

## Thank you 931

Chapter 931 I'm actually jealous of little Xin (3)

she didn't know why she was like this. she tried to calm down, but she couldn't.

After about five minutes, Tang Yu walked out of the main house with a small suitcase in one hand and a doll-like little Xin in the other.

xiao xinxin's hair was longer than the last time he saw her. it reached above her shoulders. the only thing they had in common was her delicate facial features and her big, bright eyes that were like little stars in the sky.

tang yu opened the car door and gestured for pei qiqi to hold the chubby little thing. he then placed his luggage into the trunk and got in the car.

"Sir, where are we going?" old Zhao asked hesitantly.

Tang Yu seemed to have thought of this long ago as he replied calmly, "Xia city, I guess!"

xia city?

PEI Qiqi was careful and looked at Tang Yu suspiciously. Then, she slowly said, "you're still keeping that?"

he didn't explain much and just said indifferently, "yes, i just had someone clean it up and decorate it a few days ago."

pei qiqi was silent because she thought of tang xin. tang xin had lived there before.

Seeing that she didn't say anything and even hugged her heart a little tighter, Tang Yu could more or less guess what she was thinking. He sighed, "Qiqi, it'll get better slowly.

he knew that tang xin would always be a thorn in her heart, and he could only accompany her and slowly soothe her pain.

little xin was in her arms. looking at the pretty sister, she reached out her little devil claws and grabbed her dress.

pei qiqi was shocked. she grabbed onto little xinxin's hand and stopped her from moving.

if she were to be careful of what she did in the car, she would definitely be embarrassed to death.

however, it was really comfortable to hold the chubby little person.

PEI Qiqi hugged and hugged and didn't want to put Qianqian down. She pinched her little face for a while and then secretly pinched little Xin Xin's little P \* ss. So cheeky ~

little xin cried out, "sister, you're grabbing my little P \* ss." her voice was aggrieved as she looked at her 'brother'. her meaning was very obvious.

even old zhao, who was in front of him, laughed out loud.

PEI Qiqi was very embarrassed.

Tang Yu sat next to them. He actually thought about little Xin Xin's childish words very seriously, "little Xin Xin, then can big brother also pull big sister a little?"

little xin arrogantly acknowledged her and then looked at pei qiqi as if to say-

i didn't do it! It was brother giggle!

pei qiqi cried out as tang yan ruthlessly fixed her.

she turned her face away. she was a little embarrassed, a little angry, and a little ...

jealous!

He liked the taste of little Xin Xin because he only liked little Xin Xin.

Little Xinxin was very good at reading people. She looked at PEI Qiqi and then at brother ke. Her chubby little hands reached out for Tang Yan to carry her, "Brother giggle!"

Tang Yu chuckled as he carried the little guy over. His voice was low as well, "PEI Qiqi, look at you!

she ignored him and kept looking out of the window.

"You're even jealous of little Xinxin?" his slender fingers brushed across her soft cheeks, and his voice was as gentle as the night.

PEI Qiqi turned around, "I didn't!

Xiao Xinxin's big, dark eyes stared straight at her, clearly saying, "lying.

pei qiqi pretended to glare at her and then hit her on her little P \* ss. then, she looked at tang yu provocatively-

tang yu was both amused and angry. was she going against a little kid?

His voice was low and deep. Qiqi, I'll hit you when Xiaoxin is asleep!

his words were full of hints. pei qiqi's face turned red.

Chapter 932 be careful, is it my child?(gao tian)

the car slowly drove into xia city.

Tang Yu whispered to elder Zhao, "drive the car and come over at 8 pm tomorrow.

Old Zhao nodded and quickly drove the car away.

tang yu carried the baby in one hand and carried his luggage in the other. pei qiqi followed behind.

She suddenly remembered ...

Why was she so obedient?

when he said this, she came here.

looking at her little heart, she missed her child yingluo.

Tang Yu passed her the heart and unlocked the apartment door.

as soon as she opened it, little xinxin let out a cry. even pei qiqi was stunned for a moment.

because the interior was not just cleaned as he had said, but was completely redecorated. the main color tone was warm yellow, making people feel warm and cozy. from the living room, soft white carpet was laid out, suitable for children to play at home.

