Chapter 991 All capitalists suck blood (3)

Tang Yu felt comfortable now. Naturally, he had the patience to coax her and at the same time, he teased his little pet.

he hugged her and played with her for a while before he was done. pei qiqi said pitifully, ” “PEI Huan is still waiting for me.”

“Then I’ll send you there.” Tang Yan kissed her.

“You’re not going to accompany me?” PEI Qiqi was still pouting.

He laughed. let’s have a meal together! after that, i’ll go to my mother’s place. i’ll pick you up at five in the afternoon, and we’ll go to uncle shen’s place for a while.”

MMH. PEI Qiqi was about to get up when Tang Yu removed the blanket on her and helped her put on her clothes.

she was a little uncomfortable and buried her small face in his arms. it was warm.

tang yu took care of her like he was taking care of a child. he helped her put on her clothes and she sat in his arms, her small and thin body looking dazed.

After he put it on, Tang Yu kissed her again and said in a hoarse voice, ” “qi qi, i felt like doing something worse than a beast just now.”

pei qiqi was speechless.

She had dared to laugh at him when he was driving.

PEI Qiqi turned her head and looked at Tang Yu. She asked with a bad intention, ” Tang Yu, aren’t your legs weak? ”

“You can try!” he smiled, fastened his seat belt, and checked hers before starting the car.

PEI Qiqi snorted.

The car arrived at PEI Huan’s residence in half an hour. However, when he got out of the car, he saw Xuxu and old kan.

old kan’s car was parked at the intersection. he stood there and looked into the villa with a sad look in his eyes!

Tang Yu pulled PEI Qiqi over and kissed her. He smiled, ” this is the bad thing about sleeping with an ex-girlfriend!

pei qiqi glanced at him. ” at least old kan has this ability. did you have it then? ”

tang yu patted her little P * s. this child was becoming more and more arrogant!

pei qiqi walked over and looked at old kan.

Old kan had lost a lot of weight in the past month.

She had been angry before, but seeing him like this now, no matter how hard she was, she softened and asked, "do you want to go in and take a look?"

"I don't have the face to see her!" Old kan let out a long breath.

back then, pei huan had made it very clear that he could see the child when he was born and the child could call him father, but it was impossible between them.

he really wanted to see her. he missed her so much that he almost went crazy. in these days without her, old kan finally realized how cute this little girl who was a little talkative was. he actually liked her a lot.

PEI Qiqi looked at old kan and asked softly, "What are your plans for the future?"

old kan let out a long breath. "that's it! we'll get our marriage certificate when she forgives me."

pei qiqi provoked old kan, "what if pei huan gets married to someone else?"

"i'll tear him apart." the old man glared at her. as long as he thought of pei huan's small body being pressed down by someone else, he had the intention to kill.

PEI Qiqi laughed and provoked him again, "Then we'll go in and eat."

Old kan's eyes were a little resentful.

After PEI Qiqi went in, she purposely told PEI Huan about it while they were eating.

Xiaomei was there too. She was like her mother now, working as PEI Huan's nanny full-time. Qin Anlan did not say anything and seemed to be letting her do as she pleased.

when she heard pei qiqi mention old kan, xiaomei looked up at her and then at pei huan.

in fact, for the past few days, kanmingzhu had been loitering in front of her door as if he had nothing to do.

Although it was annoying, there were advantages to it. With such a strong man guarding the door, there would be no problems with public security. Who would dare to come over?

Chapter 992 the little drunk cat (1)

pei huan's gaze was a little dazed. after a moment, she smiled faintly, "let him stand. after a long time, he will feel bored and will naturally leave."

pei qiqi stopped teasing her and exchanged a look with tang yu.

after they finished eating, tang yu left. pei qiqi helped pei huan upstairs to rest so she laid down with her for a while.

she had only exercised a few times, but she slept even better than pei huan. she slept until 3:30 in the afternoon.

When she woke up, she saw PEI Huan staring at her. it's scary to look at me like that.

pei huan lay down and sighed, "pei qiqi, if someone told me in the past that we could lie together like this, i would never believe it."

pei qiqi also sighed, "that's right! You loved to bully me back then."

