Chapter 91

91 She's mine (1)

tang yu knew that he lost control last night and this loss of control came from jinrong xuanji.

He had been successful since he was young. Other than Tang Zhiyuan and Lin Yun's broken marriage, he didn't have anything to envy others about.

But last night, he had a taste of jealousy. He was actually jealous of jinrong Xuanji.

Perhaps jinrong and PEI Qiqi didn't show it too much. She was always very restrained.

However, as a man, he could still sense that Yingluo was a man.

After tying his tie, he bent his knees and half-knelt in front of her. Her long eyelashes fluttered unnaturally.

tang yu reached out and touched her little ear, " i'll go to work first. "

pei qiqi didn't move. he smiled gently and placed his thin lips on the soft flesh behind her ear. he took a small bite and muttered, " "There's still time. Let's do it again before we leave."

She immediately opened her eyes and looked at him with a gaze that made one's hair stand on end.

" i've helped you apply for leave. auntie li was here too. i'll heat up your breakfast later. " He kissed her forehead and ruffled her hair.

pei qiqi knew she was tricked. she stared at him and stammered.

this was the first time she acted like a child in front of him. tang yu's heart softened. the unhappiness from last night also disappeared. he pinched her soft little face, " if you keep looking at me like this, i won't let you off. "

PEI Qiqi pulled the blanket all the way below her eyes. Tang Yu found it a little funny.

He kissed her and said, " if you're tired this afternoon, you don't have to go to the office.

she shook her head and her eyes were wide open. he finally kissed her eyelids and said, " i'm leaving. "

his voice was a little hoarse. he knew in his heart that if he stayed any longer, he probably wouldn't be able to leave.

When Tang Yu walked out the door, he lifted his hand to check the time. It was already 9 pm. Usually, he would be in his office by now.

when he arrived at sheng yuan, it was already 9:30 am. he walked to his office with xiao ran following behind him. as he walked, he handed over some documents and explained to xiao ran.

tang yu walked behind his desk and sat down. he casually threw his jacket on the back of his chair and began to read some documents.

his gaze fell on the last line, and his handsome brows furrowed. ” who suggested this? ”

Xiao ran bent his body and said softly after seeing it, ” “It was proposed by Mr. Tang.”

Tang Zhiyuan?

although tang zhiyuan had abdicated, he still retained 20% of sheng yuan’s shares.

tang yu had 40% and lin yun had 10%.

After Xiao ran finished speaking, Tang Yu didn’t say anything else. He scanned through the documents, stood up, and walked out the door. Xiao ran immediately followed.

In the meeting room, Tang Zhiyuan and Lin Yun had already arrived. There was also a group of small shareholders.

what caught tang zheng’s attention the most was that zhao ke was sitting next to tang zhiyuan.

Tang Yu nodded at Lin Yun and sat down. This made Tang Zhiyuan feel bad. This son of his treated him like he didn’t exist.

Tang Zhiyuan’s anger was mixed with helplessness. However, Zhao Ke was even more upset. She had been married to Tang Zhiyuan for more than ten years, but Tang Yu had never looked at her in the eye.

Originally, Tang Zhiyuan didn’t want to bring her along. It was Zhao Ke who insisted on coming. She knew that old woman Lin Yun would come, so she had to watch her closely.

How could she not know that Tang Zhiyuan couldn’t forget his ex-wife? even in his dreams, he would call out ‘Yunyun’ twice. Zhao Ke was disgusted.

at this time, lin yun was sitting opposite tang zhiyuan. tang zhiyuan also looked at her from time to time. zhao ke felt very uncomfortable. she was like this when she was here. she didn’t know what she would be like when she wasn’t here.

Chapter 92

92 She’s mine (2)

Tang Yu sat down and Xiao ran distributed the information. They then discussed the plan for the second half of the year.

the minority shareholders were divided into a few factions. most of them supported tang yu. some of them were either tang zhiyuan’s old subordinates or lin yun’s direct descendants. when no one had any objections, the atmosphere was great. but once lin yun and tang zhiyuan’s opinions differed, the atmosphere became lively. this was one of the main features of sheng yuan’s shareholders ‘meeting. it had been going on for more than ten years.

