Chapter 71

71 PEI Qiqi's past (1)

Qiqi, I feel like I've been blessed by God. The company's performance is booming. PEI Minghe's expression was filled with satisfaction. I didn't expect a flower to bloom in my old age.

Zhou Meilin sat far away and said sourly, " " this is all because of jinrong's family. otherwise, do you really think you can turn over a new leaf? "

pei minghe smiled awkwardly. " a part, a part! "

"Dad is the best in my heart!" PEI Qiqi said softly, comforting PEI Minghe.

He smiled with infinite satisfaction again.

zhou meilin heard it, " just comfort yourself! "

"How can you say such crude words in front of the child?" pei minghe couldn't help but scold her. zhou meilin was usually arrogant, but was it appropriate to say these words in front of children?

Zhou Meilin smiled strangely, " Qiqi is not a child anymore, Yingluo.

How could PEI Qiqi not understand what she was saying? she smiled, " right, dad. PEI Huan and I have 'grown up'.

Zhou Meilin's nose was crooked. This little b * tch's mouth was really sharp.

she didn't try to be brave anymore. she and pei huan both understood that tang yu was now pei qiqi's backer. there was no benefit in offending him. however, she wanted to see how long this flower, pei qiqi, could stay in tang yu's bed.

PEI Qiqi didn't stay for dinner even though PEI Minghe really hoped for it. At 4 pm, PEI Qiqi left but she didn't immediately return to Xia city. Instead, she went to the city library to borrow two books.

When she came out, the heat wave brought by the bright sun outside rushed in, and her whole body felt like it had been washed by the heat.

PEI Qiqi held her bag to block the sun as she slowly walked to the bus stop.

A black RV slowly stopped beside her. PEI Qiqi took a step back-

the car window rolled down. in the driver's seat was an extremely beautiful lady. she had a pair of chanel sunglasses on her delicate nose and her beautifully shaped red lips opened, " miss pei, i'm tang yu's mother. i want to talk to you. "

pei qiqi looked at her, but she didn't look into her eyes.

The woman in the car said she was Tang Yu's mother and she had seen Lin Yun before.

“i’m sorry, i don’t know you!” PEI Qiqi took another step back and continued walking towards the bus stop.

In the car, Zhao Ke took off her sunglasses. wait a moment.

PEI Qiqi subconsciously turned around and was stunned.

that woman yingluo looked like her. she had seen the photos that pei minghe had secretly hidden.

it was exactly the same.

the blood in her body seemed to be boiling, but it also seemed to be completely frozen. she couldn’t move her body at all.

Zhao Ke’s voice became gentler, no longer as high and mighty as before. get in the car. This isn’t the place to talk.

PEI Qiqi’s lips were pursed into a straight line and there was no color on her lips.

after a long time, she finally opened the back door and sat in.

Zhao Ke put on her sunglasses again and turned the car around for a stroll.

Ten minutes later, Zhao Ke brought PEI Qiqi to a hidden café. It was the kind that came with a private room.

pei qiqi sat opposite zhao ke and stared at her.

Zhao Ke had an air of nobility about her. She was dressed in a Chanel suit that made her look even more beautiful. She had exquisite makeup on her face and her hair was tied up. She looked like a lady of high status.

“Two cups of mo tie.” Zhao Ke said softly to the waiter and then looked at PEI Qiqi, ” “you’re not picky, right?”

PEI Qiqi slowly shook her head. In fact, she didn’t drink coffee.

the coffee was quickly served and the waiter left.

Chapter 72

72 PEI Qiqi’s life (2)

zhao ke’s gaze landed on pei qiqi. pei qiqi was sensitive enough to realize that zhao ke didn’t want to look at her. she only glanced at her for a moment before lowering her head to gently stir the coffee in her cup.

zhao ke elegantly picked up the cup and took a small sip. when she looked up and saw that pei qiqi didn’t move, she smiled lightly, ” these are coffee beans imported from Netherlands. you can’t drink them in a normal coffee shop. ”

pei qiqi pushed her cup forward and looked straight at zhao ke, ” i don’t like coffee. ”

therefore, no matter how good the coffee beans were, they were not attractive at all.