"pei qiqi!" pei huan cried out, "pei qiqi, i'll always be the one in a worse state!" she looked at pei qiqi with resentment in her eyes, but she didn't dare to say anything!

pei qiqi laughed, "i didn't expect pei huan to be so cute when she grew up."

pei huan was shy. "don't praise me like that! i don't think it's a good idea to be honest."

Seeing her like this, PEI Qiqi felt that she must have calmed down a lot.

after the joke, pei huan started to talk about serious matters."I heard that you and Shen Chongshan have reunited."

pei qiqi absent-mindedly nodded.

pei huan couldn't help but say, "pei qiqi, you're acknowledging a thief as your father. are you saying that my father isn't good?"

"Of course daddy is good! but shen zhongshan is the one who provided the prostitutes!" PEI Qiqi's voice was a little soft. PEI Huan, do you know? if Shen Chongshan didn't want to match with Tang Xin, things wouldn't have ended up like this.

"so you're soft-hearted?" "i've never seen you being soft-hearted to me before!" pei huan snorted.

PEI Qiqi laughed, "isn't it good now?"

"I admit that I'm a little jealous." PEI Huan pouted.

Qiqi, who was originally from the PEI family, suddenly became the Shen family's.

pei huan hugged pei qiqi's arm, "you won't leave me alone in the future, right?"

so, this was what she had been thinking about! PEI Qiqi couldn't help but laugh. She turned to the side and pinched PEI Huan, "silly.

pei huan felt that beating was affection and scolding was love!

however, after being happy for a while, she still said, "Qi Qi, I only have one! if you treat me as tang xin's substitute, then i'll do it for the rest of my life."

after she finished speaking, her eyes were fixed on pei qiqi. she didn't look away!

PEI Qiqi was stunned. After a long time, she slowly said, "pei huan, you are you. you're not anyone's substitute."

Perhaps, there was a period of time when PEI Huan was being silly. She did think that way, but later on, she was no longer like that.

She thought that the main reason why she had truly forgiven PEI Huan and was willing to take care of her was because PEI Huan was not that bad. Compared to Shen Lian, PEI Huan was just a little more willful and had not done anything evil.

perhaps, the beginning of their reconciliation was because they were too lonely!

pei huan's lips trembled slightly, but she did not say anything more.

PEI Qiqi turned her body sideways, "in the future, we still have many more future Huanhuan Huanhuan. As long as you are well.

PEI Huan's heart instantly warmed up.

It didn't matter if she didn't have a man. She still had her child, Qiqi, Xiaomei, and money.

"qiqi, after giving birth, i don't want to be in the background anymore. if qin anlan wants me to do it behind the scenes, i'll do it. if he doesn't agree, i'll quit the entertainment industry and focus on taking care of this child." PEI Huan's finger was on her stomach, her tone calm.

Chapter 993 the little drunk cat (2)

"Alright!" pei qiqi also felt that after su yue's incident, pei huanping had become much more peaceful. it was a good thing!

Fortunately, they were not married. If they were, with their previous temper, they would definitely want a divorce.

PEI Huan yawned and was sleepy again. "when are you and tang zheng getting married again?"

PEI Qiqi was a little embarrassed and mumbled, "He didn't mention this."

PEI Huan's eyes widened."he's sleeping in vain!"

PEI Qiqi thought of that slender body, perfect facial features, and exquisite skills. She coughed lightly, "Actually, I'm not losing out."

PEI Huan looked at her and only rolled her eyes after a long while, "look at you, PEI Qiqi! Let me tell you, the most important thing for a man is not his appearance, nor his skills in bed. It's his loyalty. It's like a dog, obedient, right?"

pei qiqi was dumbfounded!

weren't they talking about men? how did this have anything to do with dogs?

pei huan laughed coldly. "this man is like a dog. people like old kan are stray dogs that can't be tamed."

PEI Qiqi's heart ached for old kan for a few minutes.

until tang yu came to pick her up, pei huan was the one and a half hour in between talking about how men were like dogs.

pei qiqi got into the car and left. old kan still stood there and looked at her in a daze as if he was looking at his husband.

pei qiqi suddenly felt that old kan would be very miserable in the future. if he wanted to be forgiven, he probably had to be leashed.

however, he deserved it!

tang yu was driving when he noticed that she was secretly happy. he smiled, ” “What are you happy about?”

