

## The Apple 171

### Chapter 171: I Won't Hurt You Again (1)

Qiao Mu only felt blood rush to her head, and her face was burning hot.

“Give it back to me!” She wanted to snatch back the embarrassing thing in his hand, but unfortunately, Li Yan’s eyes were sharp and his hands were fast. He raised his hand a little higher.

Li Yan’s gaze shifted downwards and looked at a certain part of her body. Then, he looked at the thing in his hand. He seemed to have understood something and the smile on his lips deepened.

“Little thing, don’t you think that you have to take it off even if you wear it?”

You don’t want to do anything unnecessary, so you might as well not wear it?”

.. “(Xiao Mu felt a little hot under his gaze, and her big eyes glared at him in embarrassment and anger. ” Don’t spout nonsense. I didn’t have the time to wear it! ” Hurry up and return it to me!”

Li Yan shook the small piece of cloth in his hand, and with a gentle flick of his arm, he tossed it out right in front of Qiao Mu’s eyes.

Qiao Mu panted angrily. When she saw the man’s teasing expression, she really wanted to pounce on him and strangle him to death!

However, the current situation was very disadvantageous to her!

She stood up and was about to pick up her pitiful underwear, but just as she stood up, a strong arm suddenly hooked her waist and brought her back to the big bed.

In a flash, she had already fallen down. Then, a tall figure covered her and pressed her under him.

“Uncle, what are you doing?” Qiao Mu blinked her big eyes warily.

The atmosphere suddenly changed.

“What do you think I can do?” The corners of Li Yan’s mouth curled up, and his devilish face looked like a demon.

The man lowered his head and pressed his lips down with a hint of fanaticism.

In the past, when he was not having sex, Li Yan did not think that he was very keen on this kind of thing. When a woman approached him, not only did he not feel interested, he would even feel disgusted and not interested at all.

However, ever since he had fallen for this little thing’s trick, he had been out of control. He hadn’t been with her for a few days. Tonight, with her gentle provocation, the fire in his body burned out of control!

Qiao Mu’s body stiffened, and her sleeping robe was unbuttoned without any warning.

Then, she felt the big hand move down bit by bit...

In an instant, her entire body tensed up, and her face was so red that it was almost dripping blood.

This man! This was simply too presumptuous!

She opened her mouth and found her voice after a long time. She shouted in a very embarrassed and angry tone, “Li Yan, where are you touching!”

This bastard!

Li Yan's hand stopped, and his bottomless black eyes narrowed slightly. The gaze he used to look at Qiao Mu darkened a little.

His thin lips moved and he said in a low and hoarse voice, " Did you apply the medicine here on time? "

Qiao Mu was still at a loss from embarrassment and anger when she heard this sentence above her head. She was slightly startled, and she bit her lip and turned her face to the side without saying a word.

He even knew that he had hurt her!

What's the use of giving her ointment after hurting her? Looking at her rejection, Li Yan asked again, "Does it still hurt?"

"It hurts!" He spat out a word angrily.

She had already recovered after more than half a month. She said that it hurt because she wanted him to feel guilty and stop him from continuing.

However, would he really feel guilty? Would he let her off just because she was uncomfortable?

If he was so considerate, she would not have hurt him that time!

After the last time, Li Yan could clearly feel that Qiao Mu's body was extremely stiff when she faced him. That secret rejection made him feel extremely uncomfortable.

Before he could pull the little thing closer, an impulse pushed her away..

Chapter 172: I Won 't Hurt You Again (2)

His large hand gently caressed the top of her head. Li Yan stared into her big eyes and slowly said, "" Qiao Mu, such a thing won't happen again. I won't force you in the future, and I won't hurt you again. "

This low and light sentence seemed to have been casually uttered, but Qiao Mu could feel the firmness in his tone, as if he was making a promise to her.

Qiao Mu was stunned as she met those deep eyes. The man who was teasing her earlier suddenly became serious.

Qiao Mu bit her lip. " This is what you said. You can't go back on your word! "

"Yes."

After hearing the man's reply, Qiao Mu's body gradually relaxed.

Just trust him this once!

Li Yan narrowed his eyes as he looked at the little woman's blushing face. His eyes darkened and his big hands started to play tricks again.

The little thing had relaxed, but his body remained tense.

Just as Qiao Mu relaxed her nerves and her heart settled down, she realized that the man who was still boasting so confidently just now had started to continue!

