

Thank you 681

Chapter 681 qi qi, the child is fine (1)

” mmh, ” pei qiqi replied and looked up, ” then you can come and pick me up in the afternoon. ”

“come over at noon, i have something to do nearby.” “Our little milk cow has to be obedient,” he said as he pinched her little face.

PEI Qiqi’s face turned red. When did she become a little milk cow?

however, she soon remembered that tang mo had held her hand last night and said slowly, ” pei qiqi, you seem to have grown up. ”

she glared at him, how shameless.

Tang Yu smiled. Just as he was about to get into the car, a flash of ridicule appeared in the corner of his eyes.

PEI Qiqi, you b * tch. You caused our PEI Huan to be in such a miserable state. I will destroy you, ” a childish female voice sounded. Then, the scene in front of her blurred.

before pei qiqi could react, she was already swept into a warm embrace. then, she heard a painful cry.

When he opened his eyes, he saw a little girl in her early twenties lying on the ground. Half of her arm was black and burnt, and there was a pungent smell.

it was liushan.

pei qiqi was stunned.

At this moment, a few security guards ran over and held the girl down.

Of course, he also took away the remaining half of the bottle.

The girl covered her face and screamed in pain. She looked quite pitiful on the ground.

“call the police and send her to the hospital!” PEI Qiqi’s body trembled as Tang Yu hugged her.

she saw that the girl’s face also had an egg-sized black burn. yingying was probably disfigured.

tang yu gestured for the security to do it while he helped pei qiqi in. however, after taking two steps, pei qiqi stopped. her face was pale and her lips were bloodless.

tang yu’s voice was low, ” qiqi! ”

pei qiqi’s forehead was covered in sweat. her little hand grabbed tang yu tightly, ” tang yu, take me to the hospital. my child is here. ”

She lowered her head and looked at her lower body.

She was wearing a white dress, which was stained with a bright red blood.

it was dyed red, and it stung her eyes.

she was in so much pain that her nails dug deep into tang yu's flesh. her pale lips pursed and she endured the pain, " Tang Yu, Tang Yu, I can't lose this child.

This child was not only Tang Xin's hope, but also the child she had been looking forward to. It was the fruit of her and Tang Yu.

they were about to be parents in five months.

She was extremely afraid that she would lose the child.

"qiqi, don't say anything." Tang Yu's eyes were red. He had already picked her up and carefully placed her in the back seat.

at this time, xiaowen also rushed over and sat directly in the car. " don't worry, mr. tang. i'll take care of you from the back. "

Tang Yu nodded and immediately jumped into the car. He took PEI Qiqi to the nearest hospital as fast as he could.

His mind was in a mess, but he forced himself to calm down. Just like Qiqi said, nothing could happen to the child.

Slowly, he calmed down and said in a deep voice, " Qiqi, the child will be fine. I promise you.

PEI Qiqi's forehead was still covered in cold sweat. She could feel waves of pain in her lower abdomen.

it was very, very painful, but when she heard tang yu's voice, she actually slowly calmed down.

if he said that nothing would happen, she would believe that the child would be safe and sound.

"Tang Yu!" She called out his name. At this moment, she would only feel at ease when he was by her side.

xiaowen hugged her. she was anxious, but she did not dare to show it, afraid that boss pei would overthink it.

She was a little scared of the blood. After all, Xiaowen was a young girl and had never experienced this.

Chapter 682 Qiqi, the child is fine (2)

In the end, he still went to Sheng Yuan hospital. In the car, Tang Yu threw his phone to Xiaowen and asked her to contact him.

Xiaowen's voice trembled as she spoke. The doctors and first aid were quickly arranged.

When they arrived at the hospital, Tang Yu carried PEI Qiqi all the way to the emergency room. Her face was pale as she lay on the White bed. Tang Yu's body was also stained with her blood.

He bent down and placed his hands on both sides of her head. Their faces were pressed together and his lips were beside her ears. Qiqi, the child will be fine. Bear with it.

his heart ached for her, but he also knew that nothing could happen to this child.

his qi qi was strong but he could not imagine what would happen to the child without her.

PEI Qiqi closed her eyes. She was in so much pain that she had lost all her strength and her voice. She slowly moved her fingers and held Tang Yu's hand tightly.

