, this bad child.

pei qiqi laughed and rested her head on her shoulder, "mom, it's all in the past. you have uncle zhao now."

Lin Yun didn't speak.

PEI Qiqi didn't know that in her heart, there was always a place that belonged to the young Tang Zhiyuan.

no one could surpass the kasaya.

A few days later, Zhao Yi and Lin Yun's wedding was held as scheduled. All the relatives of the two families were present, small and warm.

Zhao Yi's mother attended the wedding and hugged Lin Yun.

Zhao Yi's mother also didn't expect that her son would get married one day, but when she saw Lin Yun, she understood that her son didn't get married all these years because he wanted to put Lin Yun's care in Zhao Yi's wallet.

It had been around for more than 20 years.

it was rare that lin yun looked surprisingly young. although she didn't look like a girl in her twenties, she looked at most thirty-seven or thirty-eight. standing next to her son, she was a perfect match.

After the ceremony, Zhao Yi kissed his wife deeply.

This happiness was exchanged for more than 20 years of persistence.

pei qiqi looked on and leaned her face on tang yu's shoulder. she sighed, "Tang Yu, you have another father.

tang yu looked at the little girl in his arms and pinched her cheeks, "pei qiqi, did you not get enough punishment that night?"

she chuckled and fell on his shoulder, hugging him with her small hands. ” you’re not allowed to do that anymore. ”

Tang Yu didn’t scare her anymore. He reached out and wrapped his arms around her slightly raised waist.

although it had only been two months, it was already bulging.

these days, pei qiqi would always look at herself in the mirror and complain that her figure wasn’t perfect.

Mr. Tang just looked at her and didn’t speak.

At this moment, he was touching her waist like this, and she thought of that night.

Just thinking about it made him shiver. Tang Yu truly felt that after she got pregnant, doing it would be a different experience.

his faint smile was already at the peak of magnificence.

pei qiqi knew what he was thinking. she leaned on his shoulder and said in a low voice, ” “baby, look, our daddi is so handsome.”

“Oh! PEI Qiqi, am I so handsome that you want to possess me?” His voice was also very low.

pei qiqi looked around and felt like she couldn’t live anymore.

he was really shameless, there were so many people here!

Tang Yu chuckled, ” you’re already a little mother but you’re still so shy.

“I’m not young.” PEI Qiqi was cursing Chihuahua in her heart.

What aloofness, what self-restraint, they were all fake. He was a big Bad Wolf through and through.

No, it was a Wolf with color.

However, she still felt very happy.

He tilted his head and looked at Lin Yun and Zhao Yi exchanging rings. He suddenly had a feeling.

She and Tang Yu were like an old couple!

To everyone’s surprise, the little bridesmaid was Tang Xin, and the best man was egged on by Meng Qingcheng to shamelessly recommend himself.

Tang Xin frowned for a long time and said he was old.

the 27-year-old meng qingcheng expressed his heartache. he wasn’t even 30 yet, how could he be old?

She was too young.

of course, tang xin also saw lin jinrong.

he was wearing a pair of jeans with a brown shirt on top, and he looked a little chubbier.

She was still sitting in the wheelchair, but she still looked crazy.

Chapter 664 the sadness of eggy (2)

Tang Xin was wearing a bridesmaid's dress and looked at him with a little enthusiasm, but Lin jinrong was always indifferent.

after a while, his gaze landed on pei qiqi.

Tang Xin's eyes were a little hot. She knew that he couldn't forget Qiqi's teasing and that he was overthinking it.

She was still young and her feelings were vague. They came and went quickly, but she didn't know how to hide it.

Meng Qingcheng was also known as a killer in love. He had had a lot of women who were weak. From Tang Xin's few glances, he could already see that she had feelings for Lin jinrong.

at that moment, meng qingcheng's heart was filled with pain.

he had watched over her for several years, watching her grow from a little girl to this big, but he did not dare to say that he liked her.

However, she actually liked jinrong.

he's just a little kid, and yingluo likes him after just a few glances?

So, when someone asked for the best man and bridesmaid at night, Tang Xin smiled and said that Meng Qingcheng was her uncle.

In the end, Meng Qingcheng, who had a little to drink, hugged her waist with one hand and kissed her under Tang Xin's stunned gaze.

tang xin was stunned.