As he spoke, he picked up the iced coffee and took a sip. Before he could swallow, PEI Qiqi looked at him and said, ” “PEI Huan said today that you men are all dogs.”

tang yu spat a mouthful of coffee on the front windshield. it just so happened that the traffic light was red and the car slowly came to a stop.

he looked at pei qiqi speechlessly, ” qiqi, do you think a dog can make you feel so comfortable and satisfied? ”

pei qiqi glared at him.

tang yu reached out and touched her little face. ” okay, you can play with pei huan. but don't learn bad things from her. ”

PEI Huan was frustrated at this moment but Tang Yu didn't forget that PEI Huan was in the entertainment industry before. She had done all sorts of bad things.

His Qiqi was so innocent and cute. She couldn't be bad ...

(At this moment, let's see how big the shadow in PEI Huan's heart is. PEI Qiqi is obviously the worse one.)

As Tang Yu drove, he slowly told PEI Qiqi another piece of good news, ” ” by the way, jinrong also went to my mother's place. qiqi, do you feel pity that you didn't go with me this afternoon? ”

PEI Qiqi bit her lips and secretly looked at him. He was very calm, but he was actually jealous. She wondered if jinrong had provoked him, but she didn't dare to ask.

She didn't ask and Tang Yu didn't say anything. He only took a moment to look at her.

that one look made her lose her heart and soul.

“why are you looking at me?” pei qiqi's voice was like a little lamb.

The corner of Tang Yu's lips curled up into a faint smile. It was very warm. At least, PEI Qiqi's heart was warmed. She couldn't help but hug one of his arms and place her face on his shoulder.

at such a warm and touching moment, she heard tang yu's voice, ” pei qiqi, i'm thinking about what position i should use tonight. ”

she sat down and flipped her hair. ” “I'm going back to the apartment tonight.”

Tang Yu smiled.

In the end, he got her drunk at Shen Zhongshan's place.

Chapter 994 The little drunk cat (3)

when tang mo helped her out, shen chongshan looked at her and said worriedly, " this child drank too much. tang yu, take care of her. "

Tang Yu opened the car door and helped the little drunk cat in. He turned around to look at Shen Chongshan and smiled, " don't worry, uncle Shen! I'll take good care of her!

mrs. shen walked out and put a jacket over shen chongshan's shoulders. she watched as tang yu opened the car door and got in.

The black sports car quickly disappeared into the dark night, but Shen Chongshan still stood at the door and watched.

"Suxin, will you blame me?" he asked after a long while.

"Chongshan, it's getting cold. Go home!" Mrs. Shen patted his shoulder.

Shen Chongshan walked back while talking to her. He sighed and said, " I've liked Tang Yu ever since he was young. I didn't expect him to be so unlucky with Shen Lian.

She didn't finish her sentence and patted Mrs. Shen's shoulder.

"Chongshan, I'm already so old, I've already gotten over what I should have."

"As long as the child is still around, I'm satisfied," Mrs. Shen said faintly.

Shen Chongshan nodded.

.....

tang yu was driving with little drunk cat beside him.

the little drunk cat's eyes were half-closed, her long hair messily covering her thick little face. her red lips parted slightly in a seductive manner, and her thick eyelashes gently fluttered.

because of the alcohol, the blood in her body was hot, and after a while, the little drunk cat was making a fuss about rolling down the window.

tang zheng reprimanded her. " you'll catch a cold. "

She snorted uncomfortably and pulled open her collar with her little hand. It was only when it was cool that she felt a little more comfortable.

At this time, it was already early winter. Her thin coat was thrown in the back seat, and she only had a dress on her. It was pulled randomly, revealing half of her tender legs, which looked white and attractive under the dim light.

tang yu's fingers clenched the steering wheel and his voice was low and hoarse, " "qiqi, behave yourself."

She leaned against the back of her seat, looked at him, and pouted. Tang Yu, it's so hot.

Of course it would be hot! he was amused and angry at the same time. the wine that shen zhongshan brought out tonight was a wine with strong aftereffects, and she really dared to drink it.

Just a small cup and she was already in such a state.

It was a red light in front. He stopped the car slowly, turned to look at her, and coaxed, "be good, we'll be home in a while."

"so i can do whatever i want then?" lin sanjiu continued naturally.

tang yu's heart tightened. as a man, his mind was filled with many uncontrollable thoughts. his adam's apple bobbed a few times and his voice was extremely hoarse, "Qiqi, sure."

