Chapter 131: Yao Shu Was Fired From School

Qiao Mu shook her head. She could feel the man's breath hitting her cheeks, causing her face to blush.

When she took the initiative to approach him, she didn't feel anything. Why did her heart beat faster every time he leaned towards her?

She pursed her lips and stared nervously at the man's face in front of her. She reminded him, "Uncle, it's still early..." "It's getting late. I'm already sleepy."

Qiao Mu was speechless.

Why were his eyes glowing and staring at her like a beast?

However, Li Yan did not give Qiao Mu any more time to think. He pressed his lips against hers, hooked his long arm around her petite body, and fell toward the sofa.

Following Qiao Mu's low cry, the flames in a certain man's body were instantly ignited, and it became uncontrollable.

The temperature in the room instantly soared.

The kiss landed completely, and wherever it went, it evoked a trace of numbness, causing Qiao Mu to involuntarily tremble.

Even though she had experienced this unfamiliar feeling a few times, she still could not control it.

A flirtatious sound came from the room.

Qiao Mu only felt the air in her nostrils getting thinner and thinner, and only a man's unique scent remained.

Soon, all of his consciousness was taken away.

After an unknown period of time, just when Qiao Mu thought that everything was over, a certain man once again raised his saber and went into battle. He did not have the slightest intention of letting her off so quickly!

Seeing Qiao Mu's flustered expression, the man curled his lips and consoled her in a low voice. "I spent money to buy a bed and a half, so I naturally have to properly examine it to see if the money was worth it."

After a pause, he pressed his lips against her ear with a hint of seduction. "So, let's take it slow tonight." Qiao Mu was speechless.

Test your sister!

You've already taken advantage of me enough, and now you're shamelessly talking about testing me!

That night, Qiao Mu made full use of the bed.

Behind her, a certain man asked angrily, "Aren't you going to school? Shall I send you there?"

Qiao Mu could only use her mouth to exert strength, and she fiercely ground her teeth, really wanting to bite him.

She had already been eaten by him, so why was she still going back to school? He knew the answer!

Besides, how could she have the strength to get out of bed now that she was so exhausted?

The next day, Qiao Mu slept until late in the morning.

When they arrived at school, there was only one class left in the morning.

Qiao Mu sneaked into the classroom and Chi Xia glared at her. " You've been neglecting your work lately. Something big happened when you didn't come this morning! "

"What is it?" Qiao Mu asked casually.

"Yao Shu was expelled from school."

Qiao Mu's eyes widened in shock as Chi Xia continued with an exaggerated expression, "" She's actually pregnant. The school found out and expelled her! "

Qiao Mu knew that Yao Shu would definitely pay the price for this matter, but she did not expect it to be so straightforward.

Chi Xia looked at Qiao Mu. " Why aren't you surprised that she's pregnant? "

"Yao Shu told me before."

"She told you? Didn't you guys have a bad relationship? Is she going to show off her pregnancy to you?"

Qiao Mu shrugged. " She thinks that this is a good thing. She's very happy that the person she likes is pregnant, so we don't have to worry about her. "

In the afternoon, Qiao Mu and Chi Xia went to have lunch outside the school and saw Yao Shu moving her things out of the school.

Chi Xia was puzzled. " Why hasn't the person she likes shown up yet? "

Yao Shu saw Qiao Mu from afar and immediately threw away the things in her hands before pouncing toward Qiao Mu. Fortunately, Qiao Mu reacted quickly and dodged the arm that was swinging toward her in time.

"Yao Shu, what are you doing?" Chi Xia asked angrily..

Chapter 132: Her Partner Was Not Han Su

"Get out of the way!" Yao Shu glared at Qiao Mu with bloodshot eyes. " Qiao Mu, you're too sinister. You reported my pregnancy to the school and now I'm expelled. Are you happy now?! "

Qiao Mu frowned. " It's your own fault that you were fired. Don't blame it on me. Do you think everyone else likes to play dirty tricks like you? "

"I only told you about this. Who else could it be?"

Yao Shu pushed Chi Xia away. " Qiao Mu, don't be too smug. I'll be the Young

Mistress of the Han family from now on. Let's see who can be smug until the

end! "

Chi Xia couldn't stand it anymore. " Yao Shu, are you done? Mu Mu did offend you. Even if you're dating Han Su, what does it have to do with her? I advise you not to be so angry if you want to keep the child!"

"You!" Yao Shu was so angry that her face turned red.