Everyone was stunned.

There were only a dozen people in total. They were all close relatives of the Tang and Lin families. They all knew that Meng Qingcheng was Tang Yu's good friend and Tang Xin was his precious little sister.

meng qingcheng was much older than tang xin, and tang xin was not even an adult yet. was it appropriate to kiss her like this?

tang xin was stunned. her little mouth was red, and she felt a numbness on her mouth after the kiss. she couldn't describe the feeling. she didn't hate it, but to be honest, she didn't feel much.

her eyes widened as she looked at meng qingcheng. her small mouth opened and her voice was crisp and clear. " brother qingcheng. "

Meng Qingcheng had mustered up his courage just now. Now that they had kissed, he was completely sober.

he swallowed his saliva, looked around, and asked his buddy, " did he really kiss tang xin?

his brother's response was like this-he kissed her, he really kissed her! you kissed tang yu's precious little sister and you're an old cow that wants to eat young grass.

Meng Qingcheng was dumbfounded and didn't come back to his senses for a long time.

after a long time, he asked tang xin dryly, ” “Xinxin, I’m drunk. Did I scare you? don’t take it seriously! he’s really drunk.”

as soon as he finished speaking, he received countless disdainful eyes ...

shrugs!

you’ve already kissed me, so if you like me, then so be it. why are you still acting innocent?

Countless titanium dog eyes had seen it just now. Qingcheng was so intoxicated when he kissed her just now.

he was obviously interested in tang xin, but he didn’t dare to admit it.

meng qingcheng really gave up.

He didn’t dare!

he was afraid that if he confessed, tang xin would be scared.

so he asked and looked at tang xin carefully.

tang xin frowned,”brother qingcheng, did you brush your teeth today?”

Meng Qingcheng touched his nose. He really wanted to ask her if she felt anything just now.

Upstairs, Tang Yu and PEI Qiqi were standing in a daze.

Tang Yu, I’m guessing Qingcheng saw through Tang Xin’s thoughts and lost control. pei qiqi said worriedly.

tang yu’s eyes were still on meng qingcheng and tang xin. after a while, he said, ” “it’s just a small matter. qingcheng knows what he’s doing,”

PEI Qiqi hesitated, ” who do you want Tang Xin to be with in your heart? ”

Tang Yu retracted his gaze and quietly looked at her little face. His fingers gently brushed away the hair on her forehead and his voice was hoarse, ” ” she’s my sister. i hope that she doesn’t have to work too hard. so, it’s better to find someone who loves her. ”

Chapter 665 the sadness of eggy (3)

qiqi might always be in jinrong’s heart, while qingcheng had liked tang xin for so many years.

In his heart, he hoped that Tang Xin and Qingcheng could be together one day.

PEI Qiqi didn’t expect him to give her such an answer. She thought that Tang Yu didn’t approve of Meng Qingcheng being a Playboy.

“qingcheng isn’t what you think he is.” Tang Yu didn’t say much.

pei qiqi didn’t ask any further. some things were better to be a little ignorant than to expose them.

however, unexpectedly, tang xin had a fever that night.

she had already returned to yan hui, but in the middle of the night, yan hui’s servant called and said that tang xin had a fever. however, tang zhiyuan wasn’t around. he probably went to get drunk and couldn’t be reached on his phone. she had no choice but to call tang yu.

after tang yu finished his call, he got up and put on his clothes. pei qiqi sat up as well. she was still sleepy, " what's wrong? "

Tang Yu lowered his head and kissed the center of her hair. His voice was hoarse, " " tang xin is sick and dad isn't here. i'm taking her to the hospital. "

"I'll go too." PEI Qiqi lifted the blanket.

Tang Yu held her hand down and looked at her, " "Be good and sleep. You're pregnant. I'll give you a call when I get to the hospital."

PEI Qiqi still wanted to say something but Tang Yu's voice was a little stern, " Qiqi, be good. This is not the time to be willful."

she looked up and saw his expression, then slowly retracted her hand.

