

Thank you 891

Chapter 891 coaxing women, he's good at it (2)

su jue heard the commotion inside but did not push the door open. qin anlan happened to bump into her as well.

in the ward, pei huan's voice was alluring and there was a hint of questioning, " "Also, what's your relationship with the woman on the phone just now? You're su Yue, aren't you? she's quite a famous woman. Have you slept with her before?"

old kan almost fainted. he wanted to push pei huan away. " you're just a child. don't mess around. "

however, pei huan was like sticky candy that stuck to his body and could not be chased away!

old kan was a little annoyed and was about to get serious.

pei huan's eyes turned red and she became serious.

"kanmingzhu, i don't care how many women you've had in the past. in fact, i'm not any better. we're a broken gong and a broken lid. besides, i don't know if i can still have children. i've had an abortion before, for my ex-husband."

PEI Huan's voice was calm and sad, but there was courage in it. It was enough to move old kan.

it took courage for a girl to say these things.

pei huan hugged him tightly, afraid that he would escape. she continued, " the last time you slept with me, you asked me if I wanted you to take responsibility. Kanmingzhu, I'm telling you now, I want you to take responsibility.

old kan was dumbfounded!

Old kan was dumbfounded!

Old kan did not expect PEI Huan to make such a move.

"Our age difference is too big," he said in a hoarse voice.

"i don't care!" PEI Huan was very bold. She knew that su Yue was outside but she still said, " I think that's really amazing. size's big and it's good. I'm quite satisfied.

Old kan swallowed his saliva. No woman had ever praised him in this aspect so directly.

It was undeniable that he was a rough person and he liked this kind of method.

if he wasn't injured, he really wanted to play with her again and listen to her say in a beautiful voice, " old kan, you're really good. "

Thinking of this, the work was very painful.

"Unless you care that I might not be able to have children," PEI Huan continued.

“i don’t care about that!” old kan’s voice was a little uncomfortable and a little hoarse. if one looked closely, one could even see that his dark face had an abnormal dark red.

pei huan cheered and kissed him on the lips, pushing yingying down.

old kan smiled bitterly. ” why are you so impatient? ”

PEI Huan occupied him like crazy, her hands pulling on his hospital gown. She slept with old kan just like that, catching him off guard.

yes, she was sleeping outside for su yue to see.

A woman’s intuition had always been accurate. She could guess that su Yue was the White moon in old kan’s heart. Now that she had slept with old kan, she wanted to see if they could still be white.

In PEI Huan’s rough understanding, there was nothing that sleeping with her couldn’t solve. If one time didn’t work, then two times!

he had to admit that at first, he was passive, but after a while, he felt it, and it was not just a physical resonance, but also a spiritual resonance.

he thought that he needed a girl with courage like her. even if he didn’t really appreciate pei huan, she was nothing compared to pei qiqi.

however, at this moment, he really liked this girl.

because he could make her so happy.

Inside the room, it was like fire and tea. Outside, su Yue was in shock, and all she could hear was the old man’s voice. He didn’t care if he had a child or not!

then, what was the reason for her hesitation and persistence all these years?

in terms of reputation, pei huan was really not any better than her and would only be worse. even such a pei huan could accept yingluo.

Chapter 892 Coaxing women, he’s good at it (3)

Su Yue couldn’t accept this blow and stood there in a daze.

” su yue, ” qin anlan said indifferently, ” sometimes, what’s missed is missed. the person who has been waiting for you won’t always be waiting for you. ”

Su Yue looked at him.

“i think he has fallen for pei huan! If you knew what happened to them the day before yesterday, you wouldn’t have gotten involved between them again.” after qin anlan finished speaking, he walked toward the elevator. he had no intention of going in again.

he only came today to ask pei huan some things.

In fact, there was no need to ask!

He had probably guessed why master on the fifth would make things difficult for PEI Huan and who he was doing it for!

Su mo stood at the door and did not move for a long time. She heard old kan's heavy breathing from inside. It was all familiar to her.

it originally belonged to her.

however, he was prepared to give himself to someone else, wasn't he?

