

Thank you 801

Chapter 801 i don't know how to coax a child (5)

she suddenly laughed. her laughter was a little ethereal, " tang yu, thank you for giving up on me. "

With that, she turned around and walked straight towards the door.

tang mo stood under the sun. the sun couldn't warm him because his little sun was leaving him.

He took a few steps forward and grabbed her wrist. "if you don't care now, then stay for dinner."

"unless you're afraid," he said with a stern look.

pei qiqi was stunned for a moment and subconsciously wanted to break free. however, he held her hand very tightly and the moment she struggled, her hand hurt badly. "

"Why do I have to listen to you?" "You bastard," she said in a sharp voice.

She struggled to break free and ran to the door, but he caught her after a few steps. This time, she stopped him by the waist and carried him to his car.

"what are you doing? crazy! Let me go!" pei qiqi punched his shoulders and kicked her legs.

she thought he was crazy. she was his biological sister. this was where tang zhiyuan lived and he dared to do anything.

"I'm crazy!" he hugged her and remained unmoved. his voice was also cold."pei qiqi, if you don't want me to go crazy, you better be good."

she was disobedient and continued to struggle desperately, kicking and screaming.

Tang Yu used one hand to stop her from running away and the other to open the back seat and throw her in.

Then, the car door was closed!

Tang Yu also got in the car.

pei qiqi was lying on the back seat in a sorry state with him behind her. (so excited, so perverted! The brother is going to teach his sister a lesson.)

she wanted to get up, but his large palm pressed down on her back, and his voice was unbelievably hoarse."In the Tang family, disobedient children need to be taught a lesson."

PEI Qiqi kicked and bit, " my surname isn't tang! Let me go!"

Tang Yu's eyes dimmed. PEI Qiqi, if you married me, why didn't you have the surname Tang?

on one hand, it was because she was disobedient. on the other hand, it was because of his bad nature. finally, he really couldn't stand the man who was not even 30 years old and was like a wolf and tiger, but he had to endure it for a long time.

it was all because of this damned identity!

Then he would make good use of this identity!

He pressed her down and slapped her with his large palm.

” pa! ” pei qiqi cried out pitifully. her voice was pitiful, and the end of her voice was trembling.

the beast in tang yu’s body was released. his body was filled with hot blood.

It seemed that he had not bullied her like this for a long time. He mercilessly slapped her a few times until her tears flowed out.

pei qiqi scolded him without a care for her own life. she used all sorts of words to scold yueyue.

the little girl who used to only know how to scold ” shameless, you’re a bastard, shameless, bad guy ” was now especially good at scolding people. she had learned it from old kan.

The more she scolded, the more he hit her.

Look at what his little fellow had learned in the past year!

after a long time, she cried sadly, and his eyes were red.

when he finally let go of her, he was shocked. how could he bear to hit her so hard?

But Tang Yu knew in his heart that he was jealous.

He was jealous that she smiled at old kan, even sat in old kan’s car and hugged him. He was also jealous that jinrong could hold her hand, confess to her, and even dare to tell the old master that he wanted to marry her!

his eyes were bloodshot. how could he do that?

Chapter 802 PEI Qiqi, you’ve slapped me again (1)

pei qiqi lay on the back seat and was hit several times. her little face was covered in tears. it was too shameful.

tang yu’s body leaned down and covered her tightly. his handsome face was right next to her cheek.

Her little face was cold because of her tears, while his face was a little hot.

it was very quiet in the car, with only the occasional sound of her sobbing.

PEI Qiqi’s body was weak. After being slapped a few times, she felt dizzy. She laid there for a long time and couldn’t get up. Her face was quiet and there were a few drops of tears on her long eyelashes. When she blinked, they fell like dewdrops.

her eyelids were pinkish from crying, and her usually pale face had a tinge of red on it. that delicate texture made him want to bite her. of course, he wanted to bite her little mouth more.

He thought so and did so.

Tang Yu didn’t think he was an impulsive teenager anymore, but he still couldn’t control himself and bit her. He couldn’t help but move closer to her soft and tender lips and gently sucked on them.

PEI Qiqi was still in a daze and didn’t wake up, so she let him do as he pleased.