Qiao Mu's eyes widened. " Uncle, what are you doing? You just said you wouldn't force me! "

” Well, I won’t force you. I’ll make sure you’re willing to be naked in front of me. You’re so passionate, how can I not satisfy you? ‘

Qiao Mu was speechless.

He could not catch his breath and was almost angered to death!

This bastard! Big liar!

Suddenly, Qiao Mu belatedly thought of something and hurriedly shouted, “”Isn’t your hand injured?”

Above her head, the man’s low laughter rang out, and his tone was extremely annoying.”This small injury is more than enough to satisfy you.” .. This cold-blooded and inhumane beast!

After a night of torment, Qiao Mu almost woke up late the next day.

After breakfast, Lei Yi came to deliver the documents early in the morning. Li

Yan did not go to the office in the morning. He had to go out to do something.

Qiao Mu looked at Lei Yi with a smile. ” Assistant Lei, are you going back to the company later? ” Can you give me a ride?”

“You can’t.” Before Lei Yi could speak, Li Yan spat out three words coldly.

Looking at the little thing smiling at others, her good mood in the morning was gone!

Li Yan stood up. ” Take my car. I’ll send you off. ‘

‘ But, ” Qiao Mu said considerately, ” Uncle isn’t going to the office, right? ” You don’t have to trouble yourself to send me there. It’s just like Assistant Lei’s car!’

Li Yan raised his eyebrows. ” You don’t want to trouble me, or you don’t want to sit in my car? ”

Qiao Mu chuckled when her thoughts were seen through. She enthusiastically moved closer to the man. ” Uncle, think about it. If others find out that I entered the company through your connections, it’ll affect your fair and just image. But Assistant Lei is fine. It’s fine if others see me. ‘

“Oh? Why is he fine?”

“Because...I don’t care about him. I only care about how other people view uncle!”

Lei Yi was speechless.

Was it really okay to say that in front of him? Did they not consider his

feelings?

Hearing the little thing’s obsequious words, Li Yan’s lips curled up and he said directly, ““Then I’ll get Lei Yi to pick you up to work in the future.”

“Yes, uncle, you’re the best!”

Qiao Mu happily got into Lei Yi’s car, but she immediately saw Li Yan following behind her. Before she could react, the man had already gotten into the car.

Qiao Mu blinked and reminded him, ” Uncle, you got on the wrong car! ‘

“No, I haven’t.” The man leaned back in his seat and said leisurely, ”In the future, I’ll also take Lei Yi’s car to work.”

Qiao Mu was speechless.

In the end, she was still going to work with him. She just changed her car!

Chapter 173: Are You In A Relationship With Assistant Reiter?

The car stopped outside the Li Corporation. Qiao Mu got out of the car and waved at Li Yan, who was in the car. " Uncle, you can go back to your work. "

After closing the car door, Qiao Mu watched as the car slowly started before she entered the company.

Not far away, a red car that was about to enter the underground parking lot stopped. The window was rolled down, and Ye Lin curled her lips in disdain as she watched Qiao Mu get out of the black car.

Qiao Mu actually alighted from Lei Yi's car. It seemed like these two people really had an affair!

Assistant Lei Te, who was only under one person in the company, dared to bring his lover into the company. He really didn't care about the company's rules!

Qiao Mu sat down at her desk, and Tang Jiajia came over. " Mu Mu, you offended Manager Ye yesterday. She'll definitely continue to target you, so you'd better be careful. "

Qiao Mu smiled. " It's fine. I'll just do my job conscientiously. "

Tang Jiajia whispered, " That may be the case, but she's still your boss. You won't be so lucky to be seen by the CEO every time you get into trouble. It's better to be careful. Although it's not your fault that you lost a big project, she'll definitely blame you. "

“Okay, thank you, Jijia. I’ll be careful.”

As Qiao Mu spoke, she heard a voice from the side. “” What’s the use of being careful? If she really wants to target you, you can’t hide from her. A young lady has just started her internship and already met such a boss. You’d better pray for yourself. ”

Qiao Mu had studied the information of her colleagues in the design department and knew that the woman in front of her was called Sun Ning. She was in her thirties and was an old employee of the company. Her relationship with Ye Lin wasn’t very harmonious.

Qiao Mu looked at him and politely said, ” “Sister Sun, thank you for your reminder.”

