

Thank you 851

Chapter 851 The one and only pervert (4)

tang yu looked at her. this was the first time she was willing to talk to him. at this moment, he really wanted to make things clear to her. he wanted to tell her that xiao xinxin was her child.

however, it was not the right time yet.

The fate of Sheng Yuan and the Lin family, as well as her illness, were not 100% guaranteed to be settled. He did not dare to take the risk.

there was also another concern, which was to be careful of his safety. being by lin yun's side, it would be safer to be lin yun and zhao yi's child. this was the concern of a father.

because of qi qi, he had allowed xiao xinxin to come to this world earlier. no one would know how much she had suffered when she was born, looking at the lively and lovely xiao xinxin.

at that time, little xinxin's mother had undergone bone marrow surgery, and he had almost not accompanied her.

He owed PEI Qiqi and he also owed little Xinxin a lot. No amount of love could make up for the lack of love this child had.

Tang Yu gently hugged her. He didn't do those things to her anymore. It was just a simple hug.

It was a very warm hug, comforting and apologetic. He hugged her and kept saying sorry in her ear, Yingluo.

her tears fell like rain, and she could not control herself. she cried miserably in the arms of the man she loved and hated.

her little hand pounded on his back, but she couldn't say a word.

she cried in his arms and called his name, saying that she hated him.

The sunlight from outside the window slanted in and enveloped them, giving them a trace of warmth.

tang yu kept patting her, letting her hit him and bite him. he let her vent. he apologized and said he couldn't let go. he said to her, " qiqi, wait for me. "

in a daze, she seemed to have fallen asleep. she was lying in his arms, exhausted ...

It was just like that day when she found out that she had lost her child.

she didn't know how much time had passed, but she woke up in a daze.

She was lying on his lap, and a large palm was gently patting her back.

she got up and knelt beside him, her eyelashes still wet with tears.

her current expression was very similar to 'little seven', asking for a hug.

in fact, xiao qi was also a substitute for qi qi. he exposed xiao qi to the outside world just to express his feelings to her alone.

I'll ask you one more time. Why did you tell such a lie? " She asked him calmly.

Tang Yu's eyes quietly fell on her little face. He smiled and reached out to stroke her black hair.

the difference between touching 'little seven' and touching pei qiqi is too big

PEI Qiqi pursed her lips tightly and looked at him with trembling eyes.

"Is this answer important to you?" he asked in a low and hoarse voice.

"yes!" her voice was trembling slightly.

Tang Yu's fingers were still gently stroking her long hair. She didn't push his hand away.

Finally, he said, " Qiqi, you care about this answer because you haven't given up on me.

she wanted to say no, but her lips had only moved twice when his finger touched her lips, stopping her.

you'll have to find out the truth yourself. He smiled, and the pain seemed to be far away from them.

"Qi Qi, I'm right here!" he finally said, "

pei qiqi's lips were still trembling. in the end, she ran away.

She was afraid, very afraid of Yingluo.

Tang Yu's eyes seemed to be hiding countless secrets-

he said, " qi qi, i'm here. you need to find the truth yourself. "

The truth the truth

Chapter 852 Bitten by a dog (1)

while pei qiqi was in a daze, she heard pei huan's voice, " PEI Qiqi, how are you walking? there are stairs in front of you. Do you want to fall to your death? "

his arm was grabbed.

PEI Qiqi turned around and saw PEI Huan's twisted face. It was as if she hadn't had an " en " for three days.

pei huan let go of her and continued, " look at you, you look like you've been raped by a man. "

She stared at PEI Qiqi's slightly swollen lips, her dazed eyes, and the Hickey on her neck.

The more he looked, the more it looked like it.

"it can't be that tang zheng forced himself on you?" pei huan asked suspiciously.

PEI Qiqi came back to her senses and touched her neck. She said lightly, " "i was bitten by a dog."

For some reason, Tang Yu was standing behind them. After he heard this, his face turned black.

behind him was xiao ran, who also lowered his head and tried to hold back his laughter.

the president was probably very angry.

pei huan was especially happy. she watched tang yu leave with a dark face.

