Chapter 721 Her hatred, his pain (5)

Finally, PEI Qiqi moved.

She held her phone tightly and followed Tang Zhiyuan like a robot.

Step by step, she walked past Tang Yu.

Her long hair was wrapped around his shirt. It was only for a second, but it was enough for him to miss her.

In the end, they still passed by each other.

When the door closed, it also seemed to close the door in Tang Yu's heart.

he stood there, looking at the bed she had slept on, looking at the empty space.

he had a feeling that he was the only one left in the world.

slowly, he squatted down and picked up the piece of jade that she had smashed. although it was split into pieces, he still carefully picked it up bit by bit.

After half an hour, Xiao ran still didn't see Tang Yu. When he came back, he saw Tang Yu squatting there, trying hard to pick up the rice-sized things.

she paused for a moment and wanted to say something, but in the end, she didn't. instead, she squatted down and walked with him.

she could feel the man's pain. he was no longer the almighty president of sheng yuan. he was just a man who had lost his love.

Xiao ran suddenly looked up and said, " President, I believe you.

Tang Yu's fingers paused but he didn't say anything. He just continued to pick up the fragments.

It was as if he had picked up PEI Qiqi's broken heart and pieced it back together.

But where was his heart?

Tang Yu didn't know either.

Xiao ran squatted beside him and said carefully, " "President Shen called and said that ran ran wanted to confirm the venue and dress for the engagement ceremony."

Then, he looked at Tang Yu.

Tang Zheng was expressionless. you can confirm with her. Let her decide on the dress herself.

Initially, Xiao ran was a little embarrassed. He always thought that this matter was Shen Lian's hot-headedness, but he did not expect to hear the president admit it personally.

she was stunned and did not react for a moment.

Tang Yu got up and slowly patted the wrinkles on his body. His voice was also slow, " cancel the afternoon meeting.

xiao ran stood up as well. " alright. "

she looked at the thing in tang yu's hand and was in a daze.

Since he loved her so deeply, why should he let her go?

In the black RV, PEI Qiqi looked at Tang Xin's phone with tears in her eyes.

There were many selfies and videos inside.

In every picture, Tang Xin was smiling, and in every video, Tang Xin called her Qiqi softly and said some happy words.

pei qiqi's tears didn't stop. tang zhiyuan, who had already calmed down, couldn't help but feel sad again and cry.

He silently handed a tissue to PEI Qiqi, "wipe your tears. Otherwise, your eyes will hurt.

But she did not respond to him. She just turned her head and looked out the window.

Holding the phone in her hand, she was in a daze with tears in her eyes.

Tang Zhiyuan's heart felt even worse. He sighed, "She's with her mother Yingluo, so she has a companion."

PEI Qiqi's body shrank like an injured animal and curled up into a ball.

she hugged herself and sobbed silently.

Tang Zhiyuan couldn't stand it anymore. He gently hugged his 'little daughter'. What surprised him was that PEI Qiqi was on his lap. Although she was only crying, it comforted his lost heart.

he would be her father from now on.

her voice was incredibly gentle."qiqi, be good. don't cry. daddy will take good care of you."

He clumsily patted her back, and under his palm was her extremely thin body.

Chapter 722 mr. tang, isn't this taboo?(1)

tang zhiyuan actually felt sorry for her. he used to hate zhao ke, but that feeling had long disappeared.

At this moment, he finally understood why Tang Yu entrusted Qiqi to his Hanhan.

His son was extremely smart. He knew that he would treat Qiqi well.

An hour later, the car stopped in front of a quiet villa. The villa was not big, but the environment was very good, suitable for recuperation.

the body was easy to heal, but what about the heart?

pei qiqi looked at the villa in front of her and stood there for a long time without moving.

Tang Zhiyuan's voice was gentle. He patted her back gently. go in.

PEI Qiqi suddenly asked, "did you move all my things here?"

Tang Zhiyuan paused. After he regained his senses, he said, "i've asked someone to move it over."

pei qiqi didn't say anything more and slowly walked in.

the villa was very heartwarming and suitable for girls to live in. two older women and two young maids were also found to take care of it.

tang zhiyuan stayed for a while and only left in the evening. he also told the servants a lot of things.

