

The Apple 101

Chapter 101: Do You Want Me to Comply With You?

This man's casual pose was perfect.

A man who looked like this was really a scourge!

Just as Qiao Mu was sizing up a certain man, a gaze suddenly swept over. She did not manage to avoid it in time and was caught red-handed peeping!

The man raised his handsome eyebrows and stared straight at Qiao Mu with his cold and charming eyes. The corners of his lips curled up into a faint smile. His expression was clearly devilish and devilish, yet he could still reply with a "hmm" into the phone in a serious manner.

Qiao Mu was a little embarrassed by his stare. She glared back at him, then slowly climbed onto the bed and lay down beside it.

After a night of torment, she was very tired. After lying down, she closed her eyes and almost fell asleep.

Just as she was in a daze, a large hand covered her waist. The burning body behind her leaned over and immediately woke her up.

The man's deep voice rang in her ears. "Little thing, I asked you to warm the bed and you slept close to it. Do you want me to accommodate you?"

Qiao Mu turned around in shock, but before she could meet his gaze, her lips were already sealed.

His scorching lips came at Qiao Mu without any warning and swallowed her without giving her the slightest chance to react.

Her lips were like a beautiful delicacy, making him extremely addicted to eating them. He wished he could rub her into his body.

A certain part of his body felt unusually uncomfortable and he had no choice but to leave her lips.

The little thing's face was red as she panted heavily. Her big, watery eyes blinked. That look was very tempting!

The color of his black eyes darkened. Li Yan pressed her little head into his arms and said in a hoarse voice, " Warm my bed obediently! "

His body was abnormally hot. His body temperature was transmitted to her through contact, making her feel as if she had a fever.

Her heart was beating faster and faster. She could clearly feel their heartbeats merging together.

Her heart was beating wildly, while his was steady and rhythmic.

Who was warming whose bed?

Her body relaxed bit by bit. She moved slightly in his arms and accidentally touched a part that she shouldn't have touched.

Instantly, his body stiffened and he did not dare to move.

Even though she was very nervous, she was still very tired, so Qiao Mu's breathing soon became even.

However, Li Yan did not fall asleep so easily.

The soft fragrance in his arms was like jade, and his nose was filled with a pleasant fragrance. It was like a waking medicine, making his body that was ready to attack unable to relax at all.

He took a deep breath and looked down at the little girl in his arms.

After the little thing fell asleep, her entire body was soft and her little face was as delicate and clean as a baby's. The little mouth that was pressed against his chest opened slightly and smacked unconsciously. There was also a faint whimper from her nose, just like a little pig.

Li Yan's heart melted completely.

This face was almost identical to ten years ago.

Back then, this little thing was just so cute.

At that time, she was tired of chasing him around, so she sat beside him and leaned against him, snoring away.

After he fell asleep, there was still a trace of saliva hanging from the corner of his mouth. He had always been a clean freak, but he did not feel dirty. He even had the urge to kiss him.

Of course, Li Yan could not bear to do such a perverted act.

However, one day, Qiao Mu returned from kindergarten and excitedly told him that she saw a man and a woman hugging and kissing each other on the street.

At that time, Qiao Mu had tied her hair into two ponytails and pouted. ""Big brother, I also heard that girl say that since she kissed her, she had to be responsible for her.. Does kissing mean that the two of them will definitely be together?"

Chapter 102: You Have to Be Accountable to Me!

Looking at the little thing's infatuated face, Li Yan nodded and replied, " Mm. "

Then, he saw the little girl's eyes shining brightly. She placed her small school bag on the table and shouted, "Big brother, I drew a very beautiful painting today. Come and take a look!"

Little Qiao Mu was lying on the table with a painting in her hand. She kept waving at Li Yan, but Li Yan had no choice but to go over.

Just as he raised his head to look at her and was about to ask her what she was drawing, the little face in front of him immediately moved closer.

Then, their first kiss was gone.

Li Yan did not even have the time to savor the soft touch when he saw the little girl jump far away. She stared at him shyly, but her eyes were filled with pride after she had succeeded.

" Big brother, you stole a kiss from me. You have to take responsibility! " The little girl left behind this sentence and covered her face as she ran away.

Li Yan was speechless.

Li Yan did not know whether to laugh or cry.

This little girl had clearly planned it out.

Be responsible for...

Li Yan really wanted to take responsibility for her. However, when the Li family was preparing to move, he wanted to take her away, but he overheard her conversation with Qiao Ya...

