

Thank you 811

Chapter 811 The charity night (4)

because it was a charity night, there would naturally be an auction. pei qiqi and old kan were only here for fun, so they just watched.

tonight's rules were a little perverted. the items that one donated could not be auctioned. if one wanted to get back, they could only rely on their male and female partners to raise their cards desperately.

Because of this mini-game, the crowd was very enthusiastic. It was a game that rich people liked to play.

pei qiqi stood beside old kan and turned her head, " teacher, out of all your women, she is the most capable. " she was referring to su yue. it was obvious that su yue was very popular.

Old kan chuckled and said something meaningful, " "He's quite capable, both young and old."

there was a lot of information in those words!

She didn't say anything else and looked at su Yue, the legendary woman.

PEI Qiqi guessed that the woman who was hurting her was su Yue.

su mo stood on the stage with her bright eyes. she looked at old kan again. there was an unfathomable depth in his eyes. pei qiqi couldn't help but touch his arm. she wanted to make him happy, " it's okay, teacher. you still have me. "

Old kan's heart warmed. He was actually touched, but he said nonchalantly, " what's the use of having you? "

PEI Qiqi pouted and turned her face away to show her anger.

their interaction was very sweet in the eyes of outsiders.

From a distance, Shen Lian raised her cup and looked over. Then, she looked at Tang Yu and smiled, " you must be feeling bad, right? "

Tang Yu never cared about her weird and provocative words.

shen lian got a cold shoulder and recalled something important."help me bid for the items i'm donating later."

Of course, Tang Yu would. He would give her face on the surface.

even if he was embarrassed in front of qi qi

he wondered if she would be unhappy or jealous!

Shen Lian was a scheming person. She donated a diamond ring. If Tang Yu tried to fight for it, everyone would think that it was a disguised proposal.

when tang yu saw the diamond ring, he was also stunned.

the sixty-carat perfect diamond ring on stage especially shone and revealed shen lian's thoughts of marriage.

Su Yue was also on stage. As a woman, she was envious of such a shiny diamond ring. It was worth at least ten million Yuan, and not everyone could afford it.

The male host was used to big scenes, so he played steadily. This is a diamond ring donated by President Shen. President Shen is generous.

Then, the circle of light caught Tang Yu. The host said excitedly, "we're looking forward to it, Mr. Tang,"

Shen Lian, on the other hand, was extremely shy.

Everything was within her control.

At an event like this, it was impossible for Tang Yu not to give her face. When he put on the diamond ring for her, she would make the mainstream media release all sorts of articles to ridicule her. She didn't believe that Tang Yu would be able to withstand the pressure.

When the auction began, the entire auction hall was silent.

President Shen is getting married. If you film it, aren't you going to steal Tang Yu's wife?

Tang Yu felt like he had to go up.

He smiled, walked up to the stage, and bought the diamond ring that was worth 53 million.

Shen Lian cried tears of joy.

She had finally gotten what she had dreamed of.

She wanted Tang Yu to announce their marriage in front of Pei Qiqi.

Even if he didn't love her, so what? Tang Yu was hers and no one could take him away from her.

Just as she was about to go on stage, Tang Yu gestured that he had something to say.

The stage was well-lit, and the elegant young man stood alone on the stage, his actions outstanding and charming.

Chapter 812 the charity night (5)

"I think Boss Shen is reminding me that I owe her a ring!" Tang Yu's voice was magnetic and touching.

All the women at the scene put their hands together and were a little excited by this beautiful scene. Of course, other than Pei Qiqi.

She looked on indifferently as she watched Shen Lian's big show. She had been waiting for this day for a long time.

At this moment, Tang Yu's eyes scanned the crowd and finally stopped on Pei Qiqi's face for two seconds.

Her gaze was firm and gentle, as if she was urging him to look at her.

Pei Qiqi's eyes were cold but he quickly looked away!

Tang Yu held onto the microphone and said in a clear voice, "When I was engaged to President Shen, an accident happened. So, this diamond ring is to make up for the diamond ring that day."

Shen Lian was stunned for a moment. She didn't expect Tang Mo to say this.

It sounded impressive, but that wasn't the case. Which woman would be willing to remain as an engaged couple when she was almost thirty?