Su Yue's self-esteem would not allow her to push the door open and go in. It was just as Qin Anlan had said, old kan had already fallen in love with PEI Huan.

She really did not understand. PEI Huan was such a good-for-nothing and messy girl, how could old kan like her?

Su Yue put down the tonics she had brought and left silently.

In the ward, the sex went on for half an hour before it ended. PEI Huan was lying on her chest and laughing like a cat.

Old kan panted heavily. This little demon was going to kill him.

PEI Huan stretched out her hand and tugged at his chest hair. "why hasn't your woman come yet?"

old kan glared at her. only then did he understand that he had fallen into this little girl's trap.

In other words, su Yue had been listening to him while he was having sex with this girl?

old kan's breathing became even more rapid. his huge nose was like an old cow giving birth, opening and closing, and his eyes were also staring at pei huan.

However, PEI Huan wasn't afraid of him. She looked at him and her eyes were even wider than his. Her voice was even more unhappy. you regret it. You can't bear to part with your baby.

at this moment, pei huan's voice was raised by an octave. she looked like zhou meilin.

however, old kan appreciated it.

he realized that he strangely liked pei huan's shrewdness and liked her to speak loudly to him.

old kan grabbed her hair and said in a gruff voice, " what's there for me to be reluctant about? "

"do you dare to try again?" PEI Huan licked her lips and looked at old kan with a fierce gaze, like a tigress.

Old kan's hand went down. you little slut.

The temperature in the ward rose once again. PEI Huan had finally settled old kan down.

When they were satisfied, PEI Huan was so tired that she fell asleep. Old kan received a call from PEI Qiqi.

"old kan, why are you in the hospital?" pei qiqi's voice was a little nervous. she was the managing editor on the phone and the managing editor said so.

She didn't think it was possible. Old kan's body was as strong as a cow, how could he be sick?

Old kan was naked as he leaned against the head of the bed. He glanced at PEI Huan beside him and snorted, " PEI Qiqi, PEI Huan and I are together now.

PEI Qiqi was stunned. She held her phone and didn't say anything for a long time.

Old kan thought she didn't understand and explained further, " she's in the same bed as me now. and he had only finished two rounds of exercise.

On the other side, PEI Qiqi finally responded. She was almost roaring, " "Let PEI Huan answer the phone."

His voice was so loud that old kan frowned. Then, he threw the phone to PEI Huan, who had woken up.

pei huan was shocked. she didn't think that old kan would be so generous to introduce her to pei qiqi.

Chapter 893 Coaxing women, he's good at it (4)

She felt a little guilty and didn't know what to do with her phone in her hand. She looked at old kan and grabbed his chest. say something.

Old kan grinned. what did I say? To say that I'm actually feeling great?"

pei huan pulled on her hair and screamed. she didn't know why, but she was especially afraid of pei qiqi! he was afraid that she would be disappointed!

when she slept with lin jinrong in the past, she did not feel this way.

old kan had slept twice and was full of energy. he lifted the blanket and got out of bed to wash his face so that the two sisters could have a good talk.

PEI Huan finally picked up the phone. As she listened, she looked in the direction of the bathroom.

Old kan, this bastard, once he was sleeping comfortably, he let her be scolded.

PEI Huan's head shrank back from PEI Qiqi's scolding. In the end, she meowed like a kitten, " "Qi Qi, I think Shen Lian is targeting me on purpose. You have to be careful too, this woman is a Mad Dog now."

The other end of the phone stopped talking and PEI Qiqi's heart softened.

However, it was only for a short while. After a while, she shouted again, " you're not allowed to go anywhere. When I come back, I'll skin you alive, you hear me? "

PEI Huan groaned and said to old kan, who was shaving in the bathroom, " "Your disciple is going to skin me alive, aren't you going to do anything?"

old kan was shaving his beard as he casually replied, " "We're the disciples in charge of the Masters!"

as he spoke, old kan seemed to have thought of something and coughed lightly. " was it you who wanted to be a sister in the past? "

Old kan had a reproachful expression, and PEI Huan's neck shrank back a little. She hung up the phone and got off the bed.

her legs were so sore that she couldn't even walk, and she had to hold her hands.

the reason was that the size of the kasaya he was talking about was really amazing!

