

## Thank you 771

### Chapter 771 Jealous (2)

their managing editor was really good at finding loopholes. that night, he saw him once and dared to come to his house for an interview. the reason why tang yu didn't reject him was because of pei qiqi.

the elevator arrived. xiao ran looked at tang zhu and nodded, " "alright, i got it."

an expensive black sports car stopped at the exit. tang yu sat in the driver's seat and xiao ran sat beside him. after putting on his seat belt, xiao ran began to report on the afternoon's mission.

Although the long journey was tiring, the big BOSS did not have time to rest.

Tang Yu drove as he listened. When he reached the red light, he slowly stopped the car.

on the sidewalk, pei qiqi and old kan were together.

old kan was carrying a suitcase in each hand while pei qiqi carried a small bag and followed behind like a little follower.

Although they were one after the other, they were inexplicably intimate.

Xiao ran saw it too. Just as he was about to say something, Tang Yu ran the red light and followed him.

xiao ran was shocked. he wanted to say something, but in the end, he did not say anything.

tang yu followed them to the back of the taxi and followed them to an apartment building.

tang yu's face turned green as he watched them get into an elevator.

before, he was sure that pei qiqi and old kan didn't have that kind of relationship. but now, he wasn't so sure about qianqian.

Were they living together?

Xiao ran looked at Tang Zheng's pale fingers on the steering wheel. He hesitated for a moment before saying, " "president, should i go and ask?"

Tang Yu looked up at the 20-story high-end apartment and said, " "I'll go back and check."

he stepped on the accelerator and the car sped away.

on the top floor of the twenty-third floor, old kan stood in front of the floor-to-ceiling window with a bottle of coke in his hand. he grinned as he watched the black sports car drive away.

at this moment, pei qiqi came over from the opposite apartment. her main purpose was to give old kan some food.

he had lived in such a good house for nothing, so he should at least show some filial respect.

Old kan's residence cost 160 Yuan, and the decoration was very stylish. The monthly rent was more than 30000 Yuan.

the moment pei qiqi entered, she grumbled, " "master, this is too extravagant. "

She put down her things and jumped twice on the sofa.

old kan turned around with a smile, his gaze deep. "You've probably lived in a house ten times better than this, silly girl."

The smile on PEI Qiqi's face disappeared. She looked at old kan and her eyes were guarded.

old kan threw a coke over and sat down on the sofa. he smiled and said, " why, don't you want to talk about that pretty boy? "

"there's nothing to talk about." PEI Qiqi opened the can of Coke and took a sip before standing up, " "I'll go back and sleep for a while." The apartment was managed like a hotel, so it was not tidied up.

Old kan threw him a mocking look. "coward!"

"i'm not!" PEI Qiqi stuck out her tongue, "let's have dinner together tonight." &Nbsp;

"i've taken a fancy to this," she jabbed at his kitchen.

Old kan threw a room card to her like a man. "if you want to use it, come over."

PEI Qiqi took it and grunted. Then, she seemed to have thought of something, " Mister, will you bring him over for a photo? "

"you're a bad child." Old kan laughed and scolded PEI Qiqi. Only then did PEI Qiqi leave with a smile.

however, when the door was closed, her smile disappeared.

Her mind was filled with the scene of Tang Yu and Shen Lian standing together at the airport  
They were finally together!

PEI Qiqi lowered her eyes and laughed at herself-

what are you thinking, pei qiqi?

you're his sister. how could you have a future with him?

he had said before that shengyuan corporation needed a positive image and that he could not continue his marriage with her.

Chapter 772 i want to be with her (part one)

Her child was gone and he got engaged to Shen Lian so quickly. Was this the love he had been talking about?

she forced herself to stop thinking about hanhan.

although it was difficult, she had already set foot on this land and didn't want to retreat anymore.

On the other side, Tang mo was standing quietly in front of the floor-to-ceiling window.

His posture was calm and his appearance was impeccable, noble and threatening.

However, only he himself knew that his heart was not so calm.

xiao ran pushed the door open and slowly walked in. " the president has found out. "

tang zheng turned around slightly, his side profile handsome.

xiao ran looked at him and said, "kan ming rented two apartments, one big and one small. i think they are living separately."

even though tang yu didn't believe that his qiqi would be with someone else, hearing this made him feel relieved.

xiao ran paused for a moment. "president, the meeting at marvel is at two o'clock in the afternoon. should we leave?"