As expected, Xiao Xinxin made a fuss about coming down the moment she entered. She crawled on the floor until she reached a small house in the corner of the living room.

xiao xinxin was still young. there was a bed in the small house, and she could still climb in and lie down.

his little belly turned to the sky, and his expression was indescribably happy.

pei qiqi kneeled beside him and watched. her eyes were a little hot. she turned around and looked at tang yu, "look at her, she's so happy."

even if she didn't say it, tang yu could guess what she was thinking. she missed the child.

his gaze softened as he gently looked at the two of them. he felt that this life was enough.

He sat down on the carpet with her and smiled. "our child will be just as happy."

"but i didn't accompany her." pei qiqi pursed her lips and raised her head to look at tang yu, "tang yu, how long will it take? "

He looked at her for a while before he slowly said, "very soon!"

after a pause, his voice became a little hoarse. Qiqi, after this, Shen Lian will be sent overseas and she will never come back.

He said as he watched her expression.

He knew that she was still holding a grudge over Tang Xin's death and would never forgive Shen Lian.

However, because of his agreement with Shen Chongshan, he had no choice but to spare Shen Lian's life. He had his own difficulties, but he was afraid that she would not understand.

pei qiqi pursed her lips. after a while, she said in a low voice, "I know,"

Undeniably, Tang Yu heaved a sigh of relief but he was also a little sad.

after all, he had forced her.

PEI Qiqi looked at little Xin who was about to fall asleep and lowered her voice, "Tang Yu, it's not because of you. It's because of me.

he looked at her with a deep gaze. he only felt that his qi qi was calmer than before.

pei qiqi continued in a low voice,"i used to think that the world was unfair to me. so, whether it was zhou meilin or zhao ke, i didn't hold back."

she slowly lifted her eyes and looked at tang yu, " i won't be so aggressive anymore. "

there were some things that she could not say out loud. that was, shen lian was still related to her by blood. it was enough to take back the original and let shen lian receive the punishment she deserved.

tang yu reached out and ruffled her hair. he didn't say anything else, but his heart softened.

at such a soft moment, pei qiqi's voice was soft as well. she said softly, " "Little Xinxin is asleep."

the chubby little guy was sleeping soundly with his little belly sticking out.

Even the night seemed to have become sweet.

pei qiqi and tang yan looked at each other and smiled. then, they looked at the little guy and their hearts softened. it was as if all the darkness before had become insignificant.

Chapter 933 Be careful, is that my child?(Gao Tian)

" tang yu, " pei qiqi said softly, " do you want to carry her to the bedroom? "

Tang Yu nodded and smiled, " a child is a child. He's tired so quickly.

He squatted down and carefully picked up the chubby little thing, then walked toward the bedroom.

pei qiqi looked in the direction he went and her eyes felt hot.

Then, was little Xinxin sleeping with them tonight?

She followed Tang mo and walked into the bedroom they used to live in. It felt much more spacious than before.

a photo of them was still placed on the bed. pei qiqi's eyes became even hotter.

tang yu put little xinxin down and carefully removed her shoes and socks.

The little lace socks looked a little funny in his big palm, but he was very serious.

PEI Qiqi lay on the side and watched. She watched as he took care of little Xin Xin and looked at her delicate eyebrows-

her heart skipped a beat.

After a while, she looked up at him and slowly said, " " tang yu, why do i feel like she looks a lot like you? "

moreover, she had seen zhao yi several times, and she couldn't find a trace of zhao yi on her little face.

Moreover, little Xinxin and little Zhao Yan were twins, but they did not look very similar.

tang yu glanced at her and smiled, " "she and zhao yan are fraternal twins, so she's more like my mother."

This sounded very reasonable, but PEI Qiqi continued to stare at little Xin Xin.

Tang Yu carried her over. She was wearing a light blue dress on the White bed. She looked very pretty ...

she was shocked and wanted to struggle, but he had already covered her and kissed her deeply.

That kiss, with a touch of impatience, was a deep kiss, and his big palm also went up, lifting up the light blue.

