

Thank you 831

Chapter 831 pei qiqi, are you dating online?(2)

PEI Qiqi sighed in her heart. Actually, she didn't want anything to happen between her and jinrong. Other than the uneasiness of her identity, it was just like what she told Qin Anlan. She really didn't want to have any more feelings for him.

It was good to be alone.

before she picked up the phone, she said to chu xibei,

A friend is looking for me, I'll answer the phone.

A few words were quickly sent over from the other end. boyfriend? ”

PEI Qiqi picked up Lin jinrong's call and smiled when she saw the three words- silly child, she had just said that she did not have a boyfriend.

Because she was laughing, her voice was particularly light. jinrong? ”

lin jinrong was sitting in the ceo's office in the lin corporation's headquarters. his young face was handsome and intimidating. he held his phone in one hand and a gold pen in the other, writing and drawing on the table, ” pei qiqi, i heard that someone is celebrating their birthday today. is that true? ”

PEI Qiqi was a little surprised. She pursed her lips and didn't know what to say- he didn't just want to wish her a happy birthday, did he?

Lin jinrong waited for a while. PEI Qiqi didn't say anything, so he said, ” “let's have dinner together tonight! pei qiqi, i just came back today and didn't make it to the dance with you yesterday. it shouldn't be a problem to treat you to a meal today, right?”

PEI Qiqi found it hard to refuse. She agreed and set a time and place.

after she put down the phone, she felt an indescribable gloominess in her heart.

she was able to face qin anlan's advances with a cold face, but jinrong was different.

she pondered for a while before realizing that the conversation on the computer screen was sent by chu xibei.

“Are you still there?”

“you have a date tonight?”

.....

pei qiqi laughed. her fingers landed on the keyboard and she typed very slowly, ” “There's one. The person I used to like asked me out for dinner.”

The other side was also empty for a long time before a line of words was sent: “Do you still like him?”

.....

do you like it?

pei qiqi looked at the screen for a long time and smiled, ” “If he wants to, we’ll be good friends.”

This time, the speed on the other side was obviously much faster. yes, love can’t be forced.

PEI Qiqi replied with four words, ” you little brat!

“give me the address, i’ll send the roses over.” the other side typed a message.

actually, pei qiqi was in a difficult position, but chu xibei sent a pitiful emoji, ” ” little sister, you won’t even give me this chance, will you? ”

alright!

PEI Qiqi gave the magazine’s address and her phone number.

On the other side, Yingluo

Tang Yu looked at the name she left-

pei xiaohua!

she really knew how to name it. tang yu looked serious.

he pressed the internal line and called for xiao ran. xiao ran came in and looked at the president’s serious face.

send me a bouquet of 99 white roses to this address! Tang Yu handed a piece of paper to Xiao ran.

xiao ran nodded. he was a little surprised. was this a gift for president shen?

But when she took the note, she was a little confused ...

pei xiaohua?

“pei qiqi?” xiao ran asked with some difficulty.

tang yu’s face was still serious, ” i’ll write pei xiaohua! ” also, don’t let anyone know that it’s from me. just sign your name as chu xibei.”

xiao ran nodded. he was the only one who knew this.

she immediately went to do it. although xuxu was a little messy, she knew clearly that the ceo only had pei qiqi in his heart and no one else.

there should be a reason for their separation, right? otherwise, why had she not married president shen after such a long time?

Chapter 832 Whose child is little Xinxin?(1)

That card with PEI Xiaohua on it made PEI Qiqi happy the entire day-

the 99 white roses were placed on her table. she lay on her stomach and looked at the card.

PEI Xiaohua, Chu Xibei!

after chuckling for a while, she finally @ him.”i’ve received the flowers. little beibei, we’re best friends from now on.”

on the other end, tang yu was in a meeting when his phone vibrated. he picked it up and looked at it. then, he revealed a smile-

All of Sheng Yuan's higher-ups were shocked. It had been a long time since they had seen the CEO smile so gently. It seemed like it had been more than a year.

tang yu looked at it for a while before sending an emoji. after that, she didn't send anything and neither did he.

After the meeting ended, he asked Xiao ran to stay and said indifferently, " go and check where Mr. Kobayashi ordered the meal tonight.

