

## Thank you 841

Chapter 841 Tang Yu, do you dare to take me?(4)

His voice was bitter. I won't get you pregnant again.

qiqi, you won't have any more children. we won't have any more children, qianqian.

I won't put you in such a dangerous situation again, never again.

tang yu, this person and this heart will always be your kasaya.

no matter how difficult it is, i have to let you live well and happily ...

It's just that I can never see you in someone else's arms. Maybe I'm petty. Because I said before that Tang Yu belongs to PEI Qiqi and PEI Qiqi must belong to Tang Yu.

His heart was as cold as water, but he still picked up her clothes and held her hand with one hand. put on your clothes.

"I'll wear it myself." Her voice was still cold.

Tang Zheng paused and released her. He looked at her deeply and then walked out.

She tidied herself up and walked out. Tang Yu sat by the bed and watched over her heart. He looked at her indifferently, " if you want to go back, I'll get old Zhao to send you.

PEI Qiqi found a single sofa and sat down, " I'll leave when the sun rises.

Even though she didn't explain, Tang Yu knew she was worried about little Xinxin, so he didn't say anything else. He reached out and covered her with the blanket.

The lights were dimmed. It was late at night and it was silent. At first, PEI Qiqi was very awake but after she slowly relaxed, she felt like sleeping, Yueyue.

his eyelids closed gently ...

the bottom of the sofa wasn't the bed, so she couldn't sleep well and kept moving around.

the night grew darker and darker. a pair of big hands picked her up and gently placed her on the soft bed.

Then, a chubby little thing snuggled into her arms. Its little mouth habitually found a place to rest, and its little paws were on her shoulder as it teased her.

that feeling was very warm.

pei qiqi didn't wake up. she didn't want to.

In her dream, a pair of black eyes kept looking at her. They were very gentle, very gentle and loving.

The first ray of morning sunlight shone into the pink Ward. PEI Qiqi felt it was a little glaring and she shuddered uncomfortably. When she opened her eyes, there was no one around.

she sat up quietly and looked down at her clothes.

he was wearing it properly.

she thought tang yu and little xinxin had left so she wanted to get out of bed. then, she heard little xinxin's soft voice, " "brother, did you find it?"

PEI Qiqi's heart skipped a beat. She put on her shoes and pushed open the bathroom door.

tang yu was wearing a mask and so was little xin xin. the two of them were squatting in front of a small bowl. inside the bowl was the steak and cake that yingluo and little xin xin had last night.

... but the smell was not as fragrant. (Laughing evilly)

tang yu was wearing gloves and holding a small stick in his hand. he was trying his best to find it-

Little Xinxin squatted at the side and watched, Yingying.

PEI Qiqi coughed, "take your time."

"wait a moment." Tang Yu's voice was soft as he picked up a Kasaya diamond ring.

He picked it up and looked at the indescribable small object, his voice calm. " a 30-carat american pink diamond, worth about 300 million! "

"are you moved?" he looked at her.

pei qiqi didn't know what to say. she pursed her lips, " give it back to jinrong. "

Little Xin was fine, so she should leave.

At this moment, little Xinxin looked at Tang Yu, " hehe, this is from Xinxin's pooping. It's little Xinxin'S.

"Giggle will buy it for you in the future." Tang Yu wanted to ruffle her hair but stopped when he thought about his clothes.

he looked at pei qiqi and thought for a while. in the end, he took off his gloves and threw a wallet over, " take the money from here and take a taxi back. "

Chapter 842 Do you still love him?(1)

tang yu couldn't stand being dressed like this in front of her, especially in a car.

he couldn't wait to take a shower with little xinxin and wash her clean.

pei qiqi stood at the door for a long time. then, she guessed what he was thinking. she didn't bring her bag, so she could only take out two 100 yuan notes and go to take a taxi.

tang yu didn't stop her. after she left, he immediately called the nurse to clean the potty. then, he took little xin xin to take a shower.

There was a huge bathtub inside and a small bed. The chubby little guy lay on the small bed and swung around happily, his body covered in bubbles.

tang yu washed the ring and looked at it for a long time before putting it away.