Sun Min placed the documents on the table and glanced at Qiao Mu. ” You don’t have to be afraid of her. She’s just pretending to be virtuous. She doesn’t like people who rely on connections to get into the company. Didn’t she also get in through the back door? When she was a newcomer back then, if it wasn’t for the ‘care’ of the previous manager, she wouldn’t be where she is today. At the end of the day, she’s just afraid that another person with connections will squeeze her out of the manager’s position.

Qiao Mu was stunned. Right at this moment, a cold and furious voice sounded from the door. “”Sun Ning, who are you talking about!”

Sun Ning smiled disapprovingly. ” Manager Ye is here. I’m talking about a classmate of mine. He’s reminding Xiao Qiao to work hard in the future and not think about getting promoted through messy means. ”

Ye Lin’s expression was extremely unsightly. She shot Qiao Mu a cold glance before walking into the office in her high heels.

After that, Ye Lin did not deliberately target Qiao Mu anymore. Ye Lin was no fool. Even if she disliked Qiao Mu, she could not continue to make things difficult for Qiao Mu after what happened yesterday.

After Ye Lin arranged work for Qiao Mu, she said very kindly, “”Qiao Mu, yesterday’s incident is already in the past. You still have to do your work well.”

Qiao Mu nodded. " I will, Manager. "

A scheming look flashed across Ye Lin's eyes as she smiled and said, ""By the way, are you dating Assistant Reiter? I was really shocked when I saw you coming to the company in his car this morning!"

"Manager Ye, you've misunderstood..." Qiao Mu explained.

Before he could finish, Ye Lin interrupted him. " Don't be nervous. Although there's a rule in the company that employees can't fall in love, there are still many people who fall in love in secret. Besides, you're not an official employee of the company. As long as you don't interfere with work, I won't interfere in your private matters.. "

Chapter 174: The Thoughtful Young Master Li

"Xiao Qiao, I didn't expect you to be Assistant Lei Te's girlfriend. No wonder he personally sent you to our department!"

" Assistant Reiter is one of the most sought-after women in the company. So he's hiding such a beautiful girlfriend! "

Qiao Mu was speechless.

Since she said this, Qiao Mu did not explain further. Fortunately, she did not take Li Yan's car to the company this morning. Otherwise, she would have exploded!

At noon, when the design department was about to go for lunch, someone came to deliver food at the door.

The delivery man carried a dozen bags and asked, "" Who's Qiao Mu? Come and sign for this. "

Everyone looked at Qiao Mu.

Qiao Mu was busy recording the data on her computer. When she heard that someone was delivering food to her, her first reaction was that Li Yan had prepared lunch for her again.

However, the next second, she felt that something was wrong. All her colleagues in the office stood still and looked at her in unison.

Then, Tang Jijia's voice was heard. " Mu Mu, why didn't you tell us that you're treating us to lunch today? "

" Ah, Xiao Qiao, it's the food from First-grade Restaurant again. You're too polite to treat us to such an expensive lunch. "

Qiao Mu smiled. After she signed for the takeout, she asked her colleagues to get one each. Then, she took her phone into the pantry and dialed Li Yan's number.

' Uncle, did you order takeout for me? " Qiao Mu asked directly when the call

connectea.

The man's lazy voice sounded faintly, ""If it wasn't me, who else could it be? Could it be that you still have a hidden admirer that I don't know about and are using this method to express goodwill to you?"

Qiao Mu was speechless.

Alright, she was just confirming it. If she accidentally signed for someone else's takeout, she couldn't afford to pay!

" Uncle, " Qiao Mu said sweetly, " I've made you spend money. '

“I’ve already spent a lot of money on you. This isn’t the least bit lacking.”

Qiao Mu knew that this man would not politely accept her good intentions, but she was still quite happy inside. She hung up the phone and happily went to eat.

Qiao Mu brought a lunch to Ye Lin’s office. “ Manager Ye, I’ll treat everyone to lunch today. This is prepared for you. ‘

Ye Lin glanced at the food and smiled. “ It seems that Assistant Reiter is really considerate of you. He even thought of this kind of thing for you. ”

Although Ye Lin’s attitude was a little friendlier than before, Qiao Mu still felt that she was being eccentric. She smiled in response, put down her things, and left.

After this meal of goodwill, everyone’s attitude toward Qiao Mu became much better. If Qiao Mu had a problem that she did not understand, they would help her out, and work went much smoother.

