Chapter 81

81 If you're pregnant, let's get married I

Auntie li was in her fifties and had a daughter overseas. She was a good person.

she stepped forward and helped pei qiqi back to her bed. as she walked, she scolded, " look at her face. it's still yellow. she doesn't know how to rest. if mr. tang finds out, it won't be good. she'll have to get her P * ss slapped. "

auntie li only said that tang yu was pei qiqi's boyfriend. she pulled a long face to scare her, but her eyes were full of love.

pei qiqi smiled and lay back down with auntie li's help. she closed her eyes and said softly, " auntie li, i just want to stand for a while. "

Auntie li tucked her in and softened her voice, coaxing her like she was coaxing a child. "Mr. Tang has told us not to get out of bed for the next few days. We'll wait for the doctor's approval."

Then, she smiled mysteriously. Mr. Tang dotes on you a lot. He's good-looking and rich. It's hard to find a man like him. You have to make good use of him.

PEI Qiqi naturally didn't say much and just smiled.

Auntie li sat by the bed and peeled a pear for her. Mr. Tang called and said that he would come over tonight.

pei qiqi told her that he had been here twice during the four days she was in the hospital. tonight was the third time.

Actually, Yueyue was bought to warm his bed. He really didn't have to be so concerned about her when she was sick.

PEI Qiqi didn't say anything. Auntie li gently pinched her and complained, " this child, why can't she be more careful!

pei qiqi responded with an 'oh' and auntie li laughed, " "That's right. Mr. Tang is a good match."

as she spoke, the door opened and chen xinjie stood at the door. when pei qiqi looked over, she stuck out her tongue, " "qiqi, this ward is even bigger than my house."

PEI Qiqi smiled lightly, " school's over.

chen xinjie acknowledged her and ran in. she sat by the bed and grabbed pei qiqi's hand, " qiqi, how are you? "

PEI Qiqi sat up slightly, " I'm fine. It's just an acute pneumonia.

"is it serious? Is it contagious?" chen xinjie covered her mouth and asked in a soft voice.

PEI Qiqi's eyes were filled with a smile as she leaned over to Chen Xinjie and slowly said, " "The doctor said it's contagious."

Chen Xinjie's eyes widened in fear.

"I was just lying to you!" pei qiqi leaned back and laughed. although her face was still pale, because of the prank, her little face had come alive.

chen xinjie clutched her chest and let out a long breath."qi qi, you're so bad!"

pei qiqi laughed, but her eyes didn't show any happiness.

Xinjie, how I wish the one who betrayed me wasn't you, Yueyue.

Auntie li only thought that the two girls had a good relationship. She smiled and stood up."You guys continue chatting."

Seeing PEI Qiqi happy, she was happy too. She was a young lady, so it was better to be lively.

Chen Xinjie brought PEI Qiqi her class notes and a piece of shocking news-

PEI Huan was pregnant.

pei qiqi was stunned.

"Just one time and I'm pregnant. Qi Qi, do you think there's still justice in this world? And she didn't even have a miscarriage after you beat her up like that!" Chen Xinjie's face was filled with anger. She stared at PEI Qiqi's little face, "I think PEI Huan's child is a little strange.

pei qiqi interrupted her, "she and lin jinrong are engaged. don't say such things in the future. "

"qi qi, i'm feeling injustice for you! Lin jinrong stammered, and Chen Xinjie's voice was a little excited.

At this moment, the door opened and Tang Yu walked in.

Chapter 82

82 If you're pregnant, let's get married II

pei qiqi's heart skipped a beat and chen xinjie shut up in time.

her lips moved and she coughed. "qiqi, i'll go back first. "

he picked up his backpack and nodded at tang mo before leaving.

Auntie li was a smart person. When she saw Tang Yu coming over, she smiled, "Mr. Tang is here. I'll go back first.

tang yu walked with her to the door and seemed to have said something to auntie li before she left.

pei qiqi felt uneasy. she didn't know how much gossip tang yu had heard.

tang zheng closed the door, walked over to her bed, and placed his hand on her forehead.

"Are you feeling better today?"

he paused for a moment. "i heard from auntie li that you got out of bed? "

Her voice was filled with a questioning tone.

