Chapter 181: Yes, Sir!

Qiao Mu leaned against Li Yan's chest, her fingers fiddling with the corner of Li

Yan's shirt. After some thought, she raised her head to look at the man's face. "

Uncle, I saw my stepmother just now. "

Li Yan looked up. Did she bully you again?

"No, she showed me a clear path." Qiao Mu narrowed her eyes and smiled. '

Uncle, your cousin wants me to get close to you for the sake of the Qiao Corporation. If I accept her suggestion, she won't bully me. Do you think I should do as she says? '

Li Yan's smile deepened, and his handsome face became even more arrogant. He tightened his grip on Qiao Mu's waist, and his thin lips moved slightly. "Aren't you trying to get close to me now? You're so close to me. How else do you want to get close?"

Qiao Mu blushed. This man was really indecent!

The smile on her face became even more ingratiating as she wrapped her arms around Li Yan's neck. "So, Uncle doesn't hate being approached by me and is willing to help me achieve my goal? '

Li Yan glanced at the smiling face. " What? Do you really want to help your stepmother?"

“I’m not that considerate. It’s just that the Qiao Corporation is my father’s business after all. Uncle, if it’s just a small matter, please help me.”

“That’s easy for you to say!”

Qiao Mu immediately flattered him. “Of course it’s light. Who’s Uncle? Such a small matter is nothing to you. ‘

Li Yan glanced at the overly enthusiastic little thing. What satisfied him was that she did not plan this matter in her heart. Instead, she confessed to him directly. She had improved a lot!

The smile in Li Yan’s eyes disappeared and his tone was filled with warning. ‘ This matter is indeed not difficult, but remember, I’m not a busybody. You have to be obedient and don’t let me find out that you’re still up to something! ‘

Qiao Mu was stunned. She didn’t expect him to agree so readily, and she didn’t think too deeply about it. She quickly jumped out of his embrace and stood straight in front of him, saluting him. “ Yes, sir! ”

After work, Qiao Mu wanted to go back to the dormitory to get a change of clothes. She did not ask Li Yan to send her a car and took the bus back to the school dormitory area.

After getting off the bus, it was a ten-minute walk. As it was the holidays, there were not many people around the school.

Qiao Mu was walking when she suddenly heard rapid footsteps behind her. Before she could turn around, the bag in her hand was snatched away.

Qiao Mu panicked. Before she could react, she suddenly saw a slender figure blocking the robber.

She quickly rushed forward and was about to warn the other party to be careful when she saw the other party punch the robber in the chest and kick him away. The robber threw his bag away and got up to escape.

Everything happened too quickly, and Qiao Mu was so shocked that her mouth was agape. The girl opposite her looked about the same age as her, and she did not seem to have the strength to tie up a chicken. She did not expect her to be so powerful!

He was simply too handsome!

The girl picked up the bag on the ground and handed it to Qiao Mu. Her expression was cold, and her tone was arrogant. "Hey, are you scared silly?" Qiao Mu took the bag and smiled. "Thank you, you're amazing!" If it weren't

for you, my bag woman have Deen spatcpea away: '

"This is nothing. This kind of person can be dealt with in a few moves!" The girl waved her hand and frowned slightly. "I didn't expect to encounter such a thing as soon as I got off the plane!"

Only then did Qiao Mu realize that there was a suitcase not far away. She looked at him and asked, ""Where are you going?"

"I'm going to T University. Do you know where T University is? The driver left me here and then left.. It's so irresponsible!"

Chapter 182: Did He Dump You?

Qiao Mu pointed at the entrance of T University across the road. "Isn't that T

University?"

"So it's here! I've been looking for it for a long time!" The girl was delighted, and her face that was still cold and aloof a moment ago now flushed red as if she was explaining to Qiao Mu, "Um, I'm blind. " "Wasn't this too blind?"

Qiao Mu smiled. " I'm Qiao Mu. Thank you again.

"Don't be so polite. My name is Baby Guan." His tone was very forthright.

Baby Guan...This name sounded cute and weak, which did not match the cold goddess in front of him.

"Qiao Mu, are you a student at T University?" asked Baby Guan.

Qiao Mu nodded. " Yes, it's the school holidays now. What are you doing here? "

"I'm an exchange student from Hong Kong. I'll be coming to school next semester. The airport is close to here, so I came over to get to know the way."