They had a two-hour meeting in the morning. During the lunch break, Tang Yu invited Lin Yun to eat at a restaurant outside. Tang Zhiyuan looked at them for a long time before sighing. He left with Zhao Ke unhappily.

tang yu chose a very elegant chinese restaurant. lin yun held an exquisite cup and sipped her tea. after a while, she put down the cup and looked at tang yu, ” “your father called me last time to question me about that girl, hanhan.”

actually, she didn't take it to heart. she more or less knew about tang yu's 'problem' in that aspect. Also, that day at jinrong's engagement party, Tang Yu didn't officially introduce PEI Qiqi to her. She thought it was nothing, but Tang Yu's actions didn't seem to indicate that.

Her son had never been a high-profile person. Even though he had a relationship with Shen Lian before, very few people in the outside world knew about it.

Tang Yan was refilling Lin Yun's tea. He paused when he heard her. He put down the teapot and smiled. mom, I'll bring Qiqi to see you another day.

Lin Yun had a plan in her heart. Although it wasn't convenient, she coughed lightly and asked, "you guys are living together?"

this was what tang zhiyuan told her when she arrived today.

she was a little surprised, so she had to ask.

Just then, the waiter served the dishes. Tang Yu placed the dishes for Lin Yun and very calmly mumbled, "MMH!"

Lin Yun then knew that Tang Yu and PEI Qiqi slept together.

she heaved a sigh of relief and didn't ask further. it was a rare meal with her son, and it was quiet and warm.

However, the meeting in the afternoon wasn't as heartwarming, Yingluo.

Tang Zhiyuan saw that Tang Yu had the intention to end the meeting, so he said, "We haven't discussed my proposal to acquire the PEI family."

As he spoke, he stared at Tang Yu's young face.

In the company, Tang Yu never gave him any face. Tang Zhiyuan knew that Tang Yu still hated him for abandoning Lin Yun. But at that time, he didn't have a choice. If he didn't marry Zhao Ke, Zhao Ke would have jumped off a building to die.

Tang Yu's gaze slowly fell on Tang Zhiyuan's face and he smiled, "I don't think a conservative company like the PEI family is worth Sheng Yuan acquiring.

"tang yu, you know very well that the real intention of acquiring the pei family isn't that company but that piece of land!" tang zhiyuan didn't give up. instead, he was a little aggressive.

Beside him, Zhao Ke's fingers were tightly gripping the darling.

she was the one who proposed to tang zhiyuan to acquire pei enterprise.

If she destroyed the PEI family, PEI Qiqi would never have the chance to step into the Tang family. Even Lin Yun's old man, Lin Yue, would not agree to this.

Although Tang Yu was only taking care of PEI Qiqi, she was worried about Qianqian. She couldn't let PEI Qiqi have the chance to stand by her side.

tang yu's body slowly leaned back in his chair. his good-looking thin lips curved into a mocking smile, " " from what i know, the pei family has been doing well recently. it won't be easy to acquire them. "

Chapter 93

93 she's mine (3)

Tang Zhiyuan wanted to vomit blood. Of course, he knew that the reason why Pei Minghe was able to come back to life was because of Tang Yu's great contribution. In fact, it was more or less because of Tang Yu's help later on.

However, these could not be said in public.

tang zhiyuan looked around and said slowly, " "Since that's the case, we can only vote,"

tang yu didn't say anything. tang zhiyuan was the first to raise his hand, " i agree to acquire the pei family. "

Then, a few other shareholders followed him and raised their hands to make a move.

Zhao Ke's heart was relieved, but Lin Yun immediately said indifferently, " I don't agree.

tang zhiyuan looked over and lin yun repeated, " My opinion is the same as Tang Yu's.

"yunyun, this isn't the time to be acting on impulse." Tang Zhiyuan subconsciously called her by her nickname.

lin yun was a little annoyed, while zhao ke was embarrassed. her beautiful face was a little pale, and she hurriedly called zhiyuan xuanji.

Tang Zhiyuan returned to his senses and looked a little uncomfortable. He coughed lightly and changed his tone. director Lin, this concerns Sheng Yuan's future.

Lin Yun sneered, " I believe in Tang Yu's judgment.

It wasn't easy for Tang Yu to sleep with a girl. Now that he was buying over PEI group, how could he still sleep with her?

As a mother, she only wanted her son to be happy.

when lin yun was young, she put her career first and ignored her family. it was only after she lost it that she realized that money wasn't that important.

tang zhiyuan was a little angry, but he understood what lin yun was thinking.