After they left, she looked at PEI Qiqi again and coughed, " this Saturday, I've arranged a ritual at the house on Qing Shui road. You can come over as well. It's a show of filial piety.

PEI Qiqi's feelings were complicated. She wasn't tang Zhiyuan's child, but her instincts told her that she wasn't PEI Minghe's child either.

tang yu definitely knew, but since he said he wanted her to find the truth, he wouldn't tell her.

she pursed her lips and looked at pei huan. " if i say that i'm dad's child, will you hate me again? " Irreconcilable with me?"

pei huan was stunned. then, her face stiffened. after a while, she said, " pei qiqi, i don't have the strength to hate. it's the same as i don't have the strength to love. "

she looked up with a heart-wrenching expression. look at me, I have everything. I get hundreds of millions of dividends every year. I don't become a female star for money. I just want to be lively, and I don't have to sleep with anyone. However, I always feel a little cold when I sleep at night.

as she spoke, she laughed, and as she laughed, tears welled up in her eyes. " pei qiqi, am i a cheap person in your eyes? i can't believe i'm pestering you-the person i hated the most in the past. "

Before PEI Qiqi could say anything, she spoke again, " "I know that Lin jinrong wants to be with you. That day, you were photographed with him at the restaurant, and President Qin suppressed the news! Do you know why? because boss Qin likes you too! PEI Qiqi, I used to hate you. I hated that so many people liked you. But it doesn't matter now. Being liked by others is a burden! Look at you, how much happier are you than me?"

pei qiqi didn't move. pei huan raised her head and stopped her tears, " "let's not talk about this anymore, a blockhead like you won't understand!"

She stomped her feet, " PEI Qiqi, I take back what I said. You are still as annoying as before.

She shook her head and left. Behind her, PEI Qiqi's faint voice came, " PEI Huan.

PEI Huan paused and turned around.

PEI Qiqi continued to look at her calmly without any expression. After a long time, she said softly, " "but i think you've become much cuter."

PEI Huan's lips trembled, and her facial muscles trembled unnaturally. She almost dropped the hyaluronic acid she had just injected last month!

"Really! you're so annoying!" pei huan turned around and left.

However, she felt sweet in her heart as she flicked her hair.

She first went to the first-floor Hall and saw old kan waiting for PEI Qiqi.

old kan saw that she was flustered and uncomfortable. pei huan snorted lightly and did not stop walking. instead, she used the bag in her hand to hit old kan. " beast! "

Chapter 853 bitten by a dog (2)

Old kan didn't fight back. He looked at her waists passionately. He remembered how soft her waist was that night. She was still young that night.

pei huan had many men, but on the night old kan wanted her, she couldn't use those skills at all because old kan was a rough man, a straightforward rough man.

He was so strong that he made her tremble. He didn't need any skills to make her collapse.

that night was the only time pei huan felt pain and happiness in the past two years. the previous time was given to her by lin jinrong.

the only difference was that she liked lin jinrong, while old kan was like a wild man. she didn't care about a savage that he had just pulled up his pants from another woman.

Old kan watched PEI Huan leave and was a little envious, but he did not stop her.

when pei huan walked to the door, her manager, xiao mei, immediately held an umbrella for her. two men in black followed her like bodyguards. they were all big shots.

Old kan looked on and silently took out a cigarette from his pocket. After taking two puffs, it was snatched away by a small hand, put out, and thrown into the trash can. "you're smoking again. did the lung shadows from the last check not affect you? "

he turned around and saw pei qiqi.

old kan smiled. " i'm just bored. "

"I thought you wouldn't be bored after seeing PEI Huan." PEI Qiqi was a little sarcastic to old kan. She really had a problem with old kan over that matter. Even if PEI Huan didn't care, she still cared.

Old kan listened and hugged his little disciple affectionately. Qiqi, I know you're jealous, aren't you? "

"I'm not." PEI Qiqi struggled but couldn't break free from old kan's fan-like hand.

Old kan grinned as he led her away. This way, she would be content and wouldn't cause trouble for herself.

This intimate scene was seen by Tang Yu, who was sitting in the RV. His eyes narrowed and his voice turned cold, " "Drive."

