

Thank you 791

Chapter 791 You're deceiving your master and destroying your ancestor!(3)

pei qiqi went to a nearby supermarket to buy some groceries. when she reached her apartment, she bumped into amy and the others, so she brought them up.

when he opened the door, he was surprised to find that pei huan had not left. she was mopping the floor and was working hard to make the floor dirtier.

And old kan sat very indifferently, with a face of death.

Amy and the others all knew PEI Huan. When they saw her, they couldn't help but ask PEI Qiqi in a low voice, " "she's a pair with old kan huanhuan?"

Before PEI Qiqi could say anything, PEI Huan put down the vacuum in her hand and said with a proud expression, " "I'm here to look for her!"

She pointed at PEI Qiqi, "I am her sister." &Nbsp;

pei qiqi carried the dishes back to the kitchen and said lazily, " "pei huan, you're two to three months older than me. also, if you want to be sisters, give me half of the pei family first."

She wanted to put it in a difficult position and said it casually. She didn't expect PEI Huan to agree, " " actually, i don't need that much money. pei qiqi, if you want it, i can give you half! "

pei qiqi's fingers that were washing the vegetables paused. she turned around and looked at pei huan. after a long time, she smiled, " "pei huan, if you were this generous in the past, our yingluo might not be the person she is today."

There were some things that could not be compensated.

there are some things that you can't just do over whenever you want to.

Feelings can't be bought back.

also, yingluo can't get her father back no matter what.

When she said that, PEI Huan's face turned pale. She looked at PEI Qiqi and said with a trembling voice, " "you still hate me?"

"no!" pei qiqi sighed, " i'm more used to our relationship in the past. "

PEI Huan stood there for a long time and didn't care about Amy and the others 'probing gazes.

she stuck to old kan, but she more or less knew who she really wanted to stick to!

after standing for a while, he felt a little bored.

She said in a low voice, " I'll be leaving first then.

PEI Qiqi stopped cutting vegetables and acknowledged him.

pei huan stood there for a while and looked at old kan.

Old kan smoked his cigarette and said faintly, there's no use looking at me.

PEI Huan left Yingying in embarrassment.

Amy and the others chuckled together and gave them a warning look.

Then, he slowly walked into the kitchen. He leaned against the counter and watched PEI Qiqi cook. she knew how to do family business and was quick and nimble, while pei huan was a completely different young miss who knew nothing.

they were clearly children from the same family, but there was such a huge difference. it was obvious what was going on.

“was it hard in the past?” Old kan asked indifferently.

pei qiqi continued to cook with her head down and calmly replied to old kan, ” i’m fine! Actually, PEI Huan has also suffered quite a bit from me. ”

old kan didn’t ask any more questions. he only said, ” actually, you’re quite soft-hearted. ”

“no, my heart has been eaten by a dog.” PEI Qiqi snorted.

“that pretty boy?” old kan quickly added, ” the photos are not bad. i saw them! ” I don’t think I can capture the essence of that man. ”

Because of his understanding, he could grasp the best angle.

PEI Qiqi didn’t say anything more and just smiled.

After such a ruckus, the meal was tasteless.

later on, when pei qiqi was sending amy and the others out, she saw pei huan sitting at the stairs.

He just sat there without moving, like a stone statue.

PEI Qiqi walked in front of her, ” PEI Huan, what are you doing? ”

Her tone was as if she was talking to a disobedient child.

PEI Huan raised her head and said pitifully,”pei qiqi, i haven’t eaten yet.”

“There’s no leftovers. I’ve thrown them all away.” pei qiqi was ruthless.

the pei huan now was like a super sticky candy, sticking to whoever she touched.

Chapter 792 the twins, little tang tang’s appearance (1)

“but the noodles you make are especially delicious.” PEI Huan’s eyes were fixed on him.

“there’s nothing left in the refrigerator.” PEI Qiqi said fiercely,”you can buy it outside.”

PEI Huan didn’t say anything, but she didn’t leave either. She just stayed there.

PEI Qiqi walked to old kan’s apartment and closed the door.

he looked at old kan with a serious face. ” i beg you, i beg you, f * ck pei huan! i was wrong.”

old kan’s face was also serious. ” pei qiqi, i’m begging you too. take your own child away. ”

In the end, PEI Huan still followed PEI Qiqi back to the small apartment and ate a bowl of egg noodles. She originally wanted to stay the night, but after thinking about it, she didn't dare to say anything about Wanwan.

pei qiqi sent her off and heaved a sigh of relief. she raised her hand and looked at the time. it was already half-past ten.