However, he didn't approve of this matter. It was fine if she was just putting on an act, but if she really wanted to marry her, the PEI family's status was far from enough. Moreover, PEI Qiqi was only an illegitimate daughter.

he was on the same side as zhao ke on this matter.

Tang Zhiyuan's gaze swept across the crowd. He wanted to get more support.

in fact, everyone knew that there were only benefits to taking over the pei family. there were no disadvantages.

probably because the benefits were too tempting, some people also raised their hands one after another.

at this moment, the company's largest shareholder besides the lin and tang families, who were also the company's vice president, zhao yi, said indifferently, " I'm against the acquisition. The PEI family is about to form an alliance with the Lin family's Rongguang, and Sheng Yuan is still connected to Rongguang. This will hurt our relationship with Rongguang.

Tang Zhiyuan was stunned. He didn't think about this. He couldn't help but look at Lin Yun.

Lin Yun didn't show any emotion on her face, as if Zhao Yi's words didn't affect her.

Zhao Yi's words carried weight in the company. With his support, Tang Zhiyuan's proposal became somewhat insignificant. The result was left unsettled.

tang yu had a veto vote but he wouldn't use it so easily. otherwise, it would seem like he was arbitrary.

As soon as Zhao Yi said that, he looked at him again. Tang Yu remembered that in the previous meeting, Zhao Yi had proposed to acquire the PEI family. At that time, PEI Minghe's company only had one breath left.

Zhao Yi also noticed Tang Yu's gaze. He smiled but didn't say anything.

when tang zhiyuan left, he was a little unwilling, but the situation was already over and there was no other way.

The most important thing was that he was still afraid that Lin Yun would misunderstand. His original intention was to get rid of PEI Minghe, but he accidentally hurt his ex-wife's heart.

His eyes were fixed on Lin Yun, but Lin Yun didn't pay attention to him. She left after saying a few words to Tang Yu. In the end, it was Zhao Yi who sent her to the elevator.

Chapter 94

94 she's mine (4)

tang yu retracted his gaze and looked at tang zhiyuan's face for a moment. he didn't even look at zhao ke, just like how he always did.

zhao ke still wanted to say something, but tang zhiyuan stopped her. " let's go! "

in the elevator, zhao ke's expression was a little ugly. she couldn't help but say to tang zhiyuan, " zhiyuan, are you going to just watch tang yu and that illegitimate daughter be together? "

Tang Zhiyuan was also annoyed. He closed his eyes slightly and ignored Zhao Ke's words.

"zhiyuan!" zhao ke's hand was half-hugging his arm, and her voice revealed a hint of dissatisfaction.

Tang Zhiyuan opened his eyes and glanced at Zhao Ke. He said slowly, " it's normal for men to put on an act. You don't have to be so nervous.

zhao ke's voice was a little sharp, " they're already living together. tang yu didn't even try to avoid the media. how could he just be putting on an act? "

Tang Zhiyuan looked at her deeply. His gaze was a little hard to read.

zhao ke knew that she had made a slip of the tongue, so she pursed her lower lips and carefully said, " "i'm doing this for his own good,"

Tang Yu has his own mother! Tang Zhiyuan said in a neutral tone.

Zhao Ke's eyes immediately turned red and she turned her face to the side, " Tang Zhiyuan, I know you can't forget Lin Yun. You couldn't help but call her Yunyun just now. Why don't you just remarry with her? I'll move out with Tang Xin. Anyway, Tang Xin's health isn't good, and you don't like it.

As soon as she mentioned Tang Xin, Tang Zhiyuan's heart softened a little.

Tang Xin was a well-behaved and sensible child, unlike Zhao Ke who was so willful.

tang zhiyuan felt a little guilty about his younger daughter. it was probably to punish him for his dissolute nature, so tang xin was born sick. it was a miracle that she was still alive.

"Alright, I know what you're thinking!" tang zhiyuan coaxed her. he thought that zhao ke just wanted to build a good relationship with tang yu. even if tang xin wasn't around, she would still have a place in huahua.

However, he had never expected that he would never be able to guess Zhao Ke's thoughts.