He stepped into the bathtub and stretched his body. Thinking of PEI Qiqi, he let out a long breath.

"hehe." the little guy crawled over and climbed on his shoulder. he grabbed his short black hair and played with it happily.

Tang Yu smiled and pulled the little guy down. He placed her on his chest and let her play.

he looked at little xin xin's delicate little face and fell into deep thought.

little xinxin looked more like him, so qiqi didn't suspect anything. but if shen zhongshan started to take action, how long could little xinxin's identity be hidden from her?

"Keke!" little xin chuckled, revealing a mouthful of adorable white teeth.

she had been raised especially well and was chubby, but no one knew that she was born prematurely. in the beginning, she was as fragile as a kitten. he was afraid that he could not raise her well and that she would inherit the disease.

fortunately, xiao xinxin is getting healthier by the day.

Tang Yu reached out and pinched little Xinxin's face. He was moved, " "Xinxin, call me daddy."

"hehe."

"call me daddy."

"hehe." He was very careful.

Tang Yu laughed and didn't insist anymore, aww.

After they were done soaking, she wrapped the little guy in a small bath towel and carried him to the room. Someone had already prepared the little princess's flowery dress and beautiful leather shoes.

Tang Yu wrapped a towel around himself and helped little Xinxin put on her clothes. Then, he cleaned himself up and drove little Xinxin to Lin Yun's place for breakfast.

Little Xinxin was eating on her 'brother's' leg, which made little Zhao Yan stare at her with eager eyes.

"You're a boy." Lin Yun felt embarrassed for her son and sighed in her heart.

Tang Yu's heart was bitter too. She was clearly his daughter but he couldn't acknowledge her. He could only care for her like this.

When he was about to leave for the company, Lin Yun followed him, " Tang Yu, how's Qiqi? "

Tang Yu's fingers were on the car door. He lowered his eyes and smiled, " she went back first.

Lin Yun nodded and didn't say anything else. Tang Yu got in the car and the black RV quickly left the villa.

Before going to Sheng Yuan, he went to the Lin clan's headquarters.

As Tang Yu walked, Lin jinrong's Secretary followed, " "Mr. Tang, the president is in a conference call."

Tang mo stopped and his expression was indifferent."then you'd better call him now to stop."

The Secretary was stunned.

Tang Yu had already opened the door to the president's office!

Lin jinrong was indeed in a conference call. His Secretary was standing at the door, wanting to say something but hesitating because he couldn't afford to offend any of them!

lin jinrong quickly said a few words in french and ended the meeting. then, he ordered, " "make two cups of coffee."

the secretary nodded and left, closing the door behind her.

Chapter 843 Do you still love him?(2)

Lin jinrong looked at Tang Yu and gestured for him to sit down. Then, he smiled, " "i heard from my aunt that little xinxin is fine."

"right!" Tang Yu walked over and threw something in front of Lin jinrong, " "I'll return this to you. I found it in little Xin's corner. i think you might need more."

Lin jinrong stared at the pink diamond. It should be filled with the taste of a careful person.

"I can still afford a ring!" He smiled after a long while.

The corner of Tang Yu's mouth twitched. When he sat down on the sofa, his long fingers touched his forehead and his voice sounded tired, " jinrong, nothing will happen between you and her. Just give up!"

"what about you?" lin jinrong sat with his fingers crossed into a pyramid. " brother tang zheng, what's the result between you and her? or do you have any plans for her? can you tell me?"

Tang Yu's lips curved up and his tone was calm, " "We were together last night."

lin jinrong's expression changed.

He looked straight into Tang Yu's eyes and then said word by word, " I heard that Qiqi is Tang Zhiyuan's child!

jinrong, I believe that with your intelligence, you can already guess whose child little Xinxin is. Why should you be restricted by PEI Qiqi's background? " "even if she's my sister, i won't give up." tang zheng lowered his eyes.

If it wasn't for the accident, he would have wanted their child even if she was his sister.