Qiao Mu took out a pen and paper from her bag, wrote down Han Su's phone number, and handed it to Yao Shu. " This is Han Su's phone number. Yao Shu,

Han Su told me personally that he's not dating you. You can call him yourself. '

' Do you need to give me his phone number?! "

" The call you made last time was not Han Su's voice. Call this number. "

Qiao Mu had already done what she could. She did not hate Yao Shu, but she felt that it was quite a pity that the originally quiet girl had suddenly changed beyond recognition.

Yao Shu looked at the phone number on the paper and smiled coldly. " Alright, if you still don't believe me, then I'll call him in front of you! "

Yao Shu took the phone and entered the number, then dialed the number.

However, this number was not the number of her " husband " that she had saved in her phone.

Soon, the call was connected, and a magnetic male voice came through. Hello,

I'm Han Su. '

Yao Shu held her phone in shock and didn't come back to her senses for a long time.

She would call " Han Su " every day. He would whisper sweet nothings in her ear every night. Yao Shu knew his voice very well.

However, the voice on the other end of the phone was a completely different person.

Yao Shu suddenly remembered that she had seen Qiao Mu and Han Su together once, and she had gone over to greet them. At that time, Han Su's voice was the same voice on the phone.

The voice on the other end of the phone sounded again. "Hello? Are you there?"

Who are you?"

Yao Shu could barely hear her own voice as she said mechanically, "You ... You're not Han Su!"

Qiao Mu and Chi Xia looked at each other and felt that something was off about Yao Shu.

Qiao Mu took the phone from Yao Shu's hands and said into the phone, "Senior

Han Su, it's me, Qiao Mu. "

Han Su laughed. " Mu Mu, who was that person just now? "

' She's Yao Shu. I've mentioned her to you before. She's my classmate.

"Yao Shu?" Han Su sounded confused.

At that moment, a car stopped in front of them. The door opened, and Han Su held her phone in her hand.

Qiao Mu noticed that Yao Shu's eyes widened in disbelief the moment she saw Han su.

The next second, Yao Shu pounced on Han Su and grabbed Han Su's clothes with both hands. " Han Su, it's me! " I'm Yao Shu!"

Han Su frowned, and her face turned cold. She took a step back. "You're the one that Mu Mu said she was dating?" Excuse me, do we know each other?"

Yao Shu shook her head in disbelief. She quickly took out her phone and dialed her husband's number in her contact list. Soon, the other party picked up. It was a familiar voice, and there was some impatience in it. "Didn't I tell you not to call me during the day? I'm very busy.."

Chapter 133: You Must Chase After Mumu

"How can this be, how can this be..." Yao Shu mumbled to herself and then ran away out of control.

Qiao Mu was now certain that the boyfriend Yao Shu mentioned was really not

Han su.

Han Su looked innocent. "Mu Mu, is your classmate mentally ill?"

"I don't know what's going on either." Qiao Mu shook her head.

Chi Xia smiled. "Senior Han Su, I thought you were really a scumbag. I misunderstood you. '

Han Su shrugged indifferently. "Are you going out for dinner? Let's go together. Tell me what's going on while you're at it.

Since someone was treating them, there was naturally no reason not to go.

In the dining room, Han Su understood what was going on and sighed. 'Fortunately, the misunderstanding has been resolved. Otherwise, I would have been treated as the child's father! '

Chi Xia put the food into her mouth and smiled, “No, Mumu believes that your character won’t be that bad.”

Han Su looked at Qiao Mu and joked. “It’s a pity that I don’t plan on dating before graduation. Otherwise, with Mumu’s trust in me, I would definitely woo Mumu!”

Qiao Mu picked up a piece of spicy stir-fried chicken and chewed it delicately before replying, “Senior, I don’t plan on dating before graduation either.”

“That’s good. I can wait for you to graduate.”

Qiao Mu was speechless.

Chi Xia came to his rescue at the right time. “Senior, don’t even think about Mu Mu. Mu Mu is already taken!”

“Oh? If you don’t plan to fall in love, how can you be taken?”

Qiao Mu lowered her head and ate, ignoring these two useless people. She thought that when she returned to the Li family home at night, Li Yan would not let her eat too much because of her weak stomach, so she would eat more of her favorite food for lunch.

She didn’t like spicy food when she was young, so she never had spicy dishes when she ate at the Li family’s house. Occasionally, she would come out to eat Sichuan-style food, which was quite satisfying.