When the camera was pointed at her, she forced a smile and got up. "I'm very happy that Mr. Tang has such an awareness."

On the stage, Su Yue smiled sweetly. Are you happy?

No woman had ever hinted so obviously, yet her fiancé was still happy that he had deliberately deviated from the topic!

Su Yue looked meaningfully at Pei Qiqi who was beside Old Kan. It seemed like it was almost impossible for Shen Lian to marry Tang Yu.

No matter how disappointed Shen Lian was, she still went up the stage to accept the diamond ring. Even though Tang Yu put it on for her, she still couldn't feel happy. A wedding ring and an engagement ring were worlds apart.

Su Yue said teasingly, "Mr. Tang and Ms. Shen are so loving. But I'm curious about something. Mr. Tang calls Ms. Shen 'President Shen', and Ms. Shen also calls him 'Mr. Tang'. I wonder if their relationship is not harmonious or if there's a special meaning behind it. Can you share it with me?"

Shen Lian chuckled, "This is a secret. Tang Yu doesn't want others to know."

"President Shen, you've done a good job in Tai Chi." Who was Su Yu? He was already a White Bone Spirit. He turned to Tang Yu, "Where's Mr. Tang? Do you have any interesting stories to share with President Shen?"

Tang Yu smiled faintly, "Ms. Su, you want to know?"

Su Yue's heart skipped a beat when she saw such a handsome man staring at her.

Tang Yan smiled. If you want to know, we can have a drink later.

This was a public act of teasing and he did not give Shen Lian any face at all.

The sparkling light from the diamond ring had dimmed a little.

So this fiancée and fiancée weren't that loving. Tang Yu had already publicly started a relationship with Hanhan.

Shen Lian was mad with anger, but she had to force a smile and pretend to be indifferent.

She knew this was a warning from Tang Yu!

She had already angered him tonight.

Su Yue's heart skipped a beat, but she quickly calmed down.

Seriously, she was almost 40 years old, and she was still being teased by a man who was not even 30 years old. It was too embarrassing.

su mo covered her face. ” mr. tang, will president shen be unhappy with what you’ve said? ”

tang yu glanced at shen lian and threw out a meaningful sentence, ” “We respect each other.”

Oh, mutual respect meant that they could play on their own!

Shen Lian felt embarrassed, but she could not flare up. She could only force a smile and leave the stage.

On the other hand, su jue didn’t let Tang Yu go. He turned to look at him, ” I wonder what kind of charity Mr. Tang is going to donate tonight? ”

tang yu smiled faintly and his entire being was warm, ” it’s a simple painting i drew. ”

Su Yue seemed to be very interested. then we have the honor of watching Mr. Tang’s masterpiece.

Chapter 813 don’t go with him (1)

The hostess pushed a huge easel over. It was covered with a cloth, which made it look mysterious.

because shen lian had stepped down from the stage, su jue’s expression was refreshed.

it was rare for her to get close to a noble man like tang yu, so she was naturally in a good mood. when she interacted with tang yu, the male host didn’t really do anything.

Su mo tilted her head and smiled,”may I ask Mr. Tang if this painting is a Momo?”

“character.” tang mo smiled.

Su Yue had met many handsome men in the fashion industry. Some of them tried their best to please her in order to get resources from her. To be honest, she had slept with many of them, but none of them were as exciting as when she was with old kan.

However, su jue, who was used to handsome guys, was now staring at Tang Yu. His little heart was beating fast as he thought, ” if old kan is suitable for perspiring meat together, then I’ll be fine. | if they fought, then tang yu would be the kind of prince charming that they looked up to.

every woman had a youthful dream, and su yue was no exception.

Moreover, when a woman was older, the chances of having such girlish feelings were even smaller.

su yue snapped out of her daze. ” can i reveal it? ”

tang yu smiled,”of course.”

he stepped forward, his slender fingers holding a corner of the cloth, and pulled away the kasaya.

The 60*80-size oil painting suddenly appeared, and everyone exclaimed in surprise.

It was a painting of a young girl with only her back view.