A trace of displeasure appeared in Zhao Ke's eyes, but she concealed it very well. She put down the cup, wiped her lower lip with a tissue, and took out her lipstick to touch up her makeup. Only then did she say unhurriedly, " "Tell me, how much do you want?"

pei qiqi just looked at her like that. her eyes were a little hot.

This woman who looked so similar to her didn't appear in front of her to look at her. She just wanted her to leave Tang Yu.

PEI Qiqi's little face was expressionless as she stared into Zhao Ke's eyes.

Slowly, she opened her mouth, " you married Tang Yu's father, right? "

Zhao Ke's eyes were filled with anger and embarrassment, as if she had been seen through.

no matter what, I'm tang Yu's mother now. I don't want you to bother him. Tell me, how much money do you want to leave him? " As Zhao Ke spoke, she took out a long and thin cigarette from her handbag, lit it, and took a puff.

Even when she was smoking, she was extremely beautiful. She was once the most beautiful woman in B city, a city-toppling beauty.

pei qiqi couldn't remember how long it had been since she last blinked. she was already numb.

"i'll leave him if it's one billion, mrs. tang. is that okay?" PEI Qiqi's voice was very soft, but in Zhao Ke's ears, it sounded extremely sarcastic.

One billion Yuan meant that she, Zhao Ke, had married Tang Zhiyuan. She had endured for so many years, but Tang Zhiyuan had not given her one billion Yuan.

She stubbed out the cigarette in frustration and looked at PEI Qiqi, " that's too much. 10 million. If you agree, I'll give you a check immediately.

PEI Qiqi didn't move. She looked into Zhao Ke's eyes, " are you my mom? "

zhao ke had already reached out to take the check, but after hearing pei qiqi's words, she froze.

she slowly raised her eyes and looked at pei qiqi as if she had seen a ghost.

she wanted to take out another cigarette but found that the box was empty. she said in an almost shrill voice, " "i'm not your mother! I don't know you. Yingluo never knew you."

zhao ke's hands trembled as she grabbed the bag on the table and almost stumbled out for a walk.

the sound of high heels knocked on pei qiqi's heart. it was very, very painful. every knock was like a nail.

and the chair she had sat on was lying there slanted.

zhao ke accidentally dropped a paper bag on the table. pei qiqi took it and a name card fell out. it was a director of a club. the name on it was zhao ke.

zhao ke was stunned.

PEI Qiqi repeated this name over and over again.

PEI Minghe always told her that her mother loved her very much and that her mother passed away after giving birth to her, ran ran.

but now, she saw her mother. her name was zhao ke and she was tang yu's stepmother.

She had married someone else and had a man other than PEI Minghe.

she didn't love her at all. she didn't even dare to look at her.

PEI Qiqi closed her eyes. So, she was abandoned by her own mother.

Chapter 73

73 pei qiqi's past (3)

PEI Qiqi thought that she would never care about the word 'mother' in this life. However, when Zhao Ke appeared in front of her, she couldn't control her shock.

It turned out that she also yearned for love.

But now, her heart felt as if it had been poured by a heavy rain.

he was thoroughly cold.

She didn't know how long she had been sitting there. The waiter came by twice, but when he saw her, he sneaked away.

It wasn't until the sky turned dark that PEI Qiqi finally walked out. The sky started drizzling. Under the streetlights, the rain looked like thin needles.

She looked up and let the rain fall on her face.

he walked aimlessly, not caring about the scratches on his feet. blood seeped out along with the rain, leaving dark red trails of blood.

The rain got heavier and heavier, falling from the sky like beans. The entire sky was dark and gloomy, and even the lights of the night couldn't illuminate it.