Exchange student? Qiao Mu was stunned. Since the exchange students from other schools were already here, why was there still no movement from her side?

Looking at Baby Guan's luggage, Qiao Mu asked, ""You're from Hong Kong. Do you have relatives here?"

I'm not really a relative, but I do know someone. It's getting late. If you know where University T is, I'll be leaving first. " Baby Guan waved at Qiao Mu.

Before Qiao Mu could wave goodbye, the other party had already left in a hurry, dragging his luggage.

After this incident, Qiao Mu no longer dared to stroll around leisurely. She quickly returned to the dormitory, but when she reached the entrance, she realized that the lights in the room were still on.

His originally frightened mind suddenly became nervous.

Could it be a thief? Could it be that she was in trouble today and would either encounter a robber or a thief?

There were also other students in the dormitory building who had not returned home. Qiao Mu mustered her courage to push open the door, but what she saw was...

“Xiaxia?” Qiao Mu called out in surprise and walked into the room. “Why are you back? Aren’t you coming back before school starts?”

Chi Xia sat by the bed with her head lowered. The large suitcase was placed by her bed, as if she had just entered the house.

She raised her head, and Qiao Mu noticed that her eyes were red. She appeared listless and lifeless.

Qiao Mu was stunned. She stepped forward and asked, Xiaxia, what’s wrong? Don’t scare me!”

” Mu Mu, ” Chi Xia looked at Qiao Mu and her eyes instantly turned moist. ” I broke up with Gu Cheng.

Qiao Mu’s eyes widened in disbelief, and she quickly clenched her fists in anger as she angrily said, “You went all the way to find him to give him a surprise, but he dumped you?”

Chi Xia bit her lip and tried not to let her tears fall. She choked, “No, I

suggested it.”

Qiao Mu knew very well that Chi Xia loved Gu Cheng so much. If Gu Cheng had not done something wrong to her, she would not have broken up with him!

Seeing Chi Xia’s sad face, Qiao Mu did not have the heart to ask further. She went forward to hug her and gently patted her back. “Cry if you want to. That scumbag isn’t worthy of your attention. Just forget about him after you’re done crying.”

Chi Xia hugged Qiao Mu and could not hold it in any longer. She sobbed loudly.

As he cried, he cried, "Mumu, he has a fiancée..." He has a fiancée and is still with me! If his fiancée hadn't seen me when I went to his school and told me the truth, I would still be in the dark. He wanted me to wait for him to graduate, wait for him to reject the marriage, he said he only loved me...But I can't be the third party. I can't be with him anymore..." [Thank you for your recommendation votes, girls

Chapter 183: You Will Meet a Better Man

Qiao Mu's heart ached when she heard Chi Xia's cries. She finally understood what was going on. She didn't expect Gu Cheng to be such a jerk!

No one knew better than Qiao Mu how much Chi Xia liked Gu Cheng. In the face of such feelings, no words of comfort would work. Qiao Mu could only silently pat her back and cry with her.

After a long while, Chi Xia finally calmed down. Then, she became the calm Chi Xia again.

Chi Xia wiped away her tears and smiled nonchalantly. "I'm fine now. I've thought it through these past few days. Since he's not responsible for our relationship, there's nothing left for us to miss."

Even though she said that, Qiao Mu looked at the smile on Chi Xia's face. It was uglier than crying.

Qiao Mu sighed. How did she manage to endure such a sudden blow these few days?

Chi Xia was emotionally unstable, so Qiao Mu could not leave. She took her phone to the bathroom to call Li Yan.

Soon, the call was connected, and the man's voice was heard on the other end. "Are you done packing?"

Li Yan told her to pack her things and call him to pick her up.

Qiao Mu spoke in a low voice and discussed it nicely, ""Uncle, I can't go back today. My friend has broken up with her boyfriend and is emotionally unstable. I want to stay and accompany her."

After saying that, she was worried that he would not believe her, so she added, "It's Chi Xia. You've met her. I'm not lying to you."

There was a few seconds of silence on the other end of the phone before Qiao Mu let out a sigh of relief after she heard an "mm" in an unpleasant tone.

On the other side, in the corridor of Glorious Dark Night.

Li Yan stopped walking towards the elevator. After hanging up the phone, he turned around and returned to the private room.

In the room, the three men were getting up from the mahjong table when they saw Li Yan, who had just gotten up and left after a phone call, return.

"Brother, aren't you leaving?" Lu Jingzhi asked.