Only then did Zhao Ke feel happier. She pulled Tang Zhiyuan's hand. I heard that the girl has been transferred to the design department. Aren't you going to take a look? "

Tang Zhiyuan thought about it. All these years, Tang Yu didn't get close to women. He did want to meet a girl that could make Tang Yu break his rule.

when the 'retired emperor' patrolled, everyone was naturally respectful. only now did zhao ke feel that she was being respected.

She was like the mistress of Shengyuan, holding Tang Zhiyuan's arm as she patrolled the floor.

pei qiqi arrived at the company before 3 am. she wasn't busy in the design department and no one told her to do anything. she was free to do whatever she wanted. however, she knew that this was a rare opportunity so she tried her best to observe the work of the great gods without disturbing others.

tang zhiyuan and zhao ke walked in and the first person they saw was pei qiqi.

Her beauty was the kind that could be seen at a glance in a crowd, just like Zhao Ke's beauty in her youth.

Besides her beauty, PEI Qiqi also had an aura that Zhao Ke didn't have.

tang zhiyuan had to admit that his heart, which no longer sped up for any beautiful woman, missed a beat when he saw pei qiqi. his eyes were almost greedily looking at pei qiqi's side profile.

She was a really beautiful girl.

It wasn't surprising that Tang mo would be moved. Even if he was ten years younger, he would probably get it regardless.

Tang Zhiyuan's focus made Zhao Ke very uncomfortable. She never wanted to see PEI Qiqi. She never thought that Tang Zhiyuan would see PEI Qiqi. However, she wanted to use Tang Zhiyuan to get rid of her Xuanji.

Chapter 95

95 she's mine (5)

"you're pei qiqi, right?" tang zhiyuan spoke lightly.

pei qiqi raised her eyes and saw tang zhiyuan and zhao ke by the door.

her face suddenly turned pale. in tang zhiyuan's eyes, he thought that this girl was just feeling guilty. he didn't know that it was because of zhao ke.

Just like that, PEI Qiqi subconsciously stared at Zhao Ke. Zhao Ke was a little angry and her face was cold.

After a long time, Tang Zhiyuan coughed lightly. you're with Tang Yu, right? "

the moment she asked, everyone in the design department looked over. although this was an open secret in sheng yuan, no one had ever said it because pei qiqi kept a low profile and never put on airs as tang yu's woman.

she didn't look like a mistress. after all, which woman would come to be an intern?

on the other hand, no one in sheng yuan liked zhao ke. she was just a mistress, yet she was acting all high and mighty here. did she have any shame?

PEI Qiqi came back to her senses. She looked at Tang Zhiyuan's face and found a sense of familiarity. Then, she thought about Zhao Ke, who was beside her. He must be Tang Yu's father.

She nodded slightly and did not deny it.

Tang Zhiyuan sighed. She was such a beautiful girl, but he didn't know what to do.

At this moment, Zhao Ke raised her voice and said, " manager Chen.

manager chen immediately stepped forward. " mrs. tang. "

Zhao Ke's expression was stern. when did Sheng Yuan start pulling strings? how can an undergraduate work in the design department? "

Manager Chen was put in a difficult position. This was completely up to the president's decision, but he couldn't just ignore Mrs. Tang's current condition.

He muttered to himself. To PEI Qiqi, this was embarrassing.

however, the only thing she could feel right now was zhao ke's embarrassment towards her.

This woman had abandoned her, and now she could no longer tolerate her?

This was her mother, but she hated her more than any stranger.

pei qiqi laughed lightly, " mrs. tang, what kind of qualifications do you think i need to be in sheng yuan? "

zhao ke was stunned by the question.

she had been dealing with different men all her life, so she knew nothing about the work world. now that she was being asked, she couldn't help but feel a little angry.

His voice was cold, " manager Chen, fire PEI Qiqi immediately.

manager chen was put in a difficult position. he didn't have the right to make a fuss.