In the brightly lit kitchen, the sun shone through the window. A beautiful back stood in front of the counter, probably making breakfast.

her long black hair was casually clipped with a clip, and she was wearing a long white t-shirt. her slender and straight legs were extremely beautiful. she tilted her head slightly, and only her long eyelashes and plump little mouth could be seen. however, it was enough to make people fall in love at first sight.

The whole picture quality gave off a sense of warmth.

although it was a painting with a woman as the main character, it didn't draw attention to how devastatingly beautiful this girl was. even though the girl who could make tang yu fall for her must be the devastatingly beautiful xuanji.

instead, this painting made people feel the warmth of the artist's heart, creating a calm and harmonious mind.

su yue could tell that the girl in the photo was the one that old kan had brought over. she had a well-proportioned body.

She glanced at PEI Qiqi and saw that her expression was a little dazed. The little girl must have noticed.

it was really a good show! shen lian's face had been slapped hard!

Although su Yue could tell, she was good at putting on a front. this must be President Shen. I didn't expect President Shen to be so virtuous.

actually, how could it be shen lian? one of shen lian's feet was already crippled. it was impossible for her to be barefooted. even if she were to wear shoes, she would usually wear a sock to cover it.

In the painting, she was barefooted, and each of her feet was delicate and moving.

what su mo didn't understand was why tang yu had to donate a painting with such deep emotions. wasn't it better to leave it at home to admire or think about it?

even though she was suspicious, she still joked with tang yu, " Mr. Tang, you can't bid for it later. If you want to get back President Shen's painting, you have to show your love to the children in the mountains.

Shen Lian's face was as cold as ice. There were no words that could describe her anger.

that painting was pei qiqi.

Su Yue opened her mouth. Shen Lian's face was cold as she said,"Of course, I will definitely offer my love."

After getting this painting, she would go back and chop it up to use as firewood to vent her hatred.

Chapter 814 Don't go with him (2)

on stage, tang yu remained calm. he stepped to the side and his gaze landed on pei qiqi's face.

he had long wanted to give this painting to her, but he did not have the chance.

she would definitely get the results today.

PEI Qiqi's face turned even uglier than Shen Lian's when he looked at her.

how could she not know that this was the xia city apartment and that the girl was her?

What did Tang Yu mean?

However, she soon found out that the Jue Jue Shen Lian clenched her teeth and raised the sign. Her whole body was burning with small flames, like a Jue Jue Saint warrior.

everyone present also thought that the painting was shen lian.

although he knew that it would be president shen who won in the end, he still raised his board to join in the fun.

the bid for a painting was raised to 12 million yuan. no one dared to compete with shen lian anymore.

old kan lowered his head and looked at his beloved disciple, "do you want me to make a move?."

pei qiqi looked at the old man's hunched body and said, " "master, for the sake of your kidney, let's forget it!"

It was just a painting, so she didn't really care.

old kan did not say anything else!

su yue was a little disappointed at the quick ending, yueyue.

However, it was a pity for this painting!

shen lian's eyes were filled with victory. she walked up the stage and was about to take the painting- below the stage, a cold and clear voice rang out, " "wait a moment!"

su yue's dead heart came back to life and she perked up. " president qin, you want this painting too? "

Qin Anlan also walked onto the stage and stood on either side of su mo with Tang Yu.

su jue's heart beat faster. qin anlan's looks were on the same level as tang yu's, and he was an expert at seducing women.

Qin Anlan smiled and walked to the front of the painting. He looked at it and then looked at Shen Lian."it's such a coincidence, i'm also interested in this painting like president shen."

The smile on Shen Lian's face could not be held back any longer. Her expression was very dark,"but this painting was donated by tang yan."

"There's such a rule. Does it have to be President Shen?" He tilted his head and looked at su Yue. Madam su, I don't really understand the rules here. Please explain it to me.

su mo had long found shen lian an eyesore, so she was very willing to answer qin anlan's question. " "President Qin, there's no rule that except for Mr. Tang himself, the highest bidder will get the item."

qin anlan nodded in satisfaction and looked at shen lian. " then, President Shen, do you still want to follow up with 15 million? "

Shen Lian raised her chin and mocked Qin Anlan for standing up for that b * tch.