Tang Yu’s blood was boiling. He turned to his side and lay down in the small car. He pulled her into his arms and carefully placed her down.

pei qiqi closed her eyes and still looked weak and weak. her small mouth opened slightly.

he knew that she was in a semi-conscious state.

she clearly knew that she shouldn't, clearly knew that her parents might be up there watching hanhan.

But he couldn't bear it.

She did hate him, so what if she hated him even more?

he reached into her slightly opened sweet mouth and tasted her. just kissing her like this was not enough to satisfy him.

he thought of how little xin would eat her, and his blood started to boil. he couldn't help unbuttoning her shirt and burying his black head in her clothes.

When PEI Qiqi woke up, her body was a little strange. She looked down and was shocked.

Her little hand pulled on his hair, " Tang Yu!

tang yu was originally quite infatuated, but now he was pushed to the side and teased.

Her clothes were disheveled, and she quickly sat up to hug herself. Her clothes slid down, revealing her slender body and white back.

tang yu sat on the chair opposite her. he tidied up his clothes and didn't do anything. he just sat there and watched her.

PEI Qiqi tugged at her clothes but after a long time, she didn't pull them up properly.

"I'll help you," he said in a hoarse voice.

One slap on his handsome face. PEI Qiqi had slapped him countless times.

but tang yu was thick-skinned and didn't care at all. he carried her over, put her on his lap, and helped her button up. he didn't say anything or explain anything.

he had indeed kissed her, and they had even touched each other more than that. they were only one step away from having sex.

pei qiqi turned her little face to the side and felt embarrassed, " let go of me. "

He let go of her, but he did not get out of the car. Instead, he locked the door.

PEI Qiqi was furious. She hit the car window, " Tang Yu, what do you want?!

He's a bastard!

she glared at him, but he was unmoved.

in a moment of desperation, pei qiqi grabbed his arm and bit down hard.

Tang Yu's voice came from above her head, " you can't get out of this car without a fingerprint.

After a pause, he said in a self-deprecating manner, " actually, pei qiqi, it's good if we can stay together. "

Her little face was still buried in his arm, and he was indifferent, as if he couldn't feel the pain.

Chapter 803 PEI Qiqi, you slapped me again (2)

PEI Qiqi slowly raised her eyes and looked at him. Her eyes were filled with stubbornness.

Tang Yu didn't care about the pain in his arm, "I'll send you back." as he spoke, he strode to the front of the driver's seat, picked up the cigarette box on the central control, took out a cigarette, and lit it.

the car window rolled down a little. with the cigarette between his fingers, he started the car with one hand and drove away from yan hui with the other.

PEI Qiqi sat in the back seat. Her entire body was frozen. She didn't look at him and only looked out the window.

Every second she spent with him was torture because his aura was so strong that she couldn't ignore Hanhan.

The entire journey was silent.

An hour later, the black limousine finally stopped at her apartment. It was already noon, and he could have forced her to stay for lunch at Yan Hui.

However, after what happened between them, she would probably feel uncomfortable.

he thought for a while and still brought her back.

Tang Yu's long fingers landed on the steering wheel and his voice was soft, "don't you have anything to say to me?"

"Do you want to hear" beast "or" animal "?" PEI Qiqi moved to the car door and wanted to open it, but she still couldn't.

She pounded on the door and shouted angrily, "tang yu, open it."

he was still sitting calmly, and his voice was even softer. pei qiqi, i'm hungry. " PEI Qiqi, I'm hungry. I want to eat the noodles you made. I also want to eat you.

pei qiqi's hand was in mid-air before she slowly lowered it.

She looked at the man in front of her, her lips moving slightly, but she could not make a sound for a long time.

She remembered that when he had returned from his business trip, she had been cooking in the kitchen. He had walked over to hug her from behind, kissed her Little Neck, and told her that he was hungry.

In the end, she didn't eat, so he carried her to the counter.

That was the only time they had done it in the kitchen. It didn't feel good because they were afraid that the person opposite them would hear them.

Moreover, the counter was too cold and hard, and she felt uncomfortable.

later, she was carried to the soft bed. after a few times, when she was feeling dizzy, his voice rang in her ear. "PEI Qiqi, are you feeling better now?"

later on, whenever tang yu wanted to, he would hug her and tell her he was hungry.