After taking a shower, she fell asleep as soon as she laid on the bed. However, she did not sleep well the entire night. As soon as she fell asleep, the photo that she had taken would flash before her eyes.

a depressed tang yu.

she dreamed that another pei qiqi appeared beside tang yu. tang yu would hug that qiqi every day and kiss that qiqi every day. that qiqi and tang yu lived together for a long time but there was something wrong with her.

It was a little strange!

when she woke up, she was covered in cold sweat.

she could only remember a voice calling out to her in her dream.

he told her to go back.

Go back?

Where else could she go?

pei qiqi hugged her knees and carefully looked at the dark night outside.

suddenly, she felt that she should go and see tang zhiyuan, the man who was related to her by blood.

To be honest, he had treated her well after her miscarriage. He really loved her like a daughter.

She didn't know if other people's miscarriages would be like hers. She would be in a coma for a month, and she would only recover after about half a year. During that half a year, she would sweat profusely from even the slightest bit of strenuous exercise, and her body would be extremely weak.

pei qiqi went to yan hui.

to her, this place was like a dream.

her heart was as calm as water, mostly because jian jia's appearance had completely destroyed zhao ke and tang xin's lives.

perhaps, she really should not have appeared.

Yan Hui was still the same, as luxurious as the Imperial Palace.

However, a house without two female owners would always have less life.

the servant reported. tang zhiyuan was a little surprised. he muttered to himself, " please take a seat in the hall. i'll come down immediately. "

he didn't go down immediately, but made a phone call first before changing his clothes and going downstairs.

PEI Qiqi brought some specialty products from city H. Although they weren't worth much, it was still a token of her appreciation.

When she heard footsteps, she looked up and felt that Tang Zhiyuan had aged a little. She stood up subconsciously, but she still couldn't say 'dad'.

tang zhiyuan didn't force her. he lowered his hands and motioned for her to sit down. he sat beside her and asked very gently, "How has your body been recently?"

pei qiqi grunted,"it's alright!"

Tang Zhiyuan knew what she was thinking, so he smiled. I'm alright too! however, it was still a little lonely to live here alone. i always think of the time when tang xin was here. maybe i'm old, but i think ran ran was a little too extreme. if it's now, i might keep the child of the last little model."

After he finished speaking, he realized that he might have hurt her, so he changed the topic. "your mother yun will be coming over later. she and zhao yi have a pair of twins, a boy and a girl. they're a little over a year old, and they're quite cute. you should meet them."

A pair of twins?

PEI Qiqi lowered her eyes and nodded after some hesitation.

"it's just that i didn't prepare a gift." She said, a little ill at ease.

Chapter 793 Little Tang Tang's appearance, the twins (2)

Tang Zhiyuan smiled, "there's no need for any gifts. In terms of seniority, these two kids call Tang Yu brother, so they should call you sister.

PEI Qiqi looked at Tang Zhiyuan.

tang zhiyuan didn't say much. he asked the servant to change the tea for her. "drink this. i asked someone to bring it for you, but you weren't around. i'll get someone to wrap it up and bring it back to drink slowly. "

PEI Qiqi still wasn't used to Tang Zhiyuan's fatherly love. She picked up the teacup and took a sip to hide it.

Tang Zhiyuan casually chatted about daily life. As he chatted, Wanwan actually treated PEI Qiqi like her own daughter.

He clearly knew that it wasn't the case, but he was still quite touched that a young lady was willing to come and see him after being alone for a long time.

they chatted until ten in the morning. the sound of a car engine could be heard from the front yard of yan hui. tang zhiyuan stood up and smiled."he's probably here."

Seeing how happy he was, PEI Qiqi felt that he had a big heart. She thought to herself, "what if Zhao Yi comes over? the ex-wife will hug her two babies and be happy with her new husband!

Didn't it hurt?

pei qiqi felt that tang zhiyuan might have been too shocked, but she still walked out of the hall with him.

there was a black rv parked at the entrance. the front of the car was a golden goddess with a graceful aura. the main point was that pei qiqi had seen this license plate before and it was very familiar.