She had just walked into the bathroom when PEI Huan was shocked.

old kan's face, which was originally full of beard, became bright and clean, as if he had become a different person.

in particular, he looked much younger than before.

pei huan swallowed her saliva and complained, " "You scared me to death! You don't want to be a good man, do you want to be a pretty boy?"

Old kan was looking at the mirror. He wanted to be praised, appreciated, and praised. But now, not only was there no praise, but there was also disdain.

he looked at it carefully and then looked at pei huan, " "people used to say that i'm handsome! How come you've become a pretty boy?"

PEI Huan ignored him and went to the toilet, looking angry.

old kan scratched his head. " if you don't like it, i won't shave it in the future. "

pei huan finally exploded and poked at his heart. " how long did you have to grow such a big beard? did you ask for my permission before you shaved? " Do you know how much I like this beard, and how much I like the sexy lips under this fluffy beard?"

when he said this, he grabbed old kan's chest with both hands and pulled it off forcefully.

Old kan cried out in pain, folded the disobedient little girl in his arms, and pressed her against the wall.

His breathing was hot, and his eyes looked like they were about to spew fire at her. However, no matter how fierce he was, he could not do anything to her ...

Who asked her to be so much younger than him?

pei huan looked up at the man in front of her.

In fact, he looked pretty good with a shaved beard, but she really liked his big, fluffy beard more. She pouted. the next time you shave, I'll shave off all your lower body.

Chapter 894 He's good at coaxing women (5)

old kan's gaze was locked on her small face, and his voice was also surprisingly gentle. " then when we do that, didn't we stab you? "

PEI Huan's face had always been thick, but now that old kan said this to her, she actually blushed and reached out to push him. who wants to do that with you!

But how could she push the mountain-like old kan?

Old kan pressed a hand on her shoulder. Without his beard, he looked a lot more civilized.

His expression suddenly turned serious as he looked at PEI Huan. little girl, have you really decided to be with me? ”

PEI Huan didn't answer his question directly and asked him pitifully, ” “Old kan, will you dislike me?”

old kan's fan-like palm brushed across her small face, and his voice was also a little hoarse. ” silly girl, what are you saying? ”

“What if I can't have children?” PEI Huan still looked uneasy.

this probably meant that the more one cared, the more one would worry about the gains and losses.

He pinched her cheeks, which were full of collagen, and revealed his white teeth. then be my daughter. I'll dote on you like a daughter.

pei huan called out 'dad' like a little wolfdog, causing old kan to pat her hard to show his love. he smiled and said, ” don't act in such a messy movie in the future. you're not allowed to eat when you're filming. if you do, bring me along and let people know that you're taken. Do you know that?”

He began to educate her because he was really a little worried about her, because she was just like him, bad and full of flaws.

However, two people like them suddenly realized one day that they were each other's warmth.

At this moment, the fiercer he was to PEI Huan, the more PEI Huan felt a sense of belonging. Not only was she not angry, but she also whined when he said that.

He looked at old kan like a little wolfdog looking at its master, his eyes full of adoration.

at that moment, old kan suddenly remembered that su yue had never looked at him like that before.

su yue was independent. she was so independent that he felt that she didn't need him.

If a man like old kan was made of steel, then he would need a woman who was like water. PEI Huan came at the right time.

he sighed in his heart and thought, it must be her!

Good or bad, he still liked her.

“Be obedient in the future and don't talk back!” old kan showed his male chauvinism. ” ” also, i'll buy a house in B city. i'll pay for the household expenses in the future. you can just take your money as pocket money. ”

PEI Huan, who had one meter more money, was still as happy as a little wolfdog. At this moment, she would be happy no matter what old kan said. However, she had to make one thing clear.

“No matter what happened in the past, we have to be clean from now on. I'm sure I'll be fine. If you have any more ambiguous relationships with that su Yue,

and if you dare to hang out with those rich women again, I'll kill you, kanmingzhu!" pei huan was very imposing and even dared to lift old kan's ear.

