

Thank you 741

Chapter 741 You can't win against him (2)

Tang Yu's deep eyes looked at her for a long time before he smiled, "yes! however, shen lian, i have never thought of breaking the marriage. as the future mrs. tang, you are overthinking."

Shen Lian could not hit his weak point. She gritted her teeth. then why didn't you visit me at the hospital for more than a month? "

The smile on Tang Zheng's face became even colder. Shen Lian, did I sign a contract with you? do I have to love you? "

shen lian was stunned for a moment before she started laughing. she laughed so hard that tears were flowing out of her eyes.

She raised her chin and stared at Tang Yu, " " yes, you don't have the obligation to love me because you haven't forgotten about that b * tch pei qiqi! "

Shen Lian saw the coldness in Tang Mo's eyes and smiled coldly. " tang yu, i'm not as good as you. i can't scheme against you! "

the contract that they signed was a trap. he did sign the divorce agreement with pei qiqi but he didn't specify that he wanted to marry her, shen lian.

And now, Tang Yu's attitude was also very obvious. If she forced him to get married, he would fight to the death and he would go all out.

Tang Mo's expression was faint as he looked at her.

"I know what you're thinking. It's a compromise. You want to keep your virginity for PEI Qiqi but you don't want to lose everything you signed! Shen Lian lifted her chin and sneered,"I'll fulfill your wish!" tang yu, i want to see if you can endure the time and pei qiqi's feelings for you."

she had a strange expression on her face. " can you expect your 'biological sister' to break through the secular world and love you again? Stop dreaming, you're the one who aborted her child, you're the one who caused Tang Xin to lose her life."

Tang Yu kept quiet. His heart was a little cold.

Shen Lian was half right. He was not sure if Qi Qi would return to his side after he had settled everything.

there were too many variables in between.

it was impossible for him to go to city H all the time. firstly, he was busy and secondly, he was afraid of arousing shen lian's suspicion.

in such a long time, would she meet someone as wonderful as jinrong again?

at that time, what he would face was ... to fulfill her wish? Or would he continue to pull her back into this cruel world?

tang yu's eyes were cold. after a while, he smiled, " "Shen Lian, tell me your main point."

shen lian stared into his eyes. " i want to be your fiancée. "

"of course." tang yu was still calm, " also, congratulations on your recovery. "

His tone was formal, and there was no intimacy between an engaged couple. It was as if he was mocking Shen Lian.

shen lian was stunned for a moment. then, her gaze landed on his face. her voice was a little vicious, " tang yu, did you do it? "

tang yu lifted his eyes and looked into her eyes, " "If you have any doubts, you can take revenge on me! i think what you have in your hands is enough to make me a sinner."

he just generously gave the choice to shen lian. he did not admit it nor deny it.

shen lian's face was pale. on the side, meng qingcheng already knew that shen lian was no match for tang yu.

Other people might not know, but he knew Tang Yu very well.

he had always been an overly calm man. he could make the most intuitive and correct judgment in the worst situation, and could also play the other party in the palm of his hand.

it was obvious that shen lian should have had the upper hand, but her inner demons prevented her from making the right choice.

Chapter 742 You can't win against him (3)

Tang Yu, on the other hand, was patient enough. So, he temporarily gave up on PEI Qiqi.

this was something that shen lian would never be able to achieve in her entire life.

Meng Qingcheng wasn't sure about the content of their agreement, but he thought that it must be related to the foundation of Sheng Yuan and even the Lin family. Xuanji was a line between Tang Yu and Shen Lian. If both parties were careless, this line would be broken.

That result was not what Tang Yu wanted, nor was it what Shen Lian wanted.

shen lian grasped the outside while tang yu grasped the inside of shen lian's heart and played a good hand in the face of adversity.

He stood there quietly and was in a daze for a moment. When he came back to his senses, Shen Lian had actually left.

"i told her that i want to talk to you alone." Tang mo stood up and went directly to the wine cabinet in the corner.

He rarely used this wine cabinet because he had self-discipline. But now, he wanted to have a drink with Meng Qingcheng.

perhaps, this was the last time they would stand here and drink together.

tang yu poured a glass for himself and meng qingcheng. meng qingcheng walked over and took the glass.

