

Thank you 751

Chapter 751 Drunk, one time in the spring breeze (3)

pei qiqi brought it over and took a small sip. then, she took a big gulp.

pei huan looked at her expression and smiled. " i still haven't forgotten. "

PEI Qiqi finished the wine in her glass and asked PEI Huan to pour her another.

when half a bottle of wine was in pei qiqi's stomach, pei huan looked at it and started laughing.

She felt much better, but PEI Qiqi wasn't happy either.

pei huan called xiaomei to book a room in the hotel and then they came over to send pei qiqi over.

Because PEI Qiqi was as drunk as a pig. She wouldn't tell him where she was staying even if he asked.

pei huan and xiaomei dragged her to the nearest four-star hotel. pei huan was filled with regret.

why did he want to get pei qiqi drunk?

the moment they reached the hotel room, pei huan threw pei qiqi down and left.

as he walked, he pulled his hair and complained to xiaomei, " i should have left her in the bar! why should i be a good person?"

xiaomei chuckled. " let's drag it back then. "

PEI Huan paused and thought for a moment. forget it, she's as heavy as a pig!

Xiaomei laughed. Actually, PEI Huan was not as cruel as she said.

they left, but they forgot to close the door.

in the suite, pei qiqi was lying on her stomach. her sweater was thrown to the side. she was only wearing a white t-shirt and jeans. her shirt was rolled up to her waist, revealing a small part of her white and slender waist.

pei qiqi flipped over uncomfortably. her eyes were closed and her red lips were slightly open, exhaling a breath of air.

the lights in the room dimmed.

She didn't realize that Yingluo was just panting in pain. She didn't know how beautiful she was under the moonlight.

Tang Yu exhaled with difficulty. He slowly knelt on both sides of her body and gently held onto her hands. He then raised his Kasaya up high.

PEI Qiqi opened her eyes and stared at the man above her.

a man?

Where was she? her head was dizzy, and her limbs were weak. she wanted to vomit, but she couldn't. her chest felt a little stuffy.

the man's breath on her body was very familiar, so familiar that she wanted to cry.

With her eyes closed, she reached out her fingers and slowly stroked his eyebrows, then his lips.

then, pei qiqi started chuckling, " you look like my husband. "

Tang Yu's body trembled. He was sure that she was dead drunk. Otherwise, he wouldn't have dared to approach her.

However, when she said that, his heart ached and numbed.

did you not forget about me in your heart?

All the happiness was just an appearance?

her small hand struggled to break free from his hand and turned to hug his neck. her small mouth nibbled his chin, and she nibbled clumsily. her voice was muffled as she said, " do you want me? "

tang yu's entire body froze. he wanted to kiss her, but he never thought about having sex with her.

no, he was crazy about having sex with her, but he didn't know that he hadn't had sex for more than a year. Things, he was out of practice, could he still give her happiness ...

Especially when she was drunk.

also, when she wakes up, will she think that it's him?

tang zheng was at war with himself, but the little guy's little hand was already desperately pulling on his belt. with a touch of drunkenness, he whispered in her ear, " can you be my brother tonight? "

Brother?

Tang Yu's lust| his dark eyes deepened as he looked at her, and he couldn't help but kiss her on the lips. at the same time, he clasped her little hands and pinned them to both sides of his body.

it was late at night. his eyes were burning with fire, locking onto the ball of fire under him.

Chapter 752 drunk, one time in the spring breeze (4)

pei qiqi tilted her face and reached out a hand to stroke his deep-set features. she said softly, " "you look like my ex-husband, yingluo, but he's my brother now."

she lifted her body and gently bit him. " "i'll tell you a secret. i've slept with my brother for more than a year."

Tang Yu kept looking at her. His eyes seemed to be burning with anger.

" he likes to make me call him big brother and dad when he's doing this kind of thing.

" pei qiqi chuckled and wrapped her arms around his neck to kiss the corner of his lips. she muttered, " can i call you big brother? "

tang yu's neck stiffened. his adam's apple bobbed. he squinted his eyes and looked at the little thing that was on fire.

she lost all her rationality. her belt slipped out of her shirt, and the buttons were unbuttoned one by one by that pair of soft, boneless hands.

at this moment, he was like a teenager who had lost his life, almost surrendering in embarrassment.

in fact, they hadn't even started to argue yet.

the night was getting darker and darker. on the luxurious bed, the two of them were entangled again and again.

