

Thank you 871

Chapter 871 see you on monday (3)

Old kan's face was very tense, and his voice was also rough. yes, I hit you, grandson!

Qin Anlan didn't talk back, nor did he fight back. Of course, Jian Jia's actions had a part to it. He dared to bet that if he fought with old kan, PEI Qiqi would definitely help him. In the future, it would be difficult for him to even see her!

fortunately, old kan was still rational and didn't attack again. otherwise, if he beat this grandson to the ground, it would be easy for him!

don't think that he didn't know what this grandson was thinking. he still wanted to hit on his little disciple.

Qin Anlan slowly stood up and wiped his lips. old kan, do you believe that you don't understand su mo as well as I do? "

Old kan's eyes widened like copper bells. He wanted to eat Qin Anlan alive.

"In your heart, su Yue is sophisticated, but do you really understand her?" qin anlan looked into old kan's eyes. " do you know what she yearns for the most? "

old kan didn't know what happened to su yue, and su yue would probably never tell him.

qin anlan only knew about the news from the upper-class society.

It was just like how some men would chat about Yueyue with their closest friends after having fun with a woman. He had once heard that su Yue had been played by a rich man to the point that she couldn't have children.

The process must have been unbearable, and it would be the most painful thing in su Yue's life.

this kind of pain was what she was most afraid of when the people she cared about or loved knew.

"old kan, let it go! su yue is already suitable for you, and she's not the su yue of the past." if there was a way out, su yue would definitely turn back.

sometimes, it was just like that. after seeing too many wonderful things, good things, bad things, and helpless things in the world, the one she wanted to find was still the old him.

However, things remained the same, but people had changed. It wasn't that he didn't want to turn back, but he couldn't.

he saw the beast-like expression in old kan's eyes and knew what he was thinking. he smiled bitterly, " but i am serious about pei qiqi. do you believe me? "

old kan squinted his eyes, and no expression could be seen on his bearded face.

" if it wasn't for pei qiqi, do you think i would take this hit for su yue? " Qin Anlan's tone was calm, but it also had the majesty of a superior.

Old Kan smiled. Yes! President Qin, you're the most powerful person in the entertainment industry, and everyone sees you as a God. But in the world of love, no one is superior. Do you think others should accept your little charity?"

With that, Old Kan left in anger.

Qin Anlan just watched the elevator open and close. He took out a cigarette from his pocket and lit it up. He took a deep puff and was always chatting. Damn it, he was right. His good was worthless in Pei Qiqi's eyes.

He looked at himself in the mirror. He was still the same Qin Anlan, but in his eyes, he saw a trace of suffering from love. He also saw his own miserable youth's anticipation for love.

After Ran Ran, Qin Anlan came almost every day. However, he didn't stay for long each time. He would only sit for half an hour before leaving. Pei Qiqi couldn't even make it in time.

However, no matter how he went back and forth, he could not even throw a stone into her heart.

She was still unmoved, and every time he came, she would lazily deal with him.

Qin Anlan could feel that Pei Qiqi wasn't as cold as before, but she had learned how to be tactful.

This wasn't a good thing for him, because it was like punching. Every punch he threw bounced back after hitting cotton.

This made Qin Anlan a little anxious and uneasy.

Chapter 872 The Truth (1)

At the same time, Tang Yu was also anxious!

A certain newspaper's Monday meet had always been powerful. And this Monday, the headlines were all about Qin Anlan and Pei Qiqi.

In the high-definition, uncensored, and extremely clear photo, Pei Qiqi was lying on Qin Anlan's back. She had one hand on Qin Anlan's shoulder and the other holding an umbrella.

Qin Anlan had an indulgent smile on his face while Pei Qiqi pouted her lips and looked aggrieved.

It was drizzling. A Man in Black was carrying a beautiful girl on his back. It was a beautiful scene. At least, they were a good match!

Tang Mo stood in front of the floor-to-ceiling window in the president's office of Sheng Yuan, frowning as he looked out the window.

That direction just so happened to be Sheng Yuan hospital.

On his desk, there was a newspaper. See you on Monday!