Before they got off work, they had a small meeting. Ye Lin distributed the documents in her hands to everyone. “ Although my mistake has caused our department to lose a big project, we still can’t relax. The project in our hands now is the design of a luxurious and wealthy district. Although it’s half the size of the land in the north of the city, we still have to do it well. Each of you prepare a design proposal for me. ‘

At this point, Ye Lin paused and looked at Qiao Mu. “ Qiao Mu, do you have a problem? ”

Qiao Mu shook her head. “ No problem! ‘

‘ Alright then. Give me all the plans in two days. ”

After work, Qiao Mu got into Lei Yi’s car, but Li Yan was not in the car.

As if he could read Qiao Mu's mind, Lei Yi said indifferently, "" Miss Qiao, Young Master has a social engagement tonight. He wants you to go home and wait for him. '

Qiao Mu looked at Lei Yi and could not help but ask, ""Assistant Lei, do you have a girlfriend?"

Chapter 175: My Hands Are Inconvenient, I Need to Serve Them

Lei Yi glanced at Qiao Mu through the rearview mirror. " Miss Qiao, why are you suddenly asking about this? "

Qiao Mu smiled. " The people from the design department saw me riding in your car and mistakenly thought that we were dating. If they heard some gossip, please don't mind. "

Lei Yi was speechless.

It didn't matter whether he minded or not, alright?

If Young Master knew about this, he would definitely die a horrible death!

When Li Yan arrived home late at night, he thought that Qiao Mu was already asleep. However, when he pushed open the door, the room was bright.

Inside the house, Qiao Mu's petite body was slumped on the sofa. She held a pen in one hand and a drawing in the other, and she was currently drawing something on the paper.

The little thing bit the tip of the pen and frowned, as if it had encountered some difficulty.

Li Yan walked in, and Qiao Mu only noticed him at this moment. She grinned and said, " Uncle, you're back! "

“What are you doing?” Li Yan took the opportunity to sit down beside her. His gaze fell on the small notebook in her hand. There were messy drawings on it. Qiao Mu pouted and weakly said, “I’m thinking of a design plan. I don’t know much about the layout of the community and building design, so I don’t know where to start.”

Li Yan curled his lips. This girl was worrying about work.

“Which project?” he asked.

It’s the luxurious and wealthy district in the city. There must be villas and high-rise buildings inside, all prepared for the rich. ”

Li Yan thought for a moment to confirm which project she was talking about. Then, he took the pen from her hand and drew a rectangular shape on the paper. The tip of the pen tapped on the paper. ” This is the shape of the community. The high-rise buildings can’t block the view of the low-rise villas. They can’t make the residents who live in the villas feel oppressed. You’ve lived in this generation’s rich district since you were young. As long as you add your personal experience from the perspective of the residents, it won’t be so difficult.”

As Li Yan spoke, he drew on a piece of paper with a brush. Qiao Mu was greatly inspired by his simple words.

It was really strange. She had a headache all night and did not know how to do it, but he easily pointed it out.

Li Yan looked down at her. ” Do you understand? ”

“Yes, yes!” Qiao Mu nodded. ” Uncle, you’re really smart! ”

Li Yan’s lips curled up, and he hit her rudely. “You’re too stupid.”

Qiao Mu pursed her lips. So what if she was smart!

Li Yan tugged at his tie and unbuttoned two buttons of his shirt. He leaned lazily on the sofa with his hands spread out and glared at Qiao Mu. " Take off my clothes. "

Qiao Mu was speechless.

Seeing the man spread out his hands like a lord, waiting to be served, Qiao Mu fiercely spat in her heart.

Just as she was unwilling to do anything, she saw Li Yan raise his bandaged hand. " It's inconvenient for my hand. '

Qiao Mu stared at his injured hand. She really wanted to remove the bandage

and see if he was injured!

When he did such intense exercise last night, his hands were not inconvenient. He was very flexible from beginning to end. Why couldn't he even unbutton his shirt now?

Qiao Mu's face could not help but turn red when she thought of last night. She unwillingly went to unbutton his shirt.

He was wearing a black shirt that was plastered to his chest. Every time he unbuttoned a button, his fingers would touch the hot temperature under the fabric.

The warmth of her body was transmitted through her fingertips, causing Qiao Mu to feel her entire body heat up.

After finally unbuttoning a few buttons, Qiao Mu retracted her hand. Just as she was about to distance herself from him to get some fresh air, her wrist was grabbed.