Then, he released Yingying.

Dr. Mei rushed over and helped push it in. She glanced at Tang Yu, " "Wait outside. he'll be fine."

She saw that Tang Yu's eyes were red. This child had never been so fragile.

"aunty mei, please." Tang Yu's eyes were a little hot. He raised his head, " Qiqi is very important to me.

from these words, aunty mei understood that qianqian didn't care about anything. even this child wasn't as important as pei qiqi.

"I understand," she nodded.

The door to the operating room closed. The soft knocking sound seemed to hit Tang Yu's heart and he couldn't calm down for a long time.

He stood outside the door, feeling uneasy.

he had never felt such anxiety and fear before.

his life had been smooth, and almost everything had been certain.

Even when PEI Qiqi ran away from the wedding, he took every step carefully and finally tied her to his arms.

however, he could not help her now.

he could only wait outside and watch his qi qi suffer.

He said that he could keep the child, but he couldn't. He just wanted her to be more confident and strong. His Qiqi had always been strong.

Tang Yu's fingers touched his forehead and he looked up. His eyes were so hot that they were almost popping out.

Lin Yun, Zhao Yi, the old man, and even Tang Zhiyuan came over ...

"what's going on?" lin yun quickly walked over and asked.

Tang Yu wiped his face with his palm, " it might be PEI Huan's fans. But I'm not sure, I still need to investigate."

Lin Yun was stunned for a moment, then said angrily,"this pei huan really can't stop. has qiqi not suffered enough losses from her? what's the point of harming others like this?"

Old master Lin was also furious. He knocked his walking stick on the ground and urged PEI Huan to come over. If she was really here, he would chop her into pieces.

Tang Yu's heart was in a mess, but he still kept his head straight and said, " " we can't make a conclusion right away. i don't think it's that simple. "

If she was really a fan, shouldn't she be protecting her idol? why did she get herself into trouble?
but tang yu couldn't care about that right now. the most important thing was for qiqi and the child to be safe.

as for the person behind the scenes, he had to find out. he couldn't let qiqi have a time bomb by her side.

"Let's wait for Qiqi and her son to be safe." Lin Yun nodded.

She was a Buddhist. At this moment, she closed her eyes and sincerely prayed to Buddha for PEI Qiqi.

Zhao Yi helped her to sit at the side. His careful look made Tang Zhiyuan look at him.

At this moment, the others were worried and confused, but he saw it clearly.

zhao yi was too careful just now.

Chapter 683 qiqi, the child is fine (3)

time slowly passed by.

Every second was hard for Tang Yu to bear. His heart ached.

his qi qi was so afraid of pain. she was also afraid of seeing blood. now that there was so much blood, was she very afraid?

Her eyes were a little red, and her fingers touched her pocket. After a long time, she remembered that she had quit smoking a long time ago.

tang zhiyuan handed her a cigarette. " go over and smoke one. "

Tang mo took a long drag, as if this would calm him down.

After two long hours, the door of the operating theater finally opened. Although doctor Mei was tired, she walked quickly.

Tang Yu immediately walked up to her. His good-looking thin lips pursed but he didn't ask.

"Mother and child are safe! It's a good thing." dr. mei took off her mask and smiled despite her fatigue.

At that moment, Tang Yu felt his entire body relax and his feet went soft.

Lin Yun was a woman, after all. She could make up her mind at this time. When Qi Qi wakes up, we'll go and take a look."

she turned her body and kicked tang mo."Are you dumb?"

Only then did Tang Yu wake up. He said in a dry voice, " "aunty mei, thank you."

"What are you thanking me for? Qiqi is still very weak now. Although the child is safe, she may have to stay in the hospital for the first six months. She also has to be extra careful in the future. The first child is always more precious." Dr. Mei put on her mask again. I'll go in first. I'm afraid Tang Yu will be too worried. I'll come out for a bit.

The door closed again. Tang Yu's eyes were wet.

Lin Yun squinted at him. "Look at you. You're always calm in the face of danger. But now you're almost crying in the hospital."

Even though she said that, she still hugged him.

How could she not understand Tang Yu's feelings? Back then, she also lost a child.

She had thought that she would never be able to have another child.