[illegible]

He kept calling her name and telling her that he missed her.

but she couldn't hear him. her body was soft, and her long eyelashes fluttered.

To him, this night was a long-lost desire to be together again. But to the drunk PEI Qiqi, it was just a night of absurdity.

early in the morning, a ray of sunlight naughtily shone on pei qiqi's little face. she frowned, moved slightly, and turned over to lie down.

his body hurt a little, and his bones felt like they had been disassembled and reattached.

Pain?

she suddenly opened her eyes wide and looked around.

this place was very unfamiliar. it should be a hotel room.

What shocked her the most was that even though the window was open, the entire room was filled with the intimate smell of a man and a woman after their intimate moments.

pei qiqi was lying on her stomach and hugging a pillow. when she slightly propped herself up, she realized that she was naked.

the clothes were neatly folded on the bedside table, and in the trash can beside them, there was a large ball of tissue paper and four cricket t-shirts!

it was enough to see that he was a strong man last night!

pei qiqi looked on in a daze. only then did she realize that she had really lost a part of herself last night!

She screamed and ran into the bathroom with the bedsheets.

The lights were bright. She looked at the full-body mirror and removed the bed sheet. She only took one look at PEI Qiqi before covering her face.

She couldn't look at her body anymore!

there were hickeys everywhere, and that man was even pervertedly kissing some indescribable parts.

PEI Qiqi took a long shower and tried her best to think. Her dizzy head couldn't remember when a man had done that with her last night.

looking into the mirror, she was a little dazed.

Did she become a bad woman too? She slept with a man casually?

she didn't want to stay here any longer, and she didn't want to see the trash can either. she took her phone and was about to check out.

The room was registered by PEI Huan and she used her identity card. The money was paid, but

The waiter came back and looked at PEI Qiqi with a strange expression. Then, he whispered something into the front desk.

the receptionist's eyes were closed, but she was still smiling sweetly. "I'm sorry, miss. You still need to pay 360 Yuan because you've used four of the contraceptives we left in the guest room."

Chapter 753 drunk, one time in the spring breeze (5)

PEI Qiqi ran her fingers through her hair and covered her face, "why would I? I'm living alone."

She wanted to play dead!

the receptionist smiled. "then, miss, did you have a good time last night?"

it wasn't that PEI Qiqi didn't want to pay, but she lost her wallet and phone. She was so drunk last night that she didn't even know where she had dropped it!

she stared at the front desk for a long time, but the front desk lady was still smiling, especially professionally.

in the end, PEI Qiqi had no choice but to call old kan.

old kan drove his super cool off-road vehicle over. he had a big beard on his face. he jumped out of the car and walked into the hotel lobby.

as he paid, old kan teased PEI Qiqi, "Four times a night?"

PEI Qiqi wished she could dig a hole and hide in it. she stomped her feet, "i'm drunk."

"it's not an excuse to do it after drinking." Old kan, on the other hand, was quite happy. He grinned, revealing his white teeth that could be used as an advertisement for collared.

He patted PEI Qiqi's shoulder, "good job! good job!"

when he was paying, PEI Qiqi ran outside to his car.

The front desk lady collected the money quickly and asked old kan casually, "Your girlfriend?"

his girlfriend was f * cking around, but his boyfriend still paid for it. he was really the best boyfriend in China!

"i'm her father," old kan chuckled.

as he spoke, he walked outside, opened the door, and got into the car. his little disciple was sitting in the front passenger seat, munching on bread.

He had just bought it.

Old kan held a cigarette in his mouth, lowered his head, and lit it. He took a long drag. tell me, who slept with you? I'll kill him if I find him!

pei qiqi almost choked on her bread. she looked at old kan with tears in her eyes.

old kan looked at her for a while, then kindly handed her an open bottle of clean water. after she finished drinking, he looked at her again."Why don't you speak?"

PEI Qiqi continued to eat her bread. This time, she only dared to sneak a glance at old kan and said honestly, " "I don't know,"

old kan started the car and shook his head. " "You don't even know her, and you slept with someone else?"