Just as Qiao Mu was eating with her head lowered, Chi Xia nudged her with her elbow. She looked up in confusion and was shocked to find Li Yan standing right in front of her.

Qiao Mu’s mouth widened exaggeratedly. Was she seeing things?

There were not many people in the restaurant. When Li Yan entered the door, he saw a familiar figure at first glance.

She seemed to be eating happily and was smiling at the man opposite her. That smile was very natural.

Li Yan's dark eyes darkened when he saw the relaxed state she was in when she was with a friend. She was always like a little fox in front of him. She was either scheming or bootlicking. She had never been so natural before.

At this moment, she was just an 18-year-old girl chatting happily and eating happily.

Ling Xi, who was behind him, shouted, "Big brother is too stingy. I went to that godforsaken place for more than a month. When I came back, I had to be treated to a Manchu Han Imperial Feast. I came to a place like this for a meal. I'm really not valued!"

Lu Jingzhi glanced at Ling Xi. "Please get this straight. It's your third brother today. My treat!"

Ling Xi scoffed. "You're the third in line. You're indeed a mistress. You're not

presentable."

Even though the people behind him were chattering non-stop, Li Yan could still hear the conversation coming from the table. "You must get Mumu."

"I don't plan on dating before graduation."

"I can wait for you to graduate."

Every word was heard clearly by Li Yan. It was as if there was ice and snow in his ears, causing Li Yan's eyes to turn as cold as winter..

Chapter 134: Meal, Chance Encounter with Uncle

He stopped in his tracks. The little thing raised its head slowly and looked at him in surprise.

“Uncle?” Qiao Mu was stunned for a few seconds before she softly called out.

Why was he here? Why did she suddenly feel that this huge city of Beijing was so small? She could see him everywhere!

Qiao Mu only took a glance at the man before she noticed that he did not look well.

Qiao Mu immediately reflected on herself. This diligent beast was clearly very satisfied last night, and he left as soon as he woke up. She was sure she didn't make him unhappy!

Li Yan glanced at Qiao Mu with a cold and handsome face, and his thin lips moved. “Are you eating?”

“Yes, I'm eating with my classmates.” Qiao Mu explained.

Ling Xi stared at Qiao Mu from the side. After a few seconds, he finally remembered and pointed at Qiao Mu in realization. “You're Eldest Brother's...”

Before Ling Xi could finish his sentence, Li Yan's cold gaze swept over him. He immediately shut up.

Han Su stood up and greeted Li Yan. Then, he asked politely, “Mr. Li, do you want to join us?”

“Alright.”

Han Su had just asked when Li Yan agreed readily.

Everyone else was stunned.

Ling Xi didn't know what was going on. Wasn't it just a simple welcoming party for him today? Why did Yang want to eat at the same table as others?

Before Ling Xi could say anything, Lu Jingzhi had already dragged her away. ' Let's go. Why are you still standing here? Do you want to sit at the same table as them? '

Ling Xi glanced at Li Yan. This man seemed to be in a good mood at first, but it seemed like his expression changed after entering the restaurant. There was indeed something fishy going on!

Ling Xi and Lu Jingzhi went to the private room upstairs. Ling Xi said excitedly, ""Did you see that? That little beauty just now is the one I saw in Big Brother's office last time. She's Big Brother's woman!"

After Ling Xi finished speaking, he frowned when he saw that Lu Jingzhi was not interested at all. " Why aren't you gossiping anymore? " Wait, what happened in the month I was gone?"

Downstairs, at the long table for four, Qiao Mu and Chi Xia sat on one side, Li Yan and Han Su sat on the other side, and Li Yan and Qiao Mu sat opposite each other.

The originally relaxed atmosphere instantly turned heavy because of Li Yan's participation.

' Mr. Li, " Han Su said with a smile, " what else would you like to order? Please add more dishes. "

"We do need to add more dishes." Li Yan glanced at the dishes on the table. "

They have a strong taste. They're all Sichuan dishes. They don't suit me. '

These words were spoken lightly, but Qiao Mu could hear the smell of gunpowder.

Was he unhappy that she ate spicy food?

‘ So Mr. Li doesn’t like spicy food. ’ Han Su continued, ‘ It seems that Mu Mu doesn’t like spicy food like you. ’

Qiao Mu was speechless.

He wasn’t her father, so why should she take after him?

Han Su knew Qiao Mu’s status in the Qiao family, but he did not know that Li Yan was actually a relative of Qiao Mu’s stepmother. He thought that Li Yan was Qiao Mu’s biological uncle. The Li family and the Yu family had not interacted for many years, so it was normal that he did not know about their relationship.

