Chapter 821 She was mine to begin with (part one)

Qin Anlan had long found Tang Yu an eyesore. The two of them were like wild beasts, pouncing on each other.

However, he had underestimated the fighting power of a man whose desires were not satisfied.
How ruthless!

he wiped the blood from his lips and pounced on her again.

“bastard! you say you don’t want it, but aren’t you being honest?”

“She’s mine to begin with.”

“Yours? Go ahead and do it. Let’s see if PEI Qiqi still wants you and if she’s still going to do it!”

violence, mixed with rough words, intertwined under the dim light, and it was difficult to separate.

.....

pei qiqi walked upstairs and thought for a while. in the end, she still opened the door to old kan’s apartment.

As she had expected, old kan had not returned yet.

she walked to the window of the living room and looked down. the two beasts were still fighting ...

His physical strength was really good!

pei qiqi went to take a shower. when she came out, she took out her phone and called old kan.
wanwan turned off her phone.

She threw her phone away, found a bag of snacks, opened it, and leaned against the window to watch the beasts fight.

He would call old kan’s phone every now and then, but no one picked up. After that, he threw the phone aside and just lay there, munching on snacks.

at that moment, old kan was in one of the suites and was being pestered by su mo like a demon.

they were old friends, after all. they were familiar with each other’s bodies and knew what they liked.

it was on fire.

It was like a raging fire, burning fiercely.

Old kan’s sweat and su ‘er’s Silver made the autumn night burn with fire.| It heated up.

after doing it twice in a row, the old man lay down and calmed down for a while. he turned over and lay down. he touched his pants from the bedside table with one hand and took out a cigarette from inside.

su yue's face was flushed. hong propped up her body to light the cigarette for him, then lay down again. her slender hands stroked her hairy chest as she muttered in satisfaction, "it's been so many years, and you haven't left this job behind?"

old kan took a deep puff of his cigarette and blew it out. with his rough appearance, the entire suite was filled with the smell of his hormones.

he glanced at her and smiled. "aren't you the same? you're still as greedy as before. you can't fill it up no matter what."

Su Yue was a little angry, but it didn't seem like she was angry. She was just sad.

old kan's words were a double-edged sword. how could she not understand?

when she was with him in the past, she had nothing, but she was ambitious.

at that time, he was not the only man she had, and she was not the only woman he had.

however, they had indeed spent the most difficult days and nights together.

she was obsessed with vanity and had cried many times.

She remembered old kan hugging her, his thick palm patting her back as he coaxed her, "su yue, if you can't take it anymore, i'll take care of you."

he raised her xuxu.

However, at that time, he was only a worker with a monthly salary of 10000 Yuan. He might be able to feed her, but he really couldn't give her what she wanted.

after that, they separated.

when she hadn't succeeded yet.

she knew that if she didn't leave now, she would agree to old kan's request. that would not only make her stagnate, but it would also cause old kan to lose his direction in life.

So from today's perspective, she had made the right choice to break up.

Even after all these years, she would always think of the time when she said she wanted to break up, and the scene where he would always slap her in a rough manner.

a man like him was proud. she said she wanted to break up, she said she wanted to find her own dream, she said he couldn't give her anything, she said that there was a man who liked her and was willing to give her the hanhan she wanted, he couldn't continue to pester her!

Chapter 822 She was mine to begin with (2)

old kan let go and left B city for H city.

After that, old kan became a dazzling new Star in the photography industry. He won so many international awards in just two years.

no one knew how hard old kan worked in those two years, and how many times he lost his life in order to shoot outdoor scenes.

at that time, he was drunk and numb. many people pursued his works, but only he himself knew how soulless and empty those works were!

all this time, no one understood him ...

old kan squinted his eyes, his heart twitching because of the past!

su mo's slender fingers curled around her chest hair, and her voice was a little hoarse from the passion. "seriously, do you like your little disciple?"

Old kan blew a smoke ring on her delicate face, his large hands holding her still slender body, and said in a hoarse voice, "I like you more. After so many years, this body is still the best."

he carried su yue and walked towards the bathroom. su yue knew what he was trying to do, so she punched him on his shoulder and screamed, "Old kan, put me down, you shameless old hooligan!"