Probably because little Xin was lying next to her, PEI Qiqi was extremely nervous. Also, she had other things on her mind. She grabbed his black hair and snorted softly, protesting, "Tang Yu, I have something to ask you.

But how could he let her continue to ask?

His Qi Qi was so smart. If he continued to ask, the truth would be revealed.

She wanted to ask more, but he didn't give her the chance. He lifted his hand to unbutton his coat and threw it on the floor. Then, he caught her little hand and half-forcefully forced her to unbutton his shirt.

slowly, she was seduced by him. she laid down softly and looked up at the handsome man. she lifted her arms and hugged his waist. she placed her face on his chest, "tang yu, be gentle."

"qi qi, i know!" His voice was extremely hoarse as he whispered into her ear. The air was filled with an ambiguous smell.

when they were honest with each other, he worshiped her, complimented how fair and delicate her skin was, and muttered how excited he was when she was kissed and her whole body was pink.

PEI Qiqi's eyes were closed and her long eyelashes trembled. Her small red lips were alluring and slightly opened as if she was waiting for someone to kiss her.

Tang mo kissed her small mouth and said in a low and hoarse voice, "qiqi, i'm going to start."

she kicked him unhappily, but he knew how eager she was and chuckled again. his lips slowly moved down, ready to enjoy the food.

at this moment, the little person lying next to him turned over, and his grape-like eyes were as bright as 220v light bulbs in the dim light.

then, little xinxin performed a quick crawling motion. her chubby little body crawled over in a few moments and took the food from tang yu's mouth in one bite.

not only was pei qiqi stunned, even tang yu was dumbfounded.

Chapter 934 be careful, is it my child?(gao tian)

Xiao Xinxin was not fully awake. She closed her eyes again as she cowered.

Her little face was filled with indescribable satisfaction. Her chubby little hands were also holding onto her milk bottle. Her pink little nails dug into the milk. She was indescribably cute, but to Tang Yu, she was just begging for more.

Yu Wang, who had been interrupted, felt pain.

he stared at it for a while, then turned to the side. after calming down, he said in a low and hoarse voice, "you coax her to sleep, i'll go and take a shower."

then, he got up. pei qiqi felt uncomfortable being eaten by xin xin.

she hurriedly called out to him.

tang yu turned around and his eyes seemed to be on fire.

she was lying in the middle of the light blue, so tender. little xin was wearing a pink one-piece nightgown, lying on top of her and eating with all her might. that scene made his eyes hurt, and a certain part of his body hurt even more.

pei qiqi's eyes glistened as she looked at him pitifully. her voice was soft as she asked, " tang yu, what should i do? "

he smiled, turned back, and leaned down to kiss her on the forehead. " i'll feed you after little xin xin falls asleep. "

There was a deeper meaning in his eyes, and then he walked into the bathroom.

PEI Qiqi laid down helplessly and looked at the chandelier above her head. After a while, she lowered her head and looked at the little guy in her arms.

her heart had already softened.

Little Xinxin used all her strength, and her little body was covered in a thin layer of sweat. She was still sucking pitifully and desperately, but she couldn't eat Yingluo.

pei qiqi turned her body and patted the little guy.

In fact, she was in pain, but she was reluctant to put him down. The little guy would wake up once she put him down.

when tang yu came out of the bathroom, she looked at him, " does she want to drink milk? " why don't you make some milk powder?"

Tang Yu's gaze was unfathomable. Then, he nodded, " "i'll go see if she has it in her bag."

after a while, he took a milk bottle and filled it with milk powder. he lay on his side with only his bathrobe on. he carried little xin away and stuffed the little milk bottle into her little mouth.

The chubby little guy smelled the fragrance of the milk and quickly took a few breaths. Then, he sighed in satisfaction, and his little face was calm and peaceful.

after that, he wasn't in such a hurry anymore. whenever he wanted to drink, he would take a few sips, sleep, and drink.

PEI Qiqi was envious of her. She lay down and said in a low voice, " she's so cute.

Tang Yu's gaze also fell on the baby. When he heard this, he looked up at PEI Qiqi. His gaze became deep and he spoke very slowly, " PEI Qiqi, you are not there to be loved.

pei qiqi's heart tightened. he gently carried her and walked towards the bathroom.