When he saw the photo, he was shocked and disappointed!

He had long guessed that Qin Anlan would get close to her by any means necessary!

A sense of fear even rose in his heart. He was afraid that she would eventually fall for Qin Anlan.

Qin Anlan became serious. He knew how attractive he was to girls! When he was in school, there were countless girls who liked Qin Anlan.

Xiao ran stood behind him and reported calmly, but he was actually on the verge of tears in his heart.

The president had been standing there for an hour without moving.

She tried her best to calm herself down. miss PEI's foot is injured. She's currently staying in the top-floor VIP Ward of Sheng Yuan hospital!

She hesitated for a moment before continuing, " President Qin goes there every day!

Whoosh! The temperature in the office dropped by a few degrees!

Tang Yu's back stiffened, " how's your injury? "

"i've asked the doctor, it's no big deal! It was just a twisted tendon! i'll be discharged in two days." Xiao ran had always been meticulous in his work, and he had already asked about every aspect.

tang yu's thin lips twitched. his voice was suppressed, " contact her and tell her that i'll be in the United States at 7pm tonight for three days. it's also the only time i'll have an interview with her. "

Xiao ran was stunned for a moment before he said instinctively, " "What if miss PEI is not willing?"

"she will agree!" tang yu's voice was calm, like the calm before the storm.

Shengyuan hospital! She was there.

everything seemed to be destined.

xiao ran left quietly and closed the door.

the room was quiet, only tang mo stood there, trying to calm his mood.

He could not be sure if Qiqi would still be so cold to Qin Anlan after seeing that person.

Would love and hate only be directed at him, Tang Yu, or would they still have different choices?

The phone on the table rang. Tang Zheng paused and walked over. When he saw that it was Shen Lian's call, he didn't intend to answer it.

However, his phone kept ringing. He just looked at it with a cold expression.

finally, the ringtone stopped, but a message came.

He took a look and saw that it was from Shen Lian. There was only one sentence-

"after seeing the headlines, do you feel like your heart is being cut by a knife?"

tang yu deleted the message and his expression became even colder.

.....

sheng yuan hospital.

PEI Qiqi walked out of the attending doctor's office and prepared to go back to the ward to pack up. She was going to be discharged tomorrow.

she had just received a call from xiao ran.

Tang Yu was going to the United States for three days and wanted her to accompany him for an interview.

she rejected him!

even if the managing editor wouldn't let her off easily, she could just quit her job.

They had followed him for three days, and no one knew what would happen in the end ...

When she reached the top floor and was about to get out of the elevator, a man stood at the door and looked at her. "miss pei, mr. shen would like to see you."

mr. shen?

Chapter 873 the truth (2)

PEI Qiqi took a step back alertly and her eyes were guarded, " I don't know any Mr. Shen.

"Miss PEI, do you still remember Mr. Shen Chongshan?" the man smiled.

Shen Chongshan?

pei qiqi was stunned.

her feet were as heavy as lead, and it was difficult for her to move.

She didn't know how she got there. She only knew that when she stood in front of Shen Zhongshan, the sun was glaring, but when it shone on her body, she still felt cold.

shen chongshan saw her in his ward. he was sitting in a wheelchair, and from the back, his figure was not as good as before. he looked like a fat middle-aged man.

The door closed and Shen Chongshan slowly turned his head. His gaze landed on PEI Qiqi's face. His eyes were very complicated.

at least, pei qiqi couldn't see through him.

after a long while, she asked softly, " mr. shen, is there anything i can help you with? " His eyes couldn't be any clearer, so she didn't need to beat around the bush.

Shen Chongshan looked at her for a long time before he said softly, " "after you came back, did you go to your mother's grave to take a look?"

When he mentioned Zhao Ke, PEI Qiqi's lips tightened.

some truths were about to be revealed.

That was not what she wanted to see. She did not want it to be real. She even wanted to escape.

she didn't say a word and just stared at the familiar yet strange man in front of her with wide eyes.

At this moment, she was like a frightened little animal, and all the hair on her body stood on end.

shen chongshan looked at the girl who was full of defense and said slowly, ” “qiqi, i’m your father.”