PEI Qiqi's heart relaxed and she said, "I've been lying down for too long, I'm dizzy." he chuckled softly. "You can wait for me to carry you down."

As he said that, he ruffled her hair, causing her heart to be in a mess.

Just as he was feeling a little confused, Tang Yu said calmly, "Did you mention Jinrong just now? What's wrong with him?"

PEI Qiqi looked up at him and said, "Pei Huan is pregnant."

Tang Yu frowned and stared at her for a long time.

She didn't know what he was thinking, and she felt a little uneasy.

Suddenly, he placed his large palm on her small stomach.

PEI Qiqi felt uneasy and moved her Kasaya slightly.

"Do you want to get pregnant?" he asked in a low voice.

Her eyes widened as she looked at him in disbelief.

Tang Yu chuckled. With her young body, if he wanted her to get pregnant, it wouldn't take more than a few months.

He actually didn't mind having Yueyue, his and Pei Qiqi's child. However, he wouldn't force her to bear him a child.

She was obviously a little frightened. After a long time, she asked softly, "What if Yingluo is pregnant by accident?"

The frequency of them doing it was very high. Although there were always measures taken, there were always accidents in such things.

Pei Qiqi had never thought about it before, but now that he mentioned it, she couldn't help but want to know about Wanwan.

She did not want her child to be like her one day ...

No one wanted it!

Tang Yu lowered his head and looked at her dazed face. She must have been scared.

His long and beautiful fingers were still restless. Pei Qiqi's little hand grabbed his hand, "Tang Yu!"

She rarely called him that, and had never been so rude to him, almost treating him in the same way.

Tang Yu was also in a daze. He reached out and pulled her into his arms. One of his big hands pressed down on her fluffy little head, "If you're pregnant, then give birth."

She was stunned and wanted to look up at him, but he held her down and didn't let her move. He then said in a low and slow voice, "PEI Qiqi, we will get married then."

Pei Qiqi was completely stunned.

His hands pressed her even tighter until she was completely buried in his arms.

his body was warm and fuzzy.

pei qiqi's small hands hesitated for a moment before she finally hugged his body and slurped.

he lowered his head and searched for her small mouth. he kissed her and entangled himself with her very passionately.

don't whine. her voice was crushed by him, and she was completely swallowed by him.

he didn't have the chance to say the last two words, as he wrapped himself around her and kissed her again and again.

just now, tang yu made a decision.

it was enough to change pei qiqi's life.

Chapter 83

83 If you're pregnant, let's get married III

But he didn't say it out loud for fear of scaring her.

After this kiss, something seemed to have changed.

pei qiqi's legs were still soft. however, when she moved from the bed to his legs, he was really not afraid of getting infected. he held her the whole time and even when he was reading documents.

"i'm tired!" PEI Qiqi couldn't help but protest. She was a patient, not a study companion.

Tang Yu looked down at her and smiled. Then, he let go of her body, " I'll make you some congee, Hanhan.

PEI Qiqi looked at his back and felt uneasy, " Tang Yu, you don't have to be so good to me!

he didn't turn back and went to the attached kitchen to take a stroll.

From that day on, Tang Yu spent every night in the hospital room. Sometimes, he would even spend the day in the hospital.

meng qingcheng couldn't help but complain, 'do you have to? You're just a little girl, I don't think there's any Foxy methods that can make you dizzy, right?"

Tang Yu lowered his head and looked at the documents."i also don't want her to know those kasaya."

Speaking of this, he stopped for a moment, and his heart wavered slightly.

He had always been the one taking care of her on the bed. Even the last time she took the initiative when she was sick, he was the one taking care of her afterwards.

"what are you thinking about?" meng qingcheng sighed. " it's not like you've never seen a woman before. look at how precious you are now. "

I wasn't even this concerned in the beginning, Yingluo.

Tang Yu raised his head and looked at him, "but the only one I did it with was PEI Qiqi.

Meng Qingcheng understood.

he blinked. "well, don't you want to try something else? maybe it'll work?"

In the past, Tang Yu couldn't touch a woman. But now that he could touch PEI Qiqi, maybe other people could touch her too?

when he said that, tang yu only glanced at him and meng qingcheng knew that tang yu wasn't interested.

