

## Thank you 781

Chapter 781-is that your past?

The cool motorcycle made a rumbling sound on the road that resounded through the sky.

The cool autumn wind blew on his face, blowing his long hair.

Just like that, old kan rode forward with her, not saying where they were going.

more than an hour later, they arrived at the beach. old kan stopped the motorcycle and handsomely combed his messy curly hair. " little girl, are you in a better mood now? "

pei qiqi supported him and jumped off the car. she looked at the blue ocean and mumbled a few times.

Old kan walked beside her and stretched his body. He took out a cigarette and asked with some bad intentions, " "This pretty boy is also part of your past? pei qiqi, you're so lucky with women!"

the two gigolos looked like they were elites. of course, tang yu naturally had more of an aura.

PEI Qiqi took a few steps forward until there was sunlight. She took off her shoes and sat on the beach.

He hugged his knees and looked at the blue sea in front of him. He smiled. He's Tang Yu's cousin.

pei qiqi tilted her head and looked at old kan,"i liked him in university!" Afterwards, Huanhuan "

Although she was smiling, her eyes were bitter. in the end, I sold myself to Tang Yu.

Old kan followed and sat beside her, patting her little head. "changed your mind?"

This sudden change in style!

PEI Qiqi was stunned. Then, she smiled, " "It can be considered so!"

Old kan patted her again,'who hasn't loved a few scumbags before? little girl, now that you've met a great man, you must cherish him."

"you?" PEI Qiqi laughed.

old kan took out a crumpled cigarette from his pocket, straightened it with his hand, and took a puff. he looked at her. "what? i can't?"

"you're too old!" pei qiqi punched him and put down her shoes. she rolled up her jeans and started to run on the beach.

She ran like a little lunatic, not caring if her hair was messy or her clothes were dirty.

he clasped his hands together and shouted at the boundless sea, " it's nothing! "

"pei qiqi, it's nothing."

She called him a few times in a row, then turned back and looked at old kan with some excitement. is that right? "

Old kan laughed, got up, and patted the sand off his body. He walked to her side and also shouted at the sea, " "yup! pei qiqi, it's nothing! if you can't, you still have the spare tire that uses four tanks."

pei qiqi glared at him, " old kan, you really know how to ruin the atmosphere. "

He laughed and handed her her shoes. put them on! I'll take you to do some private work in the afternoon."

pei qiqi put on her shoes with one hand and hit old kan with the other, " i knew master wouldn't let me down. "

Old kan held her with one hand and walked forward. At the same time, he teased his disciple, " PEI Qiqi, you said that I'm old just now. Why don't we try it too? "

PEI Qiqi pursed her lips and smiled, " no need. Teacher, you should save your energy for our customers.

"your master only sells his skills, not his body." Old kan pinched her little face and got into the car himself. He let her sit in the back and dazed.

After spending the entire afternoon outside, he was reprimanded when he returned home because he did not see the person he wanted to record.

The managing editor held a cigarette in his mouth and said in a muffled voice, " anyway, you have to rush the draft out by this week. We need it. Also, Sheng Yuan's Secretariat called. They said that they want you to take the draft and take photos alone.

pei qiqi subconsciously rejected,"managing editor, this doesn't make sense."

Chapter 782 is the pretty boy your past?(2)

pei qiqi subconsciously rejected,"this doesn't make sense."

"i believe you can do it!" The managing editor's tone softened again. the establishment of our branch office requires achievements. We need to make achievements that satisfy the higher-ups! what was it lacking? It's something that makes one's eyes light up."

PEI Qiqi looked at the editor-in-chief suspiciously,"other than an interview, what else do you need me to do?"

The managing editor removed the cigarette butt from his mouth and smiled. "qiqi, the sales of the last episode were very good! if we can create another sales legend for this issue, our jia ren's position in the industry will be further improved. little pei, you know that MAN magazine has been selling very well recently. the higher-ups are giving us a lot of pressure!"

PEI Qiqi's voice was slow,"isn't MAN under Jin Taihe?"