"Don't you just like me being a hooligan to you? Su Yue, you're so small. | F * ck | Goods!" He pulled her down and covered her mouth with his bearded lips. He kissed her tightly, like the plug of a hot water bottle.

su yue was a feisty woman, but she would only turn into a puddle of water under old kan. she wrapped her arms around his muscular neck and pressed her lips against his.

The warm wine lingered on her body, and su Yue was mesmerized. Old kan stopped caressing her.

su mo opened her eyes and looked at old kan. her voice was hoarse. "Old kan, what's wrong?"

The hot water was poured on their faces, and they couldn't see each other clearly.

But old kan looked at her very seriously and asked very seriously, "Su Yue, if it was many years ago, what would you say if I asked you again?"

su mo was stunned.

After looking at him for a long time, she slid down from his body and wrapped herself with a bath towel. weren't we very happy just now? "

the old man frowned and looked at su yue. "you're happy, aren't you? "

su yue wrapped herself in a bathrobe and walked out. she took out old kan's cigarette and lit it up. old kan walked out without wearing anything.

it stood in front of her, still in a daze.

Su mo choked on her cigarette.

This person was really almost 40 years old, but his appetite and stamina were still unbelievably good. His muscles were so strong that she felt like she was about to fall apart.

but, so what?

She thought bleakly, it's not like she didn't know that old kan wanted to be with her and marry her.

But, she can't have children, Yingluo.

she was pregnant before, the child of a married rich man, and had excessive bleeding during an ectopic pregnancy.

after the operation, the doctor told her that she had no chance of having another child.

that day, she stood alone in a daze. what she was thinking about was nothing else but old kan.

because she knew that no matter how many men she had slept with, old kan could forgive her. but, she couldn't be without a child.

he was a romantic person who wanted to live a idyllic life.

however, she was just an artistic chicken that could no longer lay eggs.

Su Yue irritatedly took another puff and looked at old kan. do you have to bring up such a disappointing thing? ”

Old kan's pupils contracted sharply, and the word 'injured' was clearly written on his face. He stretched his neck and asked, ” is this something to spoil the fun? ”

su yue was a little passionate at first, but it was all gone now.

she had always been a decisive woman. since she couldn't be with old kan, then she shouldn't drag yingluo down.

if you want to share some meat with your old friends, you'll be fine.| I'm very willing to do that, but I don't care about anything else. I've said before that you can't give me anything, and today will be the same! Old kan, I don't want to hurt you, but as you can see, I like this kind of life.” su yue said.

Chapter 823 old kan and pei huan (1)

Su Yue then threw Lao kan's clothes at his feet. put on your clothes and go!

She walked to the door and opened it.

However, when the door opened, PEI Huan was sitting at the door like a stray dog with tears in her eyes.

at this time, there was not a single piece of clothing on old kan's body. he was still in a state like a kasaya.

PEI Huan's Red lips were slightly open and she was obviously shocked.

her eyes turned even redder. old kan's body was covered in red marks. there were hickeys from a woman and scratches from his fingernails.

su yue only had a bathrobe hanging loosely on her body, and she looked very wet.| Red, even a fool would know what had happened!

pei huan looked at this, then at that yingying, and ran away in tears.

su mo rolled her eyes and slammed the door shut. she walked to old kan and poked his chest with her sharp and delicate fingers.”you even touched a woman like pei huan?”

Old kan grabbed her hand, shook it off, and started to put on his clothes.

su yue didn't give up. she pinched his chest again. ” old kan, did you hear me? ”

He narrowed his eyes. su Yue, managing editor su, who are you to meddle in my business? ”

He pulled up the zipper, but it was a little stuck, so he pulled it up by force ...

it hurt a little, but not as much as the pain in his heart.

Su Yue glared at him. Was he really leaving?

this old bastard, old hooligan!

Old kan looked at her coldly. su Yue, you haven't changed at all.

su yue's heart ached. she pursed her lips tightly and watched as he left. she slammed the door shut, and the sweat on her body turned cold. it stuck to her body and made her uncomfortable.

old kan walked out to the elevator and saw pei huan squatting there.

He had just entered the elevator when he was hugged from behind.