"Be careful!" She bit her lip and hugged his neck.

tang zheng closed the bathroom door, turned on the shower, and pressed her against the wall.

the warm water turned into a drizzle and fell on his body, creating a lingering mist.

He lowered his head and kissed her little mouth, not giving her another chance to speak.

after a long time, he raised his eyes and looked at her. his black eyes were clear and bright, with an unconcealable desire.

Tang Yu's fingers touched her red lips and he whispered into her ear, " Qiqi, lower your voice later. she looked at him, unable to move herself.

He laughed in a low voice. otherwise, you'll wake up little Xinxin.

when she couldn't control her emotions, pei qiqi raised her neck and said in a muffled voice, " Tang Yu, is little Xinxin our child? "

Chapter 935 be careful, is that my child?(gao tian)

tang yu's body froze for a moment. his entire body tensed up and his muscles tensed up. he lowered his head and searched for her little mouth. his voice was low and hoarse, " "Qiqi, you have to find the answer yourself."

pei qiqi was stunned for a moment. then, she began to cry in a low voice.

she didn't dare to cry out loud because she was outside, so she only dared to cry softly.

this bastard!

Her small hand pounded on his shoulder, but it was still not enough to vent her anger. She pounded with all her strength, and her voice was a little hoarse from crying.

But Tang Yu didn't stop because of her crying and didn't let her go.

it was probably because of little xinxin's existence, and because she had exposed some things, he was particularly excited.

It's been a long time since I've been like this. It was only so intense when we just reunited.

"qiqi." He kissed her small lips and murmured,"now, treat her as a little sister, okay?"

pei qiqi cried. being treated like this by him, she quickly lost all her strength and hung weakly on his neck. she was still crying.

her small hands sank deep into his flesh. she was still angry, so she deliberately grabbed and scratched him.

She wanted to see little Xin, because his answer was already very clear.

that was their daughter, the little girl who she had thought of a name for before she was born.

their hearts were like their tang tang. her heart was excited and soft.

however, the more she acted like this, the more excited tang yu became. he tortured her for a full hour before he finally let her go.

He washed her clean, wrapped her up, and placed her next to little Xinxin.  
as a father, he took the milk bottle away and stuffed the little guy into her arms.  
he did not say anything, but his attitude was enough to explain everything.  
PEI Qiqi was almost trembling as she hugged the little fatty. Even now, she still couldn't believe it.  
She had asked him more than once, "is this really our child?"  
tang yu regretted it. he shouldn't have let her find out so quickly. she was jealous before and now,  
he was the one who was jealous.  
there was no trace of him in pei qiqi's eyes at all. even when they were making love, she was  
obviously not focused.

Tang Yu flipped his body and snorted. He didn't answer.

PEI Qiqi looked at him for a few seconds and then at little Xinxin's face. After a while, she said  
softly, "I know she is."

"I'm sleeping!" His tone wasn't very good. He reached out and swept the big and  
small into his arms, threatening, "If you talk again, I'll carry you to the  
bathroom."

He was so fierce, but PEI Qiqi was not afraid of him at all.

Her heart was unbelievably soft. She was a mother now, Yingluo.

Little Xinxin's mother.

he lowered his head and kissed the little fellow in his arms again and again. he did not sleep the  
entire night.

that night, shen lian was also the one who did not sleep.

shen lian had been defeated by su yue once at the fashion festival tonight, and she was defeated by  
qin anlan again.

when she got home, her secretary called her and said in an urgent voice, "president shen, quick,  
look at the news."

Shen Lian put down the cup in her hand and opened the news. She saw the latest news ...

the latest rape case in B city had been cracked, and the main culprit was someone shen lian would  
never forget.

because that man had once forced himself on her yellow teeth in the dark corner of the street. the  
unpleasant smell still rotted in her heart.

The main culprit faced the camera and showed his yellow teeth, looking a little smug. among the  
women I've raped, there's also that woman with the surname Shen, the boss of a big company. Her  
name is Jin Taihe.

Chapter 936 i'm going to ruin your reputation (1)

shen lian's body felt cold as she looked at the television screen.