Before he left, he stood at the door of the bedroom and looked at PEI Qiqi. She was lying down with Tang Xin's phone in her hand.

he didn't dare to see if she was crying.

Sigh, I'm getting old and I don't know how to coax girls anymore.

after standing for a while, tang zhiyuan left. after he left, pei qiqi slowly sat up.

she walked around the bedroom. many of the things here were familiar to her and she was used to using them. almost all of them had been packed here.

Tang Yu treated her well. On the agreement that day, he gave her very good conditions.

There were about three or four houses in B city, including an apartment, a villa, and a few storefronts. The total value was several hundred million. He had also set up a fund of several billion for her to ensure her safety in the future.

pei qiqi closed the drawer, took out a bank card, and put on a coat.

When she went downstairs, the maid was cleaning the place. She was surprised to see PEI Qiqi, "miss? "

I want to go out for a walk. I'll be back for dinner. pei qiqi said lightly.

The little servant heaved a sigh of relief, and then said very briskly, " "Okay, miss. Oh right, tonight's dishes are very good. Mr. Tang has told me that they are miss's favorite."

mr. tang?

PEI Qiqi was a little stunned.

The new maid didn't know either, and naively said, " it's Mr. Little Tang. He told us in detail before. Don't worry, miss. We'll do our best to take care of you.

PEI Qiqi forced a smile and nodded.

When she walked out, the maid didn't suspect anything. When dinner was ready at 6 pm and she wanted to call PEI Qiqi, she couldn't find her after looking around. The maid was so scared that she was about to cry. She ran back and called Tang Zhiyuan.

.....

When night was about to fall, PEI Qiqi appeared at the entrance of the cemetery.

the sky was dark, and the small new grave was located next to zhao ke's grave. tang xin's photo with a sweet smile was embedded on the tombstone.

If it wasn't for the photo, PEI Qiqi wouldn't have believed that it was Tang Xin.

she stood there, her whole body cold and misty.

buried here was the person she loved the most.

Her mother and her sister Yingluo.

PEI Qiqi used her phone to call Tang Xin's phone. The fanboy's phone started playing music.

one after another, it was tang xin's self-recorded voice-qiqi is up, qiqi is dazed-

her soft voice rang out as if tang xin was still by his side.

Chapter 723 mr. tang, is it a taboo?(2)

pei qiqi stood there and said softly, "tang xin, can you wake up?" Pick up the phone, we're still playing the game we used to play, Yingying, your favorite."

Tang Xin, I also made chicken noodles for you. You said it was delicious, but you said it was a pity you couldn't eat it every day.

get up, i can cook for you every day in the future.

Tang Xin, be good, can you get up?

However, other than the voice on the phone, no one responded to her.

her fingers gently stroked her lower abdomen as she looked at zhao ke's photo and smiled bitterly. "Is it because I'm too cruel to you that the most important people around me are taken away one by one?"

her child was gone, and tang xin was gone, xuxu.

the marriage that zhao ke had opposed wholeheartedly was also gone.

Was it wrong from the start?

If she had insisted on not marrying Tang Yu, Tang Xin would've lived a little longer and even this child that shouldn't have existed wouldn't have been miscarried so painfully!

She didn't even get to see the child. Even if she was gone, even if she was dead, she still wanted to see Hanhan.

The dark clouds in the sky suddenly changed, and in the September sky, Thunder rumbled.

from above, the rain poured down like beans. it was like a hot knife through butter, hitting her body and causing her a lot of pain.

Her delicate body swayed a few times, but she didn't move away. She still stood straight.

The sky was getting darker, and the cemetery was filled with a gloomy atmosphere.

The rain wet her hair and rolled down her face. She could not tell which was the water and which was her tears.

she just stood there and cried silently, which made her even more sorrowful.

suddenly, a slender figure appeared behind her.

tang yu silently stood behind her. after a long time, he sighed and pulled her into his arms.

"qiqi, let's go home!" His face was on her neck, and her entire body was cold.