He pressed the button for the first floor, his voice cold and hard. why? are you willing to pay for it?
”

PEI Huan was lying on his back. His back was very wide, and he gave her the same feeling as PEI Minghe.

“You slept with her?” PEI Huan's small hands hugged his waist and slowly slid down, finally landing on his waist. She also noticed his disheveled state.

There was a problem with always talking about this. His body was as impulsive as a wild beast, and women would get up at the slightest provocation.

especially beautiful women.

PEI Huan bit the back of his neck like a little female beast. she didn't squeeze you dry? ”

Old kan was in a bad mood. He looked in the mirror at the little goblin Yingying who was clinging to him.

“PEI Huan, do you really want to be | grass?” His voice was emotionless, and there was even a rare look of disdain.

pei huan didn't mind. she kissed his neck and kissed his rough skin that still had the scent of another woman.

old kan reached out his hand and broke the camera. then, there was the sound of clothes tearing.

PEI Huan's eyes widened as she looked at old kan.

it hurt, she was in a lot of pain!

However, old kan didn't stop and tore her in half.

That night, PEI Huan knew what was fierce and what was called a wild beast.

there was a blood dome on old kan's shoulder, bitten by pei huan-

after the deed was done, he panted heavily. when he calmed down, he felt a little regretful.

firstly, he knew that he was taking his anger out on her. secondly, the girl under him was 15 or 16 years younger than him and could be his daughter.

He pulled her up and covered her with his coat. His voice was a little hoarse.”you can make me take responsibility!”

Chapter 824 Old kan and PEI Huan (2)

if pei huan said she wanted to marry him now, old kan would really marry her.

however, pei huan was half-telling the truth. she just wanted to taste him. it was as simple as that.

she also had the mentality of keeping everything to herself. everything that pei qiqi had was good and she wanted to take it all.

but now, she knew that this man didn't belong to pei qiqi. he belonged to another woman.

That woman could let him be naked, open the door and tell him to get lost, and he couldn't get angry at all.

at that time, pei huan knew that old kan loved su yue.

it was true love. no matter how many women he had been with, su yue would still be the only person he loved. he loved her just like pei qiqi and lin jinrong!

pei huan wasn't stupid. if she wanted him to take responsibility at this time, she would really be stupid. Wearing his coat, PEI Huan looked at him. I only wanted to sleep with him once. Now that I've slept with him, there's nothing special about it!

She didn't seem to care!

old kan didn't say anything. he just pulled up his pants and left.

After he left, PEI Huan stood in the elevator and only kicked the elevator door hard after he was far away.

What was this? he zipped up and left? he didn't even send her back!

PEI Huan's heart was empty. She had gotten old kan's meat. Although her body hurt a little, it was actually quite comfortable. However, her heart felt even emptier.

He was like a child who had wanted to get what he wanted for a long time and realized that he wanted more, but he didn't know how to get it.

Old kan took a taxi back. When he parked the car below the apartment, he saw two wild beasts fighting.

He laughed. What an intense fight!

he didn't care about them and unbuttoned his shirt. when he reached the apartment, his lights were on. it was obvious that pei qiqi was at his place.

when he opened the door, he saw her leaning against the window. she was wearing a long nightgown and swaying her bare feet.

Old kan took off his shirt and walked into the bathroom to take a shower. When he came out, PEI Qiqi was still lying there.

He went to the kitchen, opened the refrigerator, and took out two cans of beer. He handed one to her and stuck his head out to look at Huahua downstairs.

he could really fight!

Old kan raised his eyebrows. they're fighting like this. Won't anything happen? "

pei qiqi's little face was expressionless. she just looked at old kan and then looked downstairs. her voice was faint, " "I smell perfume on you."

Old kan sniffed himself. She had already taken a bath, how could she still smell it?

pei qiqi laid down and asked lazily, "who are you with?"

old kan's heart skipped a beat. he raised his head and drank half a can of his drink. after a while, he decided to hide his relationship with su 'er. if he said that su' er was first, his little disciple would probably beat him to death.

After a long silence, old kan said slowly, " well, Wanwan, I have something to say.