But obviously, she was really drunk. All Tang Yu heard was the sound of her seatbelt being unbuckled.

then, honking sounds came from behind them, one after another.

He looked up and saw that the light had turned green. He immediately started the car and said in a stern voice, "qiqi, fasten your seat belt."

however, not only did the little person not listen to him, but he also lay down and stammered.

after a while, a fluffy little head popped out in front of him. it was half-lying in his arms and said that it was even hotter.

Tang Yu drove, feeling both angry and amused. He reached out and patted her little head, "Qiqi, I'm driving."

her little head moved gently, and her voice was like a baby's. "i just want to hug you. "

"you were the one who said that i can do whatever i want," he added.

Heavens, her breath was sweet and warm. He wasn't feeling hot at first, but now, he wanted to roll down the window.

Chapter 995 the little drunk cat (4)

however, that was obviously not a good idea. he could only endure it and clench his teeth. "qiqi, be good and sit back down. "

Her little head was still moving around, and in the end, she actually fell asleep on his lap.

when he reached a red light, he looked down and sighed in his heart. wasn't he afraid of being uncomfortable?

he wanted to carry her back, but he couldn't bear to. he reached out and rubbed her little head, then drove the car steadily.

When they arrived at the Rose Garden, Tang Yu grabbed her coat and put it on her. He then opened the car door and carried her out.

she was probably in deep sleep, so she obediently let him hold her without struggling at all.

tang yu was planning to do something tonight, but she was sleeping so soundly that he had to give up.

after taking a shower, he came out in only a bathrobe and saw her curled up under the blanket. she was wearing the pajamas he had changed into.

He looked at it quietly for a while, then went to the wine cabinet and poured himself a glass of red wine. As he drank, he looked at the beautiful scenery on the bed.

the beauty was like a painting.

he put down the wine glass, walked over to kiss her, and pulled the blanket away from her arms with one hand, arousing her passion with a thunderous momentum.

The little wolfdog was picked up by him, and it opened its misty eyes to look at him.

tang mo leaned to the side, his fingers gently touching her small mouth as he coaxed her. “qiqi, didn’t you say that you can do whatever you want tonight? hmm?”

pei qiqi wailed and wrapped her little hands around his waist. she rubbed against him like a rascal and said in a soft voice, ” ” tang yu, are you really going to make me do this and that? ”

any man would be hot-blooded! The beast blood in his body was surging.

tang yu’s voice trembled. he laid down and pulled her into his arms. he reached out and touched her little face. in the end, his long fingers landed on her little mouth. he gently touched it. there were a thousand different thoughts in his mind.

pei qiqi laughed evilly and bit him. he let her bite him as if he was watching a dog biting a bone.

after a while, she was done biting and climbed down. she snuggled into his arms and said in a naughty voice, ” tang yu, are you really going to let me do whatever i want? ”

His black eyes were half-closed, and his Adam’s apple kept rolling. He was a little excited.

“later, be gentle.” he pulled her into his arms and pressed her small face down.

however, it only took two seconds before he groaned and lifted her little head.

This little fellow actually bit him.

pei qiqi laughed as she lay in his arms. she bit his neck and said like a baby, ” “I’m already very light!”

However, he did not ask her to bite him. Instead, he teased her.

tang zheng stared at her and actually got up. he took off his bathrobe and walked to the bathroom.

he was slender and well-built, and his muscles were slightly twisted from the back.

the little drunk cat was enticed, and immediately followed him.

in the bathroom, tang zheng stood under the warm water and looked at the puppy that followed him. he ignored her and continued to take a shower.

He was obviously angry!

PEI Qiqi sobered up and knew that she had probably scared him.

when the man was doing that, he was shocked and so he ran away.

she licked her lips and walked over shamelessly, hugging him. ” “i’m sorry!”

Tang Yu lowered his head and looked at the fiery little thing in his arms. He snorted, ” “where did you go wrong?”

“I shouldn’t have bitten you.” She hummed obediently, then lay on his chest and said warmly, ” “I’ll do whatever you want, okay?”

Chapter 996 the little drunk cat (5)

Tang Yu’s dark eyes locked onto her for a long time. Then, he suddenly rolled up her pajamas and tied her up.

she was pushed against the wall roughly by him, and one of his long legs stopped her from moving.