Finally, she squatted down and hugged her knees with her arms, her body trembling.

her mind kept replaying zhou meilin's words: pei qiqi, you're the same as that b * tch of a mother.

pei qiqi laughed in a daze. if wanwan was the same, how good would that be? then, she wouldn't be in pain.

it turned out that the woman who had given birth to her had never loved her.

he's only looking for her now because he's afraid that she'll ruin her happiness.

pei qiqi's entire body was frozen. she hugged herself tightly but couldn't feel any warmth.

she heard her phone ringing continuously, but she didn't want to pick up yingluo.

After a long time, the phone stopped ringing.

her face was pressed against her knees, and her eyes were wide open. yingying's clothes had long been soaked through by the rain.

A black sports car braked suddenly beside her. The person in the car opened the door and jumped out. Without an umbrella, he walked quickly towards her.

tang yu reached out and lifted pei qiqi's little face. her pale face had no color at all.

He reached out his hand and patted her cheek, "PEI Qiqi, aww."

She didn't respond, so he patted her twice more, so hard that it was enough to make her face black.

This time, she woke up. Her face was covered in water, and so were her trembling eyelashes.

She just looked at him like that, her lips trembling, but she couldn't say anything.

tang yu's eyes darkened. he carried her to the back of the car, turned on the heater, and then quickly took off all her clothes.

he sat down and placed pei qiqi's body in his arms. he pulled a towel over and carefully dried her body.

When he was doing all this, PEI Qiqi didn't resist. It was as if she had lost consciousness and let him do all this. However, her eyes were empty.

tang yu didn't ask. he reached out and started to unbutton his shirt, one button at a time.

after he took it off, he put it on her and buttoned it up. his voice was a little hoarse. "I'll take you to the hospital."

Damn it, her body was very cold just now, but now it was unusually hot.

The person in his arms struggled violently for a while but she had no strength left and went soft in his arms. PEI Qiqi's eyes finally met his and her voice was hoarse, "I don't want Yueyue.

Tang Yu stared at her for two seconds. Then, he took his phone and called Meng Qingcheng, "call the director of Shengyuan hospital to Xia city. Immediately.

On the other side, Meng Qingcheng looked at his phone. There was no mistake. It was Tang Yu.

Chapter 74

74 PEI Qiqi's past (4)

meng qingcheng immediately contacted the unlucky director. the moment the director heard it was tang yu, he scrambled to xia city.

tang yu took the blanket and covered pei qiqi with it. he patted her head and then walked to the driver's seat.

At this moment, his upper body was bare. PEI Qiqi was wearing his shirt and curled up in the back seat with a blanket wrapped around her.

it felt like a century had passed before he parked the car in front of his apartment in xia city.

he carefully carried her upstairs and went straight to the bathroom. he filled the bathtub with warm water.

pei qiqi seemed to have realized something and wanted to break free, but he hugged her tightly. his voice was hoarse and stern, " be good! "

pei qiqi quieted down. she opened her eyes and looked at him. her body trembled uncontrollably and her voice was broken, " i'll let yueyue do it herself. "

but he seemed to be angry and determined.

The warm water was very comfortable. At first, PEI Qiqi felt uneasy but she slowly calmed down. She laid quietly in his arms like a homeless little animal.

Tang Yu lowered his head and looked at her. He wanted to ask but he swallowed his words.

She lay quietly in his arms and did not say a word. Her little finger was on his shoulder.

Her face was turned to the side in his arms, and the breath she exhaled was right on his chest.

Tang Yu's body couldn't help but tremble. But that was all he could do. He couldn't do anything more.

At this moment, the doorbell rang. PEI Qiqi looked up and stared at him with her bright eyes. Tang Yan didn't have time to hide the gentleness in his eyes. He felt a little uncomfortable and coughed, "time to put on your clothes."

he carefully picked her up and put on their bathrobes before opening the door.

The director of a certain hospital walked in, trembling. He wiped the rain from his face and asked, " Mr. Tang, where do you feel uncomfortable? "

"He's inside!" Tang Yu's tone was calm. He let the person in and walked into the master bedroom.

The hospital director followed him in and carefully changed his shoes.

pei qiqi was lying on her side with her eyes closed. her entire body was buried in the white blanket, only revealing half of her face.