Just then, a deep voice came from the door. who is Mrs. Tang to Sheng Yuan? " What right do you have to fire my employee?"

the person who entered was tang yu, followed by meng qingcheng.

meng qingcheng shrugged his shoulders and stood to the side to watch the drama between xuxu and tang yu and his little step-mother. sigh, in the past ten years, they didn't really get into a fight. was he going to start a war for pei qiqi this time?

zhao ke's heart felt as if it had been pricked by a needle.

tang yu didn't even call her 'auntie'. now, calling her mrs. tang was even more humiliating.

zhao ke's lips trembled as she said, " i'm married to your father! "

tang zheng glanced at tang zhiyuan and the expression in his eyes became colder. " " that's between you and him. mrs. tang, you have nothing to do with sheng yuan. how did you get into the shareholders 'meeting? "

he directly pointed the finger at tang zhiyuan.

tang zhiyuan originally wanted to say a few words for zhao ke so that tang yu would show some respect. but now that he was being scolded, he could only rub his nose and not say anything.

zhao ke was so angry that her whole body was shaking. she had never been pointed at and humiliated like this before. she was his stepmother. no matter how dissatisfied he was, he had to give her some face outside.

Chapter 96

96 Pampering her like a baby (1)

Tang Yu pulled PEI Qiqi over and placed her in front of him, " I arranged for PEI Qiqi to work in the company. If Mrs. Tang wants to fire her, shouldn't you fire me as well, the president, Zhenzhen? "

zhao ke was stunned. tang yu's last sentence was very serious.

she looked at him in a daze, and then unconsciously called out to zhiyuan xuanji.

Tang Zhiyuan sighed. Zhao Ke, let's go!

Although he still held 20% of the shares, he didn't hold a position in Sheng Yuan and didn't have any management power.

Zhao Ke is too anxious today, Yingluo.

Zhao Ke looked at PEI Qiqi in Tang Yu's arms in a daze.

PEI Qiqi's eyes were cold as she looked into her eyes.

zhao ke's heart trembled as she muttered, " "she's the qianqian who's here to collect debts, qianqian who's here to collect debts"

tang zhiyuan didn't hear her clearly, but pei qiqi could tell from the shape of her lips. her little face was pale and dazed.

In the end, it was Tang Zhiyuan who pulled Zhao Ke away.

zhao ke was in a daze and kept muttering, "that child is wanwan who came to collect debts."

Otherwise, how could he have such a pair of eyes?

when they got into the car, tang zhiyuan turned his head and looked at zhao ke. he couldn't help but say, " you're too anxious. "

zhao ke's mind cleared up a little. she looked at tang zhiyuan and her voice was a little hoarse. " you also think that i shouldn't interfere with the company's affairs, right? "

tang zhiyuan looked at her for a long time. he reached out and held her hand. then, he said slowly, " i know you're not happy that i've retired these past few years, but zhao ke, tang yu is my only son. i've already let his mother down and i can't let him down again. i'm not a good father, but i don't have the final say in shengyuan. "

zhao ke pulled her hand back and smiled. " i know. you and lin yun fought for shengyuan together. of course, you won't pass it on to outsiders. "

she lifted her head again and said unwillingly, " tang zhiyuan, so all these years, you didn't let me have another child because you were afraid it would threaten tang yu's position? "

tang zhiyuan was stunned. he didn't want to talk to her anymore. he didn't want to have a child because of tang xin.

tang xin's health wasn't good, so he hoped that zhao ke could have more time to accompany her.

However, Zhao Ke didn't understand why he didn't care about his assets.

He thought of his ex-wife, who never fought for anything. When she was with Lin Yun, it might be plain, but it was also comfortable.

Over the years, Tang Zhiyuan had regretted it, but for Tang Xin's sake, he never showed it.

he closed his eyes and pei qiqi's little face appeared in his mind. in the past, zhao ke was also this fresh and beautiful. she was also this cute.

Over at Qianqian's side, PEI Qiqi was still standing in the design department. Tang Yu lowered his head and looked at her for a while. Then, he suddenly said, " PEI Qiqi, come to my office.

She suddenly looked up at him, a little helpless.

Tang Yu was already at the door. After a few steps, he suddenly turned back and stammered.

The employees who were watching the show immediately lowered their heads and pretended to be very busy (I wasn't watching the boss's excitement)

"Still not leaving?" his voice was a little deep and a little hoarse.

pei qiqi bit her lower lip and followed.

when she walked to him, tang yu reached out his hand and wrapped it around her shoulder in front of everyone.

In the past, many people would think that PEI Qiqi was Tang Yu's woman. But now, no one would think that way anymore.

Chapter 97

97 pampering her like a baby (2)

At the very least, the president cherished PEI Qiqi.

Otherwise, he wouldn't have come here to help her and take her away.

