

The Apple 191

Chapter 191: Yes, I Like You (1)

The man's tone was low and deep, and his eyes were fixed on her. There was no sign that he was joking at all.

Qiao Mu's eyes dimmed slightly, and the corners of her lips twitched into a smile. " Uncle, I'm not that capable. "

Li Yan's cold eyes darkened, and the corners of his lips curled up. He was clearly smiling, but that smile made Qiao Mu feel terrified.

Based on Qiao Mu's understanding of this man, she knew that this was a sign of his anger.

She wasn't sure if he was joking with her or testing her thoughts.

Qiao Mu felt the need to clarify things for herself, so she sensibly said, "Uncle, don't worry. I'm not trying to pry into Auntie's identity. I know my place. I'll be with you obediently."

Qiao Mu noticed that Li Yan's expression instantly darkened after he said that. It was even uglier than before.

Qiao Mu felt very innocent. Why was everything she said wrong?

Li Yan tried his best to suppress the anger in his heart. Only then did he rationally not get angry at this heartless little thing. He narrowed his eyes and stared into those big eyes. He said word by word, Qiao Mu, what if I give you the right? "

Qiao Mu was stunned.

Give her authority? What rights?

Immediately after, the man's voice sounded again, and as if he had seen through Qiao Mu's thoughts, he emphasized, "'11 give you the right to spy on my aunt's identity!"

A hint of astonishment flashed across Qiao Mu's large eyes, and a certain memory in the deepest part of her mind flashed by. She tugged at the corners of her lips and asked with a faint smile, "Uncle, do you have a bad relationship with my stepmother?"

Li Yan frowned slightly when he heard that. In the next second, he understood what she was thinking!

This woman! She really wanted to anger him to death!

Li Yan exhaled and glared at her coldly. "Yes, haven't you already seen through

Qiao Mu bit her lip and said softly, "If you're with me just to anger Yu Tingyun, there's really no need to do this. In the past, she couldn't accept this, but now, Yu Tingyun can't wait for me to hook up with you. It's good for the Qiao corporation and for her."

Li Yan's face darkened. It was indeed like this!

Although he had already expected her thoughts, hearing it from her mouth still made him very angry!

Li Yan pursed his lips, his face ashen. "Qiao Mu, do you think you're that useful?" "Using you to anger Yu Tingyun, do you think I'm playing a child's game?"

Did she think that he was with her to use her against Yu Tingyun? Did she think that she was just a chess piece to him, that he would use her when he needed her and throw her away when he no longer needed her?

He really wanted to pry open her head and see if it was a pile of tofu dregs inside!

Qiao Mu pursed her lips without a word. Even if the effect was very small, it could still be of some use! Didn't he treat her well with this intention back then?

Back then...

Qiao Mu's eyes dimmed. When she learned that Li Yan had moved, she went to ask Yu Tingyun, the only person related to the Li family, but Yu Tingyun said, "'The Li family has moved out of the country and will never come back!"

Qiao Mu was very surprised, and then she heard Yu Tingyun say as if she was talking to herself, "'It's best if you never come back. It's best if you don't see it, so as not to worry me!

After that, Qiao Mu hid under the big tree that Li Yan often went to, feeling sad. Qiao Ya ran over and arrogantly said to her, "'Qiao Mu, do you think uncle really likes you? You're really too stupid. Actually, uncle doesn't have a good relationship with my mother, so he's close to you just to anger my mother.. You're just being used!"

Chapter 192: Yes, I Like You (2)

At that time, Qiao Mu was so agitated that she didn't believe Qiao Ya's words, but Qiao Ya smiled cruelly and said, "'Otherwise, why didn't he tell you when he went abroad? He doesn't care about you at all. You're just an illegitimate child. What right do you have to make uncle like you?"

Initially, Qiao Mu couldn't figure out why Li Yan would disappear without a word. However, after hearing Qiao Ya's words, although she didn't want to face it, she was convinced in the end.

Today, after so many years, Qiao Mu had been observing the relationship between Li Yan and Yu Tingyun. After so many incidents, she was sure that their relationship was indeed not good. However, Li Yan got together with her again.