How did that person get caught?

However, it was indeed that man!

that night was like a nightmare, and she would never forget it even if she died.

the news was still playing, but shen lian had already been sent back to hell.

She looked at him in a daze, and a touch of ruthlessness rose in her eyes.

She had to seal that man's mouth. She couldn't let Tang Yu see that she was raped by such a disgusting man.

She can't, can't cry

At the same time, there was another matter that made Shen Lian feel defeated the next morning ...

Sheng Yuan's stock fell by 10% at a slithering speed, catching everyone off guard.

How was this possible?

Shen Lian held 20% of Sheng Yuan's shares. She would definitely care about this.

for the past two years, she had been so calm and indifferent to jin taihe because she held 20% of sheng yuan's power. this 20% was worth more than jin taihe.

What was she afraid of?

But now, she was really afraid. PEI Qiqi was back and her rape was exposed. Sheng Yuan was in danger.

at this moment, she couldn't wait to find out about sheng yuan's situation. shen lian madly dialed tang yu's phone but it was turned off.

She called Xiao ran again. Xiao ran calmly said that Tang Zheng was in the United States and would talk about it when he came back.

On this day, Shen Lian seemed to have gone crazy.

Suddenly, she thought of Meng Qingcheng. He must have a way. He must know a lot.

he understood tang yu so well and so well shengyuan qianqian.

But Meng Qingcheng told her indifferently that he wasn't sure. It was probably an internal problem in Sheng Yuan.

after hanging up the phone, shen lian felt as if she was about to die.

the 20% she had was her last bargaining chip and the key to restraining tang yu. but now, even that was in danger?

early in the morning, shen lian started to soak in alcohol. she didn't even care that the alcohol would cause her broken foot to hurt. she just wanted to be drunk and not sober.

She was so drunk that she had called her attending Doctor, Doctor Zhang.

“You’re the only one who cares about my life, right?” Shen Lian’s tears flowed and she cried bitterly. She was like a dying person who was holding on to the last straw.

To her, Zhang Hengyuan was her last straw, and he was also the person she could vent her anger on whenever she wanted.

He had always been good-tempered to her and would always let her have her way.

He would never look at her as if she was a lunatic.

He came over immediately after she called. There were bottles of wine everywhere in the living room of the villa, and there was no one in the house. They were probably in hiding.

Doctor Zhang helped Shen Lian up. She was already in a semi-conscious state. After a quick check, he confirmed that she was only drunk.

After some thought, he carried her to the bedroom upstairs and carefully placed her on the bed. He squatted down and helped her remove the artificial limbs.

He was a doctor and he was used to his patients’ disabilities. However, when he was removing Shen Lian’s limbs, he still felt some regret.

He was afraid that she would feel uncomfortable, so he used a hot towel to warm up the broken part. He knew that Shen Lian was not willing to accept her disability. Therefore, sometimes, she would not remove the artificial limbs at night as required. However, this was not good for her body. It could easily cause an infection and worsen her condition.

Chapter 937 I’m going to ruin your reputation (2)

Shen Lian slowly woke up. The moment she opened her eyes, she saw a man in a white shirt looking down at her.

Her vision was a blur. In a daze, she felt like Tang Yu was there.

When they were young, he would take care of her like this when she was disobedient when she had a fever.

That was such a wonderful time!

Shen Lian’s voice was a little hoarse, “Tang Yu, is that you?”

The man who was looking down froze for a moment. He raised his head and looked at her.

He was not.

He was just her doctor.

However, Shen Lian was still in a daze. She straightened her body and her voice was still gentle, “Tang Yu, I know you won’t be so cruel.

“You like me, right? Towards Pei Qiqi, you only desire Wang, right?” She sat up and took off her dress. Her eyes were like water. I can give you what she can give you.

in the morning light, her eyes were pure and her body was fair and beautiful. her incompleteness was like a venus de milo with a broken arm.

zhang hengyuan was a man, and a man who had kept his chastity for several years.

At this moment, she was using him as a substitute. Although he was a little annoyed, he still could not refuse.