Now that she heard him say this, PEI Qiqi felt an unspeakable sense of sarcasm. She smiled and looked out the window. Her voice was light, ” “you can find your fiancée!”

tang yu was silent.

just when she thought he wouldn't answer, he opened his mouth and said calmly, ” there's nothing going on between me and her! ”

a pair of fiancé and fiancée, and he said there was nothing?

PEI Qiqi laughed coldly and didn't reply.

Tang Yu looked at her side profile from the rearview mirror. He stared at her for a long time and then reached out to press the button. The car door opened and his voice had a slight raspiness to it, ” “you can get out of the car now.”

pei qiqi opened the car door and left without any hesitation.

Tang Yu sat there for a while and couldn't help but get out of the car. He stood there and watched her back as she disappeared into the elevator.

The phone in his pocket rang. He took a look and saw that it was Shen Lian.

her tone wasn't good, ” tang yu, i want to see you. ”

tang yu's eyes were still on the elevator entrance and he said calmly, ” “i'm not free now.”

“Then when will you be free?” “i have to sell 20% of sheng yuan's shares?” shen lian's voice was shrill.

tang yu's body felt cold. he had never felt so tired before.

If he was facing an ordinary competitor, he would not be so tired. However, Shen Lian was a lunatic.

she had completely lost her mind.

Chapter 804 you can't stop taking the medicine (1)

He couldn't take the risk. He couldn't let Qiqi and little Xinxin be exposed to danger. He still had Sheng Yuan's shares.

in the past, he had also wanted to punish shen lian. however, she was very lucky and only lost one of her legs.

shen lian also knew that he was the one who did it, but she was not willing to give up. she insisted on doing it her own way.

tang yu was silent.

Shen Lian laughed strangely. we're talking about your sad part, right? ” tang yu, you love pei qiqi so much. you will definitely give up everything! tell her that you gave me 20% of sheng yuan's shares to cure her. as long as you're with her, i'll sell sheng yuan's shares to her rival. then, the legend of sheng yuan will be rewritten.”

by the way, you can also tell her that in order to cure her illness, you aborted her child and even gave up on Tang Xin for her. Tang Xin was killed by me! also, because of her, you wanted to kill

my sister. tang yu, you can tell her all this.” shen lian’s voice became even crazier. ” let her know how much you love her and how willing you are to do anything for her. ”

Tang Zheng held his phone and closed his eyes. After a long time, he said softly, ” see you at the fishing village in the South Sea.

after that, he hung up the phone and called lin yun. he told her that he would not be going back to yan hui for lunch and that he would pick them up later.

After the call ended, he put down his phone and looked up at the floor PEI Qiqi was staying at. His eyes darkened.

he opened the car door, got in the car, and drove straight to the place where he was supposed to meet shen lian.

Shen Lian had already arrived in advance and had booked a private room. She was wearing a high-end suit and had wrapped herself up very carefully. She had lost the gentleness and beauty she had before.

tang yu didn’t care about her appearance so he walked over and sat down.

“i’ve already ordered.” shen lian’s tone was no longer as hysterical as it was during the phone call. instead, it was very calm.

tang yu sat there and didn’t say anything.

in the past, he might have been angry when he faced shen lian, but now he was very calm.

“Aren’t you going to ask me why I called you out?” shen lian’s lips curved up. her makeup was exquisite, just like before.

The waiter came over to serve the dishes. They were all Tang Yu’s favorite steamed buns. Obviously, Shen Lian’s threat was a threat, but she was still very considerate.

But Tang Yu, as long as he was with her, he had no appetite!

i’m not hungry!

“what is it?” He asked indifferently. He had no intention of eating the delicious food.

However, Shen Lian didn’t answer him directly. Instead, she opened her chopsticks and placed some food on Tang Yu’s plate. Her voice was gentle, ” Tang Yu, let’s get married, okay? ”

His brows furrowed imperceptibly, and his gaze became even more unfathomable.

slowly, tang yu stood up and smiled, ” shen lian, did you forget to take your medicine today? ”

The smile on her face froze.

she had told him that they were married, but he had said that she had not taken her medicine.