Tang Yu walked to his office chair and picked up his jacket. He walked out first and Xiao ran followed him out for a walk.

when they arrived at the marvel building, they went straight to the conference room.

in the meeting room, wang ziqi, xuxu, and lin jinrong were already seated.

Tang mo nodded and sat at the head. (although lin jinrong had already taken over as the ceo of lin group and wang ziqi was the vice president, tang yu had full control of marvel. it didn't have much to do with lin group.)

there was a long silence in the meeting room until tang yu said, "manager li!"

Manager li nodded and got someone to push out the new season's products for a spin.

In the past two years, Marvel's range of electronic products had expanded, and they had always been leading in the industry.

However, Marvel had always insisted on being themselves and would never use big-name celebrities to endorse their products. Ever since the PEI family and Marvel had worked together, the PEI family had always been the agent for the promotion of Marvel.

The PEI family's former employee, dink, had a high net worth, but no matter how high the salary was, they could not poach him.

in the past year, the pei family had become more and more mysterious.

the outside world could not see the exact situation of the pei family. it was like a hard wall blocking them, unable to see.

the latest product was brought in tightly wrapped, and manager li personally opened the package to reveal the true appearance inside.

This was also the first time that this generation of electronic products was revealed.

"This is our Marvel's latest generation robot, robot No. 7." Manager Li said proudly.

number seven?

Was this PEI Qiqi's idea?

Everyone silently thought that this information was much more attractive than the robot!

manager li was an IT man. he was very honest and his voice was loud and clear. "this model of robot will overturn everyone's previous impression of robots."

At this time, the other people turned their eyes to the robot.

in fact, her appearance was quite ordinary, just the appearance of a normal little maid, but it was quite realistic.

“robot number 7 has the same amount of bones as us humans, and even man-made equipment. | officer, under the special agent’s mood, she will give different reactions.” manager li stepped forward and pressed a button. ” for example, if i kiss her now, what would she do if i don’t have feelings for her? ”

Manager li was an old man, and for the sake of his career, he really had no moral integrity. He just kissed her like that.

At this moment, robot number seven smacked manager Li’s face. pervert.

Chapter 773 i want to be with her (part two)

because the robot’s surface was made of fake leather, and its structure was not like cold metal in the past, it didn’t hurt much. it was just that his old face had been slapped, and manager li was a little dumbfounded.

there was no such thing in the program!

How could this robot hit its master?

he looked at his favorite general and then at tang yu, ” president, there must be a mistake. ”

“no, i didn’t!” tang yu’s voice was calm. ” i was the one who asked for this program to be added. robot number seven is a fully simulated robot. i wanted the most direct reaction. ”

Manager li didn’t agree with him, but because of Tang Yu’s y-power, he didn’t dare to say anything. He just touched his nose and sat down.

Tang Yu walked in front of robot number seven and touched his face with his long fingers. Robot number Seven’s voice was weak, ” “let me go.”

Lin jinrong, who was sitting at the side, said indifferently, ” “i object to this robot being sold in the market.”

Tang Yu’s fingers paused and he patted number seven lightly.

Number seven immediately rubbed his face against Tang Yu’s finger. Tang Yu then retracted his finger and turned to look at Lin jinrong, ” “why?”

lin jinrong was expressionless. ” this robot has the tendency to tempt people to commit crimes. ” because it made people think of some kind of baby kasaya.

Tang Yu said indifferently, ” so, we made robot number seven very ugly and cute.

It was a mayfly that would never make people think of X.

Lin jinrong slowly walked over and touched number seven with his finger. Number seven immediately turned his head away arrogantly and ignored him.

Lin jinrong looked at her for a long time before asking softly, " is it because she has a rejection setting for everyone other than you? "

tang yu tilted his head and smiled, " no! It's only because she's more familiar with me. We've met a few times during the development, haven't we?"

number seven nodded.

lin jinrong's eyes were clear and he did not say anything else.