And just now, Pei Qiqi's child might not be saved. All she could think of was worry and nothing else was left for Zhao Ke.

She thought, it was Tang Yu and Zhao Yi who made her let go of all her awkwardness and of course, the child in her stomach.

Lin Yun gently hugged Tang Yu and said in a soft voice, "Tang Yu, you're going to be an older brother again."

Even Tang Yu was stunned. He didn't know what to feel when he looked at his mother.

"I think you've passed your rebellious phase a long time ago, so you probably won't mind." Lin Yun smiled and patted him.

The noble and unparalleled Tang Yu was in an especially sorry state today. He was still a little dazed and only came back to his senses after a long time. He smiled bitterly, "Of course."

Zhao Yi was smiling on the side. Lin Yun returned to his side and he helped her to sit down. He was very considerate.

Tang Zhiyuan looked on helplessly as Wanwan watched his Yunyun being with another man.

When they got married, he didn't go. He wasn't so generous as to watch her remarry while he still loved her.

He didn't even know how many times he had dreamed of him calling her name when he was drunk.

But she belonged to another man.

Zhao Yi was a very considerate man. After weighing the pros and cons, he said to his wife, "Yunyun, I'm going to buy some things from the supermarket across the street. Qiqi will need them when she comes out. Tang Yu probably didn't think of this. Sit here, I'll be there in a bit."

When he married Lin Yun, Tang Yu didn't need him to take care of him. However, he always took care of Tang Yu and Qiqi as his juniors and he didn't show any signs of it. Lin Yun was very satisfied with him and lived a happy life.

Chapter 684 Qiqi, the child is fine (4)

Zhao Yi got up and patted Tang Yu. Take care of your mother too.

Tang Zheng understood his meaning and nodded. At this time, the old man knew that it was fine and went back first.

After Zhao Yi left, Tang Zhiyuan slowly walked over and sat beside Lin Yun.

after a while, he looked at his ex-wife, who still had her charm, touched his nose, and asked unhappily, "Pregnant?"

lin yun was a little surprised. she didn't think that tang zhiyuan would be able to tell.

Yunyun, you were always like this when you were pregnant with Tang Yu. How could I not tell? "

tang zhiyuan smiled. he wanted to smoke, but he was worried about lin yun and put it down.

Lin Yun was speechless. If that was the case, how could he not see it when she was pregnant?

lin yun's emotions were a little fluctuating, but it was only a little. it had all happened so many years ago.

tang zhiyuan didn't get any response. he looked deeply at lin yun and didn't say anything more.

after a while, zhao yi came back with a large bag of daily necessities in his hand.

pei qiqi was pushed into the VIP ward and didn't wake up. lin yun stood at the door and gave tang yu some instructions before leaving.

tang zhiyuan watched the couple leave and stood there for a long time. then, he patted tang yu on the shoulder, "Take good care of her."

Tang Yu nodded, "don't tell Tang Xin yet.

other than worrying that tang xin would be worried, he was also afraid that tang xin would come and disturb pei qiqi's rest.

tang zhiyuan left. tang zheng closed the door and sat in front of the hospital bed.

pei qiqi's eyes were tightly shut. her long and thick eyelashes were like two small fans that covered her face, making her face even paler.

tang yu sat at the head of the bed and reached out to brush away the loose hair on her forehead. his voice was extremely hoarse, "qiqi."

Her eyelashes trembled, but she still didn't wake up. Her small hand that was held by him was also extremely weak.

His heart ached, and he was as fragile as a child.

He bent over and carefully hugged her Kasaya and the child.

doctor mei had already changed out of her surgical gown and was standing at the door with two nurses behind her.

Doctor Mei's face was gentle.

she had watched tang yu grow up. when did he become so weak?

The nurse looked at doctor Mei and asked in a low voice,"It's time to get an IV drip."

Doctor Mei acknowledged and then walked in to personally put PEI Qiqi on a drip.

"from today to tomorrow, i'll have to get an iv drip. yingying will be much better after tomorrow afternoon. " "Don't worry, this won't affect the child," doctor Mei said after a pause.

She used her eyes to signal for the nurse to leave. Then, she coughed and said, "For the next three months, do not have any sexual activities."

tang yu was a little surprised as he looked at doctor mei.