PEI Qiqi was stunned for a moment. She was drunk, but she felt like she kept calling that brother! she must be a pervert!

She didn't say anything, so old kan chuckled. "It's a big loss if I get drunk. I won't even get to taste it."

PEI Qiqi ignored him and old kan continued to ask, " "Is caifeng going?"

"of course i'm going." pei qiqi replied quickly because old kan's photos were only taken during his wind-gathering. that was his true level.

Old kan grinned as if his scheme had succeeded."PEI Qiqi, aren't your legs sore? Your waist doesn't hurt?"

pei qiqi looked ahead and ignored him. after a while, she turned back and looked at him suspiciously, " "master, you seem to be very happy!"

Old kan was all smiles. of course. Sleeping with a little fresh meat, you're more like my Disciple Now.

"what if it's old cured meat?" pei qiqi was worried,"don't tell anyone about this."

old kan laughed. look at how nervous this girl is. didn't she just sleep with a man?

She should be happy. A man who uses four t-shirts a night shouldn't be too old!

.....

monday, in the studio.

early in the morning, pei qiqi went to arrange the stage supervisor's work. after she was done, old kan and the related staff came over.

at nine o 'clock, the big star pei huan walked over with dark eye bags and circles.

she sat in front of the makeup mirror and allowed the stylist to style her while she watched pei qiqi busy herself.

in the mirror, he could see the hickey on pei qiqi's neck from far away!

hickey?

Chapter 754 tang yu is discovered (1)

PEI Huan laughed. PEI Qiqi really lost her virginity that night?

She didn't make a sound. When PEI Qiqi went up to find an angle for the shoot, she said in a low voice, " "Who did you sleep with that night?"

He had used her phone to register that day, and the hotel had sent her the bill. There were four T's!

pei huan felt very happy. pei qiqi was finally not innocent anymore. she had also spent the night with a wild man.

PEI Qiqi was very calm, " I don't know.

it wasn't that she was open-minded, but that this kind of thing had already happened. it wasn't entirely true to say that the other party had raped her. she had a vague memory that she had been holding that man and gnawing on his booboo.

She still remembered that in that sharp pleasure, her nails had left a few bloody marks on the man's chest and back, but she had also been punished very badly later.

He had already calmed down, but later, he pressed her down and ruthlessly whipped her again and again!

PEI Qiqi was in a daze. She actually had a good time that night.| He felt it.

That feeling was so familiar that it made her want to cry just thinking about it.

PEI Huan smiled and did not say anything else.

"Don't worry, I'll keep it a secret," she said softly.

pei qiqi didn't say anything. she adjusted her angle and retreated to old kan's side.

Old kan held the camera and looked at her. do you want to try it? " he asked.

PEI Qiqi was a little hesitant. She stuffed old kan into her hands, " "come, try it."

She then adjusted the focus and took a few photos with her eyes half-closed. She thought that PEI Huan would object, but she didn't expect that PEI Huan wouldn't and was very cooperative.

PEI Qiqi took a few photos and showed them to old kan.

Old kan held the cigarette between his fingers and tapped it a few times, " pay more attention to the angle here and the light over there. PEI Qiqi, How many times do I have to tell you? there's no light, so what are you shooting for?!

PEI Qiqi was already used to his rough work style. However, PEI Huan pitied her and felt that PEI Qiqi was living a miserable life.

during the re-shoot, pei huan tried her best to pose in front of the camera. old kan directly came over and scolded, " i asked you to show off your fashion, not to stroke your head! "

pei huan was so angry that she wanted to curse!

He really was an old pervert! he didn't know how pei qiqi could stand being with such a savage all day.

Look at that beard, it can be used as a bird's nest, Yingluo.

"I don't know how to do it!" PEI Huan also lost her temper. She was the financial backer, okay?

old kan didn't give face to his financial backer. he tilted his head and looked at pei huan. "you don't know, right? Then you should know the difference between a celebrity and a prostitute, right? the pose you put on just now was just an annoying one!"

pei huan was scolded to tears! Run away!

Xiaomei came over and threatened to call their managing editor.

"What do we do?" PEI Qiqi held the camera and looked at old kan.