PEI Qiqi felt a little uneasy. She looked at him with teary eyes and meowed like a kitten, ” “tang yu.”

He narrowed his eyes and looked at her ruthlessly. His voice was hot and hoarse, ” PEI Qiqi, you were the one who said I could do whatever I wanted.

In his eyes, there was a faint look of a mature man who was about to do bad things, full of desire. | wang.

Her body was a little hot after being drenched in hot water, but it was a little cold now. It shivered slightly, creating the most attractive scene.

He lowered his head and kissed her. Qiqi, ” he murmured, ” I’ll take good care of you tonight.

As expected, PEI Qiqi was about to cry.

his methods were simply outrageous. before this, pei qiqi only felt that he was getting more and more shameless. | in terms of matters, he still had some restraint and would not force her to cooperate with some outrageous things.

But tonight, he was especially indulgent with Yingluo.

Late at night, PEI Qiqi laid on his chest and pulled. She felt a little regretful. If only Tang Yu had Xiongnu like old kan. Then, she would have something to do after.

Tang mo grabbed her little hand and closed his eyes.”Be good, it’s time to sleep.”

She turned over in his arms and snorted after a while, ” “pei huan asked when we’re getting married again and said that i’ve slept with you for nothing.”

Tang Yan opened his eyes and looked at her. Then, he chuckled, ” PEI Qiqi, what do you think? ”

“It doesn’t matter if you have a certificate or not,” she said, a little angry.

He smiled and whispered in her ear, ” “Does our Qi Qi hate to get married?”

no, no!

PEI Qiqi snorted and didn’t fall for his trick.

tang yu hugged her and confessed in the middle of the night, ” qiqi, in this life, i will only sleep with one girl called pei qiqi. ”

He lowered his head again and searched for her small mouth to kiss it carefully. His voice was a little hoarse, ” PEI Qiqi, don’t you feel particularly honored? took advantage of you?”

PEI Qiqi’s sleepiness was defeated by his shamelessness. She looked at him speechlessly, ” Tang Yu, can you be any more shameless? ”

yes, I do want my face. Because my Xiao Qi Qi likes it. he hugged her and coaxed her like he was holding a baby. ” “be good, time to sleep.”

pei qiqi was in his arms and her voice was muffled, ” i’m not your xiao qiqi. your xiao qiqi is that robot. ”

tang yu said seriously, ” you’ve already locked it in the study! ” Qiqi, I never knew that you would be so decisive when dealing with your love rival.”

The more he listened, the more he couldn’t bear to listen.

pei qiqi decided to sleep and relax for the night. she dreamed of little xin and tang yu.

early in the morning, the moment she woke up, she was kissed. when she opened her eyes, tang yu was already fully dressed. he leaned over and kissed her. his voice was a little hoarse, ” “qiqi, it’s time to wake up.”

She turned her head and looked around, suddenly feeling as if everything had returned to the past. She blinked and pouted.”i’m so tired,”

he smiled and carried her to the bathroom, then went downstairs first.

After so many years, he still had the habit of flipping through the newspaper before breakfast. PEI Qiqi wore a thin dress and went downstairs. She sat beside him and looked over. She smiled, ” it looks like she’s in high spirits.

PEI Qiqi was talking about Shen Lian.

Chapter 997 creating a G55 trap for shen lian (1)

shen lian also practiced the golden bell shield. it was the kind that couldn’t be pierced through. recently, she had been very active in the social circle. pei qiqi was really afraid that she would accidentally become sociable. | Flowers.

Tang Yu folded the newspaper and glanced at her without saying anything.

PEI Qiqi didn’t say anything. She just peeked at him secretly. Tang Yu found it funny.

When they arrived at the company, PEI Qiqi returned to her office. Xiaowen came in, ” boss PEI, this is the information you asked for regarding the G55 plot.

She placed the documents on PEI Qiqi’s desk and looked at PEI Qiqi carefully.

xiaowen had been working for boss pei for a long time, but she had never thought that boss pei was a good person. when she heard that shen lian was interested in this land, boss pei had gone with the flow and had the intention of targeting her.

however, xiaowen didn't dare to say these words. she only dared to keep them to herself.