" jinrong, qiqi is very important to me. but you are also very important to me. " Tang Yu said lightly and then left.

lin jinrong sat there, feeling cold from his fingertips to the bottom of his feet.

he sat in a daze and closed his eyes. as expected, it was just as he had thought.

Only, he was the fool, and Qi Qi was the fool.

he thought he had another chance, but qiqi thought tang yu didn't love her that much.

His Secretary came in with a cup of coffee and was surprised to see Tang Yu leaving Xuxu.

"linda, cancel all of today's schedule." lin jinrong's voice was calm.

how laughable. yesterday, he was still in high spirits about to propose to her, but today, he had already guessed what he was thinking.

At first, he had a lot of achievements in his heart and didn't think he cared. He could even compete with Tang Yu. But at the end, he still hesitated.

Tang Yu went downstairs and sat in his car. After a moment of silence, he picked up his phone and opened QQ. He logged into Chu Xibei's account and sent a message to PEI Xiaohua-

"did you have fun last night?"

the other party only replied after five minutes. first, it was a sweating emoji, followed by a string of words-

"you will never know what i went through last night. "

"Tell me about it."

"qianqian's favorite boy almost proposed to her," followed by a picture of a young girl's heart.

tang yu furrowed his brows and quickly typed, " "You're prepared to agree?"

"no, i didn't!" "of course not," pei xiaohua quickly replied.

"then, are you tempted?"

It took five minutes for the other side to reply. The content of the reply made Tang Mo's heart jump.

"If I had never been married, I would have agreed to his request."

tang zheng frowned and threw his phone to the side. but after a while, he took it back and frowned. he thought for a long time before sending again: "you've been married?"

"right!" pei xiaohua sent an emoji. " my ex-husband is very handsome. he's also a scumbag. he ran away with another woman. "

very handsome and scumbag?

Tang mo was angry.

"do you still love him?"

Chapter 844 Do you still love him?(3)

pei xiaohua replied quickly, " his meat.| His body was actually quite good. His technique is good too."

Tang Yu's face darkened.

Was she having such a good conversation with a man she was almost a stranger to?

He thought of her shy body last night, and she almost couldn't open her mouth, but she was already so open with her mouth?

He must have learned the bad things from old kan!

after thinking for a while, she sent another message, how good is it? Do you still miss it occasionally?"

Only three words were heard from the other side-

"damn child!"

Tang Yu laughed. His laugh was meaningful.

xiao ran knocked on the door, and he motioned for her to come in.

when xiao ran came in, he noticed that the corners of tang yu's mouth were slightly upturned-he seemed to be in a good mood.

"How's the preparation for the press conference at Marvel?" tang yu's tone was calm as he buried his head in the documents.

Xiao ran nodded. it's almost ready, but exclusive headlines. Which media company do you want to give it to, President? "

tang yu muttered, " we'll do what we did in the past. we'll do what we did now. "

Xiao ran didn't say anything else. He thought to himself, " the main thing is that PEI Qiqi is in the magazine photography industry now. If the CEO wants to give it to her, he shouldn't be too obvious!

She reported a few more things before leaving.

Tang Yu looked at her back and was in a daze for a while.

On the other hand, PEI Qiqi hated the managing editor's request.

managing editor, our magazine agency mainly focuses on women.|||| it's not very appropriate to follow a man's every need, is it?" in addition, pei qiqi was shouting in her heart.

She was a photographer, not a paparazzi.

this time, the managing editor was not joking with her. he held a cigarette between his fingers (when it came to business, the managing editor usually smoked) and threw a few pieces of paper over from the table. he took a deep breath and said, " female. "|||| Wasn't demand a man? Take a look at the data."

pei qiqi took it over and looked at the data on it. she couldn't help but be stunned.

" the weibo post that was organized under the name of tang zheng's fan club has already exceeded 30 million views and the number of fans has reached more than 7 million. " The chief editor squinted his eyes. do you know how many fans the top-tier young actresses have? some of those tens of millions are just Bullsh \* t. They're bought with money.

pei qiqi's body was a little stiff. " but these successful people are different from popular actors and chief editors. if you make too much of a scene or your goal is to make money, you can be sued at any time. "

the managing editor calmed himself down and waved his hand. "the higher-ups are interested in making a new magazine. it's like a sister article with jia ren's original magazine. It's mainly for successful men, and most importantly, for rich and handsome men. Forget about those who are balding at the age of 40, no woman would spend money on this."