Xiao ran was a smart person. He immediately realized that PEI Qiqi was involved in this.

He went back to his office and used his connections to find out. After that, he came back and said, " Mr. Kobayashi has booked a Michelin-starred meal tonight. he even specially ordered a three-layered cake."

There were still 99 red roses that Xiao ran did not dare to say.

this candlelight dinner, this rose cake for whom, she was very clear in her heart. she silently thought, i wonder if there's a proposal ring.

As expected, the president's expression did not look good, and Xiao ran left the office.

Closing the door, she smiled. This bucket of vinegar was probably about to be overturned.

Tang Yu picked up his phone, found PEI Xiaohua on QQ and sent a message, " Little Miss, I'll chat with you tonight and sing you a birthday song, okay? "

... Mr. Tang's cuteness is also amazing.

PEI Xiaohua replied, [don't mess around. Be good.]

Although it was only a few words, his anxious heart was strangely soothed.

No matter what, PEI Qiqi's heart only had him.

.....

after pei qiqi got off work, she went back to the apartment with old kan. old kan didn't look very well today, so he laid on the sofa and didn't move.

Although PEI Qiqi was still a little angry, she couldn't bear to do it. She took his temperature and it was fine.

She poked his forehead with her long fingers. do you think you're in your twenties? Excessive indulgence!"

She was full of disdain, but she still cooked two dishes and a soup for him. She ate them with satisfaction.

"i don't want anyone! Just one little disciple will do." Old kan looked at Pei Xiao Qi and said sincerely.

PEI Qiqi glared at him,"pfft!" i'll only believe you if you say this again in two years."

after a while, she remembered something and looked at old kan. ” “You can’t control someone like su Yue, old man Xuxu. Find a woman you like and marry her.”

old kan was in a daze for a while before he laughed and looked at pei qiqi, ” what about you? will you find someone you like to marry? For example, the guy who treated you to dinner tonight?”

PEI Qiqi couldn’t answer old kan.

old kan was also silent. after a while, he wiped his face and said,”let’s not talk about this, it’s sad! We’ll just live like this.”

after such a ruckus, pei qiqi’s mood was still a little heavy when she arrived at the michelin restaurant.

He felt sad for old kan.

Lin jinrong had already arrived and was standing at the entrance of the hotel. He was dressed in a black formal suit, looking handsome and elegant.

It was how PEI Qiqi fantasized about Lin jinrong when she was still in school.

But now that she had seen him, she was no longer as moved as before.

“let’s go in.” he put a hand in his pocket and smiled.

Chapter 833 whose child is little xinxin?(2)

at this moment, a waiter appeared from the side, holding a bouquet of red roses, delicate and beautiful.

Lin jinrong held it in one hand and walked down a few steps to her side.

this was the second bouquet of roses she had received today, and it was the red rose that symbolized love. she was a little hesitant.

“No need to think too much!” Lin jinrong placed the bouquet in her arms and continued to smile. it’s just a meal.

pei qiqi laughed and felt a little uncomfortable.

Lin jinrong booked a place with a unique view. It was by the window and they could see the entire night view of B city. After PEI Qiqi sat down, she looked out the window with her sharp chin in her hand.

tonight, she was wearing a long black t-shirt with a white chiffon strap on the outside. her long hair was casually tied into a ponytail. she was thin and small, and she gave off a refreshing feeling.

She didn’t put on any special makeup, but her face was beautiful and perfect.

she looked out of the window and lin jinrong looked at her. his eyes were gentle, just like the day they first met.

The waiter served the dishes quietly. The last dish that was served in a very delicate lunchbox was a three-layered cake.

At the very top was a Barbie doll bathing, and the bubbles around it made it look especially dreamy.

No matter how complicated PEI Qiqi's feelings were, she was pleasantly surprised.

this was her first real birthday. when she was with tang yu, hanhan never told him about her birthday.

"You can eat the cake later." lin jinrong indicated for her to eat first, then he naturally served her.

pei qiqi realized that lin jinrong's actions were very similar to tang yu's. even his face looked similar. she was a little dazed.

lin jinrong realized that she was distracted and paused, " "Qi Qi?"