Her body stiffened, but her eyes were still looking forward. She laughed softly, "home? tang yu, do i still have a home?"

she didn't have a home anymore, yingluo.

after she lost her child.

tang zheng closed his eyes and clenched his fists. he didn't say anything and carried her directly to his car.

he opened the car door and wanted to help her into the car, but pei qiqi broke free. she ran a few steps and was caught back.

her body was thrown into his arms, and it hurt.

"PEI Qiqi, be good!" His voice was a little stern because she had just had surgery and she would fall sick in the rain.

The rain poured on her face and under her clothes, but she didn't care.

She looked up at him. The light was dim, but her eyes were burning with anger. They were so bright that he didn't dare to look at them.

"Obedient? Why should I listen to you, Mr. Tang? I've already divorced you obediently, so how can I be obedient? obediently go back and be your precious little sister. obediently be the bridesmaid at your wedding with shen lian?" She smiled coldly and took a step back. is that so? you want me to do this, right? "

he looked at her without saying a word, a deep layer of pain in his dark eyes.

The rain continued to fall. On such a night, it made people seem even more cold.

PEI Qiqi said word by word,"Tang Yu, don't even think about it!" i will never be your sister."

She turned around and was about to leave. With every step she took, her heart hurt more than her body.

he had given her so much warmth, but when she lost her child, he had lost hanhan.

Chapter 724 Mr. Tang, isn't this taboo?(3)

"Qi Qi!" his voice was hoarse, and she was pulled back into his arms.

When she fell into his arms, her lips collided with his.

he was very eager and very rough as he kissed her small mouth. regardless of her resistance, he folded her hands behind her back and held her small head with one hand.

her body was cold, but his lips and tongue were hot, and they pressed against her little mouth.

they were entangled with each other, again and again, with despair.

She trembled and struggled, but she couldn't escape from him.

Finally, he pulled away from her lips, but he still licked and kissed her to comfort her.

His big hand also let go of her small hand and changed to hugging her small waist.

a slap landed on his handsome face. the sound of the slap was especially clear on this rainy night.

“Mr. Tang, does it feel good to kiss your sister? Is it a taboo?” she looked at him, her body trembling, but her face was cold, with unfamiliarity and hatred.

Tang Yu’s dark eyes narrowed.

“from now on, we have nothing to do with each other! mr. tang, don’t forget that we’ve already signed the papers.” She slowly backed away and kept backing away. She smiled and cried, “what i owe you, i’ll use that child to pay off yingluo.”

she ran forward desperately, not caring if she would fall or what the consequences would be if she ran out like this.

what else did she have to care about? she had nothing left, yingluo.

He hugged her from behind and held her tightly in his arms.

His breath was on her neck. PEI Qiqi felt a warm patch on her neck.

it was different from the warmth of the cold rain. PEI Qiqi was in a daze.

tang mo held her tightly, absorbing her breath.

” qiqi, you don’t have to run. i’ll get the driver to send you back. ” He hugged her and said in a deep voice.

No matter how worried he was, no matter how much he felt that she should take a hot bath now, he could only let go of her because she hated him so much.

He reached out and carried her all the way to the black RV. He opened the door and gently put her in the car.

she sat in the back seat, and he stood outside, dazed in the rain.

The dark night rain left a deep shadow on the side of his face. His body was wet. it was penetrating, but there seemed to be a small flame burning in his deep eyes.

PEI Qiqi sat in the car and hugged herself. She trembled under his gaze.

Finally, Tang Yu closed the car door. Between them, there was a layer of rain, a layer of darkness, and a layer of Windows-

under tang yu’s instructions, the driver slowly reversed the car and drove away.

Under the illumination of the car lights, the windshield wipers kept swaying left and right, and the Golden Goddess on the front of the car glistened in the rain, as if it was crying.

He saw her face. In the dark car, the face that was no longer vivid was stunned.

Tang Yu just stood there and watched the RV slowly leave the cemetery.