PEI Qiqi looked at the bald managing editor and pursed her lips.

the cover of Sheng Yuan corporation's CEO was very successful last time. Look, the female fans are very enthusiastic, so the new magazine will use the characters from the previous issue. I heard that Marvel is going to have a new product conference soon. Little PEI, you can't be disappointed. You must get this exclusive!

the managing editor was a wily old fox. "it's nothing to take a few photos. it's mainly for an interview. now that the readers' appetites have grown, if we can give them a cd of the special recording, it will definitely sell out."

pei qiqi couldn't help it. "managing editor, what's the difference between this and consuming men's beauty?"

the managing editor's eyes widened. "it's not like you're going to sell it, nor do i have to sell it." alright!

pei qiqi took a step back. "i can take photos. but i can't do anything else."

Chapter 845 I'll support you

the managing editor immediately put on a face-changing act and smiled. "little pei, i can see that you're an all-rounded talent! How about this, I'll assign three or four people to you, you're familiar with Amy and the others! don't feel burdened, we'll have a double publication in the early stages with jia ren."

As he spoke, he stood up and walked to her side. He patted her shoulder and said earnestly, "you're betting on a newbie with just a new issue. This shows that the higher-ups think highly of you. Little PEI, do a good job. Who knows, when I return to city H in the future, this office might be yours."

pei qiqi was speechless. she weakly resisted, "chief editor, i don't have any big dreams. i just want to eat and drink with my master."

"Silly child, you're just spouting nonsense." the managing editor transformed into a kind elder and patted her again. "do a good job. i have high hopes for you."

pei qiqi looked at him, her eyes filled with sadness.

When she came out of the office, she felt extremely uncomfortable. Old kan looked at her as if he was about to explode.

"What's going on?" Old kan leaned against the wall and looked at his beloved little disciple.

pei qiqi leaned against the wall opposite him. she mimicked old kan and stretched her legs out, leaning against the wall.

Lao kan was tall enough, but her legs were only half of his, so she naturally couldn't.

” the managing editor said that they’re going to publish a new magazine. it’s mainly targeted at female consumers, with elite men from all industries as models. ”

Old kan smiled, showing his white teeth. it’s good. Actually, Jia Ren has been going downhill these years. If we don’t reform, we’ll really be out of food. In the past, the sponsors were all A-list big names, but look at now, even a random brand can be on the list.”

pei qiqi raised her head, ” old kan, i’m serious! I don’t want to do it. ”

“are you afraid that your ability is limited?” old kan smiled.

“no.” “It’s not like that,” she said weakly.

pei qiqi raised her head and looked at the small window above her. she said softly, ” ” i just think that life in city H suits me better. ”

perhaps, returning to B city was a mistake. she should not have come back.

he stared at her for a long time, his voice a little hoarse. ” you’re retreating again? ”

she snuffed out the cigarette. ” isn’t it just a matter of sleeping with a man? go sleep with him again. if you think that’s the best you can do, then you should let it go. if you still want to sleep with him after you’ve slept with him, and you don’t want him to sleep with anyone else, then you can’t let it go.”

PEI Qiqi glared at him.

old kan said, ” your words are rough, but your logic is not. ”

“But what if he’s a blood-related brother?” pei qiqi looked at old kan and asked.

old kan was stumped and confused.

by the time she came back to her senses, pei qiqi had already walked far away.

pei qiqi returned to her desk and was in a daze. she looked at the pile of things and simply wanted to pack up and leave.

however, she couldn’t bear to leave amy, old kan, and even the sly managing editor.

he sighed and accepted his fate.

the character popped up on the computer again. it was chu xibei ...

“Why haven’t you spoken for so long?”

pei qiqi slowly typed a string of words, ’little beibei, the managing editor wants me to sell men! if i lose my job, can you take care of me?”

the other side replied with an emoji and said, ” “Alright!”