Old kan looked at his little disciple."don't you know her? Didn't we drink together that night?"

"i'm not going." PEI Qiqi looked down on him.

Old kan smoothed out the crumpled cigarette in his hand, slowly lit it, and slowly said, "next time, i'll give you 30% of the private work."

pei qiqi immediately ran over and coaxed pei huan without any integrity!

the current pei huan was different from the past pei huan. she was probably a little lonely, so she fell for pei qiqi's tricks. if she knew that pei qiqi was just trying to coax her, she would probably vomit blood.

in short, pei qiqi was in charge of the back because pei huan didn't let them talk.

Old kan thought to himself, no one wants to f * ck you, Yingluo.

Chapter 755 Tang Yu is discovered (2)

after two days of filming, they were finally done. pei huan was quite satisfied with it, and all that was left was the post-production editing.

PEI Huan returned to B city first. Before she left, she met PEI Qiqi again at the bottom of PEI Qiqi's apartment.

PEI Huan raised her head and looked at the old apartment building. She pursed her lips and coughed, "PEI Qiqi, you live here?"

pei qiqi nodded, "yes."

pei huan leaned against the expensive white sports car and smoked another cigarette. "aren't you going to invite me up to sit?"

pei qiqi lowered her eyes and smiled,"i'm afraid you won't be used to it."

PEI Huan held the cigarette between her fingers and lit it up, "PEI Qiqi, don't make it seem like you're the only one who's been through this. I've been worse off than you when I was at my lowest.

She didn't know why she was able to get along with PEI Qiqi so peacefully. She even came to see PEI Qiqi before she left.

she took a deep breath in frustration and looked at pei qiqi, "i'm leaving. don't you have anything to say to me?"

“drive slowly.” pei qiqi said lightly.

Although PEI Huan knew that PEI Qiqi was just trying to get her to say those words, she still felt good listening to it.

She put out the cigarette and walked to the back of the car. She opened the trunk and took out two big boxes of glue and placed them in front of PEI Qiqi.

PEI Huan deliberately put on a look of disgust, ” PEI Qiqi, look at how skinny you are now. You are as pale as a ghost. You should nourish yourself. Otherwise, if you have a one-sided affair, no man would want to take responsibility.

It was fine if she didn’t mention it, but once she did, PEI Qiqi’s face darkened.

PEI Huan seemed to be very willing to talk about this matter.

To PEI Qiqi, it wasn’t that she didn’t care. If it was in the past, she would care and wouldn’t be able to accept it.

but now, she was no longer anyone’s. after such an incident, she was more willing to forget.

He had forgotten how familiar the breath of that night was. He had forgotten how hot the temperature of that night was.

She also forgot that the four little things filled with y-y chromosomes were so familiar to her that it made her heart beat faster. That was why Pei Qiqi deliberately ignored them.

Because the DNA report showed that she and Tang Yu had the same father but different mothers.

Under such circumstances, could he still come to city H to sleep with her?

she really could not believe that he would sleep with his own sister.

PEI Qiqi was a little stunned. PEI Huan had already leaned forward and said with a mischievous smile, ” PEI Qiqi, other than Tang Yu, how does the other men taste? ”

pei qiqi looked at her coldly and turned to walk back to her building.

pei huan stomped her foot. ” and you have such a bad temper. ”

Even though he said that, he still picked up the tonics and stuffed them into PEI Qiqi’s hands. He quickly said, ” “Don’t forget to make a trip back.”

PEI Huan had been busy recently and couldn’t always come to city H to take care of PEI Qiqi.

pffft, what was she taking care of pei qiqi for? this girl had been so cold and bad since she was young. she had so many bad ideas in her bones!

however, looking at pei qiqi’s back, pei huan’s eyes felt hot.

He went back to the car, took a tissue to wipe his eyes, and drove away.

PEI Qiqi stood in front of the window of her room and watched the White sports car drive away.

she could more or less understand pei huan’s feelings because she was the same as pei huan. she had nothing.

PEI Huan seemed to have everything, but she had no family and no friends.

How could he have friends in the vanity Fair of the entertainment industry?

pei huan wanted to get some warmth from her, or rather, they wanted to warm each other up.