The hospital director was stunned. He was shocked by PEI Qiqi's beauty.

"He was caught in the rain, so he might have a fever." Tang Yu's gaze landed on Dean he's face. Dean he didn't dare to look at him again, " let's take your temperature first.

Tang Yu was the one who measured her. However, the result still surprised him. At this moment, PEI Qiqi was 39 degrees.

" let's give her a fever-reducing injection first. let's see if it will go down tonight after taking some medicine. if it doesn't work, we'll have to put her on a drip tomorrow. " dean he suggested.

Tang Yu didn't say anything. Dean he took out the fever needles from his medicine box. Tang Yu sat by the bed and rolled up one of PEI Qiqi's sleeves. Her arm was exposed and Dean he couldn't bear to do it.

at this moment, pei qiqi opened her eyes and immediately saw the needle. it was thin and sharp.

"i don't want an injection." she turned around and buried her small body in tang yu's arms. her small hands wrapped around his waist and she hugged him tightly.

Chapter 75

75 pei qiqi's past (5)

Tang Yan was stunned for a moment before realizing that she was afraid of injections.

dean he was still holding the syringe in his hand. at this moment, he felt like he was a butcher, and that unbelievably beautiful young lady was a kind little rabbit.

he didn't know what to do, so he could only hold it in his hand awkwardly.

tang yu felt helpless. he hugged pei qiqi and coaxed her in a low voice, " you'll feel better after an injection. "

"i don't want an injection." she mumbled, her little head burrowing into his arms again, her long hair making him itchy.

tang yu really didn't know that pei qiqi was so afraid of pain. he patted her back and his voice became gentler, " be good. it won't hurt. "

i didn't see her like this the last time, yingluo.

perhaps it was because sick people were more fragile.

she didn't say anything else. he reached out to brush her messy hair aside and watched her close her eyes as if she was in great pain.

but also like he's asleep, yingluo.

Tang Yu carried her carefully and gave Dean he a look. Dean he's forehead was already covered in sweat. He carefully bent over and gently poked at PEI Qiqi's arm.

he swore that he had really been very careful and gentle.

However, PEI Qiqi woke up from the pain and moved. Dean he's voice was softer than a needle, " don't touch Yueyue.

he looked at pei qiqi's beautiful face and wanted to call her 'little sweetheart'. however, if he did that, he would probably lose his position as the director.

pei qiqi didn't move. she buried her face in tang yu's arms and cried.

At this moment, Tang Yu's heart was unbelievably soft. It was as if he was the only person PEI Qiqi could rely on for the rest of her life.

Dean he withdrew his magical power and let out a long breath. I'll have to trouble Mr. Tang to feed me the medicine in a while.

" take it once every eight hours. if your temperature drops, you'll be fine. if it still doesn't drop by tomorrow morning, you'll have to go to the hospital for an iv. " he was worried, so he reminded her again.

tang yu nodded.

Dean he left on his own. He didn't dare to let anyone send him off. There was still a little sweetheart waiting to be coaxed.

After she left, Tang Yu's fingers gently caressed the little girl in his arms and patted her back. After a while, he realized that she seemed to have fallen asleep again.

"Qi Qi?" he called her in a low voice.

pei qiqi grunted and wrapped her arms around his waist. she snorted, " "Daddy, Yingluo"

Tang mo was stunned. She called him dad?

daddy, Qiqi loves Yueyue so much. PEI Qiqi buried her face in his neck. Tang Yu was almost scalded.

He thought that she had probably mistaken him for PEI Minghe.

for some reason, he reached out and patted her, trying to make her happy. " daddy is here, yueyue. be good, i'll go get the medicine. "

She hugged him tightly and didn't want to let go. Tang Yu had no choice but to kiss her on the forehead, " be good, baby.

her voice was hoarse and soft. " daddy, can you call me baby one more time? "

In front of Zhou Meilin, PEI Minghe didn't dare to pamper her like this, but now she was so uncomfortable. She wanted her father to hug her and call her baby.

tang yu's heart was filled with an indescribable wave. this wave was about to drown him.