Xiao ran also saw it. He sighed in his heart and asked the CEO how big the trauma was.

When he arrived at Sheng Yuan, Tang Yu took the elevator alone. He stood there indifferently and looked at himself in the mirror.

he still had the same face as before, handsome and cold. only when he saw pei qiqi would the fire in his heart start to burn.

and because of 'little seven's' appearance at the press conference, the public had a deeper understanding of tang yu.

A mysterious pervert!

After all, Tang Zheng had raised Xiao Qi. Wasn't this kind of hobby something only otakus would have?

And the way they got along was like they were a couple. This was a slap to Shen Lian's face. The newspapers were all over the place reporting on 'little seven' and Tang Yu, but it was just speculation. After all, they only saw so much.

however, shen lian could no longer hold it in.

the next day, she called. tang yu was in a meeting. when he saw that shen lian had turned off her phone, he said to his subordinate, "Let's continue the meeting."

xiao ran saw shen lian's name, but he did not say anything. he thought that the arrogant president shen would definitely come to his door.

As expected, before the meeting ended, the second Secretary came over quietly and whispered to Xiao ran, "sister Xiao, President Shen is here. He seems to be in a bad mood.

"I know! Go out and tell President Shen that the president will be here in half an hour." Xiao ran ordered from the door.

As for why she didn't deal with it personally, it was because it was impossible for Shen Lian and CEO to have a happy ending.

Chapter 854 bitten by a dog (3)

Xiao ran naturally did not take Shen Lian's words to heart. He just had to deal with it on the surface.

Firstly, she felt that if Shen Lian could not even wait for half an hour, she would not be able to achieve much. Secondly, with the president's attitude, she did not need to waste too much effort to serve her.

The second Secretary understood. He nodded and left. In fact, everyone could see that Shen Lian was only a fiancée in name.

Xiao ran returned to his seat and whispered a few words to Tang Yu. Tang Yu's calm expression suggested that he had already guessed it.

the meeting ended half an hour later. xiao ran followed behind tang yu with his documents.

When they arrived at Tang Yu's office, Shen Lian was already waiting for them from the guest room. She was obviously very anxious!

Tang Yu paused at the door, "Secretary Xiao, make a cup of coffee for President Shen.

xiao ran nodded. shen lian's voice was a little sharp. Tang Yu, I've stopped drinking coffee a long time ago.

She lifted her foot, her face cold. "i'm not allowed to drink here."

Then, she gave a weird smile. Her smile made Xiao ran's hair stand on end, but Tang Yu remained calm.

shen lian hated him for being like this, but there was nothing she could do. after xiao ran left, she said with a cold face, "aren't you going to invite me in?"

tang mo smiled, impeccable.

shen lian felt extremely sad. this was the man she loved deeply, but he no longer had any feelings for her. or rather, he did not even have any feelings for her.

After the door closed, Tang Yu walked to his desk and sat down. He looked at her calmly, ” “is there something?” He was as indifferent as before and still didn’t care about how she was doing or if her feet hurt, Xuxu.

That’s right, he wouldn’t care, because her legs were his work, why would he care?

why did such news appear? ” Shen Lian’s voice was excited. A newspaper appeared in her hand and she threw it in front of Tang Yu.

He just looked at it indifferently and picked it up with a frown. The headline was the Grand occasion of robot launch number 7.

shen lian’s voice was suppressed, ” tang yu, right now, the public is guessing that you’re a man with a special interest in sex. in fact, this guess is even more accurate than the latest marvel product launch. is this what you want? ” Was he really a pervert? Or is it that you can’t forget her and made her into a robot so that she can accompany you every day?”

this fact had struck her hard. she, a living woman, was not as good as a robot.

so what? it’s their business what others think. Tang Yu smiled,”just for this?”

he was calm and did not show any impatience, but he would not be overly concerned either.

this was his attitude towards her for the past year. if she was an ordinary woman, his heart would have given up.

however, shen lian took this chance ...

if she wasn’t happy, tang yu and pei qiqi wouldn’t be happy either!

she could only grab the trump card in her hand and force him to give in.