She even remembered that she and Tang Yu had done some unspeakable things in the back seat of this car. So, looking at this car now, she felt a little dizzy.

When she saw Tang Yu get out of the driver's seat, she was sure he knew she was here and he purposely drove this car over!

tang yu was dressed in white and looked very casual.

White casual pants, a light blue shirt on the inside, and a thin white sweater on the outside. In addition to his ascetic face and cold eyes, it was enough to blind titanium dog eyes.

his gaze landed on pei qiqi as well. he seemed a little surprised. then, his long fingers gently closed the door.

he just nodded and opened the car door for his mother. lin yun didn't come out first. instead, she handed a little pink ball to tang yu for him to hold. then, she got out of the car with a blue ball in her hand.

however, pei qiqi's eyes were on tang yu's hand. he was carrying a super pink little dumpling.

she should be around one year old. she was fair and tender, and her hair was black and straight. she had a baby head cut, and her small face was as white as porcelain. she was extremely beautiful, especially her black phoenix eyes. her eyelids were thin and a little green. her brows were delicate and beautiful.

PEI Qiqi's eyes stared straight and she forgot everything around her.

The little guy was wearing a princess dress with little flowers and was carrying a small bear bag. He was beautiful and cute.

Her eyes met PEI Qiqi's chubby little arms that were reaching over, as if asking for a hug.

PEI Qiqi was stunned for a moment. Tang Yu actually stuffed the little girl into her hands and went to help his mother get off the car.

she was carrying the blue baby in one hand and the little ones 'toys and snacks in the other.

although the two babies had only gone out for half a day, the huge nanny bag was full.

although lin yun was already 50 years old and had given birth to a pair of twins, she looked a lot younger because of zhao yi's love. she looked like she was only in her forties.

she elegantly got out of the car and her gaze fell on pei qiqi's little face.

Chapter 794 the twins, little tang tang's appearance (3)

PEI Qiqi's eyes were fixed on the cute little baby in her hands.

because he was too cute, she didn't know what to do. she didn't know if she should return him or continue hugging him.

lin yun looked at pei qiqi without changing her expression and smiled, " "qi qi, can you hold me for a while?"

PEI Qiqi looked at the little guy in her arms and came back to her senses. She looked up at Lin Yun and nodded her head.

This silly child!

Lin Yun was still smiling. She walked over and chatted with Tang Zhiyuan as if they were old friends.

No matter how unwilling Tang Zhiyuan was, he couldn't help but admit that Zhao Yi was more suitable for Lin Yun than he was.

Tang Yu carried the baby boy and his luggage in one hand. He glanced at PEI Qiqi, "you're not going in?"

PEI Qiqi was a little dazed. She lowered her head and looked at the little guy in her arms. The pink little ball's voice was sweet, "sister.

PEI Qiqi was surprised. A one-year-old child could already speak so clearly?

She couldn't help but pinch that soft and tender little face. After a grunt, she was hugged by a pair of chubby little hands in a daze.

PEI Qiqi looked at Tang Yu, "what's her name?"

Tang Yan paused for a moment before saying lightly, "I've been in United States before, so I haven't come up with a name yet. I have a nickname. I'll be called little Xinxin.

little xin xin?

PEI Qiqi was stunned.

She remembered that Tang Xin used to like to stick to her and say, "Qiqi, I'll be your little Xinxin from now on!

Thinking of this, her eyes felt a little hot, and she couldn't help but hold the little dumpling tighter.

As he held her warm body in his arms, it was as if all the pain had been healed.

Little Xinxin probably liked her a lot too. It wasn't enough for her to hug her with her chubby little hands, so she leaned her entire body on her shoulder and said in a very proud manner, "hug, hug."

pei qiqi felt the little guy's cuteness melt. she tightened her grip and carried the little guy inside.

In the living room, she was a little hesitant. Should she return little Xinxin to Lin Yun, or should ran continue to hold her?

She didn't want to put it down. Her heart was soft, and she felt like a doll in her arms.

Tang Yu put down his luggage and Lin Yun tidied it up. She gave a toy to her little son as a way of letting him play with it. Then, she looked up at PEI Qiqi and said, "he's called zhao yan."

PEI Qiqi acknowledged him and looked at the baby boy. He looked exactly like Zhao Yi.

