

Destined Wife: The Apple of My Eye

Chapter 17 Lang Jie Goes Abroad

“Ruoxian, Hua!” Lang Hongyue looks at them and tries to see something between them.

Yan Hua says without expression, “I am tired, I’ll go back to my room to have a rest.”

Lang Hongyue, “...”

“What’s the matter with her?” It was the first time that Yan Hua had such an attitude since she entered into Lang Family. Is it Lang Ruoxian who said something to her?

“Maybe she was frightened...” Lang Ruoxian smiles slightly, “You know, she shouldn’t have been to that kind of party.”

What Lang Hongyue hates most about this nephew is his polite attitude. He is always indifferent and no one can find faults with him.

What’s more ridiculous is that many people in the company think that Lang Ruoxian is courteous and handsome. Are they blind...?

“Why were you there?” Lang Hongyue is more concerned about why he took Yan Hua home.

“Just meeting my friends.” Lang Ruoxian answers her.

Lang Hongyue thinks, “What a liar! You’ve just been accepted by Lang Family. How could you have friends there?”

“It would be better to go that kind of place less and less.” Lang Hongyue poses as an elder, “You don’t know the filth of this circle. In case of being framed, it is the reputation that Lang Family will lose.”

Lang Ruoxian just smiles and says, “Auntie, you’re right. What you said was also what I said to Lang Jie tonight.”

..” Lang Hongyue is so angry but she has to put up with it and says, “I’ll go upstairs to see her.”

Lang Ruoxian’s phone rings then.

“Young Master, how to deal with Guo Xiaotong..”

“Just keep an eye on her and leave her alone now.” Lang Ruoxian commands.

Yan Hua would like to avenge herself. But... It would be interesting to talk to her about the terms of revenge.

In Yan Hua’s room, Lang Hongyue tries to speak softly.

“Didn’t I tell you to have few connections with Lang Ruoxian? Why you come back home together?”

Yan Hua is preparing to take a shower. She wants to go to bed early after a night of hassling. It’s funny for her to hear Lang Hongyue’s query, “I didn’t want to, but what can I do?”

“No wallet, no cellphone, do you want me to walk back home on my own?”

Lang Hongyue gets stuck in her words and squeezes out a smile to say, “I’m not blaming you. I’m afraid you’ll be deceived.”

“He just dropped me off, it was because of your daughter...” Yan Hua looks at her and continues to say, “That something happened tonight.”

It’s a good time to make things clear.

“I know.” Lang Hongyue purses her lips and says, “I’ve already scolded Lang Jie and she will go back to school tomorrow.”

Yan Hua is somewhat surprised. She thought Lang Jie would be scolded at most, but she didn’t expect her to be sent abroad directly. It seems that Lang Hongyue really cares for her unborn baby.

“Don’t worry. Unless I have to, I will not contact Lang Ruoxian.” In this case, she has to express her attitude too, at least she and Lang Hongyue have the same goal now.

“All right.” Lang Hongyue waves her hand and says, “Go to bed early!”

When she comes to the door, Yan Hua calls her again, “Auntie, do you have any news about my family?”

“Don’t worry too much. I’ve got someone to search for information.” Lang Hongyue comforts her, “You know it’s not easy to find, you have to check your own identity first. The only thing you can do now is to wait!”

Yan Hua nods obediently, “Sorry, I’m just asking.”

But indeed she didn’t believe her.

Lang Hongyue will not check her identity as long as she is not silly, let alone find her family. A person who doesn’t know who she is can be better utilized, can’t she?

It was the next afternoon that Lang Jie was sent to the airport. She stared at Yan Hua fiercely when she was stuffed into the car before leaving and said.

“I’ll be back next year!”

After what happened last night, Yan Hua knows more about Lang Jie. She is just a willful girl, at least, she is better and simpler than the one next to her.

“If I had come back earlier yesterday, Lang Jie would not have taken you away.” Lang Jia asks Yan Hua anxiously, “Are you all right? Are you scared?”

“I’m OK.” Yan Hua leans her body slightly.

Lang Li suddenly announces a thing at dinner.

“Your grandpa called me today and said he would come home this weekend.”

Everyone stops having dinner.

Lang Li continues to say, “Your grandpa means that Ruoxian has been back for several months. It’s time to introduce him to everyone. Besides...”

He looks at Yan Hua, “He also wants to see you.”