As he spoke, he gently placed a document in front of her.

pei qiqi had seen that folder before.

at this moment, it happened again!

she lowered her head and looked at it until her eyes were a little sore. then, she smiled faintly and put the document back in shen chongshan’s hand. ” mr. shen, i don’t want to look at it. ” i think you’re all mistaken, my father is pei minghe.”

She was about to leave.

Qiqi, I made Zhao Ke pregnant. You and Tang Xin are both my children. Shen Chongshan said without hiding anything.

PEI Qiqi’s steps stopped in shock.

her face was as white as snow.

Tang Xin was also Shen Chongshan’s child!

how was that possible?

then, she and tang xin would have the same father and mother.

Shen Chongshan stood up slowly with the help of his wheelchair and walked towards PEI Qiqi. His voice was very low, ” there’s a paternity test between you and me. I did it when you were pregnant, but my body doesn’t allow me to donate my bone marrow to Tang Xin.

pei qiqi was in a daze.

shen chongshan’s voice was calm. ” when you were six months pregnant, you were diagnosed with an acute blood disease. ”

pei qiqi’s ears buzzed as though they had been struck by lightning.

she took a step back and pressed her body against the door.

Shen Chongshan knew that she couldn’t accept it, but he still said cruelly, ” Shen Lian’s bone marrow saved you. But, her condition was for Tang Yu to divorce you.

so, that’s why it’s ridiculous that tang zhiyuan is her father?

PEI Qiqi closed her eyes and shook her head desperately.

She had long guessed that Tang Zhiyuan wasn’t her father and Tang Yu wasn’t her brother.

However, she had never expected this to be the result!

“there’s more!” Shen Chongshan’s voice was heavy, ” Tang Yu gave Shen Lian 20% of Sheng Yuan’s shares without any conditions. He only has 31%. If he’s with you, then this 20% could change the history of Sheng Yuan at any time.

PEI Qiqi was stunned.

But then, a glimmer of hope rose in her heart. She looked at Shen Chongshan and almost begged, ”
“Where’s the child?”

Chapter 874 The truth (3)

shen chongshan looked at her quietly. ” you can ask tang yu about this. ”

he didn’t want to say such cruel words to her (shen zhongshan didn’t know), and he didn’t want to tell her that the child was really gone.

PEI Qiqi’s face was as white as snow. Suddenly, she took the documents from Shen Zhongshan’s hands and ran out. Her leg was in pain, but she didn’t care.

she wanted to see tang yu immediately. she wanted to ask him if yingluo’s child was really gone.

In her heart, a desperate desire rose.

She wished that the world would still have a trace of mercy on her, just as if it was pitying her ...

When she was outside, she quickly flagged down a taxi and gave Sheng Yuan’s name.

The taxi driver sent her there, and she left the money behind and ran to the elevator. The front desk lady didn’t have time to stop her.

pei qiqi stood in the elevator and looked at herself in the mirror-

Her forehead was covered in sweat, and her face was red. It had been a long time since she had looked like this.

The elevator reached the top floor. When it opened, Xiao ran was standing in front of it. Obviously, Xiao ran had received a call from the front desk.

“qiqi, the president is not here!” xiao ran said with some difficulty.

pei qiqi pushed her away and walked towards tang yu’s office. she reached out and pounded on the door.

However, no one responded and the door couldn’t be opened.

even so, she was still hammering away with all her might.

Xiao ran saw that her hands were red from the beating and went forward to persuade her, ” “the president isn’t here. why don’t you come back another day?”

“Does he have time to see me?” PEI Qiqi kicked hard and didn’t stop. She didn’t care if she hurt herself.

Her voice was filled with excitement and despair, ” Tang Yu, come out!

she knew that he was in there, that he didn’t want to see her, and even that he wanted her to go to the United States with him for three days.

What did he want to do?

she kicked him with all her might and made a scene shamelessly, but he still did not open the door.

PEI Qiqi held the document in her hand and slowly fell against the door. Her face was covered in tears.