The little thing in his arms moved slightly, interrupting Li Yan's train of thought.

The touch of his body was very real, so real that he did not want to let go.

He gently stroked her hair and tucked her messy hair behind her ear. Her pitch-black eyes darkened.

A low and hoarse voice rang out beside her ear, "'Qiao Mu, you'd better be obedient!"

Qiao Mu, who was in her sleep, seemed to hear something, and with a grunt, she burrowed into that sturdy chest.

After breakfast the next day, Li Yan handed a phone to Qiao Mu.

At the same time, he warned, "Don't leave your phone with you in the future. I don't want to be unable to contact you again."

Qiao Mu looked at the nouveau riche phone in her hand, which was the same model as Li Yan but in a different color. She nodded heavily. " Don't worry, Uncle. I'll definitely cherish this phone and treat it as the most precious gift you've given me! "

Li Yan glanced at her indifferently. " I said I'll give it to you? " Borrowing! Take good care of it. If you lose this, you won't be able to afford it. "

Qiao Mu was speechless.

"You don't have to stay in the school dormitory for the next few days. I'll pick you up every day," Li Yan said.

“Why? Isn’t that inconvenient?”

Qiao Mu had just finished speaking when she received a cold glare. “ How do you know that it’s inconvenient for me? ”

Qiao Mu secretly pursed her lips. Alright, this man must have thought that she played a good role in warming the bed last night.

Li Yan sent Qiao Mu to school and watched her enter the school gate. Then, he picked up his phone and dialed Lei Yi’s number.

‘ Send someone to keep a close eye on Qiao Mu and clean up last night’s matter. This kind of thing must not happen a second time! ‘

Qiao Mu met Han Su at school.

She walked over to greet him and couldn’t help but ask, ““Senior, let me ask you a personal question. Are you in love?”

Even if he was harmed by Yao Shu, he had to let her understand the reason, right?

Han Su was slightly stunned, but then he smiled. “ Mu Mu, are you going to confess to me or introduce me to a girlfriend? ” Forget about introducing a girlfriend. I think you’re quite suitable.”

Qiao Mu rolled her eyes at him. “ Senior, I’m serious. Are you dating Yao Shu? ”

“Who is Yao Shu?” Han Su was baffled.. “ Mu Mu, when did you become so nosy? ” Where did you hear this news?”

Chapter 103: This Person Is Not Han Su

Qiao Mu smiled. "Senior, you're not deliberately hiding your relationship, are you?" What's so shameful about being in a relationship? Yao Shu told me personally that you're secretly dating her. '

Han Su frowned slightly. "Are you kidding me?" Who was Yao Shu? I don't plan on dating before I graduate."

Han Su's tone was serious. When he mentioned Yao Shu, his eyes were very unfamiliar.

Qiao Mu believed in Han Su's character, not to mention that such an irresponsible behavior was something that even a man with a little bit of character would not do.

But at the same time, he couldn't figure out that Yao Shu didn't seem to be making up a story.

If he didn't really misunderstand that there was something between her and Han Su, he wouldn't have helped Qiao Ya plot against her.

She couldn't just suffer a loss for nothing. This matter was simply ridiculous!

Qiao Mu parted ways with Han Su in confusion and walked into the teaching building. Coincidentally, she bumped into Yao Shu.

Yao Shu shot Qiao Mu a sarcastic glance. "I thought you were too ashamed to come to class. I heard that the mayor's son was doing something shameful in his private residence. Qiao Mu, I remember that you were among them that night."

Qiao Mu narrowed her cold eyes. Yao Shu knew what that place was for, but she didn't feel guilty at all!

At this moment, Qiao Mu realized that the roommate she had spent half a year with was so unfamiliar!

Yao Shu's face was full of disdain. " Why are you glaring at me? After doing something shameful, why would he be afraid of others saying it? You pretend to be pure, but you're actually very cheap! "

Qiao Mu raised her hand at Yao Shu and sneered. " What? Do you want to be slapped by me again? "

Yao Shu's expression changed. She was a lady, and she could not compete with Qiao Mu!

Yao Shu turned to leave, but Qiao Mu stopped her and asked coldly, "Am I really dating Senior Han Su? "

"You already know!"