"i'm sorry," she said with an apologetic smile.

Lin jinrong smiled. it's okay. Can you share what you were thinking about? "

In fact, there was a certain probing in his tone.

pei qiqi looked at him and didn't say anything for a long time.

then, lin jinrong knew that she was thinking about tang yu.

the atmosphere was a little awkward. tang yu was a barrier in her heart that she couldn't get over. at the same time, he was also a part of his heart.

just as the atmosphere was a little awkward, a soft child's voice rang out from next door. " sister. "

pei qiqi's body trembled. lin jinrong turned his head in a daze. then, he was a little confused.

sitting at the next table were tang yu and lin yun. of course, they also brought a pretty little girl ...
be careful!

little xin was eating her little finger, but her eyes were staring at pei qiqi's certain part.

PEI Qiqi's heart tightened and she resisted the urge to cover her clothes.

tang yu's gaze landed on lin jinrong and pei qiqi's faces. then, it landed on the cake and red roses on the table. he said calmly, " jinrong, I remember that your birthday is in spring.

"it's qiqi's birthday." Lin jinrong smiled and ignored the uncomfortable situation. He went over to Lin Yun and greeted her, " "aunt."

pei qiqi simply wanted to dig a hole in the ground and whine.

Although she had no intention of developing a relationship with jinrong, her ex-husband and ex-mother-in-law were both present. It was true that she would have a candlelight dinner with jinrong. moreover, they were all relatives.

Tang Yu's eyes were locked on her. Only Lin jinrong calmly walked over and hugged little Xin, " little Xin, did you miss your brother? "

Tang mo touched his forehead, feeling a headache.

lin yun looked at her son indifferently and sighed.

this relationship is so messy ...

Little Xin Xin waved her little hands and called out to PEI Qiqi, ” “sister.”

Chapter 834 Whose child is little Xinxin?(3)

pei qiqi was in a difficult position. the little guy was also very pitiful. however, she was too uncomfortable. she didn't dare to go over or look at tang yu ...

her legs were still weak from the kiss last night.

Lin Yun was also in a difficult position. One was her son, and the other was her nephew.

although his son had divorced her, he still missed her, yingluo.

Lin Yun's attitude was vague, and she didn't want to lose the demeanor of an elder in front of jinrong. How could Lin jinrong not know? he just pretended not to know.

he played with his heart for a while. he was even more like an older brother than tang yu.

He carefully wanted PEI Qiqi to carry him so he placed the baby in her arms and smiled, ” “Let's hug for a while!”

PEI Qiqi hugged her. She was worried that she would do what she did that day, but she wasn't careful. She obediently lay in her arms, her big, tender eyes looking at PEI Qiqi and she licked her lips.

she looked especially cute.

PEI Qiqi couldn't help but kiss Yueyue.

lin yun looked at tang yu unconsciously. tang yu's expression became much gentler. perhaps this was the only moment he had wanted in his life.

Little Xin's entire body was soft and cuddly as she sat on PEI Qiqi's lap, asking for food.

” it's your birthday. you have to say happy birthday. ” pei qiqi was sitting with a heart on her lap. lin jinrong was bent over and his body was very close to them. they looked like a family.

tang yu, my heart hurts!

At this moment, a waiter passed by. Lin jinrong was about to stand up. Although the waiter backed away in time and didn't bump into him, the soup in his hand spilled directly into little Xin Xin, who was in PEI Qiqi's arms.

In the nick of time, a large palm blocked Xiao Xinxin's face, and the bowl of hot soup was poured straight into the large palm.

pei qiqi's heart almost stopped beating.

Tang Yu groaned and the back of his hand was covered in Red Hot soup.

the waiter quickly put down the things in his hands and used a tissue to wipe tang yu's fingers clean. when he saw tang yu's face, he was even more shocked, ” “I'm sorry, Mr. Tang.”

tang yu didn't make things difficult for him and simply said, ” “clean up!”

the waiter settled everything quickly, and everything calmed down. the atmosphere became strange again.

lin yun said gently, " it's qiqi's birthday. let's just celebrate it together! "

pei qiqi couldn't reject an elder, so she agreed in a low voice.