"I'm not leaving. Let's continue playing cards." Li Yan sat down at the mahjong table.

After Chi Xia finished crying, she calmed down and stood up, ""Mu Mu, let's go out for a drink."

Qiao Mu frowned slightly. Even though she knew that drinking wouldn't solve the problem, she could only agree to accompany Chi Xia to vent her frustrations when she saw how listless Chi Xia was when she was awake, as if she had lost her soul.

Half an hour later, the two of them arrived at Glorious Dark Night.

Qiao Mu and Li Yan had been here before, so they knew that the security system here was very good and that there would not be any chaos. Although the price was slightly higher, the safety of the two girls came first.

After booking the room, Chi Xia clinked her wine glass with Qiao Mu's. Her lips twitched as she revealed a bitter smile. " Mu Mu, celebrate my return to being single. From now on, I want to bid farewell to my past and have nothing to do with Gu Cheng anymore! "

The two of them clinked their glasses, and Qiao Mu nodded before saying very seriously, "Xiaxia, you'll meet a better man! "

If Gu Cheng was a responsible man, he would have settled the issue of his fiancée before getting together with Chi Xia. A man like that was not worthy of Chi Xia's devotion.

Chi Xia raised her head and downed the wine in one gulp. She felt bitter in her heart.

Then, he drank one glass after another, as if he wanted to get drunk and relieve his worries.

Chi Xia's alcohol tolerance wasn't high. After two bottles of beer, her face had already turned red and her tensed nerves had relaxed.

She leaned back weakly on the sofa and smiled foolishly. " When Gu Cheng went abroad, although I rationally said that if we couldn't go on, we would break up, I never thought that we would end so quickly .... "

Chapter 184: Getting Drunk and Causing Trouble

"Mu Mu, I really didn't expect this. It's not that we can't stand the test of time. I hope that we've changed our hearts. At least we were sincere in the past!"

But why did he have a fiancée from the very beginning? I've always been kept in the dark by him. I always thought that he would never lie to me. I trusted him so much...'

Chi Xia sobbed softly. Perhaps she was drunk, that was why she said those words.

Qiao Mu sighed, and her mood became very gloomy.

She had once trusted her big brother so much and believed that he was the best person in the world to her. However, in the end, he still disappeared without a word.

No one had made any promises to anyone. Many things could change at any time.

Chi Xia soon became delirious from the drunkenness and could not stand steadily. Qiao Mu helped her to the washroom. When they reached the door, Qiao Mu waited outside while Chi Xia went in herself.

Ling Xi, who was walking behind, was in a good mood. "I won big brother today. I lost ten thousand dollars in pool last time, but I made it back ten times over today. It seems like big brother's nephew isn't around, so big brother won't be so lucky.

Su Chen smiled. "Big Brother isn't in the mood tonight. He's just bored and wants to kill time with us. '

"Looks like you've been neglected by your little nephew?"

As she spoke, Li Yan stopped in his tracks and stared at a certain spot.

The group followed his gaze and saw a slender figure leaning against the wall.

Who else could that person be other than the little nephew that he had just mentioned?

Li Yan's eyes were so cold that they could freeze. This little thing who kept saying that she would stay in the dormitory to accompany her friend was actually fooling around in this place at this moment!

Qiao Mu lowered her head and yawned, feeling extremely sleepy. She heard the sound of footsteps coming from the bathroom door, and when she looked up, she saw two men walking out of the men's bathroom.

Then, Chi Xia walked out unsteadily.

Two men were standing in front of the sink washing their hands. They were laughing and talking drunk. It seemed that they had drunk a lot.

Just as Qiao Mu was about to help Chi Xia up, Chi Xia pushed away the man standing by the pool and said angrily, "Get lost, I don't want to see you. I said don't appear in front of me again!"

Chi Xia was so drunk that she thought it was Gu Cheng whenever she saw a man!

The man glared at Chi Xia. "How dare you push me? Who are you?!"

Qiao Mu was shocked and quickly went forward to apologize. "I'm sorry, I'm sorry. My friend is drunk. She got the wrong person because she was heartbroken. Big Brother, please don't take it to heart."

The man looked at Qiao Mu, then at Chi Xia, and laughed. "Yo, you're heartbroken. The two beauties are in a bad mood. Do you want to have a drink with us?"

Before Qiao Mu could say anything, Chi Xia held a puddle of water in her hands and splashed it on the man's face. "Bastard, get lost! Get lost!"