He probably felt that his tone was too harsh. He hugged her and said, " it's okay. Be good and stay at home. Don't run around.

she bit her lip and grunted in agreement, watching him leave.

an hour later, she received a call from tang yu.

tang xin was exposed to the wind today and had a common cold and fever. however, because of her poor health, she had to stay in the hospital for a few days for observation. tang yu thought that tang zhiyuan didn't care about her recently and thought it was good to stay in the hospital. qingcheng was also in city B recently, so he could visit her often.

Meng Qingcheng arrived in a while. When he arrived, Tang Xin was asleep, but her face was unusually red.

tang yu got up and took his jacket, " i just fell asleep. you can keep watch. "

Meng Qingcheng didn't have much of an expression on his face. He was supposed to be drunk tonight, but when he found out that the girl was sick, he immediately woke up.

Now that she had rushed over, she felt a little sad just by looking at it.

this little fellow had suffered so much since he was young. sometimes, when he was not feeling well, his arm would be full of needles, but the little fellow could still smile sweetly at him.

It was clearly very painful, but he always smiled.

tonight, she called him brother qingcheng. she hadn't called him that in a long time.

He thought that she actually understood and was clear about it, but she was just pretending not to know that he liked her.

Just because she liked Lin jinrong, she couldn't let a brother Qingcheng like her?

after tang yu left, he paused at the door.

He turned around and looked at Meng Qingcheng. He said seriously, " "qingcheng, take good care of her."

these seemingly ordinary words were actually a promise, an attitude.

Meng Qingcheng's eyes were red. This kind of promise to Tang Yu was rare.

He smiled. I will.

Tang Yu didn't say anything else and walked out.

outside, he unexpectedly ran into someone.

Shen Chongshan!

tang yu's brows furrowed slightly. he looked a little tired but he still went up to greet her, " " uncle shen, why did you come to the hospital so late at night? "

"my stomach feels a little uncomfortable, so i came over to take a look," shen chongshan patted him.

Chapter 666 a rare kinship (1)

tang yu looked behind him, " why didn't auntie shen come with you? "

"I didn't wake her up when she fell asleep! By the way, why are you here?" Shen Chongshan also asked casually.

Tang mo rubbed his eyebrows and looked down. He didn't see Shen Zhongshan's expression.

When he looked up again, Tang Yu looked tired, " Tang Xin has a fever.

"are you feeling better now?" shen chongshan asked.

Tang Yu nodded, " the fever has gone down a bit. We still need to observe. Qingcheng is inside.

Shen Chongshan pointed downstairs. I still have to get the medicine. You should go back early.

she paused. " qiqi is still waiting for you. "

Tang Yu nodded, said goodbye, and walked towards the elevator.

Shen Chongshan stood there for a while after Tang Yu left.

His fingers were clenched into fists, and his expression was somewhat depressed. Finally, he slowly walked towards the elevator.

when he arrived at the door of tang xin's ward, he saw meng qingcheng sitting by the bed through the glass.

he bent down and kissed tang xin.

shen chongshan's eyebrows twitched, and he couldn't help but shake his hand again.

Meng Qingcheng, this bastard. How old is Tang Xin?

He's only seventeen! he just kissed her like this?

if there was no one, if tang xin wasn't sick, would meng qingcheng have eaten her in one bite?

even though he was a father who had failed in his duties, he still felt extremely uncomfortable when he saw this scene.

shen chongshan coughed lightly. meng qingcheng, who was inside the room, was completely shocked. as he straightened his body, shen chongshan walked in.

“Uncle Shen?” meng qingcheng was a little surprised.

Shen Chongshan nodded. I ran into Tang Yu outside just now. He said that Tang Xin was sick. So, he came to see her.

There was something strange in Meng Qingcheng’s eyes. He paused and said, ” “yes, maybe we’ve gone too crazy today.” or perhaps he had scared her.

Shen Chongshan’s gaze fell on the little person on the bed. She was small, pale, and lay there without any life.

he heard doctor yuan’s words.

chongshan, you can match her, but your body won’t allow it! ” doctor yuan had been good friends with him for many years, so he didn’t follow up on the updates. however, from the materials provided, he could already guess.

In B city, what else was sick that made Shen Zhongshan so concerned?

when he heard that, he was silent for a long time.

Perhaps, perhaps PEI Qiqi’s child could save Tang Xin.

Looking at the little pale fellow, it was hard to imagine that she was his daughter.