Qiao Mu's mood immediately soured when the past was forcefully revealed. She also wanted to know why he still liked to play such childish games after so many years.

Suddenly, her chin was grabbed by a large hand, and Qiao Mu had no choice but to raise her head to meet that pair of deep and fiery eyes.

Then, a low voice with a hint of anger sounded, "Qiao Mu, do you think I need to beat around the bush when I want to lay my hands on someone? I'm not interested in children's games, whether it's the Yu Corporation or Yu Tingyun. If I want to deal with them, I'll use a brainless pig like you. Do you think I'm more stupid than a pig?"

Qiao Mu was speechless.

Did his mouth have to be so vicious? How was she stupid? What right did he have to call her a stupid pig?

Wait a minute ... Qiao Mu's mind spun, and a hint of surprise flashed across her eyes. Did he mean that he didn't use her and was with her, and that it had nothing to do with Yu Tingyun?

Qiao Mu blinked her large eyes in astonishment. After reacting for a long time, she clearly understood what he meant.

He ... Was he explaining to her?

Qiao Mu felt as if her heart had been stirred by something, and she couldn't describe the feeling.

Although he had a fierce and cold expression on his face and said those words to her in anger, she believed him in her heart.

This man was no longer the young man from ten years ago. If he would have done such a childish thing ten years ago, he had no reason to do so now.

She had seen this man's decisiveness and ruthlessness. Whatever he wanted to do, he would definitely go straight to the point. Why did he need to spend so much effort on her?

If he was using her, it seemed like he had been helping her all along!

At the thought of this, Qiao Mu's bad mood instantly disappeared, and was replaced by a small sense of joy.

Even if he had only used her back then, wasn't it different now?

Qiao Mu looked at that cold face. This was the first time she felt that he was actually quite handsome when he was angry!

Feeling a little smug in her heart, Qiao Mu opened her arms and wrapped them around Li Yan's neck. She took the initiative to lean in and asked with a serious expression, "'Uncle, do you like me?'"

Li Yan looked up coldly. He could not deny the little girl's sudden question. The little girl's sudden change meant that she was not so stupid that she could not be saved!

Qiao Mu saw that he didn't reply and couldn't wait to conclude, " Just admit it. You like me! "

The coldness in Li Yan's eyes gradually dissipated. The corners of his lips curled up into a devilish smile. His voice was so magnetic that it made people intoxicated. " That's right, I like you. "

Li Yan's straightforward admission was completely out of Qiao Mu's expectations.

Hence, Qiao Mu was completely stunned when she heard the words " That's right, I like you..

Chapter 193: That's Right, I Like You (3)

An indescribable feeling welled up in her heart. Even ten years ago, no matter how good Li Yan was to her, he had never said the word 'like' to her.

She had said it so casually, and it made her feel that his attitude was very frivolous!

Just as Qiao Mu was staring blankly at Li Yan, she saw the man flip over and press her under him.

The big hand was not obedient. His low and deep voice was full of charm as it sounded in her ear, "I like you. Can't you feel it? "

As he spoke, that large hand pinched a certain protruding part of her body. This action made Qiao Mu blush all of a sudden.

The little bit of joy that had just appeared in his heart was instantly turned into ashes!

Qiao Mu's face flushed red as she widened her eyes. "Li Yan, what are you doing?"

"Prove that I like you!" A certain man seemed to want to express his feelings very much, and he was even more active in expressing his feelings.

This bastard!

Qiao Mu gritted her teeth. She knew that he wouldn't say anything nice. The 'like' he mentioned was in this aspect?!

Then, without giving Qiao Mu a chance to react, a certain man began to prove his love with his actions!

Qiao Mu wanted to cry but had no tears. This insatiable beast!

Qiao Mu realized that she absolutely could not chat with him after doing this kind of thing in the future. She might be eaten again if she said something wrong!

After the incident, Qiao Mu was practically exhausted. She fought back her sleepiness and narrowed her eyes at the man beside her. "Does the matter with

Little Aunt still count? ”

Li Yan was full and in a good mood. His thin lips curled up slightly. ” Why? Are you interested? ”

“Will the treatment be better if I sit in Auntie’s position?”

So this was what this girl was thinking!