This soft and fragile little girl wanted him to call her baby Yingluo. She treated him as her father, but he was not the least bit unhappy. In fact, he felt a special heartache.

Chapter 76

76 Tang Yu, don't go (1)

he called her, then thought for a while. there was no other way. she didn't let go, so he carried her up and went out to get some water and medicine. he returned to the bedroom and let her sit in his arms to take the medicine.

She thought it was bitter, so Tang Yu fed her some buns.

she wanted to vomit, but he used a little more strength to stop her from moving.

PEI Qiqi was forced to swallow it. She didn't let him have an easy time either and bit him hard.

tang yu felt like he had never been this nice to anyone since he was young. he had never even fed tang xin a pill.

When it came to PEI Qiqi, she was like an old mother.

After PEI Qiqi took her medicine, she calmed down and fell asleep.

tang yu sat on the edge of the bed. he put down the cup in his hand and looked at her for a long time before standing up.

He took his phone and walked out, calling Meng Qingcheng, " do you know how to cook? "

Meng Qingcheng was drinking in a bar. When he heard this, he almost spat out the wine.

what?

cooking?

"i'm a special assistant, not a helper." Meng Qingcheng skillfully took out a cigarette and held it between his long fingers. He used his eyes to stop the little wild cat beside him.

tang yu had already walked into the kitchen, " will you or will you not? "

His voice turned even colder.

Meng Qingcheng lowered his head and lit a cigarette. He slowly took a puff. you only know how to cook congee.

tang zheng frowned. " then i'll have porridge! how do i cook it?"

the cigarette in meng qingcheng's hand trembled. he almost burned his fingers. was tang yu really going to cook?

you're not joking, right?

"you're cooking?" Meng Qingcheng finally found his tongue.

tang yu acknowledged and took out a pot, " tell me, how do i do it? "

meng qingcheng felt like cursing in his heart. this was the first time he had to ask someone how to cook. this was the first time he had to do that, but she didn't call him to ask how to do it!

however, there were things tang yu didn't know how to do.

Meng Qingcheng laid on the sofa, holding a cigarette between his fingers. He slowly commanded, " wash the rice first. yes, wash it twice. otherwise, it won't have any nutrition, yingying. "

If it wasn't nutritious, PEI Qiqi wouldn't feel good after eating it.

meng qingcheng laughed gloomily. the woman beside him became a mere decoration.

on the other side, the top student, tang yu, spent half an hour and made a pot of very good congee.

after putting out the fire, he went back to check on pei qiqi. she was still asleep.

tang yu put both his hands on the bed and called her in a low voice, " qiqi, get up and eat something. "

She woke up a little and buried her small face in the blanket again. She even reached out her small hand and slapped his face.

This was the first time President Tang had been hit by someone, let alone a woman.

His face was a little dark as he looked at her little hand sliding down. His face was full of black lines, but he didn't argue with her on account that she was a patient.

she wrapped the blanket tightly around herself, but it was still very cold, and her face was a little pale.

tang yu bent down again, " baby yingying "

When he called her that, his face felt a little hot. He was not a sentimental person and had never called anyone that.

pei qiqi's voice was muffled, " it hurts. "

Her entire body was in pain, and she was very, very cold.

her teeth trembled and she gently cried. tang mo half-hugged her and felt her body turn cold.

Chapter 77

77 Tang Yu, don't go (2)

he had just laid down when a pair of soft little hands hugged him. her small face was buried in his arms.

it was probably too comfortable, so she sighed.

she was so small, and her entire body was tightly embedded with him. however, this was not enough. she was still cold and distant.

Tang mo hugged her tightly, his big palm slowly placed on her back and gently patted her.

PEI Qiqi didn't sleep well. Her dreams were chaotic. One moment, Zhou Meilin would call her little one a b * tch. The next moment, PEI Minghe would put her on his shoulder and tease her.