"I think you're tired of living!" The man's expression was ugly. He wiped the water on his face and raised his arm at Chi Xia.

Trouble!

Qiao Mu pushed the man away and tried to run away with Chi Xia. However, just as she turned around, her arm was grabbed.

“You want to leave so easily? You dare to provoke me? You don’t want to live anymore!”

The man roared angrily. At the same time, he raised his arm again and swung it down mercilessly.

Qiao Mu’s face paled as she watched helplessly as the arm fell. Wouldn’t her face swell up from this slap?

However, the arm did not fall. The man suddenly flew out of her sight.

Chapter 185: Is This Your Dormitory?

Li Yan looked at the perverted hand that was grabbing Qiao Mu’s wrist, and his eyes emitted a bloodthirsty light. He strode over, raised his leg, and mercilessly kicked the other party’s chest.

The man screamed and was kicked far away.

Qiao Mu raised her head and was slightly stunned when she saw the person who had arrived. She then called out in pleasant surprise, “Uncle!”

Li Yan lowered his eyes and his gaze fell on Qiao Mu’s face. Her cold face, sharp gaze, and murderous aura emanated from her entire body.

The trace of happiness that had just surged out of Qiao Mu’s heart was instantly shattered. She suddenly realized something terrifying, and she hurriedly lowered her head, not daring to look at him.

She didn’t know if she was lucky or unlucky to meet him in such a situation!

At this moment, another man pounced on Li Yan in anger. He waved his fist at Li Yan and shouted angrily, "You f \* cking dare to hit my brother? I'll let you...Ah .

Before he could finish his sentence, Li Yan grabbed the arm that was swinging at him and twisted it forcefully. The sound of bones dislocating could be heard. The man hugged his dislocated arm and screamed in pain.

"You ... Wait here, I'll call someone over!"

Su Chen and a few others walked over. This Young Master Li was extremely unsettled whenever he encountered something related to Qiao Mu. He had rushed over at a flying speed just now, directly leaving them far behind.

Su Chen looked at the man on the ground and smiled. " Oh, I was wondering who it was. Isn't this the Tang family's young master? "

"Second Young Master Su!" When the man saw Su Chen, his face lit up. Su Chen had dealt with his father before, so he would definitely help him with such a small favor!

Su Chen only glanced at him indifferently and said to Li Yan, "" Big brother, this man is Tang Hua's son. Tang Hua has dealt with our goods before. "

Big brother!

The two men's expressions changed when they heard this.

Su Chen was the famous Second Young Master in the capital. Lu Jingzhi and Ling Xi were both people that they could not afford to offend.

However, to be called big brother by Su Chen, it was obvious that the other party's identity was not ordinary.

Ling Xi took a step forward and frowned in disgust. "How dare you touch my brother's woman. You must be tired of living. Get lost!"

It was not strange that the other party did not know Li Yan. Most of Li Yan's activities were overseas.

He had just returned to the country not long ago, and he was only the CEO of LSAE in the country. Therefore, how could these people with a background in the underworld know that he was the boss who ranked ahead of Su Chen?

After dealing with the two of them, Li Yan's gaze finally landed on Qiao Mu again. There was a hint of undisguised coldness in his gaze.

His deep voice sounded, and there was a questioning tone in his voice. "Aren't you in the dormitory? Is this your dormitory?"

Qiao Mu gulped nervously and looked up at Li Yan with a smile. "I was in the dormitory when I called, but Xiaxia was in a bad mood, so I went out with her."

As Qiao Mu was explaining, Chi Xia pounced over and hugged Qiao Mu, muttering, "Where is this? I want to drink!"

Li Yan's face darkened. He felt that Chi Xia was a hindrance, so he dragged her away from Qiao Mu and tossed her aside.

Qiao Mu was shocked. She was afraid that Chi Xia would lose her balance and fall. The next second, she saw Chi Xia jump into Su Chen's arms and hug him, continuing to shout, "Come, let's go drink.."

Qiao Mu was speechless.

Qiao Mu really wanted to find a hole for Chi Xia to hide in and pick her up after she saw who it was, alright?

## Chapter 186: A Sincere Apologize

Su Chen looked down at the woman in front of his chest. He could smell the stench of alcohol and frowned in disgust.

He wanted to throw the drunk woman to the person beside him, but Lu Jingzhi and Ling Xi quickly took two steps back and refused to take over.