In the office, Tang Yu was sitting at his desk with a cigarette in his hand!

it wasn't as if he didn't hear her cry, nor was he unaware of her desire! however, he still decided not to tell her about little xin xin's existence for the time being. for the sake of little xin xin's safety and to ignite the anger in pei qiqi's heart.

Because he knew that she would think of Tang Xin's death if he was careful.

She would leave him!

He needed time. He needed to start over with her.

Originally, he wouldn't have let her know part of the truth so quickly. Everything was due to the agreement with Shen Zhongshan.

now, other than sheng yuan, shen lian could no longer threaten him.

Tang mo fiercely finished the cigarette in his hand and pressed the internal line. tell her when I'll go to United States.

The second Secretary immediately went to Xiao ran and whispered into his ear.

xiao ran was in a difficult position and could only tell pei qiqi.

pei qiqi looked at xiao ran, her gaze a little straight.

the United States!

Her body was pressed against the door, and her lips were tightly pursed.

After a while, she kicked the door hard and left as quickly as she had come.

PEI Qiqi returned to her apartment and started packing like a mad woman. Her eyes were burning with desire, " what happened? "

PEI Qiqi closed her suitcase and looked up at old kan, " "I'm going to United States."

The United States?

Old kan couldn't help but frown. why are you going to United States? "

"An exclusive interview!" pei qiqi spoke very quickly and then walked towards the door with her luggage.

Old kan saw that there was something wrong with her expression and stepped forward to grab her hand. "Qiqi, I can't let you go like this."

his eyes were fixed on her. " i'll go with you. "

Chapter 875 the truth (4)

"Old kan, let me go alone!" she looked at him. " this matter is very important to me. yingluo, i must go. "

old kan didn't let go of her. he grabbed her small arm with one big palm and took out his phone with the other hand to make a few calls. then, he wanted to curse.

He looked at PEI Qiqi, "you will be eaten, do you know that?."

This was obviously a trap set by Tang Yu. He was going to let this little sheep jump in, then wash it clean, cook it, and eat it.

how could she not understand?

PEI Qiqi's face was filled with madness. She laughed lightly, "I don't care! Old kan, please let me go, I will go crazy if I don't go!"

but as she laughed, she started to cry.

Old kan couldn't bear to see her like this. He wiped her tears with his rough palm and said in an incredibly gentle voice, "it's not that I don't want you to go, but at least let me send you.

PEI Qiqi's lips trembled, "old kan, thank you.

Old kan lifted the luggage in her hands, half-wrapped his arm around her shoulder, and half-carried her downstairs.

at this moment, pei qiqi realized how weak her legs were.

There were still tears on her face, and she looked ugly in the mirror of the elevator.

She sniffled and said in a nasal voice, "old kan, am I very stupid? "

old kan's palm touched her little head very warmly and rubbed it again. " "it's good that you know." this girl had always been calm and composed. when had she ever been like this?

he knew in his heart that this matter was of great importance. otherwise, pei qiqi wouldn't be like this.

When they arrived downstairs, old kan put her luggage in the trunk and went to get a visa through his connections before taking her to the airport.

when they arrived at the airport, there was still an hour before tang yu's plane took off and the sky was already dark.

The airport was brightly lit at night. The runway in the distance and the navigation lights were like giant Dragons.

In the sky, planes took off or returned.

the only thing that accompanied her was the strong night wind!

Another plane took off. The wind whistled, and with the sound of the plane soaring into the sky, it slowly disappeared into the night sky.

PEI Qiqi stood there and suddenly turned around.

Not far away, Tang Yu stood there in a black shirt. Beside him were Xiao ran and a few higher-ups.

Old kan tilted his head and looked at PEI Qiqi, "girl, you really don't need me to accompany you?"

She didn't say anything as she looked at Tang Yu in a daze.

Tang Yu was the same.

everything would change!

it was just that in between, there was already a life and death separation.

Slowly, she walked towards him. Old kan wanted to pull her back, but he couldn't.

pei qiqi paused,"teacher, i will be back."

then, she walked towards tang yu without hesitation.

old kan narrowed his eyes. in the end, he just lit a cigarette and smoked it in the night.