Yes, she knew that it was impossible for him to marry her. She even knew that he had once tried to kill her Hanhan.

However, she still had a glimmer of hope in Him. As long as he loved her, she was willing to forget everything and start over with him.

“medicine? I’m eating it!” an innocent smile appeared on her face, ” tang yu, i’m serious. ”

“I’m also seriously answering you.” tang mo smiled but the smile didn’t reach his eyes.

shen lian stood up as well. ” why? after so many years, i still can’t warm your heart? ”

tang yu’s face turned bitter, ” shen lian, is your heart warm? ”

Chapter 805 You can’t stop taking the medicine (2)

her expression was a little stunned, and then she sneered, ” “Yes, I’m cold-blooded! I made my father like that, and I even told Tang Xin on purpose, but she ended her life stupidly. Tang Xin is great, but I’m despicable, aren’t I?”

shen lian stared at tang yu, ” no matter how despicable i am, i still extracted my bone marrow to save pei qiqi. i saved your precious baby. and you? is this how you repay me? ”

tang yu’s expression was calm. ” you can tell pei qiqi everything. you can even sell sheng yuan’s shares. you can do all of this! ”

“Aren’t you afraid?” Shen Lian was stunned.

“I’m scared.” “But Shen Lian, that would also be a form of relief for me.” Tang Zheng rubbed his eyebrows.

he had too many concerns. he could not act rashly. before shen lian became desperate, he could not bear to break this peace and lose it.

What he cared about the most was Tang Xin’s departure and PEI Qiqi’s health.

If it wasn’t for his choice, Tang Xin wouldn’t have left so quickly, and Qiqi would blame him.

However, all of this would be forgiven because of little Xin Xin’s background and because his Qi Qi was soft-hearted.

Looking at the child, she couldn’t bear to let go of her Hanhan, who had hated him for so long. However, Sheng Yuan was far away, and he couldn’t lose him now.

the lin clan and shengyuan were connected. if shengyuan was lost, the lin clan would also have to be careful.

he could not use the two families to play a game of love with shen lian. moreover, he would be even more passive if he lost everything.

At that time, what would he use to suppress the crazy revenge of a madman?

the desperate shen lian is the most terrifying qianqian.

“i don’t believe it!” shen lian’s voice was tense.

“as you wish.” Tang Yu wasn’t in the mood to eat so he turned around and left.

he placed his finger on the doorknob. shen lian rushed over and hugged him from behind.

She hugged him tightly and mumbled like a little lamb, no longer as fierce and vicious as before, "tang yu, don't go. "

she buried her face behind him and muttered, " i'm just scared! "

"PEI Qiqi is back. I know you met her and even gave her an interview! I'm afraid, I'm afraid that you'll be with her again." she left his back and looked up at the back of his head. she smiled bitterly. I'm so scared. I dreamed that PEI Qiqi took away everything from me. She took you away.

"You're thinking too much," Tang Yu's voice was soft, " don't forget. I'm her brother now.

"You dare say that you don't want her? When you look at her, don't you remember how you made love to her? don't you think about carrying her to the bed?" Shen Lian's voice was sharp.

Tang Yu's thin lips tightened. After a while, he turned around and was one step away from Shen Lian.

Shen Lian raised her sharp chin and her voice became sharper, Tang Yu, do you dare to say you didn't? "

"there are!" his voice was deep. " are you satisfied now? "

shen lian's expression was stunned. then, she hugged her head and screamed,"why should i be satisfied? tang yu, don't you feel guilty? you've done so much and even aborted her child. do you think she'll still accept you and let you sleep with her?"

the way tang yu looked at her was like he was looking at a lunatic!

in fact, shen lian had gone crazy. she had been tortured by her own inner demons.

she looked at him with tears in her eyes and pleaded, " "tang yu, can you not love her? You love me, okay?"

She begged him so humbly, her voice choked with tears.

Chapter 806 Tang Yu's weakness (1)

She had also once said that she would never beg him again.

However, when PEI Qiqi set foot on this land again, she was afraid that she couldn't sleep at all. She urged PEI Qiqi to come back and take away everything from her!

tang yu looked at her and didn't say anything.

he wasn't that naive to think that she could turn back and let him go.