The corners of Li Yan’s lips curled up, and he looked at Qiao Mu with a faint smile. ‘ Yeah, not like me! ’

Qiao Mu’s lips twitched and she smiled, She enthusiastically added a piece of chicken for Li Yan. ‘ Uncle, eat this. It’s delicious. ’

‘Delicious? Looking at the plate full of red peppers, I feel my stomach burning before I even eat it. I think my stomach will hurt after eating it.

Qiao Mu was speechless.

He was speechless!

Chi Xia silently felt the unpleasant atmosphere. She looked at Li Yan and then at Qiao Mu.

Then, Chi Xia whispered into Qiao Mu’s ear, ‘ ‘ ‘ It seems like you’ve successfully pulled a powerful enemy into your camp! ‘ ‘ ‘

Chapter 135: You Haven’t Made Uncle Your Friend?

Qiao Mu's smile froze. She glared at Chi Xia and warned in a low voice, ""Don't give me trouble!"

Chi Xia ignored Qiao Mu's uneasiness and continued to tease her. " Haven't you made your uncle one of us yet? " You're too inefficient! He's a ready-made tall, rich, and handsome man. It's a waste not to want him!" Qiao Mu was speechless.

This bad friend, could he not give her more trouble?

Li Yan was ordering food from the menu when he heard the two people whispering to each other. When he heard Chi Xia's words, he turned his gaze to Chi Xia and took a proper look at her.

This classmate of Qiao Mu's had quite good taste.

Chi Xia did not know that Li Yan had already classified her as a worthy friend of Qiao Mu's just because of what she said.

Li Yan added three more dishes. When the dishes were served, Qiao Mu realized that these three dishes were all light vegetarian dishes.

Qiao Mu looked at the plate of stir-fried broccoli, then looked at the red Spicy Boiled Fish. Indeed, the latter was more appetizing.

She moved her chopsticks and just as she picked up a piece of Spicy Boiled

Fish, she felt a cold gaze sweep over her head and her movements immediately froze.

The man opposite her looked at her with a sharp gaze, a faint smile on his lips as he quietly gazed at Qiao Mu.

Qiao Mu was about to put the fish meat into her bowl, but in the next second, her hand that was holding the chopsticks turned and placed it into Chi Xia's bowl.

"Xiaxia, don't you love Spicy Boiled Fish? Eat more!"

Chi Xia was slightly stunned. Since when did this girl treat her so well? She had never taken the initiative to pick up food for her!

Qiao Mu secretly sighed and resigned herself to her fate as she picked up a stalk of Chinese broccoli and started eating.

The corners of Li Yan's mouth curled up slightly, and the coldness on his face dissipated a little.

Thinking of their conversation just now, Li Yan turned to look at Han Su. 'Young Master Han seems to be very familiar with my Mumu.

"Cough-

Qiao Mu violently choked. The food stuck in her throat, and she started coughing uncontrollably.

She quickly took a sip of water to stop her coughing. She wiped the corner of her mouth with a tissue to hide her embarrassment.

What did Li Yan say?

My Mumu?

This man was simply too thick-skinned. When did she become his?!

Han Su looked at Qiao Mu and smiled. " Mu Mu, no one's snatching it from you.

Eat slowly. "

Li Yan's expression turned cold as soon as he said that.

Only then did Han Su answer Li Yan's question. " Mr. Li, I am indeed quite close to Mu Mu. "

' Oh, you're so familiar with her that you want to pursue her? "

Han Su was stunned. He could vaguely feel the coldness in Li Yan's eyes when he said that. This reminded him of the first time he met Li Yan. This man had coldly told him not to appear in front of Qiao Mu again. Han Su had treated Li Yan's attitude at that time as protection for his child.

Although Han Su felt that something was wrong, he didn't think too much about it. He just explained, ""Mr. Li, I was just joking. Mumu and I are just friends for the time being." Temporarily.

This word was used very well!

Li Yan pursed his lips and looked at the little thing who wanted to stay out of it.

Qiao Mu had no choice but to raise her head and smile at Li Yan. " Uncle, I don't plan on dating before graduation. You don't have to worry about my studies. '

Li Yan's deep black eyes lifted slightly. It was impossible to tell if he was satisfied with this answer.

The atmosphere of the meal was stiff.

After the meal, Qiao Mu took out medicine from her bag and consumed it.