“I’ll definitely raise you until you’re fair and chubby,” he added.

“then i’ll sell it to you, okay?” PEI Qiqi laughed as she knocked.

Chapter 846 i’ll support you (part two)

Although she had only known Chu Xibei for a few days on the internet, she could feel that he was a little warm man, and she could bully him as much as she wanted.

The screen went blank for a while before a line of words appeared: "Yes! why don't we check the goods first?"

pei qiqi looked on and laughed for a long time.

"little wimp."

On the other side of the phone, Tang Yu laughed. His fingers gently stroked the screen as if he was touching her face.

qiqi, i'm willing to give you everything if i can make you happy.

He pressed the internal line and called for Xiao ran. arrange for the press conference to be canceled.

xiao ran was surprised. if the exclusive interview was canceled, then there must be an internal one?

However, it wasn't convenient for him to ask, so he just wrote it down and left.

.....

on the day of the launch of robot no. 7, it was an unprecedented grand occasion because there was a rumor in marvel that there would be a mysterious guest today.

the reporters arrived at the venue early and occupied the most powerful positions to take outdoor shots. they could only enter the hotel lobby when the time came.

PEI Qiqi and old kan came over together. The venue was at the hotel in the middle of B city's technology Park.

It was rare for the autumn sun to be so strong. PEI Qiqi and old kan's faces were covered in oil.

Old kan lowered his head and looked at PEI Qiqi's little face, " why do you want to learn photography? It's nice for a girl to enjoy the air-conditioning in the office!"

PEI Qiqi smiled and wiped her sweat with a tissue, " I thought I just needed to go to a place with good scenery and take a few beautiful photos. Who knew I would have to be a paparazzi? "

old kan patted her to comfort her. " after this period of time, i'll apply to the managing editor to return to city H. i'll bring you along. "

His tone made PEI Qiqi sound like his little luggage. Although it was plain, to PEI Qiqi, it was already a rare occasion.

His eyes were a little hot, but he didn't say anything and continued to look at the entrance.

At about 9:30 am, a row of black limousines lined up in front of the hotel entrance. They were all Rolls-Royce phantoms, and the Golden Goddess stood proudly under the sun.

The chauffeur got out of the car and walked to the second car. The door opened and an elegant figure got out.

Tang Yu calmly buttoned up a button on his suit. He was used to being surrounded by reporters and was calm.

” mr. tang, we’ve kept this new product a secret, and there’s still half an hour before the launch. can you tell us in advance? ”

“Mr. Tang, I heard that you also participated in the creative design this time. Does it have a special meaning for you?”

.....

.....

The cameras lit up and Tang Yu was escorted forward by security. He didn’t even answer the reporters ‘questions.

suddenly, he stopped in his tracks ...

in front of him was pei qiqi.

She was holding a heavy camera and taking photos of him. She was wearing a black t-shirt and jeans, which was really not too eye-catching.

However, he could recognize his Qi Qi even if she was wearing a gunny sack. He also felt that she was pretty.

tang yan didn’t move and pei qiqi’s hand that was holding the camera froze as well. through the lens, he looked straight at her in a daze.

she put down the camera and stood there, looking at him in a daze.

Tang Yu walked straight towards her until he was in front of her. Only then did she take a step back.

He stood in front of her and said in a low voice, ” “is this miss pei from jia ren magazine?”

what did he mean?

PEI Qiqi didn’t say anything. She opened her eyes wide and her long eyelashes trembled.

Chapter 847 I’ll take care of you (3)

” my secretary has just confirmed with your magazine that the exclusive interview will be held in your new issue. ” his voice was elegant and charming, and he was talking to an unknown reporter in this way, so it was natural to attract attention.

PEI Qiqi’s lips suddenly felt dry. Interview Quan Wanwan

Shouldn’t she be the one to beg him many times?

why did he give it to her so easily this time?

” pei qiqi, because i missed you! ”

Tang Yu’s eyes were deep and he quickly straightened his body. At this moment, PEI Qiqi realized how close he was to her. He was almost right next to her ear.

some things had broken out of their cocoons, but she couldn’t catch them.