“Second brother, you’re really popular with women!” Ling Xi gloated.

Su Chen pushed Chi Xia away, but Chi Xia suddenly hugged him tightly. She buried her face in his chest and started crying, “ You don’t want me anymore. How can you not want me?! ” Gu Cheng...Boohoo, you bastard! I hate you to death!”

Chi Xia’s sudden cry stopped Su Chen from pushing her away. However, Chi Xia bent down and pressed her face against Su Chen’s clothes. She retched and then..

He vomited!

Everyone was stunned as they watched Chi Xia puke all over Su Chen. After she was done, Chi Xia pushed Su Chen away and ran to the sink.

Su Chen’s face was extremely ugly and green.

He quickly took off his coat and threw it on the ground in disgust. Fortunately, the clothes inside were not dirty, but he still felt uncomfortable all over.

“Big brother, I’ll be leaving first.” After saying that, Su Chen walked away. As he turned around, he saw Chi Xia lying in front of the sink.

That gaze was too terrifying!

Qiao Mu took a step forward and hugged Li Yan's arm in a fawning manner. She asked softly, "Uncle, did Xiaxia get into trouble?"

"You're the one who caused trouble!" Li Yan looked at the little thing coldly. She still had the mood to care about others!

Qiao Mu was very innocent.

Lu Jingzhi and Ling Xi were ready to leave after watching the show.

When he passed Qiao Mu, Lu Jingzhi smiled and said, Qiao Mu, it's fortunate that that woman is your friend. Otherwise, how could we let her off after vomiting all over Second Brother!"

Ling Xi's tone was filled with schadenfreude. "Yes, I still have to give face to Sister-in-law. However, when Second Brother left, his expression was as if he had stepped on shit. Just thinking about it makes me want to laugh. '

Qiao Mu was speechless.

Where is sister-in-law?

On the way back, Chi Xia sat in the back of the car and fell asleep.

Qiao Mu carefully looked at the man driving and whispered, ""Uncle, can you drive with your hands? Why don't I drive?"

The man glanced at her coldly. "You want to drink and drive?"

I didn't drink." Qiao Mu blinked her big eyes and lied. She only drank one cup.

The car suddenly stopped, and Qiao Mu thought that Li Yan really wanted her to drive. However, the next second, the man leaned forward and pressed a large hand on the back of her head.

Li Yan narrowed his eyes. "Is that so? Then let me verify if you've been drinking!"

His lips pressed against hers.

Qiao Mu's eyes widened. Chi Xia was still in the car!

The man asked for a kiss without a care. Qiao Mu did not dare to breathe loudly, afraid that he would smell the alcohol.

After a while, the man let go of her and licked his lips in disgust. "It tastes terrible."

Qiao Mu was speechless.

Why did you kiss me for so long when the taste is bad! And he kissed her so passionately!

Then, her chin was hooked, and the man's deep voice sounded, "You came to a place like this in the middle of the night and didn't report to me? Hmm? You're really bold! If I'm not here tonight, how are you going to clean up the mess?!"

Qiao Mu lowered her head guiltily and sincerely admitted her mistake. "' Uncle, I was wrong. I was only thinking about helping Xiaxia solve her worries and didn't think too much about it. I promise there won't be a next time. Don't be angry, okay? "

Qiao Mu's attitude was sincere. Li Yan snorted coldly and continued driving without saying a word.

Chapter 187: Definitely Double the Compensation!

Although Li Yan was still driving with a cold face, Qiao Mu knew that he would not argue with her.

Actually, this man's temper was not that bad. He was still very understanding and reasonable!

The car stopped outside the dormitory area, and Qiao Mu took the opportunity to discuss, "" Uncle, Xiaxia has been feeling down lately. I need to spend more time with her, so can you..."

"You want to accompany her, so you can't accompany me?" Li Yan's tone darkened. " Qiao Mu, all your time is mine. Since when did I give you the right to arrange your own time?

"I'm just discussing with you!"

"No!" He rejected her without giving her any face.

"Uncle..." Qiao Mu leaned forward and hooked her arm around Li Yan's arm in a fawning manner. She shook it gently. " Just give me a few days off. I'll definitely make it up to you double later! "

Li Yan raised his eyebrows. He seemed to be very interested in her words. The corners of his mouth curled up. " How are you going to make it up to me? "

Qiao Mu steeled her heart and braced herself to say, ""Whatever Uncle wants, I'll compensate him!"