When it came to relationships, no one else could interfere.

pei qiqi walked in front of tang yu and stood still. she looked up and stared blankly.

his lips moved slightly, but in the end, he did not ask anything.

"let's go!" He took her luggage and walked in front of her.

PEI Qiqi followed behind him and walked towards the landing area.

Old kan smoked his cigarette and watched, feeling quite upset.

F * ck, he actually couldn't help his own disciple and watched her fall into the Big Wild Wolf's trap.

Before PEI Qiqi boarded the plane, she suddenly turned her head around.

old kan could never forget her expression at this moment in his life. it was so determined and without hesitation.

pei qiqi looked at old kan and then boarded the plane.

Old kan's eyes ached, and he almost cried.

Chapter 876 the truth (5)

on the way back, old kan was listening to a sad song and smoking a cigarette.

f * ck, who doesn't have a story?!

However, the people this girl provoked were not good people ...

qin anlan was a powerful person. it wasn't easy for him to get close to pei qiqi. however, tang yan made pei qiqi follow him without any effort. he even made her follow him overseas.

.....

On the plane, Tang Yu looked at PEI Qiqi standing there in a daze. He frowned and said, "sit down first."

"i have something to ask you." pei qiqi's voice was stiff.

At this moment, a beautiful air stewardess came over and smiled. "Mr. Tang, would you like to have a meal first?"

Tang Yu nodded.

Before the air stewardess left, she purposely looked at PEI Qiqi.

"Sit down and have a meal together!" his voice carried the authority of a superior, without much personal emotion. It was as if she was here only for the interview, as if they had never interacted before.

PEI Qiqi didn't move.

"The plane hasn't taken off yet, you can still get down if you want to." After Tang Yu finished speaking, he walked over to the small dining table.

The two air stewardesses attentively served the dinner and set it up, then left.

Tang Yu sat there and turned his handsome face, "Miss Pei!"

She walked over and sat down opposite him. Tang Yu poured two glasses of red wine and handed one to her.

Pei Qiqi reached out and took it. She pursed her lips and said softly, "Tang Yu, aren't you going to explain?"

"We'll talk after dinner." He said lightly.

PEI Qiqi poured the glass of red wine on his face.

The dark red wine dripped down his handsome face and stained his white shirt—he looked very embarrassed.

The air stewardess came over with the dessert and was shocked by this scene. She instinctively picked up a tissue and wanted to wipe Tang Yu's face.

But he sat there and said coldly, "Get down."

The air stewardess was stunned. Tang Yu said again, "Get off!"

When they left, there were only the two of them left in the huge space.

Tang Yu picked up a tissue and slowly wiped the wine off his face. PEI Qiqi kept staring at him.

After a long time, he finally settled down and looked at her. "What do you want to ask?"

PEI Qiqi was eager to know, but at this moment, she was a little scared.

Her lips trembled, and she couldn't say a word for a long time.

Tang Yu looked at her and said in a calm voice, "Everything Shen Chongshan told you is true!

"Tang Xin, you left so quickly because of me! Is that so?" PEI Qiqi closed her eyes, "It was Shen Lian who told Tang Xin, right?"

So, that little fool ended her life so easily, just so that she wouldn't feel guilty when she woke up and wouldn't be sad to see her leave.

She had never done anything for Tang Xin, but Tang Xin had thought so much for her!

PEI Qiqi's throat felt like it was blocked. She thought that the pain had reached its limit.

However, she never thought that it would hurt even more!

She closed her eyes, and Tang Xin's face was in front of her. Tang Xin called her Qiqi and said that her dishes were delicious.

tang yu didn't say anything. it was a silent agreement.

PEI Qiqi closed her eyes. Her heart was broken.

"Where Are the Children?" she closed her eyes, her voice choked. " you can let me give birth to it. "

this time, he answered her, " because i don't want to lose you. "

Her eyes were still closed, and her tears fell.

Tang Yu, the child is gone. You've already lost me!

Chapter 877 The truth (6)

He had done a lot for her. He had sacrificed Tang Xin, their child, Yingluo, and even Shengyuan. He had sacrificed himself!

She should thank him! there shouldn't be hatred!