However, PEI Huan, the current PEI Qiqi can't even give herself warmth, so what can she use to warm you?

Chapter 756 tang yu is discovered (3)

PEI Qiqi stood there and felt a little tired.

the wounds that she thought had healed were all torn open with pei huan's arrival, and blood flowed out invisibly.

however, life still had to go on.

Following old kan's appearance, collecting wind, making films, and editing, the days passed.

Occasionally, when she passed by that 'meeting' place, she would go in for a drink. When she passed by that four-star hotel, she would stand at the door for a long time.

some men thought she was a street girl. on one hand, they were amazed by her beauty, but on the other hand, they were eager to go up and ask for the price.

pei qiqi's gaze slowly landed on the face of the middle-aged man beside her. his face was red from excitement.

how much was it?

PEI Qiqi's lips moved slightly, "one hundred million.

The man's face looked as if he had just eaten poop, and he threw out a harsh sentence, "crazy, crazy!"

pei qiqi still stood there and looked at the glorious scene in front of the hotel. she felt her heart ache.

Was it him that night?

She could have checked the surveillance cameras, but she didn't.

pei qiqi walked in the bustling night. she followed the shadows of the trees and slowly walked into the mist.

She said to herself, "just let it be. Whether it was him or not that day, I'll forget about it.

He didn't appear, which also proved that perhaps Yingluo didn't want to appear in front of him.

it was just a drunken mess.

she slowly walked away, yingluo.

tang yan was standing where she was standing. his slender body was standing straight under the streetlight. his hands were in his pockets as he looked in pei qiqi's direction. his gaze was deep.

then, he smiled. his qiqi was so smart. she should have guessed that the man that night was him.

She was probably unwilling to admit it!

When he thought of this, he felt a little bitter.

in the end, she was not prepared to see him again.

Qiqi, now that you think I'm your brother and we've spent a night together like this, do you hate me even more and look down on me even more?

tang yu even felt inferior. all these years, he rarely felt this way. but towards pei qiqi, he couldn't control it.

it had been more than a year, and he could only look at her from afar, not daring to get close.

It was only that night when he really touched her soft skin. Although he was confused, he still felt that she had lost weight.

A woman who had given birth to a child should be plump, but his Qiqi was not.

other than the scar on her lower abdomen, she was even thinner than before. she did not look like she had given birth at all.

only god knew how much he wanted to bring her back to B city when he hugged her that night. he even wanted to bring her to United States to see their little tang candy.

qiqi, our child is more than a year old. he can walk now. although he can't walk very steadily, he can still walk.

She knows how to call mommy and daddy now, Yingluo.

tang yu's eyes were cold under the streetlight. it was like a weak candle in the dark night, burning faintly.

After a long time, he walked forward. He followed the path PEI Qiqi had taken and slowly walked forward.

He walked to the bottom of her building and stood there, watching her light turn on.

the lights were turned off again.

she was sleeping.

tomorrow, she would wake up in this damp city and rush to work.

Tang Zheng looked up, then leaned against the wall with a cigarette in one hand and his phone in the other, looking at her and little Xinxin's photo.

xiao xinxin's hair was already quite long, but not much. it was tied up into two little goat's horns, and her little face was round.

Chapter 757 Tang Yu is discovered (4)

in fact, he would prefer their daughter to be called tang xue 'er instead of tang tang. tang tang was a little stupid, just like qiqi.

tang yu's eyes became gentle. at this moment, a huge black shadow flashed in front of him—

auntie xu, who was upstairs, came down to take out the trash. she glanced at tang yu.

yo, wasn't this the tall, rich, and handsome guy who drove the sports car?

Aunt Xu looked down, but the sports car was not there.

When she passed by, she looked Tang Yu up and down again. His body looked quite strong. He was so much stronger than her dead son when he was young.

aunt xu looked at it for a long time before she asked in a soft voice, "You're looking for miss PEI on the fourth floor, right?" her voice carried the charm of a city H woman, but it didn't match her strong figure.

Tang Yu threw the cigarette butt on the ground and stomped it out with his exquisite leather shoes. He said calmly, "no."

Aunt Xu's voice became even more charming. I live on the fourth floor too.

find me, find me, find me!