If she could, she wouldn't have been so crazy to harm Shen Zhongshan.

he did not soften his heart for her. he opened the door and went out directly, as if he did not hear her crying behind him.

he and Shen Lian had formed a dead end. neither of them would take the initiative to break this strange balance.

He was waiting while Shen Lian was holding Yingluo back.

if she couldn't get what she wanted, it meant that he couldn't get what he wanted either.

Tang Yu lit a cigarette at the door and slowly walked out.

back at Yan Hui, Lin Yun and Tang Zhiyuan were waiting for him while the two babies were still sleeping.

Tang Yu first went upstairs to check on little Xin. When he came back down, Lin Yun spoke first, "How is it?"

Tang Yu walked to the sofa and sat down. his body sunk into the soft sofa and he rubbed his eyebrows, "Nothing much."

"You can't keep letting little Xin stay here," Lin Yun said anxiously. She was clearly her grandmother. If this got out, she would be laughed at.

Tang Yu looked at his mother. His lips moved but in the end, he didn't say anything.

He was a rare weakling in this matter.

He couldn't predict what Qiqi would think after she found out the truth. Would Qianqian hate him even more?

Lin Yun didn't say anything else when he didn't say anything.

In fact, they knew Tang Yu very well. How could they not know that Tang Yu had something on his mind?

Lin Yun hesitated, "Tang Yu, we're old. We've seen and experienced everything. We really don't lack anything! So, you don't need to worry about anything because of us."

Tang Yu wiped his face with his hand and his entire body staggered backward.

he didn't say anything for a long time. after a while, he stood up and smiled. "mom, qiqi's illness is not completely out of observation."

The incubation period for this disease was three years. After three years, there would usually be no problem.

He meant that he could not completely fall out with Shen Lian even after three years!

on the day of the engagement, he did something to Shen Lian's car. at that time, he did not know about it. after he found out, he could no longer do anything to the source of bone marrow!

Even though the chances of a successful bone marrow transplant after the relapse were very small, he would rather keep Shen Lian alive.

No one knew their son better than their mother! Tang Yu only said half of the sentence and Lin Yun understood.

She was stunned. Then, she let out a long sigh. Tang Yu, this child, why did he have to do this?

He had sacrificed himself for the sake of the unpredictable future.

“But have you ever thought that three years is enough to change many things?” Lin Yun sighed, “Jinrong begged the old man to help him. Although he hit him a few times, the old man relented.” &Nbsp;

One had to know that PEI Qiqi and Jinrong were a couple. Jinrong had made such a huge sacrifice for PEI Qiqi in the past. Even if they were together now, no one in the world would object.

Tang Yu's expression froze for a moment. He lowered his eyes, “I won't let her be with anyone else.”

Lin Yun looked at her excellent son. No matter how she looked at him, he looked like a silly son of a landlord family. She didn't say anything more. When the babies woke up, she fed them and took them away.

Tang Yu drove her to her and Zhao Yi's place. Lin Yun got out of the car and looked at Tang Yu's careful heart. She felt a little sad and hoped that Tang Yu would settle this as soon as possible. She also hoped that the three years would arrive soon so that Tang Yu wouldn't have to worry about anything.

Chapter 807 Tang Yu's weakness (2)

She said worriedly, “Then, Jinrong qianqian ...”

She had her concerns. After all, Jinrong was her nephew. It would be a lie to say that she didn't love him.

Tang Yu's voice was a little hurried and bitter, “Qiqi won't fall in love with anyone else.

She had loved him deeply, so how could she easily accept someone else?

Lin Yun nodded and told the servants at home to take the two babies back to Zhao Yi before turning back.

There were some things that she couldn't say even in front of Tang Zhiyuan. At this moment, there were only the two of them, so she still said, “Tang Yu, you need to know your limits. Shen Lian is currently in a bad mood.

Even if she didn't say anything, Tang Yu already knew. He smiled faintly to show that he understood.

Lin Yun left after giving her instructions. Tang Yu turned around and got into his car, driving all the way back to the Rose Garden.

Although he was very hungry, he was not in the mood to eat. Under the little maid's uneasy gaze, he slowly walked upstairs.

He had not allowed anyone to come upstairs for more than a year, so he had taken care of everything himself.