Li Yan raised his eyebrows slightly. ” The treatment will be different. It’s just that it’s not appropriate for you to call me uncle. If you’re really thinking about this identity, then change the way you address me! ‘

“Huff huff-”

Just as Li Yan finished speaking, Qiao Mu had already closed her eyes and was snoring hypocritically.

Li Yan was speechless.

This little thing!

Li Yan felt helpless. Forget it. If he did not want to change it, then so be it. After a while, it felt good to be called uncle by her.

Qiao Mu was originally pretending to be asleep, but because she was too exhausted, she really fell asleep after pretending.

Feeling her breathing gradually calm down, Li Yan looked at her clean little face, and his eyes darkened slightly.

His large hand gently stroked her fine hair, and his deep voice rang out in the quiet room. ” Qiao Mu, I’ll never use you, so don’t have such crooked thoughts about me. Whatever you want, just tell me, and I’ll

give it to you. If you think you're smart enough to scheme against me, don't blame me for punishing you too cruelly!"

Li Yan was greeted with silence.

Li Yan lowered his head and planted a light kiss on Qiao Mu's forehead. Qiao Mu seemed to sense his gentleness as she humphed and burrowed into his embrace.

The next day, Qiao Mu arrived at the company.

Even though Ye Lin had seen through her good deed, Qiao Mu still continued to work as usual without a guilty conscience.

In Ye Lin's eyes, Qiao Mu's calmness was an arrogant and conceited attitude.

In the morning, Lei Yi passed by the entrance of the design department. Ye Lin walked up quickly. "Assistant Lei Te, I have something to tell you."

Lei Yi looked at Ye Lin coldly and asked, "What is it?"

Ye Lin looked into the design department and inadvertently glanced at Qiao Mu before smiling at Lei Yi. "Assistant Lei, I want to talk to you about what happened in the parking lot yesterday.."

Chapter 194: Ye Lin's Smart Aleck

"The parking lot? What does Manager Ye mean?" Lei Yi didn't understand at all.

In Ye Lin's eyes, Lei Yi's performance was a deliberate act of feigning ignorance.

Ye Lin smiled and didn't beat around the bush. She directly pointed it out," Assistant Lei Te, I'm sure you know what you and Qiao Mu did in the CEO's car after work yesterday. Even Qiao Mu, a girl, admitted it. How can you, a man, hide in the car? "

Hearing this, Lei Yi understood what was going on.

Of course, only the CEO was sitting in the CEO's car. It was obvious that Ye Lin had mistaken the CEO for him!

The corners of Lei Yi's mouth twitched. The young master's woman had been mistaken as his girlfriend. It was already very unfortunate for him to be dragged into the muddy water by a scapegoat like this, but now, he was even mistaken as the one in love with Qiao Mu in the car!

Lei Yi felt a headache when he thought about the cold and disdainful attitude his young master had towards him recently.

Ye Lin smiled. " Assistant Reiter, if the CEO finds out that you've done such a thing, I'm afraid it won't be good, right? "

He had made a mistake, and it was such a despicable mistake. Lei Yi was the special assistant of the CEO. He would definitely not lose face!

Lei Yi smiled coldly. " Since Manager Ye is so enthusiastic, then go and tell the CEO.

Ye Lin's expression changed, and she continued to threaten, "" Assistant Lei Te, stuffing your girlfriend into the company is neither a big nor a small matter. Even if you don't mind, what about Qiao Mu? "

Lei Yi understood Ye Lin's meaning and asked directly, ""Manager Ye, just tell me your purpose!"

Ye Lin saw that the other party had taken the bait and smiled. " Assistant Reiter, I don't have any ulterior motives. It's just that the design qualification for the real estate in the north of the city has been revoked by the president. I want to ask you to help me hand over the design qualification for this project

to our design department. This matter won't harm the company. You won't make things difficult for me, right?

Lei Yi looked at Ye Lin coldly and did not respond. He turned around and left.

Ye Lin curled her lips smugly. Being able to threaten a character like Lei Yi would save her a lot of trouble in the future!

In Li Yan's office, Lei Yi tactfully told Li Yan about this. Even though he had tried his best to distance himself from Li Yan, Li Yan still treated him coldly.