PEI Qiqi was very serious. After about ten minutes, she looked up at Xiaowen, "Does the auction Committee have an invitation to Boyi?"

"No," Xiaowen shook her head.

"then go and find a way to get one." pei qiqi ordered.

alright, " Xiaowen nodded. it's not difficult. just as she said, it wasn't difficult and was done quickly. she got it in less than two days.

of course, there were no walls in this world that didn't let air in. moreover, pei qiqi purposely let the wind in.

the next day, shen lian found out that bo yi was going to compete as well. she gave pei qiqi a special call, " boss pei, bo yi is such a big company. why make things difficult for a small company? aren't you afraid of lowering your status if word gets out that you're asking for tickets?"

shen lian gritted her teeth as she said that. on one hand, she was unhappy. on the other hand, she really wanted to produce some results to shut the shareholders up.

Jin tai and the rest of the people were already dissatisfied with her. If she didn't produce some results now, they might betray her in the future. That would be a nightmare for her.

pei qiqi held her phone and smiled, "jin taihe isn't a small company. also, boss shen likes the G55 land so much, can't others like it? Such a simple and brutal way is President Shen's business philosophy?"

Shen Lian was never PEI Qiqi's match in a war of words. She could only be ruthless, "pei qiqi, just you wait. i'm definitely getting this land. "

pei qiqi deliberately provoked her,"this is also what i wanted to tell you."

Then, she hung up the phone. It did not matter to her whether Shen Lian was angry or not.

xiaowen happened to be next to him, so she laughed first. " boss pei is mighty. "

then, she said indignantly,"this shen lian is too overbearing. who does she think she is?" the whole world has to give way to her. "

pei qiqi put down the phone and said indifferently, "I'm from a well-to-do family, so I'm used to this."

xiaowen thought so too.

After a while, she looked at PEI Qiqi and pursed her lips, " Boss PEI, do you think I can take the G55 plot? "

pei qiqi took a sip of her coffee and glanced at xiaowen, "if you could, do you think you would wait until now to make a move?"

bo yi's predecessor was sheng yuan, and there were so many elites under him. how could he miss such a big fish?

Just by thinking like this, PEI Qiqi understood a little.

Although she asked Tang Yu and he didn't say anything, from what she knew, this was Meng Qingcheng's suggestion. At that time, many of Jin Taihe's higher-ups were against it, but Shen Lian insisted on doing it ...

Then she might as well send her on her way.

Xiaowen was relieved and smiled. " don't worry, boss pei. i'll definitely cooperate with you in this act. "

Chapter 998 Creating a G55 trap for Shen Lian (2)

PEI Qiqi nodded and suddenly asked casually, " "when are you going to have children with dink? are you really planning to dink?"

Xiaowen complained, 'he said to play for two years first! Really, I work every day and don't go anywhere to play."

PEI Qiqi sighed at poor little Wen in her heart. When dink said play, he meant play with you!

On Jin Taihe's side, Shen Lian angrily threw down her phone. Her face was dark, " who does PEI Qiqi think she is? just because she has Tang Yu behind her, she can be so arrogant!

She looked at Meng Qingcheng and said, 'think of something! I don't want to see PEI Qiqi at the auction."

" president shen, " meng qingcheng said lightly, " you're too impatient. "

"i'm getting heaty!" Shen Lian seemed to have gone crazy as she paced back and forth. she must be after me. She knows that I want that piece of land so she's stopping me! PEI Qiqi is so evil, why does Tang Yu still treat her like a treasure?"

Her tone and eyes were filled with unwillingness.

Meng Qingcheng lowered his eyes. There was a coldness in his eyes that Shen Lian didn't notice.

"What you need to do now is to calm down," he said softly after a long time.

shen lian waved her hand and the documents on the table fell to the ground. her voice was hoarse, Meng Qingcheng, how do you expect me to calm down? "

What she didn't want to admit was that if PEI Qiqi made a move, Jin Taihe wouldn't be able to beat Bo Yi.

meng qingcheng smiled. " there's no way to calm down. you have to! " Too many things have happened recently because you're too impatient. This has caused Jin Taihe to lose many opportunities. Also, you don't have to target PEI Qiqi every time. It's not worth it. "

But how could Shen Lian listen to Meng Qingcheng's advice?

right now, all she wanted to do was to throw that b * tch pei qiqi's face on the ground and trample on it. she wanted to pay back the humiliation she had suffered a hundred times over.

meng qingcheng saw her expression and didn't say anything else.