"Of course." "twenty million," she said expressionlessly.

qin anlan's face seemed to be smiling yet not smiling. his slender and gentle fingers touched the painting lightly, and his expression became gentle at that moment. " this kind of painting is worth it. "

“50 million,” he turned around and smiled.

“60 million,” Shen Lian gritted her teeth.

“100 million.” Qin Anlan did not even blink.

shen lian was furious. qin anlan was a lunatic!

He was going against her just for a b * tch!

She really wanted to continue shouting, but she had not yet secured her position in Jin tai he. Shen Zhongshan was still alive. If she continued to spend money willfully, the old men on the Board of Directors would not let her go.

so, no matter how unwilling she was, she still gave up.

su yue laughed so hard that she couldn't close her legs. she walked gracefully to qin anlan and put the microphone to his lips. her voice was gentle.”Our President Qin is really kind to the children in the mountains. i'll thank president qin on their behalf.”

Qin Anlan smiled indifferently. I can't compare to Mr. Tang's kindness. After all, what Mr. Tang donated was the love of his life.

Chapter 815 Don't go with him (3)

qin anlan then changed the topic. ” this painting looks like a girl i like, so i'm giving it to her. ”

the scene was in an uproar. tang yu was the one confessing to his fiancée. how did it become president qin snatching her away?

“can you give me some light?” qin anlan looked at su yue.

Su Jue walked closer and Qin Anlan whispered something in his ear. Su Jue was a little surprised. He looked at Tang Yu and nodded.

the lights swept around the venue and finally landed on pei qiqi.

If she had a choice, PEI Qiqi would rather find a hole and hide in it. She was only here to take a few photos, so why did she become the female lead? (please find out the area of shen lian's psychological shadow!)

qin anlan quickly wrote a check and passed it to su yue. then, he took the painting and walked over to pei qiqi.

the crowd automatically dispersed, forming a long line of people path.

The lights followed him from above. At this moment, for some reason, the band actually played the famous love song, ”

The scene was boiling. Someone started clapping and shouting ” proposal, proposal, proposal ”
pei qiqi stood there, unable to dodge.

Old kan's voice rang in her ears. this kid is really bold!

He knew that he would be rejected, but he still dared to do this.

In the blink of an eye, Qin Anlan was already by PEI Qiqi's side. He looked at her deeply and smiled, " PEI Qiqi, this is for you.

PEI Qiqi's gaze landed on his face. Qin Anlan stared at her in a daze.

The only memory they had was that night.

If something had happened between them that night, perhaps Tang Yu wouldn't be here now.

however, he might not have anything to do with it anymore. qin anlan was a little regretful, but he was also glad.

After a long time, PEI Qiqi chuckled, " President Qin, you might have mistaken me for someone else. It's not me on the screen.

"but in my heart, she is you." Qin Anlan's gaze was indifferent.

He had never been an emotional person, but when he saw her again, he was sure that he really wanted her.

not just his body, but his complete possession of her.

Qin Anlan smiled, " PEI Qiqi, you don't need to feel any burden. Just accept it.

pei qiqi lowered her eyes and looked at the 100 million yuan!

She looked up at the boat and her eyes met Tang Yu's.

before she could answer, old kan had already taken it. " this painting is so expensive. we have to pay respects to it when we go back. "

pei qiqi's little feelings for him were all destroyed by old kan-

She wasn't his ancestor, so why did he need to worship her?

However, old kan had already taken it. It would be a little unreasonable to push it back, so PEI Qiqi softly thanked him.

Qin Anlan only looked at her deeply and did not say anything.

Just as the two of them looked at each other and were speechless, Shen Lian's voice was heard, since miss PEI has such a painting, shouldn't you give some love to the children in the disaster area? "

Her words had the intention of making things difficult for him!

PEI Qiqi raised her eyes and looked at her. In her eyes, she could see the malice and ridicule.

su yue was having a headache.

With PEI Qiqi's current situation, she wouldn't be able to donate anything decent.

pei qiqi saw the pride in shen lian's eyes and smiled.

She raised her head and looked at Qin Anlan. President Qin, are you willing to spend ten million to dance with me? "

qin anlan's lips curled up. " of course. "

PEI Qiqi held his arm and slowly walked to the center of the stage.

She looked at him with a feeling of a young daughter being taken away by a bad person.

