

Destined Wife: The Apple of My Eye

Chapter 14 Yan Hua Gets Watched by Crowds

The VIP lounge looks dim, but nothing unacceptable is found in it. Yan Hua changes her attitude towards the party of upper-class girls.

But, it would be better if they didn't look at her as if she was a monkey or ask some upsetting questions.

"Did you really get drunk and go to bed with Second Young Master of Lang Family?"

"Did you really forget everything?"

"Did you secretly feed him with philter?"

"There is really such a stupid woman who goes to bed for free with a man. Ha ha."

People around her either look despising or mocking. Before Yan Hua says something, Lang Jie opens her mouth, "You have promised not to ask embarrassing questions. Why are you still asking? "

"Don't stand around her. After all, I am the one celebrating the birthday," Lang Jie pulls them away from Yan Hua. They start to drink and play finger-guessing game.

Yan Hua sits in the corner and rolls her eyes.

Since she has already known what would happen, why did Lang Jie still demand her to come?

"It is your birthday party. You have to bottom up this glass," someone says loudly.

Yan Hua sees Lang Jie is persuaded into drinking one glass after another. In just a few minutes, she finds it difficult to concentrate her eyes on things. But Yan Hua feels quite funny because Lang Jie can still cast an eye on her occasionally, afraid of losing her.

“Leave me alone. I want to go to the toilet.” After some while, Lang Jie stands up groggily. Instead of going to the toilet directly, she pulls Yan Hua up from her seat.

“Follow me to the toilet.”

When they get in, the girls outside show different expressions.

“Well, she is really pretty.”

“Is that useful? She is nothing but a tool producing baby.”

“I hear First Young Master of He Family still has her in the heart...”

“Then what? Does he dare to offend Lang Family?”

No one notices that a girl leaves the VIP lounge secretly and takes back someone a moment later.

“I am going back,” Yan Hua says to Lang Jie in the toilet. “You call the driver or I leave by myself?”

Obviously, Lang Jie gets drunk, saying ambiguously, “You just go. But don’t tell Mom I took you here.”

“Don’t do it again,” Yan Hua gives her a piece of tissue. “If you are not silly.”

Lang Jie brings Yan Hua here for her own face on the first hand. On the second hand, she wants Yan Hua to learn she will not have the same position even if she is now living in Lang Family.

Yan Hua is not welcomed by this circle. Nevertheless, Lang Jie won’t let these people do something to Yan Hua. Otherwise, she is not able to explain to her mother and will let Lang Family lose face.

“It will not happen again,” Lang Jie shakes her hand randomly. After all, she has fulfilled her purpose.

They two get out of the toilet. When Lang Jie gathers people around her, Yan Hua leaves the VIP lounge. But someone calls her name just after she made a few steps.

“Yan Hua!”

Her body shivers because this voice is so familiar to her.