“good! even if that was the case, how could they explain the exclusive story? why did you give it to pei qiqi?” Shen Lian’s voice was a little agitated. you know that Jin tai and MAN and Jia Ren are sworn enemies.

tang yan looked at her quietly. ” shen lian, i’m not a person who can’t distinguish between private and private matters. i just want to see the results! i’m very optimistic about yingluo’s two publications.

Shen Lian’s lips were tightly pursed. After a long time, she finally said, Tang Yu, are you testing my limits? ”

Chapter 855 Shen Zhongshan begins his counterattack (1)

“then what’s your bottom line?” Tang Yu remained unmoved.

shen lian’s voice suddenly became sharp,”tang yu, you’re stepping on my bottom line!” What do you want? do you want to be with her again? Think about Sheng Yuan’s future, think about her safety!”

As soon as she finished speaking, her eyes shrank and she felt a little regretful.

the way she looked at tang yu was also cautious. she took a step back and staggered.

tang yu slowly stood up and walked in front of shen lian in two steps. he reached out his long arm and grabbed her beautiful chin. he didn't show any mercy but used all his strength and almost crushed shen lian's bones.

Shen Lian was in great pain. She closed her eyes and said in a weak voice, "let me go!"

Tang Yu's face was as white as snow,"Shen Lian, listen up!" My bottom line is PEI Qiqi!"

He said word by word, "if you dare to touch her, I'll make you suffer a hundred times more.

she was in great pain from his grip, but she couldn't say a word. she could only look at him with her eyes wide open, filled with fear, sadness, and disbelief.

The door opened at this moment. Xiao ran was holding a cup of coffee in his hand as he looked at the two people inside in shock.

Tang mo suddenly let go of Shen Lian. She stumbled back two steps, her hand covering her chin in fear.

just now, she really thought tang yu was going to kill her.

Xiao ran professionally placed the coffee on the table. please drink, President Shen.

after he finished speaking, he nodded and left, closing the door.

"tang yu, did you see that? because of your attitude, even your secretary looks down on me and is patronizing me!" Shen Lian laughed coldly. in Sheng Yuan's heart, only PEI Qiqi is worthy of being the CEO's wife. Is that right? "

she looked at him coldly and said,"one day, with me, shen lian, around, i want to see how she can come back!" Tang Yu, even if she's with you, she won't be the president's wife of Sheng Yuan. I swear."

"Qi Qi won't care." tang yu's voice was calm.

Shen Lian raised her head,"what about you?" Don't you care? you're such a proud man. Do you think you won't cling to power? Think about the Tang family and the Lin family behind you. Would they allow you to be so willful?"

Shen Lian's smile was extremely sad. She could only use this to threaten him.

However, a woman could only use this to threaten a man. It was very sad.

she felt sorry for herself, but she was not willing to admit defeat.

Tang mo took a step back. He looked at her strange smile and felt some heartache.

once upon a time, shen lian was also a girl as beautiful as a lotus.

"Shen Lian, let go now! letting go of her and me is the same as letting go of yourself, isn't that good?" "She's your sister," he quietly said.

"i don't have a sister like that!" Shen Lian's voice was filled with excitement,"I only know that I am the only daughter of the Shen family!" the only heir of jin taihe."

she looked at tang yu, " you must think i'm crazy, right? "

"do you think i don't know what you're thinking?" she said with a crazed look. You'll drive me crazy and send me to that dark mental hospital, then you'll take back the shares in my hands!"

"In your dreams, Tang Yu! I've already hired a lawyer to sign a document. If anything happens to me, the thing in my hand will take revenge on you in a way you can't imagine." Shen Lian stepped back and laughed, " Tang Yu, you can't do anything to me. Even if I die, I will still be your fiancée.

Tang Yu chose not to talk to a crazy woman.

Chapter 856 shen zhongshan begins his counterattack (2)

Shen Lian went downstairs and sat in the car. She couldn't drive with her legs. Doctor Zhang had warned her many times, but she didn't care.

since she had already died once, she was not afraid of another one.

the car was driving very fast. the wind blew in and hit her face. it hurt like tang yu's cold words hitting her face. shen lian laughed softly. her hair stood on end as she laughed.

the red sports car drove towards shengyuan hospital. recently, shen zhongshan's illness had not been very good, so he was hospitalized again.

shen lian got out of the car. when she stepped on the ground, she felt a little pain.