Tang Yu looked at her deeply and turned to leave. He hid in the shade of a tree.

Auntie Xu was deeply insulted. She stomped her feet at Tang Yu's back, "I was also a flower here when I was young. In the past, there were so many people chasing me that they lined up from one end to the other. It's good to be older.

aunt xu went up to the fourth floor and saw pei qiqi coming out. aunt xu forced a smile, "miss pei, it's so late and you're still going on a date?"

"Oh, I'm just going to print some documents." pei qiqi smiled and prepared to head out. she had no choice as it was an emergency mission.

aunt xu's smile became even more forced. she said in a neutral tone, "a date isn't something to be ashamed of. i saw it just now. a good-looking man must have a lot of money, right? don't worry, miss pei, no one's going to snatch it from you. if they were, i would've done the same."

pei qiqi didn't know whether to laugh or cry. with an "oh", she quickly went downstairs.

she shook her head as she walked downstairs. then, she found a small pile of cigarette butts by the stairs.

Remembering aunt Xu's words, PEI Qiqi knelt down and picked up a cigarette.

that was the brand that tang zheng was used to smoking!

her heart started to beat faster.

He pursed his lips and looked around. There was no one else.

However, there was the smell of smoke around him, which proved that he had not gone far.

pei qiqi stood up straight and looked into the dark night. there was a trace of hurt in her eyes.

he was here, or perhaps he had always been here, somewhere she couldn't see.

PEI Qiqi pursed her lips and stood there for a long time. Then, the phone in her pocket rang.

it rang, stopped, and stubbornly rang again before she picked up the phone.

On the other end of the line was an old and cheery voice, "PEI Qiqi, are you done? Still not sending it over?"

"I'll be done in a while. I'm looking for a printing shop." PEI Qiqi's voice sounded dazed.

old kan said something else and hung up.

PEI Qiqi held onto her phone and stayed in a daze for a while before walking to a 24-hour printing shop by the road. Very quickly, she finished old kan's business.

After that, she couldn't fall asleep anymore. She lay on the bed in a daze.

She didn't dare to close her eyes. The moment she did, the fire from that night she was drunk would come back to her. hot memories.

no matter if he remembered or not, four times was a certainty.

she didn't dare to recall the details and only felt ashamed ...

She closed her eyes and tried her best to tell herself that it was all in the past.

she wouldn't get drunk in the future and wouldn't roll around with tang zheng anymore. from the bottom of her heart, she would rather the man that night wasn't him.

A few days passed and he didn't appear. PEI Qiqi's heart slowly calmed down.

Chapter 758 meeting again (1)

Out of everyone's expectations, the cover of this issue of PEI Huan's beauty magazine was sold out and was in the midst of an emergency print run. As PEI Huan was shot so naturally and fresh, she suddenly became the hot goddess of otakus.

PEI Qiqi sat in her seat and read a magazine.

the pei huan on the cover had a girlish feeling and presented what she should have looked like at her age.

PEI Qiqi looked at him and then remembered that PEI Huan was only 22. She was 22 too.

But why did she feel that her state of mind was so old?

Hence, when she was taking photos of PEI Huan, she did it with a touch of nostalgia.

She missed her and PEI Huan's teenage years. She missed those unhappy teenage years ...

Now that he thought about it, the pain of being abused by Zhou Meilin back then was nothing compared to what he was feeling now.

PEI Huan probably thought the same, which was why she was so friendly to her.

pei qiqi was entranced. old kan patted her on the shoulder, " girl, you did well. "

with no one around, old kan lit a cigarette in his office and held it in his mouth. he sat at the side with his legs crossed. " from now on, you'll be in charge of private work. "

"then what will master do?" pei qiqi put down the magazine in her hand and asked.

"Of course it's to make the props." Old kan laughed very shamelessly.

PEI Qiqi thought about the little prop that couldn't block anything and her heart turned cold.

after joking around, old kan got down to business, " this season's magazine is selling well. the managing editor said that we're having dinner tonight. the place is quite high-end and the miser finally got his feathers. comrade pei qiqi, it's all thanks to you. "

"do it well!" he smacked his hand heavily.

PEI Qiqi looked at him and smiled. After a while, she suddenly said, " "thank you, master."