He was too strong and calm, and she was like a little white mouse under his claws. He watched her struggle helplessly and just looked at her coldly.

Old kan patted her and grinned. "what's going on?"

pei qiqi lowered her eyes, " nothing! let's prepare to enter!"

Just as he was about to enter, his eyes widened. It was not for any other reason but because he saw PEI Huan.

pei huan was actually here. she was wearing a long white dress with a palace ring. her long hair was rolled up and reached her waist. she looked quite pure.

old kan's eyebrows twitched. after all, he had slept with someone before, so he didn't feel confident.

pei huan walked over in a tall and flirtatious manner. she glared at old kan as if she had forgotten what happened that night. then, she spoke to pei qiqi, " i will wait for you in the car later. "

PEI Qiqi guessed what she was saying. She lowered her head and played with her camera, nodding.

PEI Huan looked at her ambiguous appearance and was a little angry. She felt that it was uncomfortable for her to keep her hot face against her cold P \* s but not stick it.

PEI Huan and her manager, Xiaomei, went in first. From the looks of it, PEI Huan was very likely to be the spokesperson for Marvel.

PEI Qiqi was a little surprised because the last time she was a spokesperson, PEI Huan was involved in a scandal. Tang Yu didn't seem like someone who would use a tainted star.

she and old kan walked in, and the staff quickly arranged them in a well-organized manner. their seats were quite front, in the middle of the second row.

after old kan sat down, he whispered,"pei qiqi, do you think we're taking advantage of you?"

PEI Qiqi glared at him and curled her lips, " I think it's because of PEI Huan!

Old kan touched his nose and stopped talking.

the staff on stage were busy. after 10 minutes, everything settled down. the pr department of marvel was in charge of the press conference. after a simple speech, they took a step back, " we welcome the ceo of marvel, mr. tang yu, to open this press conference for us. "

Tang Yu walked up the stage from the side. He was still calm and collected.

He took the microphone and smiled. as everyone knows, the last time Marvel made such a big move was almost two years ago.

the press conference was supposed to be held a week ago, but something important happened that day. as tang yu spoke, the crowd started to cheer. they had to know what this important thing was.

there was a gentleness in his eyes. " it's a very important day of my life. "

There was no sound from below. President Shen's birthday was not this month!

mr. tang had publicly said that, which was not giving president shen any face. so, the rumors about president shen forcing a marriage were true?

come to think of it, if a man loved you, he would not have married you even when you were almost 30!

tang yu laughed, ” then, if it’s today, i think the media will be curious about what marvel’s new line will be and what the endorsement will be like. ”

#### Chapter 848 A one-of-a-kind pervert (1)

Tang Yu smiled, ” the main product this time is actually a high-end chip. It’s not for sale to the public, but to highlight the power of this chip, Marvel ordered ‘robot No. 7’. I’ll emphasize again that this isn’t the main product for sale this time. Robot No. 7 is a limited edition. There won’t be more than 10000 units in total.

there was complete silence below.

the stage suddenly went dark!

there was an uproar below, but then, stars appeared above the stage, like little stars in the night sky. cicadas and frogs were chirping all around, as if it was midsummer night.

His heart and soul could calm down in an instant.

PEI Qiqi was in the dark and she heard the sounds. She seemed to hear the sound of water.

the lights slowly turned on, giving off a warm yellow glow.

Tang Yu was sitting on a beige sofa and flipping through a magazine. Beside him was a small, ugly and cute thing.

That’s “robot No. 7”?

The little thing was very realistic and soft, although it wasn’t pretty.

In particular, her expression was very vivid. At first, she sat there obediently, but after a while, she looked like she was getting impatient. Then, she looked at Tang Yu and rested her face on his lap. She looked up, ” “Big brother.”

tang yu was still holding onto the magazine. his slender hand gently stroked the cute and ugly little thing, ” “little seven, don’t mess around.”

little seven?

PEI Qiqi’s body shook.

The little guy on the stage pouted. His eyes were teary as if he had been wronged.

then, she ignored tang yu and crawled to the side to lie down. it was the kind where her P \* s were facing the sky.