I asked Senior Han Su. He said he doesn't know anyone! "

Yao Shu's expression changed and she glared at Qiao Mu. " Don't try to sow discord between us! "

Yao Shu angrily took out her phone and dialed a number. She then handed the phone to Qiao Mu. " If you don't give up, I'll give you a quick death! "

Looking at Yao Shu's confidence, Qiao Mu took the phone and placed it by her ear. A male voice sounded, ""Baby, we just got together last night. You miss me so soon?

This voice...

"Who are you? You're not Han Su!" Qiao Mu questioned coldly.

Yao Shu snatched the phone, but the call ended.

Yao Shu, this person is not Han Su.

“What did you say? Qiao Mu, how badly do you want to interfere with us? How can you say such a thing!” Yao Shu turned around and left angrily.

Qiao Mu frowned. She could tell that Han Su’s voice was not the same person!

In the afternoon, Qiao Mu took out her new phone and went online. It was only then that she realized that Lin Changhua had been fired from his job after the investigation results were out.

Immediately after, news of Lin Xian’s death spread like wildfire on the Internet. The court was accepting the case, so Lin Xian would not be given a light sentence.

Seeing this message, Qiao Mu felt a little comforted. She opened WeChat and sent Li Yan a message.”Uncle, thank you.”

Actually, she was still very reasonable. She would never be stingy with what she should be grateful for.

She didn’t know what Yu Tingyun and her mother would think when they saw the news. They would definitely think that she had been bullied by Lin Xian that night, just like Yao Shu.

They would never have thought that she was saved by Li Yan.

Qiao Mu’s expression turned colder at the thought of that mother and daughter.. She would not let this matter go just like that!

Chapter 104: Mistaken the Person You Love

In the afternoon, after Qiao Mu’s class ended, Li Yan came to pick her up punctually.

After getting into the car, Qiao Mu was a little absent-minded. She lowered her head, her mind wandering off somewhere.

Li Yan glanced at Qiao Mu indifferently. " Little thing, you're suddenly thanking me for nothing this morning. What do you want to thank me for? "

Qiao Mu raised her head and met the man's gaze. She grinned. " Of course I'm thanking Uncle for helping me deal with the person who bullied me. "

"And then?"

"What?"

"Shouldn't you express your gratitude?"

Of course! But it's not convenient for me now!" Qiao Mu muttered softly.

Then, the man chuckled. " What are you thinking? Did I say that I wanted you to express your feelings in that aspect? He was usually a simple person, but his mind was always in a mess. Really ... You're such a hypocrite!"

Qiao Mu was speechless.

You're the one pretending to be serious! Your whole family is a hypocrite!

It was clearly his tone that was ambiguous and implied something. Other than this, what else could she show?!

Qiao Mu pouted and turned her face to the side. She didn't continue the conversation. All she knew was to tease her!

The corners of Li Yan's mouth curled up. He thought of something and asked, ""Have you settled your personal grudge with your classmate?"

Qiao Mu knew that he was referring to Yao Shu lying to her.

Qiao Mu turned to look at Li Yan. " Uncle, do you think it's possible for a woman to get the wrong person in love? "

"It's possible."

Li Yan's tone was indifferent, and Qiao Mu's eyes lit up. Immediately after, the man's voice sounded again."This woman is sick."

. "Qiao Mu's lips twitched. Alright, what he said did make sense.

No matter how she thought about it, she couldn't figure out why Yao Shu would think that Han Su was her boyfriend!

The man's sharp gaze swept toward Qiao Mu, and he raised his eyebrows. '

Why? Did you get the wrong person in love? "

Qiao Mu was stunned and shook her head vigorously. " Uncle, I'm not sick! "

Only then did the man retract his gaze in satisfaction. He did not forget to reach out and rub her little head, rewarding her with a word,"Be good." Sometimes, this man was like coaxing a child.

Qiao Mu pursed her lips. Did he still think that she was as easy to coax as a five-year-old girl?

It was night.

The hotel room was pitch black.

The curtains blocked everything outside the window. In the dark room, there was nothing but the sound of passionate exercise.

After a while, a woman's voice rang out, "Honey, can we turn on the lights?"

Every time we're together, it's always dark. I want to see you."

'Baby, don't be a wet blanket now. Don't you think our game is very exciting?' the man said.

"Why are you being so mysterious? From the first time we were together, we spent our time in the dark. Can you turn on the lights?"