The scene changed, and Zhao Ke's beautiful face appeared in front of him. She smiled gently at him, and her voice could be heard clearly. " pei qiqi, i'm not your mother, yueyue. i don't want you anymore, yueyue. "

mommy Yueyue, mommy Yueyue. PEI Qiqi's little hands clenched tightly. Her little head couldn't stop shaking because of the nightmare. No, no, her mother wasn't like that. PEI Minghe said before that her mother loved her Yueyue very much.

The tears from her eyes also soaked Tang Yu's bathrobe.

His heart was wet and hot, and it was very uncomfortable, but he also felt extremely close to her.

He didn't fall asleep and kept watching over her. At this time, she was crying so hard and her body was covered in sweat. He patted her and woke her up. Qiqi, you were dreaming, Zhenzhen.

Finally, she calmed down and looked around, still in a daze.

tang yu took the little thing out of his arms, " can you have some porridge? "

pei qiqi's eyes were wide open as she looked at him. her eyes looked as if they had been washed. they were black, bright, and wet. her black hair was also wet from sweat as if it had been pulled out of the water.

After a long while, she asked him softly, " What time is it? "

Tang Yu grabbed his watch and looked at it, " it's one.

pei qiqi tried to sit up, but she didn't have the strength and slipped down again.

only then did he feel that his back was covered in sweat, and he felt extremely uncomfortable.

"i want to take a shower." She bit her lip and said softly.

Tang Yu smiled, " okay.

He carried her to take a shower, changed her into a clean set of pajamas, and carried her back.

pei qiqi sat on the bed and watched as he walked out, " "I'll have to trouble you."

Her voice was soft but he still heard it. Tang Yu turned around, " Qiqi, I told you we've been living together for a while. don't think too much about it. "

She looked at him and did not say anything more, but the light in her eyes was not as bright as before.

He looked at her for a while without making a sound. Then, he walked into the kitchen and heated the porridge again. After checking that it wasn't too hot, he took a small bowl and brought it to the bedroom. PEI Qiqi was naturally embarrassed to let him feed her so she brought it over herself. However, she didn't have a good appetite and couldn't eat anymore after eating half a bowl.

Tang Yu didn't force her. He finished a bowl and went back to his bedroom.

she was exhausted, and the temperature had dropped, but she was still a little afraid of the cold.

She curled up in Tang Yu's arms but couldn't fall asleep. However, PEI Qiqi didn't dare to move, afraid that she would wake him up.

after being like this for a long time, pei qiqi finally couldn't help but want to sneak a peek at him to see if he was asleep.

But the moment she looked up, a tragedy happened. Her head hit his chin.

With a muffled grunt, she hurriedly leaned back in a daze.

the light was turned on and she saw a bruise on tang yu's chin. she took a deep breath and wanted to step back. if it wasn't for a big hand holding her waist, she would have fallen down.

Chapter 78

78 tang yu, don't go (3)

“PEI Qiqi!” Tang Yu didn’t sound too happy as he called her name. However, his actions were gentle as he pulled her back into his arms.

PEI Qiqi didn’t dare to look at him. She lowered her eyes, ” I’m sorry!

“You can’t sleep?” he rubbed his chin as he looked at her.

PEI Qiqi grunted. In fact, she couldn’t sleep and didn’t dare to sleep.

She was afraid that she would dream of the feeling of Zhao Ke’s Kasaya again. It was too real and too scary.

She would rather talk to him, even if she knew how dangerous it was to lie with a man.

But now, to PEI Qiqi, Tang Yu was like a floating tree. She desperately wanted to grab onto him!

she carefully walked up to him and gently rubbed his chin. tang yu’s eyes locked onto her little face, ” what’s wrong today? ”

pei qiqi looked up and then lowered her head, ” nothing. ”

it was obvious that she couldn’t lie to him. tang yu’s fingers gently pinched her pointy little chin and forced her to look up at him, ” pei qiqi, why are you in the rain outside? ”

when he saw her, his heart skipped a beat, afraid that something would happen to her.

his sharp gaze made her unable to escape. pei qiqi wanted to turn her face away, but he held her back with his fingers and forced her to look at him.