The bedroom was still the same as when PEI Qiqi was there. Their wedding photos were hung on the wall, aww.

Tang Yu was sitting in the living room, his body deep into the sofa.

Today, he had gone through ecstasy, passion, anger, and helplessness.

A small, squarish robot slid over. It had an ugly and cute appearance. It looked like it was made of real leather. It had a round face, long hair that reached its shoulders, a small body, and four thin legs, but it was very agile.

The little robot slid over. It even plunged into Tang Yu's arms and called him "dad".

Tang Yu's fingers gently caressed her black hair. No one knew that it was PEI Qiqi's hair.

He had cut it himself the month she was unconscious.

he felt like he was touching her! Tang Yu's mood improved. He lowered his head and picked up the little person and placed it next to him, "little seven, you're the most obedient one.

"You're not like your mother. She's so stubborn that she often makes my liver hurt."

The robot called little seven nodded, its round eyes blinking a few times to show that it understood.

Her program was very simple. She just wanted to get along with him after seeing him. Tang Yu didn't have anyone set up other functions for her. All she needed to do was to have a simple conversation and spend time with him.

However, this kind of emotional communication was something that the most advanced robots were equipped with. The number 7 on the market did not have such a high-level emotional exchange.

little seven obediently leaned on tang yu's side. then, she fawningly laid on his lap. tang yu looked down at her and smiled. (PEI Qiqi has a love rival!), "go and play by yourself."

Little seven refused and continued to lie on his lap. Tang Yu had no choice but to hug her.

"you're so clingy, just like your mother."

xiao qiqi's little hands and feet were wrapped around him. tang yu couldn't help but laugh. however, his mind was wandering. he thought about what he did to pei qiqi in the car today. if she didn't wake up, he would be worse than a beast today.

but he didn't care that much. if he was worse than a beast, then so be it!

Downstairs, the maidservants were gathered together, a little worried ...

"sir is alone with that robot again. If this goes on for a long time, will it develop psychological problems?"

"I think there's already something wrong with it," the other one said quietly.

"that's right, which man at his age doesn't have a woman? he's with a robot. will something indescribable happen between him and the robot?"

After that, he said,"it's too dirty."

Chapter 808 the charity night (part one)

Jia Ren magazine sold well hotcakes again, and it was three reprints.

the boss of the magazine agency counted the money until his hands were tired, and the managing editor was also very proud.

that man magazine had always claimed to be the boss of the industry, but this time, their jia ren magazine had completely outdone the bullsh * t magazine that specialized in taking off women's clothes.

the managing editor felt good just thinking about it. that was why he found pei qiqi particularly pleasing to the eye. he spoke gently, " little pei, i've already applied for a pay raise for you. you've jumped two grades. this is a rare thing in our club. you must work hard. " After the managing editor finished speaking, he changed the topic. this time, I have a special reward for you and old kan.

pei qiqi looked at him pitifully. all she could see was money being poured down.

The editor-in-chief smiled mysteriously, slyly."It's a good thing, a good thing that's hard to come by in a thousand years."

he took out two invitation cards from his drawer and pushed them in front of pei qiqi and old kan, " celebrity ci shan ye! wasn't this a high-profile event hosted by ms. su mo? there are only two in the club, so i'm thinking it's better to let a meritorious official go."

Old kan took it over and looked at the advertisement on the back. He grinned. managing editor, don't tell us to secretly take photos and issue a press release or something.

The managing editor's plan had succeeded. He smiled in satisfaction. old kan, you really understand me.

Old kan really wanted to say, f * ck, I don't want to go.

He knew that this old man was clearly trying to trick him.

the managing editor smiled at pei qiqi and raised a finger, " 10000 yuan for the renovation. that's the capital, right? " dress up properly and make the headlines."

Old kan blew out a smoke ring and asked in a rough voice, " " we're making a magazine, and it's bound to paper. we'll grab the headlines if we want them. when you print them out in about a month, the whole world will know. "

the reason why the managing editor could become the managing editor was not only because he had foresight, but also because he was shameless and thick-skinned enough.

She was still smiling,"because this issue of the magazine is selling very well, I specially asked someone to open a Weibo account."

pei qiqi and old kan looked at each other and had a bad feeling.