PEI Qiqi is beautiful, but I don't think she has much experience in that area. Meng Qingcheng couldn't understand. With Tang Yu's qualities, how did he fall for PEI Qiqi?

Regarding this, Tang Yu didn't explain anything. He didn't like to give his own orders.

he tidied up the documents on the table. meng qingcheng sighed, "“You went back to serve PEI Qiqi?”

“business trip! Assistant Meng, have you forgotten about the trip to city H?” Tang Yu said indifferently.

meng qingcheng almost forgot. he jumped off the table, "“i really forgot.”

Tang Yu snorted, picked up his briefcase, and walked out. Xiao ran immediately followed, "President, the private plane is already waiting.

When Tang Yu boarded the private plane, he took out his phone and called PEI Qiqi, "“I'm going on a business trip for three days. Auntie li will come over to make dinner, Yingying.”

PEI Qiqi had already been discharged from the hospital. She was sitting on the bed, her long hair draped over her shoulders and she was only wearing her pajamas.

She hummed in agreement.

Tang Yu was silent for a while and then laughed, "“be obedient.”

He said these two words very softly, but it also tugged at her heartstrings.

pei qiqi's face was a little hot. she stammered and couldn't say anything. she could only wait for him to hang up.

tang yu stopped teasing her and hung up.

in reality, he had been busy these past few days. however, in order to take care of pei qiqi, he compressed his schedule. originally, he didn't need to fly directly to city H. but now, qianqian shook her head and smiled.

On the other end, PEI Qiqi hung up the phone and Auntie li came over with a stewed pear, "is that Mr. Tang?"

pei qiqi nodded.

Auntie li wasn't stupid. After a while, she could tell that the relationship between PEI Qiqi and Tang Yu wasn't simple.

Chapter 84

84 If you're pregnant, let's get married IV

However, Mr. Tang was really good to PEI Qiqi. Perhaps, he might be able to make it work in the future.

“come, have a pear. it'll clear your lungs.” auntie li prepared it for her and brought it to her.

PEI Qiqi smiled and ate the bun in small bites.

“i'll take an afternoon nap. mr. tang told me to.” Auntie li treated Tang Yu's words like an imperial edict.

pei qiqi had no choice but to lie down and bury her face in the blanket. her voice was muffled, ” i'm going to sleep! ”

“Aren't you afraid that Mr. Tang will feel heartache if you get bored?” Auntie li helped PEI Qiqi loosen the blanket and then went out to do her own things.

after the door closed, pei qiqi's little face appeared. she looked in the direction of the door and touched the spot auntie li touched just now. it was still warm.

She looked at it in a daze and lay back down.

While she was sleeping, she dreamed of Zhao Ke's beautiful face again. She was holding a check and telling her to leave Tang Yu ...

mommy, mommy yingluo

pei qiqi broke out in cold sweat and her entire body was burning. when a hand touched her forehead, she threw herself into his embrace without hesitation.

At first, Auntie li was a little dazed, but after a while, she hugged the little girl in her arms affectionately.

this must be a nightmare, right? yingying's small body was trembling in her arms, and she couldn't help but feel tender and loving.

mommy, Momo. PEI Qiqi was still calling out softly. Large teardrops slowly rolled down from the corners of her eyes.

It was only at this moment that she could cry as much as she wanted.

Auntie li patted her on the shoulder and comforted her. PEI Qiqi only calmed down after a long time.

auntie li didn't ask anything. she also felt that it was a pity for such a beautiful girl.

Fortunately, Mr. Tang doted on her, but no matter how much he doted on her, he couldn't replace his biological mother. (Mr. Tang can smile shamelessly in place of his biological father~)

PEI Qiqi went to take a bath and felt much better when she came out.

The next day, Auntie li went back for a while.

PEI Qiqi sat on the sofa by the window and stared out in a daze. She got up, changed her clothes, took her bag and walked out.

After taking a taxi, they arrived at a high-end community with a nice name, Yan Hui.

in front of the european-styled villa, a white goddess statue was raised in the middle of the huge lawn, surrounded by little angels, and behind it was a fountain.

pei qiqi saw zhao ke and a girl around 15 or 16 years old.

the girl was very good-looking. she had princess-like hair and was wearing a pure lace princess dress. in front of her was an easel. she was painting an oil painting with zhao ke accompanying her.