But after the meeting ended, Lin jinrong stayed.

the lin jinrong now was no longer the lin jinrong of the past. in more than a year, he had changed a lot and was much more mature and steady.

he was wearing a three-piece suit, which showed off his slender and young body.

His previously artistically styled hair was neatly trimmed. He looked like an elite, just like Tang Yu from a few years ago.

xiao ran closed the door, leaving lin jinrong and tang yu standing in front of the floor-to-ceiling window.

Lin jinrong handed a cigarette to Tang Yu and lit one up for himself. After taking a long drag, he said, " "brother tang zheng, she's back."

tang yu's fingers trembled. he turned his head and looked at lin jinrong quietly.

From his actions, Lin jinrong got what he wanted to know.

He took a deep puff of his cigarette and smiled coldly. you know? "

tang yu didn't say anything. he just looked at lin jinrong in a daze.

he understood jinrong. jinrong must have something to say, and it was very important to him.

"Brother Tang Zheng." "i still love her!" lin jinrong's voice was helpless.

even though he expected it, tang yu's body still trembled.

he walked in front of robot number seven and gently turned off the robot's switch with his finger.

"and then?" he asked softly.

Lin jinrong turned around and looked in Tang Yu's direction. After a long time, he said softly, " "if you don't object, i want to be with her."

Tang Yu's expression froze. His gaze landed on Lin jinrong's face and he could shake out a few ice beads at any time.

Lin jinrong was fearless as he continued, " "I don't think brother Tang Zheng is in any position to object, right?"

Chapter 774 i want to be with her (part three)

Tang Yu's voice was soft, " jinrong, what if I object? "

“Even if you object, I will still insist on being with her.” Lin jinrong’s face was filled with determination. unless you cancel your engagement with Shen Lian now!

Tang Yu’s pupils contracted and he glared at him.

Lin jinrong chuckled. you can’t do it? Brother Tang Zheng, since you don’t want her, why are you still pestering her?”

tang yu’s eyes narrowed, ” jinrong, you followed me? ”

lin jinrong lifted his smooth chin slightly, his eyes cold.

He and Tang Yu were related by blood. Sometimes, from certain angles, they really did look similar.

“are you afraid that i’ll find out that you kissed her in city H? or did he have sex with her when she was drunk?” as lin jinrong spoke, he threw a punch.

It was a full force.

tang yu took a few steps back from this sudden punch. his body also hit the conference table behind him!

Lin jinrong didn’t let it go. Instead, he went forward and swung his fist.

this time, tang yu caught his fist and said in a low voice, ” “jinrong!”

Lin jinrong’s eyes were cold. what? you don’t dare to fight back? ” Do you feel guilty?”

“If you don’t want her, why did you hurt her again?” Lin jinrong’s handsome face was almost twisted.

Tang mo waved his fist away and a sneer appeared at the corner of his mouth. jinrong! don’t get between me and her. ”

Because he had never abandoned Qiqi.

How could he not want Qiqi!

“Between you and her? shouldn’t it be between you and shen lian now?” Lin jinrong punched him again,”tell me, where’s Qiqi’s child?” she’s pregnant with your child and you’re engaged to shen lian right after the miscarriage! have i overestimated your love for her, or have you overestimated your love for her?”

Tang Yu’s mouth was bitter.

The reason he didn’t fight back was because Xuanji jinrong looked good but was useless. He looked good but couldn’t take a beating.

He didn’t want to heavily injure him or turn him into a vegetable again.

he sat down and lit the half-finished cigarette. after taking a long puff, he said indifferently, ” “as long as she’s willing to be with you, i don’t have anything to object to.”

lin jinrong was stunned.

he loved qiqi, and he did not forget her.

But today, he was still doing this for Qiqi.

if tang yu wanted to let go of everything, then he would help yingying. but now, tang yu said this.

lin jinrong was completely stunned.

Tang mo fiercely smoked half of the cigarette and got up.

when they reached the door, lin jinrong asked softly, ” “Are you sure?”

tang yu placed his hand on the door handle and closed his eyes, ” of course. ”

‘but jinrong, i won’t let you have such a chance!’

He opened the door and walked out. Lin jinrong was stunned for a moment before he kicked a chair hard.

the chair fell heavily to the ground, and his leg cramped up.