Sure enough, the managing editor continued, " we will specifically release topics related to Mr. Tang. It's guaranteed to be an exclusive.

"We're not paparazzi," old kan said first.

what paparazzi? it's just photography. Why do you have to distinguish between them? " the managing editor stood up and patted old kan's shoulder. " the higher-ups are paying special attention to this project. we can develop in this direction in the future. "

"this is an act of copyright infringement!" Old kan reminded him. He didn't believe that the managing editor didn't know.

the chief editor had naturally thought of this long ago. he smiled sweetly. ” “these big shots don’t have the time to argue with us about this case.”

“Don’t forget that Sheng Yuan has a team of lawyers.” PEI Qiqi’s voice was soft.

the editor-in-chief glared at them. ” anyway, i’ll take care of it when it happens. you guys just have to collect the information that the fans want. ”

Old kan and PEI Qiqi looked at each other and didn’t say anything more.

Back in old kan’s office, PEI Qiqi threw the things in her hands aside and looked at old kan with her hands on her hips, ” “what do you say?”

old kan was taking a cigarette. after taking it, he stubbed out the old cigarette and casually replied, ” “What do you mean?”

“you’re really a paparazzi?” pei qiqi glared at him.

Old kan looked indifferent and smiled. you really think this will take long? this kind of thing just needs to be heated up for a while. a man like tang yu wouldn’t let his gossip run away.”

Chapter 809 the charity night (2)

PEI Qiqi’s gaze landed on the invitation on the table, ” then, what about this? ”

“go! Why aren’t you going?” Old kan showed his white teeth. what, are you still afraid?
”

PEI Qiqi’s voice was soft, ” I’m not scared.

Old kan put an arm around her shoulder. don’t you still have me? ”

.....

on saturday night, at the GM hotel in B city, the celebrity charity night was about to be held. there was a long red carpet in front of the hotel, and cameras of all sorts were continuously taking photos of celebrities on both sides.

The host was also one of the top variety shows in the country. He was explaining the guests on the red carpet’s signature wall. His partner was a newcomer. She was beautiful and pure, and she looked like she was going to be popular soon.

PEI Qiqi and old kan walked onto the red carpet. The emcee recognized old kan and said enthusiastically, ” let’s welcome old kan and his little girlfriend from Jia Ren magazine.

Actually, his eyes flashed and he didn’t see it clearly. Now that he saw it clearly, it was PEI Qiqi.

how should she put it? pei qiqi was tang yu’s ex-wife. no matter what happened between her and old kan, they shouldn’t say it out in the open. besides, mr. tang was also walking down the red carpet with his fiancée, shen lian, beside him.

the host made a mistake. old kan just laughed and didn’t correct him.

of course, tang yu also heard it. his originally emotionless face became even colder. shen lian, who was beside him, smirked and chuckled, ” this scene, it’s not very pleasant, right? ”

She was in a very good mood today, seeing such a big show as soon as she arrived.

also, pei qiqi, it's been a long time.

It must have been hard on Shen Lian. She could actually walk like an ordinary person with a fake limb and high heels.

She held onto Tang Yu's hand and walked towards PEI Qiqi with a victorious smile.

she wanted to see pei qiqi's crying face. she wanted to tell pei qiqi that tang yu was hers.

however, she thought too much. after walking to the end of the red carpet, tang yu didn't stop but walked straight into the banquet hall. shen lian stood there alone. her raised, delicate face had some cracks on it.

She just signed it and gave a public relations smile for the reporters to take a few photos. She didn't even look at PEI Qiqi.

this made pei qiqi think of the first time she met shen lian. she looked at her as if she was a lowly creature.

pei qiqi lowered her eyes and smiled,"as long as shen lian is happy."

"There's no problem, right?" old kan looked at pei qiqi.

PEI Qiqi shook her head and went in for a walk with the old man.

old kan carefully helped her carry her silver dress. it was a chest wrap design. he really couldn't tell that this girl actually looked good in this dress. there was no need to mention her looks. pei qiqi had always been a little fairy.

She had simply killed that White Lotus in seconds.

tonight, it was quite lively. old kan and pei qiqi were just about to go in when another pair of enemies arrived.