At this moment, Zhao Ke's gaze was very gentle. Her fingers were tapping on the oil painting, and she would look at the girl from time to time. Her expression was very different from the last time they met.

PEI Qiqi stood there and looked on in a daze. She felt her entire body go numb.

It turned out that her mother was also gentle and knew how to love.

Zhao Ke raised her eyes and saw PEI Qiqi's gaze on her turn sharp. Then, she lowered her head and said something to the girl. The girl looked up at PEI Qiqi with a confused expression but still walked into the villa.

zhao ke walked out and went straight to the point. " "Did you change your mind?"

PEI Qiqi didn't say anything and just looked at her.

zhao ke was a little annoyed. pei qiqi's gaze made her extremely uncomfortable.

she didn't like to see pei qiqi at all. seeing pei qiqi reminded her of her past self when she was in a sorry state. for the sake of the child in her stomach, she had to sleep with pei minghe for a night.

Chapter 85

85 if you're pregnant, let's get married v

At this moment, this kind actually appeared beside Tang Yu. Even if it was just for fun, she wouldn't allow it.

Zhao Ke wasn't as panicked as she was last time. She turned her body and looked at the mansion behind her. Then, her eyes fell back on PEI Qiqi's little face. She said coldly, " you saw it too. Without you, Tang Xin and I would have a good life. I don't want to lose all of this. PEI Qiqi, please don't destroy my happiness."

PEI Qiqi subconsciously repeated her words, " "happiness qianqian"

It turned out that her other daughter was called Tang Xin, the princess-like Tang Xin.

and her last name was pei yingying.

pei qiqi laughed softly, " you never thought of me, right? "

Her face was filled with desire.

She had never had a mother. She had only seen PEI Huan being loved by Zhou Meilin in her arms, and when she was with her, she called her a little b * tch.

pei qiqi remembered that when she was very young, she didn't really understand what a b * tch was. she didn't know that she wasn't zhou meilin's child either. she only thought that if she could do better, would auntie like her? Would he kiss her like he did to PEI Huan?

it was only when she understood why pei huan called zhou meilin 'mom' and she called her 'auntie' that she knew that zhou meilin would never kiss her.

zhao ke was startled by pei qiqi's expression. her heart skipped a beat. it wasn't that she didn't feel pei qiqi's emotions, but how could she be soft-hearted so easily?

It was the shame of her life to do those things while pregnant with PEI Qiqi and PEI Minghe, Xuxu.

zhao ke's face was cold. " i didn't. "

PEI Qiqi was stunned for a moment. Then, she took a step back and laughed at herself, " I think it's Wanwan too.

She turned around and slowly walked in the direction she came from.

Zhao Ke saw that she was about to leave so she took a step forward and tightly grabbed PEI Qiqi's wrist, " leave Tang Yu!

PEI Qiqi raised her eyes and looked at Zhao Ke's beautiful face. At this moment, it was a little distorted from anxiety.

How could this be a mother's face? How could she desire warmth from her?

she shook off zhao ke with all her might and sneered. " madam zhao, don't worry. i won't tell anyone that you're my mother because that would be a humiliation to me. "

Zhao Ke was stunned for a moment. PEI Qiqi had already broken free from her. PEI Qiqi walked very fast while Zhao Ke stood there.

She looked at the beautiful back and was a little dazed.

If ... If that person had looked at her more and comforted her gently when she was pregnant with Qiqi, then she might have loved the child's Qianqian.

however, he didn't. that person didn't want her child. time and time again, he urged her not to have her child.

zhao ke thought of tang xin and her illness.

for a moment, she wanted to keep pei qiqi. perhaps pei qiqi's bone marrow was a match for tang xin's. perhaps tang xin's illness would be cured, hanhan.

However, that was only for a moment before she changed her mind.

no, she couldn't take the risk. she couldn't let anyone find out about her relationship with pei qiqi. she couldn't let zhiyuan find out about tang xin's identity.