“What medicine is this?” Chi Xia asked. Are you sick?”

“Stomach medicine. My stomach wasn’t feeling well two days ago, but it’s fine now..”

Chapter 136: Won’t Fall In Love Before Grading

Han Su frowned when he heard that. “ Mu Mu, you have a weak stomach, but you still come here to eat Sichuan cuisine. You should take care of yourself. ”

Qiao Mu quickly glanced at Li Yan. Although she was answering Han Su’s question, she was speaking to Li Yan. “ It’s because Xiaxia wants to eat it. She’s too greedy! ”

Chi Xia was speechless.

Chi Xia was innocent. She was the one who wanted to come, but now she had pushed it away!

Qiao Mu got up and went to the bathroom. As soon as she stepped out of the bathroom, a strong arm wrapped around her, and she landed on a firm chest in the next moment.

She panicked. Then, she smelled a familiar minty scent that belonged to Li Yan.

Qiao Mu raised her head and smiled with narrowed eyes as she called out, ““Uncle, why are you here?”

Li Yan pressed Qiao Mu against the wall, lowered his head, and kissed her on the lips.

The tongue went straight in, menacingly.

Before Qiao Mu could react, the man had already acted recklessly in her mouth!

This man was getting more and more impudent. He was doing evil things to her regardless of the occasion!

Qiao Mu pressed her hands against her chest and pushed him hard before she could catch her breath. "Uncle, why did you kiss me the moment you came up?!"

Li Yan narrowed his eyes and stuck out his tongue to lick her lips. "I want to taste if it's chili in your mouth."

Qiao Mu's expression stiffened, and her face turned red. Her entire body went limp from his frivolous actions.

As expected, this man was unhappy because she ate spicy food.

Qiao Mu didn't dare to relax and explained in a low voice, only ate a little. I know my stomach is not good, so I didn't dare to eat too much."

"I thought you couldn't eat spicy food?"

"I told you, you can eat now."

"Yes, not only can it eat, but it can also eat very much!" Li Yan's tone was cold, as if he was very dissatisfied with her change.

Raising his eyebrows, the man changed the topic. "Are you happy that someone wants to pursue you after you graduate?"

Qiao Mu had an innocent look on her face. "I didn't! Uncle, that was just a joke. Don't take it seriously."

“Is that so? But I think that kid is very serious.”

“Uncle, you’ve misunderstood. We’re really just friends. I swear, no matter what, we’ll always be friends!” As she spoke, Qiao Mu raised her hand and made an oath.

‘ But you said that you won’t date before graduation? ’

“Yes, yes.” Qiao Mu nodded to express her sincerity. “ Don’t worry, Uncle. I definitely won’t fall in love. ’

Qiao Mu thought that Li Yan would be very satisfied with her words, but she realized that the man’s face had suddenly darkened, and his eyes had darkened.

His expression was obviously unhappy.

Just as Qiao Mu was at a loss as to what she had said wrong, she heard the man’s voice. “Qiao Mu, if you don’t date before graduation, then what are you and me? ”

The man’s sudden question stunned Qiao Mu.

The words “ half of the bed ” almost jumped out of his mouth subconsciously, but it was stuck in his throat.

Based on Qiao Mu’s experience, she would definitely not have a good ending if she said those two words at this time.

Qiao Mu’s nimble mind spun quickly as she looked at Li Yan with a smile. ‘ Uncle, we’re true love! ’

After a pause, Qiao Mu saw that the man’s expression had eased up a little. She smiled shrewdly like a little fox. “ Uncle and I have skipped the vulgar step of dating and directly entered the highest and deepest stage of our relationship.

Chapter 137: Uncle versus Little Loli

The corners of Li Yan's lips curled up, and his sharp eyes seemed to be smiling yet not smiling. His thin lips moved, and he spat out three words. "Flatterer!"

His clear and cold voice did not contain any displeasure. Qiao Mu knew that he was very satisfied with her answer.

Qiao Mu grinned and slyly smiled. "Uncle, don't you like a bootlicker like me?!"

Looking at the little thing's smile, Li Yan said hoarsely, "I like it too, vixen."

Qiao Mu was speechless.

This hooligan!

Qiao Mu blinked her big eyes and continued smiling. "Uncle, you weren't happy just now. Are you jealous?"

Li Yan's fingers gently caressed her lips. His voice was still low and magnetic.

Yes, I am jealous.

Qiao Mu was stunned, and the man only paused for a moment before speaking again. "So how should I punish you?"