The man's deep and magnetic voice sounded. "And pants."

Qiao Mu was speechless..

Chapter 176: The Little Thing Is Especially Obedient Today

Qiao Mu's face turned red. She really wasn't shy, she was hot!

The man in front of her had his shirt open, and his muscular abs were half-covered. He looked simply...Too tempting!

Qiao Mu pursed her lips. Under the man's gaze, her hands trembled as she unbuckled his belt.

He undid his belt and unzipped his zipper...Li Yan's body tensed up as he watched the little thing's every move.

That hand was trembling slightly. The more careful she was, the more likely she would accidentally touch him.

Qiao Mu immediately heaved a sigh of relief when she unbuttoned her pants, but the small tent that entered her sight immediately froze her.

He, he, he...

Qiao Mu immediately averted her gaze. Her chin was suddenly hooked by a large hand, and she was forced to raise her head to meet his gaze.

The corners of Li Yan's lips curled up into a devilish smile. " Little thing, I only asked you to help me take off my clothes. What was your reaction? He looked at me as if he wanted to eat me up." Qiao Mu was speechless.

Eat your sister!

How shameless was this man? He was simply shameless!

Qiao Mu's eyes widened in embarrassment and anger, and her face was flushed red. She could not say a single word to quibble.

Especially when the man in front of her had his shirt open in front of her, and he looked like he was at her mercy. It was as if she really wanted to eat him!

Qiao Mu's mind raced. She thought for a while before revealing a pure and harmless smile. She pointed at the small tent. "Uncle, do you want to go to the bathroom?" I heard that when a man wants to pee, this place will bulge. Don't hold it in anymore. Hurry up and go!"

Li Yan was speechless.

No one could compare to this little thing when it came to pretending to be innocent.

Just as Qiao Mu was feeling proud of her quick-wittedness, she saw a certain man stand up. She thought that she had already escaped, but the man directly dragged her to the bathroom.

"Let's go together."

"Huh?"

"My hands are inconvenient. Help me bathe."

"Without a chance to retort, she was already dragged into the bathroom.

Inside the bathroom, the steam was still rising. Qiao Mu wiped Li Yan's body with a wet towel with her eyes closed. That man clearly still had one hand that he could move, but he did not do anything and allowed her to serve him.

Finally, Qiao Mu finished wiping his body simply and prepared to withdraw. She said softly, Uncle, I'm here. You're too embarrassed to pee. I'll go out first. Don't hold it in anymore. '

After saying that, Qiao Mu saw Li Yan's lips curl up into a beautiful smile. Immediately after, she heard his low and hoarse voice, which was laced with laughter, " Little thing, why are you so obedient today? Since you've reminded me time and time again not to endure it, I can't bear it anymore! "

Then, a certain man pressed Qiao Mu against the wall and leaned his tall body against her.

Qiao Mu did not have time to react to this sudden change. Li Yan could not wait any longer. With a tug of his hand, he directly tore off Qiao Mu's pants.

At the same time, Qiao Mu felt a warm current gush out, and her lower abdomen ached slightly.

And then...Both of them froze.

Li Yan looked at his pants, which had been dyed red, and his face turned ashen.

Qiao Mu took a while to react before she pulled up her pants and pushed Li Yan away with a blushing face. " Get out! Get out now! '

Li Yan was pushed out of the bathroom. He stared at the tightly shut door. The flames in his body could not be suppressed anymore. He sighed helplessly. It seemed that God was deliberately torturing him!

Chapter 177 Defeat in the Battle of Words!

Qiao Mu patted her head as she showered. She simply wanted to dig a hole and crawl into it, making herself disappear into thin air.

There would not be a second person who would encounter such an embarrassing situation. She was simply too slow. Previously, she had felt a little pain in her lower abdomen and did not pay much attention to it. However, it just happened to be at this time!

No, why was she so conflicted here? The one who should be furious should be the man outside, right?

Qiao Mu couldn't help but laugh when she thought of Li Yan's expression just now. He must be furious, right?

At this moment, there was a knock on the door. Qiao Mu immediately opened the door a crack and poked her head out. Then, she saw Li Yan holding a sanitary pad and clean clothes in his hands.

Li Yan stuffed the thing in his hand into Qiao Mu's hands with a cold expression, then turned around and left without saying a word.

Puff .

Qiao Mu couldn't help but laugh out loud.

She was in a great mood and felt like she had vented her anger!