PEI Qiqi's eyes were still on the two people downstairs. Aren't you tired after fighting for so long?

"Qiqi, I slept with PEI Huan," old kan's voice sounded in her ears.

Qin Anlan was knocked to the ground. Tang Yu's legs kicked him twice with force. It was so violent.

No, what did old kan say?

pei qiqi turned her head and looked at him in a daze.

Old kan smiled bitterly, "I was hot-headed, so I fell asleep."

PEI Qiqi glared at him.

old kan wanted to smoke, but she was fierce, so he didn't dare to move. he only scratched his head. "she didn't want me to take responsibility, so yueyue ended up like this." and just like that, there was no 'then'.

After a long time, PEI Qiqi came back to her senses. She looked straight at old kan and squinted her eyes, " "the perfume on your body, muah!"

the old man's heart skipped a beat.

Chapter 825 old kan and pei huan (3)

PEI Qiqi's voice was very slow and soft, but it still had a tinge of goosebumps, " PEI Huan doesn't use such a mature perfume. Old kan, think about it carefully. Did you miss out on anything? "

old kan's eyes were as wide as copper bells, and he said in a rough voice, " what can there be that he didn't say!?" "

for example, the owner of the perfume? " PEI Qiqi grabbed the front of his bathrobe, " who were you with before PEI Huan? "

The old man stared straight at PEI Qiqi. After a while, he said in a rough voice, " "with su yue."

"On the bed?"

old kan's eyes widened even more, and his pupils shrank a little, but he didn't say anything.

at this moment, pei qiqi was sure that the idiot pei huan had used su yue's second-hand goods.

that's amazing! Two in one night! PEI Qiqi threw away the snacks in her hand and picked up an object from the side, throwing it at old kan.

Old kan jumped up and begged for mercy as he ran, ” “But you said you wouldn’t hit my face.”

“don’t you have any shame?” PEI Qiqi didn’t care. I told you. You can’t sleep with PEI Huan. Not only did you sleep with her now, but you also slept with someone else. You can sleep with her later.

After PEI Qiqi finished throwing the things in her hands, she picked up the things around her and threw them back. The apartment turned into a battlefield ...

The fight downstairs was intense, but it was even more intense upstairs.

old kan didn’t dare to fight back. on one hand, he was guilty. on the other hand, why was he fighting with a girl? he was rough. what if he hurt her?

PEI Qiqi really didn’t have anything to throw so she took off her slippers and nudged at old kan.

Old kan held his head, opened the door, and slipped out.

can’t he just leave?

However, how could PEI Qiqi let him go like this? the more he admitted defeat, the fiercer she became ...

tang yu and qin anlan, who were still beating each other up, suddenly stopped.

just like that, he watched as pei qiqi chased after old kan-the two of them were both in pajamas, and one of them was even barefooted while holding a pair of slippers. just like that, they rushed out of the elevator. that scene, that scene ... there was no one else like that, aww.

“are we still fighting?” Qin Anlan glared at Tang Yu and got up. He took out two crumpled cigarettes from his pocket, straightened them, and handed one to Tang Yu.

tang yu took it and stood with qin anlan, watching the two people running around in a daze.

“actually, none of us can give her happiness like old kan,” qin anlan suddenly said.

That was because he had always told her that she would only give and not take out things she didn’t want to take out.

she was energetic and happy when she was with old kan.

Tang Yu, if you let go, I’ll let go. How about it? ” qin anlan suddenly had a lofty ambition.

Tang Yu’s head tilted up slightly. The top few buttons of his shirt were unbuttoned, revealing his Jade-like skin and sexy collarbones.

“I can’t do it!” He turned his head. Qin Anlan, I’m different from you.

You guys only like PEI Qiqi. You like her personality and her appearance.

But I’m different. To me, Qi Qi is my life.

He would never give up on her. No matter how difficult it was, he would wait for that day.

he also believed that her love and hate for him would last until that day without falling in love with someone else.

if one could easily love others, then it would not be love.

The night wind blew. He watched as PEI Qiqi slowly stopped and looked at him in a daze.

Her little eyes were rather pitiful.

Tang Yu smiled warmly at her and slowly walked over to tease her.