"i know!" old kan said in a gruff voice.

Only then did PEI Huan let him go. She spread out her small hands. give me the money. i'm going out to buy something."

Old kan looked at her deeply and felt that she was particularly good at it.

He walked out, took out his wallet from his pocket, and threw her a thousand Yuan in cash and a bank card. "take this. there's about a few hundred thousand yuan inside. i'll also buy a house as soon as possible. "

pei huan's face was blushing. she looked at old kan and suddenly leaned over to kiss him on the lips. " kanmingzhu, i will love you well in the future. i will be good. "

Chapter 895 you're not human when you're casual

On the other side, PEI Qiqi hung up the phone and was a little stunned.

old kan and pei huan were together, and it was not pei huan's one-sided love as old kan did not deny it.

something must have happened in between. pei qiqi could feel it.

She pursed her lips and was a little dazed.

Her body was in the warm embrace of a man. She struggled, " Tang Yu? "

"what are you thinking about?" Tang Yu put his face on her shoulder, " you're so lost in thought? "

pei qiqi couldn't break free from him, so she decided not to. she said softly, " "I want to go back to B city."

Tang Yu laughed, " I'm taking a private plane tomorrow morning.

PEI Qiqi turned her head around and looked at him, " old kan is in the hospital.

However, she knew in her heart that it should not be serious. Otherwise, he and PEI Huan would not be together.

but she really wanted to know what had happened.

tang yu looked into her eyes and analyzed her for a long time. then, he said, " "you seem to care a lot about him?"

"he's my master." PEI Qiqi pursed her lips.

Tang Zheng took her little hand and placed it on his heart. I'm your husband! pei qiqi, i'll get jealous if you do this."

"it's my ex-husband! mr. tang." PEI Qiqi corrected him, " also, don't touch me. You have a fiancée.

he chuckled and lowered his head to bite her little neck, deliberately hurting her. when she cried out in pain, he easily picked her up with both hands and put her on the large terrace.

The night was like a curtain. In the dark of the night, a man and a woman together, everything they did was particularly seductive.

he was only wearing a shirt, so when her fingers touched his shoulder, she felt a burning sensation.

When she stumbled to the terrace, her pajamas were pulled by him to her waist.

bo's small shoulders were so white that they almost glowed in the dark night. he lowered his head and nibbled on them, his voice a little dazed. | " qiqi, " chaos said, " you're not allowed to say such things in the future. "

"which sentence?" She placed her small hand on his shoulder and lowered her head to look at his black hair, panting.

tang yu's lips slowly moved up her delicate neck and kissed her lips. his voice was soft, but there was a certain strength in it, " pei qiqi, i never belonged to anyone. "

She looked at him with her lips slightly parted.

He suddenly grabbed her little hand and forced her to unbutton his shirt.

PEI Qiqi refused. She retracted her hand and said, " don't Wanwan.

"But I want to!" He held her firmly, and her gaze finally landed on his belt.

He pressed his forehead against hers and said softly, " Qiqi, we may not be able to be together like this every day when we return to B city!

He pressed his lips against hers as he spoke, causing waves of passion to surge.

PEI Qiqi was a little peeved, " I don't want to be with you.

"you do." He leaned forward. Qiqi, you can't lie to me.

He held her in his palm and said in an even more alluring voice, " "you desire me."

she pushed him away and bit her lip, " tang yu! I haven't thought about it. "

"then i'll think about it after i'm done!" He said shamelessly. Then, he picked her up and kissed her on the lips. do you prefer to be in bed? "

she punched him. " you're shameless. "

"if the sofa or the bathroom can make you happier, i'll cooperate." he was very magnanimous. no matter how much she argued with him, he always had a way to shut her mouth. while pei qiqi was still in a daze, she seemed to hear tang yu mumbling in her ear ...

'qiqi, i'm yours!