However, Xiaoxin and Wanwan probably inherited more of their mother's genes, so they looked like Tang Yu.

At this moment, PEI Qiqi didn't realize why the baby boy was named but little Xin Xin didn't have a name!

little xin obediently allowed herself to be carried, and she wanted to come down and play with her brother in a while.

Her chubby little body slid down and sat opposite little Zhao Yan. The two babies sat together on the thick carpet and opened the toys. They were so obedient and cute that they did not need any adults to worry about them.

tang zhiyuan coughed and said to tang yu, who was sitting there sipping his tea, ” “i’m going up to discuss some things with your mother.”

tang yu smiled, ” you’re not thinking of getting back together with mom, are you?! ”

‘this kid can even make such a joke?

However, Tang Zhiyuan also sighed. He knew that Tang Zheng had finally forgiven him. Otherwise, he wouldn’t have made such a joke.

He paused. if your uncle Zhao heard this, he would be Jealous Again.

Lin Yun glared at him. you think everyone is like you? ”

Tang Zhiyuan touched his nose. He was the most helpless when it came to his ex-wife, but now, he was able to get over it.

it was actually quite good to be an old friend!

Chapter 795 the twins, little tang tang’s appearance (4)

The two of them went upstairs, and the atmosphere downstairs suddenly became a little subtle.

pei qiqi was especially confused. it was normal for tang yu to visit tang zhiyuan, but it wasn’t normal for lin yun to bring the twins to visit tang zhiyuan.

This family is reunited

she thought of tang zhiyuan’s unparalleled ability to spread his seed. he gave birth to tang yu, and she was also tang zhiyuan’s child. then, could the twins also be wanwan?

“pei qiqi, you’re thinking too much!” “What are you thinking?” Tang mo glanced at her.

pei qiqi was seen through and felt a little embarrassed.

although the two babies were there, their relationship had existed in the past, and now they were ‘brother and sister’, so she felt uncomfortable.

She wanted to leave, but she couldn’t bear to part with her little heart. Look, it’s so cute.

On the other hand, it was also because she didn’t say goodbye to Tang Zhiyuan. It wasn’t good.

he could only pretend that his existence was non-existent and sit there, watching xiao xinxin and little zhao yan play. the two babies were building blocks, pushing and pushing as they built, giggling.

Both of them were especially beautiful, and it was very pleasing to the eye when they were placed together.

Tang Yu saw how envious PEI Qiqi was and stood up, ” “I’ll go get something from the car.”

PEI Qiqi hummed casually. Tang Yu smiled and walked out.

when he returned, there was no one on the sofa. pei qiqi was sitting on the carpet-

Little Xin was nestled in front of her, playing with her toys, looking especially soft and sweet.

the sunlight shone through the glass and onto their bodies, creating a halo around them.

At that moment, Tang Yu wondered if they would grow wings and fly away. He just watched them.

he had been waiting for this moment for a long time.

perhaps this year's suffering, the countless trips to United States, B city, H city, was all for this day where qiqi could hold this child and live a carefree life.

perhaps she could only call them big sisters, but they were all fine.

he remembered that after xiao xinxin was taken out of qiqi's body, her bone marrow was changed a few days later. at that time, qiqi was extremely weak and was not suitable for surgery, but he could not care less.

For Tang Yu, that month was unforgettable.

In the United States, although the best medical team was hired, the fever would always return during that one month.

at that time, tang xin urged him to accompany tang xin for the last part of her life.

He took care of PEI Qiqi, but he couldn't take care of her heart.

every time his mother video-called him, tang yu would repeatedly look at yingying.

at that time, he was helpless and fragile.

He could not let them down, but he could only choose.

His first choice would be Qi Qi Wufu.

however, he couldn't tell her all this. he couldn't tell her.

She would hate him!

tang yu looked at him and only sat down after a while. he held little zhao yan in front of him and played with him.

He had always been noble, and it was rare for him to sit on the carpet like this, but it was not out of place.

However, PEI Qiqi felt uncomfortable. She lowered her head and looked at little Xin, hesitating if she should stand up.

tang yu glanced at her. "pei qiqi, isn't it normal for us to bring our younger siblings out to play?"

Younger brother and sister Yingluo (asking Qiqi's psychological shadow area)

pei qiqi lowered her head and didn't say anything. she called out softly, "big brother, hug."