Once again, they sat together. There were four seats, so he carefully stuck to PEI Qiqi.

At this moment, the manager was also alerted and came over to apologize. He was especially concerned about whether Tang Yu's hand was injured.

Tang Yu said it was fine.

he was sitting in the same direction as pei qiqi. the manager looked at him, then at pei qiqi and the child in her hands. he smiled, " mr. tang, this is your child right? he looks so much like you. " There's also a bit of Mrs. Tang's shadow."

These words made her feel uncomfortable.

PEI Qiqi thought Tang Yan would explain, or at least Lin Yun would. But they didn't.

no one spoke, which was even more subtle.

She coughed lightly and was about to say something when Tang Yu interrupted her, " move the dishes we ordered here too.

The manager said "yes" repeatedly and personally served him.

Lin Yun looked at PEI Qiqi's cautious and hesitant expression and smiled, " "i'll carry him?"

Little Xin clung onto PEI Qiqi's legs and refused to come down. She hugged it with her small hands. Her chubby body was very cute.

Chapter 835 Whose child is little Xinxin?(4)

"yingying wants to eat cake." xiao xinxin pointed at the pretty doll on the cake and licked her lips again.

pei qiqi was just about to eat when lin jinrong smiled, " "Eat after the meal. The child won't eat after eating the sweet food."

"you seem to know a lot about it." pei qiqi's words were unnatural.

Lin jinrong looked into her eyes and slowly said, " "Sometimes, when my aunt comes back, she will take care of little Xinxin."

PEI Qiqi responded with an 'Oh' and then didn't know what else to say.

The four adults present didn't make a sound. Only little Xin was eating her heart-shaped lamb chop with an especially Ashali-like manner. It was especially sweet and fragrant.

PEI Qiqi looked at Xiao Xinxin's little face and couldn't help but think of the restaurant manager's words.

On closer look, little Xinxin did look like Tang Yu. In fact, she looked a little like him.

it was probably because she and tang yu were blood related, so she had this kind of illusion.

but she still felt a little strange.

At this moment, Lin Jinrong said indifferently, "Qiqi, I have something to tell you later.

Tonight's plan was probably ruined. He couldn't propose to her in front of so many people, let alone in front of Tang Yu.

As for Tang Yu's appearance, Lin Jinrong didn't think it was pure coincidence.

However, he didn't say it out loud. There were some things that were better left unsaid.

If he said it out loud, he might not even have the slightest chance.

Pei Qiqi looked at him and forgot to react.

Suddenly, her hand under the table was caught by someone. A big warm palm caught her small hand. It was not a tight grip, but it did not allow her to break free easily.

It was Tang Yu!

She struggled a little, but he held her even tighter. The strength of a man and a woman was so clear at this moment.

Pei Qiqi didn't dare to look at him. She didn't even dare to look at Lin Jinrong and Lin Yun. She was afraid that they would see through her.

It wasn't that he didn't want to struggle, but if he did, it wouldn't be good for anyone.

Luckily, he was holding her left hand, so she could still eat.

Pei Qiqi didn't make anything else and just kept eating the steamed buns.

Little Xin's chubby little face turned to look at her and exclaimed, "This big sister can eat so much!"

Pei Qiqi's hand stopped and she wanted to dig a hole again.

She looked up at Little Xinxin. Her gaze was probably a little fierce. Little Xinxin's big eyes welled up with tears and then she burst into tears.

Pei Qiqi was a little helpless. She looked at Little Xin and then at Lin Yun.

She wanted to coax her little heart, but Tang Mo held her hand.

That hand tightened around her small hand for a moment, then released.

Tang Yu stood up and walked to the opposite side. He held his little heart, patted her back, and gently coaxed her.

As for the baby, as he was being coaxed, he looked at Pei Qiqi with his big black eyes, "there was a tsundere little look in her eyes ...

Come and coax me!

Pei Qiqi didn't know how to coax a baby, so she just looked on helplessly!

Tang Mo glanced at her with blame.