He had seen Tang Xin countless times. She always called him uncle Shen obediently. She was beautiful and obedient.

He had always liked her as well. In private, he also felt that she was not like Zhao Ke and was a good child.

But he really didn’t think that Tang Xin was his child.

in fact, when tang xin was a child, he had hugged her once by chance.

If he had known that it was his child, what would have happened?

meng qingcheng looked at shen chongshan’s expression and felt that he had gone too far.

i’m being too concerned!

“Uncle Shen, it’s fine. It’s just a fever. I should be fine tomorrow. It’s getting late, you should go home first!” meng qingcheng said, concerned.

But now, what Shen Zhongshan didn’t want the most was Meng Qingcheng’s concern and even jealousy!

What right did this kid have to kiss his daughter?

his daughter was only 17 years old, and she had such a weak body. meng qingcheng was a beast to have his mouth on a little girl.

Chapter 667 a rare kinship (2)

Shen Chongshan's gaze was meaningful. He took out a list from his pocket and handed it to Meng Qingcheng, "Qingcheng, help me get the medicine."

Meng Qingcheng opened the list and looked at it. He didn't say anything and walked out.

When no one was around, Shen Chongshan sat on the bed and looked at Tang Xin.

This child had suffered so much since he was born.

He had been careless.

Shen Chongshan reached out and covered Tang Xin with the quilt. His fingers didn't leave immediately, but he touched the pale little thing.

Her fingertips were a little hot, and she was still having a fever.

Tang Xin woke up in a daze and looked at Shen Chongshan in the dark.

"Daddy," she called him in a daze and thought he was Tang Zhiyuan.

That kitten-like Meow almost made Shen Chongshan cry.

She called him father. Even though he knew that he had mistaken her for someone else, he still had an indescribable feeling in his heart.

Her eyes were a little hot, and there was an unspeakable excitement.

Tang Xin opened her eyes and closed them again, "Dad, Tang's heart hurts."

Every time she had a fever, her body would be in pain. That kind of pain was very tiring.

That pain scared her. She was afraid that she would never wake up again if she fell asleep.

Shen Chongshan's heart ached. He didn't know what to say.

Sinful!

If Zhao Ke had been pregnant at that time and he had taken good care of her, would this child not have contracted such an illness?

But later, Shen Chongshan found out that it was a hereditary disease of Zhao Ke's family. The incidence was very high, but very few were like Tang Xin, who had it at birth.

Shen Chongshan had always treated Shen Lian as the apple of his eye, but he had never seen such a fragile little thing.

Tang Xin was as weak as a kitten.

He reached out to stroke her hedgehog-like head and comforted her gently, "It'll be fine, Ran Ran. Our little Tang Xin will be fine."

Perhaps feeling such warmth, Tang Xin's mood calmed down a little. She closed her eyes and didn't speak again. Her long eyelashes covered her pale eyes, making her look as fragile and cute as a little angel who had fallen into the mortal world.

Shen Chongshan wanted to kiss her like Meng Qingcheng did, but he didn't dare to!

He was afraid that when Tang Xin woke up, she would look at him like she was looking at a strange uncle.

In the end, he only caressed her little head gently and recalled that she had called him 'daddy'.

When Meng Qingcheng came back, Shen Chongshan took another look at the little person on the bed before he walked out.

when they arrived outside the hospital, shen chongshan took out another cigarette and slowly smoked it. he swiped his phone and dialed doctor yuan's number.

A moment later, his deep voice rang out, " "Doctor Yuan, are you sure my body can't handle it?"

Shen Chongshan fell silent after doctor Yuan said something. He looked up at the sky and let out a long breath.

Originally, he planned to secretly donate his bone marrow to Tang Xin, but his heart and heart muscle were not in good condition.

Shen Chongshan let out a long sigh and didn't say anything more.

He looked at the sky and felt that it was so dark that he could not breathe.

Walking to the car, the driver opened the door for him and said carefully, " "Sir, Madam just called."

shen chongshan got into the car and closed his eyes. " let's go! "

the driver drove the car away. shen chongshan looked at his cell phone. it was his wife. she had called him seven or eight times in total, but he had muted his phone and didn't hear it.

In less than half an hour, the car stopped in front of the Shen residence's lawn. A servant came forward to take his coat for him. Shen Chongshan asked indifferently, " "Where's Madam?"