Doctor Mei put her hands in her white coat and coughed again. "that's all i have. i'm going to have lunch first. qiqi would wake up in about two hours. At that time, he could properly eat liquid food."

Tang Yu watched as she left. After sitting for a while, he wrung a hot towel and wiped PEI Qiqi's hands and face.

pei qiqi didn't wake up until two in the afternoon.

She slowly opened her eyes and saw Tang Mo's slightly Haggard face. He sat on the edge of the bed and leaned forward, his eyes staring at her.

she tried her best to open her eyes and looked at him quietly.

Her fingers moved gently and slowly caught his index finger.

Her face was still pale, " Tang Yu, the child is Hanhan.

She stared at him with her grape-like eyes, afraid to miss any of his expressions.

Tang Yu's heart ached for her. He held her hand tightly, " Qiqi, the child is fine.

there was a new look in her eyes. she looked at him and smiled. "you're not lying to me?"

Chapter 685 Qiqi, the child is fine (5)

tang yu walked up to her and carefully wrapped his arms around her. his warm breath enveloped her.

"Qiqi, our child is still here." His voice and body trembled as he closed his eyes. "I'm sorry!"

it was his fault for not taking good care of her and almost causing her to lose her child.

pei qiqi didn't move. she could feel his cautiousness and trembling.

this was tang yu. he was actually this afraid!

The two of them didn't make a sound and just hugged Yingying. They both needed each other's body temperature and felt each other's temperature.

after a long time, he maintained this posture and said in a hoarse voice, " "qiqi, are you hungry?"

She hummed in acknowledgment and looked around before her gaze fell on his face. Tang Yu, you didn't have lunch, did you? "

he didn't say anything. he got up and went to get a small bowl of millet porridge. he then moved her bed up a little and fed her in small mouthfuls.

She was still weak, so he decided to hold her little head in one hand and feed her with the other.

pei qiqi rested her head on his shoulder. all she could see was his light blue shirt. it made her feel at ease.

She obediently finished screaming and recovered some strength.

Her small hand gently caressed her lower abdomen. This child was really tenacious.

she looked up at tang yu, "you eat some!"

tang yu finished the rest of her food, quickly packed up his things and accompanied her.

even now, he still had some lingering fears, but he didn't want to bring these negative emotions to her, so he didn't mention it.

He didn't mention it, but PEI Qiqi did, "do you really think it was PEI Huan's fans who did it?"

tang yu reached out and wiped the sweat from her forehead. his voice was a little hoarse, "you don't think so?"

"Do PEI Huan have such loyal fans?" PEI Qiqi looked at Tang Yu, "in your heart, do you know who did it?"

He held her fingers, his heart filled with unspeakable pain.

PEI Qiqi looked at him and didn't continue.

She knew how he felt, and this kind of thing needed evidence. She couldn't just make a guess and convict him.

her body was weak, and after talking for a while, she fell asleep.

tang yu kept watch. in the evening, meng qingcheng came but didn't come in.

tang yu covered pei qiqi with the blanket and carefully closed the door.

"how's the girl?" tang mo asked.

Meng Qingcheng took out a cigarette and handed it to Tang Yu. Tang Yu didn't take it and just stared at him.

Meng Qingcheng scratched his head and coughed, "Tang Yu, you better be prepared!"

Tang Yu's brows furrowed. Meng Qingcheng quickly said, "The girl jumped off the building after she came out of the operating room. She was probably disfigured."

tang yu looked straight into meng qingcheng's eyes-

meng qingcheng smiled bitterly.

or maybe, "Tang Yu slowly said, "it's because of the person behind her!"

as he spoke, meng qingcheng was speechless. after a long time, he sighed, "i didn't expect this."

tang yu's face was tense. he put his hand in his pocket, "qingcheng, do you have cigarettes?"

meng qingcheng glared at him. he just said he didn't want to smoke!

He still offered the cigarette. Tang Yu walked with him to the smoking area and took a deep breath, "Qingcheng, no matter how well I treated Qiqi, I'm the one who harmed her this time.

They all knew who did it.

"Go and investigate. Try to find evidence." Tang Yu's voice was cold.

Chapter 686 chapter 686-a kiss?