It was so painful!

however, he kicked yingying twice more and the pain increased.

Lin jinrong walked out of Marvel. Wang Ziqi’s car was still downstairs. He was leaning in front of the White sports car and smiled faintly.”do you need me to drive you?”

it could be seen that their depressed comic prince’s leg was in pain again, and he was walking a little unnaturally.

lin jinrong did not reject and got into wang ziqi’s white audi.

Wang Ziqi looked at the person beside him as he drove. He smiled faintly. is it because of boss PEI?  
”

he and pei qiqi had only had a short period of work contact and was used to calling her boss pei.

Chapter 775 Tang Yu, you’re childish (1)

Lin jinrong’s elbow was on the car window as he looked at the traffic outside. He suddenly said, ”  
“I want to get her back.”

wang ziqi stepped on the brakes and stopped the car. there was a red light in front of them.

he looked at the red light, which was flashing, and his eyes became hot.

no one knew that he also had feelings for pei qiqi. perhaps they had always been there, but he had deliberately faded.

At this moment, he was a little envious of jinrong. At least, he dared to say that he wanted Tang Yu’s woman.

before starting the car again, wang ziqi’s voice was faint. jinrong, I’ll give you a piece of advice.  
Give up, Wanwan.

if tang yu really wanted to marry shen lian, he would’ve done so long ago. why would he wait until now?

Even a blind man could see what that robot number seven was trying to say.

Lin jinrong laughed softly and bitterly, ” “If it’s possible, I also want to!”

however, as long as there was a sliver of hope, he would not give up.

Wang Ziqi didn’t say anything else.

In the CEO’s office of Marvel, Xiao ran choked the moment he opened the door.

the huge space was filled with the smell of smoke.

as for tang yu, he was standing by the floor-to-ceiling window smoking. when she walked over, she saw the scar on the corner of his mouth.

xiao ran sighed and said in a low voice, ” “President, do you want me to bring the first aid kit?”

Tang Yu turned around, ” it’s fine.

He paused for a moment before asking Xiao ran, ” does jinrong drive himself? ”

“I saw him get into Vice President Wang’s car,” Xiao ran nodded.

Tang mo was relieved and continued to stand there smoking. Then he suddenly said,”jinrong told me that he wants to be with qiqi.”

xiao ran was stunned.

Firstly, he did not expect Lin jinrong to be so direct.

secondly, she had never thought that the president would talk to her about such things.

tang yu’s expression was bitter, ” “i agree.”

only the heavens knew how unwilling he was!

however, he had no choice but to relent!

This way, Qi Qi would be safe and Shen Lian would be able to relax.

However, he did not know if she would understand what he was doing in the future.

Xiao ran was also a little sad.

Over the past year, she was the only one who saw Tang Yu’s pain.

she thought, no matter what happened, the ceo had never given up on pei qiqi. he must have his own difficulties!

She didn’t speak for a long time. Tang Yu looked up and laughed at himself.

in the next two days, tang mo flew to the United States for a week.

This week, PEI Qiqi contacted Xiao ran no less than three times because she wanted to interview Tang Yu.

This task was given to PEI Qiqi on her first day at work. The managing editor called her over and gave her this task.

PEI Qiqi rejected.

However, her rejection was invalid because she could not win against the managing editor. the chief editor used all kinds of threats and promises and pei qiqi lost.

“I only have one condition, and that is for old kan to be the one to take the photos.” PEI Qiqi pursed her lips.

no matter how stupid she was, she could understand the managing editor’s thoughts. she was a photographer and did not know anything about interviews and press releases. however, the managing editor had given her such a difficult task.

” that’s not a problem. you just have to convince old kan. ” after thinking for a while, the managing editor was still not at ease. ” “Our club prohibits office romance. You and old kan should restrain yourself.”

pei qiqi walked to the door and turned back, ” but old kan and i have already started. ”

At this moment, old kan happened to come in and hear her. He patted her head and said, ” little girl, I don’t like you when you look like a paper person.

The managing editor looked at old kan and immediately said, ” “Old kan, please cooperate with Qiqi’s interview.”