Chapter 896 You're not human when you're so casual (2)

In her daze, PEI Qiqi seemed to hear Tang Yu mumbling in her ear-

‘Qiqi, I’m Yours! Come back to my side!

She closed her eyes and felt a little guilty.

she had a very long dream. she dreamed of tang xin and dreamed that she called her qi qi.

Later, she dreamed of a little girl, jumping around with her back facing her. She wanted to hug her, but when the little girl turned around, it was Tang Xin’s face!

Tang Yu’s low and raspy voice was still in her ears, calling her name.

her long eyelashes trembled slightly. she opened her eyes gently and saw his magnified handsome face in a daze.

Panting slightly, he touched his forehead and found that it was covered in sweat.

she heard a slight sound and looked around, only to find that she was already on the plane.

PEI Qiqi suddenly realized that she didn’t do much in United States except sleep with Tang Yan for three days. He was indeed on business but the rest of the time was spent on making love with her.

Tang Yu leaned over and wore a three-piece, iron-grey, handmade suit. He looked at her deeply and suddenly laughed, ” ” pei qiqi, you even found out about the child’s existence and even signed a contract. ”

she glared at him.

He smiled and patted her. go take a shower in the bathroom. We’ll reach B city’s airport in an hour.

pei qiqi was stunned for a moment. she looked at her watch again in disbelief.

Tang Yu smiled, ” Qiqi, you’ve slept for 20 hours.

Of course, the first ten hours were because he had slept with her.

pei qiqi kept rewind her memory. then, her face turned red. she called him a beast and pulled the blanket away to the bathroom to take a stroll.

she pulled open her collar and saw that her neck was covered in hickeys.

what a pervert!

She splashed water on her face, not wanting to admit that she had been seduced by him.

in these three days, not only did he want it, but she also had a strong desire for him.

when they left, her face was still red. she pursed her lips and didn’t say anything. tang yu didn’t say anything either. he just arranged for dinner.

Not long after they finished eating, the private plane landed at B city’s airport. The sound of the plane cutting through the sky slowly glided and finally stopped.

Tang Yu carried her small luggage downstairs and let her help him to land.

there were a few cars parked in front of them. in the dark night, the golden goddess logo was shining.

tang yu stopped in his tracks. he turned around and looked down at pei qiqi. his voice was as gentle as the night, ” i’ll get old zhao to send you to the hospital later, okay? ”

pei qiqi lowered her head and didn’t say anything. after a while, she asked softly, ” ” tang yu, our child yingluo. ”

she raised her head and looked at him seriously. ” are you really still here? ”

His heart softened. His little one was so insecure.

He reached out and touched her face gently, his fingers rubbing her red lips. of course it’s true! Silly girl.”

She pursed her lips and looked up at him with a little hopelessness.

“there might not be many ways to meet like in the United States for the time being!” He finally reached out and pulled her into his arms. Her small face was pressed against his chest, and it was extremely warm.

“qi qi, i will wait for you here!” His large palm caressed her long hair, his voice gentle and hoarse.

at this moment, he hoped that his qiqi would be treated with gentleness by the whole world.

pei qiqi’s voice was a little muffled, ” tang yu, i didn’t say that i was with you. ”

He was still smiling gently and caressed her long, fluffy hair. isn’t that a loss? we’ve already slept together, what else can we do?”

Chapter 897 you’re not human when you’re so casual (3)

She didn’t say a word. They hadn’t been together for a long time. Even though they had slept together, she still felt that it wasn’t natural.

Seeing the hesitation on her little face, Tang Yan paused, ” PEI Qiqi, I don’t know when you became so open!

“without mr. tang’s generosity, he would have spent 100 million to buy a woman.” She glared at him and pushed him away, snorting coldly.”should i do the same? After all, I have the potential to become the richest man in the future.”

Tang Yu didn’t know whether to laugh or cry. She brought up the past again.

However, he actually liked it when she was throwing a tantrum.

he reached out and pinched her face. ” i may need you to take care of me in the future. please take care of me for the rest of my life, miss pei. ”

pei qiqi glared at him, ” tang yu, you really know how to be shameless to the extreme. ”

He was not angry. He smiled warmly and reached out to pull her into his arms. He lowered his head and kissed her. alright, Qiqi. Be careful!