Meng Qingcheng nodded then suddenly asked, "Tang Yu, if you find out that she did it, what will you do?" "Send her to prison?"

Tang Yu's gaze was calm. Although he didn't say a word, Meng Qingcheng understood what he meant. He paused, "Shen Zhongshan is in such a state now, and only Shen Lian is supporting Jin Taihe!

Tang Yu's Black eyes were cold, "what does this have to do with me?"

If she was the one who did it, then Shen Lian would have to pay the price.

Meng Qingcheng nodded. okay. If necessary, I will talk to the 'King' and see if there are any related clues.

However, whatever they thought of, the person behind it also thought of it. All the clues were clear. The origin of the call in the phone of the girl who jumped off the building could not be found.

The director of a Bureau in B city personally came to apologize to Tang Yan because of his incompetence.

Tang Yu saw him outside. after he heard what he said, he finished smoking the cigarette in his hand and said, "this matter ends here,"

he wouldn't be able to find anything even if he continued to investigate, but he had his own way.

The Bureau chief of B city wiped his cold sweat and took his leave.

When Tang Yu returned to the ward, PEI Qiqi was lazily reading a book.

"who's here?" she raised her eyes when she saw him enter.

Tang Yu slowly closed the door and paused, "a senior executive in the company."

"oh," PEI Qiqi replied and didn't say anything else. her eyes were still on the fairy tale book in her hands.

Her face was quiet and beautiful, and there was some color in it. Compared to the paleness a week ago, it was a little rounder.

Tang Yu walked over and sat down. He reached out and touched her face and smiled, "how's the child?"

PEI Qiqi put down the book in her hand and lowered her head to look at her stomach. Then, she smiled, "it's alright.

She sat up straight and hugged his arm. "Tang Yu, when are we going home?"

After staying here for a week, she was going to go moldy.

Tang Yu looked at her lively face and smiled. He asked very casually, "Isn't it good to stay here?"

she frowned. "not good! It's the smell of disinfectant. I don't like it, and the baby doesn't like it."

She rested her small face on his shoulder, her black eyes blinking as she looked at him.

just looking at it like this, his heart was about to melt.

Tang Yu touched his chin and looked at her, " "But aunty Mei said she'll stay for at least a month to protect the baby."

"tang yu, can you go and tell aunty mei that i'll go home and protect her? I promise I won't run around and will stay in bed." Her eyes were bright and lively.

tang mo stared at her and slowly said,"why do i have to tell aunty mei?"

pei qiqi was shocked, " don't you dote on me? didn't you say that i would agree to everything?"

"you also know that i love you?" he asked in return, reaching out to knock her little head. " then you shouldn't have asked for such a request. "

PEI Qiqi looked at him pitifully. She wasn't afraid of him, " Mr. Tang, a kiss!

"mrs. tang, you want to send me away with a kiss?" he looked at her.

As he spoke, he reached out and pulled her into his arms. They were very close, and she could feel his excitement.

"shameless!" Her small face leaned on his shoulder, and she was a little shy. Her small hand also gently stroked his shoulder.

Tang Zheng kissed her but didn't let go. He didn't go any further.

even before she gave birth, he probably would not dare to touch her easily, let alone when she was three months old.

Chapter 687 A kiss is all it takes?(2)

However, the little cheeky girl poked him and wrapped her arms around his neck, her voice especially soft. Tang Yu, do you feel bad? "

His face darkened and he looked at her,"PEI Qiqi, what do you think?."

she was recuperating, so he had to recuperate!

she hugged him and giggled.

tang yu gently patted her twice and said helplessly, " "you're already so big, yet you're still acting like a child."

He wanted to ask her to come down, but she stuck to him and refused to let go.

"qi qi!" he called her name, then pushed aside her crazy hair, revealing her small face as white as jade, and kissed her deeply.

her small hand clutched his shirt tightly as she accepted his kiss.

his kiss was restrained and affectionate, and his whole body was tight and strong.

her small hands rubbed against his back, and she was as soft as a puddle of water in his arms.

after a long time, he finally let go of her with great difficulty.

“Qi Qi, do you want me to kiss you?” His fingers gently caressed her red lips and let her rest in his arms. Just holding her like this made his heart feel extremely satisfied.