Chapter 816 Don't go with him (4)

At the side, PEI Huan flashed over and leaned on old kan's side. Her voice was a little awkward."you know, i even slept with president qin."

"Did President Qin sleep with you?" old kan didn't give her any face.

girls, can't you have some face? sleeping all day, aren't you embarrassed?

Shen Lian, who was below the stage, was trembling with anger.

pei qiqi!

PEI Qiqi held Qin Anlan's arm and slowly walked up the stage.

She was dressed in a silver gown while Qin Anlan was dressed in black. Her slender figure made him look even taller and slimmer.

the music started playing and she bloomed in his arms, like an orchid in an empty valley in the dark night.

at this moment, qin anlan was beyond redemption ...

Tang Yu stood below the stage and watched quietly.

Everything was under his control, but he still felt heartache. He still cared. He cared that she was in someone else's arms.

Shen Lian raised her noble chin and said,"is this what you want?" Help his ex-wife find a new partner?"

"you're a good brother and ex-husband," she laughed coldly.

tang yu's eyes were focused on the stage. after a while, he said, " "Isn't it exactly what you want them to be together?"

shen lian's feelings were complicated. perhaps it was because pei qiqi and qin anlan were together. that meant that she wouldn't pester tang yu anymore.

However, Tang Yu was willing to?

she was very suspicious!

But at this moment, she wanted to hurt Tang Yu like crazy. Only then would she be able to calm down.

"PEI Qiqi has so many men around her. Her so-called master, Qin Anlan, and even Lin jinrong.

Shen Lian's face revealed a certain look.

Tang Yu, no matter how unwilling you are, PEI Qiqi hates you so much. Sooner or later, she will be with someone else.

tang yu's expression remained calm. as he watched the two dance on stage, his gaze became even more unfathomable.

yes, this was the result he wanted.

he had never cared about qin anlan. he only cared about jinrong, and qin anlan was a very good stepping stone. even if he felt uncomfortable in his heart, he felt more at ease than being with jinrong.

This night was destined to be a heartbroken one.

he went against his will and pushed pei qiqi to qin anlan's side to use her against jinrong.

perhaps, he needed qin anlan to protect qiqi when he was not around.

Her safety was more important than being with him.

tang yu didn't watch any longer. he quietly left the venue and walked to the smoking area outside. he sat there alone and smoked.

Shen Lian quietly walked closer. In the smoke, her beautiful eyes were filled with sadness. Tang Yu, why can't I forget her? "

Tang Yu continued to lean on her and smiled, " sometimes, I'd rather forget.

If that was the case, he could let go of Qiqi and let her be happy, instead of forcing her to wait for him like this.

He knew the pain of waiting, and he didn't want her to suffer, but he couldn't let go.

no matter how hard it was, no matter how difficult it was, no matter what, he had to wait.

Shen Lian did not understand feelings. She only wanted possession.

no one could save her, including herself, when she took possession of things that did not belong to her.

As he said this, Shen Lian gently smiled. Her smile was strange, Tang Yu, that's great. We're the same now!

"it's the same pain, there's no future, and i have to wait endlessly."

tang yu didn't look at her. he put out his cigarette and disappeared at the end of the corridor.

shen lian's eyes were filled with tears.

she had calculated everything, but she still could not plot against him.

Chapter 817 Don't go with him (5)

it wasn't that she had never seduced him before. she had even drugged him before, but hanhan had always used his cold gaze to tell her that he didn't want her to hanhan.

Shen Lian stood under the chandelier. Her shadow was long and she looked even lonelier.

.....

after pei qiqi and qin anlan finished their dance, the charity ball was over. she turned around to look for old kan, but he was already gone.

She noticed that PEI Huan had also disappeared.

pei qiqi sighed. pei huan really didn't want to give up! The main reason why she did not agree was that old kan was 38 years old this year, 16 years older than PEI Huan, and he was a wastrel ...

Even though PEI Huan was not a serious person!

she stood in the hotel lobby and called old kan's phone, but no one picked up for a long time.

PEI Qiqi was a little annoyed. She called Wanwan again, but she still didn't pick up.

at this moment, a voice rang out indifferently, " "qiqi."

she looked up in shock at the car that stopped in front of her. the window slowly rolled down and tang yu's face appeared in front of her.