The managing editor's eyes widened. you know about this too? "

"I heard it from old kan," PEI Qiqi said randomly.

Oh, I asked old kan to do something else. He's going abroad this week and won't be in B city. the managing editor was cunning.

pei qiqi understood that the editor-in-chief did this on purpose.

She smiled and did not say anything else.

After a day, she made an appointment with Xiao ran and went to Sheng Yuan alone with her camera.

This time, they arrived at the top floor's guest room without a hitch. Xiao ran arranged for her to wait there. I'll go and report to the president.

PEI Qiqi nodded.

Because she was separated from Tang Yu, even though she was close to Xiao ran, she pretended not to know him. She tried her best to reduce her interaction with Tang Yu.

Especially after this interview, she didn't want to have any more contact with him.

xiao ran first brought a cup of coffee over then went to tang yu's office. he was focused on flipping through the files.

his formal suit looked impeccable, noble, and threatening.

Xiao ran knocked on the door. President, miss PEI is here.

tang yu's fingers paused for a moment as he watched the golden pen leave a long mark on the paper.

"Let her wait for half an hour," he said after a while.

Xiao ran nodded.

however, after she went to the reception room to pass on the message, pei qiqi stood up and smiled, " "If Mr. Tang is very busy, then I won't bother you. Let's meet again next time!"

she left without any hesitation, leaving xiao ran with a dumbfounded look on his face.

Xiao ran had always been calm and she rarely made mistakes. However, PEI Qiqi's unexpected move caught her off guard.

in the blink of an eye, pei qiqi was already in front of the elevator. While waiting for the elevator, she tidied her bag.

just as the elevator door opened, a large hand grabbed her arm before she could enter.

"Didn't you want an interview?" tang yu's deep voice sounded.

pei qiqi shook his hand off and turned around. she had a professional smile on her face, " mr. tang. "

In contrast to her calm and collected expression, his expression was not good. It could even be said to be slightly angry.

Tang Zheng stood up straight, his lips pursed into a strict straight line. didn't miss PEI say she wanted to interview me? "

"mr. tang also said that he doesn't have time for the time being!" PEI Qiqi tilted her head and looked at him. Her little face was full of provocation.

when xiao ran, who had followed behind, heard this, he first retreated from the darling.

Tang Yu looked at PEI Qiqi. She looked into his unfathomable eyes.

after a while, he walked towards the guest room and said in a light tone, " "Still not coming in?"

PEI Qiqi turned around and watched his perfect back in a daze before following him.

### Chapter 783 Is the pretty boy your past?(3)

This was a small meeting room, not big, about 20 square meters, rarely used.

However, it was very private. Once the door was closed, it was useless even if you screamed your lungs out.

Tang Yu was wearing a coffee-colored woolen suit today. It was the three-piece type and looked very formal. It also made his face look even more handsome. He sat on the single-seater and gestured for her to sit down as well.

xiao ran served the coffee in time, glanced around, and quickly left.

Tang Yu's gaze landed on the door. After a while, he looked back at PEI Qiqi's little face and said lightly, "Miss PEI, can we start now?"

PEI Qiqi was supposed to do business, but now that he was being so cooperative, her outrageous request made her a little embarrassed.

they probably wouldn't agree to let someone like tang yu appear on the cover of women's weekly. But she had to convince him.

she pursed her lips and said in a low voice, "there's a contract here. mr. tang, please take a look."

PEI Qiqi pushed a thin piece of paper in front of Tang Yu. Tang Yu picked it up and looked at it.

The request was for his photo to be on the cover of Jia Ren magazine, and he would be paid 100000 Yuan.

he put down the piece of paper in his hand and leaned back on the sofa. he looked at pei qiqi with a burning gaze, "100000?"

pei qiqi blushed on behalf of the editor-in-chief, but she still kept a straight face and didn't let it fall, "Yes! You can consider it, Mr. Tang."

"there's no need to think about it, i won't agree." tang yu's tone was calm, "i'm sure miss pei knows that as the leader of a company, you can't just show your face in public like this. an interview is already the limit."