Li Yan's eyes flashed with a hint of ambiguity. He scratched her nose and said, Alright, I'll wait for you to perform well. "

Qiao Mu blushed and immediately jumped out of the car to wake Chi Xia up. She then dragged Chi Xia and fled.

On the second day, Xia Tianchi woke up and completely forgot what he did last night.

When Chi Xia heard about last night's embarrassing incident, she was extremely annoyed and patted her head, "What have I done? I even vomited on a stranger and almost caused trouble. Fortunately, I met your uncle!"

Qiao Mu rolled her eyes at Chi Xia. "Let's see if you dare to get drunk again!"

Chi Xia leaned on the table and looked at Qiao Mu with her chin in her hand.

She asked, "Mumu, how are things going with your uncle?"

"Why are you suddenly concerned about me? Do you want to hear some tragic things from me to seek some psychological comfort?"

"Tsk, are you living a miserable life? I see that you're getting along well with your uncle."

Qiao Mu's hands paused, and she said nonchalantly, "It's not what you think."

Looking at Qiao Mu, Chi Xia's tone became serious. "Mu Mu, although Li Yan is ten years older than you, uncle boyfriends are the most popular nowadays. Mature men are the most reliable. Gu Cheng, for example, has yet to stabilize his career. How can he have the ability to control his own feelings? First love doesn't have a good ending. I'll admit it! But Li Yan is such a good man. You have to open your eyes wide and look at what you're doing!"

Qiao Mu burst into laughter. "How did you become a relationship expert overnight?"

"I'm serious. Don't take it lightly!"

Qiao Mu sighed helplessly and asked in a low voice, Xiaxia, if Gu Cheng succeeds in his career and becomes a mature man like Li Yan, will you choose to get back together with him?"

Chi Xia's eyes darkened. After a while, she shook her head. " No. "

An expected answer.

"Yeah, you won't, and neither will I."

It was said that first love never ended well, but Chi Xia did not know that Li Yan was her first love.

Ten years ago, her first love was shattered.

Chi Xia did not understand what Qiao Mu meant and sighed. There were some things that no matter how much she said, it would be useless.

If they were destined to be together, they would not lose each other no matter how hard they tried. If they were not fated to be together, what was the use of paying more?

On Monday, Chi Xia packed her luggage.

"Have you decided to go home?" Qiao Mu looked at her and asked.

Chi Xia smiled. " Don't worry, it's just a loss of love. It's not like the sky is falling down. Don't worry about me, I'll be fine.. "

Chapter 188: Do Well

When Qiao Mu arrived at the company, it was already noon.

She took the whole morning off and only came to the office after Chi Xia returned home.

However, when she saw Ye Lin, she felt that Ye Lin's expression was very bad, especially the way she looked at her. She did not like her at all.

Qiao Mu moved closer to Tang Jiajia and asked, ""Did something happen? I didn't offend Manager Ye."

Tang Jiajia replied softly, " This morning, Manager Ye showed the design proposal for the luxurious and wealthy district to the president, but he rejected it. The president was very dissatisfied and said that our design department couldn't even do a small design proposal well. Then, the president made a few suggestions. Guess what? " Qiao Mu was speechless.

Don't keep me in suspense, okay?

"You wouldn't have thought that the CEO's suggestions fit perfectly with the ideas in your proposal!" Tang Jiajia said excitedly. In other words, it was

Manager Ye who personally rejected your proposal. Isn't she slapping herself in the face?"

Qiao Mu was stunned. She had casually complained to Li Yan about the proposal, but she did not expect him to use this method to help her salvage the situation!

Uncle is simply awesome!

At this moment, Sun Ning laughed and said in a voice that was neither too loud nor too soft, ""Xiao Qiao, I didn't expect you to be so amazing. The proposal you came up with was almost the same as what the CEO wanted. It seems that I have the same taste as the CEO. Unfortunately, Manager Ye insisted on using his position to pressure others. In the end, he lost face in front of the CEO."

Ye Lin looked at Sun Ning coldly. " It's working hours. Who told you to talk nonsense here? "

"Manager, it's still lunch break," Sun Ning replied.

Qiao Mu silently sat in her seat, not wanting to get involved in the dispute between these two people.

Ye Lin glared fiercely at Qiao Mu. Ever since Qiao Mu came to the company, she had caused her to repeatedly make mistakes! Don't think that having Lei Yi as a backer is foolproof. She doesn't believe that she can't get hold of them!