Li Yan had always wanted to do something to her directly. It was one thing to know that she was not in good health and be mentally prepared. However, he was about to succeed just now and was caught off guard. It would be strange if this man's expression was good!

Qiao Mu's smile made Li Yan, who was about to leave, stop in his tracks.

The man turned around and looked at the little thing who was gloating. The corners of his lips curled up bit by bit, and he narrowed his eyes with a half-smile. " Qiao Mu, don't tell me that you don't know

about the abnormality in your body. You clearly know that it's inconvenient, but you still don't reject me. Just how badly do you want to eat me? '

The smile that had yet to vanish from Qiao Mu's face instantly froze. The tiny bit of good mood that had surged out earlier was now as fragile as glass, shattering into pieces with a " pa " sound.

She racked her brains for a long time, but she could not think of anything to say against him. She bit her lip and closed the bathroom door in embarrassment. She really wanted to smash the sanitary pad in her hand on that face that deserved a slap!

She had lost again in the battle of words!

For the next two days, Qiao Mu still rode Lei Yi's car to work. Of course, no one knew that Li Yan was in the car.

When it was time to hand in the design proposal, Qiao Mu was still very confident in her own proposal. She had been listening to Li Yan's opinions humbly for the past two days, and she had learned a lot.

However, in the meeting room, Ye Lin directly rejected her proposal.

Qiao Mu found it hard to accept. " Manager Ye, may I ask what's wrong with my proposal? " Why don't you consider it?"

" Too childish. It's unrealistic to let your imagination run wild. " Ye Lin sent Qiao Mu away with a simple sentence.

Sun Ning took Qiao Mu's proposal and looked at it before saying indifferently, ""Although this plan is not mature enough, the idea is good. It will be perfect with a little improvement."

Ye Dingning sneered. " Are you the manager or am I the manager? If I had the same ability as you, I would be an ordinary employee like you and wouldn't be

in this position!”

Sun Ning's face darkened and he smiled coldly. " Indeed, I can't compare to

Manager Ye in certain aspects. "

Ye Lin ignored Sun Ning's words with a cold expression and looked at Qiao Mu. " Although I don't want to interfere in your private matters, Qiao Mu, I still have to remind you that having connections doesn't mean you have the ability in the company. "

Qiao Mu had put a lot of thought into this proposal, and most of it was to ask for Li Yan's opinion before coming to a conclusion.. Did Ye Lin mean that the big boss above did not have the ability?

Chapter 178: She Needed to Lower Her Fire!

Qiao Mu's attitude was very good. " Manager Ye, if you have any opinions, feel free to say it. I can change it. '

Ye Lin did not even raise her head. " If I had the time to give you advice, I would have made one myself. "

After the meeting ended, Sun Ning patted Qiao Mu's shoulder. " Take it easy. She's the manager after all. "

Qiao Mu was very indignant. At this moment, her phone vibrated and she received a message.

She opened WeChat and saw that Li Yan had taken the initiative to send her a message.

"What do you want to eat?"

Qiao Mu knew that he was asking her what she wanted to eat for lunch. For the past two days, Li Yan had asked Lei Yi to order food for her from restaurants outside.

After lunch yesterday, she had casually told Li Yan that she was tired of eating the same dishes every day. However, today, this man had asked her in advance!

Qiao Mu instantly felt flattered.

After thinking for a while, he quickly typed a line of words and replied: "Bitter gourd! I need to calm down!"

In the CEO's office, Li Yan looked at the words on his phone screen. It was said that women would be angry and have a bad temper during their period. It seemed that he had to calm the little thing down.

At this moment, the internal line of the phone rang. Li Yan picked it up and heard Lei Yi's voice. Young Master, Yu Tingyun is on the first floor. She wants to see you. "

"Oh? Why is she here?"

Recently, the Qiao Corporation has been in the spotlight. It seems that she can't sit still anymore. '

Li Yan narrowed his eyes and tapped his fingers on the table. He said coldly,

""Let her in."

After a while, there was a knock on the door. Li Yan answered and Yu Tingyun pushed the door open.

Li Yan looked at her indifferently. " Cousin, why are you here today? "

Yu Tingyun smiled and said, " Yan, I'm here today on behalf of the Qiao's Enterprise to discuss cooperation with the Li's. The real estate in the north of the city is now in the Li's hands. I wonder if the Li's can sign the contract for the sale of construction steel to the Qiao's factory. "

Yu Tingyun lowered her tone. As an elder, she had put down her airs in front of Li Yan. Since she could come, she was confident that Li Yan would at least give her face.