PEI Qiqi really wanted to throw the draft in her hand at his face and sneer at him-

then don't even attend the interview!

However, when she thought of the managing editor and old kan's position in the club, she still tried to convince him. this will be very useful for Sheng Yuan's publicity. Our magazine's sales are very good.

tang yu's body stretched out. seeing her little mouth move, his entire body became more lively.

he took a sip of the coffee, and his exhausted heart suddenly felt much more comfortable, as if a drop of water had been added to it.

slowly, tang yu opened his mouth, "pei qiqi, your magazine has more female readers, right?"

pei qiqi nodded and tried to appear professional.

tang yu's gaze calmly landed on her little face and smiled, "PEI Qiqi, do you think I need to sell my body? Do you take photos?"

PEI Qiqi was stunned and didn't answer for a long time.

tang yu laughed again and held the paper, "you can, but hahaha."

pei qiqi's eyes were guarded as she looked at him carefully.

tang yan lowered his eyes and sighed. "qiqi, dad has aged a lot in the past year. he misses you very much. if you have time, go back and visit him."

(the author gives mr. tang full marks for this reason and disdains him!)

after he finished speaking, he signed the contract to pei qiqi's surprise and passed it to her, "Alright, I'm done. let's start!"

PEI Qiqi looked at him as if she was in a dream. It took a while before she put the paper away.

tang yu sat up straight.

PEI Qiqi took out the draft in a flurry. She raised her head slightly and looked at his handsome face. Suddenly, she felt her lips dry and licked them.

in her heart, she despised herself. pei qiqi, he's your brother!

how could he think that way?

Chapter 784 Is the pretty boy your past?(4)

as for that forbidden love, she didn't know what tang yu was thinking or how he felt. but she didn't dare to think about it because thinking about it would make her feel guilty.

he felt even more sorry for that child.

Her mood was a little chaotic, so when she asked, she was a little incoherent.

tang yu interrupted her and said in a cold voice, "if miss pei hasn't adjusted her emotions, then let's stop for a while."

she suddenly stopped and looked at him in a daze.

tang yu stood up and walked to the floor-to-ceiling window. his posture was impeccable but also tense.

pei qiqi pursed her lips and watched his back.

The room was eerily quiet.

after a long silence, he finally turned to look at her. "miss pei, is that enough?"

pei qiqi didn't move. she looked straight into his eyes and said in a mechanical voice, "i'm fine. where's mr. tang?"

He didn't answer her. He walked over and sat down again. His every move was elegant, but she didn't know that he was deliberately seducing her.

PEI Qiqi pursed her dry lips and held the draft. She adjusted her facial expression and asked with a smile, " when Mr. Tang took over Sheng Yuan, did you have a difficult time? "

tang yu's gaze was deep. after a long time, he asked, " "you want to know?"

pei qiqi quickly replied,"the readers want to know."

he looked at her deeply for a while before saying, " there will definitely be some difficulties, but it's not as difficult as you think. after all, when i took over, my parents had already run sheng yuan very successfully. "

he had shared a few small crises, of course, the insignificant ones.

PEI Qiqi jotted it down.

then, he asked some official questions. these were all press releases from the news department, and everyone would be asked about these questions when they were interviewed.

PEI Qiqi was almost done with her questions. She looked at the last two lines and didn't speak for a long time.

Her expression was a little dazed.

"Miss PEI?" Tang Yu's voice sounded, " why did you stop? "

PEI Qiqi looked at the words on the paper and pursed her lips. After a long time, she said softly, " when do Mr. Tang and miss Shen plan to get married? "

She looked up at him after she finished speaking.

she told herself not to cry.

Because it wasn't worth it.

the child was gone, and they were strangers.

that trace of blood also seemed so ironic!

however, her eyes were still hot. no matter how strong she was, she was still hurt.

the wound was torn open again, and it was as if a handful of salt had been sprinkled on it, causing it to hurt.

tang yu looked at her. seeing how she was holding back, he sighed to himself.

However, his face was impeccable, and he gave her a very official answer. "I don't have any plans for now."

pei qiqi's eyes were still on his face and he didn't avoid wanwan.