"Be good, don't mess around. I told you that before we go public with our relationship, we'll be together in this way. Aren't you also very excited? I'm about to graduate soon. When the time comes, we'll definitely be fair and square!"

"But...'

Yao Shu still wanted to say something, but the man started to work harder, making her not have the mood to think about it.

Qiao Mu said that the person on the phone wasn't Han Su, but Yao Shu naturally didn't believe her. How could the man she was with every night not be Han Su?!

They had been together for so long, but Yao Shu had never doubted this man's identity.

When she sent Han Su a message, she was invited to the hotel room. The room was dark, and when she entered, someone pounced on her.

In the dark, she confessed to him and was quickly accepted by him. What made her happy was that he said that he had noticed her a long time ago.

Chapter 105: Thoughts of Leaving

Then, that night, they naturally had sex.

He said that his family did not allow him to date in school, so he hid his relationship as a stranger during the day and went back to being a couple at night.

However, in this relationship, other than calling and texting him on the phone, she could only spend the night in this dark hotel room.

Every time he woke up in the morning, the person beside him would disappear. He was very busy. Sometimes, he would just rush over and leave after he was done.

She had a crush on Han Su for a long time and finally got him. She was especially afraid of losing him, so she could only accept everything about him. However, Qiao Mu took advantage of this hidden relationship, which made her very angry.

Yao Shu felt extremely pleased when she thought about how Qiao Mu had already been defiled by that Lin Xian. That dirty woman could forget about snatching her man!

For the next few days, Qiao Mu was obediently picked up by a car and sent to school. Li Yan seemed to be very busy, leaving early and returning late. Most of the time, Lei Yi was the one who picked her up.

In fact, although they lived under the same roof, they did not have many chances to meet each other. Qiao Mu could not understand why Li Yan wanted her to stay in the Li family.

It was a rare moment of peace, and Qiao Mu's period had passed.

Qiao Mu had nothing to do in the afternoon. When she returned to the dormitory, she saw Chi Xia listlessly shopping online.

Chi Xia looked at Qiao Mu and rolled her eyes. "You're finally willing to come back. Do you know that I've been alone in the dormitory these past few days?"

"I've been so lonely!"

Qiao Mu smiled and replied, "Isn't this what you wanted? You can call your husband overseas without being disturbed."

Usually, Chi Xia would be smiling smugly at this moment, as if she was in love.

However, at this moment, she was supporting her chin and looking listless."

Mu Mu, do you know how many exchange students our school has? There was France Korea Taiwan, and Hong Kong, but there was no United States! If there's an United States, I'll definitely fight for it. Then I can be in the same country as Gu Cheng!"

Chi Xia's eagerness to pursue her husband across the ocean made Qiao Mu feel helpless.

Suddenly, a thought flashed through Qiao Mu's mind, and she asked, ""What are the requirements for applying for an exchange student?"

"I don't know! I didn't ask if there was any United States." After Chi Xia finished speaking, she looked at Qiao Mu. "Hey, don't tell me you're thinking of something?"

Qiao Mu nodded. "This is a good opportunity. It would be even better if we could go and not come back!"

Qiao Mu didn't have many aspirations. She only wanted to leave the Qiao family after graduation. Being an exchange student was a very good opportunity. After leaving this place, she could live her own life freely.

Chi Xia frowned. " Mu Mu, don't be like this. Gu Cheng has already left me. If you leave too, I'll really be alone in the future!"

"It's not even a sign yet. I don't think I can apply for it."

" You can ask Han Su about the conditions to apply for an exchange student. He's from the Student Union and is in charge of these things. He might even have a back door. " Even if she was reluctant, Chi Xia still respected Qiao Mu's opinion.

Qiao Mu's eyes lit up. This was indeed a good idea.

Qiao Mu called Han Su and told him her thoughts.

Han Su smiled and said, " You've found the right person. I can help you with this, but I can't give you a definite answer. As for the specifics, we can only confirm it when you come back during the summer vacation. You can take advantage of the summer vacation to find a company to intern your major. It will be of great help when you go there. "

Qiao Mu hurriedly expressed her gratitude. If she could really leave, that would

be great!

Chapter 106: Those Who Bully Her Will Get Retribution Sooner or Later

With this thought in mind, Qiao Mu felt that she was completely motivated.

It happened to be Friday, so she went straight back to the Qiao family's house. Before Li Yan came to pick her up, she took the bus.

Li Yan was in his office dealing with work when Lei Yi knocked on the door and entered.