He sat in the car and looked ahead. get in.

pei qiqi took a step back. behind her was a flight of stairs. just as she was about to fall, a pair of hands caught her. she turned her head and saw qin anlan.

Qin Anlan helped PEI Qiqi up and smiled, " I'll send you back.

PEI Qiqi wanted to reject him, but she turned around and looked at Tang Yu in a daze.

he sat in the car and looked at her with a burning gaze.

he lowered his gaze and said, " okay. "

even though she knew that she was being used, qin anlan was happy to do so. " my car is over there. "

" mmh, " pei qiqi replied. she followed beside him and walked forward. tang yu's car was just right in front of them.

qin anlan suddenly stopped. he took off his coat and placed it on her shoulder.

She was stunned for a moment and looked at the clothes she was wearing in a daze.

"qiqi, it's cold at night." qin anlan put one hand in his pocket and smiled gently in the strong night wind.

she didn't say anything, nor did she reject yingying.

tang mo got out of the car and called out her name."pei qiqi."

"Don't go with him!" his voice was stern, but pei qiqi was in a daze.

He was Shen Lian's fiancé. What was the point of him pestering her like this? besides, she was his biological sister.

PEI Qiqi's eyes glistened. Under the moonlight, it was very moving.

Qin Anlan extended his hand. let's go!

tang yu's chest heaved up and down and his eyes were filled with awe.

under his gaze, pei qiqi's hand was held by qin anlan ... when that soft little hand was held in his palm, he decided not to let go no matter if she was going against her will or not.

In the strong night wind, a handsome young man stood beside the car, his fingers clenched into a fist.

Qin Anlan sent PEI Qiqi to the back seat and closed the door. He turned his head and met Tang Yu's gaze.

he smiled faintly and got into the car. the car quickly slid into the lane and disappeared into the traffic.

tang yu squinted his eyes for a while.

All of this was within his expectations, but her reaction and her choice still hurt his eyes and heart.

Yes, why would she still listen to him? why would she still be willing to be with her brother?

He understood what Lin Yun said that day!

time was the cruelest, enough to change everything!

as for him, he could not stop jinrong and qin anlan from getting close to her in order to not let shen lian suspect him. he even allowed her to hang out with that old man.

he would give her freedom and protect her! He just had to look at her. He was happy to see her happy, but he was not so happy to see her too happy.

he was afraid that she would forget him and would never come back!

tang yu turned around and got into the car. the high-performance sports car instantly sped up. in the dark night, it was like a shooting star.

Chapter 818 Men are the most violent (part one)

qin anlan's car arrived at the apartment building. pei qiqi said coldly, " stop the car. "

he stopped the car but did not let her out. the door was locked and she could not get out.

Qin Anlan's slender fingers gently caressed the steering wheel as he said in a soft voice, " "Throw it away after using it? pei qiqi, is that so?"

she sat in the back seat and said in a cold voice, " "You clearly know that you're using President Qin, but you're still willing. Why are you blaming others now?"

he laughed lightly, " pei qiqi, my help comes with a price. "

he was so strong and devilish, but pei qiqi was no longer the pei qiqi she used to be. she had been with old kan for a long time and her skin had become thicker. "there's no such thing as owing or not. it's voluntary! what do you owe me?"

pei qiqi leaned lazily in the back seat and met qin anlan's gaze in the rearview mirror. the background was the street's neon lights and the stars. it made the young man's eyes look like they were lit up with fireworks.

He didn't say a word and just stared at her in a daze.

After a long, long time, Qin Anlan finally spoke, " " i heard that lin jinrong wants to be with you. pei qiqi, have you thought about it? "

she looked into his eyes for a while and smiled. " "It's not related to you."

qin anlan stretched his hand out of the window and closed the rearview mirror. then, he turned his body to the side and looked straight into her eyes."PEI Qiqi, I confessed."

pei qiqi's thin arms supported her sharp chin, " do i have to accept boss qin's confession? "

he only looked at her in a daze.

"Don't forget that I was married and had an abortion." pei qiqi smiled, but there was an undetectable sadness in her eyes.

qin anlan's handsome face was placed on the back of the chair, which made him look a little more childish.