Once she was discovered, she would have nothing, Yingluo.

at that moment, glory and wealth triumphed over family. zhao ke had once abandoned pei qiqi. at this moment, she had also abandoned tang xin to a certain extent.

When she walked back to the villa, Tang Xin tilted her head and looked at her lost look, asking softly, ” “mom, who was that sister just now?”

Chapter 86

86 tang yu’s jealous lover (1)

Zhao Ke suddenly woke up and looked at Tang Xin for a long time.

Tang Xin was scared and waved her hand in front of Zhao Ke, ” mom? ”

“she’s your brother’s wanwan’s mistress,” zhao ke said indifferently after coming back to her senses.

Tang Xin was still young, but she understood what ‘an outside woman’ meant. Her mother used to be her father’s ‘outside woman’.

but brother isn’t married yet. She should be considered his girlfriend! Tang Xin bit her lower lip and asked in confusion.

This hurt Zhao Ke’s heart. In the past, she was the most beautiful woman in B city, but her background was not too good, so she could only be a third aunt.

however, the man she had ever loved was only that one person.

That person was so prominent, but he had never taken her seriously.

“Child, don’t ask. You can’t tell your father about this, or he’ll be upset, understand?” Zhao Ke instructed.

tang xin nodded obediently and went to draw again.

zhao ke looked at her beautiful side profile in a daze.

PEI Qiqi looked more like her, while Tang Xin looked more like that person’s Wanwan.

A trace of pain flashed across Zhao Ke’s eyes. Her past was like a huge wave that came crashing down.

PEI Qiqi walked home and it took her more than two hours to reach home. Auntie li was so anxious that she almost went crazy. When she saw PEI Qiqi, she scolded her softly, ” he didn’t even bring his phone. He’s been out for so long. I’m worried.

PEI Qiqi looked at Auntie Li’s fierce face in a daze. She looked at her biological mother in a daze. Why didn’t any stranger care about her?

he didn’t even ask her how she had been all these years!

auntie li coughed lightly. ” alright, i’ll forgive you this time. you can’t do this next time. ”

PEI Qiqi reached out and hugged her, ” Auntie Li, can I call you mom? ”

Auntie li was stunned. She reached out her hand and caressed PEI Qiqi in her arms, " this child, you can call her whatever you want.

PEI Qiqi's two hands grabbed Auntie Li's arm and a smile appeared on her face, " I'll make chicken noodles for you. Tang Yu really likes Yingying.

she ran into the kitchen happily, and auntie li watched from behind, her heart sour.

he felt that this little girl had a hard time.

Tang Yu returned three days later. PEI Qiqi was watching TV with Auntie li. She had already gone to class during the day.

The door opened and the driver took Tang Yu's luggage and left. Tang Yu slowly closed the door, took off his jacket and threw it aside.

pei qiqi looked at him in a daze. she had already forgotten that today was the day he returned.

Auntie li had good eyes. She stood up and said with a smile, " "Mr. Tang, you haven't eaten before, have you? I'll go get some. It's a 70% shredded chicken noodle. It's really good."

seven or seven?

tang yu unbuttoned his shirt and changed his shoes. he looked at pei qiqi. her heart was beating fast and she stared at him blankly. auntie li saw this and smiled. then, she went to the kitchen.

tang yu walked over and sat on the sofa's armrest. he leaned over and kissed her on the lips. his voice was deep and hoarse, " "I thought you would only cook for me."

As he said this, he slapped her on her little butt as if punishing her. PEI Qiqi almost jumped up from the slap.

auntie li came out after heating the noodles and took off her apron. " "Then I'll go back first."

Tang Yu nodded and walked over to the dining table. PEI Qiqi went to the door to see Auntie li off.

Chapter 87

87 Tang Yu's jealous lover (2)

"you don't need to send me off. spend more time with mr. tang. he's really good to you!" auntie li was still worried.

At her age, she could clearly see that PEI Qiqi was with Tang Yu. Even if they didn't get married in the end, with this love, she would have no problems in life.

PEI Qiqi acknowledged her and waited for Auntie li to enter the elevator before closing the door.

just as she turned around, tang yu's voice sounded, " "Come here."