She was still a little absent-minded. Her small mouth was slightly open, and her eyes were blurred. There was an indescribable temptation.

tang yu couldn't help but kiss her again. it was so lingering like he had a lifetime to kiss her like this.

in the end, he was still interrupted.

The nurse stood at the door helplessly, because Mr. Tang was kissing Mrs. Tang.

Mrs. Tang was pressed down on the hospital bed, and Mr. Tang was propped up. Even though he was wearing a shirt, his well-distributed muscles could be vaguely seen.

And it was the kind of kiss where he did push-ups ...

How embarrassing!

The nurse covered her feverish face and said softly, “Mr. Tang, there's a miss PEI who wants to see Mrs. Tang. She says she's Mrs. Tang's sister.”

mr. tang was 'playing games' with mrs. tang. when he heard her voice, his body stiffened. then, he turned over and frowned, “Younger sister?”

Before the nurse could say anything, PEI Huan had already walked out from behind. it's me.

tang yu's gaze was a little deep so the nurse quickly left.

PEI Qiqi heard the voice and knew it was PEI Huan. She didn't expect PEI Huan to come.

tang yu tilted his head and asked gently, “do you want to see him?”

“Let's meet!” PEI Qiqi sat properly and reached out to tidy her hair.

pei huan walked in and could guess what they were doing just by looking at the messy bed.

pei huan chuckled and said with a fake smile, “you look like you're in a good mood. did i interrupt something?”

Tang Yu only glanced at her once and she shut up.

pei qiqi leaned against the headboard and didn't bother to be polite with pei huan. she asked directly, “what's the matter?”

PEI Huan didn't say yes or no. She looked PEI Qiqi up and down. Her complexion looked good. She was still in the mood to play just now. The child was definitely still there.

“Nothing much, I just came to see how you're doing,” PEI Huan walked to the sofa opposite the hospital bed and sat down. After sitting for a while, she smiled. this sofa is not bad. And this Ward is even bigger and more advanced than an apartment.

pei qiqi just looked at her and didn't say anything. she was waiting for pei huan to get to the main point.

she could tell that pei huan was just bluffing. she would usually deal with people of poor quality in this way.

pei huan took out a cigarette from her bag. she wanted to smoke but put it back.

he raised his eyes and looked at pei qiqi. then, he said anxiously, "I didn't do it,"

Chapter 688-who did this?

"I know," pei qiqi's voice was calm.

PEI Huan was stunned. She couldn't believe that PEI Qiqi would believe her just like that.

There was a touch of embarrassment on her face, and she paused before saying, "he's not my fan either. i don't have such extreme fans."

Or rather, she didn't have any fans at all.

at the thought of this, pei huan's eyes were filled with ruthlessness. "it must be some b * tch who framed me. "

PEI Qiqi knew that PEI Huan cleaned herself up because she was afraid that Tang Yu would take revenge on her.

a faint smile appeared at the corner of her mouth. "that girl jumped off the building. there's no evidence. whether she's your fan or not, i don't think you did it. "

Tang Yu listened on the side and was slightly touched.

there were some things that he didn't tell qiqi, but she knew about it. that person was stunned.

He couldn't find any evidence against her, but it didn't mean that he wouldn't do anything.

he wanted to ensure his qi qi's safety. he believed that it would not be long before that person could not hold back.

When PEI Huan heard PEI Qiqi's words, she couldn't believe it.

if she was pei qiqi, she would take the chance to push all the blame onto her.

PEI Huan glared at PEI Qiqi, "don't think that I will be grateful just because you are pretending to be kind.

"I've said it before, no one wants your gratitude." PEI Qiqi laughed and looked out the window. Her voice was soft, "pei huan, i think that if dad could sense you, he would want you to live well. "

After she finished speaking, her gaze landed on PEI Huan's face.

pei huan's lips trembled and her expression was twisted. she could not say a word for a long time.

After a long time, she finally squeezed out a sentence, "PEI Qiqi, return the company to me. Then, you can talk to me about dad.

pei qiqi sighed, "pei huan, will you manage the company properly? "

PEI Huan glared at her.