Chapter 668-have you gone mad?

"madam couldn't find sir, so she went to play cards," the servant replied.

shen chongshan nodded. " i understand. you can leave now. "

he slowly walked up to the corner of the second floor and bumped into shen lian.

Shen Lian was shocked and took a few steps back. Under the light, her face was pale.

shen chongshan frowned. " what's wrong? "

Shen Lian's long hair was let down and she looked weak.

She looked at him and said softly, " dad, I'm fine. I just can't sleep.

Shen Chongshan paused for a moment before he continued, " sleep early. You still have work tomorrow.

he quietly walked past her. shen lian suddenly called out to him, " dad, where did you go just now? " i heard you went to the hospital."

"My stomach feels a little uncomfortable." shen chongshan said indifferently and turned to look at shen lian,"If you can't sleep, then don't drink coffee."

"I know." shen lian watched him leave.

She held a bottle of medicine in her hand hidden in her sleeve.

She stood there quietly and listened to Shen Chongshan enter the bedroom. She knew that he would take blood pressure medicine before going to bed.

his forehead and palms were covered in cold sweat.

Shen Lian quickly walked in and saw Shen Chongshan taking out two pills from his usual medicine bottle.

“dad,” he said. shen lian hurriedly called out.

“what’s wrong?” shen chongshan lowered his head and looked at her.

shen lian looked at the medicine in his hand. her face was as white as snow and she bit her lips hard on xi jue.

A large amount of sweat seeped out from her back and stained her pajamas.

she just looked at him, her gaze a little stiff and dazed.

shen chongshan didn’t say anything more. he raised his head and ate the medicine in his hand. he drank a mouthful of water and said lightly, ” “Sleep early.”

shen lian continued to look at him. after a long time, she softly said,”Good night, dad.”

shen chongshan smiled.

The door closed. Shen Lian looked at Shen Chongshan’s silhouette and slowly, slowly closed the door.

She stood at the door, her body trembling as she laughed weakly. Her laughter was somewhat desolate.

when she returned to her room, shen lian found a cigarette and lit it with trembling hands.

she needed to calm down to prevent herself from falling asleep. as soon as she closed her eyes, the image of shen chongshan taking the medicine appeared in her mind.

He would take the medicine every day from now on.

She had personally fed him the poison.

In less than half a month, his nerves would be corroded, and he might become a vegetable or become demented.

who knew that shen lian would be crying and trembling as she smoked the cigarette.

She didn’t want to do this, but he went to do a bone marrow match behind her and mom’s back.

was he going to donate his bone marrow to tang xin? was his next step going to be to give the company to pei qiqi?

It was only a week later that Shen Chongshan felt unwell.

At that time, he was at Jin Taihe’s meeting. Suddenly, he held his forehead with his hand and looked like he was in pain.

“Dad, are you alright?” Shen Lian asked with concern.

“I’m fine.” Shen Chongshan waved his hand and tried his best to raise his head. “You guys can continue.”

However, in the next second, his body fell straight to the ground with a bang. He fell to the ground with the chair.

“Dad, dad!” Shen Lian rushed over and hugged Shen Chongshan. Call the ambulance! she screamed.

In the midst of the chaos, Shen Chongshan was sent to Shengyuan hospital. It was Dr. Yuan, who he had always trusted, who examined him.

Half an hour later, Doctor Yuan walked out of the examination room with a complicated expression.

Mrs. Shen and Shen Lian stepped forward. Mrs. Shen asked anxiously, “How is it?”

Dr. Yuan let out a deep breath and placed his hands on Mrs. Shen’s shoulders.

Chapter 669 Have you gone mad?(2)

Doctor Yuan’s voice was calm. “We have to be prepared. His nervous system has been destroyed beyond recognition. It’s already a miracle that he could last this long. This time, he might not wake up.”

Mrs. Shen was stunned.

She looked at the doctor in a daze.

“We’ll conduct further tests to find out the cause,” Doctor Yuan continued.

Mrs. Shen’s face was drained of all color. She had completely collapsed.

How could it be possible?

Chongshan was such a strong person, how could such a thing happen to him?

She didn’t believe it.