She raised her head and looked at him.

although she was very stubborn and always said that she didn't want to be with him, now that they were going to separate and from tomorrow onwards, they would have to be strangers in front of others. he was even shen lian's fiancé. pei qiqi felt sad for no reason.

"Be good, be obedient!" He kissed her forehead again, his voice low and hoarse."our qi qi is the bravest."

"No way!" she bit her lip and looked up at his handsome face in the night. "i don't want to be brave."

i only want to be with you!

she didn't say this but tang mo understood!

After sending her to the car, he placed his hand on the car door. His handsome face was threatening as he smiled, " PEI Qiqi, remember, the child and I are the reward for clearing the level.

for some reason, pei qiqi bit her lip, " "I've already slept with you, so it doesn't matter if I have you or not."

He was still smiling. these three days are welfare! PEI Qiqi, don't you want to develop more prizes?"

Tears welled up in her eyes and it was very moving. Tang Yu leaned over and kissed her, " "be good, be obedient."

With that said, he was about to close the car door.

suddenly, a pair of small hands wrapped around his waist, and her small face was buried in his arms.

Tang mo was stunned for a moment before he smiled and hugged her. "Qiqi, you're not a child anymore."

But his voice was gentle, and that tone was clearly meant for the child.

PEI Qiqi didn't say anything and just hugged him tightly.

she closed her eyes. it was only when they were separated that she had a real feeling that they were really together again.

Her small face was pressed against his waist, and her fluffy hair was rubbing against him, making it a little itchy.

Tang Yu's voice was unbelievably gentle, " "alright, baby!" he ruffled her hair, and his eyes were a little hot.

He knew that this meant forgiveness.

"qi qi, i'm sorry!" She didn't ask, but he still said it.

Because the choice he made indirectly caused Tang Xin to lose her life, which was a difficult hurdle for Qiqi to overcome.

She was still in his arms and her voice was muffled, "Tang Yu, we will have many babies in the future. Each one of them will be called Tang Xin, okay?"

there would always be one who was the original.

she was silly. he called her a little fool in his heart, but he promised her verbally."okay, let's have more children."

"then why did you do a vasectomy?" Her small hand tugged at his belt and she said in a muffled voice.

tang yu laughed and patted her hand,"it doesn't affect my function, right?"

he paused for a moment,"pei qiqi, if it affects my function, then i'll go for surgery."

Chapter 898 Throw her out (part one)

"no, i didn't!" she was afraid that he would go for another operation and quickly said.

however, tang yu deliberately misunderstood her, "you mean you don't like to use T?"

"i didn't!" pei qiqi bit her lip-

he was really shameless. she took back her words!

he kept smiling gently and closed the door. old zhao drove the car away slowly.

Tang mo stood there, watching quietly under the night sky. At this moment, Xiao ran came from behind with a complicated expression. Rose Garden called, ran ran.

After that, she hesitated. Shen Lian is there.

under the night sky, tang yu's face was cold. he walked to a black rv, opened the door, and sat down. he closed his eyes, "back to the rose garden."

After getting back into the car, Tang Yu didn't say anything. Xiao ran sat in the front passenger seat and didn't dare to say anything either.

Even though Tang Yu didn't say anything, Xiao ran still chose to go. The scene later wasn't going to look good.

She was a woman, and she could still be of use sometimes.

Tang Yu's expression was as dark as water.

The black RV drove very fast, cutting through the dark night, and it seemed to have torn a hole in his heart.

Tang Yu took out his phone and called Rose Garden. His voice was calm, "don't let shen lian go upstairs."

The maid's voice trembled. miss Shen has already gone upstairs. She's making a fuss now.

"i know." Tang Yu put down the phone and his expression darkened, " drive faster.

The driver smiled bitterly. He was already very fast!

But he still gritted his teeth and stepped on the gas.

an hour later, the car stopped in front of the rose garden mansion. as soon as the car stopped, tang yu got out of the car and xiao ran quickly followed.