“i can give it to you, but you have to grow up first.” pei qiqi said calmly.

and what pei huan hated the most was pei qiqi’s bossy way of speaking.

she picked up her bag, ” i’m leaving. it’s fine as long as it has nothing to do with me. pei qiqi, you said that it’s none of my business. don’t blame me for whatever happens next. ”

PEI Qiqi sat down, ” you didn’t do it, so you don’t have to be afraid.

pei huan gritted her teeth and walked out. at the door, she suddenly turned back.

she looked at pei qiqi, who was in a daze as she stared at pei qiqi’s bulging stomach. she also looked at tang yu beside her.

She was a little envious and jealous, but she also knew that it was her own doing.

she looked at it for a while before she pursed her lips and walked out.

Tang Yu was still leaning on the side. PEI Qiqi looked up at him, ” “Actually, PEI Huan is quite pitiful.”

why are you pitying her again? I never knew that boss PEI could be so soft-hearted. he went over and gave her a hug. ” don’t think about it anymore. maybe she will grow up in the future. ”

PEI Qiqi tugged on his sleeve and her expression was a little awkward, ” Tang Yu, you don’t know. What I’m most afraid of is that she won’t be able to quit. This will ruin her.

the pei huan now was young and beautiful. there were many men who wanted her, and she could earn money.

But what about in the future? what was she going to do in the future?

If PEI Huan did not hate her, she would have immediately sent PEI Huan to the drug rehabilitation centre.

However, just like what PEI Huan said, PEI Qiqi wasn’t a Saint and she wasn’t a fool. Doing this wouldn’t benefit PEI Huan or herself.

PEI Huan would have that kind of rebellious mentality and think that she was harming herself.

PEI Qiqi looked at the door for a long time. Her eyes were a little wet.”Maybe she’ll grow up in the future.”

Chapter 689 who did it?(2)

tang mo rubbed her fluffy hair and sighed.”Our Qi Qi became soft-hearted after she got pregnant.”

“i’m not soft-hearted,” She lifted her head and hugged his waist, ” Tang Yu, didn’t you notice that PEI Huan has changed? ”

although her attitude was as bad as before, pei qiqi and pei huan grew up together. how could she not feel the change in pei huan?

“i don’t pay attention to her,” mr. tang replied.

pei qiqi looked at him.

tang yu smiled, ” mrs. tang, it’s time for your afternoon nap. ”

He gently pulled her under the blanket and kissed her forehead. "The baby needs to sleep too."

pei qiqi grabbed his arm and disobeyed him, "you haven't agreed to what i just said."

And he had already kissed Yingluo.

mr. tang immediately assumed a superior posture and squinted at her. "PEI Qiqi, when did I agree?"

PEI Qiqi was furious. She grabbed his hand and bit it, "then why did you kiss me!"

he let her bite him in a good temper, and when she left a bite mark, he laughed in a low voice. "mrs. tang, do you want me to let you kiss me back?"

"Unscrupulous merchant." PEI Qiqi let go of him and rolled to the other side of the room with the blanket.

from behind, they were both angry!

But even when she was angry, she was still so cute. Tang Yu smiled and covered her with the blanket. Then, he rolled over to the sofa and turned on his laptop.

These days, he was dealing with work in the hospital. When Qiqi was asleep, he would find time to read the documents.

when she said she wanted to move back, he wanted her to live more comfortably, but he didn't dare to take the risk. he was afraid that something would go wrong.

Although it was a little annoying to coax her like this, Tang Yu enjoyed it.

Later on, when her body became stronger, he would push her around the hospital. Of course, Tang Yu had hired four bodyguards. They were all good at fighting. They followed PEI Qiqi 24/7, especially when he wasn't around.

PEI Qiqi thought he was making a mountain out of a molehill, but Tang Yu didn't want her to know how panicked he was when he saw the blood on her dress.

He was afraid of losing her and his child.

he couldn't bear such a shock again.

In the afternoon, after PEI Qiqi took a nap, Tang Yu took her out for a walk on the grass.

He just happened to receive a call. About ten steps away, PEI Qiqi was sitting on a chair and looking at the artificial lake.

she had four bodyguards by her side. pei qiqi only felt that it was dark and the scenery lost its taste.

from afar, she saw two nurses pushing shen zhongshan over. pei qiqi watched them quietly until they were in front of her.