” why do you want to go to shen lian’s place? is it because of tang xin? ” Tang mo leaned back and asked lightly.

Meng Qingcheng held the cup and lowered his eyes. After a while, he smiled bitterly, ” who knows? ”

she looked up and finished the glass of wine in one gulp. then, she looked at tang yu and said calmly, ” “Maybe. Maybe she doesn’t want to see you too safe. I know that Shen Lian can’t win against you.”

Tang Zheng held the cup and didn’t drink. He looked at Meng Qingcheng indifferently. Qingcheng, do you think you can win against me with her? ”

“maybe not.” They knew each other too well. Meng Qingcheng said directly, ” but I believe that with my existence, you will have a much harder time.

He put down the cup in his hand and walked towards the door. Tang Yu called out to him, ” “Qingcheng, wait a moment.”

Meng Qingcheng’s body froze and he slowly turned around. Tang Yu walked to his desk and took out a photo album from the drawer. He walked over and placed it in Meng Qingcheng’s hands, ” ” tang xin asked me to give this to you. ”

meng qingcheng’s fingers trembled, and his eyes were a little wet.

after a while, he opened the door and walked out determinedly. he said to tang yu, ” “This won’t change anything.”

Tang mo quietly watched his back.

After a while, he revealed a smile.

can’t it change anything?

qingcheng, you are far more softhearted than you think. if you really want to destroy me, you don’t need to find shen lian. you just need to tell qiqi the truth. then, you can send me to the eighteenth level of hell.

Seeing Qingcheng like this, his heart ached slightly.

Apart from Tang Xin, he had also let Meng Qingcheng down.

Meng Qingcheng sat in the car, his fingers slowly opening the photo album.

on the front page was a photo of him and tang yu.

He was the one who took the photo. Little Tang Xin was not very happy at that time. She pouted and stared at him with tears in her eyes, but his eyes were full of love that could not be hidden.

meng qingcheng’s fingers gently caressed it, and his heart started to tremble.

Tang Xin!

she actually knew. she had always known.

He anxiously flipped through the back, and it was full of her own photos.

she had all kinds of photos since she was young, and they were all very cute and beautiful.

but his heart was filled with bitterness.

Tang Xin knew he loved her, but she didn't have him in her heart.

She left these photos with him as a memento ...

Chapter 743 You can't win against him (4)

meng qingcheng immediately covered his eyes with his hands. he was afraid that he would cry and his heart would soften.

because she loved tang yu so deeply and now, he wanted to hurt her dear brother.

She would hate him for doing this, right?

at this moment, meng qingcheng's heart felt like it was being cut by a knife.

But he still chose Jin Taihe. Tang Yu didn't look for him again to persuade him.

the days passed just like that. tang yu would go to city H once every two months, but he could only stay for one or two days.

he just followed her from a distance, watching her get better and better each time, and get more energetic each time.

The pain seemed to have left her, as if she had forgotten Hanhan.

Before the new year, he had gone to United States and returned to city H.

PEI Qiqi spent the new year alone. He followed her and watched as she went to the supermarket to buy ingredients.

the things she bought were exactly the same as the ones she bought with tang xin that year.

at that time, tang yu knew that she didn't let go.

PEI Qiqi went back and made a table full of dishes.

it was chinese new year's eve today. outside the window, fireworks were constantly rising and blooming in the cold night sky ...

she sat at the table, took out her phone, and sent a message to tang xin.

happy new year.

tang xin, where are you? can you receive my message? ”

I've made a lot of dishes tonight, all of them are your favorite Yingluo

If I could, I'd rather not have been close to your life. Maybe life will end eventually, but you will leave such a happy family. You will leave with all your love.

do you hate me?

There was a knock on the door, and she was in a daze for a moment.

It was like that year, when she and Tang Xin were sitting at the table preparing for the New Year's Eve dinner, the door was also knocked like this.

the door opened. it was tang yu!

PEI Qiqi laughed. There won't be any more of those times.