He stared at her for a long time.

"good! I understand. Let's move on to the next question." she finally came back to her senses and spoke randomly, but there was no problem. she had already asked the last question.

she looked at the paper and was lost in thought for a while. then, she looked up and smiled. " there's nothing else, mr. tang! "

she had put another layer of protection on her.

Tang Yu also smiled. He lifted his hand and looked at his watch, "it's late. Let's have dinner together.

He said it so naturally but PEI Qiqi's body was a little stiff. Her hands that were packing her things moved slowly, "our club has a rule that we don't eat with customers.

Chapter 785 Your past is that pretty boy?(5)

"what if i use my personal identity?" tang yu had already stood up and was standing beside her.

He bent over, his face next to her ear, so his warm breath enveloped her. "i'll treat it as a welcome dinner for you."

"Qiqi, welcome back." His voice was gentle, and there was a restraint that only he knew.

Being alone with her, so close, so close to her soft Little Neck, he really wanted to take a bite.

That night, she was drunk, and it was different from the past when they were in love.

that night, his body was temporarily satiated, but a certain part of his heart was even more empty.

not to mention desire.| It was fine to restrain something like hope for a long time, but once it was switched on, it was not very controllable!

as for her, her body stiffened even more because of his approach.

she gently lifted her body and swept everything into her small bag. "there's no need. "

his eyes were filled with an undetectable sense of loss, but he did not force her. he only said indifferently, " " go visit dad when you're free. he misses you very much. "

PEI Qiqi thought of Tang Xin's departure. It seemed like there was no one around Tang Zhiyuan.

His eyes dimmed, and he nodded after a while."i will."

She was about to leave when he grabbed her wrist.

"Let go." "mr. tang, you've overstepped your boundaries," she said in a low voice.

tang mo released her, smiled and said gently,"I just wanted to remind you that the photos haven't been taken yet."

pei qiqi's face was a little hot. how could she forget?

He quickly turned on the camera. let's start!

tang yu sat back on the sofa and casually sat in a corner.

of course, this would not work! (actually, how could mr. tang not know how to get rid of the business magazine???)

PEI Qiqi went over and explained, but he still didn't get the attitude she wanted.

Hence, she could only teach him step by step, her small hand pulling his fingers, moving his shoulders and even his chin, presenting the most perfect posture.

“Alright, don’t move,” Probably because taking photos was her job, PEI Qiqi was a lot calmer. She picked up the camera and went up to hold his chin, adjusting it to the angle he wanted.

While she was taking photos, Tang Yu asked, ” do you have a lot of men as your photo targets? ”

PEI Qiqi paused and said, ” “quite a lot. sometimes, i’ll also take some human body photos.”

tang mo’s face suddenly turned black and he retracted his perfect posture!

i’m not filming anymore. the big BOSS is angry!

pei qiqi had already adjusted it and was about to shoot when tang yu stood up and strolled.

she was a little confused. she looked at him. ” tang yu? ”

“Please call me Mr. Tang.” Tang Yu looked at her, ” get another photographer!

PEI Qiqi knew that even if the person was changed, he would still have a reason to make things difficult for Qianqian. She was also a little regretful for speaking so quickly just now.

After a moment of silence, she felt a little embarrassed, but she still said, ” ” this is my second time taking a photo. the previous time, it was pei huan. ”

Tang Yu looked down at her, ” miss PEI, are you admitting that you’re lying? ”

“right!” “Are you satisfied, Mr. Tang?” she lifted her chin.

he sat back down, probably satisfied!

Then, he posed for her to take a picture. It was not that she helped to adjust it, but a very casual teasing.

However, there was a kind of abstinent temptation, making people want to rip off his suit.

If this were to be on the cover, it would definitely sell like crazy!

Chapter 786 Prince Charming (1)

Out of her photographer’s instinct, PEI Qiqi took a few photos in a row.