Tang Yu put down the magazine in his hand and glanced at her. Then, he sat down and pressed the ugly and cute little thing on his lap. He gently patted it, ” “are you angry?”

“i didn’t!” Little seven lay on her stomach, her voice muffled.

after that, after that ... no, there was no after. tang yu didn’t plan on revealing too much of his private life to others. the light dimmed again and little seven was gone. a small chip appeared in tang yu’s hand.

His eyes scanned the room and finally landed on the shocked PEI Qiqi. He smiled, "this chip has a memory function. It's so powerful that you can't even imagine it. It can even copy the person Qianqian once loved.

his black eyes were fixed on her little face. pei qiqi couldn't move an inch.

Tang Yu's lips curved into a faint smile, "as for robot No. 7, it needs to be custom made and it needs to undergo a strict background check.

speaking up to this point, the reporters were all excited. what they were most concerned about was, "mr. tang, then the price of robot no. 7 must be too low for the people?"

"in my opinion, it is priceless." Tang Zheng didn't know what to say and didn't want to reveal too much. as for the rest, I'll accept an interview with Jia Ren. You'll know then.

the scene was in an uproar again.

PEI Huan sat backstage and rolled her eyes. If the public knew that this press conference was just for PEI Qiqi to see 'little Qi' and that there wouldn't be any robots for sale, what would they think?

Whoever ordered number seven would be rejected.

He really played a good hand!

PEI Huan bit her fingernails and thought lazily.

After the press conference, the reporters asked questions. Tang Yu's answers were flawless and looked perfect. However, when the reporters went back, they would realize that this draft couldn't be written.

Chapter 849 the one and only pervert (2)

The press conference ended in an hour. After everyone left, PEI Qiqi sat there for a long time before returning to her senses.

Tang Yu was no longer around. Xiao ran came over, "miss PEI, our President invites you to the meeting room upstairs.

PEI Qiqi looked at old kan. Xiao ran was obviously in a difficult position.

forget it, I'll go by myself. Old kan, you wait for me here. PEI Qiqi put down her camera bag.

"You used to call me master," old kan said as he took it.

"from that night onwards, your image in my heart was gone." PEI Qiqi threw old kan a look.

old kan understood, but he was a little annoyed.

PEI Qiqi followed Xiao ran into a guest room on the second floor. Tang mo stood in front of the floor-to-ceiling window. When he heard the door open, he said lightly, "Xiao ran, you can leave first."

However, PEI Qiqi called out to Xiao ran, "wait a minute.

"I'll leave in a while," she said in a hurried voice.

Tang mo turned his body and his gaze quietly landed on Xiao ran. Xiao ran could only apologize to PEI Qiqi and quickly retreated and closed the door.

The sound of the door closing was light, but it felt like it was knocking on PEI Qiqi's heart.

Tang Yu's gaze shifted to her little face and said indifferently, "sit."

pei qiqi watched as he sat down. her body was a little stiff.

tang yu slowly walked over, took off his jacket and threw it on the back of the sofa.

he leaned against the back of the sofa and closed his eyes in a daze.

PEI Qiqi waited for a while but he didn't say anything. She pursed her lips, "mr. tang?"

"Qi Qi, must we be so distant?" His eyes were still closed, and he covered his eyes with a slender and well-defined hand. His voice was low and pleasant to the ear. "i think you should have guessed why robot no. 7 exists. "

That little seven was a copy of her.

pei qiqi's entire body stiffened.

Tang Yu took her hand away and stared at her with a burning gaze.

In this private space, there were only the two of them. This situation was very similar to the day she barged into his suite.

PEI Qiqi closed her eyes and said in a weak voice, "tang yu, you said we're blood related and i believe you! however, i don't believe that an older brother would do such things to his younger sister."

That 'little seven' of his was a robot, but in her eyes, it was no different from a sex doll!

with the way he was today, how many people would go and ask if he had touched that fake doll?