At this moment, Qin Anlan had nothing to do with this anymore ...

Chapter 826 Old kan and PEI Huan (4)

PEI Qiqi stood still with one of her slippers in her hand. She mechanically threw away Hanhan.

However, after throwing it away, her feet were still bare. Her fair little feet were very attractive, just like the day she walked to his room door and stammered, ”

it was only in front of him that she would still act so helpless and so stupid.

tang yu slowly walked over and picked up her slippers.

before she could react, he knelt down, humbly squatting in front of her, his large hand holding her smooth little foot. those little toes were as beautiful as small mushrooms.

His fingers couldn't help but caress her and quickly helped her put it on. PEI Qiqi shrank her feet and wanted to escape from the daze.

However, his hand held onto her, not allowing her to escape. Then, he stood up, and his large hand slowly moved up, holding her slender waist.

when she came back to her senses, she was pressed against the body of his black rv.

His back was cold, his body was hot, and Qin Anlan and old kan were beside him.

old kan was quite happy. no matter who dragged pei qiqi away, he had to thank them. yes, he had to thank them.

But in the next second, he was shocked. he really kissed her!

pei qiqi's gaze landed on the corner of tang yu's mouth. there was a trace of blood and the corner of his mouth was purple. he was obviously injured.

she looked at him in a daze while his long fingers touched her red lips. his voice was extremely hoarse.”you let him kiss you?”

She must have sensed danger, for she looked up and stared at him in a daze.

But in just a second, her lips were swallowed by him, like-stormy sea ...

It was rolled up, thrown into the sky, and then dropped back down. It was another intense battle.

it was agitated and repeatedly rustled.

Just like that, he was tossed around like a small boat on the sea, unable to land.

when she came back to her senses, it was his hot kasaya that was burning everywhere.

His well-defined fingers held her small face, and one hand slipped through her long hair, pulling her closer barbarically. Their lips touched at a negative distance.

She felt like she was going to melt from his heat. Her legs were so weak that she couldn't even react.

Those broken sounds were all crushed into pieces by his lips and tongue, and they were all swallowed.

Her body struggled slightly, but she was pressed against the car even more forcefully.

tang mo seemed to have gone crazy. his body was arched and his face adjusted to make it easier for him to kiss deeper ...

qin anlan's expression was unfathomable.

She knew that Tang Yu was doing it for her to see because he kissed PEI Qiqi's Kasaya before.

However, that light kiss could not even be called a kiss. It could only be called the contact between their lips.

the kiss in front of her was full of desire. it was as if tang yu could break through everything at any time and occupy her.

Even the air was so intimate that it was about to explode.

at this moment, qin anlan felt deeply sorrowful. he said that he wanted to pursue pei qiqi, but now, she was being kissed by tang zheng, who had a fiancée. she was almost at the point where she wanted a car. he was helpless.

They didn't even have the courage to pull them apart.

PEI Qiqi finally regained some strength and slapped him.

tang yu didn't move away. he let her little hand touch his handsome face. but when her hand left, he caught her hand.

He didn't say anything, but his eyes were a little sentimental.

There was a ring on the ring finger of his hand that was holding hers.

he didn't have this ring on the charity night stage today!

Chapter 827 old kan and pei huan (5)

pei qiqi's eyes were a little dazed. she looked at the ring and pursed her lips.

Her heart ached.

"What is this?" she raised her head and looked at him.

Her words were like sharp blades. She was in pain, but he was in more pain than she was.

He grabbed her little hand and pulled it to his face slowly and forcefully. The cold man's ring was pressed against her cold face ...

At this moment, PEI Qiqi wanted to cry.

tang yu's voice was hoarse, " qiqi, i'll wait for you. "

These words were like a curse. They successfully made PEI Qiqi unable to sleep the entire night.

At this moment, she looked at him with countless stars in her eyes. Her body shrank and she bit her lip. She looked at him in disbelief as if she was looking at a madman!

after that, she ran away and didn't come back to get a slipper.

old kan sighed and walked over to pick up the slippers. he then slowly walked into the elevator.

At the scene, only Qin Anlan and Tang Yu were left in a daze.