She slowly got up and opened the door. It was her neighbor, Auntie Xu, who had lived here for a long time.

aunt xu was holding a large plate of handmade dumplings in her hands. each one was filled with big fillings and looked very beautiful and alluring.

miss PEI, I saw that you lived alone and thought that you northern girls probably wouldn't buy this during the new year. We have a Southern custom of eating this during the new year to be lucky next year. aunt xu said enthusiastically.

pei qiqi opened the door and smiled, " "Thank you, aunt Xu. I'll go get the plates."

she turned around and went to the kitchen. aunt xu also saw the table full of dishes on her small dining table. it was beautiful, fragrant, and even an old cook like her was a little envious, so she said, " "miss pei, you're so good at cooking."

"do you want to eat together?" PEI Qiqi asked hesitantly.

Aunt Xu quickly waved her hands. no, no, my old Xu is waiting for me.

pei qiqi closed the door. as aunt xu closed her own door, she thought, " this young lady made so many dishes. could it be that she's eating alone? the expensive car parked downstairs must be her boyfriend, right? "

She had seen that man twice. He looked old and good, and he seemed to be rich.

She could smell the man and the elite from a few floors away.

she had previously told her old xu that he had a manly scent on him, so he let her smell it. he let her smell xuxu.

When aunt Xu got home, she looked out the window again. As expected, the man was here again.

she knew that miss pei was the only beautiful lady in this building, so this man must be here for her.

but why was he sitting in the car for so long?

or has he already gone to miss pei's house?

Chapter 744 A new beginning (1)

Aunt Xu made a decision. Tonight, she would pay close attention to the movements next door to see if there were any strange sounds, such as ahhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhhh!

However, she waited for an entire night and did not hear the Yingluo that she wanted to hear.

A table full of dishes, one person really couldn't eat a few mouthfuls.

At eight o'clock, PEI Qiqi leaned against the window and watched the fireworks. The dark night sky was already lit up by the fireworks.

One by one, they rose into the night sky.

it was so beautiful and dazzling.

The sky above B city should be the same!

She lay on her stomach and felt a little sleepy. She fell asleep the moment she returned to her room. in a daze, she dreamed of that night.

She dreamed that she was being chased and had no way out. Her whole body was covered in a thin layer of sweat as she pushed open the door behind her ...

She fell to the ground and saw Tang Yu sitting on the luxurious sofa in the Presidential Suite. He was dressed elegantly and his long Jade-like fingers were on his forehead. He was quiet like he was asleep.

She couldn't help but walk over, still wearing the dress she had seen that night.

Leaning on his side, she touched his cold face and called him brother Yingluo.

PEI Qiqi woke up.

Her whole body was covered in a thin layer of sweat, and it was cold as it stuck to her body. She panted heavily.

After experiencing such an absurd dream, he actually felt like he had been through a lifetime.

She lay there in a daze for a while until her entire body was completely cold before she walked into the bathroom.

the hot water washed her face, but her eyes hurt.

Brother, stab me like crazy.

She had always wanted to forget that person, but she would always dream of such a person. She couldn't get rid of it, and it was like a dream demon that kept pestering her.

she felt anger and shame, but there was nothing she could do.

tang yu stayed downstairs the entire night and watched as she kept the lights on.

'Qiqi, are you asleep on such a night?

But I can't sleep. If I don't watch over you, I don't know what else I can do on a night like this!

He didn't dare to alarm her, so he could only guard her from a distance.

for one day, two days, one month, two months, they just guarded like this, each of them depressed.

This autumn, PEI Qiqi entered Jia Ren magazine agency and became an intern photographer.

The person who brought her along was called master kan. He had a face full of beard, and his original face could hardly be seen.

He was quite a magnanimous Northeasterner and was quite famous in the industry-

he was famous for his strictness.

In the beginning, PEI Qiqi was only arranged to serve tea and buy things. Old kan even asked her to buy the condoms he used to pick up girls.

pei qiqi bought it. she didn't humiliate him for buying an alternate account. instead, she bought a super account in europe and america.

old kan didn't get angry. he only said to pei qiqi the next day, " I didn't expect that I would have such a huge room for appreciation.

As he said that, he touched his nose and started working.

PEI Qiqi stood there in a daze. She was still thinking about the meaning of the devil's words.