“big brother can’t carry you, big sister can carry you, okay?” pei qiqi especially liked the feeling of being careful while holding her. that milk fragrance was especially good.

little xin glanced sideways at her, then reached out her chubby little arms to tang zheng. ” brother, carry me. ”

Chapter 796 the twins, little tang tang’s appearance (5)

pei qiqi didn’t say a word. this brother was tang yu!!!

he pursed his lips and watched as tang yu carried little xin over. little xin seemed to be very close to him as she wrapped her arms around his neck and kissed him.

pei qiqi’s eyes were a little hot. she was a little envious and a little jealous.

after all, they had the same mother and different fathers. they were different from her sister, who had different parents.

at this moment, little xinxin started sniffing and sniffing one after another.

tang yu picked up a piece of tissue paper and wiped her face clean. his movements were very skilled and he was very calm.

pei qiqi was a little worried,”did she catch a cold?”

” it’s congenital rhinitis. it’ll be fine after some medicine is sprayed. ” tang yu took a small medicine box from the side and held little xin in his arms. he let her little P * ss sit on his arm and put one chubby hand on his shoulder.

pei qiqi admitted that she was attracted by his cuteness. she watched as he raised his little and delicate face and carefully sprayed some medicine on it.

miraculously, it had stopped. however, xiao xinxin was not feeling well before, so she was acting especially coquettishly now.

she leaned on tang yu like a little lamb, proudly facing pei qiqi with her little P * s.

that little P * s was shaking and shaking.

PEI Qiqi’s eyes burned with desire. She wanted to hug this fragile little thing but Tang Yu didn’t say anything. He just continued to Pat the little girl.

Little Xin made a snoring sound like a little pig and fell asleep in a short while.

Her pretty little mouth was drooling and it dripped onto Tang Yu’s shoulder. He only frowned a little and used a tissue to help the girl wipe it off.

PEI Qiqi looked at the gentleness between his brows. She had never seen him so gentle before.

Perhaps he had been gentle to her in the past, but there was a difference between the two.

She watched quietly while Tang Yu coughed, ” take out a Little Bear from this bag and follow me upstairs to send her to bed.

pei qiqi looked at little zhao yan, ” what about him? ”

“he’ll play by himself.” Tang Yu’s tone was calm, but he had his own aura. PEI Qiqi really went to get the bear and followed behind him.

She walked behind him and made a face at him. If it wasn’t for the fact that little Xinxin was cute, she wouldn’t have listened to him.

she thought he didn’t know what she was doing behind her back, but tang yu’s low and hoarse voice came from the front, ” pei qiqi, you’re so childish. ”

she snorted softly and did not say anything, ignoring him.

when she passed by the study room, pei qiqi caught a glimpse of lin yun and tang zhiyuan drinking tea and playing chess. the two of them were quite free.

On the other hand, Tang Yu was like a nanny.

when tang yu passed by, he said to lin yun, ” “xiao yan is alone downstairs.”

lin yun immediately got up, and tang zhiyuan followed her downstairs. as he walked, he asked in a low voice, ” “what’s going on? i don’t think tang yu has any good intentions. he won’t mess around here, right?”

“what can we do! don’t forget that they were siblings now! do you think tang yu is like you?!” lin yun rolled her eyes.

they were getting along quite well now, like old friends, but lin yun always teased him.

however, he felt that it was a little uninteresting if she did not mock him. this was just right. everyone was at ease.

Tang Zhiyuan touched his nose. we’re not really siblings!

plus, tang yu was a man! How could one resist abstinence for a long time?

Chapter 797 i don’t know how to coax a child (part one)

it had to be said that men understood men. even in this situation, tang yu had already slept with her once.

lin yun didn’t answer and picked up little zhao yan. little zhao yan’s mouth was chattering, and he also wanted to sleep, but he wanted to drink grandma’s milk.

tang zhiyuan had raised a child before. at this time, his face turned red and he went out. he lit a cigarette and thought to himself that he actually wanted to take a look at hanhan, but he didn’t dare to.

after all, she was no longer his woman, and the child was no longer his.

Zhao Yi’s child! zhao yi’s woman!

Upstairs, Tang Yu put down little Xin, who was half-asleep. After he put her down, she became restless. She pouted like little Zhao Yan and then put her thumb in her mouth to eat.