Pei Qiqi was in a mess.

what does it have to do with me? what does it matter! What does it matter!

you're the one who grabbed my hand. otherwise, i'll be the one carrying yingluo now.

she didn't say anything. she just watched as tang yu carefully and skillfully moved like he was born to be a father.

for a moment, she thought of the child she had lost. her pupils shrank and her fingers unconsciously moved to her lower abdomen.

there, there was a wound that bore witness to the child's departure.

Chapter 836 proposal ring! project X out of the sky!(1)

In her daze, PEI Qiqi's hand suddenly felt heavy. Little Xin Xin was already in her hand.

that chubby little person looked at her stubbornly. coax me!

pei qiqi only felt that those eyes were very familiar. it was as if she had seen wanwan before but she couldn't remember.

At this moment, Lin jinrong's phone rang. It was Wang Ziqi.

He looked at it and smiled apologetically at PEI Qiqi. Then, he walked to the side to answer the call.

as soon as he left, little xinxin turned her little body around and put on a serious face like a doll. "i'm hungry."

pei qiqi pinched her little face, "you only ate a lot. "

xiao xinxin's dark and delicate eyes were staring at the cake, and yingying really wanted to eat it.

PEI Qiqi's gaze shifted over as well,"you want to eat?"

little xin nodded her head reservedly and looked straight at him again.

pei qiqi smiled and pinched her little face, even though the little guy was quite resistant.

He sat down with little Xin in his arms, took the doll down, and asked the waiter to wash it for little Xin. Then, he carefully cut a small piece of cake for little Xin.

Although little Xin was only a year old (actually more than a week old), she could already hold the small spoon steadily and eat the delicious cake with a wailing sound.

Little people were soft and fragrant to begin with. Now, they were even more soft and fragrant. Embedded in PEI Qiqi's arms, they seemed to fill up the empty hole in her heart.

at that moment, she suddenly had an absurd thought. how good would it be if xiao xinxin was her child!

So healthy, so lively and lovely Yingluo

She looked at the little person's mouth moving and her gaze couldn't help but become gentle. She reached out and stroked little Xin's Black and straight hair. This child's hair was so nice and her face was so delicate. She looked like a mini version of Tang Yu.

Tang Yu looked at her with a gentle gaze.

After Lin jinrong finished the call, he turned around and first saw Tang Yu's gaze. He was stunned for a moment and then his expression changed. He quickly walked over and saw a small piece of cake.

Of course, there was also the look of satisfaction on little Xin's face as she ate. She held a small spoon in her chubby hands and dug and ate like an excavator from Lanxiang. She did not even chew!

Lin jinrong's heart tightened. He took the cake and flipped it up and down, inside and out.

no!

His face turned pale and he looked at little Xin seriously. did you eat anything just now? "

Little Xin's chubby little hand held the small spoon, and she was frightened by his appearance. she raised it in the air, her delicate little face looking like she was about to cry.

Lin jinrong's face turned even paler.

tang yu also realized what happened. he stood up and had a rough idea of what was going on.

flowers, cakes, and a diamond ring, yingluo.

Jinrong was going to propose tonight!

but now, the ring might have been eaten by little heart.

Tang mo pursed his lips and called the cake maker over. His expression was stern. are you sure you put the ring in? "

the cake maker's heart broke down. she gritted her teeth and nodded."yes, mr. tang,"

tang yu's gaze landed on little xinxin's little face. probably because he saw the change in his expression, little xinxin finally peed her pants and started crying.

pei qiqi was also stunned.

why would there be a ring?

"I did." lin jinrong's voice was restrained, " be careful, xinxin might have eaten it. "

lin yun was also shocked. before she could say anything, tang yu had already walked out of the room.

Chapter 837 The proposal ring! Project X out of the sky!(2)

tang yu took two steps and suddenly stopped. he reached out his hand-

with one hand carefully, he held onto pei qiqi's hand with the other.

In front of jinrong, he held her hand. come to the hospital with me.

pei qiqi didn't have a chance to think. secondly, she couldn't reject the fact that she was the one who carefully bought the cake.

she quickly followed and left with tang yu ...

At that moment, she had forgotten that jinrong was right behind her and that the ring was for him to propose to her.