From that night on, he remembered what she looked like. Her body was the most beautiful he had ever seen.

however, when he saw her again, she was lying there in a daze while he had personally crippled her.

when the masculine body covered her fair skin, the floor-to-ceiling curtains slowly lowered.

a dark room, a preposterous scene!

everything was calm.

shen lian's gaze fell on the ceiling. she was in a daze and had already sobered up.

She knew that the person lying next to her wasn't tang Yu but her doctor.

"Get out," he said in a tight voice, pursing his lips.

Zhang Hengyuan calmed himself down and sat up to get dressed.

shen lian wanted to prop up her body, but she only moved a little. her head was lowered, and she let out a hoarse cry.

"Why did you kick me?" Her eyes were wide open as she stared at Zhang Hengyuan.

zhang hengyuan was embarrassed. as a doctor, he had come to take care of a female patient, but he had slept with her in her house. in the face of such accusations, he smiled bitterly and said, "you'll feel more comfortable this way."

"I don't want to be comfortable! Did you hear that? don't touch my feet in the future." Shen Lian was hysterical. She narrowed her eyes and glared at the gentle man in front of her.

suddenly, she laughed in a strange manner."i'm going to sue you. i'm going to destroy your reputation."

Zhang Hengyuan was done buttoning his shirt. His fingers paused for a moment, then he turned his head and looked at her.

after a long time, his voice was very soft. "okay!"

it was against his professional ethics for him to be with her, so it was good for her to make a scene.

Shen Lian was stunned. She could not believe her ears ...

He actually didn't care?

zhang hengyuan was already dressed. he stood at the head of the bed and looked at the mess on the bed and shen lian. " i will resign myself. if you are willing, i can explain the reason. "

he liked her, but that didn't mean he would let her trample on him.

Shen Lian was still in a daze, but Zhang Hengyuan had already left.

He left very quickly. In the afternoon, he called her and calmly told her that he had resigned and was no longer her attending doctor, Hanhan.

Shen Lian was still lying on her Princess-like bed. She was holding her phone in a daze.

her legs were very weak, as if the last trace of strength had been drawn out of her body.

she looked at her phone in a daze.

he watched the last person beside him leave.

After all this time, she knew very well that she had relied on his love for her.

he liked her, and she had always known yingluo.

Chapter 938 Happy times (sweet, sweet, pampering)

xia city.

PEI Qiqi was scrolling through the news on her phone. She turned her face away, " Tang Yu, aren't you worried? "

"What's the hurry?" Tang Yu laid down and placed his little heart on his stomach, letting the little guy play with it.

PEI Qiqi shifted her face to his stomach, " aren't you afraid that she'll panic and show you? "

"who would take over at a time like this?" Tang Yu chuckled, " plus, based on my understanding of Shen Lian, she won't give up so easily. She won't let go until the last moment.

PEI Qiqi's little hand pulled him hard and snorted, " "you know her very well?"

Tang Yu lowered his head and looked at his heart. Then, he slowly said, " "It's only limited to the heart."

"Oh! if my body understood it, i probably wouldn't be here." PEI Qiqi lowered her eyes. Her voice was soft and she was a little emotional.

"Qiqi, these" ifs "don't exist." Tang Yan sighed.

"I know, I just don't want you to feel too comfortable." She said it quite straightforwardly, her expression a little mischievous.

Tang Yu glared at her then patted little Xinxin's head, " "Your mother has learned bad things from Lao kan. I will forgive her and educate her again."

little xin nibbled on her little finger and mumbled, " "It's sister."

PEI Qiqi and her stared at each other, ” mom.

“Sister.” she was very careful and persistent.

PEI Qiqi pouted and grabbed Tang Yu, ” it’s all your fault!

If he had not left little Xinxin with his mother, why would little Xinxin call her sister? How was he going to correct it in the future?

Tang mo looked at her small appearance and couldn’t help smiling. He reached out and pinched her small face. Qiqi, actually, there’s nothing wrong with Xiao Xinxin calling me that.

He paused and coughed. didn’t you call me Hanhan’s father before? ”

PEI Qiqi widened her eyes and glared at him. He was really shameless!

Little Xin was lying on Tang Yu’s stomach, happily calling him brother ke and chuckling.