The driver was still old Zhao. At this time, he was very flustered and did not know what to say.

he looked at the rearview mirror to see what was going on behind him, then coughed lightly. ” i wonder how mr. tang can get back?! ” I remember that Mr. Tang doesn’t seem to have any cash on him. How far would it be to walk back to the Rose Garden?”

however, there was no movement from behind. pei qiqi continued to sit in the back seat and didn't make a sound.

old zhao sighed in his heart. it seemed that it was hard to recover an old relationship.

The car slowly drove onto the National Highway of B city. It was past 7 pm and there were many cars on the road. Old Zhao didn't drive slowly because PEI Qiqi was wet and he had to send her back earlier.

Chapter 725 pei qiqi, be with me (1)

Old Zhao didn't drive slowly because PEI Qiqi's body was wet. He had to send her back earlier.

Tang Zhiyuan was already waiting there. He would be staying there to take care of her tonight.

Although it was inconvenient for a man to make a decision, he was better at it than a little girl.

PEI Qiqi sat in the back of the car, still in a daze.

at this moment, the car shook violently, and then there was an ear-piercing sound, and it stopped with a screech.

old zhao was rear-ended!

"I'll go down and take a look. I'll be done in a while." Old Zhao felt a little guilty in his heart. How could he be so careless at this time!

He got out of the car and saw that it was an ordinary family car in front of him. He was a little relieved. After negotiating with the owner, old Zhao directly transferred 10000 Yuan to the other party. In fact, the repair would only cost about 2000 Yuan.

he put away his phone and opened the car door as he said, " " it's been solved. i've never had such a mess in my years of driving. "

as she spoke, she fastened her seat belt. before she drove, she glanced at the rearview mirror-

But that one glance was enough to make his heart jump. Young lady had disappeared.

old zhao's fingers trembled as he unbuckled his seat belt and got out of the car to look for yingying.

it was still raining heavily outside. old zhao was drenched, but he couldn't find qianqian.

Old Zhao was dumbfounded! it would be strange if mr. tang didn't chop him up.

Her fingers trembled as she dialed Tang Yu's number. After a few words, she immediately hung up.

he wanted to drive to look for it, but as far as he could see, the long line of cars was not even as fast as his legs!

.....

PEI Qiqi got out of the car and walked like a ghost. She didn't know what she was doing. The cars that passed by all honked their horns like crazy. Some people even rolled down their Windows and called her crazy!

Yes, she's crazy, Yingluo.

If she wasn't crazy, she wouldn't have fallen in love with her brother.

the rain fell on her face. it was cold, and her whole body seemed to be frozen. it was difficult for her to take each step ...

She didn't know how long she had been walking. Her body was very tired, but her heart was not at ease.

She didn't know how she fell down. Just like that, she fell down softly before a car hit the emergency brake.

(My relatives guessed that Qin Anlan has a chance ~ to go on stage!!!)

the black sports car opened and qin anlan got out of the car. there was a young model in his car, but it was hard to say where they were going.

it was late autumn and the young model was still wearing a black backless dress. she was very sensible and held an umbrella to shield qin anlan from the rain. as long as she could sleep with president qin tonight, she would be KING entertainment's most popular female celebrity tomorrow. it had to be said that young people were still too naive.

qin anlan squatted down to look at the woman in front of the car. he was not in the mood to do anything tonight, so he had the leisure to meddle in other people's business.

however, the young model beside her did not express that. her entire body was screaming madly-
Come on, President Qin, come on!

"president qin, this woman came here of her own accord, just ignore her!" the young model squatted down and pressed her body against qin anlan's body, trying to ignite his passion.

qin anlan glanced sideways at her and said coldly, " "if you don't want to care, you can leave first."

The young model didn't say anything, but she thought to herself,"this woman must be a scammer. Maybe she's one of boss Qin's playthings." But she didn't dare to say that.

Qin Anlan turned the woman's body over and was stunned.

It was PEI Qiqi!

Chapter 726 pei qiqi, be with me (2)

His eyes froze, and even his fingers were trembling.

The young model was also slightly stunned. This scamming woman was too beautiful. She would never admit that this woman was better looking than her. She said with a little jealousy, " "President Qin, aren't you afraid of people sticking to you?"

qin anlan was stunned for a few seconds before he carried pei qiqi up. her body was as cold as ice and her wet hair was stuck to her forehead. she pushed her hair away and her eyes were tightly shut. her face was extremely pale.