She tried her best to walk steadily, not letting others see the problem with her foot. She didn't want others to know that she was disabled.

and this was given to her by tang zheng. how could she not drag him down to hell with her?

She went straight to Shen Chongshan's ward. There was no one else in the room except for Shen Chongshan, who was sitting on the small sofa watching TV alone. He was even eating a box of snacks in his hand.

most of the time, he was eating without restraint. shen zhongshan had gained more than 20 pounds from before. he was no longer as elegant as he used to be. instead, he had become an old man who was a little slow.

Shen Lian slowly walked over and squatted in front of Shen Chongshan.

shen chongshan was watching joyfully and haitabang with great interest. he was eating snacks while watching, and the look in his eyes was as pure as a child's.

"Dad," he said. shen lian squatted in front of him and took the snacks from him. she carefully fed him.

she fed him in small mouthfuls, especially carefully. " is it delicious? "

Shen Chongshan couldn't speak, so he repeated, " " delicious yingluo, delicious yingluo. "

Shen Lian's voice was still gentle. if it's delicious, then eat more!

As she fed him, her feeding speed became faster and faster. Shen Chongshan's strength gradually weakened, and his mouth kept moving. He wanted to say something, but he couldn't say it.

Shen Lian continued to stuff her mouth into his. The gentle smile on her face became more and more terrifying, "dad, eat more if you like it. it's rare for me to come and see you, so i have to feed you until you're full, right?"

"dad, don't worry. everything is going well in the company! without you, jin tai would still be spinning, and even better than when you were around!" She chuckled. dad, are you very pleased? "

shen zhongshan couldn't eat anymore. it was stuck in his throat, and his mouth was full.

his face had turned purple, and it was very worrying that he would die from breathing difficulties in the next second.

Shen Lian put down the things in her hands and a faint smile appeared on her face. "dad, why are you so careless?"

she picked up the water beside her and fed it to him. " dad, drink some water. if you die, no matter how great my achievements are, who will admire me? "

"isn't it?" she poured the entire cup of water into his mouth. shen chongshan suddenly spat out the water and food. his face turned purple and he couldn't stop panting.

He pointed at her but could not say a word.

shen lian's face was sprayed. she frowned and then wiped the dirt off her face. she chuckled and said, "Dad, do you hate me? Or do you want more?"

She desperately poured the food in her hand into his mouth, regardless of whether Shen Zhongshan would die from overeating.

just as his mouth was filled with food, shen lian used her crippled leg to kick him. shen zhongshan's slightly heavy body fell to the ground in a sorry state.

shen lian's foot was also in pain.

She couldn't use force on that fake foot, but she didn't care. It was fake anyway, and no matter how much pain it hurt, it wouldn't become real!

Chapter 857 Shen Zhongshan begins his counterattack (3)

shen lian looked down at her father, who was lying on the ground and trying to survive. she was still not satisfied, " shen chongshan, if it wasn't for you, pei qiqi wouldn't exist in this world. i wouldn't be so miserable and i wouldn't have lost this leg. "

So, no matter how bad I am to you, you have to endure it because this is your sin, your sin!

Shen Lian pursed her lips, narrowed her eyes and smiled.

It was only when she was tortured by Shen Zhongshan's perverted behavior that she felt a trace of pleasure. She felt that she was really alive and that she had obtained everything.

yes, what was she afraid of? she had jin tai and most of the shares, and 20% of sheng yuan's shares. on the other hand, pei qiqi had nothing. if she wanted to kill her, it would be as easy as killing an ant.

Shen Lian stood up and walked out calmly, ignoring Shen Chongshan's expression.

In the past year, whenever she was unhappy, she would come to torture Shen Zhongshan. In the past, she was still apprehensive of Mrs. Shen, but Mrs. Shen did nothing other than call her a beast.

Thus, Shen Lian was even more determined to not kill Yingluo.