However, she couldn’t find the feeling that she really wanted. Her occupational habit was acting up again.

she took a few steps forward and took a close-up shot of his face, but it seemed like she still couldn’t capture the essence of his face. she walked forward again.

his facial features were very good. no matter how close the camera was, it could capture his image. at this moment, pei qiqi felt very excited as she continued to shoot.

“Are you very excited?” His voice was somewhat sinister.

pei qiqi was stunned for a moment then nodded, ” “Yup! i’m very excited.”

He removed her camera and looked into her eyes. I'm very happy that my body makes you so excited, miss PEI.

These words were a little ambiguous!

And they had that kind of relationship.

PEI Qiqi didn't think Tang Yu was a person without morals. However, after the DNA test, he still did something he shouldn't have done to her.

at least, after the results were out, they had sex that night in city H, even though she was drunk.

she looked at him, her eyes calm, and her voice soft and slow."it's only because of my profession."

tang mo looked at her quietly and didn't say anything, letting her continue to shoot.

However, PEI Qiqi didn't have the mood to do so. She didn't feel anything for the next few photos. After taking a few photos, she put her camera away, " it's almost done. Thank you, Mr. Tang. As for the payment, I will sort it out.

"Bring it over personally." he said quickly.

PEI Qiqi nodded. She decided to give it to Xiao ran when the time came.

Old kan was right, some things can't be avoided, so we have to face them.

actually, it wasn't that hard to get along with him.

Tang Yu watched as she packed her things. He took out a cigarette and lit it up. After taking a puff, he said, " "jinrong went back and told the old master."

pei qiqi didn't understand his sudden words. she looked at him.

Tang Yu's tone was calm, " a few days ago, jinrong ran back to tell the elder that he wanted to be with you.

"By 'together', I mean marriage." tang yu's voice didn't fluctuate. it was like he wasn't involved, like he was just saying something irrelevant and that he was just making a statement.

but his dark eyes were locked on her eyes, not letting go of the change in her expression for a moment.

PEI Qiqi was stunned and almost held her breath.

Tang Yu's voice was calm as he continued, " "the old master has punished him according to the family law."

Using the vine as thick as an arm to whip jinrong three times was quite a pain for jinrong's weak body.

At that time, he was there. He saw jinrong get slapped. After jinrong got slapped, he still said firmly that he wanted to be with PEI Qiqi. His heart was as sad as water.

no one came to ask him if he was willing.

just because he had given up on her?

Perhaps jinrong knew that he had never let go of Qiqi, but ...

jinrong didn't want to back down anymore. he could tell that this was his only chance.

He couldn't say that jinrong was despicable because he was the one who snatched PEI Qiqi from jinrong.

At that time, he clearly had a way to fulfill their wish, but he didn't. In the beginning, when he still liked Qiqi very much, he was vague and unwilling to let go.

It was like this in the past, and it was still like this now.

He saw PEI Qiqi's shock and guessed that she had rejected jinrong that day.

In her heart, she felt happy again.

PEI Qiqi didn't say anything. Between her and jinrong, there was nothing else she could explain to Tang Yu.

#### Chapter 787 Prince Charming (2)

she carried the heavy camera on her small shoulders and nodded at him before walking out.

Tang Yu was still sitting there in a daze.

when she reached the door, pei qiqi turned around-

She saw Tang Yu sitting there. The side of his face was illuminated by the sunlight and the other side of his face looked unfathomable.

there was a sense of loneliness from being high up.

it was a beautiful scene.

out of the blue, she put down her camera bag and adjusted the aim, but he did not move.

but when she was done, tang yu said, " "You can't use this photo. Also, give me one after you're done."

Because he didn't want others to see the fear in his heart towards PEI Qiqi.

PEI Qiqi felt a little regretful after taking the photo. She didn't say anything and walked out.

Tang Yu suddenly said, " Qiqi.

she did not stop. in fact, she wanted to cover her ears.

tang yu's voice came from behind her. she couldn't reject him even if she wanted to ...

"Qiqi, I'm right here." I'll wait for your return.

pei qiqi's steps paused for a second but she quickly left.

However, there seemed to be countless voices behind her saying, " "Qiqi, I'm right here."