Li Yan's lips curled up slightly, and he said in an indifferent tone, "" Cousin, it's not that I don't want to give you face, but the Li Group's steel factory is the largest in the country. It's impossible for a businessman to use someone else's instead of his own goods. "

The words "someone else's family" hit Yu Tingyun's face directly, making her look very ugly.

She had never expected Li Yan to reject her so decisively. He did not give her any face at all!

Yu Tingyun had always been arrogant and never bowed her head to anyone. This time, she had never bowed her head to a junior for the sake of the Qiao family!

After all, Yu Tingyun was a scheming person. Even though she had lost face, she still maintained her composure and smiled indifferently. " It's okay. I'm not making things difficult for you. Since it's inconvenient, then forget it. "

Li Yan picked up the teacup and took a sip of tea. His tone was calm and indifferent. " Cousin, you're still the same as before. You're still working hard for the Qiao Corporation and the Yu Corporation. Unlike my mother, she never had the time to care about the family business. "

Hearing this, Yu Tingyun's smile froze. The man in front of her had a smile on his face, and he looked calm. She wasn't sure if he was hinting at something. Yu Tingyun smiled. " That's because Aunt is lucky. I can't compare to her. "

After a pause, Yu Tingyun stood up and said, " Ah Yan, I still have something to do at the company. I'll go back first. "

Qiao Mu and Tang Jiajia went to the washroom together, and Tang Jiajia kept consoling her to be optimistic. When the two of them came out of the washroom and walked to the elevator, Qiao Mu saw the person waiting for the elevator.

Chapter 179: Getting Close to Li Yan for the Qjao Corporation

Yu Tingyun!

Ever since she fell out with this woman at the Qiao family's residence, she had never returned to the Qiao family's residence. She did not expect to see her here!

Yu Tingyun also saw Qiao Mu. At this moment, a ball of fire was burning in her heart. Although she did not show it in front of Li Yan, how could she not be angry when she was humiliated?!

At this moment, Qiao Mu appeared before her eyes, and her mood worsened!

Qiao Mu merely glanced at Yu Tingyun indifferently before casually telling

Tang Jiajia as she walked past.

"Qiao Mu!"

Just as Qiao Mu thought that she was a stranger, Yu Tingyun called out to her.

Qiao Mu stopped in her tracks and told Tang Jiajia to go back first. She then turned to Yu Tingyun and asked in an extremely cold tone, "Is there anything you need?"

Yu Tingyun smiled. "Your father often talks about you when you're not home. "

Qiao Mu sneered. " Aunt Yun, can we stop pretending? " There's no one around here. Why are you pretending to be friendly with me?"

Yu Tingyun's expression darkened. " Qiao Mu, since that's the case, I'll be frank with you. " Because you offended Lin Xian, the Qiao family didn't get the real estate in the north of the city and suffered a heavy blow. The Qiao family needs the Li family's help. The Qiao family is your father's life's blood and sweat. The Qiao family raised you, you have to remember to be grateful! You're working at the Li Corporation now. I hope you can put your little tricks in the right place!"

"You mean, you want me to beg Li Yan to help the Qiao family?" As Qiao Mu spoke, she could not help but laugh, as if she had heard a big joke. " Aunt Yun, are you mistaken? Li Yan is your cousin. You begged him, but he didn't even give you face, so why would he help me? "

If Yu Tingyun had achieved her goal by looking for Li Yan today, would she still need to talk nonsense with her?

She must have not gotten any benefits from Li Yan, so she had placed her thoughts on her, right?

Qiao Mu finally saw how hypocritical Yu Tingyun was!

When he wanted to chase her out of the Qiao family, he could be so heartless. In the blink of an eye, he felt that she was of value. Then, he pretended that nothing had happened in the past and wanted her to disregard the past and work for him?

Yu Tingyun's gaze sized up Qiao Mu from top to bottom before she said meaningfully, ""As long as you have the heart, it's not impossible. He's not your biological uncle. It's precisely because of this that you can get closer to him, isn't it?"

Qiao Mu's expression turned cold, and she clenched her fists tightly. Then, she heard Yu Tingyun continue, "" Qiao Mu, I remember that you liked Li Yan very much when you were young. You were especially close to him. You're so smart.