She should be hugging him at this moment. However, things were different now.

After so much, after so long, everything was different!

"have you ever thought about whether this is what i want?" she looked at him. " i'm the only one living well in this world. you arranged for tang zhiyuan to be my father, you to be my brother, and even find me a husband in the future. and you, you're the only one who's in pain while watching me happy, right? "

she laughed and cried, " tang yu, you're great. but this isn't what i want! "

When he told her that they were siblings and that the child could not be kept, she shouted at him madly, " She didn't care, she just wanted to be with him!

And the truth was that she was sick!

Everything he did was for her, for her!

however, this was not what she wanted. what she wanted was to give birth to the child!

As for her and him, they were husband and wife for life, and they were still husband and wife for a day.

he had made her live with hatred for so long, but in the end, it was all a misunderstanding.

“Tang Yu, you planned everything, but Did you know? I’m used to hate, so I don’t know how to love Hanhan. her little face was desolate. I have nothing now.

Without Tang Xin and the child, she didn’t know how to love him.

Tang Mo closed his eyes and said in a pained voice,”You still have me!”

PEI Qiqi lowered her eyes, ” I don’t dare to take it anymore!

after she finished speaking, she suddenly looked up and saw that tang yu had already gotten up.

in just a second, he lifted her up and walked straight to the lounge.

She was stunned for a moment, then immediately started struggling. “What are you doing?”

Tang Yu didn’t say anything. He just clenched his jaw and quickly walked into the lounge.

she was placed on a large, snow-white bed, and both of her hands were held up by him with one hand. he used his other hand to untie her hair, and her long black hair instantly covered the pillow.

PEI Qiqi shrieked. Her hand was restrained and she used her leg to kick him.

tang zheng loosened his tie and tied her hands to the bed.

“abnormal!” she closed her eyes and her face looked extremely fragile because of the tears, ” tang yu, let go of me! ”

She was instinctively resistant to doing that kind of thing with him.

It was because of the child and also because he was Shen Lian’s fiancé!

more than that, it was because she hated him. it was the kind of hatred that came from deep love and despair.

Her violent struggle quickly caused a bloody wound on her wrist. His heart ached, but he still did not untie her!

She was wearing a thin wool skirt, and the stockings inside had been pulled off by him and thrown on the carpet.

The tender legs evoked his burning memories, those flames.| The scenes of the hot night appeared in his mind.

Tang Yu admitted that he was despicable and that he shamelessly wanted her, Yingluo.

however, he was afraid that she would leave with qin anlan if he did not take action. the most direct way to enter a woman’s heart was to have her and sleep with her!

He believed that if PEI Qiqi had any physical contact with him, she wouldn’t be with Qin Anlan for the time being because his Qiqi wouldn’t be like that.

He determinedly took everything she had.

Tang Yu, I will hate you! her eyes were closed, and her little feet were still kicking around, but he caught them with one hand.

He unbuttoned his shirt with one hand and pressed her feet with the other.

pei qiqi's eyes widened. her tears were still wet as she watched in shock as he used her foot to do those things!!!

chapter 879-qiqi, i miss you!

Tang Yu couldn't take it anymore. He had waited for far too long. Even if she resented him and hated him, he couldn't take it anymore.

Now, he wanted her and wanted to be sisters-in-law with her.

and her little feet were so white and lovely, he couldn't care much in a moment of passion.

pei qiqi bit her lip and looked in shock at the agitation on his handsome face. because he was too engrossed in it, his face was slightly distorted.

His breathing had never been so chaotic before. It was as uncontrollable as a young man's. He didn't know what to do!

She closed her eyes and shook her head helplessly on the pillow, trying to get rid of his teasing.

but he held her little foot firmly and did whatever he wanted.

In these two short minutes that were both illusionary and real, both happy and painful, it was as if they had experienced a life and death separation, as if they had experienced tribulations for generations to come.

his slightly hoarse breathing and her scream ended the preposterous matter.

Tang Yu hugged her to calm himself down. He buried his face in her neck and his hot breath blew into her soft neck. It was so hot that she almost couldn't take it and it also made her feel shameful.

the tip of his nose was slightly cold, and he gently touched her delicate little neck. it was a little intimate, like the intimacy of animals after a certain time.