"Young Master, the person who followed Miss Qiao just reported that Miss Qiao took the bus home."

Li Yan's hands paused and he raised his eyebrows. "Go home? "

"Back to the Qiao family." Lei Yi explained clearly.

Li Yan pursed his lips. This little thing made her wait for him to pick her up every day. How dare she disobey him!

Lei Yi looked at Li Yan and said, "Young Master, the matter with Lin Changhua has been settled. Miss Qiao has someone following her. She won't be in danger.

The last time he was rear-ended by a truck, it wasn't done by business people. If it was really those people, they wouldn't have done it so easily.

After an investigation, they found out that Lin Changhua had sent someone to do it. Now that Lin Changhua had completely fallen, he no longer had the ability to do anything.

However, the young master's expression seemed to still have some concerns.

Lei Yi could not help but sigh. The Young Master who had always been indifferent to everything was really too concerned about someone.

Li Yan looked at the time expressionlessly, turned off his computer, and walked out with his coat.

Lei Yi was stunned. It was only five o'clock, and Young Master had already gotten off work?

When Qiao Mu returned to the Qiao family, Qiao Ya was the only one at home.

Qiao Ya looked at Qiao Mu in annoyance. " Why did you come back? "

"Come back and complain!" Qiao Mu sat down on the sofa and spoke lazily.

Qiao Ya's expression changed, and she snorted. " Qiao Mu, don't scare me. Do you think I'm scared? " Lin Xian is already in jail, and you only want to complain? Aren't you afraid that Dad will find out about your embarrassing incident and chase you out of the house?"

' Yes, I'm very curious. Who will Dad kick out of the house when he finds out? "

Qiao Mu picked up the apple on the coffee table and took a bite. " Now that Lin Xian is in prison, I've already taken my revenge. Sister, do you think I'm especially lucky? I don't need to do anything, and someone will help me deal with that scum. The heavens are still biased towards me. Those who bullied me will get their retribution sooner or later! "

"You!" Qiao Ya was so angry that she gritted her teeth and sneered. " You believe in karma? I don't know how many times I have to suffer retribution after so many years. Let me think...I locked you up in the house and starved you for a day. I made you fall off the swing. Oh right, there was also a more serious incident. I pushed you into the cold pool in the middle of winter, causing you to be sick for more than a week and almost burn to death."

Qiao Ya smiled smugly. " Qiao Mu, tell me, where's the retribution? "

Qiao Mu's expression instantly darkened.

He clenched his fists tightly to suppress the anger and sadness in his heart.

In Qiao Ya's eyes, her painful memories were like a joke. Even when she mentioned them, she looked happy.

Qiao Mu threw the apple in her hand at Qiao Ya, and with a scream, the apple

fell beside Qiao Ya's feet.

Qiao Mu smiled apologetically. "Sister, my hand slipped..."

All this while, Qiao Mu had never resisted. She would silently endure it when she was hit and never bicker with Qiao Ya. Qiao Ya turned pale with fright when she suddenly resisted, and she angrily roared,

Qiao Mu, you've grown bold. Hurry up and apologize to me! '

Qiao Mu couldn't be bothered with her and went straight upstairs.

After lying in the room for a while, Qiao Mu vaguely heard Qiao Jiannan and Yu Tingyun return downstairs, so she prepared to go downstairs. When she walked out of the room, she saw Li Yan in the corridor!

Chapter 107: Uncle, Let's Talk It Out

When Qiao Mu turned on her phone in her room, she saw a missed call from Li Yan. Perhaps she did not hear it when she was on the bus.

She wanted to call Li Yan back, but she heard some noise downstairs. She put away her phone and went out, thinking that she would call Li Yan back after she was done with her business.

The purpose of her return today was to discuss with her father about her internship at the Qiao Corporation during the summer vacation and prepare for her application for an exchange student next semester.

However, Qiao Mu never expected that the moment she stepped out of the room, Li Yan, a living person, would stand right in front of her. She was so shocked that her mouth unconsciously gaped open, and she was stunned on the spot for a few seconds before she could react.

The man's sharp gaze landed on Qiao Mu. His expression was indifferent, but the danger in his eyes was familiar to Qiao Mu.

He opened his mouth and asked blankly after a while, "Uncle, why are you ...

Here?"

"You can be here, but I can't?" A light sentence came out of the man's mouth.

. "This was her home. It was normal for her to be here.