Qiao Mu was speechless.

This time, he was really shooting himself in the foot!

She had wanted to take advantage of him, but she did not expect that she would fall into a pit instead!

Qiao Mu awkwardly smiled and changed the topic. " Uncle, um, my classmate has been waiting for me for a long time. I should go back. "

The corners of Li Yan's lips curled up, and his large hand slapped Qiao Mu's butt. " Let's go. I'll teach you a lesson when we get back tonight! "

.. This pervert!

Qiao Mu returned to the dining table and feigned ignorance as she asked, ""Where's my uncle?"

"He left right after you left. He probably went to his friend's place." Chi Xia replied.

' Oh, " Qiao Mu replied. As expected, Li Yan never returned.

Upstairs, Su Chen entered the private room and said, ""Why did you decide to eat here? Working all day is already very hot, but I still have to eat Sichuan cuisine. My body can't take it. '

' Big Brother asked me to come here, " Lu Jingzhi replied.

They had already booked a table at the Abundance of Gold and Jade Hotel in the afternoon. However, Li Yan suddenly asked to come here on the way. The quality of the lunch was immediately lowered.

Su Chen saw that there were only Lu Jingzhi and Ling Xi and asked, ""Where's Big Brother?"

Ling Xi's expression was ambiguous. " She's downstairs having dinner with her little lover. Didn't you see? '

When Su Chen arrived, Li Yan was not at his seat and he did not see him. He was about to speak when Li Yan walked in.

“Big Brother, is Qiao Mu downstairs?” Su Chen asked as he looked at Li Yan.

Li Yan raised his eyebrows and tacitly agreed.

Su Chen smiled. “ This fate is really not shallow. We even met each other over a meal. ‘

“Are you sure this is fate and not man-made?” Lu Jingzhi asked faintly.

No matter how he looked at it, it did not seem like a coincidence. Li Yan must have known that Qiao Mu was here, so he had changed the location of the meal to this place at the last minute.

Li Yan sat down nonchalantly and glanced at Lu Jingzhi. “ Why? You want something, but you don’t take the initiative to offer it, and you’re waiting for GOCI to arrange an opportunity ”

Lu Jingzhi could not refute.

This Young Master Li had his eyes on his prey. It was really scary when he took the initiative. He wondered if he had scared his little nephew.

Ling Xi, who had been silent all this while, suddenly spoke, ““Why do I feel like I’ve left your circle after leaving for less than two months? Who can tell me who Qiao Mu is? Could it be sister-in-law?”

Su Chen smiled faintly and explained kindly, ““ Qiao Mu is Yu Tingyun’s stepdaughter, Eldest Brother’s little nephew, and also the little lover you mentioned.

. Wait a minute, this relationship is too messy. I have to slowly sort it out.

This is too explosive!”

The few of them ignored Ling Xi. This news was indeed difficult to digest..

Chapter 138: Are We True Love?

After a while, while everyone was eating and chatting, Ling Xi finally spoke up and shouted excitedly, ““Big Brother, no wonder you haven’t had a woman for so many years. It’s not that you’re not interested in women. It turns out that you have such a strong taste and like to lay your hands on your young nephew.”

Su Chen was speechless.

Lu Jingzhi was speechless.

Could it be that this fellow had been thinking about this matter all this while?

Li Yan’s gaze was as sharp as a sword as it swept across Ling Xi. Ling Xi was too excited to stop the car and continued to lament, didn’t expect Big Brother to be so secretive!”

In the real-life version of an uncle against a little loli, that Qiao Mu looked like a high school student, and even Big Brother could do it!

While Ling Xi was still sighing, he suddenly heard Li Yan’s voice, ““ No. 3, there’s nothing that hasn’t been resolved. Let No. 4 handle it. I think he’s more well-behaved overseas. ‘

Lu Jingzhi: “ There are a lot of things to do overseas. Why don’t we treat this welcoming dinner as a farewell dinner? ”

Ling Xi was speechless.

He was just too excited and said a few more words. He dared to do it and not let others say it!

Qiao Mu waited for an entire day, but there was no news from the Qiao family. Presumably, Yu Tingyun didn't lay her cards on the table with Qiao Jiannan because she wasn't confident.

When Qiao Mu was surfing the internet with her phone, she accidentally saw that the cosmetics brand under the Yu Corporation had excessive lead and mercury content and was reported.