He picked up the little fatty and said, ” “brush your teeth. brother ke will make you breakfast.”

PEI Qiqi called him a pervert. Before Tang Yu entered the bathroom, he leaned over and kissed her. He mumbled, ” “PEI Qiqi, I’m only perverted towards you.”

she blushed and turned over to show her disgust.

after a while, she heard sounds coming from the bathroom. after a while, the two of them went out.

Although she despised him for being perverted, PEI Qiqi wished she could spend 24 hours with little Xin.

so, she quickly got up and washed her face. then, she walked to the dining room and saw tang yu carefully making breakfast through the glass.

He was wearing a pair of beige trousers and a white wool sweater, which looked very homely. His little heart was still in a small idyllic dress. The princess dress with small floral patterns was especially cute, especially since she was a little chubby.

Little Xin Xin was placed on the counter and watched Tang Yu make the sandwich.

At this height, it was convenient for her to hug brother tickling from time to time, and her little heart would occasionally let out a chuckle.

PEI Qiqi stood at the door for a while and felt that everything was unreal.

tang yu looked up at her and quietly watched for a while, ” come sit and wait. ”

She didn’t move, so he directly walked over and picked her up with one hand.

pei qiqi thought he would carry her to a chair, but she really underestimated his shamelessness. tang yu carried her to the counter and sat next to little xin.

He pointed at her little nose with his slender finger. “take good care of your sister.”

Chapter 939 Happy times (sweet, sweet, pampering)

PEI Qiqi felt like she was f \* cking a dog. She glared at Tang Yu.

There was no such thing as the most shameless, only more shameless.

as for her angry glare, tang yu enjoyed it.

he happily continued to make breakfast, while little heart added, ” “Sister, you’re so fierce. Don’t bully brother ke.”

PEI Qiqi bit her lip-

It’s your brother giggle who’s bullying me!

just thinking about it, he felt that he was going to be confused!

Fortunately, Tang Yu’s cooking skills improved a lot in the past two years and it comforted her!

He brought a Western breakfast for little Xin and made a Chinese one for PEI Qiqi. He even fried the small deep-fried dough sticks very well.

PEI Qiqi ate a small mouthful of millet porridge and ate the deep-fried dough sticks he made. It tasted really good.

she squinted her eyes in satisfaction and even let out a soft moan of comfort.

Tang Yu was used to Western breakfast. He inherited this little bit of carefulness from him. He took a sip of milk and looked at PEI Qiqi. He smiled, ” Qiqi, I told you I would feed you. | I’m full.”

There was a deep meaning in his tone that made PEI Qiqi almost choke.

she glared at him with tears in her eyes. she looked very pitiful.

little xin xin looked at this and that, not understanding.

Tang Yu chuckled. He touched this one’s head and then the other one. Just as he was about to say something, the phone in his pocket rang.

He took it out and saw that it was actually PEI Huan’s.

he glanced at pei qiqi and smiled. then, he picked up the phone and walked into the living room.

He had a feeling that PEI Huan’s next words would not be very pleasant.

As expected, PEI Huan’s loud voice was heard when she walked to the window of the living room.

“Tang Yu, you bastard! Why did my shares in the PEI family become 5%?” on the other side, pei huan was only wearing a spaghetti strap top and was walking around the bed. she was so dazzling that old kan’s eyes were blurry.

old kan was smoking a cigarette, and there was some impatience between his brows. he patted the seat beside him, indicating for pei huan to hurry up.

PEI Huan directly cursed at old kan. Old kan lifted the blanket and went to the bathroom.

“can you explain, tang kid?” PEI Huan’s voice was hollering.

i’m so angry!

Tang Yu looked at the morning light outside and held his forehead with one hand. He explained with difficulty, "would you believe me if I told you that the PEI family's assets are now a thousand times more than before?"

"Hehe, Tang Yu, what nonsense are you talking about! you think i'm easy to fool?" pei huan wanted to continue scolding, but she suddenly stopped, as if she had thought of something.

She thought of her dividends every year, which were hundreds of millions!

it was impossible for a small family like the pei family to have it.

She held her breath and did not make a sound for a long time.