Lin Yun didn't follow, and Lin jinrong also stood there in a daze.

everything was quiet, and the sound waves around them did not seem to affect this place.

lin jinrong placed his hands on both sides of the table and looked up at his aunt quietly. his voice was a little hoarse, " "Aunt, whose child is little Xinxin?"

Even when he closed his eyes, he could still remember that scene.

Tang Yu and PEI Qiqi sat together. Little Xin was between them. The Three Faces were strangely harmonious.

Even the manager had said that they were a family.

Lin Yun smiled, " of course he's my child.

Lin jinrong's face was bitter. really? "

Lin Yun could only sigh softly.

in fact, she had already hinted to jinrong that if he was smart, he shouldn't fall for her.

he and pei qiqi would never end up together!

.....

tang yu carried little xinxin to his car and opened the back door. he handed little xinxin to pei qiqi, " you sit in the back and carry her vertically. if you have any problems, call me. "

pei qiqi pursed her lips and nodded.

before he closed the car door, little xinxin's big, watery eyes stared at him out of fear. pei qiqi was also in a daze.

his heart heated up and he couldn't help but reach out his hand to pinch little xin's soft little face. he then touched pei qiqi's face and said in a hoarse voice, " "don't worry,"

even though he said that, he still drove very fast. the black sports car pierced through the city's reinforced concrete and flew in the neon lights.

although he was anxious, his heart was warm ...

his wife and son were sitting in the back of his car.

what he had always desired, what he dreamed of (the word "charm" was a typo, i forgot how to write it, the author wrote it in five strokes)

soon, the car stopped at the entrance of sheng yuan hospital's outpatient clinic. on the way, he contacted a digestive system expert. when his car arrived, the expert arrived as well.

little xinxin probably knew what she had eaten, so she refused to get out of the car with tears in her eyes.

tang yu carefully took her out of pei qiqi's arms and reached out to wipe her tears. he said in a low voice, " "baby, you have to be careful when you eat next time, okay?"

little xin obediently nodded her head. her little body snuggled into tang yu's arms and her little hands wrapped around his neck. she buried her face in his warm neck and teased him.

pei qiqi looked on and felt envious. their relationship was really good!

Tang Yu carefully walked into the medical building. She quickly followed.

The Department Director and specialist examined the patient very carefully and asked if her stomach was uncomfortable.

"the baby ate the cake and felt very comfortable," xiao xinxin said in an especially soft voice.

Tang Yu and PEI Qiqi didn't know whether to laugh or cry.

the doctor smiled and looked up. "it shouldn't be a big problem. as long as it doesn't get stuck in the respiratory tract and enter the stomach, the ring shouldn't be too big. it will be discharged tomorrow.

Tang Yu grabbed PEI Qiqi's hand. it's about the size of my ring finger.

Chapter 838 tang yu, do you dare?(1)

the doctor coughed lightly and said,"then it shouldn't be too hard to get it out!" oh right, take a basin and check it tomorrow. we'll only be at ease when we're sure it's discharged."

tang yu nodded and left. the nurse then led him to a private suite on the fifth floor. inside, it wasn't the usual white color of the hospital. instead, it had pink walls and a pink princess bed. everything was pink. it was like a child's room at home.

pei qiqi was a little surprised.

Tang Yu walked over and placed little Xin Xin on the bed. He then explained her question, " " she was born in poor health and has serious rhinitis, which will flare up in the spring. we simply arranged a separate room for her in the hospital. "

PEI Qiqi didn't say anything. She just sat on the bed and looked at the chubby little guy. She asked softly, " "does your stomach hurt?"

little xin shook her head and then yawned. " "i'm so sleepy."

The chubby little fellow crawled over again and laid on her body, wriggling around. Its intention was very obvious.

Tang Yu looked deeply at PEI Qiqi. He took the box of cigarettes and walked out, " coax her to sleep.

PEI Qiqi was a little confused. This is your sister, why aren't you coaxing her?

but tang yu had already walked out.

pei qiqi lowered her head and looked at the little guy lying on top of her.

She closed her eyes and followed the little guy's movements.

After a while, that chubby hand secretly undid her buttons and sneaked into her arms. His fluffy little head nudged her. PEI Qiqi closed her eyes.