Chapter 776 tang yu, you’re childish (2)

Old kan took the documents from PEI Qiqi’s hands and scanned through them. Then, he smiled, ” your pretty boy? ”

pei qiqi snorted and left.

old kan closed the door, then walked to the chair opposite the managing editor’s desk and sat down. he muttered to himself for a moment before saying, ” you clearly know that the girl has a past with the pretty boy, so why make things difficult for her? ”

when the managing editor heard old kan’s question, he almost vomited blood. ” “You think I want to? you don’t know, those so-called celebrities are simply split-minded!”

Old kan took out a cigarette, looking very interested.

“you know, right? how did we get this office?” The managing editor laughed coldly. it’s not easy to find a place like B city, which is thousands of square meters in size. It’s such an elite place.

With that, the managing editor got up and walked to the window. He lifted the blinds and pointed to a building for old kan to see. “Look, this is the Sheng Yuan building, right? look, they arranged this place for us. what does that mean?”

The editor-in-chief lowered his voice again. old kan, you’re also a senior in our society! “You can’t be muddle-headed. I’ve checked, and Xiao Pei has been hiding it well. She’s the ex-wife of that pretty boy!”

“does your ex-wife know? They had registered their marriage! It’s been done.” after the managing editor finished speaking, his eyes were fixed on old kan, hoping that he would give some reaction.

“Really?” old kan also looked at him.

“How can this be fake?” the editor-in-chief looked at old kan carefully. ” “are you really tempted? this won’t do.”

old kan laughed. ” how is that possible! That girl is just like a child, I treat her as my precious little sister.”

Regardless of whether that pretty boy was the girl’s ex-husband or not, he would be the first to object if he wanted to bully his disciple.

The managing editor was pleased. you’ve done a great job for the club this time! i’ll give you a raise later.”

Old kan laughed dryly and did not say anything else.

After he left, PEI Qiqi leaned against the door. When she saw him coming out, she followed him and said, ” “master, can you bring someone with you? i don’t want to go.”

Old kan looked at her and smiled. if that’s the case, you’ll probably have to make a trip.

he brought her to the rooftop of the building, where the autumn sun shone warmly on her.

She leaned against the wall and watched as old kan smoked in another corner.

After a while, old kan went against the wind and asked her loudly, ” “PEI Qiqi, do you still like him?”

PEI Qiqi was stunned. Then, she said loudly, ” “I don’t like it anymore!”

old kan shook his head. ” you’re not honest. ”

“then change your question.” pei qiqi walked over and tugged on his sleeve. she looked at him with puppy eyes like a homeless dog.

old kan looked at the building complex two roads away. f \*\* k, they were really rich!

pei qiqi was willing to throw away such a perverted business empire and such an expensive man?

PEI Qiqi followed his gaze and looked over. She probably guessed what old kan was thinking so she stood with him and looked into the distance. She said softly, ” “master, can you just ask me if i still want to be with him?”

Old kan’s expression softened. He reached out and ruffled her hair, then smiled. then do you want to be with him? ”

pei qiqi shook her head, ” no! ”

she raised her head and looked at old kan who was reading 189. ” i really don’t want to. ” He didn’t dare to!

“then just treat him as a stranger! overcome your inner demons. the biggest knot in your heart comes from yourself!”

Chapter 777 tang yu, you’re childish (3)

Old kan smiled and said, “why don’t you find someone to date? do you think I’m okay with that?” it just so happens that i haven’t received any private work in a long time.”

pei qiqi’s sadness was completely ruined by old kan. she held onto the railing of the rooftop and looked at the huge building complex in the distance. the words ‘sheng yuan corporation’ were shining under the sun.

she suddenly felt less afraid. she turned around and smiled at old kan. ” shall i try? ”

“If you can’t! i’ll allow you to cry in my arms.” old kan grinned, revealing his white teeth.

pei qiqi was stunned and her heart was filled with pride.

However, this pride was hit hard by reality.

She went to meet Tang Yu but he wasn’t there. Xiao ran received her.

pei qiqi didn’t want to go up and directly said this in the hall.

the people who came and went looked at her in surprise and shock.

everyone in sheng yuan knew pei qiqi and knew that she had divorced tang yu.

at that time, she was probably a few months pregnant, and the child was gone just like that, yingluo.

now, pei qiqi was very different. she was dressed very normally and she was thinner than before, but she was still beautiful.