PEI Qiqi raised her little face and closed her eyes. Her chest heaved up and down slightly and her voice was extremely weak, "pervert!"

Tang Yu was still hugging her. His hand was on her soft waist and he was gently pressing on it.

her body went soft, and her voice became even more fragile."let me go!"

he knew her weakness well and did not let go. he just hugged her and caressed her as if to comfort her without any desire.

However, only PEI Qiqi knew that every time he greeted her, it was at the place she couldn't stand. her body shamelessly had feelings for him-it was covered in a thin layer of sweat, and it was still moving.

His big palm had a kind of slow taste, not as urgent as before.

"I hate you!" She closed her eyes, "Tang Yu, if you dare to do anything to me, I swear you'll never find me again."

he turned over and covered her with his deep, misty eyes. her familiar expression flashed in his clear eyes.

His slender fingers gently touched her small mouth, and his voice was extremely hoarse. "PEI Qiqi, I've already done it."

his handsome face was in pain from the depression. large beads of sweat dripped from his forehead and fell on her collarbone.

it's very, very hot

however, he was still enduring ...

His shirt was half unbuttoned and slightly open. From her angle, he looked very sexy! It was the kind of sexiness that made women eager to unbutton those two buttons.

PEI Qiqi suddenly felt her lips dry. She just looked at the fire. warm memories came back to her like a tide.

The narrow space was suffocating, and even his sweat was on fire. It was hot, and the air was filled with an ambiguous element!

their eyes met, and there was a deep desire in his eyes, as if he wanted to tear her apart alive ...

Just as he was about to do so, he suddenly rolled out of bed and walked into the attached bathroom.

pei qiqi heard the sound of water. she closed her eyes, thinking that he had let her go.

After a while, he came back with a hot towel in his hand. He sat by the bed, held her small feet, and helped her clean them.

he was very careful and gentle, as if he had a lifetime to do this.

Chapter 879 Qiqi, I miss you!

when he did all this, he was very gentle. pei qiqi leaned her body up and looked at his lowered eyes. her face became gentler.

Such a quiet moment was the kind of intimacy that only young couples had.

He held her tender little feet and carefully wiped them clean before she shrank back.

tang yu raised his eyes and watched her daze. then, he slowly unbuttoned the last two buttons.

he gently threw the shirt at her face. with his manly aura, it blocked her face and her vision!

if she could see it, she would know how twisted tang yu's face was. he was being consumed by lust. Wang was tormented madly.

PEI Qiqi was shocked. She instinctively shook her head and wanted to shake off the shirt, but the more she struggled, the tighter the shirt wrapped around her. In that small space, her breath was messy and mixed with his.

When his eyes were covered, all his senses were magnified!

Her body turned cold, and then she was deeply, deeply occupied by him ...

she was drenched in sweat, mixed with her slightly pained panting. it had been too long since they had sex, and it was painful to be awake like this.

however, it was also because of the pain that it felt more real.

he didn't know when, but the tie on her hand had been undone. her hand was on his shoulder, and her nails dug deep into his back muscles, leaving a few long bloody marks there.

At the last moment, she cried out in surprise.

Because she knew that he did not use any protection, he just gave it to her directly ...

No matter how much she struggled, he still gave her all of it.

everything settled down, and the space was overbearingly stained with the man's hidden aura and the woman's sweet scent.

PEI Qi Qi turned her face to the side and didn't move an inch.

tang yu flipped to the side and said in a calm voice, " you don't need to take medicine! I've had a vasectomy!"

PEI Qiqi turned her head around and looked at him in disbelief.

ligation?

why?

"qi qi, it's not because shen lian and i did anything! i didn't do anything with her, i'm just yingluo."

He turned his face and looked at her very seriously. " i just don't want that to happen. i don't want you to face such an unbearable reality when you're plotted against by someone one day. "

"i won't allow that to happen," he continued after a pause.

What he couldn't do was to make her pregnant again.

qiqi's body was no longer suitable for pregnancy. he didn't want her to take medicine secretly, so he had a vasectomy.

pei qiqi closed her eyes and didn't say anything, wanwan.