Zhenzhen Qiqi, I'm here.

she ran into the elevator, her face full of tears.

she wasn't as strong as she thought she would be, and his one sentence was enough to make her cry.

The elevator did not move. Instead, the door opened.

A warm body flashed in and she was swept into his warm arms.

“tang yu.” She called his name softly, and the camera bag in her hand fell to the ground.

in the small elevator, he held her and kissed her on the forehead. ” qiqi, don’t cry. ”

she looked up and realized that she had cried.

between her fingers were cold tears.

she raised her head and looked helplessly at him in a daze.

Tang Yu only hugged her and let go.

There was restraint in her voice. don’t cry! Qiqi, you’re not a child anymore.”

pei qiqi wiped her tears and knelt down to pick up her things. she pressed a number and her voice was a little hoarse and deliberately cold, ” call me miss pei. i’m not that close to you. ”

Tang Yu didn’t know whether to laugh or cry.

she was really childish.

She hated him. She didn’t let him touch her, but she couldn’t show him any concern either.

He didn’t say anything more and just sent her downstairs, watching her leave without looking back.

After PEI Qiqi went back, she handed the manuscript to the news department for them to Polish.

amy accepted it and looked at her script, ” pei qiqi, this man is really boring. ”

His words were plain and did not have any sense of humor.

pei qiqi sat down and replied casually. then, she imported the photos into her computer to repair them.

however, she realized that no matter how she fixed it, it would not look as good as the original. in the end, she decided to use the original.

She picked out three photos, one for the cover and two for the interview.

of course, there was also the last one, the one that she was most satisfied with.

anyone who looked through this photo would be able to directly attack the depths of tang yu’s soul.

that sense of loneliness and melancholy could break through the restraints of the photos.

PEI Qiqi’s heart trembled as she looked on.

She looked at it for a long time, but in the end, she deleted it.

Because he didn’t want to see it anymore.

at this moment, amy slid over. when she saw tang yu’s photo, she exclaimed-

“Oh my god, oh my god!” “i’d be willing even if this man gave me a drop of my blood!” amy exclaimed.

pei qiqi didn't say anything and copied the photo onto the disc. amy looked at her carefully, "are you angry?"

### Chapter 788 Prince Charming (3)

PEI Qiqi still didn't say anything.

Amy's eyes became more focused, she asked carefully, "is that mr. tang really your ex-husband?"

"Big brother." pei qiqi didn't admit it. then, she took the photo and manuscript to the managing editor.

The managing editor was quite satisfied. After looking at the photo carefully, he said meaningfully, "little PEI, if I were you and had a man like this around me, I would get married tomorrow.

pei qiqi laughed, "some people can't be married off just because you want to." even if they were married, it wouldn't last long.

"Little PEI, you have great self-control." The editor-in-chief laughed.

pei qiqi continued to smile, "if there's no problem with this, i'll go over and explain."

the managing editor was satisfied and smiled. "you've worked hard. you've just come here and you've already accepted such a big mission. let's rest for a day tomorrow."

she was a little surprised, but it was better to rest than not.

After she left, she handed the manuscript to the news department and left. Amy was a little envious. Qiqi, do you want to come to your place tonight?"

it was mainly because of the food that qiqi made. the last time old kan brought them over for a meal, it was so delicious.

PEI Qiqi thought that she didn't have anything to do, so she nodded in agreement.

amy pounced on her and kissed her on the cheek."go back and prepare. we'll go there as soon as we get off work."

pei qiqi nodded.

she went back first. she thought about how she wanted to use old kan's house since her place was small, but his place was big!

Anyway, old kan isn't here ~

Old kan gave PEI Qiqi one of his room cards so she went back to put down her stuff. Then, she went over to old kan's place to see if there were any more. She never treated him politely.

Compared to Tang Yu, old kan was more like her brother.

however, pei qiqi never thought that old kan would return.

And not just one person.

when he returned to the apartment, he was met with a rather explosive scene the moment he opened the door!

old kan was sitting on the sofa, wearing only a pair of jeans.