She's just a child. It's nothing. She's a little girl again.

It was probably because she had eaten too much before and was tormented for a while, so little Xinxin fell asleep after sucking a few times.

He placed his chubby little hands together and buried himself in PEI Qiqi's arms. His breath was on her neck and it was as warm as a hot water bottle.

after her breathing calmed down, pei qiqi got up and put the little guy down. she looked at him again and the more she looked at him, the more she felt that little xinxin was good-looking. her facial features were 80% similar to tang yu's. it seemed like lin yun's genes were too strong.

After looking at it for a while, she gathered her clothes and went to the bathroom to tidy up.

she turned on the tap and splashed cold water on her face. she felt that her face was a little hot and needed cold water to cool it down, although she didn't know why she felt hot.

There was also a kind of uneasiness hidden in her heart, but she could not find the reason.

the bathroom door was pulled open silently, and then a person appeared in the mirror.

He hugged her from behind and rested his handsome face on her shoulder. His eyes were deep as they met in the mirror.

"mr. tang, are you staring at me again? if so, i think your fiancée will be happy to accept it. " she didn't back down and met his eyes, but she forgot that her clothes were untidy.

his large palm held her waist and slowly moved down. his voice was neither fast nor slow as he said, " i've always had that kind of thoughts about her. "

He lowered his head and gently bit her fair shoulder.

At the same time, her t-shirt slipped down her shoulder and piled up at her waist.

because of the cold, she arched her delicate body and curled up. he took advantage of the situation and pressed her body against the mirror.

The front was cold, and the back was his hot male body. The alternating hot and cold was also like a torment in her heart.

" mr. tang, little xinxin is in the hospital now. don't you feel ashamed for doing such a thing to me? " Her voice was cold, and she was unmoved.

Chapter 839 Tang Yu, do you dare?(2)

she tried her best to keep her voice steady so that he wouldn't notice her abnormality. at this time, she regretted it. she was like a sheep entering a tiger's mouth today.

tang yu's face was close to her and his voice was as deep as the night, " what about you? PEI Qiqi, do you have any feelings for your brother now? Hmm?"

his big palm was holding her ...

pei qiqi froze and her body shook violently. her voice was filled with forbearance, " Tang Yu, don't you have any shame? "

She panted and closed her eyes, unable to believe what he was doing to her.

she was his sister yingluo.

“Qiqi, you have feelings.” as he did such an embarrassing thing to her, he held her small chin and forced her to look at herself in the mirror. ” ” did you see that? even though you’re my big brother, you still have a reaction under my palm. ”

pei qiqi’s eyes were closed. she didn’t want to look at the woman in the mirror.

he was unwilling to admit that the woman with a blushing face and eyes that were almost out of water was him!

she didn’t care if he was her brother or not. it was because she hated him, but she couldn’t resist his teasing.

She hated herself.

she closed her eyes and shook her head desperately,”let go of me!” Tang Yu, I’m your sister.”

“I don’t care,” He continued to torture her, his dark eyes locked on her in the mirror.

His body was extremely tense, and he had endured it for a long time. At this time, he was in unbearable pain.

PEI Qiqi’s body was as soft as water in his arms. He knew all her weaknesses.

Her Starry Eyes opened slightly. She looked at the man in the mirror and did not care?

PEI Qiqi’s face slowly turned cold, like the cold fragrance of winter.

” tang yu, do you dare to take me? ” His voice was soft.

while tang yu was still in a daze, she had already turned around. her little hand was on his shoulder and she looked up at his depressed face.

his adam’s apple moved uncontrollably, and his body instantly tensed up under her fingertips.

pei qiqi’s feet were high, so her mouth was just enough to reach his neck.

she kissed his adam’s apple and said in a hoarse voice, ” do you dare to take your sister? ”

She swore. Tang Yu’s eyes narrowed. His large hand held her small waist and he almost broke her.

his breathing also became more and more intense, as if he was breathing fire.

“if you feel guilty, then don’t bother me.” She bit him on the neck and teased him as she did in the past.

however, tang yu could clearly feel that she was different.

His Qi Qi had learned the bad things from old kan.

in the past, she was such a shy and moving little thing. when had she ever been so bold?