Her heart was in a mess. She didn't plan to do anything after sleeping with him once, and he was the one who forced her.

This would not change anything.

as for tang yu, how could he not know?

He reached out to hug her and buried his face in her hair. He let out a long breath, " PEI Qiqi, bear with it.

she did not understand why he said that, but when she opened her eyes and saw his red eyes, she understood.

his little mouth was blocked. as he kissed her, he took out a bottle of wine from the cabinet beside him.

he bit off the soft cork, propped himself up, took a sip, and then bent down to feed her.

pei qiqi rejected him. she twisted her head and struggled, but he always found a way to find her head. just like that, he fed her half a bottle of wine. she was already drunk.

Only then did Tang Yu put down the bottle in his hand. He supported himself with one hand and touched her red lips with the other, ” “pei qiqi, you’re much cuter this way.”

Chapter 880 qiqi, i miss you!

the drunk girl lay down obediently, her eyes so misty that water could almost drip out.

tang yu lowered his head. his thin lips touched her little mouth. he kissed her again and again, but he didn’t go too deep.

her body was like water, and her eyes were misty as she called his name.

Finally, her small mouth opened slightly and she took the initiative to welcome him. Love was different from being forced by one party. Tang mo was moved and all his lovesickness was comforted at this moment.

That night, on the plane to the United States, he was the fire and she was the water, but strangely, they fused and boiled again and again until they were exhausted and lost their minds.

when pei qiqi woke up, she was already in a villa on the outskirts of a state in United States.

the surroundings were completely silent.

She was still a little dizzy, but not too uncomfortable.

this was where lin yun had lived for more than a year, and the twins were born here.

pei qiqi opened her eyes and looked at the curtains fluttering in the wind. the room was quiet.

in a daze, she felt like she had returned to the rose garden and woken up from their room.

She sat up and looked at the moon-white spaghetti strap nightgown she was wearing. The thin straps supported the loose nightgown, and she felt that the thin straps were suitable for men to tear off.

Her bare feet stepped on the thick carpet. Her feet were white and beautiful. She looked down and remembered what Tang Yu did to her on the plane.

A low and hoarse voice came to his ears, only separated by a door.

pei qiqi looked at the white carved door. she hesitated for a moment but still pushed it open-

The door opened. Inside was a study room. Tang Yu was sitting behind the desk, wearing his headphones and watching. In the meeting.

He was wearing a three-piece suit and looked handsome. When he heard the sound, he turned to look at her. His face was 360 degrees without any blind spots, and his shaved chin was clean and refreshing. It was even more attractive with a few shades of blue.

He was indeed at the most attractive age for men.

After a few seconds, he immediately turned around and said something in English.

PEI Qiqi used her lips to tell him-I have something to discuss.

a faint smile appeared at the corner of his mouth as he ended the meeting.

He turned off the computer and looked at her with a smile. are you hungry? I'll get someone to send breakfast over?"

Only then did PEI Qiqi realize that it was early in the morning in United States.

Shaking his head, he said, " I have something to discuss with you.

"We'll talk after breakfast." he stood up and walked in front of her. his tall body stood in front of her, making her look even more petite and weak.

He looked down at her, his breath enveloping her as he slowly said, " "You haven't eaten anything for a day."

"That's not the main point." PEI Qiqi's voice sounded like she couldn't hold it in anymore. She pursed her lips and looked at him.

the noble man stretched out a slender finger and touched her slightly red and swollen lips. he bent down, and his handsome face was very close to her. he did not deny that he was seducing her.

before he found out about little xinxin's existence, he could only act as a man.| He's trying to seduce her, Tang Yu thought to himself.

he slowly said,"then what is the main point?" Your interview? Or will you leave me again and return to city H?"

pei qiqi grabbed his fingers. but how could her strength be a match for a mature man in his prime?

not only did he not let her go, but he also grabbed her little hand and forcefully led her little hand to touch her lips. he teased pei qiqi, " let go of me! "

He let go of her, but his eyes were still fixed on her.