There was a woman sitting on top of him. Her long black hair fell on her shoulders, making her skin look even whiter. There was a kind of wild beauty to her.

The black dress was thrown on the floor, and it was a shocking sight.

It could be seen that old kan was forcing himself. He didn't look like he was enjoying it. It was the woman on top of him who took the initiative to kiss him.

However, when the door opened, the people inside were shocked.

Especially old kan, who was dumbfounded to see his beloved disciple appear at the door.

At this moment, his belt had been unbuckled by the woman on top of him, and even his small hand was trembling.

PEI Qiqi, why are you back? " old kan was shocked and angry, and then he quickly pushed away the woman on top of him.

He hurriedly zipped it up, and it was so embarrassing!

PEI Qiqi still hadn't seen the woman on top of him. She smiled, " I'll go out first.

Just as she was about to leave, the woman that old kan had pushed to the ground got up and said in a cold voice, " "no need to go out. pei qiqi, it's me!"

pei qiqi's body stiffened when she heard the voice. she looked again and sure enough, it was pei huan!

At this moment, it was like a Thunderbolt from the heavens above.

PEI Qiqi glared at PEI Huan. After a while, she looked back at old kan's face.

old kan's face was full of beard, so it was hard to see his expression. now that pei xiao qi was looking at him like he was a beast, he trembled a little.

pei qiqi couldn't take it anymore. she ignored pei huan and went over to grab old kan by his beard.

Chapter 789 you're deceiving your master and destroying your ancestor!

He was tall, so she couldn't reach him at all. Old kan had to squat down to cooperate.

that scene was also unbearable to look at!

deceiving the master and destroying the ancestor!

"I've said it before, you can sleep with anyone but PEI Huan." PEI Qiqi buzzed fiercely in his ear.

old kan looked at her and then at pei huan. actually, he felt quite wronged.

But when it came to matters between men and women, he was still more gentlemanly and did not say a word.

at this moment, pei huan, who was only wearing her undergarments, came over to tease her. her heart felt cold because in old kan's eyes, she could see the love he had for pei qiqi.

"don't blame him, i was the one who seduced him," she said coldly.

old kan looked at his beloved disciple with a 'you've misunderstood me' expression.

Only then did PEI Qiqi let go of his beard. However, her expression still didn't look good.

"you've only seen him a few times and you're already seducing him?" she looked at pei huan with a warning look.

"Three times," pei huan actually answered honestly with a serious face. pei qiqi didn't know what to say.

at this moment, old kan walked over and buttoned up his shirt. he also threw pei huan's skirt over for her to wear. his voice was faint. "you see, it's such a coincidence! Don't bother me anymore in the future! I'm not interested in you."

pei huan also couldn't pounce on old kan in front of pei qiqi. she pursed her lips and didn't say anything.

old kan said directly, "you can go now. don't come here again!"

pei huan looked at pei qiqi and didn't want to give up, " " if pei qiqi didn't come, i would have slept with you. "

"Maybe! but so what? i've slept with at least fifty women, if not a hundred. miss pei, you've seen countless people. do you expect a wastrel to take responsibility after sleeping with you once?" old kan asked her very seriously.

However, there was a hint of cruelty in this seriousness.

pei huan glared at him, and tears fell from her eyes. she could not remember when was the last time she cried.

actually, those who didn't like this man were old, tall, and too rough.

however, he treated pei qiqi very well. so well that she was jealous.

She also wanted a man like him to dote on her and love her!

She didn't have PEI Qiqi's talent, wasn't as likable as PEI Qiqi, and wasn't as pretty and charming as PEI Qiqi.

She had no choice but to seduce men.

so, she boldly followed him to his house, seduced him, and slept with his kasaya. this way, he would like her and take care of her like how he took care of pei qiqi!

However, he had said it in such an unpleasant way.

PEI Huan bit her lip and her voice was a little hoarse. "yes, i have met countless people! don't worry, don't tell me you haven't slept with me. even if you did, i won't make you take responsibility!"