Li Yan's lips curled up slightly. "Assistant Lei, you've been very lucky with women recently. Everyone in the company is talking about you and your girlfriend from the design department."

Lei Yi was speechless.

Li Yan tapped his fingers lightly on the table and said nonchalantly, "Agree to her request."

Lei Yi was stunned. Young Master was not easily threatened, not to mention that the other party was someone like Ye Lin who was not presentable.

Immediately after, Li Yan's lips curled up coldly. "She's in charge of such a big project. If she doesn't do it well, she'll bear the consequences."

Lei Yi understood and nodded.

Lei Yi was very efficient. In the afternoon, the design department received a notice to hand over the project to Ye Lin. She would lead the design department to design a good plan.

Ye Lin was in an extremely good mood. She generously said, "Everyone will have to work harder in the coming month. I'll treat everyone to dinner tonight."

The design department was in an uproar. Ye Lin looked at Qiao Mu and said enthusiastically, ““Qiao Mu, you must come tonight.”

Qiao Mu did not know why Li Yan had given the project to Ye Lin again, but she was not interested in Ye Lin’s invitation at all. She flatly rejected, ““I’m not going, Manager Ye. I have something to do at home tonight..”

Chapter 195: The Standard to Hook Up with a Tall, Rich, and Handsome Man Is Appearance!

“It’s a rare gathering, how can you be absent?” Ye Lin said with a smile. I don’t mind if you bring your family along. After all, your family members are also employees of the company.”

Qiao Mu wanted to continue refusing, but Tang Jiajia persuaded her, ““ Go on,

Mu Mu. Let’s have some fun. Manager Ye is treating us. Don’t reject him. Just treat it as a companion. ”

Qiao Mu glanced at Ye Lin and didn’t refuse.

At night, Qiao Mu informed Li Yan beforehand and got his permission before having dinner with the design department.

After the meal, Ye Lin said that she wanted to invite everyone to karaoke, so the group went to Glory of the Dark Night.

In the private room, someone said, “ Sister Lin, you’ve really spent a lot of money today. A place like the Glorious Dark Night is very expensive. This is my first time here. ”

It’s nothing, ” Ye Lin said nonchalantly. “ My boyfriend is a VIP member here. He can get a huge discount. ‘

Everyone was surprised. Someone said enviously, "" Sister Lin, your boyfriend is amazing. The members of Glorious Dark Night aren't open to the public. I heard that you have to spend more than six figures a year to be a VIP! "

Ye Lin smiled modestly. " It's nothing. He just accompanied a client here to have fun a few times. He can only earn money if he is willing to spend money with the client, right? "

Sun Ning scoffed and said sarcastically, " Manager Ye's boyfriend is indeed amazing, but men often go to places like this. It's inevitable that they'll be attached to flowers and plants. Manager Ye, you have to keep an eye on him. After all, he's not married yet. Don't let anyone miss such a good boyfriend! "

The smile on Ye Lin's lips deepened. She was very confident. " Thank you for your concern. I'm not worried about this. A successful man must socialize. If I suspect him because of this, I'm being too careless. '

"Manager Ye is really knowledgeable." Sun Ning curled his lips and sneered. Then, his gaze landed on Qiao Mu. " Xiao Qiao, do you have the right to participate in this topic? I wonder if you need to worry about Assistant Reiter? " A man of his status like Assistant Reiter helps the president solve his problems all day long. He also has a lot of social gatherings. I think Assistant Reiter is already a WIP customer here, right?"

Qiao Mu was eating fruits and chatting with Tang Jiajia, so she ignored the argument between Ye Lin and Sun Ning. She didn't expect Sun Ning to suddenly change the topic to her, and everyone's gaze shifted to her.

Qiao Mu felt a little uncomfortable. Sun Ning was obviously deliberately using her to suppress Ye Lin.

Qiao Mu raised her head and glanced at Sun Ning. She smiled faintly and coldly replied, ""I'm not sure either."

"VVIP membership costs seven figures a year! Assistant Reiter is so powerful, he must have reached it!"