“It’s because of the school!” She still lied. She looked up at him in a panic and then lowered her eyes.

because she had cried, her eyelids were pinkish and trembling slightly, making her look indescribably pitiful.

tang yu carefully studied her expression. in the end, he let go, ” qiqi, you can tell me if you have anything. ”

He could not give her a marriage, but he could give her everything else.

She understood his feelings. Her heart was a little confused, and some things had broken out of their cocoons.

she looked at him in a daze. in her heart, she was thinking about tang yu. there was one thing that you couldn’t change for me. that was my birth.

the lights were switched off again. he held her in his arms. her temperature had returned to normal, and she was like a warm baby.

he held the little one in his arms and felt an unspeakable satisfaction.

tang yu didn’t have the chance to own a doll when he was young, but he saw that tang xin liked to hug it to sleep. this was probably how he felt.

PEI Qiqi was a little restless in his arms.

Tang mo suddenly grabbed her little hand and his voice was hoarse. Qiqi!

She was still sick, he could not treat her like this.

however, pei qiqi lifted her eyes, closed them, and moved her lips closer to hers.

Chapter 79

79 Tang Yu, don't go (4)

Even though he knew that there was something in her heart, even though he knew that now was not a good time, no man could stand such a tender little person throwing herself into his arms and begging him to love her.

Tang Yu was also just a normal man. He couldn't resist this kind of temptation.

He also followed the desire in his heart, but he was worried about her body, so he only dared to do it gently twice.

After he was done, he turned to the side and pulled her small body into his arms.

After calming down, he lowered his head and looked at PEI Qiqi in his arms.

she looked as if she had just been fished out of the water. the sweat on her forehead was wet and stuck to her small face. her body was also covered with fine sweat, which was a little sticky and sticky.

tang yu reached out and brushed her hair aside. then, he got closer.

at this moment, her entire body was soft and fragrant. he kissed her on the lips and said in a hoarse voice, " "Take a shower?"

She snorted weakly and opened her eyes to look at him for a while, then closed them weakly and hummed softly.

when tang yu finished showering and carried her back to bed, it was already 3 pm.

Even he was a little exhausted. He hugged PEI Qiqi and fell into a deep sleep.

it was expected that he would sleep late the next morning.

PEI Qiqi opened her eyes and saw Tang Yu leaning against the headboard in his bathrobe. He was talking to Xiao ran on the phone, Yingluo.

He lowered his head and saw that PEI Qiqi had woken up. He smiled and said a few words before hanging up, " you're awake? "

PEI Qiqi continued to look at him. She didn't want to move at all because her body felt like it had been torn apart.

His whole body was in so much pain that he was staggering.

Tang Yu reached out and touched her forehead. He said calmly, " "i'm not running a fever anymore, but i still have to take the medicine twice,"

as he said this, he lifted the blanket and prepared to get off the bed. pei qiqi's small hand grabbed onto the corner of his shirt.

tang yu was a little surprised. he turned around to look at her and then smiled, " i helped you apply for leave from the school. "

"no!" PEI Qiqi's voice was extremely hoarse. She didn't know why she was holding onto him. She just felt that at this moment, she wanted someone to accompany her.

Even if it was Tang Yu, even if what he wanted was his body.

Tang Yan sighed in his heart and went back to lie down. PEI Qiqi took the initiative to put her little face on his waist and teased him.

his heart softened and he reached out to stroke her black hair. he smiled. " what's wrong? "

PEI Qiqi shook her head and continued to lie on his body.

tang yu patted her, " i'll go get the medicine. be good. "

however, she was disobedient and hugged him instead. soon, she felt his body quietly changing.

In this regard, Tang Yu was also a little embarrassed. At this moment when she was so dependent on him, he was resentful that he was moved again.

He was a little annoyed, but he still couldn't bear to scold her. He just took her away from his body and went outside to pour some water and medicine.

pei qiqi didn't want to be pretentious anymore. she sat up and took her medicine.