PEI Qiqi was stunned, but she still obediently walked to his side.

her slender waist was pulled by his large palm, and she sat on his lap.

tang yu put down his chopsticks. in reality, he hadn't started eating yet.

pei qiqi didn't dare to move or look at him as he hugged her. her head hung low.

"Qiqi." He lifted her chin and forced her to look up.

PEI Qiqi looked up. Her eyes were full of tears. When she saw the desire in his eyes, she lowered her eyes in a panic.

he chuckled and let her go. he patted her and said in a hoarse voice, ” “go and turn on the bathwater.”

“Oh,” she replied and quickly ran away.

As she turned on the water, she helped him unpack his luggage. However, at the bottom of the luggage, she saw an exquisite little box.

she was a little dazed.

“this is for you. open it and take a look.” At some point, he had leaned against the door and said lightly.

pei qiqi raised her head and looked at him. then, she opened the box.

there was an exquisite necklace inside. it was of a very retro style, with complicated ancient gold lines around it. there was a rich emerald in the middle. it was obvious that it was very valuable.

tang yu lifted her hair and put it on for her. he looked at himself in the mirror and smiled, ” “it’s very suitable for you,”

Jade wasn’t suitable for young girls, but when PEI Qiqi wore it on her neck, it looked surprisingly good.

PEI Qiqi’s fingers caressed the necklace gently. She had a feeling that Wanwan didn’t buy it on the spot.

Naturally, he wouldn’t tell her that he had gotten it from his grandfather, old Lin, who was Lin Yun’s father, when he went to city H.

this was something that his grandmother had kept for a long time. before she left, she told him that if one day he had the idea of starting a family, he should give this necklace to that girl so that she would not be able to escape.

Actually, Tang Yu had a better idea and that was to get PEI Qiqi pregnant.

However, she was still too young. She was twenty years old and was not suitable to bear children.

Putting down her hair, he leaned over and kissed her soft neck. His voice was already a little hoarse. take a shower together? ”

PEI Qiqi’s face was slightly red but she didn’t move.

tang yu picked her up and walked straight to the bathroom.

perhaps it was because she had been sick for a long time, or perhaps it was because he had not seen her for three days on his business trip, so he could not control himself in the bathroom. he half-coaxed and half-forced her to succeed ...

pei qiqi's small hands wrapped around his neck and she begged him with a broken voice, " She couldn't say the words "go in."

He bit her little ear and smiled a little evilly. "Baby, I'm here, Yingluo."

She clenched her small hand into a fist and punched him hard on the back.

Tang Yu laughed in a low voice. He leaned close to her ear and exhaled hot air on her ear, " either here or in the bedroom. Yingying, pick one.

pei qiqi couldn't stand him like this, but she didn't want to show up here.

Chapter 88

88 tang yu's jealous lover (3)

PEI Qiqi couldn't stand him like this, but she didn't want to show up here.

In fact, he did not stop at all, tormenting her.

she had no choice, and it was useless to beg him. in the end, she begged in a low voice, " "let's go to the room,"

He got his wish and carried her to the room. Just as he was about to love her, the doorbell rang.

Tang Yu cursed under his breath. His body suddenly tensed up. He didn't care about anything else but the doorbell continued to ring.

Her soft little hand pushed his shoulder, and her voice was also broken, " someone teased you.

he lowered his head and leaned on her neck. " don't worry about it. "

at this moment, she was so fragrant and so soft. he was even willing to die on her body, so how could he remember?

"Tang Yu!" she patted him with her small hand, but she could not do it no matter what.

He looked down at the beautiful face in his arms and exhaled with difficulty. Finally, he got up and left her. He grabbed a bathrobe and put it on. Before he walked out, he turned back and said, " don't go out yet.

pei qiqi was closing her eyes to calm herself down. her face was a little red and her eyelids were pink. she looked weak and weak. when she heard his words, she responded with an " en. "

tang mo silently watched for a while before going to the door to open it.

the person who came was unexpected, lin jinrong.

"Jinrong?" tang yu slowly opened the door. at the same time, he could smell the faint smell of alcohol on lin jinrong. he frowned, " "You drank?"

lin jinrong was wearing a pair of jeans with a white shirt on top. his coat hung over his shoulders as he smiled and walked in. " yes, i drank a little. brother tang zheng, are you asleep? "

his eyes fell on tang yu. as a man, he could feel the scent of love jade on tang yu. the desire in his eyes hadn't completely disappeared.