"Oh, so serious. I'm not used to it." Old kan thought about it and remembered something else. you've had a lot of caifeng's works these days, right? there's a photography exhibition in B city in a few days. It's quite a big one, so I recommended you.

pei qiqi looked at old kan and her eyes lost focus. B city was stunned.

"Why? someone in B city will eat you?" Old kan smiled as he lowered his head to take a cigarette and said unhurriedly.

it wasn't that he was a god. it was just that he could tell from the girl's eyes that there was a story behind it. her accent was also from B city, so he guessed correctly.

pei qiqi didn't speak.

"Admit defeat?" old kan lowered his head, almost sticking to his little disciple. he seemed to be flirting. " if you don't want to admit defeat, then go back. if you meet an old acquaintance, tell him that you slept with someone else in city H. you used four tanks in one night. you're amazing! "

As old kan said this, he stretched out four rough fingers and gestured at his four curly bearded faces, which were all smiling and revealing a mouthful of "clomarte."

pei qiqi pulled his hand away, " don't say anything more. "

old kan was about to say something when a few colleagues walked in from outside. they were stunned when they saw them.

Wow, did old kan take a fancy to the new intern?

They didn't seem like his type. Old kan liked the type that was tender and cheap. They had large breasts and thin waists, and each of them was like a snake spirit.

the colleague chuckled and wanted to back away.

Old kan blew at his beard and glared at them. you little things, why are you going out? I'm taking care of my disciple. What are you thinking? "

Although he said it so fiercely, old kan's face turned red.

pei qiqi hummed and said innocently, " "i was just asking about old kan's kissing techniques."

oh! The others revealed an expression of understanding.

Chapter 759 meeting again (2)

Old kan's face darkened. This little girl actually dared to criticize him!

However, old kan didn't say anything. He even leaned over and kissed PEI Qiqi's forehead, " you learned well.

This time, it was PEI Qiqi's turn to be dumbfounded. Was there still trust between them?

Old kan was in a good mood. He turned around and gestured again. don't forget to have dinner tonight.

After he left, the few of them ran around PEI Qiqi and started chattering, " Qiqi, are you really with old kan? "

PEI Qiqi's eyes landed on the computer screen and she began to focus on editing the pictures.

when he heard the question, he turned around and said, " old kan is like the slippers in the public bathroom. are you sure i will wear them when i go to the bathroom? "

The few of them touched their noses and silently sympathized with old kan, who had been compared to a slipper for three seconds.

pei qiqi continued to edit the photos happily. after a while, her phone on the table rang and she saw that it was pei huan.

he thought for a moment and picked it up. pei huan's voice was soft, " " qiqi, have you seen the magazine? "

PEI Qiqi acknowledged him. She felt a little touched. It seemed like PEI Huan had never been so polite to her.

after getting pei qiqi's affirmation, pei huan's voice became even softer like a little lamb, " "i'll be flying to city C in two days, so i'll be able to reach city H. let's have a meal."

PEI Qiqi was silent.

pei huan waited for a long time but it didn't happen. if it was anyone else, she would have lost her temper. but this was pei qiqi, so she still said gently, " we can do it in your little house. I remember that your cooking is quite good. I'm not picky, Qiqi.

PEI Qiqi didn't know whether to laugh or cry.

When did PEI Huan become so intimate with her?

She tried her best to keep a cold face and voice. if it's because of the photoshoot, you don't have to do this. This is my job. If it's personal, there's no need to do this.

PEI Huan was stunned.

She didn't think that PEI Qiqi would reject her so mercilessly.

In fact, she thought about it later on. The reason why she saw PEI Qiqi like this was because PEI Qiqi asked Tang Yu to save her and didn't leave her alive. She was the most helpless person in the world. Also, she felt guilty.

It should be natural for the PEI family to return to her name, but she did not know why she felt a little guilty.

It was as if the child PEI Qiqi had raised for a long time was stolen by her. With her current state, she more or less wanted to make it up to her. Also, she was feeling lonely.

other than her manager, xiaomei, no one treated her sincerely. all of them had honeyed words but backstabbed her.

pei huan had stayed for a long time and was a little tired.

She didn't lack money or resources now, but she lacked love.