PEI Qiqi raised her eyes. Her entire body felt the warmth of his big palm on her shoulder. He held her shoulder and brought her outside.

Everyone in the design department saw the CEO pull PEI Qiqi into his arms as they walked out of the door.

It was as if he was hugging his precious little baby.

what kind of pampering did he have to do this?

Tang Zheng lowered his head. His voice was a little light but also a little hoarse. you're still not happy? "

pei qiqi's heart was a little wet. she slightly turned her face away, " no. "

the next second, she felt a kiss on her forehead. tang yu's voice came from above her head, " "i've already kissed you!" as he spoke, he rubbed her hair. pei qiqi felt her heart beat faster and she couldn't describe it.

She looked up and did not realize that she was still in his arms.

Later, when she was brought to his office, Tang Yu didn't say anything. He didn't even explain his relationship with Zhao Ke. He just let her stay in his office. Occasionally, he would say a few words to her. Most of the time, he would ask her to pour him a glass of water or get him some documents.

pei qiqi stayed up until 5 pm. seeing that he didn't look like he was going to get off work, she walked over to him.

Her small hand gently tugged on his sleeve.

“what’s wrong?” tang yu smiled at her actions but didn’t show it on his face. this little guy didn’t even know how cute her actions were.

PEI Qiqi opened her mouth and her voice was a little hoarse, ” “I’d like to go back first,”

If it was any other time, Tang Yu probably wouldn’t agree. She could eat and read here, but after what happened today, he figured she probably needed some private space. Plus, he wasn’t the type of man to keep an eye on his woman all the time.

hence, he nodded. ” be careful when you go back. ”

“I’ll be back around eight o ‘clock. Make me some noodles,” he added.

pei qiqi acknowledged him, picked up her bag, and walked towards the door. she didn’t need to wear her uniform anymore and didn’t need to change her clothes on the road. she was wearing a refreshing dress and had her hair tied into a ponytail. she looked like a young girl.

When she reached the door, Tang Yu suddenly called out to her, ” Qiqi, you’re so cute.

PEI Qiqi’s fingers were on the doorknob as she turned her head to look at him.

tang mo held his tie and left his seat to walk towards her.

He stood still.

She looked at him and thought that he wanted to kiss her. After all, he really liked to kiss her recently.

However, he only reached out to stroke her little head and shook his head. “it’s still too small!”

pei qiqi immediately lowered her head and looked at her chest.

“This place isn’t small, it’s just right!” his voice was a little hoarse, and her face was red beyond words.

it was too detestable.

Tang Yu laughed, ” I’ll get the driver to send you.

don’t be in a daze. she looked up at his smiling face and lowered her head in a panic.

Tang Yu’s voice deepened,”be good.” &Nbsp;

PEI Qiqi bit her lower lip, ” I don’t want to listen.

“what are you talking about?” He pulled her little body and teased her with a faint smile.

even though he was smiling, he still had the dignity of a superior. pei qiqi shrugged, ” no. ”

with one hand still holding onto her, he took out his phone from his pocket with the other and dialed meng qingcheng’s number. ” “Arrange for a driver to wait on the first floor.”

98 pampering her like a baby (3)

meng qingcheng was a little confused. ” you didn’t drive here? ” besides, he didn’t have much to do right now.

Tang Yu looked at PEI Qiqi and smiled, ” a little kid wants to go home first.

the child teased meng qingcheng on the other end of the phone. he felt like he was going to explode.

tang yu was treating pei qiqi like his own daughter.

tang yu put away his phone. pei qiqi’s fingers retracted but he held them tightly. he said calmly, ” i’ll send you down. ”

because of what he had said earlier, she didn’t dare to refute him. she only looked at his slender and good-looking hand that was still holding hers.

“what’s wrong?” his smile was very warm, and then he led her outside.

He had been holding her hand the entire time, from the top floor to the first floor, and he had never let go.

The first-floor Hall was the most crowded after work, but it was especially quiet today.

everyone was looking at the young lady that their ceo was holding.

pei qiqi was uncomfortable. her little hands struggled for a long time but she couldn’t break free. her face was slightly red and she drooped her little face. even her ears and the chubby back of her neck were slightly red. she looked especially attractive.

the car was already parked at the entrance. tang yu brought her over. the driver got off the car and opened the door for pei qiqi. before pei qiqi could get in, tang yu pulled her into his arms and kissed her.