He laughed, " if Lin jinrong doesn't care, why should I? "

pei qiqi had no choice, " qin anlan, there are so many women in your company. why do you have to bother me like this? is it fun? "

his eyes were pure. " i can only answer you after i've played. "

he then added,"i'm not toying with you!" how about this, pei qiqi, let's play with each other. what do you think?"

Boring!

PEI Qiqi knocked on the car door,"let me out." &Nbsp;

He looked at her crazed expression and his eyes turned from innocent to dangerous, " PEI Qiqi, is my car so easy to sit in? "

as he spoke, he reached out to hold her small chin and narrowed his eyes. " shouldn't there be some fare? "

pei qiqi slapped his hand away and took out 200 yuan from her bag. she threw it to him, " "is that enough?"

Qin Anlan was thrown all over his face. Two grandpa Mao faces fell from his handsome face. He reached out to grab her hand but PEI Qiqi dodged.

in the dark car, qin anlan looked at her and said with a charming voice, " "are you afraid?"

"What should I be afraid of?" pei qiqi laughed coldly, " qin anlan, put away your tricks. i'm not one of those small celebrities in your company. i'm not someone you can buy for 500000. "

this time, he successfully caught her hand and dragged her to the back of his chair. face to face, with only the back of the chair between them, his eyes were clear as he looked at her. " king entertainment and qin anlan, is that enough? "

"you're crazy!" PEI Qiqi bit her lip and glared at him.

qin anlan chuckled but still grabbed her wrist. his bright eyes looked at her. " i'm not joking. i'm serious. "

Chapter 819 men are the most violent (2)

Qin Anlan chuckled but still grabbed her wrist. His bright eyes looked at her. I'm not joking. I'm serious.

He moved forward and pressed his forehead against hers."it's okay if you don't agree, but you have to pay the fare now."

he held her with one hand and used the other to open the door of the back seat. at the same time, he kissed her lips.

PEI Qiqi placed her hand on his shoulder and pushed him away. She leaned her head back but Qin Anlan's hand was faster. His lips moved away from her by half an inch and he said in a hoarse voice, " PEI Qiqi, Tang Yu is behind us.

her body immediately stiffened.

"Don't look back." "unless you still want to be with him," qin anlan chuckled.

his fingers grazed her small face, and the soft and delicate touch made his heart flutter. it was only a light kiss, but just touching her lips like this was enough to make his heart palpitate and tremble. it had nothing to do with desire. hope, but love.

He wanted to hold her in his arms and take care of her. He wanted to heal her wounds bit by bit and heal her body and heart.

She said that she had been married and had a child. When had Qin Anlan ever cared about this? he could not even remember the women he had slept with, but he could not remember a single one.

The only thing he remembered was PEI Qiqi, who hadn't slept well.

that night, she was lying on his bed, calling another man's name, yingluo.

he wanted to forget her, and he had successfully forgotten that he had had countless women in the past year.

It was only when she returned home and lay on that bed that she would think of that thin but alluring body.

after that, he changed the bed and threw away the mattress and bedsheets.

She even changed her bedroom.

He couldn't figure it out until she appeared again ...

a silver gown wrapped around her slender body. without any pain, she was like a little fairy who had fallen into the mortal world. she looked at him coldly, but her heart was burning with passion!

He wanted to catch her.

how could he not know what tang yu was thinking? how could he not know that he was just being used? how could he not know that he was just an outsider stuck between them? but, he wasn't willing to accept this.

On this point, Qin Anlan and Lin jinrong had the same thoughts.

his thin lips touched her soft lips. qin anlan was already beyond redemption.

many years later, qin anlan had a wife and a daughter, and his life was blissful. however, occasionally, in the dead of the night, he would think about this night.

later on, no matter how successful he was, no matter how glorious he was, he did not have this night's luxuriously dressed and furious horse, nor did he have the high-spirited and dispirited spirit he had now.

pei qiqi's legs were soft, not because of qin anlan's kiss but because of tang yu.

she slowly pushed qin anlan away, sat in the car, and turned her head ...

in the strong night wind, the man she had loved deeply stood with the wind, his face growing colder under the moonlight.

she looked at him.

he was the same.

their gazes were glued to each other, but the world had already changed.