This was different from the usual Tang Yu He knew. The usual Tang Yu was always serious and imposing.

He had never seen his Yingying act like a normal man.

and the girl who made him a normal man was none other than pei qiqi.

Lin jinrong looked at him for a long time. Tang Yu had already closed the door and walked to the kitchen to pour Lin jinrong a glass of water. They sat on the sofa together, "I heard PEI Huan is pregnant?"

Lin jinrong's good-looking lips twitched. He looked down at the water in the glass and then looked up again. can you have a drink with me?"

He knew that PEI Qiqi was in the bedroom. It was possible that she was under brother Tang Yu when he interrupted their conversation.

Lin jinrong didn't know why he was here. Perhaps he was unwilling, or perhaps Wanwan wanted him to give up.

Tang Yu looked at Lin jinrong indifferently. After a long time, he smiled, "of course.

He stood up and went to the bar counter to open a bottle of fine red wine. He poured two glasses, but before he could bring it over, Lin jinrong walked over and teased, "

"Drink here!" Lin jinrong took out a pack of cigarettes from his pocket and placed it on the counter. He lit it up and looked at Tang Yu, "Do you want one?"

Tang Yu smiled, "no need!

He looked at the bedroom door. It was closed. He turned back. Qiqi had pneumonia a few days ago. I don't smoke at home.

lin jinrong was stunned. the finger holding the cigarette didn't move for a long time. he stared into tang yu's eyes and tang yu didn't look away. his expression was still calm, "qiqi is pei huan's sister. you've met her before. "

At that moment, Lin jinrong felt that Tang Yu knew something. But Tang Yu had always been profound. Even if he knew, he wouldn't expose it. He was far more composed than Lin jinrong.

Chapter 89

89 tang yu's jealous lover (4)

lin jinrong's voice was hoarse. "you're together with her?"

tang yu smiled, "yes. "

Lin jinrong didn't ask any further. He just took a deep puff of his cigarette and drank the wine in his glass before pouring himself another glass.

red wine could not get him drunk, and the more he drank, the more sober he became.

tang yu only took a sip and sat there the whole time.

” brother tang zheng, you said before that you wanted to find a girl you like to date and a suitable woman to marry. now, pei qiqi is the one you like or the one that suits you? ” Lin jinrong looked straight into Tang Yu’s eyes.

Tang Yu’s eyes swept across the empty bottle-jinrong still drank too much.

His body leaned against the wine cabinet, and his expression was a little lazy. jinrong, maybe I’ll find a girl I like and suit me? ”

he looked lazy, but his eyes were sharp.

Lin jinrong was stunned. He didn’t expect Tang mo to say that about ran ran.

The air seemed to have frozen. In this silence, the door opened. PEI Qiqi was wearing her pajamas and standing barefoot at the door. She called Tang Yu’s name softly.

then, her gaze froze as she saw lin jinrong.

lin jinrong turned his head and looked over. his breathing seemed to have stopped as he stared at her in her pajamas.

Was she going to lie down next to Tang Yu like this, naked?

“Go in and change your clothes.” tang yu’s voice was stern and tense.

PEI Qiqi came back to her senses, but her eyes were still blank. She slowly responded with an ” Oh ” and then returned to the bedroom in slow motion. She leaned her back against the door and her heart started beating fast.

although she knew that she would see lin jinrong from time to time since she was with tang yu, she didn’t expect lin jinrong to come here, especially at night.

she was a little embarrassed.

someone knocked on the door and she jumped out like a rabbit. tang mo’s elegant voice came from the door.”qiqi, come out and have some noodles after you’ve changed.”

She stared at the door for a long time before he knocked again and left.

pei qiqi took ten minutes to adjust herself. she told herself that this kind of thing might happen a lot in the future. she had to get used to this.

Lin jinrong, PEI Huan, and Zhao Ke made her relationship with Tang Yu dangerous.