At that time, she had bought a super-large Yingluo on a whim. Now, he wouldn't even give her the chance to serve tea and buy a t-shirt, would he?

just as he was thinking about it, old kan shouted in his direction, " little pei, what are you still standing there for? get over here! "

PEI Qiqi was stunned again but she quickly came back to her senses and ran over.

old kan was really teaching pei qiqi how to be in the camera from the bottom of his heart this time. he also taught her how to fool around with big and small stars.

He really, really, really taught her with all his heart. He was so strict that PEI Qiqi wanted to cry.

She was so strict that she wanted to kneel down and hug old kan's thigh. She cried and said, " master, please let me serve you tea. I'm fine with buying a T!

Chapter 745 a new start (2)

Old kan, on the other hand, didn't make her do these things anymore. He took her around the world and even took her out to do private work under the guise of public office.

Taking private nude photos of rich women in private. In those private spaces, old kan was very professional in taking the camera. PEI Qiqi blushed and stuttered.

old kan turned around. " what are you blushing for? don't you have these? "

pei qiqi glared at him, "i thought you had some integrity!"

old kan had many representative works, such as animals on the verge of extinction, african refugees, and the perspective of a savior. but this time, he was taking nude photos for a rich woman!

As if he saw the disdain in PEI Qiqi's eyes, old kan spat out the cigarette in his mouth and looked at her, " " pei qiqi, stop acting like a saint. so what if i work hard to earn money? buddha still needs incense money! "

Oh, " PEI Qiqi replied. She obediently followed his instructions and rearranged the small object that was covering the lady's private part!

It was really embarrassing!

old kan's movements were on point and especially accurate. very quickly, the photo of the lady was taken.

the lady put on a bathrobe and passed the check to old kan. old kan let pei qiqi hold it in a very stylish manner.

“So, do you want to stay for a drink?” The lady’s voice was soft and her expression was seductive.

Old kan had already packed up his things and carried them on his shoulders. He coughed lightly and said, “Let’s forget about today.”

he paused for a moment. ” there’s a little friend here. ”

the lady looked at pei qiqi and gave her a meaningful smile. she let go of him, ” alright. ” let’s meet again next time.”

pei qiqi immediately followed old kan out and quickly caught up to his large steps, ” sir, is this one million yuan for the photo or for your private service for her? ”

Old kan stopped in his tracks and looked at PEI Qiqi very seriously. He said very seriously, ” little PEI, do you think I’m worth a million Yuan before I can use that super account? ”

PEI Qiqi had been with him for a long time and knew how to say a few dirty words, ” I think master’s hands are quite flexible.

“Well, I, your master, never cross the line.” Old kan took the check. I’ll give you a hundred thousand.

PEI Qiqi was stunned.

a hundred thousand? It was so easy!

old kan looked at her dazed face and couldn’t help but smile. he pinched her soft little face. ” are you dazed? ” was he crazy with joy? Let’s go, master will treat you to a big meal.”

“Master, you should really nourish your body.” pei qiqi’s mood was very different, probably because she had been with master kan for a long time.

it was as if she had landed on the ground, as if she had completely integrated into the city, and as if she had completely integrated into the circle.

The wine cup was still warm. Old kan leaned back in his chair and looked at PEI Qiqi, ” ” little pei, don’t look at me like i’m a bad person. i don’t like a little girl like you. you should be my daughter. ”

he gestured a four, indicating that he was now forty.

pei qiqi poured him a glass of wine and said obsequiously, ” “Of course master wouldn’t. It’s just that I’ve always harbored wild ambitions towards master. I won’t dare to do it again in the future.”

“You little girl, you’re getting more and more sly!” “Who did you learn it from?” old kan stared.

PEI Qiqi’s face was serious as she said, ” “Did you not learn it from master?”

old kan laughed and leaned over to ruffle her hair.”bad girl!”

Very soon, he announced in a very cool manner, ” girl, you’ll be hanging out with me from now on. In the future, when you leave the mountain, wherever you go, just say your master’s name and you’ll definitely be able to live well.

“sir, can you give me some of your photoshoot business?” “I need money!” PEI Qiqi sucked up to him.

old kan glared at her!

Outside the restaurant, a black RV was parked. Tang Yu sat in the car and watched her sit face to face with a man with a big beard. She smiled at the man and the man even ruffled her hair!