Li Yan strode forward as if nothing had happened and inched closer to Qiao Mu. Qiao Mu subconsciously retreated. From her angle, she could see the servants walking around downstairs, but she could not see them from downstairs.

However, this was the Qiao family. What was he doing so brazenly?

Qiao Mu couldn't help but become nervous and gulped. " Uncle, don't come any closer. Let's talk things out! "

"Why didn't you answer my call? Didn't I say that I can't be uncontactable?" Li Yan forced Qiao Mu against the wall and pressed one hand against the wall behind her, his dark eyes staring at her.

" Um, I put my phone in my bag. I didn't hear it. "

It was true that she didn't hear it, but she did see the missed call. However, of course, she couldn't admit that she didn't reply immediately when she saw the missed call.

“Oh? Is that so?”

Li Yan’s tone was lazy as he glanced at Qiao Mu’s pocket. Qiao Mu looked down and saw the phone sticking out of her pocket. She wanted to bite her tongue off.

She smiled awkwardly and said, “ Uncle, um, my phone was in my pocket. I forgot when you called me. I really didn’t mean to not pick up your call. ”

‘ Little thing, you did manage to keep your phone with you, but you ignored my call. Do you think I should ‘reward’ you? ”

At this moment, the man had already leaned over. His face was pressed against her, and he was less than five centimeters away from her.

Qiao Mu held her breath. Normally, she would just have to deal with him.

However, this was the Qiao family’s house, and he would come at any time. This tense atmosphere made her not have the mood to deal with this man.

Qiao Mu grabbed the corner of his shirt and stared at him pitifully. “ Uncle, let’s talk things out. Can we not talk about it here? ”

“Why are you so nervous? This is your house. What can I do to you?” “It was because this was her house that she was afraid, alright?”

Suddenly, she heard footsteps approaching the corner. Qiao Mu’s eyes widened, and she did not have time to think. She pushed Li Yan away, turned around, and fled to her room.

She wanted to lock Li Yan outside the door, but this man followed closely behind and stood at the door of the room, making it impossible for her to close the door!

At this moment, Qiao Ya's voice sounded from the corner. ""Uncle, are you there?"

She did not have time to push him away, so she could only drag the man into her bedroom and quickly put him behind the door.

Whoosh!

That was close!

Chapter 108: Who Said You Can't Be Mine?

Qiao Mu leaned against the door and was about to heave a sigh of relief to ease her nervousness when she raised her head and saw Li Yan staring at her with a deep gaze.

The atmosphere instantly became tense again.

Li Yan's lips curled up, and his black eyes were glowing. " Little thing, why did you take the initiative to drag me into your room? Are you that impatient?" Qiao Mu was speechless.

Which eye of his saw that she was impatient? She was clearly forced to do so, alright?

There were still footsteps outside the door. Qiao Mu secretly glared at Li Yan and mouthed silently, ""What are you doing here?"

"What are you doing? Of course, you're the one who's disobedient, so I'm here to teach you a lesson!" His deep voice was very magnetic and pleasant to hear, but it carried a hint of danger. " You secretly ran home and completely forgot what I said? "

Qiao Mu pursed her lips indignantly. Did she need to sneak home?

She wasn't his pet. She had her own freedom!

Li Yan raised his eyebrows. " Why? Are you not convinced? "

Li Yan's eyes darkened when he saw her pouting. This little thing was too seductive!

She had no idea how seductive she was. Just one expression was enough to ignite his hidden fire, and he wanted to swallow her whole!

As danger approached, Qiao Mu immediately smiled and shook her head. " How would I dare, Uncle? I'm very convinced! "

Of course, she was not convinced. If he lent her some courage, she would definitely let him see what it meant to be unreasonable!

Li Yan's coquettish eyes narrowed, causing Qiao Mu to instantly become nervous.

There were still light footsteps outside the door. Qiao Mu was being pincerred from both sides!

At this moment, the man reached out and placed his hand on the door handle behind her.

Qiao Mu was startled.

He, he, he...What was he trying to do!

' pfft! " The man chuckled and teased, " Why are you looking so scared? I'm just teasing you!"

Qiao Mu was furious and glared at Li Yan fiercely. Suddenly, a force wrapped around her waist and pulled her forward, pressing her body against a firm chest.

Then, a large hand pressed against the back of her head, and the man's lips pressed against hers.

Qiao Mu's little heart thumped wildly when she saw this action.