Although he was thin, he had a sunny feeling. In short, he was very different.

there was a big beard beside her. the long-legged oppa qian qian was very tall and had long legs. they were slender, straight, and also very thick. it was easy to think of a certain device on his body. Did the officials also have to urge TZ on?

old kan was smoking at the front desk, ignoring sheng yuan’s no-smoking rule.

Xiao ran only glanced at him. She knew old kan, Qiqi’s master. They had a good relationship.

she felt at ease looking at him. although this man had a rough appearance, his eyes looked very warm. he treated qiqi like an old hen protecting its little chick.

it was no wonder that the president was assured to put qiqi by such a man’s side.

Xiao ran smiled. the president will only be back in a week. I’ll let you know then, okay? ”

She looked at Qi Qi, her eyes unblinking.

At this moment, Xiao ran realized that he missed Qiqi very much.

However, she couldn’t be close friends with PEI Qiqi because she was Tang Yu’s Secretary Qianqian.

PEI Qiqi nodded,"okay!"

She looked at old kan and said,"let's go."

old kan followed behind her and stammered unhurriedly.

although he looked normal, ordinary and didn't have any awkwardness, his posture gave off the feeling that he was pei qiqi's boyfriend.

The employees of Sheng Yuan were all in an uproar.

big news!

Extra!

pei qiqi returned. the former president's wife returned!

With her beast-like boyfriend!

He definitely wasn't as rich as the president!

But, but looking at her body, she was definitely better than the president in some aspects!

For example, the size!

For example, the durability!

In the week that Tang Yu wasn't around, this rumor spread like crazy,

Everyone felt that the CEO was about to cry himself to sleep in the toilet!

A week later, Tang Yu returned to City B. As soon as he entered his office, Xiao ran reported, " " president, someone from jia ren magazine came by. i have an appointment with her this wednesday. is there a problem? "

Tang mo sat down with his tie, his slender fingers supporting his forehead as he said lightly, " ask her to come over and arrange for a full-day meeting that day. "

xiao ran was a little stunned. wasn't this making him wait for nothing?

tang yu raised his eyes, " is there a problem? "

" no. " xiao ran shook his head and suddenly asked, " president, did you see the gossip in the company? "

Tang Yan sneered,"is it about me not being as good as PEI Qiqi's new boyfriend in certain aspects?."

xiao ran did not say anything!

alright, pei qiqi was obviously being retaliated against!

But, the president was so childish!

Chapter 779! be with me

because of tang yu's orders, when pei qiqi appeared at sheng yuan again, xiao ran apologized, " "the president is in a meeting!"

pei qiqi held the interview draft in her hand, " then, shall we come again next time? "

xiao ran looked at her and then at old kan, who was beside her. he nodded and said, ” “that’s good.”

PEI Qiqi didn’t say anything more and walked out with old kan.

After a while, old kan couldn’t help but ask, ” don’t you think it’s strange? ”

as a man, he understood men’s routine, especially these business elites who liked to act mysterious.

PEI Qiqi glanced at old kan, ” what’s so strange about that!

It’s good that they don’t see each other!

PEI Qiqi smiled and said, ” then I’ll treat you to a cup of coffee. After you’re done, you can look for those rich ladies of yours and see if they have any private jobs. You can’t just leave them empty.

Old kan ruffled her hair. money-grubber.

he was tall, strong and rough. pei qiqi felt like a little toy when he rubbed her like this.

Although it was a beauty and a beast, it was still harmonious.

pei qiqi didn’t care about how others looked at her, but she kept looking forward and coughed, ” i don’t think i can drink coffee. ”

old kan moved his chin and pointed to the front.

PEI Qiqi looked up and saw the person walking in.

jinrong!

PEI Qiqi’s eyes froze as she looked at Lin jinrong.

He was wearing a light gray woolen suit and looked a lot more mature.

at this moment, lin jinrong’s gaze fell on pei qiqi.

old kan took his bag and shrugged.”You guys continue chatting.”

then, she used a voice that lin jinrong could hear, ” pei qiqi, you’re capable! There’s quite a lot of old people here, clean them up for me!”