Qin Anlan and the recently popular fried chicken PEI Huan. Qin Anlan's gaze was calm and he looked innocent. Of course, PEI Qiqi remembered the scene of them working in the office two years ago.

However, she would not tell old kan about this.

qin anlan walked closer and slowed down.

After a long time, he finally walked closer and looked at PEI Qiqi, " you're finally willing to come back? "

old kan was listening at the side. this wasn't right. why did it sound so ambiguous?

he looked at pei qiqi and then at the surging waves in qin anlan's eyes. he was sure that this man was one of pei qiqi's women!

who had this disciple of his offended in the past?

the president of sheng yuan, the president of lin corporation, and the president of king entertainment, qianqian, were not to be trifled with!

Chapter 810 The charity night (3)

“Tell me, how many more romantic affairs do you have that you haven’t told me?” Old Kan lowered his voice and asked with some excitement.

Pei Qiqi also said in a low voice, “this is the only one.”

She smiled at Qin Anlan. President Qin, long time no see.

Qin Anlan did not give her any face and continued to look at her coldly.

That gaze looked very cold, but as a man, Old Kan naturally saw how much restraint there was in it.

This man seemed to love his beloved little disciple very much. Oh, there might be a good show to watch later.

Qin Anlan’s voice was cold, but Pei Huan, who was beside him, secretly stretched out his little paws to express his goodwill to Pei Qiqi. Pei Huan seemed to have forgotten about the unhappiness from last time.

Pei Qiqi found it hard to understand. Pei Huan used to be so mean. How did she suddenly become so silly and sweet?

or was it a character in one of the shows that hadn’t appeared yet?

She didn’t pay much attention to Pei Huan. Otherwise, she would definitely stick to her like sticky candy and wouldn’t be able to get rid of her.

Pei Huan was a little disappointed, but there were reporters taking photos now, so she still smiled sweetly and posed in her most touching manner.

Qin Anlan was in the entertainment industry, so he knew Old Kan. He looked at her and said, “Pei Qiqi, your taste has really changed.

Pei Qiqi hooked her arm around Old Kan’s and smiled, “I don’t have a good appetite like Boss Qin. Everything I eat is delicious.”

Qin Anlan only looked at her before entering with the naive girl.

Pei Qiqi shrugged her shoulders at Old Kan, “see? What peach? They’re directly enemies.”

Qin Anlan might have some feelings for her, but she didn’t dare to think too highly of herself and think that she was important to Qin Anlan. She was only important to him because she was with Tang Yu back then.

After they entered, Old Kan and the fashion devil Su Yue knew each other. They even hugged each other. Pei Qiqi watched from the side and silently looked up at the 45-degree chandelier above.

Su Yue and Old Kan exchanged pleasantries. She also sized up Pei Qiqi. Then, she chuckled, “Old Kan, this is the most iconic symbol among all the women around you.”

although she said that, Su Yue knew Pei Qiqi.

What a joke. Who in this industry didn’t know Tang Yu’s ex-wife? Now, he was with Old Kan. Did Old Kan not want to live anymore?

didn’t she see Tang Yu’s cold gaze?

also, President Qin,

that's right, the silly girl beside boss qin seemed to like chatting and kept looking in their direction. su 'er was an extremely intelligent woman. she wasn't even 40 yet, but she still had her charms. she was very popular in the circle and was also very shrewd. she could see through everything with one look.

Old kan glanced at his beloved disciple and said, "My disciple! Don't forget her if you can help her in the future."

Su Yue and PEI Qiqi also chatted for a while. She was an easy-going person, but occasionally, her affectionate eyes would drift towards old kan. After that, she even whispered a few words to him before leaving.

pei qiqi looked at old kan, " she didn't sleep with you before, did she? "

old kan touched his nose and didn't admit or deny it.

pei qiqi asked casually. she didn't think about getting to the point. she looked at old kan and really gave in to him.

it happened many years ago. We were both young then, so we just played together. old kan said a little uneasily, " "At that time, everyone was in a difficult position and under a lot of pressure."

Then, he stared at PEI Qiqi, " "Little wimp, why are you asking this?"

PEI Qiqi smiled and didn't say anything.