But she didn't know that after she left, two men in suits rushed into the ward and helped Shen Chongshan up from the ground. They looked apologetic. Mr. Shen, I'm sorry.

Shen Chongshan sat down again. His face was no longer as silly as before, but his eyes were clear.

there was a sharp light in his eyes as he looked at his former capable subordinate and waved his hand. "i don't blame you. i told you not to face her directly."

"did you get what i wanted?"

One of them nodded, " Shen Lian isn't in the mood for work. Jin Taihe's business has always been high but she can't tell. She's been immersed in her relationship with Tang Yu. Especially Yingluo.

" especially since miss pei's return to B city seems to have agitated shen lian, " the person said hesitantly. " she's even more distracted from proper business now. "

shen chongshan nodded. this was within his expectations.

however, he still felt heartache.

Shen Lian had been the Pearl in his palm since she was young. He did not have any feelings for Mrs. Shen, but it was also because of Shen Lian that he had never thought of divorce.

Even when Zhao Ke was pregnant, he didn't even think about asking her to abort the child, Yueyue.

He had let his family down, but he had never thought that his daughter would become so insane one day.

when he slowly recovered, his younger daughter, tang xin, was no longer there.

It was because Shen Lian told her the truth that Tang Xin stupidly chose to leave on her own.

Compared to Shen Lian, he was the most apologetic towards Tang Xin and PEI Qiqi.

Now that Tang Xin was gone, he could only compensate Qiqi. He was willing to compensate her with everything he had.

As for Shen Lian, as a father, he was not willing to see her suffer any more misfortunes.

No matter how bad she was, she was still his child.

shen chongshan took the things from the man's hands and looked through them carefully.

This was half of Shen Zhongshan's life. He didn't expect that he would use it to deal with his own daughter, Yingluo.

The reason he did this was to protect her.

As for Shen Lian, would she understand his painstaking efforts?

A moment later, Shen Chongshan closed his eyes. When he opened them again, he said calmly, "help me meet Tang Yu.

"alright!" his subordinate nodded.

Shen Chongshan turned his face away from the window. It was late autumn again.

The leaves had fallen.

some old friends had also left for a long time ...

three days later, shen chongshan and tang yu met in secret. this meeting was going to completely change the situation in city B.

Chapter 858 Currying favor (1)

in the president's office of King entertainment, qin anlan put down the newspaper in his hand and took T long drag on his cigarette. he suppressed the anger in his mouth and scolded ran ran for being T T T cking pervert!

did tang yuan not care about his own reputation? or was he anxious?

He was anxious because he heard that Lin jinrong was planning to propose to Tang Yu that night but was interrupted by Tang Yu.

come to think of it, if his cousin married his ex-wife, how could tang yu accept it?

of course, qin anlan wasn't so na?ve to think that tang yu was only doing this to confess. he was obviously supporting marvel. sometimes, gossip was the best way to promote.

he looked at tang yu's movements and it seemed like he was leaning towards the lin corporation.

the reason behind all this was not that simple! It was more or less related to Shen Lian. Perhaps, it was the key to why Tang Yu was controlled by Shen Lian.

just as he was thinking, there was a knock on the door. qin anlan looked up. " come in. "

his assistant brought pei huan in, but he left after she arrived.

Qin Anlan glanced at PEI Huan and said indifferently, " "Sit."

PEI Huan looked down on Qin Anlan. She had done it with him once and was flattered for a while. After that, she lost it.

in the past two years, she had also relied on herself to find resources to stand up again. it had nothing to do with qin anlan. the current situation was that her sister was not short of money, so she was not that concerned about president qin and did not care about him.

pei huan sat down and stretched out her fingers to admire her newly manicured nails. she blew on them and said,"what's the matter, president qin?"

qin anlan frowned but didn't argue with her, " i heard that you and pei qiqi have made up? "

in the past, pei huan and pei qiqi didn't interact with each other, but now, they didn't even know that they should reconcile, yueyue.

PEI Huan's eyes widened, but she returned to her lazy self after a while. "Where did President Qin hear this from? PEI Qiqi and I, how could it be possible!"

qin anlan looked at pei huan and actually smiled. "you're so tight-lipped?"

pei huan still wanted to say something, but qin anlan continued, "If there's nothing else, you may leave!"