Qin Anlan walked over and chuckled. He glared at Tang Yu, "you washed PEI Qiqi's little mouth with your own saliva. Do you feel better now?"

Tang Yu turned around.

qin anlan's smile became mocking. "tang yu, do you know you're crazy?"

A lunatic in love!

he wasn't sure at first, but now he was sure that his biggest enemy wasn't lin jinrong, but tang yu.

not for anything else but because the person pei qiqi loved was tang yu.

tonight, qin anlan had finally experienced what it meant to be completely used! it was a fool like him.

the funny thing was, he still didn't want to give up and was willing to be used by tang yu again and again.

because he couldn't bear to give up. he had given up before, but jian jia had failed.

Xuxu returned to the apartment but PEI Qiqi wasn't there.

he stood at her door for a while before knocking on it. "A pair of slippers."

"I don't want it!" Her voice came from inside.

Old kan grinned and didn't say anything else. Tang Yu was really his Savior. Once he stepped in, Pei Xiao Qi immediately stopped gritting her teeth!

Where was the energy that was chasing him just now? it was all gone!

sure enough, everything has its weakness, old kan sighed.

he knocked on the door. "are you alright?"

PEI Qiqi's voice was a little nasal, "old kan, go away."

oh, he's really angry, yingluo.

Old kan took the slippers back. Anyway, this girl would calm down, so he could come back tomorrow to get them.

he returned to his room and lay on the sofa, not in a good mood.

After all, he had been rejected by su Yue once again.

The only person old kan had feelings for was su Yue.

however, the biggest mistake he made tonight was sleeping with pei huan. old kan respected women and really did not despise pei huan. however, how could two people who did not love each other be together?

If you slept with me, then forget it!

that night, it was destined that many people would not be able to sleep.

tang yu's car didn't go straight back to the rose garden. instead, he drove to a private club and stepped in. the entire way, it was quiet. when he opened the door to a private room, the person inside was wanwan with her back to him.

tang yu didn't ask him to turn around. he went over and sat down.

The two of them were silent for a long time before he asked softly, "How is Shen Chongshan?"

The man stood in the dark space, his voice very soft. "i suspect that shen chongshan has already recovered."

Tang Yu's fingers tightened.

although he was prepared, his heart still trembled when he heard it.

Chapter 828 shen chongshan has recovered (1)

in the darkness, the man continued to speak. his tone was light, but every word was enough to change the situation in b city. "However, Jin Taihe's power is now in Shen Lian's hands. Shen Chongshan is probably at his wits" end."

The man paused,"perhaps, he wants more, Yingluo."

Tang Yu also knew what that 'more' was. In this chess game, the one he wanted the most was Qiqi, the wife he lost.

What Shen Chongshan wanted was not only Jin Taihe, but also an heir.

Shen Lian was obviously impossible, and the only blood-related Wufu in Shen Zhongshan was Wufu.

And if he were to reveal this, PEI Qiqi would definitely find out part of the truth.

He couldn't stop her, and he didn't want to stop her either. Perhaps it was time for him to give it a try.

Tang Zheng closed his eyes and thought about how Qin Anlan kissed Qiqi tonight ...

Damn it, at that time, he had almost rushed over to take her away and hide her in a place where no one could find her.

There was no jinrong or Qin Anlan there.

perhaps, he should abandon his status as an older brother, even if she would hate him more.

However, it would also allow him to approach her with a legitimate reason, instead of being a perverted brother who wanted to possess his sister.

Tang mo was silent for a moment before disappearing into the dark room.

the man who had been carrying his back slowly turned around, his handsome face showing a hint of pain.

That face was his!

.....

When PEI Qiqi woke up early in the morning, her head was heavy.

last night was like a dream.

bmw, luxurious clothes, diamond accessories, tang yu-

She was stunned for a while and then laughed at herself. PEI Qiqi, those things have nothing to do with you.

You're just a small-time photographer. If old kan isn't here, you'll have to take the subway to work and carry your camera to shoot outdoor scenes.

This is your real life!

she got up and quickly brushed her teeth and washed her face. after making two sets of breakfast, she went to knock on old kan's door. although she was still angry, she had let it go. pei huan was willing for old kan to sleep with her. there was no need to take it too seriously.