Out of the blue, Qin Anlan held her in his arms and opened his coat to warm her up.

"President Qin?" the young model was anxious.

“Get lost!” Qin Anlan carefully placed PEI Qiqi on the back seat and closed the door, ignoring the little model.

The little model was dumbfounded.

no matter how pretty that woman was, she was as pale as a ghost now. what could boss qin do with her?

She was unwilling to give up and wanted to continue pestering him, but Qin Anlan had already opened the car door in front of her. He said coldly, ” “If you don’t want to be fired, get lost immediately.”

He got into the car and started the engine.

the young model was so anxious that she jumped and chased after him with an umbrella.

President Qin, my bag is still in the car!

But how could Qin Anlan hear that? his heart was filled with PEI Qiqi.

His fingers on the steering wheel trembled with excitement, and he was ecstatic in his heart.

the car sped all the way to his penthouse apartment in B city.

The exquisite apartment was more than 200 years old, and it was like a shopfront room with a simple European style.

there was only one bedroom and suite in the huge space. the rest of the room was the living room. behind a set of beige sofas was an entire bookshelf!

There was a piano in front of the floor-to-ceiling window. Sitting there, one could see the night view of the entire B city.

qin anlan kicked open the bedroom door and carried pei qiqi in. he gently placed her on the soft bed.

this was the most excited moment of qin anlan’s life. he was so excited that he was trembling.

even the night he got shen lian many years ago, he was not as excited as now.

he pulled off his tie and threw it on the floor, then climbed into bed.

he supported himself with one hand and undid her buttons with the other.

Qin Anlan had met countless people. He was very familiar with taking off a woman’s clothes, but now, his fingers were trembling for a long time and he could not untie the Kasaya.

He sat on her and tried to untie her with both hands. If he couldn’t untie her, he would tear off the fragile, wet cotton cloth ...

After that, Qin Anlan closed his eyes!

she was clearly a patient, and he didn’t have any thoughts about her, but looking at her like this, he actually felt his body become irritable.| it’s too hot.

PEI Qiqi opened her eyes and saw her clothes in tatters. She was in a strange environment and Qin Anlan was sitting on top of her with an intoxicated look on his face.

With a slap, a five-fingered handprint appeared on the face of the flirtatious CEO Qin!

“shameless! You’re shameless!” she was extremely weak, and her voice was hoarse. she wanted to get up, but her legs were pressed down by him, so she couldn’t sit up at all. after struggling for a while, she fell back down heavily.

qin anlan had never been slapped by a woman before, not to mention that he had saved her. he had only torn her clothes because they were wet. if this continued, she would have a fever!

and she even slapped him.

Qin Anlan sneered, ” PEI Qiqi, do I, Qin Anlan, need to rape a woman? ”

She glared at him. Her eyes were like those of an injured animal, guarded and with a hint of ruthlessness.

Very good! How could she be so cruel to him!

qin anlan lowered his head and got very close to her. his thin lips were on the side of her lips.

Chapter 727 PEI Qiqi, be with me (3)

PEI Qiqi felt her face warm and then boiling hot.

His face also turned red, a sign that the man was moved.

she stretched out her hand and gave him another slap!

Qin Anlan narrowed his eyes. He did not say anything, nor did he let go of her.

one slap!

Another slap!

another slap!

Finally, Qin Anlan flew into a rage. His slender fingers pinched her small, sharp chin, and he leaned forward, pressing his body against hers tightly. “PEI Qiqi, you don’t have to take it out on me even if Tang Yu abandoned you! Also, do you think I’m trying to take advantage of you, huh?”

she didn’t make a sound. in fact, she couldn’t make a sound.

her chin was pinched by him. his fingers were long and strong, and she was forced to open her small mouth.

Although she was pale and in a sorry state, she was still beautiful.

his wet hair was like seaweed on his snow-white pillow, and his stunning little face was slightly red because of anger.