As soon as she reached the hall, she heard the sound of things breaking upstairs.

The maidservant shivered. miss Shen is upstairs. We don't dare to go over.

Tang Yu was about to go upstairs when Shen Lian appeared on the stairs. She was dressed in black but her lips were bright red. She looked like a vengeful goddess in the dark.

she lifted her chin and looked at tang yu. her expression was cold, " you're finally willing to come back? "

Tang Yu's eyes were even colder than hers. who let you in? "

Shen Lian's Red lips curved into an arrogant smile, " Tang Yu, can't I come? "

Her voice was extremely soft. I'm your fiancée. Why can't I come? "

" i know. this place is filled with sweet memories of you and pei qiqi. how can an evil supporting actress like me come here? " she was overjoyed. she laughed coldly, " so what? so what if pei qiqi is back? i am still your fiancée. "

"no one said you weren't." tang yu's voice was calm.

It was as if Shen Lian's punches were hitting cotton.

Her tears suddenly flowed down, and she was completely ignored. That was probably what happened.

No matter what you do, he won't be happy, nor will he be unhappy.

shen lian's tears flowed, but she still had a proud expression on her face. " then, as your fiancée, i have the right to do anything to your precious little seven. "

Tang Yu's dark eyes locked onto her. His originally calm eyes were now filled with a storm.

"Are you afraid?" shen lian's face was twisted, " i think that now that pei qiqi is back, this fake one is no longer needed. so ... "

her voice was very soft, very soft, like the kind that was used to coax a child to sleep. " so i killed it! However, she didn't have any life in the first place, did she? she's just a substitute, a substitute for that b * tch!"

Chapter 899 Throw her out (2)

"She can't talk!" shen lian laughed with tears in her eyes. her tears were filled with hatred for him. " she's fake, just like my foot. "

She raised her leg, and her long dress slipped down to her feet, revealing half of her high heels. She laughed wildly and teased,

this foot, no matter how realistic it is, no matter how good the shoes I wear, no matter how flat and steady I walk while enduring the pain, it's not real. her eyes opened wide and she looked at tang yu, " "Even I feel disgusted by myself."

"And all of this is thanks to you." Shen Lian's voice became somewhat hysterical. Her entire body trembled violently and she was in a frenzy,"So, I broke your precious."

tang yu looked at her teary face and her crazy expression. he stared at her and said, " throw miss shen out! "

Xiao ran, who was behind him, felt a little awkward. After all, she was his fiancée in name. It wouldn't be nice to throw her out!

Tang Zheng saw that no one was moving and his voice was deep. throw her out!

shen lian was dumbfounded. her pupils violently contracted as she could not believe what she had just heard!

Tang Yu, you can't do this to me! she screamed madly as two men grabbed her and dragged her downstairs and outside.

The maidservant was a little frightened, and her voice trembled. Sir, we didn't know that miss Shen would do this.

tang yu didn't say anything. he slowly walked up the stairs. xiao ran thought about it and followed him.

when they reached the second floor, they were stunned. they destroyed everything they could, including tang yu and pei qiqi's wedding photos.

there were also some women's clothes that were torn beyond recognition. one look and one could tell that they were pei qiqi's.

Tang Yu stepped on a room full of debris. His voice was soft, " little seven.

In the quiet, broken space, a sound that sounded like gears turning came over, followed by a weak voice. dad, dad ran ran.

Tang Yu's heart tightened. He pulled apart a few pieces of torn clothes and found little seven.

little seven is no longer the original little seven, sob sob.

She was missing a foot.

Tang Yu's heart tightened and a murderous intent appeared in his eyes.

little seven lay there and reached out her hand. " daddy, carry me. "

tang yu closed his eyes in pain and reached out to pick little seven up.

qi qi was back, but xiao qi was his only comfort during the darkest time of his life. to him, xiao qi was not a substitute, but another man with small eyes.

He hugged little seven and looked at her in his arms, blinking his eyes.

Machines didn't feel pain, but at this moment, little Seven's expression still broke his heart.