" Yes, yes. Assistant Reiter is handsome and capable, and the CEO especially values him. Qiao Mu, you're really amazing to be able to take Assistant Reiter down! "

Qiao Mu, there are many single women in our department. Quickly teach us how to hook up with tall, rich, and handsome men! ”

The group of people who were envious of Ye Lin for having a good boyfriend immediately changed the topic to Qiao Mu.

Ye Lin’s expression changed, but Sun Ning smiled very happily. ” A steady man like Reiter never flirts with female employees in the company. He’s especially good at dealing with people. Qiao Mu, you’re really lucky. ‘

Qiao Mu felt a wave of disgust in her heart. Initially, she had a good impression of Sun Ning and would help her with a little work, but now it seemed that he was just using her to deal with Ye Lin.

Seemingly noticing Qiao Mu’s dilemma, Tang Jiajia smiled and said, “”Stop making a fuss. Let me tell you, the first criterion for hooking up with a tall, rich, and handsome man is his looks! Mumu is young and beautiful.. She’s a perfect match for someone like Assistant Reiter!”

Chapter 196: Could It Be That the President Likes Men?

After Tang Jiajia finished speaking, everyone turned to look at Qiao Mu. They had to admit that Qiao Mu was truly ridiculously beautiful.

Her palm-sized face was as clean as a piece of white paper, and her big black eyes were as clear as clear water. Her looks were really not something that ordinary people could compare to.

Initially, she thought that Qiao Mu had hooked up with a tall, rich, and handsome man, but after taking a closer look, she suddenly felt that Lei Yi wasn’t a good match for her.

At first, she thought that Qiao Mu must have some tricks up her sleeves to get into the company through her connections. However, after interacting with her for a while, she realized that she was as

easy to get along with as she appeared to be. She would accept any job that was given to her. Even if Ye Lin always made things difficult for her, she did not use her relationship with Lei Yi to do anything in private.

Knowing that Tang Jiajia was helping her out, Qiao Mu smiled and said, ""Jiajia, do you mean that I only have good looks?"

Of course not. You're only 18 years old. You don't even need to go to university yet. Your potential will be limitless in the future. Assistant Reiter is really brilliant. He's already taken over you so early. No one can have any ideas about you in the future! '

Qiao Mu burst into laughter. Only now did she realize that Tang Jiajia was so eloquent!

After Tang Jiajia changed the topic, no one asked about Qiao Mu and Lei Yi's relationship anymore.

Ye Lin coldly looked at Qiao Mu. Her glory had been snatched away by Qiao Mu, so she was very gambling in her heart. She lightly smiled and said, ""Assistant Lei Te is indeed amazing, but my boyfriend isn't as amazing as him. He has to be responsible for the president's diet and daily life, from work to private life. I can't find a boyfriend like Assistant Lei Te. He's so busy and doesn't have time to accompany me."

After Ye Lin finished speaking, Sun Ning smiled and said without Qiao Mu saying anything, The president trusts Assistant Reiter, that's why he put him in an important position. In the company, Assistant Reiter's status is equivalent to the vice president. It's only right for a man to be busy. "

In the company, everyone knew Lei Yi's status. Ye Lin's words meant that Lei Yi was just an assistant and nothing special, but Sun Ning's words blocked her meaning.

Suddenly, someone said, " Career-oriented men are especially likable. For example, our CEO. I wonder what kind of man he likes! '

Forget it. President, don't worry about it. Just take a look from afar to satisfy your craving. However, I'm very curious if you have a girlfriend. '

“The CEO is so perfect. No woman can match him! If he has to have someone he likes, I hope that the other party is a man so that he can feel more balanced!”

“President has never had any scandals with any woman. Could it be that he really likes men?”

Qiao Mu was speechless.

This group of people was really too gossipy. If Li Yan heard these words, they would probably lose their lives.

“ What nonsense are you talking about? ” Ye Lin said coldly. “ How could the CEO like men?! ”

‘ Manager Ye, why are you so agitated? Everyone was just joking. Could it be that Manager Ye still has some fantasies about the president? ’ Sun Ning smiled.

“I’m not married yet. Even if I have any intentions, is it against the law?” Ye Lin retorted rudely. You, on the other hand, are a few years older than the CEO and are already married. You don’t have any chance at all.”