The kiss continued intensely. The unique scent of a man enveloped her from all directions.

Qiao Mu only felt her body go limp, and her ears burned terribly.

Qiao Ya's voice came from outside the door. ""Uncle? Aren't you here? Strange...

Didn't you say you were going to the bathroom? Where did she go?"

Qiao Mu suddenly sobered up. She nervously clenched her small fists and pounded them on his chest, but the man remained unmoved.

A hoarse voice sounded in his ear, ""Is your period over?"

Qiao Mu's eyes widened in shock. Suddenly, she felt a chill. Her pants had been unbuttoned...

This bastard! Could it be that he really wanted to stay here...

Then, her body was lifted up and placed on the big bed.

Qiao Mu lowered her voice, her tone trembling in panic as she warned in embarrassment, ""Li Yan, don't do anything rash!"

"Hmm? I want my woman. This isn't considered fooling around!" Suddenly, someone knocked on the door.

Qiao Mu's body instantly stiffened as she glared at Li Yan in horror.

However, the man acted as if it had nothing to do with him. He looked calm and continued to do his own thing.

"Hey, we'll be discovered!" Qiao Mu was so anxious that she almost vomited blood.

Li Yan's lips curled into a smile. "Just admit it if you find out. Do you really think I'm your uncle?" "We're not related by blood. Who says you can't be mine?"

Chapter 109: Can't Escape From My Palm!

Qiao Mu was speechless.

That was not the case at all, alright?

If he was really found out that he was not a member of the Qiao family, who could control him?

Even if Yu Tingyun was his cousin, with this man's status, it was impossible for him to interfere in his private life.

But what about her!

In this family, Yu Tingyun was her stepmother, but her stepmother's relatives were also her relatives!

Her father was such a conservative person. If Yu Tingyun were to fan the flames, she would be in a terrible situation!

Qiao Mu was so anxious that she was on the verge of tears. She looked at Li Yan with pleading eyes. " Uncle, let me off this once. I promise I'll definitely listen to you in the future! "

Li Yan's lips curled up, and his expression was extremely evil. " If I don't let you off, are you going to not listen to me in the future? "

This scoundrel!

It was simply infuriating!

The knocking stopped for a moment before it rang again. This time, it was very hard.

' Qiao Mu, what are you doing inside? I didn't hear you when I knocked. Are you deaf? '

"Wretched girl, open the door quickly. Uncle is here. Are you hiding in the room?"

"You're really unpresentable and useless. Anyway, Uncle isn't here to see you. You'd better not come out!"

Qiao Ya suppressed her anger and shouted outside the door. Qiao Jiannan was at home, so Qiao Ya did not dare to be so brazen.

Qiao Mu's heart was in her throat, and she was extremely nervous.

Just when Qiao Mu thought that Qiao Ya had given up imocking, Qiao Ya's angry voice suddenly sounded again. ""' You dare to ignore me? You wretched girl, are you trying to piss me off?! "

Qiao Mu's nerves were tensed to the extreme. In this extremely tense situation, a certain man still stayed out of it, seemingly very dissatisfied with her lack of concentration. He kissed her fiercely and captured all her attention.

Bang!

A loud noise came from the door.

Qiao Mu widened her eyes in shock. At the same time, the man's body sank and buried himself in her.

NO!

Qiao Mu widened her eyes and was completely defenseless. Her low cries were already in her throat, but they were completely blocked by his kiss.

A thin layer of sweat appeared on his forehead. He did not know whether it was from nervousness or pain.

Her almond-shaped eyes widened as she stared at Li Yan angrily. She opened her mouth and bit the hand that was touching her face. It could not offset her fluctuating emotions at all.

Perhaps it was because his anger had been vented, but the pain in his body slowly disappeared.

Finally, her thoughts were taken away by the man bit by bit. She was like a small boat in the sea, completely under his control.

This was their third time!

It was really a mistake that would cause eternal regret!

In the midst of extreme danger and nervousness, Qiao Mu felt mentally and physically exhausted.

After that, she saw the man's refreshed look and gritted her teeth as she cursed, "Li Yan, you bastard!"

“Little thing, you don’t mean what you say. You clearly like it very much.. ‘

“Shut up!” Qiao Mu’s face flushed red as she glared at him with her eyes wide open in embarrassment.

Like your sister! Could he not be so shameless?