Mrs. Shen could not face reality. Shen Lian looked at Dr. Yuan and whispered, “Sorry to trouble you, doctor.”

“Should we call the police?” Doctor Yuan asked sternly. I suspect that someone is intentionally trying to harm Chongshan.”

Mrs. Shen was still crying. Shen Lian pursed her lips. “Let’s not beat the grass and alert the snake first.”

Doctor Yuan thought about it and agreed, “Let’s wait and see. Maybe a miracle will appear.

However, he knew very well that it was almost impossible for Shen Chongshan to recover.

The medicinal properties were too strong, too intense.

His gaze inadvertently swept across Shen Lian’s face. Shen Lian pursed her lips and then said to Mrs. Shen, mom, you stay here. I’ll go home and pack my daily necessities.

[illegible]

Chapter 670 Have you gone crazy?(3)

Shen Lian's lips trembled and she was unable to speak. She could only clench the medicine bottle in her hand.

mrs. shen's eyes were filled with tears. she glared at her daughter and said, "shen lian, what are you holding in your hand?"

shen lian retreated and her body was pressed against the wall behind her. with nowhere to go, she said in a trembling voice,"mom, if there's nothing, why did you come back?"

yes, if I didn't come back, I would never know that your father and I have raised an ungrateful person. at that moment, mrs. shen was like a fierce female beast, her whole body covered in claws.

Shen Lian's facial muscles were trembling. She suddenly screamed,"mom, what are you talking about?"

Mrs. Shen took a step forward. Her fingers were like pliers as she grabbed Shen Lian's hand and raised it high.

the medicine bottle was raised high.

"do you dare to say that there's nothing inside?" Mrs. Shen dragged her all the way to the bed where Shen Chongshan was sleeping. She picked up the medicine bottle and said, "shen lian, if you didn't do it, who did it? Ah?"

the last sound was like the roar of a female beast that had lost its love.

Shen Lian was dumbfounded as she watched the two Medicine bottles roll down and then back down.

her tears fell like raindrops, and her voice was a little choked. "yes, i did it, hanhan."

As soon as she finished speaking, she was slapped in the face, and then another slap.

Mrs. Shen was usually soft and weak, but at this moment, her hands were like iron plates. She slapped Shen Lian's face again and again.

shen lian did not resist and allowed mrs. shen to hit her until her face swelled up.

mrs. shen cried hoarsely as she hit him. what's wrong with you? he's your father, Yingluo. You hurt him so much. The heavens won't tolerate you. Aren't you afraid that the heavens will punish you?"

shen lian allowed her to hit her. mrs. shen was on the verge of a mental breakdown.

her child had harmed her husband. her world was about to collapse.

She hit him, howled, and burst into tears.

Shen Lian finally raised her eyes and looked at her mother, who was on the verge of going crazy. mom, are you going to let him betray you so easily?"

Mrs. Shen was stunned and stopped. She looked at her daughter in a daze and said,"So, just because of this, you want to harm him?"

“Mom, wake up.” Shen Lian’s face was filled with embarrassment. She looked at her mother. do you think that it’s as simple as him sleeping with Zhao Ke? ”

“Do you know what you’re saying?” Mrs. Shen slapped her again.

shen lian’s face was slanted from the slap. she covered her face and laughed softly. she looked up and looked at mrs. shen with a pitiful expression.”Mom, are you really willing to accept such a marriage? Do you know how many things he has been hiding from you?”

Mrs. Shen’s lips were trembling, and she couldn’t say a word.

shen lian sneered. ” you probably don’t know. pei qiqi and tang xin are his and zhao ke’s illegitimate children. ”

mrs. shen was stunned.

” pei minghe and tang zhiyuan are both fathers now. they were so silly to raise a daughter for shen chongshan. Mom, he’s going to acknowledge these two B * stars now. He might even hand the company over to PEI Qiqi.” shen lian laughed so hard that her tears were about to fall.”mom, think about it. if pei qiqi inherits the company, where should we stand? Where are you, Mrs. Shen, standing now?”

Mrs. Shen’s eyes were filled with disbelief.

shen lian leaned in and her eyes were filled with determination. so, mom, we can’t have a man like him anymore. Only if I inherit the company will we be able to live well, Yingluo. As for dad, he’s still here. Mom, you can take good care of him.