She should have run away. Her feelings for Lin jinrong, her relationship with Zhao Ke, if Tang Yu found out about any one of them, she would be doomed forever.

when that time came, would he still hold her in his arms to comfort her when she was afraid? would he still comfort her like an obedient baby?

She also admitted that she was selfish. She had hidden in the protection net woven by Tang Zheng.

When she left, she didn’t look at Lin jinrong. She just smiled at Tang Yu, ” I’ll go downstairs.

lin jinrong only glanced at her and did not say a word.

tang yu smiled, " qiqi's chicken noodle is not bad. jinrong, have another bowl later. "

Lin jinrong was stunned and couldn't help but look at Tang Yu.

everyone in the lin family knew that tang yu liked lin yun's chicken noodles the most. now, he liked pei qiqi's chicken noodles?

PEI Qiqi stopped in her tracks and walked into the kitchen.

Lin jinrong still didn't stay to eat the noodles. He was afraid that he wouldn't be able to digest Wanwan.

He picked up his coat and patted it. I'll get going first!

tang yu didn't stop her and continued to lean there, " "drive slowly."

Lin jinrong smiled and looked towards the kitchen.

Lin jinrong smiled and looked towards the kitchen.

At this moment, PEI Qiqi was wearing a pair of denim shorts. Her slender legs were white and straight and she wore a big t-shirt on top. Her hair was casually held up by a long clip and her side profile looked very gentle and charming under the light.

She was doing it for brother Tang Zheng in his house!

Tang Yu didn't move and watched as Lin jinrong slowly closed the door.

pei qiqi brought two bowls of noodles over. tang yu was the only one left at the bar.

"Jinrong will be leaving first!" He said lightly.

Oh, " PEI Qiqi replied and heaved a sigh of relief. She looked at the noodles on the table, " what about this? "

Tang Yu walked over. She thought he was going to eat noodles so she quietly pushed him to his usual seat.

however, he did not sit down. he stretched out his long arm and grabbed her wrist. with a slight force, she fell into his arms.

His kiss followed, a little urgent and fierce.

Tang Yu! she clenched her fists in fear as she lightly punched his shoulder.

however, no matter how much she struggled, she could not move him. he brought her to the wine cabinet.

When she realized his intention, she struggled slightly and said in a kitten-like voice, " Tang Yu, don't kiss me like this.

Tang mo stopped and stared into her eyes. There seemed to be a storm gathering in his black eyes and she almost drowned in them.

He lowered his head to kiss her again and muttered in a low and hoarse voice, " why can't I? Eh? PEI Qiqi, tell me!"

he domineeringly bullied her in this place, where jinrong used to stand. pei qiqi couldn't stop him even if she cried softly.

he did not let her go easily and carried her to the bedroom.

PEI Qiqi lay in his arms. He didn't seem angry anymore and seemed to be taking his time.

he cupped her face in his hands and said in a low and hoarse voice, " pei qiqi, do you like me treating you like this? "

she sat on him helplessly and turned her little face to the side. she trembled and refused to speak.

He teased her even more and kissed her little mouth, insisting that she say it.

"tang yu!" she cried out softly, her little hand on his shoulder, not knowing what to do.

although she had done it with him before, she was still not used to the intimacy between men and women. she was extremely afraid of yingluo.

he was so hard-hearted that he wanted to torture her. in the end, she cried out softly and said, " i like it. "

Since she liked it, he didn't hold back. He asked naughtily, " do you like it like this? "

her voice was broken as she kept saying that she liked it.

"pei qiqi, do you like me?"

she closed her eyes and mumbled softly and unconsciously that she liked yingluo.

Tang Yan suddenly pulled her into his arms. PEI Qiqi, since you like her, you can't change!

Remember, you told me that you like it.

however, she was in a daze and did not know about his dark thoughts.

After a night of indulgence, Tang Yu wasn't in the mood to shower. He hugged her and fell into a deep sleep.

However, he had woken up early in the morning as he was the host of Sheng Yuan's shareholders 'meeting.

pei qiqi was still asleep. he looked at her sleeping face as he put on his clothes. he probably bullied her too much last night. even now, there were still tears at the corner of her eyes.

tang yu didn't have much of an expression on his face. he knew he lost control last night and this loss of control came from jinrong xuanji.