After work, Qiao Mu received a call from Li Yan asking her to look for him in the parking lot.

In the underground parking lot, Qiao Mu was looking for Lei Yi's car when she saw the warning light of Li Yan's car flashing. She opened the door of the backseat and got in.

Li Yan, who was sitting in the driver's seat, turned around and looked at the sneaky little girl. He said coldly, "Can't you see your man sitting in front? Why are you moving back?"

Qiao Mu chuckled. "I want to enjoy it. The feeling of Uncle being a chauffeur will definitely be great!"

Actually, she was afraid that the people in the company would see her sitting in front!

Li Yan raised his eyebrows. "You want me to be the driver? I think I need to have a good talk with you."

Li Yan said as he opened the car door and got out of the car. Then, he moved to the backseat.

After sitting down, Li Yan scooped the little thing up and placed it on his lap. He said in a low voice, "" Little thing, you've taken a few days off, and no one has warmed my bed every night. Now is not the time for you to take advantage of me. It's your turn to compensate me! "

Qiao Mu immediately felt that something was wrong and chuckled. "Uncle, can we go home first?"

The corners of Li Yan's lips curled up. He had no intention of letting her go. ' Didn't you say that I can have anything I want? I can't wait for you to perform well now!"

Qiao Mu was speechless.

Alright, a person has to be honest and keep his word!

Qiao Mu raised her head and kissed Li Yan's lips. She then discussed in a low voice, " Uncle, let's go home first.

Li Yan's eyes narrowed, and he immediately grabbed Qiao Mu's head and kissed her heavily.

Chapter 189: Ye Lin Caught Into A Good Thing

After not seeing her for a few days, he smelled the familiar scent on her body. He could not help but want to eat her immediately!

Qiao Mu's eyes widened. This man was truly a hooligan who could act regardless of the occasion or the time!

Qiao Mu was on tenterhooks, worried that someone would see her. Li Yan seemed to be dissatisfied with her distraction and deepened the kiss.

The man's magnetic breath lingered around the tip of her nose. Qiao Mu had no idea when she realized that she could no longer dislike this man's touch. Feeling his forceful demands, her body softened bit by bit.

Li Yan hooked his arm around her slender waist and tightened his grip on her, pressing her against him tightly. His deep voice rang out beside her ear."Little thing, your good performance is to do nothing and let me do whatever I want?"

Qiao Mu was speechless.

He also knew that he was doing something outrageous!

Qiao Mu blinked her big eyes pitifully, her eyes full of pleading. " Uncle, can we go home? "

Li Yan smiled. " You can't wait to go home and show me? "

. She really wanted to shut this man up! Why was everything that came out of his mouth so annoying?

Li Yan was rather satisfied with Qiao Mu's performance. He opened the car door and patted her butt. " Go sit in front. '

Qiao Mu was delighted. She finally escaped from Li Yan's clutches and jumped down from his lap. Just as she jumped off the car, she bumped into Ye Lin, who was getting her car from the opposite parking lot.

The two of them stared at each other across the car and were both stunned.

Qiao Mu only felt that enemies were bound to meet on a narrow road, so why did Ye Lin have to bump into her!

Li Yan, who was about to get out of the car, was stopped by Qiao Mu, who was standing motionlessly at the door. He glanced at the person on the other side and sat quietly in the car.

Ye Lin looked at Qiao Mu in disbelief, then at the black Bentley Mulsanne. Her eyes widened in shock. " Qiao Mu, why are you in the CEO's car?! "

This was Li Yan's private car, yet Qiao Mu actually got out of it!

Seeing Qiao Mu's flushed face and slightly swollen lips, it was obvious that she had done something in the car!

Li Yan had never been close to women, and there had never been any rumors about him being with any woman. His relationship history was so clean that he did not seem like a normal man. How could Ye Lin believe that Qiao Mu and Li Yan were having an affair?

Since she had already been exposed, Qiao Mu did not feel embarrassed. She glanced at Ye Lin indifferently and greeted her as if nothing had happened.

Manager Ye, you're really dedicated to your job, getting off work so late. '

Ye Lin stared at the dark figure in the car. She couldn't see clearly who the person in the car was, but seeing Qiao Mu's self-righteous manner, she gritted her teeth in hatred.

Wasn't Qiao Mu with Lei Yi?