Her chubby little body tossed and turned, refusing to sleep. After playing around for a while, she still didn’t get to eat, so she started crying.

Tang Yu patted the little guy but he couldn’t calm him down.

He raised his eyes and looked at PEI Qiqi across the bed. His gaze was deep, ” “You try to coax her.”

pei qiqi rejected it in her heart, i don't know how to!

although little xinxin was cute, she was still his sister!

Tang Yu's eyes darkened and he stared at her for a while.

PEI Qiqi took a step back but he was quick. In an instant, he stuffed the baby with the smell of milk into her arms.

The soft, fragrant, and snoring baby looked at her with his Dark Phoenix eyes.

at that moment, pei qiqi seemed to have seen tang xin and couldn't reject her.

Tang Xin was also so soft and cute. She also looked at her and called her Qiqi.

She clumsily held the little person and patted him. “is little xin xin going to sleep? close your eyes and sleep.”

Cute little baby looked at her with wide eyes and licked its little mouth.

She was quite obedient!

PEI Qiqi sang a children's song. At the beginning, little Xin Xin was quite happy. But as she listened, she pouted and let out a ” wow “. It was so unpleasant to hear.

or, tell a story?

PEI Qiqi reached out and wanted to get the storybook from the bed, but the baby's chubby little hand had already reached out and nimbly undid PEI Qiqi's buttons. Then, he bit her through her undergarments!

The little guy held it in his little hands and greedily and hurriedly ate the Kasaya.

pei qiqi was stunned!

pei qiqi was dumbfounded!

PEI Qiqi was dumbfounded!

she maintained her original posture and lowered her head to look at the little guy who was wolfing down the food.

the little guy also raised his eyes. his big eyes were teary as he looked at pei qiqi with accusation. none of them!

he sucked a few more mouthfuls, but he still didn't eat it.

pei qiqi wanted to separate her from herself but she suddenly thought of something.

she looked up and saw tang mo leaning on the side, looking at her with a burning gaze.

Her face heated up and she was flustered as she tried to remove her heart. However, a child who needs to sleep has the worst temper. The moment PEI Qiqi exerted her strength, she started crying. Waa! Her voice shook the heavens!

pei qiqi thought to herself, lin yun, hurry up and come over. it'll be fine if you carry her away.

However, Lin Yun didn't appear. Instead, the little guy was rubbing himself in her arms more and more, looking like he wouldn't give up until he got to eat it.

pei qiqi was flustered and didn't know what to do. she didn't have the experience of dealing with a kid like this.

at first, she was an angel, but now, she had turned into a little devil.

“do you need help?” Tang Yu's voice was calm.

PEI Qiqi was so touched that she was about to cry, ” yes. her voice was soft.

Tang Yu walked over and stood behind her. He held her waist with both hands and pushed up the last piece of clothing.

Chapter 798 I don't know how to coax a child (2)

pei qiqi's body turned cold and she finally realized what he had done to her!

She was originally very careful, but after being treated like this by Tang Yu, she instinctively covered her body.

However, just like that, the baby's soft little body free-fell onto the soft bed with a bang.

Although the bed was soft, it was the most intolerable thing for a baby who was about to fall asleep.

little xinxin's little butt was facing the sky, and her flowery skirt was lifted up, revealing a cute little bear printed on her little **.

moreover, her p-shaped legs were chubby and toot, and her short legs were also extremely cute.

the little guy buried his little head in the bed sheet and cried loudly. his little P * ck shook up and down, looking very much like a soul.

PEI Qiqi just looked at it and was frightened by Qianqian. She didn't know how alluring she was with her hands covered and her clothes half-exposed.

at least, at this moment, tang yu didn't look at the crying little xin. instead, he stared at pei qiqi's body with fire in his eyes.

The cute little baby had been crying for a long time and was a little tired. Also, no one was paying attention to her!

too detestable!

The chubby little guy turned over and stared at PEI Qiqi with his dark eyes. His tender face was also a little unhappy.

then, the little guy got up and stood at the perfect height on the bed. his little hand forcefully pulled pei qiqi's hand away and then he ate it in one bite.

pei qiqi was shocked. she wanted to push him away, but when she thought about the loud noise, she hesitated.

after hesitating for a moment, he was entangled by little xinxin.