Everything was telling her that the truth was not what he had told her.

therefore, she would be an idiot if she continued to believe him.

if she was his sister, he wouldn't be able to accept her. according to tang yao's personality, he would either abandon her or lock her by his side, unlike now.

This was something that she had always suspected and refused to believe ...

That was because he was not her brother. Then, what about their child?

what was that?

pei qiqi looked at tang yu. "tang yu, do you know that i can't accept your love? i can't afford to play your games! " Don't play this guessing game with me again, I'll really disappear."

she said sternly, not leaving any room for negotiation.

tang yu had to admit that the pei qiqi in front of him was no longer the little girl from before. she was not just a stubborn little girl anymore.

She would even be willing to deal with him for the sake of her livelihood and old kan. She would also eat with jinrong.

The line of her survival was no longer so clear about love and hate, but had become blurred.

this wasn't time. the hurt had slowly worn her away. it was because he hadn't protected her well that she had become so worldly, so careful, and lived like she was walking on thin ice.

tang yu's voice was a little hoarse. " qiqi, you guessed it? "

"mr. tang, why are you admitting this now?" she asked coldly. It's because that little seven robot can't satisfy you, so you're telling me, Yingluo, that we're not siblings and that we can make love, right?"

His pupils shrank, " PEI Qiqi, you really think so? "

"right!" She stood up, " I don't care what deal you made with Shen Lian. Tang Yu, since you chose her, then you must choose to the end!

With that, she got up and walked to the door, forgetting the purpose of her trip.

However, before the door could open, her arms were caught. Then, two slender arms were raised high up and forcefully held Yingying's body in place. She was pinned down by him and couldn't move at all.

the moment he moved, he would inevitably press against yingying even more tightly.

PEI Qiqi raised her head and said coldly, " "mr. tang, are you excited again? i have no interest in you, let me go!"

he narrowed his eyes and leaned forward, his handsome face revealing a touch of desolation. " PEI Qiqi, do you hate me? "

"Yes," She answered firmly.

The color of his pupils darkened and his body was stiff, but he did not let go of her.

PEI Qiqi looked at him. Her eyes were as calm as still water, " Tang Yu, is there any meaning to this? "

She laughed softly and looked into his eyes. can you break off your engagement with Shen Lian now? "

He could not do it!

Their bodies were still in contact, and the desire to raise her head was suppressed.

His body relaxed for a moment. PEI Qiqi thought he had let her go and was about to stand up straight, but in the next second, he kissed her on the lips.

He kissed her little mouth passionately, both inside and outside, and his Hot Lips wrapped around hers.

she moved a little, in exchange for an even more intense desire.

One of his long legs was stuck in the middle of her body. He only needed to lift it up gently, and it would be enough to make her look miserable.

he called her name in a daze, baby, and said that he missed her yingluo.

that kiss, from the lips to the eyes, then to the back of her ear and her neck, forced her to raise her head and bear his slightly rough kiss.

at this moment, tang yu seemed to have lost his mind. he pressed against her and coaxed, ” “Qi Qi, wait for me, okay?”

she opened her eyes and tried her best to open them wide to look at the ceiling. when she heard his words, pei qiqi smiled lightly. she lowered her small face and looked at his mesmerized handsome face, ” then what about our child? ”

“Tang Yu, why did you tell us we’re siblings? If it wasn’t for that, the child wouldn’t have been lost.” she closed her eyes, and a string of tears flowed down from the corner of her eyes. she opened her slightly red eyes and said, ” can you return the child to me? ”

There was a look of control in her eyes.

Just as he thought, she hated him even more!

Tang Mo closed his eyes. He couldn’t be scared, at least not now.

PEI Qiqi leaned back and looked at him helplessly. Then, she smiled, ” Tang Yu, if you can’t, then don’t bother me.

He did not let go of her, nor did he take a step further. He just looked at her.

that day, it was just like now. she cried. when I opened my eyes, I saw the bright white light.

Her eyes were looking up, and her voice was very soft and quiet.”But I know that the child is gone. i haven’t even seen him once.”

she was very calm, as if she was telling someone else’s story. however, with every word she said, the wound in her heart would tear.

And he, wasn’t he?