The employees of Sheng Yuan cheered up MA Lisu again.

PEI Qiqi now understood why he was doing this. She looked up and said in a soft voice, ” Tang Yu, you did it for Hanhan.

” there’s no reason. it’s because i want to kiss you. ” he smiled and reached out to stroke her little head. then, he sent her to the car and closed the door.

the chauffeur nodded and walked to the front to start the car.

tang yan watched the car leave before returning to sheng yuan. from that day on, all the employees of sheng yuan knew that pei qiqi was the president’s girlfriend. she was the type that they liked very much.

PEI Qiqi sat in the car and returned to her apartment in Xia city. In the car, she saw Zhou Meilin pacing back and forth at the door.

“Let’s stop here!” “I want to take a walk,” PEI Qiqi said softly.

the driver saw that they had arrived at the entrance of the district and stopped the car cooperatively. pei qiqi got off the car.

after the car left, she turned her head and looked at zhou meilin.

At this time, Zhou Meilin walked over a little embarrassedly, and her voice was a little strange, "that car just now was not bad.

although the pei family was not bad, they had never bought a car that cost tens of millions.

PEI Qiqi didn't care about her weird tone and asked directly, "is there something?"

she doesn't even call me Auntie anymore. She's become a rich lady after all. Zhou Meilin was jealous of PEI Qiqi.

pei qiqi's eyes were a little cold. she carried her bag and walked into xia city. however, zhou meilin wouldn't let her in. the security guards in this area were inflexible. they wouldn't let her in no matter what. that was why she waited for pei qiqi at the entrance.

Now that she saw PEI Qiqi enter, Zhou Meilin's mouth softened, "Qiqi ah, Auntie came to find you for something of course!

She looked around the neighborhood and said in an even more sarcastic tone, "It's rare for Auntie to come here, let's talk inside!"

pei qiqi stopped two to three meters away from zhou meilin. her expression was cold, "If you have anything to say, say it here. This is not my home."

if she could, zhou meilin wanted to tear pei qiqi's clothes apart.

But now, she needed PEI Qiqi's help so she held it in. She took two steps forward and looked around before saying, "It's PEI Huan's matter."

Chapter 99

99 PEI Qiqi, I want a hundred million (1)

PEI Qiqi didn't say a word so Zhou Meilin decided to just say it, "PEI Huan is pregnant and she has to get married. Otherwise, she won't look good if her stomach gets big. Xuanji's family is famous and our PEI family can't be too shabby. You know about your dad's company. It's still half-dead and we can't have any spare money, so Xuanji "

"so, auntie, are you going to sell me again?" PEI Qiqi interrupted Zhou Meilin. Her voice was cold.

Zhou Meilin was a little annoyed, and her face darkened, "pei qiqi, are you just going to watch and not do anything? Huanhuan is your sister!"

she's your daughter too. Auntie, if you really care about her, you have to think of a way! pei qiqi was disgusted. pei huan was a human, but she wasn't?

zhou meilin's face froze and so did her voice, "i only asked you and tang yu to speak. 100 million is like a drop in the ocean to him. pei qiqi, you're so disappointing. you've been eating and using my money since you were young. which part of you isn't the same as pei huan's? "

The more PEI Qiqi heard, the colder her heart became. She looked at Zhou Meilin's twisted face and sneered, "the biggest difference between me and PEI Huan is that our mothers are different!"

zhou meilin narrowed her eyes. anger rushed to her brain and she temporarily lost her mind. she raised her hand and wanted to slap him.

PEI Qiqi didn't manage to Dodge in time but Zhou Meilin's hand was caught by a big hand and thrown to the side.

zhou meilin took a few steps back and almost fell. after she steadied herself, she realized it was tang yu.

they didn't know when tang yu's car stopped beside them. pei qiqi and zhou meilin didn't even notice him when he got out of the car.

At this moment, PEI Qiqi was a little embarrassed. She looked up at Tang Yu and couldn't say a word.

Her family background, her relationship with him ...

even if he treated her very well, it didn't change the fact that they were his mistress.

Tang Yu only glanced at her and then looked at Zhou Meilin.

he was noble and was someone zhou meilin almost didn't dare to look up to.