Chapter 746 A new start (3)

tang yu sat in the car, separated by the bustling city and a glass window-

As he looked, his eyes grew a little hot.

in the past, those things were exclusive to him. now, she was smiling at others like this and her hair was being ruffled by other men. he had no position and could not do anything about it.

He held a cigarette between his slender fingers and took a long puff. He leaned his head against the window and watched quietly.

He looked at her happy face and saw that the smile on her face had replaced the coldness.

tang yu was happy but also a little sad.

The person who had walked out of her shadow with her was not him, but someone else.

He knew the photographer very well. He was a leading figure in the photography world, but he was also very willful. Everything depended on his mood. He might not be willing to take photos even if some celebrities offered him money.

old kan's reputation wasn't too good, but there was one good thing about him. he had never messed around with any girls in the same company!

tang mo watched quietly. he was a bit hungry but had no appetite.

Because he was so angry that his liver hurt!

PEI Qiqi and old kan walked out of the restaurant. She touched her stomach and felt that today was the day she had the most food. Old kan slowly opened the car door and signaled for her to get in. Then, he drove to a bank and took out the check. He gave PEI Qiqi 100000 Yuan on the spot.

PEI Qiqi deposited the money into her card and smiled at old kan, " Sir, I think you were the most handsome when you gave me the money.

Old kan still got into the car slowly. He turned his head and glanced at PEI Qiqi in the back seat, " make the photo look better. That way, business will be better next time.

PEI Qiqi tried her best to acknowledge it. Old kan thought about it and was a little worried, so he added, " don't give up your dreams for this little money, understand? "

PEI Qiqi glanced at him and felt that it was a little funny for old kan to talk about his dreams with her.

But she didn't dare to talk back, and nodded her head hard."i know."

however, old kan was not satisfied with her answer and frowned."What do you know, little girl? so many people are lost in the vanity Fair and can't extricate themselves. Just because they have a little

bit of fame, they are so arrogant that they don't even know who they are! In the end, he accepted all kinds of orders, even the dubious ones, helping people take photos or something, Yingluo."

"this seems to be something master would do." PEI Qiqi was slowly not afraid of him anymore and talked back.

old kan was stunned for a moment, and then he said coldly, " "How can I compare to the first Bureau? I'm robbing the rich to help the poor."

as she said that, she started the car and decided not to tell this little disciple. yingying didn't realize that this girl was so crafty before.

After driving for a while, she heard a small voice from behind her. "Master, you've even robbed me of my body!"

"believe it or not, i'll tell the editor-in-chief tomorrow that you'll be fired." Old kan said ruthlessly. He took a puff of his cigarette while driving. His attitude was unparalleled. He was basically a rough man with a very strong character.

However, many women liked to be talkative. Moreover, they were rich women who loved money. PEI Qiqi knew this.

as for who old kan slept with, that was up to him. plus, he didn't charge for sleeping with women. he only charged for taking photos. pei qiqi thought darkly, 'probably sleeping comes with a photo service.'

With a cigarette in his mouth, old kan admired his little disciple's look of anger but not daring to speak from the rearview mirror-

In fact, he did not like this girl in the beginning.

It was too cold, too light, and there was pride in his bones!

it was only after she bought him an extra-large one that he started to take a liking to her ...

He has quite the character!

Chapter 747 a new start (4)

Old kan felt that in the photography industry, only works with character would have a soul. Otherwise, what fun would it be if a wooden beauty shot something?

After a long time, he was really not too disappointed. The little girl could even say a few dirty jokes sometimes.

old kan really liked pei qiqi and raised her like his own child. he taught her how to survive in this circle and taught her all sorts of things. he subverted pei qiqi's previous understanding of the world. however, she had to admit that he really brought her into a whole new world.

that world didn't have tang yu, her dear brother, and the past and pain.

she felt that this world was very novel.

However, she didn't know that her curiosity was Tang Yu's biggest pain.

he wanted her to be happy, but he was afraid that she would never come back.

Old kan drove the car back to the magazine agency and threw the bag in his hand to PEI Qiqi, " take this. First, fix the photos we took yesterday. The client wants them tomorrow.

As for the filming for the lady, PEI Qiqi had to work overtime.

she nodded. old kan had already run to the smoking room to smoke.