When old kan came out to open the door, he didn't expect it to be PEI Qiqi so he was only wearing his pajama pants. His upper body was bare and his thick chest hair made PEI Qiqi's eyes widen. Of course, there were also scratch marks on his back, like a cat's scratch.

Old kan noticed her gaze and felt a little uncomfortable. He scratched his head and said, "Wait for me."

He put on his clothes and went to eat breakfast. PEI Qiqi looked at him, " "did pei huan catch it, or was it su yue?"

Old kan's face turned red and he coughed lightly. PEI Huan is not that wild. She's only meowing like a kitten. Only su Yue, that fierce woman, would scratch so hard as if she had never seen a man before.

pei qiqi was unhappy again, "are you very proud?"

"No, absolutely not! i must have lost my mind back then, didn't i?" Old kan still paid special attention to his little disciple. Not to mention anything else, just by living together for this period of time, his little disciple's cooking skills had conquered his stomach.

Su Yue's rejection didn't feel as bad as before.

pei qiqi lowered her eyes and after a while, she said softly, " "if you don't love pei huan, then don't go and provoke her."

old kan was a good person, so it was not strange for pei huan to like him. however, it was better not to touch a man who had someone else in his heart!

Old Kan saw that she had finally relented, and his heart also relaxed. He hummed in agreement, and his eyes were filled with tears.

the two of them reconciled and Pei Qiqi sat in Old Kan's car to go to the magazine agency.

As soon as she reached the office, the managing editor threw her a big bomb.

Chapter 829 Shen Chongshan has recovered (2)

"Little Pei, from now on, you'll be in charge of Mr. Tang's Weibo. It's very simple, just interact with his fans and release some updates from time to time." The editor-in-chief paused for a moment. "I've thought about it for a long time. In order to avoid trouble, we'll use the name of the fan club. This way, it'll be easier to play the legal side."

Pei Qiqi really wanted to curse out loud. Did the managing editor go too far last night?

Although Tang Yu was a celebrity, he wasn't a celebrity who sold his body, so why would he have fans?

and was this kind of side-stepping easy to play?

If things don't go well, the entire magazine agency would be wiped out. Where did the managing editor get his confidence from?

The managing editor could tell that she was unhappy and smiled. "Of course, we won't use our magazine's name. It's a private account. This account is like our baby, and we have to love and take care of it. Little Pei, you're my most trusted Yingluo. I'll leave my child to you."

When it came to shamelessness, Pei Qiqi only respected the chief editor.

Even though she cursed in her heart, Pei Qiqi still took the note with the password and left.

She logged into her account, and Amy slid over and asked quietly, "How was the charity night last night? It's all in the newspaper, but you're not there."

Pei Qiqi busied herself while she replied to Amy, "I'm just a minor character."

"Oh," Amy replied, sliding back to her original position and said as if she was sleepwalking, "I'm not sleeping." "But I feel that the person in the painting looks like you."

Pei Qiqi didn't say a word, aww.

She remembered that the painting was in Old Kan's hands.

Just as she was thinking about it, an express delivery arrived. It was from Su Mo, and the item was the painting.

Of course, Pei Qiqi thought deeper. It was true that Su Yue was the one who slept first last night. She opened the painting and confirmed that it was the same one.

Amy looked at him, "It's really you!"

Through this painting, she could imagine countless scenes of Pei Qiqi and Tang Yu living together.

Ex-husband and ex-wife!

PEI Qiqi, have some fun with him. Amy lowered her voice and looked around secretly. "Have you ever cooked in the kitchen?"

pei qiqi put down the drawing and turned around to look at the gossiping amy. she said expressionlessly, " "There is."

after she finished speaking, she went to deal with the weibo incident. amy was dumbfounded. she didn't expect pei qiqi to admit it so easily!

the kitchen was too noisy.

on the other side, pei qiqi was focused on dealing with the new following fans, wanwan.

she looked at the hundreds of thousands of fans that had increased in just a few days and was a little dumbfounded. was this the celebrity effect? Or was it the male charm effect?

his fan count was still increasing at an unbelievable speed. the numbers kept refreshing and many people sent private messages asking about tang yu's latest situation.