"now, do you understand?" tang mo paused.

pei huan's heart was much better than before. she was no longer the kind of person who would act innocent after getting a good deal. most importantly, she was not born to be a businessman, so it was good as long as she had money.

Tang Yan turned his head and looked at PEI Qiqi. His eyes became warm, "Qiqi will explain to you."

pei huan was surprised. qiqi?

The call had already ended. She looked at her phone and said unhappily, "what? i'm hanging up."

No matter what Tang Yu said, as long as Qiqi knew, it was true.

After PEI Huan settled the matter in her heart, she heaved a sigh of relief and immediately ran to the bathroom to watch the beautiful man come out of the bath.

old kan had already finished bathing and was wrapped in a bath towel. when he saw her running over, he looked at her and said, "I thought you only cared about money."

pei huan drooled and knelt in front of him. her small hands undid the bath towel around his waist shamelessly. her voice was tinged with chicken jelly. "i'm also concerned about this!"

old kan rolled his eyes and pulled her into his arms.

Chapter 940 happy times (sweet, sweet, pampering)

Tang Yu hung up the phone and turned around. He saw PEI Qiqi standing behind him. She had obviously heard him.

He smiled but did not explain.

"you purposely let pei huan know, didn't you?" PEI Qiqi asked softly.

Tang Yu hesitated. you can say that!

he thought about it and decided to tell her. "last night, i got someone to release some news. today, sheng yuan's stock fell by 10%. i think shen lian would know about this news. and ..."

He placed his hand on her shoulder gently and smiled faintly. Qiqi, there will be no more Shengyuan in the future! only boyi."

Boyi was a subsidiary company of the PEI family. Of course, PEI Qiqi owned 90% of the shares and could break away from Boyi at any time. But now was not the time to think about this.

The most important thing now was for Bo Yi to purchase Sheng Yuan.

Sheng Yuan's fixed assets were huge, so Tang Yu naturally wouldn't let Shen Lian take advantage of it.

Moreover, Jin Taihe's internal conflict was also involved in this.

PEI Qiqi lowered her eyes and then looked up. There was a dazed look in her eyes.

Tang Yu, " she said softly after a long time, " if I had a choice, I wouldn't want to be involved in the business world again.

She liked her current career, liked to partner with old kan, liked to go out and gather wind, and even be oppressed by the managing editor. She liked it all.

how could tang yu not know?

he reached out and touched her little face. he smiled and said, " i know! "

But there were some things that he couldn't step in to resolve.

With PEI Qiqi's current relationship with him, it was perfect for her to complete this task.

He held her in his arms, letting her little face rest on his shoulder, and just like that, he hugged her.

little xin wobbled over and hugged pei qiqi's leg with her chubby little hands, calling her sister.

As she gnawed, PEI Qiqi looked up at Tang Yu and smiled at him.

"she's so cute," she said softly.

"yes, because he is our qi qi's child." He smiled and kissed her forehead. His voice was a little hoarse."i'll have to send you back in the afternoon."

He didn't explain too much, but PEI Qiqi knew that it was risky for them to meet like this. They had to be careful and not expose themselves.

She buried her face in his arms and said in a soft voice, " after this is over, let's find a quiet place and have a good vacation. We won't see anyone and we won't care about anything, okay? "

tang yu nodded,"okay."

she lowered her head and looked at little xin. the child who was less than two weeks old was still very young. little xin xin loved to play, just like the little people in cartoons.

looking at her little heart, her heart softened and she said in a low voice, " Tang Yu, thank you for bringing up little Xinxin so well.

Even if he didn't tell her, she knew that it took a lot of effort to raise a seven-month-old premature baby so well.

tang yu could see the sadness in her heart. he patted her fluffy little head and said in a low voice, "if you want to thank someone, thank my mother. but i think she'd rather you treat her son well. "

pei qiqi glared at him. after all that talk, he was just trying to gain some benefits for himself.

however, even so, they had reunited after a long time and had a treasure like little xinxin. everything was unbelievably wonderful.

When little Xin was taking a nap at noon, her little mother was carried into the bathroom by her father again. The warm water washed over her young and beautiful body. He kissed her scars from when she gave birth again and again, as if he was comforting her.