Yu Tingyun was now in charge of the Yu Corporation. Yu Tingyun must be in a terrible situation now, so she naturally didn't have the energy to deal with her personal affairs.

That night, after Qiao Mu returned to the Li residence, a certain man was indeed very stingy and did not let her off, torturing her thoroughly. Behind him, he even said that if he was jealous again, the punishment would be even heavier!

After that, Qiao Mu called Qiao Jiannan with the excuse that she was about to take her exams. She said that she would not be going home for the time being and that she had to make full use of her time in school to revise her lessons.

Similarly, Qiao Mu used this reason to deal with Li Yan.

It's a good thing to pay attention to your studies," Li Yan said. "Take your homework home to revise in the future. If there's anything you don't understand, I'll teach you."

Qiao Mu was truly at her wit's end.

It was the weekend.

Qiao Mu had planned to go shopping and have a meal with Chi Xia, but she was stopped at home by Li Yan.

There was a pile of documents on the desk in the man's study. He then cleared a corner of the wide desk for Qiao Mu.

Li Yan said to Qiao Mu while he was handling his official business, ""The exams are coming soon. Be good and stay at home to revise your homework." .. Uncle, I'm almost done with my revision. There's no need to be so nervous over the weekend."

The man raised his head and glanced at her. " Why? Don't you want to intern at my company? You'll be fired after two days in my company. Don't expect me to open the back door for you. If you're fired and don't get an internship certificate, you won't be able to hand in your homework at school. Don't be shameless and beg me. '

"This man's mouth was really vicious. Did he have to attack her so mercilessly?

He believed her when she said that the counselor had arranged the internship homework.

Qiao Mu sat down to revise indignantly. Why did she feel like this man was bored from work and had asked her to accompany him?

After a long while, Qiao Mu was really not in the mood to revise her lessons. She laid on her desk in boredom, then stuck her head out to look at Li Yan's computer screen. She wondered what he was busy with that made him so focused.

Li Yan completely ignored her and continued to type on the keyboard seriously. His slender fingers danced quickly. His fingers were slender and long, like the hands that played the piano.

Qiao Mu lazily propped her chin and tilted her head as she asked, ""Uncle, are we really in love?"

Chapter 139: In This Life, You Are My True Love

Li Yan never expected Qiao Mu to study hard. She arranged for him to be by her side only to keep her company.

Therefore, the little thing next to him kept looking at this and that. He pretended not to see it and continued working.

However, the little thing suddenly said this.

Li Yan's fingers that were typing on the keyboard stopped. He looked up and swept Qiao Mu with his sharp gaze.

The little thing in front of him blinked its big eyes and looked at him with bright eyes. There was a hint of craftiness in its bright eyes. It was obvious that it was plotting something.

He wondered what this little fellow was up to.

Li Yan lazily leaned back in his seat and looked at Qiao Mu without batting an eyelid. Qiao Mu felt guilty from his stare, so why did she have to put on such a mysterious expression? If she wasn't, then she wasn't. What was so difficult about throwing two words at her?

Tsk, she couldn't even take advantage of him!

Just when Qiao Mu thought that Li Yan would not answer her question, the man suddenly spoke with only one word, ""Yes."

Qiao Mu was instantly stunned.

Was he answering her question?

Did he mean that they were truly in love?

Li Yan raised his eyebrows and stared at her with his dark eyes. A trace of affection flashed in his eyes as he said in a low voice, ““ Qiao Mu, listen up. In this life, you’re my true love. ‘

Qiao Mu was speechless.

Qiao Mu was stunned. Li Yan’s response was completely unexpected. It was like a bomb exploding in front of her eyes.

She stared at his cold and handsome face. His eyes were filled with affection. In his eyes, she was like a rare treasure. His gaze never moved away from her for a moment.

If there wasn’t a hint of playfulness in the depths of his black eyes, Qiao Mu would really think that this man had suddenly fallen in love with her.

After being stunned for a while, Qiao Mu looked touched and pounced on Li

Yan. ” Uncle, you’re so good to me! ‘

Li Yan looked down at the little thing in front of his chest and narrowed his eyes. The playfulness in his eyes disappeared completely and his voice rang in her ear, ““And then?”

And then...

What did Qiao Mu want to say?

She had just acted out a romantic drama with him and had forgotten her initial goal?

Qiao Mu thought about it and suddenly smiled. ” Uncle, since you’re so good to me, how much do you plan to pay me for my internship at your company? ”

After a pause, Qiao Mu immediately said sensibly, You don't have to give me too much, but if you give me too little, it'll be a little unkind to our relationship, don't you think so? "

"Yes."