PEI Qiqi watched him leave and was speechless.

after old kan left, only the handsome man and beautiful woman were left at the scene. the front desk was also secretly watching.

do you have the blood of a rich family?

The receptionist secretly sent a message to Xiao ran, telling him that CEO Xiao Lin was with PEI Qiqi.

After Xiao ran finished reading, he thought for a while and went to find Tang Yu.

she knocked on the door and went in. she cleared her throat and said, ” president lin is here. he’s in the lobby now. does president want to see him? ”

Tang mo frowned and looked at Xiao ran.

they had worked together for many years, so they had this tacit understanding.

Tang Yu immediately flipped through the documents in front of him. He lowered his eyes and said calmly, "I'm free, but Jinrong might not be free right now."

Xiao Ran smiled. He knew what he meant, so he left.

Sigh, he looked calm on the surface, but his heart was probably already filled with jealousy!

In the living room on the first floor, Lin Jinrong put one hand in his pocket and looked at Pei Qiqi, "Do you have time for a cup of coffee?"

The girl he had liked for so many years. After so many years, he could finally ask her calmly if they could have a cup of coffee together.

Pei Qiqi looked at him.

After a long time, he laughed softly, "Of course you can."

They chose a cafe on Golden Street across from Shengyuan Corporation. The environment was good and quiet as usual.

After Pei Qiqi sat down, the waiter came over. The little girl was a little surprised to see her. Then, she was pleasantly surprised, "Miss Pei, I haven't seen you in a long time."

Pei Qiqi nodded lightly, "Two cups of latte."

She looked at Lin Jinrong. "How is it?"

Lin Jinrong smiled, indicating that he didn't mind.

After the waiter left, he looked at her. "Did you come here often in the past?"

779 Be with me (part two)

Actually, he wanted to ask if he used to come here often with Tang Yu, but he couldn't bring himself to ask.

At this moment, looking at her submissive appearance, he remembered that when he went to Xia City before his engagement with Pei Huan, she also submissively made supper for Brother Tang Zheng.

She had fallen in love with Brother Tang Zheng so passionately, but she was still let down in the end.

Because Lin Jinrong had not seen her for a long time, and now that they were out in the open, his eyes were a little straight.

Pei Qiqi raised her eyes and looked at him. She smiled, "Jinrong, how have you been?"

"It looks good," he paused.

The waiter served two cups of fragrant coffee and looked at Lin Jinrong with a gaze that made one feel uncomfortable.

Yingluo has changed!

Lin Jinrong lowered his head and took a sip of coffee before asking, "Where have you been for the past year?"

Pei Qiqi didn't avoid him, "I'm in City H. But I'll be in City B for a while."

lin jinrong knew her situation like the back of his hand, but he still said indifferently, " the man with you just now, is he a colleague? "

"Yes." pei qiqi smiled, " he's my teacher. he's quite good to me. "

Lin jinrong didn't say anything else. He lowered his head and sipped his coffee.

pei qiqi was a little embarrassed. she could clearly feel the change in his mood. she didn't know how she had offended him with her words.

After a long time, Lin jinrong put down his cup and looked at PEI Qiqi calmly. He said, " "pei qiqi, be with me."

PEI Qiqi raised her eyes in shock and stared at him in a daze.

She didn't expect him to say that.

their eyes met, and she stared at him for a long time before she said softly, " "i saw pei huan in city h."

why are you mentioning her to me, Qiqi? you know that it's impossible between us. lin jinrong's voice rose slightly, as if he could not bear it.

he even placed his hand on her hand that was on the table.

as if she had been scalded, she quickly retracted her hand.

she stared at him, her lips pursed tightly.

suddenly, she stood up and walked straight towards the door. she walked faster and faster, as if there was a monster chasing after her.

at the door of the cafe, lin jinrong quickly caught up to her. his big palm grabbed her arm forcefully and his voice was low and hoarse, " pei qiqi, why are you running?! "

she tried to break free, but she couldn't. there were a few fingerprints on her arm.

lin jinrong also lowered his head and looked at her. after a moment, he said softly, " why are you running? "

pei qiqi's voice was low, " let go of me! "

Not only did Lin jinrong not let her go, he held her hand and walked in front of her.