Tang Zheng was at war. Did he want her or let her go?

his large hand held onto hers, refusing to let go, and her eyes were filled with provocation, dazzling and dazzling.

He covered her eyes with one hand and lowered his head to kiss her lips. At the same time, he carried her to the sink.

he kissed her greedily, holding her little face to prevent her from escaping. the more he kissed her, the deeper he became.

This kiss, carrying his strength and her despair, was so deep, so deep.

Her body was forcefully pressed against the hard mirror behind her. Her clothes were untidy and she looked very unsightly.

Suddenly, she pushed him away with all her might.

Her breathing was messy, and her lips were slightly swollen from the kiss ...

Tears welled up in her eyes, and she had the most beautiful and alluring look. Her small hand moved back, and she gently removed her tears.

tang mo was stunned. he didn't expect her to do this.

She sat in front of the mirror like a Vixen. She raised her small face and looked at him provocatively."Are you going to do this? you slept with me, didn't you?"

Chapter 840 tang yu, do you dare?(3)

She even kicked off her dress and sat there like a baby. Compared to before, she was thinner, but in some places, she seemed to be full of it was a little full.

Tang Yu's Adam's apple moved sexily. He really wanted to press her down and take her ...

but what did she call him? she called him brother!

the endearing nicknames of the past were so ironic and insuperable at this time.

The veins on his forehead were popping out, and his voice was tense."put on your clothes."

pei qiqi was unmoved and continued to sneer, " tang yu, is it okay for me to just put on my clothes? then you won't bother me anymore?"

she used the word 'pester'.

a bitter smile appeared on his face, and his body also staggered back in disappointment.

"Qiqi, wait for me for two years," he said slowly with difficulty.

He was carrying out everything he wanted to.

He really couldn't take the risk, so he would rather not give her any hope for the time being.

perhaps he was wrong. he really shouldn't have pestered her like this and troubled her.

but he was so afraid that yueyue would end up with jinrong.

jinrong, qin anlan, and perhaps even more in the future ...

His little one was so wonderful, how could he be at ease? But now, in her heart, he was already a shameless and shameless man!

on one hand, he was engaged to shen lian, but on the other hand, he was pestering her.

His fingers wanted to touch her but just as they touched her face, PEI Qiqi pushed his hand away.

Her body was pressed against the glass behind her, and she looked at him with despair in her eyes.

“don’t touch me.” She laughed softly and cried, “ Tang Yu, you gave up. You didn’t want me and our child.

Her hand was placed flat on his chest and her expression was a little dazed. do you know what it means to have a dead heart? do you know what it means to live without seeing the sun? ”

Her eyes were as sad as they were the day she found out about her identity. ” i thought i lost everything, but i still have you. you said it before. you said it yourself. pei qiqi, you still have me! ”

“but in the end, i got nothing.”

Her voice was very soft, very soft, and very slow. ” i lost my family and my child. my husband became my brother and someone else’s fiancé, yingluo. now you want me to wait for you? tang yu, what am i waiting for? ” Am I going to wait for you to abort the child in my stomach again?”

She said the last few words in a heart-wrenching manner.

Her face and eyes were full of tears. She seemed to have gone crazy. why, why did you appear in front of me again and tear open my wound!? It wasn’t easy for me to forget.”

tears blurred her eyes and made her look miserable, but she didn’t care about hanhan.

” if you pester me or kiss me again, i’ll immediately agree to jinrong’s proposal. ” she looked at him and spoke word by word, her eyes not looking away at all.

tang yu’s body was stiff. he locked his eyes on her little face and his thin lips were tightly pressed together.

“Believe me, I will do it.” she looked into his eyes fearlessly and stubbornly met his gaze.

Her wound was torn open after they kissed.

he closed his eyes and softly said, ” “If it doesn’t hurt, then I don’t love. Qi Qi, is it?”

she couldn’t understand what he meant, and she didn’t want to.

At this moment, she only wanted to escape from him because she could not bear to be hurt again.

after a long time, he seemed to have calmed down. his fingers fell gently, as if he wanted to stroke her long hair, but also seemed to have changed his mind. his fingers fell in the air, but they did not fall.