Because she had opened her mouth for a long time, a trace of saliva slowly flowed down from the corner of her mouth.

qin anlan did not know why, but he did not feel dirty or disheveled. instead, he felt that it was soft and sweet ...

his eyes slowly softened, flashing with deep affection that even he himself did not know.

he liked pei qiqi for a long time and even he himself had deliberately ignored it.

at this time, she was on his bed, like a little kitten, glaring at him fiercely, but without any lethality.

It was at this moment that Qin Anlan fell in love with cats.

When he noticed that she was about to struggle, he pinched her little chin with one hand and quickly clasped her hands with the other. He raised them high and pressed them down on her.

She was pinned to the pillow and Qin Anlan's bed by him.

Aware of his intentions, she twisted her small head wildly, trying to escape his Wolf kiss.

However, she was so weak that she could not resist at all. Qin Anlan carefully licked the saliva off the corner of her mouth.

He never did such things. The women he did with all dressed up and had perfume all over their bodies. However, PEI Qiqi's body reeked of muddy water and it didn't smell good.

however, he still seemed to be enchanted!

He wasn't in a hurry, so he slowly licked and kissed her, like a beast healing its mother beast!

pei qiqi's eyes widened. she was both embarrassed and angry.

Qin Anlan had never been so intoxicated before. He had never been so excited to kiss a woman that he was trembling!

She struggled, as weak as a kitten ...

His lips were right beside hers and his voice was extremely low, " PEI Qiqi, didn't you say I wanted to rape you? if i don't do it with you once, i'll be taking on this false reputation, right?"

she lay down, her hands and body were firmly held by him, and she could feel that he was ready to attack.

she stopped struggling and gently closed her eyes.

The meat was delivered to his mouth, but Qin Anlan could not take a single bite.

looking at her expression, qin anlan finally understood for the first time what it meant to be disheartened, and what it meant to be ...

it was difficult to be water in the vast ocean, but there were no clouds except for mount wu.

he knew tang yu very well. if he didn't have to, he wouldn't abandon pei qiqi. although he didn't know the inside story and pei qiqi couldn't possibly love him, he thought that this was his chance.

tang yu didn't want them, he didn't destroy them.

supporting himself with one hand, his fingers gently brushed across her slightly hot little face, and his voice carried a hint of coaxing. " "PEI Qiqi, do you want to be with me?"

Chapter 728 Tang Yu, she's in my bed (1)

PEI Qiqi closed her eyes and maintained her original position. It was as though she didn't hear him.

however, in the end, she still heard it. pei qiqi's little face revealed a dazed smile, " qin anlan, do you like me? "

With that, she opened her eyes.

her eyes were beautiful and pure, like the brightest star in the night sky.

Qin Anlan fixed his gaze on her, not letting any of her expressions escape his eyes. yes.

“what do you like about me?” she chuckled and moved her hand down. she slowly kicked away the torn dress on her body. it was white!

she let him look at the wound on her waist and abdomen. the ten-centimeter wound on her thin but tender body was shocking.

she raised her chin and said indifferently, ” ” qin anlan, this body has been used by someone else. she was pregnant with someone else’s child. ”

she lowered her eyes, her voice even softer and hoarser.”you don’t care?”

Qin Anlan’s throat was blocked.

if it was someone else, he could say he didn’t care.

but that person was tang yu. he couldn’t say it out loud because after loving tang yu, could she take back her heart?

he already knew the answer in his heart, but he was still struggling.”I can give you whatever he can.”

pei qiqi closed her eyes, ” qin anlan, i can’t give you anything. ”

Qin Anlan looked at her and suddenly lowered his head to kiss her lips madly. They turned and rubbed against each other.

she didn’t struggle, nor did she respond. she just lay there straight.

Qin Anlan stopped in his tracks. His gaze was fixed on her lips.

her eyes were tightly shut, and her long eyelashes trembled slightly.

qin anlan suddenly thumped the mattress beside him with force, then laughed softly. ” “good, very good! PEI Qiqi, continue to love Tang Yu. Did you know that he’s getting engaged to Shen Lian?”

pei qiqi laughed softly. but as she laughed, she started to cough violently.