PEI Qiqi kept her head down and refused to look at him.

lin jinrong stood in front of her and sighed, " " qiqi, i have never forgotten. never. "

he wanted to put her on his shoulder, but she jumped away in shock, her eyes a little red.

lin jinrong did not chase after her. he put his hands in his pockets and said quietly, " qiqi, i just want you to be happy. "

PEI Qiqi's lips trembled slightly.

Someone had once said the same thing to her.

I also said, Qiqi, I only want you to be happy.

but was she happy?

no, she was not happy!

The wound in her heart had festered over time. She didn't want to recover and gave up on treatment.

finally, she raised her eyes and looked at him. "jinrong, i'm fine now. "

Lin jinrong frowned in a daze.

After a long time, he smiled, " PEI Qiqi, I have a lifetime to pursue you.

Chapter 780 be with me (3)

pei qiqi pursed her lips and didn't say anything else. she just walked out.

"i'll send you." He grabbed her hand uncontrollably again, probably to make up for all the regrets they had all these years and to get closer to her.

pei qiqi lowered her head and looked at his hand. lin jinrong let go and smiled. he didn't apologize or explain.

He had said that he wanted to be with her, so he naturally wanted to get in touch with her.

there was a touch of ecstasy in her heart. after going through so much, they were still single and they could still be together.

"i'll get old kan to pick me up." PEI Qiqi said in a low voice. Her eyes were red."jinrong, find a girl that suits you! Don't wait for me. "

"i don't care about that." He thought it was because of her and Tang Yu's relationship because she was pregnant with Tang Yu's child.

how was he any better? not only did he have pei huan, but he also slept with chen xinjie.

PEI Qiqi looked at him and smiled, " jinrong, I'm different from you! i really did love someone else."

She had loved him so purely that she had even forgotten the good times of the past.

So, jinrong, this heart that is no longer complete is no longer suitable for you.

Lin jinrong's face was a little pale, but he didn't say anything. He just accompanied her as she waited for old kan to arrive!

across the road from the cafe, a black rv was parked. in the back seat, tang yu sat through the black glass.

Through the car window, her dark eyes looked at PEI Qiqi and jinrong. She saw jinrong looking at her with such deep affection.

"Let's go!" He said to the driver after closing his eyes.

The chauffeur was still old Zhao. Because he lost PEI Qiqi, he felt guilty.

at this moment, old zhao saw pei qiqi and young master lin together. although mister didn't say anything, his heart must be hurting!

"did he really give up?" old zhao muttered.

As for Shen Lian, old Zhao, who was close to Tang Yu, knew that she was innocent and there was nothing wrong with her.

If she was, why wasn't she married yet?

That woman with the surname Shen was also beyond saving. On one hand, she had the title of Sir's fiancée, but on the outside, she had played a lot of games and caused a lot of gossip from time to time. She didn't even find it embarrassing.

Tang Yu glanced at elder Zhao, " jinrong is doing well too.

he wouldn't give in even if it was good! old zhao secretly thought in his heart-  
master is such a hypocrite!

she said no, but her body was very honest!

after pei qiqi waited for a while, old kan came over. he rode a very cool motorcycle with his long legs on the ground and his bearded face pointed at lin jinrong. then, he beckoned pei qiqi to get on.

before pei qiqi left, she looked at lin jinrong and said in a low voice, " i'll be leaving first."

lin jinrong put his hand in his pocket and smiled. " okay. "

He forced himself to be generous, because he was nothing to her now.

He could only watch as she got into someone else's car.

PEI Qiqi walked in front of old kan. Old kan placed a safety helmet on her head and buckled it up, " hold it tight.

with one arm, she carried pei qiqi behind her. as the car leaned forward, she subconsciously held her tightly.

"Let's go," old kan grinned.

The eye-catching motorcycle left with a bang.

lin jinrong stood there and smiled slightly. his smile was a little bitter.

on the other side, pei qiqi was hugging old kan as the wind blew past her ears. pei qiqi asked loudly, " old kan, do you usually pick up girls like this?"

Old kan's voice was welcoming to the wind. I don't usually chase girls. It's usually the girls who take the initiative to offer themselves.