Tang Yu took the cup, " after breakfast, sleep for a while!

it's only nine o'clock now, so i've only slept for six hours, yingluo.

pei qiqi looked up at him and asked in a daze, " "Aren't you going to the office?"

Tang Yu replied naturally, " Oh, I'm a little tired. I'll go in the afternoon.

PEI Qiqi remembered what happened last night. Her face was a little hot and she didn't say anything for a long time.

Tang Yu came over and patted her, " go wash up and have breakfast.

PEI Qiqi lifted the blanket and got off the bed. She felt dizzy and sat back down.

at the same time, his face turned pale.

tang yu reached out and picked her up. pei qiqi cried out in shock and wrapped her arms around his neck.

She lowered her head and could see his handsome face. There was a light green stubble on his smooth chin, which was very sexy. Looking up, it was his beautifully shaped thin lips. His entire person looked extraordinarily handsome in the morning light.

PEI Qiqi's heart beat faster. She looked down and didn't dare to look at Qianqian.

Tang Yu carried her to the bathroom and put her down, " I'll wait for you outside.

her face heated up, and she hummed softly in response.

Tang Yu was a man who valued privacy, so he gave her some space. He stood outside for a while.

pei qiqi turned on the cold water and splashed it on her face. only then did she feel better.

she raised her eyes and looked at herself in the mirror, but her face overlapped with zhao ke's.

the same face

PEI Qiqi's expression became pained. Her eyes were filled with hurt as she frantically splashed cold water on her face.

She would rather not have such a face. She would rather not have known that she had a mother named Zhao Ke.

Tang Yu silently leaned against the door. His brows were slightly furrowed as he watched PEI Qiqi's hysterical expression.

She looked up and saw Tang Yu in the mirror.

her face was covered in cold water as she stared at him in a daze.

he was in an extremely sorry state.

after a long time, pei qiqi's dazed voice sounded, " Tang Yu, we shouldn't have been together, Yingluo.

He stood there without much expression.

PEI Qiqi looked at him in the mirror. She was almost stubborn until her body slowly fell down.

the rain caused pei qiqi to contract pneumonia and she had to stay in the hospital for half a month.

After her condition stabilized, Tang Yu found an Auntie to take care of her. The Auntie took good care of her and he would visit her occasionally.

pei qiqi didn't dare to tell pei minghe. she was afraid that he would be worried. she was even more afraid that he would find out about her and tang yu.

The last time she and Tang Yu appeared on the papers, Zhou Meilin probably stopped them so PEI Minghe didn't know.

on the fourth day of his stay in the hospital, chen xinjie called him on a friday.

pei qiqi lowered her head and looked at the name on her phone. she was stunned for a while before she picked up, " xinjie. "

Chen Xinjie's voice was a little anxious. Qiqi, you haven't been to school for a few days. I heard from the teacher that you've taken sick leave, Yingluo.

"It's Wanwan." PEI Qiqi smiled, "I'll be going to class in a few days."

Perhaps it was because her attitude wasn't too warm, so Chen Xinjie was stunned for a moment. Then, she carefully asked, "qiqi, can i come and see you?"

pei qiqi didn't reply immediately.

"qi qi, what's wrong? Aren't we best friends?" Chen Xinjie's voice was a little disappointed.

PEI Qiqi lowered her eyes, "of course I am.

chen xinjie laughed and returned to her carefree self, "then i'll come over in a bit."

PEI Qiqi didn't say anything and she hung up.

after putting down her phone, pei qiqi got off the bed and walked to the floor-to-ceiling window.

From here, the view was very good, and she could see half of B city. The hospital's VIP rooms were well-equipped, so there was no difference between staying here and staying in Xia city.

tang yu was really good to her.

So good that she couldn't repay him.

pei qiqi stood there quietly. her face didn't have much expression.

auntie li, who was taking care of her, pushed the door open and came in. seeing her standing by the window, she was stunned for a moment and immediately said, "why are you up? you're just getting better. lie down! "