She walked to the sofa, picked up her bag, opened the door, and walked out.

At that moment, all of PEI Huan's self-esteem in her life was shattered.

When she went out, her face was covered in tears.

She thought of jinrong and how she had used the medicine to make jinrong take responsibility.

At that time, she wasn't very good, but she could still make people take responsibility for sleeping with her.

But today, something she said woke her up.

in fact, she was no longer the pei huan of the past. in the eyes of men, she was worthless.

What celebrity? No matter how much money she had, it did not change the fact that she had slept with so many men.

He looked down on her!

PEI Huan raised her head, stomped her feet, and started to cry.

She didn't leave the elevator and just wailed like that!

she felt like she had been abandoned by the world, yingluo.

Chapter 790 You're deceiving your master and destroying your ancestor!(2)

pei huan cried so loudly that both old kan and pei qiqi heard her.

The old man scratched his head and said uneasily, " "um, can you go and comfort her?"

pei qiqi snorted, " why me? you were the one who slept with her. "

old kan roared, " what do you mean by sleeping? pei qiqi, don't forget that you're a girl. you're my disciple." And she was so rude to him!

PEI Qiqi snorted, " you promised not to sleep with her!

Old kan heard PEI Huan's loud twitching and walked around irritatedly. He glared at PEI Qiqi, " "she's the one who wants to bed me!"

"That's why you should be the one comforting her!" pei qiqi picked up her wallet, " amy and the others will be coming over soon. i'm going to go buy some groceries. do as you see fit. in any case, you're not allowed to sleep with her unless you want to marry her! "

old kan muttered to himself, " i'm crazy to want to marry her. "

he did not hate pei huan that much. on the contrary, her small body was quite cute, young, and bouncy.

old kan didn't plan to get married at all. he didn't have any woman.

PEI Qiqi left by taking the stairs. Now, she was afraid of PEI Huan. She was afraid that she would stick to her if she walked over, so she wiped her tears and snot on herself.

After she successfully escaped, PEI Qiqi thought, " actually, pei huan wasn't that annoying. she was just willful.

Old kan must be having a hard time right now! She thought immorally. also, after pei huan's incident, the feeling of meeting tang yu today faded quite a bit.

old kan held a cigarette in his mouth, opened the door, and walked out. he walked to the elevator and watched pei huan smoking from two to three meters away.

he leaned against the wall and smoked, not saying a word.

As PEI Huan smoked, she turned around and glared at old kan.

He was still smoking with his big beard.

PEI Huan's voice carried a hint of embarrassment. say, do you want to f \* ck me? "

Old kan held the cigarette between his fingers, lowered his head, and took a deep puff."There is."

He was not lying. When PEI Huan was sitting in his arms, he did have a physiological impulse.

How could there be no reaction when such a lively little body was in his arms?

"Just want to f \* ck?" PEI Huan bit her lip.

"what else?" old kan's eyes were a little deep. " marry you? "

"you bastard!" pei huan cried again. people

"Then don't seduce that bastard!" Old kan put out his cigarette and said,"I'll send you down!" And don't cry, people might think I'm bullying you."

However, PEI Huan refused to leave and continued, " "I'm not leaving. Isn't PEI Qiqi here with you?"

"a few female colleagues will be coming over in a while." Old kan sighed. let's go! she's a big girl and a celebrity, what's the point of chasing after a man like this?"

PEI Huan stood still and couldn't be dragged away,"i think this is very interesting! If other people can come, why can't I?"

old kan was defeated by her stubbornness. his tall and strong body stood there, staring at her for a while, and then he shrugged. " up to you! "

Old kan walked towards his apartment. PEI Huan wiped her tears and followed him in.

he couldn't do anything about her and went to take a shower. when he came out, pei huan was cleaning the house with a vacuum. her movements were clumsy as if she didn't know anything.

he let her be and sat on the sofa to watch tv.

PEI Huan looked on and took the vacuum cleaner. She raised her little P \* s and her chest. As she cleaned, she winked at him.

old kan remained silent. " don't cramp your eyes. "

PEI Huan was furious.