When he walked out of Shen Lian's office, he smiled and his eyes were deep.

Shen Lian always thought that the people he hated the most were PEI Qiqi and Tang Yu. That was why he went to her.

But how could that be?

He did blame Tang Yu, but the person who killed Tang Xin was Shen Lian!

He wouldn't let her have an easy time. He wanted to see her fall from a high place bit by bit, until she was smashed into pieces.

meng qingcheng's body was surrounded by a cold aura that said, "strangers, don't move."

he was a special existence in jin tai he. he came from the higher-ups of sheng yuan. jin tai and the higher-ups here were polite and guarded against him, but they did not dare to do anything to him.

There was even gossip among the employees that he was Shen Lian's Secret guest who specialized in meeting boss Shen's physiological needs! because of this, meng qingcheng had never explained anything. there was no need to.

not long after he left, shen lian dialed a number. her voice was cold."help me keep an eye on meng qingcheng's every move!"

yes, she had never truly trusted him!

meng qingcheng used to be tang yu's loyal dog, but this dog was too capable. she had to be on her guard.

If she found out that Meng Qingcheng had any bad intentions, she would make him wish he was dead.

Another thing that made Shen Lian suspicious was that she had seduced Meng Qingcheng two or three times, but he wasn't moved at all.

She was worried about using such a man.

Meng Qingcheng got into the car and looked at the rearview mirror. After a while, he laughed coldly and started the car.

Shen Lian had sent people to follow him. She thought that he didn't know about Yingluo's little trick. In his eyes, it was not worth mentioning. Moreover, he also knew that she had been doing something behind his back. She didn't want him to know about it.

Chapter 999 Creating a G55 trap for Shen Lian (3)

on the day of the G55 auction, a total of three pieces of land were auctioned. the other two were the king of lands.

Almost all the real estate developers had come for the two plots of land, so the G55 was a little out of place.

this was exactly what shen lian wanted to see. it would be disadvantageous to her if there were too many people fighting for it!

shen lian seemed to be in a good mood today. she dressed up and even tied her hair up in a bun. her clothes were not that formal either.

meng qingcheng came with her and sat in the first row of seats.

it was nine o'clock. she looked at the two empty seats on the side and smiled coldly.

PEI Qiqi might not be able to come!

she played with her delicate nails and blew on them. it was nothing. she was just returning all the things tang yu gave her to pei qiqi.

Shen Lian's face was filled with pride ...

Sometimes, one didn't have to hold back and just achieved one's goal.

meng qingcheng looked on coldly from the side. he knew what was going on-

Shen Lian's plan was probably going to fail. Did she think that the PEI Qiqi now was still the PEI Qiqi of the past?

however, the old pei qiqi and shen lian couldn't handle her.

But now, PEI Qiqi wanted to buy Jin Taihe. This was indeed not easy.

Just as Shen Lian was feeling pleased with herself and Meng Qingcheng was deep in thought, a series of footsteps sounded in front of them.

shen lian looked up and was a little shocked. pei qiqi was in front and behind her was little wen. there were also two bodyguards. it was a big scene.

Shen Lian's face was twisted from anger. She glared at PEI Qiqi and wondered why she was standing here unscathed.

this was impossible! Absolutely impossible!

pei qiqi was holding something in her hand. when she passed by shen lian, she threw it to shen lian. shen lian caught it instinctively and her face turned white-it was the car's brake pad!

" it's a gift for president shen. president shen spent so much effort on it. it should be kept as a memento! " PEI Qiqi smiled and was very polite. Then, she sat on the side.

xiao wen gave shen lian the middle finger and shen lian was furious!

PEI Qiqi and Xiaowen sat down and didn't look over.

shen lian saw that the auction had not started yet, so she went out to make a phone call. she lowered her voice, but it still carried anger. "what's going on? You can't even handle such a small matter?"

the person on the other side was in a difficult position, "we've been discovered by that woman. let's retreat!" president shen, this is all we can do for your money, please settle the bill!"

"You didn't succeed and you still have the nerve to ask for money!" shen lian's voice was filled with anger.