Sun Nings expression changed. Just as he was about to say something, Ye Lin stood up. “ I’m going to the washroom. ”

Ye Lin walked out of the private room and walked to the corner. However, she saw Li Yan walking towards her. She was so excited that she stopped in her tracks.

Ye Lin smiled warmly. “ President, what a coincidence.. You’re here for business? ”

Chapter 197: The Cold-looking Man’s Smile Was So Gentle

Li Yan shot a cold glance at Ye Lin. It was just a glance, but it was as if he did not see anything. He took steady steps and walked past Ye Lin without stopping for a moment.

Ye Lin's expression turned ugly after being hit by Li Yan's attitude. Although she knew that Li Yan had always been a cold person and would only nod coldly when greeting her in the company, he was too lazy to even nod outside the company. She stood at the side like air.

She clenched her fists tightly. Just as Ye Lin was adjusting her awkward mood, she saw the man walking past her stop.

Ye Lin was delighted and said with a smile, "President, what's the matter?"

Li Yan took two steps forward and remembered that the little one was having dinner with the design department today. He stopped and turned to look at Ye

Lin. "Manager Ye, why are you here? "

Ye Lin was extremely excited. Li Yan actually cared about why she was here!

Ye Lin was still smiling. "President, I'll treat the people in the department to some entertainment today so that they can focus on the big project at hand. "

What Ye Lin meant was that in order to increase the efficiency of the design department, she would pay for the meal out of her own pocket.

Seeing that Li Yan's expression did not change, Ye Lin probed, "President, if you don't mind, you can come and join us."

"Alright."

This simple word stunned Ye Lin.

Ye Lin was just saying it casually. She did not expect Li Yan to attend their gathering. She just wanted to perform well in front of Li Yan, but who knew that Li Yan would actually agree!

What did this mean? Li Yan attached great importance to her design department!

Lei Yi, who was standing behind him, said, “Young Master, I have something to do. I want to go back first.”

“Assistant Reiter,” Ye Lin kindly hinted, “If everyone from the design department is here. Shall we come together?”

Li Yan raised his eyebrows. “Let’s go sit together.”

Lei Yi felt a headache coming on. Everyone in the design department thought that there was something going on between him and Qiao Mu. If he followed them, wouldn’t he be asking for trouble?

At this moment, Li Yan’s phone rang. He took out his phone and opened WeChat. When he saw the content of the message, the corners of his mouth curled up slightly. His tough and cold face instantly warmed up.

Ye Lin was stunned. She had never seen such an expression on Li Yan’s face.

How could a man who was always cold and distant smile so gently?

Could it be that Li Yan really had someone he liked?

No way. Such a perfect man, even she did not dare to have any thoughts that she should not have. How could a woman arouse his interest?

Perhaps the person who sent him the message was his mother!

Of course, Ye Lin did not know that the person who sent Li Yan the message was Qiao Mu.

In the private room, Qiao Mu hugged her phone in boredom and sent a message to Li Yan. "Uncle, are you home? I'm so bored."

Tang Jiajia was the only one she could chat with. Tang Jiajia had gone to sing, and she was bored alone. She wanted to end the game as soon as possible. Very soon, Li Yan replied with a line of words: "It won't be boring in a while."

Qiao Mu furrowed her brows in confusion. What did this mean?

At this moment, the door was pushed open.

Ye Lin returned. The people in the room looked at the door and instantly fell silent.

Qiao Mu was still looking down at her phone and studying the meaning behind Li Yan's words. She did not notice that the atmosphere was a little off at all. "President ... President!" Suddenly, someone called out, his voice filled with shock..

Chapter 198: Young Master Li Was Full of Jealousy

Only then did Qiao Mu raise her head and follow everyone's gaze, and then...He was also stunned!

Li Yan had actually appeared in front of her?

At this moment, she immediately understood the meaning of the text message!

Ye Lin smiled. "I saw it outside. President, President knows that we're having a gathering. He came over to have a seat."

The group of people stood up and greeted Li Yan.

Li Yan walked into the room with an indifferent expression. His gaze swept across the room and landed on Qiao Mu's face. The corners of his lips curled up as he said indifferently, "You guys continue. Don't worry about me."