"you want another 100 million, right?" Tang Yu's voice was gentle.

zhou meilin looked at him and retracted her head. she was afraid, but she couldn't resist her greed. she made up her mind and said, "mr. tang, my qiqi is worth this much money. if you can't ..."

"she's already mine!" Tang Yu looked indifferently at this gaudy woman in front of him. Her long period of harshness had already deformed her face.

Zhou Meilin knew that she was in the wrong, so she whispered, "i can also be considered as mr. tang's mother-in-law, yingluo."

pei qiqi was so angry that she was about to cry. what kind of mother-in-law was she? zhou meilin sold her out and now, in front of her sugar daddy, she had the nerve to say that about wanwan.

tang yu smiled, "i remember that you're not pei qiqi's mother. and you sold her!"

Zhou Meilin was a little guilty and didn't dare to say a word.

tang yu looked at pei qiqi and suddenly said, "You go in first."

She looked up at him in surprise.

There were only two words written in his eyes: Be obedient!

PEI Qiqi hesitated for a moment, but in the end, she still walked into the district. Zhou Meilin didn't want to and didn't dare to say anything.

after pei qiqi left, tang yu's gaze returned to zhou meilin.

He took out a cigarette from his pocket and slowly lit it up. After taking a puff, he frowned. His voice was extremely cold. If it wasn't for PEI Qiqi, he wouldn't even say a word to this woman.

Chapter 100

100 pei qiqi, i want a hundred million (2)

“100 million is fine, but i have a condition.” Tang Yu's eyes didn't have a trace of warmth, ” publish in the newspaper and sever all ties with PEI Qiqi.

Zhou Meilin took a deep breath, and her voice was almost sharp, ” that's impossible!

if that was the case, then pei minghe would definitely know that she sold pei qiqi her sister-in-law.

tang yu's gaze turned even colder. ” then get lost. don't let me see you in front of pei qiqi again. ”

He had never said such vulgar words to an older woman before. Zhou Meilin was the first.

he turned around and got into the car. as he drove the car into the community, zhou meilin stood there and gritted her teeth-

pei qiqi, this d * mn girl. did she think that now that she had found someone to back her up, she couldn't do anything to her?

However, at the moment, she really couldn't do anything to PEI Qiqi.

Tang Yan returned to the apartment and threw his keys and briefcase on the door. He walked in and heard a slight noise from the kitchen. PEI Qiqi was probably cooking.

He quietly walked into the kitchen. PEI Qiqi was preparing the ingredients at the counter with her back facing him.

Her long hair was pulled up, revealing a small section of her fair neck. She was wearing a small cartoon apron.

this side of her had unexpectedly tugged at his heartstrings.

in tang yu's life plan, he had all sorts of grand wishes, but he didn't have a wife at home.

at this time, she appeared in his apartment like this and gently cooked for him. his heart couldn't help but be slightly bumped.

He walked over quietly and wrapped his arms around her waist. His Hot Lips pressed against the soft flesh behind her ear and he gently bit it. His voice was also warm.”If you don't want to go, then don't go.”

when he bit her, pei qiqi's body trembled. she wanted to turn around, but he held onto her waist tightly and staggered.

After calming down, PEI Qiqi bit her lip, ” “I'm afraid that daddy will be unhappy.” after saying that, she continued cutting the vegetables. the smell of the pressure cooker's chicken soup was already overflowing.

tang yu sighed in his heart. he reached out and touched her earlobe, ” does pei minghe treat you well? ”

PEI Qiqi acknowledged him. She didn’t understand why he was so concerned about this and why he suddenly came back so early today.

she didn’t ask him about the results of his conversation with zhou meilin. she knew that tang yu wasn’t a man who would give in easily,

tang mo let go of her and smiled slightly. ” i’ll go take a shower first. ”

she turned to look at him, but he just smiled and said nothing.

after he left, pei qiqi hesitated for a moment and her face heated up. she turned off the pressure cooker and started to make the chicken noodles.

That night, she was silent. She was in a bad mood until she lay in bed.

feeling uneasy, she endured for almost two hours (mr. tang is also in a good mood!). she felt like sleeping, yingluo.

Tang mo suddenly turned her around and laid her face to face.

PEI Qiqi immediately sobered up. She raised her head and stared at his handsome face in a daze.

The light in the bedroom was dim, casting a heavy shadow on his face. She could not see his expression clearly.

she only felt that his body temperature was a little hot.