Just like that, she lay on his bed and cried for Tang Yu.

qin anlan’s black eyes were filled with anger as he stared into her eyes.

he felt that he was simply looking for abuse. why did he have improper thoughts about this girl?

he slowly moved away from her, turned to the side, and covered her with the quilt. he said hoarsely, ” ” don’t worry. i, qin anlan, will never force a woman no matter how bad i am. ”

he stood up and walked to the window. he took out a crumpled cigarette from his pocket, lit it, and took a deep puff.

the fire in his body hadn’t subsided yet, but he was already disinterested and didn’t have the mood to continue.

he lowered his head and looked at the cigarette in his hand. he chuckled. PEI Qiqi, you really do know how to dispel a man's thoughts.

if he only had pure desire for her, then she would not be able to escape tonight.

However, she was smart enough to know that he had some feelings for her and that he wouldn't touch her if she didn't want to.

"sleep here and leave tomorrow." Qin Anlan put out his cigarette and walked out for a walk.

pei qiqi closed her eyes. even now, her body was trembling.

If Qin Anlan had not stopped, she would have already been raped by him, Yingluo.

She turned her face to the side and sniffed the masculine scent on the blanket.

on a rainy night, tang yu searched for pei qiqi like crazy. after old zhao told him about it, he had been searching for her.

He had searched Xia city, the Rose Garden, and the Qingshui Road, but he couldn't find them.

she had left her phone at the place where she was staying. it seemed that she had made up her mind to leave.

what worried him the most was that she didn't take anything with her, only a bank card.

Chapter 729 tang yu, she's in my bed (2)

late at night, on the streets of city B, tang yu's entire body was wet. after that, he held the phone and instructed xiao ran, "contact all the banks. if qiqi uses a bank card with the number 0000 to withdraw money, send me a message immediately."

As soon as she finished speaking, her phone was turned off, and it flashed a few times before running out of battery!

Tang Yu cursed under his breath. He pursed his thin lips and walked over to open the car door. He continued to look for PEI Qiqi in the rain. He was burning with anxiety. His forehead was a little hot. He must have a fever, but he couldn't care less.

He was worried about her. He was worried that something had happened to her Hanhan.

she had tang xin's phone with her, but it was also turned off.

when his phone was fully charged in the car, he turned it on again and waited for a message.

Tang Yu ran the entire night in the rain. When the black sports car passed by the road in front of Xia city, his vision blurred. The car stopped and he was stunned.

he opened the car door and quickly walked in one direction-

he remembered that a long time ago, when a little girl was sad, she would squat there and cry in the rain. later, he took her home, and that night, he could not let her go.

but there was nothing there.

the puddles glowed in the dark night, and the shadows of the trees made them even cooler.

Tang Yu stood there for a while and then left.

he went to the small park she had been to and the plaza of sheng yuan building, but she was not there.

he called tang xin's phone again and again, but her phone was turned off.

That night, Tang Yu used up almost all his energy.

It was late at night at Qin Anlan's apartment.

qin anlan only returned to the bedroom after midnight. he went to the changing room to get a bathrobe and prepared to take a shower.

He didn't even look at PEI Qiqi. After he finished washing up, he took a towel and was about to leave the bedroom when he heard the sound of silver lining from the bed.

Of course, he wouldn't be so narcissistic as to think that PEI Qiqi would seduce him!

qin anlan squinted his eyes and switched on the lights. he walked forward and lifted the blanket. he saw pei qiqi's abnormally red face.

Damn it! he cursed in a low voice.

he sat on the side of the bed and helped her up with one hand. he touched her with his hand and found that she was frighteningly hot.

Qin Anlan frowned as he looked at her face that was burning red. She had already lost most of her consciousness.

He sneered. It would be better if he was burned silly!

PEI Qiqi, I'll take care of you if you're burned silly.