Qiao Mu lowered her head uneasily when Li Yan stared at her in public. She looked at the content of their conversation before continuing to send him messages in all seriousness. "Uncle, why are you here?"

Li Yan felt his phone vibrate, but he ignored it. He strode over to the sofa, and someone stood up to give up his seat in a fawning manner. However, Li Yan didn't even glance at it and walked straight to Qiao Mu's side before sitting down leisurely.

That seat was originally Tang Jiajia's. Tang Jiajia went to the front to sing, so the seat became empty. The people in the room thought that Lei Yi would come over and sit next to Qiao Mu, but they did not expect Li Yan to be sitting there.

Lei Yi, who was standing at the side, quietly found a seat further away and sat down, drawing a clear line.

Ye Lin coldly glanced at Qiao Mu. Why did she get to take all the good stuff!

A female colleague came up to Ye Lin and asked softly, "Sister Lin, how did you get the CEO to come over? How can we invite the CEO to a gathering like this?"

Ye Lin's lips curled up and she smiled disapprovingly. "No matter what, I'm still the manager of the design department. The CEO will still give me this bit of face."

Sun Nings expression turned cold. Although he felt that Ye Lin would not have such a high status, not everyone could invite someone like Li Yan. Could it be that the CEO really had something to do with Ye Lin?

Sun Ning frowned. If Ye Lin really caught the CEO's eye, then she would have no place to stand!

In order to probe Ye Lin and Li Yan's relationship, Sun Ning smiled and said, ""Manager Ye, the CEO is here. Shouldn't you pour him a drink?"

Ye Lin smiled as she walked towards Li Yan and poured him a glass of wine. "

President, we don't have any good wine here. Please don't mind. '

Li Yan glanced at her indifferently and said coldly, ""I don't drink."

This cold attitude that did not give her any face made Ye Lin's expression a little awkward. Sun Ning smiled coldly. She was really thinking too much. Why would the CEO like someone like Ye Lin?

When he looked at Li Yan and Qiao Mu sitting together, Sun Ning suddenly realized that one of them was extremely handsome while the other was beautiful. They were quite compatible!

Ye Lin also noticed it. Although she did not want to admit it, Qiao Mu's face was so beautiful that it made people jealous!

Feeling stifled, Ye Lin said to Lei Yi on the other side, ""Assistant Reiter, what do you want to drink? Why don't you get Qiao Mu to pour you a glass of wine?"

Lei Yi was speechless.

Qiao Mu was speechless.

He really brought up a sore spot!

After Ye Lin finished speaking, Li Yan's eyes darkened slightly, and a chill spread out. Only Qiao Mu and Lei Yi understood why.

Qiao Mu smiled awkwardly. "Manager Ye, don't joke around. I'm not a drinking partner."

Lei Yi immediately stood up and said indifferently, "I'm going to the washroom."

If he stayed any longer, he would probably die a miserable death!

Li Yan crossed his legs. His voice was faint, but it contained a hint of coldness that was hard to fathom. "Manager Ye, Lei Yi's influence is really big.. He even made you specially send someone to pour wine for him?"

Chapter 199: A Girlfriend As Stupid As A Pig

Other than Qiao Mu, who was the person involved, no one else would understand the coldness hidden in Li Yan's words.

Ye Lin smiled warmly. "President, what would you like to drink? I'll pour it for you."

Upon hearing this, Li Yan merely raised his eyelids and ignored Ye Lin.

Ye Lin felt extremely awkward being ignored by Li Yan in front of so many people.

Qiao Mu silently watched the show. No matter what, Ye Lin was a woman, and this Young Master Li was too disrespectful.

Seeing Ye Lin's embarrassed expression, Qiao Mu felt greatly comforted. It seemed that there were not many people who had such a good mental fortitude and could handle Li Yan with ease like her.

Li Yan took out his phone and opened WeChat. When he saw the message that the little one had sent him, the corners of his mouth curled up slightly. His fingers tapped on the phone screen a few times.

Perhaps it was because Li Yan's expression had warmed up a little, someone took the opportunity to muster up the courage to ask, "President, are you texting your girlfriend?"

As soon as he asked this question, someone else said, "How is that possible?"