Li Yan’s large hand caressed Qiao Mu’s wet back. It was as if he had a magical power, and it was like an electric current that made Qiao Mu shudder.

‘You ... What else do you want?’ Qiao Mu’s face was filled with nervousness and wariness.

‘ Why are you so nervous? Do you think I’ll eat you up?

He had already eaten her, alright?

How thick-skinned must he be to say such words as if nothing had happened!

Immediately after, Da Shuang pinched her cheeks. The man’s tone was calm and his voice was low and hoarse. ” Little thing, don’t think that you’re safe just because you’re back at the Qiao family’s house.. The person I want, even if she runs to the ends of the earth, she can’t escape from my grasp! “

Chapter 110: Didn’t See Uncle

Qiao Mu’s body stiffened.

Why did this man’s casual words make her feel terrified?

When she thought of her next plan, Qiao Mu's face could not help but turn pale. She secretly gritted her teeth. She wanted to see if he could control her!

Qiao Mu hurriedly tidied up and sneaked out of the room. She only heaved a sigh of relief when she saw that there was no one around.

He suddenly felt guilty.

She clearly came out of her room, so why was she sneaking around like this?

She tidied her clothes and went downstairs openly.

Li Yan was still in her room. She did not know why he came to the Qiao family's house, but he spent so much time in her room the moment he arrived. It would be strange if no one could find him!

Downstairs, Qiao Jiannan was sitting on the sofa. Qiao Mu walked over and said with a smile, "Daddy, when did you come back? I was lying in my room just now and fell asleep. I didn't hear you come back."

Qiao Jiannan smiled. "You deliberately went downstairs at mealtime, didn't you? You're quite lucky."

Qiao Mu chuckled, and Qiao Ya glared at her.

"Mu Mu, you're really in a deep sleep. You didn't even hear me when I knocked on the door to call you!"

"Qiao Ya had a smile on her face, but her eyes were filled with anger."

"Sis, I'm sorry. I've been too busy studying recently and have been staying up late. I fell asleep just now and didn't hear anything."

Qiao Ya cursed in her heart, but Qiao Jiannan reminded Qiao Mu to take care of her body out of concern, which made Qiao Ya even more unhappy!

Yu Tingyun, on the other hand, had been standing by the side with a smile on her face. She looked like a skilled hostess.

“Have you seen Uncle?” Qiao Ya suddenly asked. Uncle went upstairs. I don’t know where he went!”

Qiao Mu feigned surprise. “ Ah? Is Uncle here? I didn’t see him!”

“I’m here.” A light voice sounded in the corridor. The man walked down the stairs calmly.

Qiao Ya stood up immediately. “ Uncle, where have you been? ” I looked for you for a long time and thought you were lost!”

“Lost?” Li Yan raised his eyebrows. “ Do you think your house is so big that I’ll get lost? ”

Although the Qiao family and the Li family were neighbors, the Li family’s villa was much bigger than the Qiao family’s.

Qiao Ya choked until her face turned red. Qiao Mu lowered her head and secretly rejoiced.

One word, awesome!

Qiao Mu truly felt that Li Yan’s verbal skills were too cool when used against others!

Of course, every time he made her angry, he would feel like slapping her!

Qiao Ya smiled awkwardly and changed the topic. “ Then what has Uncle been doing for so long? ”

“I smoked a cigarette on the balcony.”

He smoked this cigarette for almost an hour?

Only this man could say such unconvincing words calmly.

Qiao Ya was very puzzled. She had clearly checked the second floor, but there was no one on the balcony!

Qiao Ya wanted to ask more questions but was interrupted by Qiao Jiannan. ‘ Young Master Li, let’s go to the dining room to eat. ’

Nani?

Li Yan wanted to stay at the Qiao family’s residence for dinner?

Qiao Mu’s expression stiffened. Why didn’t he go back to his own house? Why did he have to come over for dinner when she was home?!

Li Yan glanced at Qiao Mu indifferently and took in all the expressions on her face. He nodded at Qiao Jiannan and said in a very friendly tone, ” Brother-in-law, I’m your cousin by the rules. You called me whatever you called me when I was young. It’s the same now. ”

Qiao Jiannan laughed out loud. ” Alright, Ah Yan, our family will not stand on ceremony! ’

When Yu Tingyun heard this, the smile on her face deepened. However, seeing Qiao Jiannan lower himself to Li Yan, a junior, made her feel very unfair..