He held it in his small hands, and with a bang, his small feet climbed directly onto her body. He hugged it with his four claws and ate with satisfaction.

Although it was still not there, the baby was still satisfied with the realistic touch.

The little guy ate with all his might, but he didn't eat even when he was covered in sweat. He loosened his grip a little and let out a "pop" sound.

she raised her head and looked pitifully at pei qiqi. then, she moved her head to the other side.

Tang Yu's eyes looked like they were on fire as he stared at the place where he had eaten!

pei qiqi carefully covered herself with her clothes with one hand.

But the more it was like this, the more alluring the situation was.

Tang Yu's gaze looked like he wanted to swallow her alive but he controlled himself.

Little Xinxin used up all her strength and fell asleep covered in sweat. Her red lips let go and her entire body laid in PEI Qiqi's arms like a little frog.

pei qiqi didn't want to hug him so she bit her lip and looked at tang yu, " "give her a hug."

Tang Yu's eyes fell on a certain spot and he smiled. Then, he walked over and picked up little Xin. Whether it was intentional or not, his rough fingers brushed across her Kasaya as he picked her up.

PEI Qiqi couldn't help but tremble. She immediately turned around and tidied her clothes. Her face was extremely hot.

Tang Yu put down the drooling little brat and leaned over to kiss her.

Then, he clenched Yingying tightly.

On his fingers, there was still a remnant of the touch from before, but at this time, it was actually magnified several times.

the desire that had been dormant in his body for a long time| Wang, like a wild horse that had lost its reins, became uncontrollable.

he got up and looked at pei qiqi, who had her back to him.

she had her back to him, and her shoulders were trembling. her little hands were buttoning her shirt, and she was probably nervous, so she couldn't do it properly.

He took two steps forward and hugged her from behind, his voice hoarse. "I'll help you."

Chapter 799 I don't know how to coax a child (3)

"Don't!" PEI Qiqi bit her lip, her voice weak.

She wanted to push him away, but she was worried about her heart. There was also Lin Yun and Tang Zhiyuan downstairs, so she didn't dare to argue with him.

Tang Yu's face was on her thin shoulder. His fingers slid across the wound on her waist.

little xinxin had taken it out from here, but she didn't know.

His fingers nimbly and gentlemanly buttoned up her clothes, but his voice was even more hoarse."You seem to be a little bigger."

although she had never fed a child before, a woman who had given birth to a child was different.

She used to be thin, but recently she seemed to have put on some weight.

He couldn't tell in other places, but when Xiaoxin lifted her clothes and ate her, he could really see that she was a little plumper than before. There was still that bone-eroding taste between his fingers.

However, he was now her 'brother'!

that damned brother!

he wasn't serious. pei qiqi grabbed her clothes and bit her lip, "let go of me."

tang yu was about to let go. he didn't plan on doing anything to her here, yingluo.

However, it was such a coincidence that they let go of him. Tang Zhiyuan and Lin Yun appeared at the children's room door with little Zhao Yan in their arms. They were sending little Zhao Yan over to sleep.

who would have thought that she would see her brother bullying his sister!

Tang Yu hugged PEI Qiqi from behind. His fingers were still in places he shouldn't be. He was clearly bullying her.

Tang Zhiyuan gave Lin Yun a look, "I told you!

Lin Yun was also speechless. Men were all bad.

did tang yu arrange this sibling relationship? it's one thing to care about the big picture, but it's mainly to satisfy his selfish desire to play a forbidden game?

she was sure that her son was outstanding, but it seemed like she didn't know enough about his shamelessness. this was the only thing that tang zhiyuan did better than her.

when tang yu saw his parents, he calmly let go of pei qiqi and explained, "little xin wanted to sleep just now, so she kept pestering her."

this simple sentence made lin yun and tang zhiyuan's minds fill up with a thousand words.

Lin Yun naturally knew about little Xinxin's habits. Tang Zhiyuan looked at little Zhao Yan and thought that the child they raised together probably had the same problem.

pei qiqi's face heated up and she couldn't care about anything else. she said in a low voice, "I'll be leaving first."

Tang Yu didn't say anything. He just looked at Tang Zhiyuan's face.

tang zhiyuan cursed in his heart. you were the one who wanted to be a stupid brother and sister. now, you're like this. you want me, as a father, to help you pull a face for your children. A rule?