PEI Qiqi took the samples she took yesterday and transferred them to her computer. She selected them one by one and then refined them.

Old kan once said that the worst thing about photos was distortion. No matter how well you edited them, it wouldn't be good if they were distorted. In the beginning, PEI Qiqi was scolded and cried by old kan many times because she edited her photos.

pei qiqi looked through them one by one and sat in front of her computer for a long time without moving.

A colleague beside him slid his computer chair over, coughed lightly, and asked in a low voice, " "Old kan went to pick up girls during work hours again?"

PEI Qiqi placed her fingers on her chin and turned her face. She smiled, " "no, we went out to gather wind together."

oh, oh, old kan's reputation in the company is really bad!

The colleague was mysterious again. a woman came today and waited for old kan in the managing editor's office for a long time. Old kan should have been caught and brought in now.

PEI Qiqi's eyes were already on the computer, but she looked up again, " is it old kan's romantic debt? "

The colleague gave a mysterious smile. she's quite young and pretty. You'll know in a while."

PEI Qiqi laughed along. Because of the 100000 Yuan, she was loyal enough not to sell out old kan's rich private life.

As he spoke, old kan had already slowly walked over.

the colleague quickly slid to the side and pretended to be busy.

Old kan actually saw it but he didn't mind. He walked to PEI Qiqi's desk and knocked on it, " follow me to the managing editor's office.

Oh, " PEI Qiqi replied. Her colleagues were envious.

PEI Qiqi followed old kan, the most amazing old kan in the entire magazine, the old kan who didn't even buy celebrities!

moreover, it was said that old kan had a lot of private work, so following him would be very profitable.

however, not many people could endure it, because old kan was famous for his bad temper and was not easy to serve.

.....

PEI Qiqi looked like a standard assistant. She was wearing a white shirt and a black dress. With a pair of black-rimmed glasses, she looked like a rookie in the workplace.

PEI Qiqi followed old kan into the managing editor's office and stopped in her tracks.

She saw PEI Huan.

pei huan was sitting on the sofa. when she saw pei qiqi, she was stunned for a moment. then, she smiled, " "i didn't expect you to be here."

The managing editor knew how to get things done. miss PEI, do you know our Qiqi? "

before pei qiqi could say anything, pei huan laughed, " pei qiqi is our adopted daughter. "

Chapter 748 a new start (5)

pei qiqi had always been used to pei huan's harshness. so when the managing editor's eyes lit up, she only nodded and didn't deny it.

PEI Huan didn't dwell on her relationship with PEI Qiqi anymore. Instead, she looked at old kan, " then it's settled. Next Monday, I will be in the studio on time.

Then, she stood up. When she passed by PEI Qiqi, she suddenly gestured for her manager, Xiao Mei, to pass PEI Qiqi a name card, " " i think you've changed your phone number. this is my business card. do you mind giving me your phone number? "

seeing that pei qiqi didn't say anything, pei huan laughed again, " you're afraid i'll tell tang yu? pei qiqi, do you think i'm the one who will help you?"

after a pause, he said in a self-deprecating manner,"let's have a meal and reminisce about the past!" It's been a year, and there are some things that I can't find anyone else to tell you."

pei qiqi then gave her phone number to pei huan.

PEI Huan smiled. let's meet another day!

PEI Qiqi watched as she and Xiaomei left. Before she could turn around, the managing editor said, " " it's great that you two know each other. jia ren's cover is pei huan. little pei, you should learn from old kan. "

pei qiqi nodded.

when she went out, old kan patted her shoulder. " "If you don't want to go, I can help you contact the Managing Editor."

As he said that, old kan winked.

PEI Qiqi shook her head, " it's nothing!

old kan gave her a deep look. " are you sure? I heard that this woman couldn't survive in the entertainment industry for a while, but she managed to get back up with someone. She's been doing well recently."

PEI Qiqi stood beside the tall and mighty old kan. It was real, just like a little kid.

She lowered her eyes for a while. Just when old kan thought that she might be a little sad, PEI Qiqi looked up and smiled, " it's really nothing! But master, you can't sleep with her. "

“would i like that little girl?” Old kan snorted coldly and waved his hand. nonsense, go and do your work! just remember to go to the studio on monday.”

just as pei qiqi was about to leave, old kan called out to her and coughed, ” ” you know, she bought this cover herself for five million yuan. she’s a big client, so you have to treat her well. ”

PEI Qiqi nodded. she understood old kan’s meaning. business was business, private was private.

in the afternoon, she finished processing the photos and turned off her computer to get off work. she still had to process the photos of the old lady of the kan family in the evening.