PEI Qiqi picked a few questions and answered them before pushing them to the top. Then, she saw a new message pop up.

it was sent by a fan named chu xibei. the question was simple. " who do you love the most? "

PEI Qiqi was stunned for a moment before she privately replied, " "Are you asking me or Mr. Tang?"

On the other end, she replied very quickly, " you.

PEI Qiqi's heart skipped a beat. She looked at it for a long time but didn't reply.

It was just a stranger on the other side, but the question hit her directly in the heart.

It made her want to run away from Hanhan.

After a long time, she typed on the keyboard again. the person I love the most has left and will not come back.

There was no reply from the other end.

Chapter 830 PEI Qiqi, are you dating online?(1)

PEI Qiqi looked at the three words 'Chu Xibei' and was in a daze.

after about half an hour, she thought that the person would not reply again, but a pop-up window popped up again. " the person i love has also left, but i'm waiting for her. hanhan, i believe that she will definitely come back. "

Wait for her?

Then he was Yingluo.

"You're a man?" PEI Qiqi quickly knocked.

The other party replied with a smiling emoji, acknowledging it.

pei qiqi thought that the people who paid attention to this weibo account would be girls who liked to fantasize. why would a man appear here?

she shook her head and wanted to blacklist him, but she couldn't make up her mind.

at this moment, a pop-up window popped up again, but it was just a short message-

"i believe that your him will be back soon, yingluo. perhaps yingluo just doesn't have a way to do it now."

PEI Qiqi sat there and looked at the words for a long time. She was a little stunned. It was so long that she didn't even notice when Amy came over.

amy looked at it, then coughed and said in an experienced tone, "PEI Qiqi, you're dating online? I'm telling you, he's not reliable. Once you date him, you'll find out that the man of your dreams is actually a poor loser."

pei qiqi tilted her head, "you've been tricked before? "

amy's face darkened, "pei qiqi, you're so annoying. "

pei qiqi, on the other hand, thought that the 27-year-old amy was quite cute. she imitated amy and leaned over, "were you cheated of your money and your body? "

Amy was a Southerner so she was a little scared when she spoke. At this moment, PEI Qiqi stepped on her Thunder and she exploded with anger, "PEI Qiqi, why are you so scared to speak the truth?!

As she spoke, she sat back down, her face red, and her voice as low as possible."Keep it a secret! Who hasn't touched a few scumbags before getting married?"

PEI Qiqi smiled. When she turned around, a message popped up on her computer-

chu xibei had requested to add her as a friend and had even given her a string of QQ numbers.

pei qiqi laughed. a little boy! who would still use QQ to chat in this day and age?

However, she still added his Yingluo.

Sure enough, it was a little brother (Tang Yu also had a little brother) who claimed to be a 20-year-old newbie.

when pei qiqi thought about how he said the person he loved had left and how he was waiting for yueyue, she laughed out loud.

Little wimp, always pretending to be profound.

"I've ordered flowers for you. 99 white roses. Do you like them?" the newbie, Chu Xibei, suddenly spoke.

pei qiqi was stunned, "why? "

there was a screenshot attached. it was her QQ information with her birthday on it, and it happened to be yingluo today.

pei qiqi didn't know whether to laugh or cry. it was a little boy's thoughts again.

at this moment, she had forgotten that she was only 22 years old.

“i still think you should keep the money and wait for your girlfriend to come back.”
PEI Qiqi’s fingers moved quickly, “I’ll buy her a present to make her happy.”

I’ll coax the little sister first, then my little fairy. the little boy’s mouth was particularly sweet.

pei qiqi was in a good mood. are all boys so interesting these days?

She suddenly thought of Tang Xin. If Tang Xin was here, she would definitely like Chu Xibei very much.

At this moment, the managing editor came out of the bathroom and saw PEI Qiqi’s fingers quickly tapping on the keyboard. She revealed a sweet smile. What a good employee!

PEI Qiqi looked up and saw the managing editor’s smile. She suddenly felt that this job was not bad. At least she could chat casually at work.

The phone on the table rang. She looked at it and saw that it was jinrong. pei qiqi sighed in her heart. she didn’t want anything to happen between her and jinrong.