Tang Yu turned off little Seven's phone and touched the place where she was missing a leg. He carried little seven with one hand and called the R & D Manager of Marvel, " manager Lin, Hello.

Manager Lin came over that very night and personally carried Tang Yu's precious baby away. He also promised that he would fix her up and return her to her in perfect condition.

Manager Lin left and Tang mo stood in front of the floor-to-ceiling window, quietly smoking.

Xiao ran still did not leave. She carefully instructed the servants to clean up the floor, but she was still undecided. She toughed her hair and asked, " "president, these clothes on the floor."

"Just throw it away!" There was no point in tearing it apart and keeping it.

tang yu turned around and looked at the giant photo on the ground. he walked over and picked it up. he removed the fragments and handed it to xiao ran, " "Find the best master to fix it."

Chapter 900 Throw her out (3)

xiao ran nodded and cleaned up the place. she then ordered someone to relay the bed sheets. she knew that tang yu slept on this bed every day. although it wasn't as clean as before, he didn't easily change his bed. so, she decided to set it up tomorrow.

After Xiao ran left, Tang Yu turned around. His cold face was even more hostile than before.

shen lian had crossed his bottom line.

He stretched out his hand and dialed a number. It was the hacker codenamed 'King'.

"Find that man!" As he said this, there was a trace of cruelty on his face. let Shen Lian do more things. Also, take some recent photos of her. Make them more interesting.

'The king' agreed. Tang Yu hung up the phone and his face darkened.

shen lian was thrown out and fell on the ground. beside her was her red sports car.

she sat on the ground and looked up at the main house in the dark. she was like a giant who was about to swallow the dark night.

It was also something she could only look forward to but not reach.

Shen Lian laughed. Her cold tears were unpitiable in the dark night.

Tang Yu didn't like her that much?

he gave all the best to pei qiqi. he didn't even care about her feelings and interviewed her again and again.

Once THE ONE was released, it would have a great impact on Jin Taihe's manliness.

The "MAN" was used to represent the fashion God and the upstart of the entertainment industry, but THE ONE was a handsome and Noble business elite. He would reveal the private lives of these elites. After weighing the pros and cons, it was obvious which side had the advantage.

Shen Lian knew that these elites would have a high amount of traffic. their fans would become the daughters of the upper-class society. their spending power would be different from that of ordinary fans.

He was deliberately going against her, so he was supporting PEI Qiqi.

Shen Lian did not regret today's matter at all.

this was what he deserved. the pain in his heart was less than one-ten-thousandth of hers.

Her eyes were filled with pain and unwillingness.

.....

pei qiqi arrived at the first hospital of B city late at night.

She was travel-worn and after being tormented by Tang Yu for three whole days, her legs and waist were sore. She was also worried about old kan, so she didn't stop to go to the hospital.

After asking the nurse about the ward, he went over and pushed the door open.

the moment she opened the door, she saw pei huan and a handsome man cuddling on the bed. pei qiqi looked at the door plate. there was no mistake. it was old kan's single ward ...

But where did this man come from?

pei qiqi's eyes were on fire as though she had caught pei huan in the act. she walked over and pulled pei huan's ear, " "where's old kan?"

And didn't you say that you slept with old kan? Now, she was having an affair in old kan's ward!

PEI Qiqi felt that PEI Huan was too much and wanted to beat her up.

He picked up PEI Huan and was stunned again.

dear mother, ran ran, this is a ward. pei huan is wearing too little.

those thin black straps ... was he playing with them?

pei qiqi was a woman. she would vomit blood if she saw this!

"lian mingzhu, why aren't you saving me?" pei huan's voice had a hint of sadness.

pei qiqi was stunned. then, she glared at the handsome man in his thirties and widened her eyes, " "old kan?"

old kan touched his smooth chin. " "Can I still take a look?"

PEI Qiqi was dumbfounded for a long time before she squeezed out a sentence, " " it looks like you're fine. you're in good shape and your body is in good shape. "

“Do you want me to wait outside for a while longer?” he asked PEI Huan with a smile.