Qiao Mu was delighted and blinked at him.

"So, I won't give you a salary." Qiao Mu was speechless.

The smile on her face froze.

The corners of Li Yan's lips curled up and he kissed her on the lips. " Talking about money hurts feelings. Our true love is priceless! "

. F * ck!

Qiao Mu's face was flushed red.

He had taken advantage of her, and she had not benefited at all!

It was so difficult to play tricks in front of him!

Li Yan hooked his arm around the petite body in his arms. " You haven't even joined my company and you're already talking about salary? Now, let's talk about what happened before we entered the company."

Qiao Mu was puzzled, and then she heard the man's voice. "" Before you enter the company, you have to go through an assessment. As for you, you don't have much ability, so you can only get in through the back door. I'm going to give you your first lesson now and teach you how to get in through the back door. " Qiao Mu instantly had a bad feeling when she saw the man's face pressing

down on her..

Chapter 140: Wait for Me Here Obediently

In the next second, Qiao Mu was placed in Li Yan's arms, and the man's lips pressed against hers.

Qiao Mu felt a warmth on her back, and her large hand lifted her clothes and reached inside. Qiao Mu's body stiffened. This man was really going to act like a hooligan at any time, and he had no moral integrity at all!

However, Qiao Mu did not dare to refuse!

It was broad daylight. What if he was serious?

Li Yan glanced at the little thing's flushed face and narrowed his eyes. Although she was already his, she was still very nervous every time they were intimate. Her body was very stiff as if she was being forced by him.

Li Yan's eyes darkened. He tightened his grip on her waist and forced her to come closer to him.

"What, after seducing me, you want to pretend to be innocent?"

"I didn't hook ... Lure you." Qiao Mu's hands were pressed against his chest, secretly pushing him to keep a distance.

"Since we're truly in love, isn't it natural for us to do such things?"

Qiao Mu secretly gritted her teeth. An animal that thinks with its lower body!

Did he know what true love was? True love was caring for the other party with one's heart connected to the other. Always thinking about such things was not true love!

Li Yan's lips curled into a cold smile as he supported Qiao Mu's body and placed her on the desk. Then, he leaned over and pressed his lips against hers before kissing her again.

This time, it wasn't as gentle as before. It was a punishing kiss, and he did whatever he wanted in her mouth.

Qiao Mu was shocked and embarrassed as she stared at the face that was inches away from her. She hurriedly shouted, "Uncle, I'll be a good boy and review my lessons. I won't disturb you anymore!"

"I'm giving you a lesson again!"

Qiao Mu was speechless.

Qiao Mu felt that she would not be able to avoid it this time when she saw the unconcealable emotions in the man's eyes.

At this moment, Li Yan's phone rang.

Li Yan paused for a moment and picked up the phone. He asked impatiently, "What is it?"

As soon as the call connected, Ling Xi could tell from Li Yan's tone that he was not in a good mood. However, he still said in a light tone, "Big Brother, it's the weekend. Should we have some fun?"

"I'm not free!"

Just as Li Yan was about to hang up, he heard Ling Xi's annoying voice again.

“But we’re already at your house!”

Then, Li Yan heard the doorbell ring.

Qiao Mu was nervously maintaining her original posture as she observed Li Yan’s expression. Then, she saw him toss his phone aside and his gaze fell on her again.

Qiao Mu tensed up once again and subconsciously shrank her neck. The feeling of being stared at like prey by him was extremely bad. She really could not relax in such an embarrassing place!

Qiao Mu’s body lightened as Li Yan carried her from the study table and placed her on the chair.

He lowered his head and bit her lips as a punishment. His low and hoarse voice rang in her ears. “Wait for me here obediently!”

Li Yan strode out of the study, and Qiao Mu instantly heaved a sigh of relief.

He had something to do? If she didn’t leave now, was she really going to wait for him to come back and eat her?

Downstairs, Su Chen, Lu Jingzhi, and Ling Xi entered the room openly.

The weekend was really boring. The three men didn’t know what to do, and they couldn’t even get together to play mahjong.

In the past, when Li Yan had not returned to the country, they could only pass the time by themselves. Now that Li Yan had returned to the country, they naturally had to gather together for some leisure and entertainment.

The three of them changed their shoes and saw Li Yan coming down from upstairs.

He pursed his lips and looked cold. From his cold eyes, it could be seen that they were not very welcome..