But that was just a thought. He still called his assistant to bring the medicine in the middle of the night.

the door was opened, but no one came in. it was closed directly.

qin anlan's assistant stood at the door and touched his nose in surprise. there was a woman in president qin's house, right? when did president qin include treatment when he played with women?

if you're sick and can't wait on me, then get lost!

no, president qin would never bring a woman here. he usually settled things in the hotel or in his office.

the special agent stood there for a long time. he wanted to know, but he didn't dare to ask. in the end, he left.

qin anlan fed pei qiqi medicine and water.

she had always been in a daze, but she was much cuter than before.

Qin Anlan reached out and touched the blanket. He was covered in cold sweat.

He went to get a new set of clothes and changed into it while carrying her with one hand.

while she was still in a daze, he naughtily helped her change into her pajamas. however, when he saw that she was clean and lying down, he felt much more comfortable.

He ordered himself not to care too much about her and told her to get out of here as soon as the sun rose.

He, Qin Anlan, did not have the habit of taking care of other people's women.

Chapter 730 Tang Yu, she's in my bed (3)

However, Qin Anlan still stayed by her side until dawn. He did not even close his eyes.

when the sky brightened, he walked to the head of the bed and took her phone. it was a pink color that only little girls used. it didn't look like pei qiqi's.

he helped to charge the phone, and when he turned it on, he saw hundreds of missed calls.

they were all tang yu's kasaya.

at that moment, qin anlan's phone rang. it was tang yu!

qin anlan looked at the big bed and walked out with his phone.

He stood in front of the floor-to-ceiling window and answered the phone. I'm Qin Anlan.

Tang Yu sat in the car. His originally tired body suddenly stiffened.

Qin Anlan?

why was tang xin's phone in qin anlan's hands?

He did not reply immediately. Qin Anlan smiled and said, " Qiqi is still sleeping. Do you want her to answer the phone? "

Tang mo suddenly hung up.

Qin Anlan smiled. Just as he was about to return to the bedroom to put his phone back, he turned around and saw PEI Qiqi standing at the bedroom door with a pale face.

"You heard that?" he did not avoid her and returned the phone to her. " " tang yu should be here in half an hour. "

PEI Qiqi was wearing his shirt and pants.

"Do you want to wait for him to come?" he asked.

PEI Qiqi didn't say anything. She took the phone from his hand and looked up, " thank you.

after that, she walked past him and opened the door.

qin anlan stood there for a moment and suddenly said, " i said that you're sleeping at my place. do you want to explain? "

pei qiqi's fingers were on the doorknob and she said indifferently, " "I don't need to!"

qin anlan watched her leave. when the door closed, he realized that his eyes were a little dry.

he let out a long sigh. he could not believe that he would let her go just like that. when had he, qin anlan, ever been so kind? he let a woman, a woman he was interested in, lie on his bed, and he did not want her.

.....

pei qiqi walked out of qin anlan's residential area and withdrew 10000 yuan from the nearest self-service bank. she quickly got on a bus and left. after about ten stops, she got off the bus and found a bank that was already open. she took out 200000 yuan from her card and put it in a small package.

there were tens of millions in cash on that card, but she had only withdrawn 200000.

when she came out, she held the card in her hand and looked at it for a long time. in the end, she broke it in half and threw it into the trash can.

It was as if she wanted to say goodbye to the past. She no longer needed it and threw it away.

in the end, she took a taxi to the bus station and bought a ticket to H city.

she got into the car. it was a little crowded and the smell was a little bad.

however, this was the real life.

PEI Qiqi lowered her head and looked at the train ticket in her hand. After a long time, she leaned her head against the window-

Perhaps, she will never come back again, Yingluo.

The car started slowly and drove out of the bustling station, heading toward the distant southern city.

.....

by the time tang yu arrived at qin anlan's apartment, half an hour had already passed.

qin anlan opened the door and looked at tang yu's sorry state. he said indifferently, " "She has already left."

how could tang yu leave so easily? he called out pei qiqi's name and looked everywhere for qianqian.

Qin Anlan did not stop him and allowed him to search everywhere.

tang yu walked into the bedroom and was stunned.

PEI Qiqi wasn't there, but there was a torn piece of clothing on the floor. It was PEI Qiqi's.

he slowly walked over, squatted down, and picked it up.

"it's pei qiqi's." qin anlan was leaning against the door.