As he spoke, he lowered his head to read the document.

pei huan looked around for a long time before qin anlan looked up. "aren't you going out?"

pei huan only felt that qin anlan seemed to have changed. he seemed to have become more respectful towards women.

In the past, in his company, women were equivalent to toys and commodities.

Did he change because of PEI Qiqi?

And now, he's treating her so courteously because of PEI Qiqi?

PEI Huan hesitated for a moment before opening her mouth. the day after tomorrow, I will be holding a ceremony at Qing Shui road. PEI Qiqi will be there as well.

Qin Anlan lit a cigarette. why did you think of helping me? "i thought you would hate me!"

After all, he had slept with PEI Huan before and in such an unbearable way.

However, Qin Anlan had long forgotten the process, but PEI Huan probably would not have forgotten, right?

"hmph!" pei huan snorted coldly, "i'll just take it that i was bitten by a dog!"

She paused for a moment. Her eyes were a little misty, "maybe, I think it's better for you to be with PEI Qiqi!"

she ran her fingers through her hair. "just take it that i don't want her to be with lin jinrong. "

pei huan walked out after she finished speaking, and qin anlan laughed softly.

in fact, pei huan cared about pei qiqi in her heart, but on the surface, she acted like she didn't care.

Outside the door, PEI Huan scratched her head and looked at her manager, Xiaomei, "I just did something, but I don't know if it's right or wrong!"

Chapter 859 Currying favor (2)

xiaomei had been in charge of a few popular artistes and was used to all kinds of situations. She looked at PEI Huan's current state. It was not impossible for her to become more famous, but this girl had no ambition.

It seemed like he was just having fun and didn't care if he was famous or not.

This was good too! If one wanted to be famous in the entertainment industry, they had to pay the price. In fact, it was only glorious on the surface, but in private, many people suffered from depression and so on, and they were all struggling to hold on.

PEI Huan's current state was pretty good.

Xiaomei had been with her for a long time and could guess what she was thinking. As for boss Qin's thoughts, Xiaomei had heard of them.

ceo qin likes pei qiqi, right?

"It's done!" xiaomei smiled. "it's good that you're happy."

PEI Huan stretched her arms. right, as long as you're happy.

she didn't lack anything now. instead, she felt that pei qiqi was in a worse state.

she had also once loved jinrong deeply. when jinrong became a vegetable, she aborted the child without hesitation.

PEI Huan thought that the person she loved the most was herself!

However, PEI Qiqi was different. She was loved by Tang Yan. In the end, she lost her child, her husband became someone else's fiancé, and her company lost Qianqian.

PEI Huan felt that she was too kind right now. She actually sympathized with PEI Qiqi!

.....

On Saturday, PEI Qiqi woke up early in the morning, tidied herself up, and called old kan for breakfast.

old kan had not fully woken up yet, but he could finish his breakfast with his eyes closed. after eating, he rubbed his stomach in satisfaction. "where are we going later? "you're up so early!"

PEI Qiqi saw that he didn't wake up and wanted to tease him. She leaned over and said softly, "I'm going to meet PEI Huan later, can you send me there?"

old kan woke up immediately and glared at her. then, he took out his wallet from his pocket and threw it to her. "take a taxi, or you can buy a car."

Originally, he didn't have such thoughts, but after old kan said it, he felt that he should buy a car.

"How about an Audi Q3? it's suitable for girls, white will do." Old kan was a typical man of action. He simply called a familiar car shop and ordered one. He transferred more than 300000 Yuan online without even blinking.

PEI Qiqi held her face and snuggled in front of old kan, "old kan, what should I do? I feel like I'm being kept! But this feeling is great!"

old kan pinched her face and continued, "That's good! We'll move in after we've cleaned up tonight."

PEI Qiqi shrieked and laughed in satisfaction.

after waiting for about an hour, the car arrived. miraculously, the car plate was already hung up.

PEI Qiqi felt that old kan couldn't be any better. Old kan looked at her, " "you don't need me to meet pei huan?"