Carrying his little black bag, he took the bus to the coffee shop where he used to work and took the No. 52 bus back.

It was a little troublesome, but she was used to taking the bus.

he had a simple meal at home and started working.

In fact, photos of rich women were particularly easy to deal with. According to old kan, they were beautiful with fair skin, big breasts, and thin waists.

It took an hour to edit the photos into pictures of snakes. PEI Qiqi was mesmerized by them for a while.

Just as she was about to take a shower, her phone rang. It was an unfamiliar number, but she vaguely remembered that it was PEI Huan’s number.

pei qiqi picked it up. pei huan’s voice was a little calm, ” “do you have time to come out for a drink?”

She thought for a while, changed her clothes, and went out.

pei huan had arranged to meet at a bar called ‘yu yu’. pei qiqi pushed the door open and the soft music filled the room. at 8 am, there weren’t many people. it was quiet and comfortable.

she looked for pei huan’s table. pei huan was wearing a black dress and her windbreaker was thrown on the back of the chair.

PEI Huan raised her eyes and looked at PEI Qiqi. She smiled, ” you’re here? why are you still dressed like a student?”

Chapter 749 Drunk, one time in the spring breeze (1)

PEI Qiqi was wearing a white t-shirt, a pair of jeans, and a grey sweater. She looked like a college student who just graduated.

in reality, she and pei huan were only twenty-two years old, the age where they had not graduated from university.

PEI Huan seemed to have matured a lot in the past year.

pei qiqi sat across from pei huan. pei huan looked at her and then called the waiter to order a cocktail for pei qiqi.

it looked sweet and sour, and the color was very beautiful.

Seeing that PEI Qiqi didn't drink it, PEI Huan moved her chin, " I didn't touch it. You don't have to be so careful.

pei qiqi smiled and took a small sip carefully.

PEI Huan's body was leaning against the back of the chair with her legs crossed. She took out a long and thin cigarette from her bag and lit it up as she looked at PEI Qiqi.

After so many things, PEI Qiqi was still as beautiful as before. She was also married, divorced, and had a miscarriage. Now, she looked at least three or four years older than PEI Qiqi.

"You haven't contacted him?" pei huan blew out a smoke ring and asked slowly.

pei qiqi was stunned.

PEI Huan smiled, " I'm talking about Tang Yu.

PEI Qiqi shook her head.

PEI Huan continued to smoke for a while before she continued, " " pei qiqi, i actually admire you. you can let go of fugui just like that. "

She looked at PEI Qiqi's clothes, " are you used to living such a hard life here? "

PEI Qiqi sat down, her long black hair hanging down. Her long eyelashes fluttered slightly under the dim light.

She lowered her head and took a sip of the fruit wine. that's not what I want.

"Then, why did you fight so hard for the PEI family business with me?" PEI Huan's tone was quite calm, probably because she had gotten back everything and didn't have to worry about it.

PEI Qiqi raised her eyes and looked into PEI Huan's eyes, " "pei huan, my surname is pei."

"Unfortunately, it's a fake." pei huan shrugged her shoulders. " my dad clearly knows that you're not his child, but he still raised you up. so silly. "

at the mention of pei minghe, pei qiqi's heart was filled with an indescribable feeling.

it's the second anniversary of dad's death next month. If you're free, you should go back and visit. I've asked someone to do a ritual. pei huan's voice was calm, but it was completely different from the past.

PEI Qiqi was a little surprised as she looked at PEI Huan.

it's nothing. I just feel that you're not dad's daughter. Now that the PEI family business is under my control and managed by Sheng Yuan, I just have to count the money. money was the main reason why pei huan was so tolerant of pei qiqi.

She knew all too well that if it wasn't for PEI Qiqi, Tang Yu wouldn't care about the PEI family.

As she spoke, PEI Qiqi was still a little stunned.

was tang yu in charge of the pei family?