Those men only wanted her body and could not give her love.

when she saw pei qiqi, who she hadn't seen in a long time, she was like a patient who had been sick for a long time and was holding onto the last life-saving herb. she held onto it desperately but pei qiqi didn't want her.

PEI Huan was quite disappointed and did not speak for a long time.

PEI Qiqi heard the breathing on the other end of the phone and said softly, "I'm hanging up if there's nothing else."

pei huan's voice was urgent. "pei qiqi, you still look down on me. you hate me, don't you?"

after she finished speaking, she waited quietly.

PEI Qiqi sighed in her heart for PEI Huan's naivety.

in the past, pei huan was not like this. it was probably because she really did not have any relatives by her side, so she treated her like a matriarch!

However, PEI Huan was actually one or two months older than her, Yingluo.

after some thought, she said very cautiously, "you're doing pretty well now."

Chapter 760 Meeting again (3)

pei huan's heart felt like it had eaten honey and she continued to pester him, "qi qi, is it true?"

pei qiqi was speechless,"pei huan, you are so childish." Then, he hung up the phone.

however, pei huan didn't mind. she didn't mind yingluo at all.

PEI Qiqi must love her, otherwise, she wouldn't praise her like that.

He hung up the phone slowly and looked at Xiaomei. "Am I not cute?"

xiaomei was also speechless.

however, he felt that pei huan was a little pitiful. she looked like a puppy wagging her tail at the sight of a bone, clearly lacking love.

xiaomei had been with pei huan for a long time. actually, pei huan was not a bad girl, other than being a little willful. she was much better than some of the sluts in the entertainment industry.

Xiaomei also knew about their conflict. She sighed and told the truth, "since miss pei can hide in city H, she probably doesn't want to think about the past. if you go up to her like this, you'll probably not be very welcomed."

PEI Huan looked at Xiaomei, her heart turning cold.

pei qiqi hung up the phone.

She and PEI Huan could no longer be sisters. They were not in the past, and they were not even sisters now.

looking at the computer, she couldn't finish a picture for a long time. fortunately, the managing editor came out at this time and told her about the dinner that night. only then did she force herself to be alert.

the managing editor had spent a lot of money today and had chosen a rather high-end restaurant in city H. other than the 30-odd people from their magazine agency, there were not many customers.

The theme of the night was a candlelight dinner, so they had a lot of fun.

Old kan had already drunk too much. He fell into the managing editor's arms and the managing editor pushed him aside in disgust.

the later it was, the better the atmosphere. plus, old kan was asleep, so pei qiqi had no one to protect her.

Everyone was making fun of her and gave PEI Qiqi two choices. One was to kiss old kan. The second was to put out the candle and let PEI Qiqi grab someone to kiss Jian Jia.

"How abnormal." pei qiqi covered her hot face and felt a little tipsy.

"Even a pervert needs to kiss." Rhythmical jeers rang out from all around.

pei qiqi was in a difficult position. she looked at old kan sleeping like a dead pig and kicked him.

there was still no response. pei qiqi gave up.

"i choose to just randomly grab someone." She didn't want to be pricked, so she put her hands together again.

When the time comes, I'll find a girl to kiss!

The candles were extinguished one by one, and the young man began to lead the rhythm, " kiss, kiss Kiss Kiss Kiss Kiss Kiss Kiss Kiss.

PEI Qiqi didn't have a choice. It was dark all around her and she couldn't see anything.

she walked slowly and fumbled forward, but she didn't catch anyone.

the girls giggled and avoided her. pei qiqi turned a few corners and her fingers touched a warm body.

A man?

She paused for a moment, took a step back, and wittily decided to say that she had kissed him.

But before she could say anything, her little mouth was kissed.

the other party's lips| It was so hot that it stuck to her, and while she was stunned, it opened her little mouth and drove straight in!

he teased her nimbly and knew how to make her happy!

The man's face was even pressed against her, one hand holding the back of her head and the other holding her waist.

Her entire body was pressed against his. That temperature, that breath, they were all entranced.
being kissed and crying ...

it was tang yu!

She closed her eyes, raised her hand, and slapped him across the face.

initially, many people screamed excitedly when they vaguely saw the kiss.

however, the chickens and ducks made no sound.