After a long time, Qin Anlan got out of the car first. He walked to the back seat and held the door for her to get out.

When she was on the ground, Qin Anlan held her and said in a low voice, " think about it! PEI Qiqi, I'm more suitable for you than Lin jinrong."

pei qiqi looked at tang yu in a daze. qin anlan thought she didn't hear him and repeated himself.

This time, she looked up and her gaze returned to his face.

"thank you for your kindness, president qin! But I don't want to be with anyone. I'm fine now!" she said softly but firmly, " qin anlan, i'm fine being alone! "

Chapter 820 men are the most violent (3)

she didn't want to love someone so passionately anymore, and she didn't want to give herself to him completely.

i won't do it again!

qin anlan's eyes tightened. he did not expect her to reject ran ran so decisively.

Just as he was about to say something, someone hugged him around the waist.

her soft body was pressed against his, soft and smooth. this was probably what the so-called soft jade and warm fragrance meant.

pei qiqi hugged qin anlan and said in a seductive voice, " president qin, i predict that you will have a fight soon. "

She touched his ribs with her fingers and looked up with a mischievous smile. are the ribs here ready? "

“I might not lose.” he squinted his eyes, fascinated by her mischievous and lively expression.

in tang yu’s eyes, their interaction was like a raging fire.

Yes, he wanted Qin Anlan to control jinrong so that Qiqi and jinrong wouldn’t be together so quickly. But what he saw now was PEI Qiqi and Qin Anlan hugging each other!

was this the speed of a rocket?

tang yu couldn’t take this!

pei qiqi jumped away lightly and said goodbye to qin anlan. she also mouthed to him, ” “Good luck!”

Qin Anlan broke into laughter. He stood there and watched her enter the elevator in a daze.

After sending off his little fairy, he was faced with a ferocious beast.

&Nbsp; Qin Anlan frowned and smiled. are you feeling unwell? ”

he took out a cigarette from his pocket, lit it up, and took a puff.”You drew a painting and I spent 100 million to send it to PEI Qiqi! tang yu, you can’t be too greedy. yingluo is no longer yours.”

Tang mo stood under the moonlight, looking more and more noble but also a touch of loneliness.

Qin Anlan grew up with him, so how could he not see that Shen Lian definitely had something in her hands that Tang Yu was so afraid of her?

he smiled. ” actually, if you can’t give her happiness, why don’t you let go? ”

Tang Yu opened his mouth. His voice was hoarse. Qin Anlan. In the end, she will be mine.

qin anlan stretched out his finger and shook it lightly. ” no, tang yu, you’re wrong! ”

He laughed a little willfully,”right now, PEI Qiqi is her own.”

tang yu, it’s not that you can’t tell, but you don’t dare to admit it.

The PEI Qiqi now might still love you, but she also hates you.

She didn’t want to be with anyone, but you, me, and Lin jinrong. Out of the three of them, you’re the one she’s least likely to be with.

However, Qin Anlan didn’t realize that when Tang Yu gave up, he had grabbed onto the last life-saving straw for his love with PEI Qiqi, Yingluo.

he would release it when necessary. (close the door and be careful, oh.)

Even if PEI Qiqi fell in love with Qin Anlan or Lin jinrong, she would still return to his side in the end.

This was the most humble thought in Tang Mo’s heart and the deepest scar.

“then don’t touch her.” tang yu slowly took off his jacket and casually threw it to the side.

after qin anlan finished smoking the cigarette in his hand, he threw it on the ground and stepped on it to extinguish it. he lowered his eyes and chuckled."You want to fight, don't you?"

He raised his head again. I heard that men who are not satisfied with their desires like violence.

The blue veins on Tang Mo's forehead were popping.

"Do you dare to say that you've had sex with Shen Lian?" Qin Anlan laughed again.

tang yu's punch was already coming. qin anlan was prepared and quickly dodged to the side.

"You didn't get enough last time, did you?" He was not afraid of death, and his voice was full of mockery, "oh right, pei qiqi feels so good when i kiss her. i want to marry her! To fulfill your lifelong wish."