Then, why?

she couldn't understand, and pei huan wouldn't know that tang yu wanted the pei family not only for pei qiqi but also for sheng yuan.

this was his preparation for his battle with shen lian in the future.

the pei family would eventually return to pei qiqi's hands. it was just a matter of time.

Without PEI Huan knowing, while she was signing all sorts of documents in a daze, she already owned less than five percent of the PEI family's shares. Although the bonus was not small, it was because the PEI family's funds were constantly increasing. In particular, the PEI family had opened many subsidiary companies, which were much more powerful than the PEI family's headquarters!

PEI Huan laughed, " Tang Yu probably can't forget you. Oh right, you probably didn't know that Shen Lian's leg was broken. She broke it on the day of the engagement. The one on her leg now is a fake! even though she's tang yu's fiancée, i don't know when she'll get married."

pei qiqi was stunned.

Shen Lian's leg is broken?

"a car accident." PEI Huan blew out a smoke ring and laughed, " " this must be a huge blow to an arrogant woman like her! "

PEI Qiqi's fingers touched the beautiful cup and her voice was soft, " "You seem to hate her."

pei huan flicked her long hair and said, " i hate all women who are more beautiful and richer than me. pei qiqi, you look much more pleasing to the eye now."

she said it so generously, but pei qiqi found it funny.

she looked at pei huan. " but my impression of you hasn't changed at all. you're still so annoying. "

PEI Huan smoked. Her beautiful lips were slightly open as she looked at PEI Qiqi. Then, she smiled, " I take back what I said. PEI Qiqi, you are still so annoying.

"This is right!" PEI Qiqi smiled and pressed her fingers on the cup, " "This glass of wine is on you, you don't have any objections right?"

PEI Huan watched as she stood up and walked towards the door.

He didn't even ask her about Tang Yu and he didn't even do anything about Shen Lian ...

did pei qiqi really let it go?

PEI Qiqi, " PEI Huan asked quietly from behind, " PEI Qiqi, have you really forgotten about him? "

pei qiqi paused and slowly turned around to look at pei huan. her eyes were cold, " pei huan, why must you tear open someone else's wound? You don't care about these things, but that doesn't mean others don't."

pei huan was stunned.

At first, she thought that standing in front of PEI Qiqi today would give her an advantage and that she could say whatever she wanted to say. She didn't have any bad intentions. She just wanted to ask and see PEI Qiqi's frustrated expression.

however, when pei qiqi looked at her like that, pei huan actually felt a little uncomfortable.

What was she upset about? She should be happy to see PEI Qiqi in such dire straits!

however, she just couldn't be happy. it was just that xuxu's heart was filled with anxiety.

pei qiqi turned around and left. pei huan stood there, feeling empty like an abandoned child.

pei qiqi didn't care about her?

pei qiqi still hated her!

PEI Qiqi walked to the entrance of the bar. The night wind blew on her face and her face felt hot.

Although the glass of fruit wine was sweet, it had a strong aftereffect. At this time, she was dizzy and her legs were a little weak.

she held the door for support and took a moment to recover before walking out.

In the deserted alley, only a few street lights flickered.

pei qiqi walked and walked until she stopped. she looked around and was in a daze.

Did she forget about Tang Yu?

These few days, she thought that she had forgotten. However, when PEI Huan asked her, " have you forgotten? "

he forgot?

How good would it be if she could forget about it?

PEI Qiqi blinked her eyes hard and suddenly felt like drinking.

When she was drunk, she didn't want to think about it anymore. She would pretend that PEI Huan never asked Yingluo.

When she returned to the bar, PEI Huan hadn't left yet. She was a little surprised to see PEI Qiqi.

"Do you want to have a drink or two together?" pei qiqi's voice was calm.

pei huan looked around and snorted, " if you drink too much, you will lose your body. pei qiqi, are you sure? "

pei qiqi lowered her eyes and chuckled, " "I'm not anyone's anyone, so what's the big deal if I lose it?"

PEI Huan was stunned for a moment. She had to admit that PEI Qiqi had really changed.

she must have learned it from her frivolous master.

pei huan did not stand on ceremony and directly ordered a bottle of wine, the very strong kind.

He poured a cup for PEI Qiqi and said, " "No regrets?"