You could do it in the past, and you can do it now. "

After Yu Tingyun finished speaking, she stepped into the elevator and looked at Qiao Mu. ““As long as you do this well, I won’t make things difficult for you in the future.”

Qiao Mu gritted her teeth and suppressed the anger in her heart.

Yu Tingyun was really shameless. Today was an eye-opener for her!

Qiao Mu clearly remembered that when she was close to Li Yan back then, this woman called her in front of her and said to her like a mistress, ““Qiao Mu, remember, Li Yan is my cousin and your uncle. He can only be your uncle for the rest of his life. I won’t allow you to have any thoughts about my cousin!”

It was then that Qiao Mu realized that Yu Tingyun was not as benevolent as she appeared to be. Hence, Qiao Mu was very worried that Yu Tingyun would find out about her relationship with Li Yan many years later.

However, this insidious woman wanted her to get close to Li Yan for the sake of Madam Qiao!

Chapter 180: Coaxing Young Master Li into submission

Qiao Mu was in a terrible mood after meeting Yu Tingyun. When she received her lunch, she seemed to feel Li Yan’s ” love “!

Lunch was still two dishes and one soup, stir-fried bitter melon, bitter melon salad, bitter melon rib soup.

Qiao Mu was simply ‘touched’ beyond words. Li Yan was really too good to her!

She finished her lunch with tears in her eyes. Then, she received a call from Li

Yan.

“Your anger has subsided?” the man asked calmly.

Qiao Mu pouted. “ No! ”

“01% wno asKec1 my little nephew to De so angry(”

“It’s all because of you!”

“Me?”

Qiao Mu snorted and deliberately said, “ That’s right. You said that the proposal I designed was pretty good, but our manager said it was terrible. You must be fooling me! ”

Li Yan chuckled. “ Come to my office. I’ll help you cool down. ‘

. Uncle, there are so many people in the company. They will see us.”

“They all went to eat.”

Qiao Mu put down the phone and sneaked out of Li Yan’s office, only to see Lei Yi alone.

Lei Yi led her to the office, and she sneaked into the office.

In the office, Li Yan was sitting on the spacious sofa. When he saw her enter, he waved at her.

Qiao Mu eagerly went over and was about to sit down beside him when the man hooked his arm and pounced forward, directly sitting on his thigh. The man’s lips curled up slightly. “ You haven’t had a design proposal? ” “Yes.” Qiao Mu nodded.

Li Yan's arm wrapped around Qiao Mu's waist and tightened slightly. His tone was heavy as he said, " I heard that Lei Yi sent his little girlfriend to the design department. It's not difficult for Lei Yi to favor his girlfriend in his own name. '

Qiao Mu could sense that Li Yan's tone was sinister. Although he had a smile on his face, his eyes were cold.

How could Qiao Mu ignore Li Yan's feelings regarding this matter?! How could this man tolerate his woman being treated as someone else's girlfriend? Wasn't this challenging Young Master Li's dignity?

Qiao Mu immediately turned on her lackey mode and stood up aggressively. " Uncle, who's the one gossiping about such unreliable things? " I'll go and find them and tell them that I'm the CEO's woman. I'll make them take the right place!"

From Qiao Mu's stance, it seemed as if she really wanted to find someone to reason with, but she only had a stance, not any action.

Li Yan looked at her without batting an eyelid. When he saw that she was still standing there after she finished speaking, he raised his eyebrows slightly. "

Hurry up and go. '

.. "Qiao Mu's body stiffened, and her tone instantly softened. She awkwardly curled her lips. " Uncle, aren't you going to stop me?

"Why should I stop you? Since you're so sincere, I naturally have to give you a chance to show off."

Qiao Mu was speechless.

Wasn't this just asking for trouble?

Qiao Mu grinned and sat back down on Li Yan's lap. She was as obedient as a puppy that recognized its master. "Actually, I've thought about it. This might not be a bad thing. If others think that I'm dating Assistant Lei, I won't receive special treatment, and I won't be bullied as someone with no background. Don't you think so, Uncle?"

"Hmm, that makes sense."

"Uncle, don't be angry, right?"

The corners of Li Yan's mouth curled up. It was rare to see the little thing being so obedient. This was very beneficial to him.

His large hand patted her butt lightly. "You're becoming more and more sensible."

Qiao Mu giggled and rubbed herself against Li Yan's body as if she had become

excited. She was so obedient!