At the thought of this, Ye Lin suddenly understood something. The shock on her face gradually faded, and the corners of her lips curled up. " Qiao Mu, the person in the car isn't the CEO, right? "

Ye Lin had a feeling of excitement as if she had something on him. Her gaze fell on the dark car. " Isn't that right, Assistant Reiter? '

Qiao Mu was speechless.

Was this Ye Lin a joke? She was clearly sitting in Li Yan's car with him. Which eye of Ye Lin's saw that the man in the car was Lei Yi?

Qiao Mu lowered her head and met the man's cold and charming black eyes. She blinked her eyes reassuringly, indicating for him to calm down.

Since there was a misunderstanding, then let it be!

Before (Liao mu could speak, she Immediately pearly Lin's gloating voice. ' Qiao Mu, I didn't expect you and Assistant Lei Te to be so fond of playing with fire. You even did this in the CEO's car.. If the CEO knew that Assistant Lei Te brought you to his car, what would the consequences be? "

Chapter 190: You Take Auntie's Seat

Qiao Mu finally understood that Ye Lin did not believe that she would hook up with a big shot like Li Yan, so she immediately thought of Lei Yi when she encountered this matter.

Qiao Mu looked at Ye Lin as if she was watching a joke. If Ye Lin knew that the Mr. CEO she was talking about was in the car, would she be so shocked that her jaw would drop?

"Why aren't you talking? Assistant Reiter has the guts to do it, but don't you have the guts to take responsibility?" Ye Lin looked at the car with disdain. She opened her car door and sat in. " I didn't mean to ruin your fun. I won't disturb you anymore. You guys continue. '

Ye Lin started the car and snorted at Qiao Mu.

She had thought that Li Yan's car was parked beside her and she could use the excuse of greeting him to get closer to him in private. However, who would have thought that she would see such a disgusting scene!

It seemed like he had really underestimated Qiao Mu. She was so good at seducing men at such a young age, yet Lei Yi, a calm and cold person, actually couldn't help but follow her in the CEO's car...

She was indeed a vixen!

However, it was still beneficial for her to get hold of such a thing today!

Once Ye Lin left, Qiao Mu immediately lowered her head to look at the man in the car. " Uncle, he's already gone.

Li Yan looked up and his gaze fell on Qiao Mu's face. He stared at her with a deep gaze. " Are you that afraid that others will find out about our relationship?

There was a hint of displeasure in the man's tone. Qiao Mu stiffened and shook her head vigorously. " No, Uncle. I just didn't want to trouble you.

"You're really considerate." As the man spoke, he got out of the car and flipped over to pin Qiao Mu against the car. " I don't mind the trouble. '

Qiao Mu was stunned. Before she could react, Li Yan had already let go of her, opened the front door, and sat inside.

Did he mean that he didn't find her troublesome?

In the eyes of outsiders, he was her real uncle. They were family. No matter what, it wouldn't be good for others to know about this relationship, right?

He didn't mind. Did he not care about his reputation? Thinking about it, it made sense. When did a person of his status take other people's opinions seriously?

That night, Qiao Mu was forced to perform well many times, and she really did not dare to say such reckless words again!

Li Yan looked at the woman in his arms and asked in a deep voice, ""Little thing, my woman was mistaken for someone else's. Tell me, am I very useless?"

"That's not true! Uncle is the best!"

“Since your stepmother has already schemed for you to use a honey trap on me, should we make it public and fulfill her wish?”

Qiao Mu was startled. ” No! ‘

“Hmm?”

Qiao Mu lowered her gaze and muttered softly, ” Uncle, you’ll abandon me one day. I don’t want to be looked down upon by others at that time. ‘ “Who dares to look down on you?” Li Yan’s eyes turned cold.

Qiao Mu bit her lip and remained silent. Li Yan glanced at her and sighed helplessly. ” Qiao Mu, did I say that I would not want you? ”

Qiao Mu pursed her lips. ” Is there a need to say that? One day, you’ll marry an auntie. We only have three years.”

Li Yan narrowed his eyes, and a hint of displeasure flashed across his eyes. ‘Little auntie? She really called me that easily!’

How dare she mention three years? Did she count the days she spent with him?

Li Yan twirled his fingers around her hair and said in a deep voice, ” Qiao Mu, if you’re so capable, then turn three years into thirty or sixty years.. You can take the position of auntie yourself! “