The person on the other side was not in a hurry. He sneered, "i think the recording of our conversation is only worth a million yuan. president shen runs such a big company, surely you wouldn't be unwilling to give this little money to our brothers who have worked so hard for you? My two brothers were beaten up by that woman's bodyguard and are still lying in the hospital! Let's not talk about it anymore, the five million is over, otherwise, I, Black Tiger, won't be easy to talk to."

After that person finished speaking, he hung up the phone without waiting for Shen Lian to say anything.

This woman was really black-hearted. She wanted to kill someone, but she had to take care of everything. Was this life worth nothing?

To hell with her! He would seize the opportunity to kill her.

shen lian trembled with anger. this bastard, how dare he play a recording game with her?

She squinted her eyes with a touch of hatred, but in the end, she still gave in and obediently transferred 50 billion to a Desperado like Yingluo. She didn't dare to provoke her.

Chapter 1000 creating a G55 trap for shen lian (4)

When he returned to the auction hall, the auction had already started.

the first piece of land was the king of land. the starting bid was 100000 yuan per square meter. in total, it would take at least a few billion yuan to get it. shen lian did not consider it. her eyes were on G55.

the G55 plot was cheap, but it took up a lot of space. she wanted to build it into a new city.

in the end, the king of land was won by a senior real estate agent for 115000 yuan.

The G55 plot was placed at the end, and the starting price was very low, 15000.

because it was by the sea and occupied a large area, the total price would not be low, comparable to that of the king of land.

shen lian raised her board first. " sixteen thousand. "

as she spoke, she looked at pei qiqi provocatively.

pei qiqi just smiled and xiao wen leaned over and whispered, "a typical rich fool."

pei qiqi looked at xiao wen, "as a person, you can't be so mean!" president shen suffered a loss, so i'll have to comfort him later."

Xiaowen stuck out her tongue. boss PEI is so soft-hearted! No way!

There were still people fighting for this piece of land. PEI Qiqi didn't make a move first, but someone had already challenged Shen Lian to 18000. The price increased very slowly after that, increasing by 1000 per square.

when the bid was raised to 19000, that person lost.

Shen Lian was actually a little anxious. Her back was covered in a thin layer of sweat because 19000 Yuan had exceeded her expectations.

PEI Qiqi sent her off again and raised her board, " twenty thousand.

the host on stage laughed so hard that he couldn't close his legs.

However, Shen Lian could no longer smile. She gritted her teeth. PEI Qiqi, don't you think it's not worth it to spend twenty thousand? "

PEI Qiqi acted like a rich fool and chuckled, " "President Shen, if you think it's not worth it, you don't have to call!"

Not following?

How could Shen Lian swallow this?

But when she thought of Jin Taihe's shareholders, she held it in and wanted to give up.

just as she was wavering, pei qiqi received a call. her little face was smiling and her voice was soft, " " well, yes, it's almost done. 20000! "

that should be tang yu!

Shen Lian felt as if she had been fried in a deep oil pan. Her entire body was on fire. She sneered, "twenty-one thousand."

PEI Qiqi kept her phone and tidied it up. There wasn't a call at all, but Shen Lian took it for real.

She looked at Shen Lian with a surprised expression. She was stunned for a moment before she raised her board again."Twenty-two thousand."

"twenty-three thousand." shen lian gritted her teeth.

pei qiqi seemed to hesitate for a moment. then, she lowered her head and discussed with xiaowen for a while before raising her board again, " "Twenty-four thousand."

shen lian was going crazy. she glared at pei qiqi as though she wanted to eat her up.

"The one with the highest price will get it! President Shen, don't you have any manners?" PEI Qiqi deliberately provoked her.

Shen Lian gritted her teeth. of course not!

She raised her board. twenty-five thousand.

as he spoke, he stared at pei qiqi with a death stare, as though he was going to fight to the end.

PEI Qiqi only smiled faintly, " congratulations, President Shen!

Shen Lian had won. However, it was a little awkward for PEI Qiqi to congratulate her.

While she was still in a daze, the host shouted excitedly, ” “congratulations, president shen.”

he was sweating in his heart. this piece of broken land had been auctioned for a sky-high price! She even ran down and took a picture with her sugar daddy, President Shen ...

The next day’s newspaper headlines showed how forced Shen Lian’s smile was.

PEI Qiqi looked at Shen Lian and smiled.