"Is he still the same? no improvement at all?" pei qiqi asked softly.

"Yes, it's still the same," the nurse nodded.

the nurse was nice to shen zhongshan. she squatted down and coaxed him to talk.

shen chongshan's eyes were fixed on pei qiqi. he squeezed out his voice, "little big sister."

pei qiqi's heart was in a mess.

"mrs. tang, please don't mind him. mr. shen is like this now." "you're just like an old child," the nurse sighed.

PEI Qiqi replied with a nonchalant "en" but her eyes fell on Shen Zhongshan's neck. There was a faint patch of purple.

As she looked at her, the nurse followed her gaze, and her expression became a little abnormal.

"what's going on?" pei qiqi looked at the two nurses. they didn't look like cruel people.

Chapter 690 who did it?(3)

The nurse hesitated for a long time. PEI Qiqi was Mrs. Tang, and Sheng Yuan hospital belonged to Sheng Yuan Corporation.

So, after thinking for a while, she decided to tell the truth, " "actually, miss shen lost control and pinched it."

Miss Shen looks so elegant, but she's so violent behind my back! it must have been a few times. when he came, he was quite normal, but after he came, his expression became very strange.

they didn't dare to say anything. after all, it was their family's business. however, it would be bad if something happened in the hospital.

PEI Qiqi was also stunned. She looked up at Tang Yu.

Tang Yu's face was cold. He stood up straight like he didn't find it strange.

pei qiqi looked at shen chongshan again and touched the bruise with her fingers. she felt sad.

how big was the conflict that she had to make a move on her father?

"does it still hurt?" she asked shen chongshan softly.

However, Shen Chongshan didn't know that. He just repeated his name as usual, " "Little Big sister."

pei qiqi's eyes were a little hot. she had seen this man several times before. he was unfamiliar and distant. she never thought that one day, they would meet in this way.

MMH, " she said. I'll treat you to some delicious ice cream, okay? "

In their eyes, Shen Zhongshan was a pitiful and sad person. But perhaps he was happy in his own world.

if he couldn't be good, then he didn't know about those ugly things. what was wrong with them quietly staying in his own world? pei qiqi would rather not disturb him.

Shen Chongshan stared at her small face for a long time before he clapped his hands and said, " eat the crickets.

after she finished speaking, she drooled, making pei qiqi's heart ache.

This was Shen Chongshan, the Big Shot of B city!

She ordered a bodyguard to buy a serving of ice. It didn't have to be too big, but it had to be delicious.

Shen Chongshan was already drooling after he finished speaking.

PEI Qiqi patiently wiped the saliva off his face. But immediately after, another stream of saliva flowed down.

"Be good, big sister will help you wipe it off." pei qiqi was very patient.

it was probably because she was going to be a mother soon, so she exuded affection from head to toe, and her entire person was unbelievably gentle.

on the side, tang yu finished his call and looked over.

He was wearing a pair of white casual pants with a light blue shirt on top. He looked clean and neat, and he looked extremely noble.

He held the phone and looked at the most important woman in his life, watching her wipe Shen Zhongshan's saliva.

he felt that his qi qi was a little different. she had become calm and not as sharp as before.

his gaze was gentle as he looked at her for a long time. then, he raised his eyebrows and saw mrs. shen walking over.

tang yu greeted her. mrs. shen's gaze was a little straight. something didn't seem right.

the young nurse whispered, " after mr. shen was hospitalized, mrs. shen has changed. sometimes, she would be in a daze. it seems like she has been dealt a blow. "

PEI Qiqi didn't say anything. She just looked up at Tang Yu.

Tang mo pulled her over and held her in his arms.

Mrs. Shen squatted down and carefully wiped Shen Zhongshan's sweat.

pei qiqi looked at it and her eyes burned. she said in a low voice, " "she must love him very much."

Tang mo sighed in his heart and just reached out to touch the little guy in his arms.

sometimes, a one-sided love was not enough!

shen zhongshan didn't love mrs. shen. at least, that was what tang yu thought. all these years, although shen zhongshan wasn't like tang zhiyuan, he had a lot of romantic affairs.

He only watched as Mrs. Shen's hand froze.