"oh! there's no need for that now." she looked at his wallet like a dog looking at a bone.

old kan knocked her head with his wallet and scolded her with a smile, " "pei qiqi, can't you be a little more mature? you've seen a lot of money before, but now you're acting like a money-grubber."

pei qiqi laughed,"aren't we down and out now!"

old kan deeply felt that this money was really good stuff!

he bought pei qiqi over with a car. otherwise, he would have told him about what happened to pei huan.

thinking about this, he looked at his little disciple suspiciously, "pei qiqi, did you want a car for a long time? "

PEI Qiqi sat in the car and tested it out. Then, she gestured for old kan to get in and fastened her seat belt. She smiled and said, " "how can i let master spend so much money! master's casual, i'm the casual one!"

old kan directly became speechless.

Chapter 860 currying favor (3)

PEI Qiqi drove one round and left old kan behind. She then drove back to Qingshui Road.

She thought to herself,'at least I'm not too down and out. Now that I'm driving a small Audi, I can be considered to have returned home in glory!'

pei huan was already prepared. the monks that were chanting also arrived and were waiting for pei qiqi alone.

the ritual was naturally long, but pei qiqi didn't feel bored at all. she knelt down and prayed for pei minghe.

pei huan knelt beside her and said softly, " "pei qiqi, i know that my mom and i didn't treat you well in the past. i snatched jinrong away from you and my mom even wanted to sell you to mr. zhong. later on, zhao ke ordered her to do those things. "

PEI Qiqi didn't say anything and just listened quietly.

she already knew what pei huan would say to her. the fact that she could walk back to her house in qingshui road meant that she had forgiven her.

the pain and the past haunted her like a demon, but ever since she lost her child, the pain was far away.

pei huan's voice was still soft. "my mother was also punished! as for me, i even tried to seduce tang yu, but i didn't succeed. now, you can see for yourself, it's just that i look good on the surface."

pei huan stood up and pei qiqi followed suit.

She looked around. This was the place where they grew up together. They didn't have any good memories together. The only thing they had was PEI Huan's chenghuan and PEI Qiqi being scolded by Zhou Meilin.

They were never good sisters. Later on, they became mortal enemies and wanted to kill each other until Tang Yu saved PEI Huan.

At that time, PEI Huan felt that there was actually someone who cared about her in this world.

And that person was the most unlikely PEI Qiqi.

PEI Huan looked at PEI Qiqi and her eyes were filled with passion, " PEI Qiqi, I'm tired. I don't want to fight anymore! I'm not as strong as you. I can't digest everything on my own, I can't carry everything. i can't!"

her eyes were filled with desire. she wanted pei qiqi to hug her.

she was useless. she admitted it. she was just like that.

She yearned for love, but no man was willing to give it to her. All the men who came and went were men who coveted her body or her money.

pei huan was young and beautiful. she wasn't as stupid as zhou meilin, who would lie to her about rong lei.

she looked straight at pei qiqi, her beautiful lips pursed.

pei qiqi didn't speak for a long time so pei huan said, " "If you're not willing, then forget it. PEI Qiqi, I don't have to be your sister. don't give me that. i'm telling you, i won't beg you again."

pei qiqi looked at her and slowly said, " "pei huan, i remember that you're older than me by a few days!" she even shamelessly wanted to be his younger sister.

PEI Huan was stunned for a moment. Then, she was overjoyed, " it's not bad to be an older sister. However, PEI Qiqi, you have to give in to me! because my intelligence is not as good as yours!"

PEI Qiqi's face darkened. How did Zhou Meilin give birth to such a shameless little girl?

"Didn't you just say that you wouldn't beg me and told me not to do that?"

PEI Huan originally wanted to put on airs, but she shrugged and said in a low voice, " "i'm not begging! i'm making a request!" This was a huge difference.

pei qiqi saw that the ritual was over and picked up her car keys to leave. pei huan stopped her and said without any backbone, " "I begged, I begged."

pei qiqi smiled, " you're quite obedient. "

PEI Huan followed behind her like an attendant. This was-new thing for PEI Qiqi-

how much did pei huan lack love to be like this?
