

Destined Wife: The Apple of My Eye

Chapter 19 The Man Who Knocks at the Door at Midnight

What a wise man Lang Cha has been in the business world all his life, thus turning his company into a legend! As soon as Yan Hua opened her mouth just now, he was half less worried.

The girl's eyes are clear and spiritual, not greedy.

"I'm sorry to have wronged you." Lang Cha takes out a red envelope from his pocket and says, "Take good care of yourself. Whether it's a boy or a girl in your womb, it's my second grandson's only hope."

All the people present, except Yan Hua and Lang Ruoxian, change their faces after hearing that. Lang Li first responds and says with a smile, "Did you hear that? Don't let your grandpa down."

"Thank you, Grandpa!" Yan Hua says.

The old man waves his hand, turns his head and says to Lang Ruoxian, "Has everything been arranged yet?"

"Of course, everything has been arranged. It's at Lido Hotel at 8 o'clock tomorrow evening." Lang Ruoxian serves the old man a bowl of soup, "But Grandpa, should you sleep at that time?"

Lang Cha coughs and says, "Just a day, it doesn't matter."

"Daddy, let's eat. The food is getting cold." Lang Hongyue is disgruntled and she doesn't know whether to be happy or disappointed, thus her tone is not so good.

Lang Cha looks at her and says, "Don't be eccentric. Talk nicely."

"Grandpa, Auntie is concerned about you!" Lang Jia hurries to say.

Near Lang Hongyue, sitting her husband Tian Bocheng, a man who has little sense of existence in Lang Family. At this time, he picks up the hot Green Bamboo Leaf Liquor and pours a cup to the old man.

“Dad, this is the fifty-year-old wine I got from my friends, have a taste!”

The meal is quiet after that, at least on the surface. Lang Cha goes for a walk at the garden and soon goes upstairs to rest because he is getting older.

Yan Hua returns to her room with a good mood. No matter what the purpose of Lang Cha is, as long as he has a good attitude to her, she will live better in this family.

“Ding-dong!” It is almost 10 o’clock when someone knocks at the door.

Yan Hua opens the door without asking who it is, because the house maid will send her midnight snacks at this point every day. Unexpectedly, when she opens the door, she sees Lang Ruoxian standing at the door with a tray.

..” Yan Hua looks straight at him, wondering why he is here at midnight.

Seeing that she hasn’t responded for so long, Lang Ruoxian raises his eyebrows and pushes the door in.

“Grandpa has a little cough, the house maid goes to bubble cough syrup for him.” Lang Ruoxian puts down the tray and says, “So I take it by the way.”

Yan Hua says, “Thank you.” But she doesn’t believe his words.

“Ha ha...” As if to see the suspicion in her heart, Lang Ruoxian suddenly laughs and then sits on Yan Hua’s bed directly with his legs crossed.

Is there something wrong with him again?

“Would you like to attend tomorrow’s party?” Lang Ruoxian asks.

Yan Hua shakes her head and says, “No. The party will be held for you, I’m not going to join in the fun.”

“Are you afraid?” The man crooks his head and seems to seduce her with his sexy narrow slanted eyes under the lamplight.

“I just don’t want to get into trouble.” Yan Hua turns her head.

She had always doubted that she was a face-control. And after several confrontations with the man, there is no doubt about it now. But she is more afraid of death, so it is better to stay away from him.

“When you enter into Lang Family, you are doomed to be in trouble.” Lang Ruoxian runs his slender fingers across the purple silk sheets.

“People won’t pay less attention to you because of your absence, on the contrary... They will always be curious.”

Yan Hua listens to him quietly but she has no idea of his meaning.

“Grandpa has accepted you.” Lang Ruoxian stands up askew and approaches her. Yan Hua can hear his breathing.

Just when she wants to take a step back, the man says.

“Sometimes, people will shrink back and break their minds of finding troubles by telling them your status and value.”

Lang Ruoxian rubs her shoulder and leaves when Yan Hua is in a daze.