Although he was angry, Tang Zhiyuan still asked PEI Qiqi to stay for dinner. However, PEI Qiqi couldn't stay. The scene just now was too embarrassing.

"no need, I told old kan that we'd have dinner together." She said softly and went downstairs. She walked so fast that it seemed like she was trying to escape.

"who's old kan?" tang zhiyuan was a little surprised.

Tang Zheng had already quickly walked towards the door and left a sentence. "It's her magazine agency's boss."

After he left, Tang Zhiyuan and Lin Yun walked to the living room outside. They closed the door carefully so that they wouldn't wake up the two babies.

Tang Zhiyuan sighed. Yunyun, look at these two kids. Can they still be together? "

Although Tang Yu's attitude was ambiguous, it didn't seem like he wanted to make things clear. It felt like he wanted to keep PEI Qiqi hanging.

Zhiyuan, don't call me

Chapter 800 i don't know how to coax a child (part four)

Tang Zhiyuan's face turned red when he heard that. he's not happy, but I'm not happy either. My wife was originally mine!

Lin Yun glared at him and Tang Zhiyuan didn't say anything. He touched his nose and felt bad.

"You're old, you've passed the age of being competitive, so you should be less angry," Lin Yun said softly.

Tang Zhiyuan didn't like to hear this. After taking a sip of tea, he snorted, " "at your age, didn't you all manage to have a child?"

Lin Yun stopped talking to him.

although zhao ke had been gone for two years, she still didn't want to come here. if it wasn't for tang yu, she wouldn't have come.

Tang Zhiyuan looked at her pursing her lips and not saying a word. He understood her.

they had been married for many years, so they could tell what the other person was thinking with just one expression. so, she sighed softly. alright, I won't say anymore. Let's get along peacefully. In the future, when I look at Zhao Yi, I'll treat him as my own younger brother.

the more he spoke, the more outrageous he became. lin yun rolled her eyes at him.

tang zhiyuan was a little childish at this moment. he felt like he had been abandoned. look, everyone had a companion. he was the only one living in such a big house.

Once she was sad, she said nothing. come on. If you have time, come and walk around. I won't be angry even if you bring Zhao Yi.

Seeing him like this, Lin Yun's heart softened. She said gently, " Zhiyuan, if you're really lonely, you should find a companion!

" i'm not as good as zhao yi, " tang zhiyuan said sourly. " i'm not as good as him. i've just gotten married and i'm already pregnant. "

Lin Yun was embarrassed and annoyed. He was not done yet! Mr. Tang isn't bad either. He's still young. Isn't that young model pregnant? " she sneered.

tang zhiyuan wanted to say more, but just as he was about to say it, he sighed. " "Yunyun, let's not talk about this anymore."

In fact, they were really not suitable for each other. After a short period of peace, they quarreled and brought up old scores. Zhao Yi was more suitable for her.

Lin Yun's heart also softened when he admitted defeat like this.

Downstairs, PEI Qiqi just walked out of the living room when Tang Yu caught up with her with his car keys, "I'll send you."

PEI Qiqi didn't stop, "I can walk by myself."

"there's no bus at the entrance, and there are very few cars!" he reminded her indifferently, no longer as impetuous as he was when they were alone upstairs.

pei qiqi paused. he thought that she had given in, but pei qiqi raised the phone in her hand, "I can Didi." (Soft placement of advertisements. Didi dingcha should pay Yaoyao an advertising fee.)

tang yu looked at her and the phone in her hand but didn't say anything.

As PEI Qiqi walked out the door, he spoke behind her, "pei qiqi, is there a need to be so clear about this with me?"

She paused again and said in a soft voice, "I'm scared! tang yu!"

She turned around, looked at him, and said calmly, "I'm afraid it'll be unclear."

she didn't want to do that kind of intimate thing with him again. they had been together for a long time and had sex countless times. Yes, he wanted her eyes. She knew very well that when Wanwan was upstairs, he had used those eyes to look at her.

Tang Yu put his hand in his pocket and smiled, "PEI Qiqi, are you afraid that you will break free from the secular world?"

When he asked this, her anger instantly burned and exploded.

"I used to not care about anything!" she stared at him and said, "I don't care if you're my brother or not. I don't care if we're related by blood. I only care if we can be together, if you want me, and if you want that child!"