How can the CEO have a girlfriend? I saw the CEO's name on the list of golden bachelors in a magazine previously!"

Everyone's gaze fell on Li Yan, including Qiao Mu.

Qiao Mu blinked her big eyes, extremely curious about how he would answer.

Li Yan slowly sent out the text message. He raised his head and raised his eyebrows slightly. His thin lips moved. "Do I have to report to you guys that I have a girlfriend?"

These words were said lightly, as if he was indirectly admitting that he already had a girlfriend.

Qiao Mu was slightly stunned. He did not deny that he had a girlfriend, as this was not his style.

As if seeing that Li Yan was in a good mood, someone asked, "President, there are many people in the company who adore you. I think President's girlfriend must be very outstanding!"

Li Yan nonchalantly glanced at Qiao Mu, and she immediately lowered her head to look at her phone guiltily. Then, she heard the man beside her say in a low voice, "Not considered outstanding."

Qiao Mu's grip on her phone tightened, and her heart suddenly wavered, causing her to lose her cool.

Was he talking about her? She had always been by his side and had already moved into his house. She was sure that there were no other women by his side. So, he was talking about her?

Li Yan's answer made the group of people even more impudent. Someone flattered, "There must be something special about a woman that the CEO likes!" Qiao Mu nodded in agreement. Of course, she was special!

Li Yan took in Qiao Mu's nod, and the corners of his lips curled up into a faint smile. "She's indeed very special. She's as stupid as a pig.

Everyone was speechless.

Qiao Mu was speechless.

F * ck! She wasn't sure if he was talking about her just now, but in the blink of an eye, she was sure that it was really her!

But why didn't he feel happy at all? Was he joking on purpose to make everyone happy?

He always said that she was as stupid as a pig. Could he be any more overboard?

Ye Lin laughed when she heard this. She was very disappointed when she heard that Li Yan had a girlfriend. However, she was sure that Li Yan was joking. Who would say that about their girlfriend?

Qiao Mu was a little unwilling to give up and revealed a gossipy expression. She looked at Li Yan and asked, ""President, are you joking? Your girlfriend is definitely not as bad as you say. Otherwise, why would you like her?"

Chapter 200: Being Teased in Public

Although she knew that she was not his girlfriend, since he was talking about her, she had to at least regain some face!

Li Yan raised his eyebrows and stared at Qiao Mu with a heavy gaze. " Oh? Do you think it's bad? But I think that stupidity is her strength."

Qiao Mu was speechless.

Although they could not tell if the girlfriend Li Yan mentioned was real or just a joke, there were still people who flattered him. " They say that when two people are together, they complement each other. The CEO's IQ is unparalleled.

Naturally, you don't have to be too smart to find a girlfriend! "

" Yeah, the CEO's girlfriend is really blessed. The CEO can handle everything.

She doesn't need to use her brain. '

"The other party must be a young miss from some family, right? The CEO is so protective of her. He must care about her very much!"

Qiao Mu pursed her lips. What a bunch of bootlickers.

Feeling Li Yan's ambiguous gaze sweeping over, Qiao Mu lowered her head and continued to pretend to look at her phone. It was only then that she saw the message he had sent her.

"Do you still feel bored?"

The corners of Qiao Mu's lips twitched involuntarily. It was no longer as simple as being bored, but rather, uneasy, alright?

At this moment, she suddenly sensed a male scent approaching her. Qiao Mu raised her head and was stunned to discover that Li Yan was approaching her.

Li Yan was very dissatisfied with Qiao Mu's cold attitude in public. The more she deliberately kept her distance from him, the more he wanted to tease her.

He leaned over to her side and leaned his face close to her ear. His lips were almost touching her ear as he said in a low voice, "Your man is right beside you, yet you're using your phone to send a message. Have you ever thought about how your man feels?"

Qiao Mu froze completely!

Such an intimate action was normal for two people to interact in private, but this was a public place!

He looked around the room and saw that everyone was looking at them in surprise.

Ye Lin stared at this scene with an ugly expression. Li Yan's lips curled up slightly. His facial expression could not be seen clearly in the shadows, nor could she hear what he said. However, looking at it from this angle, it was like a couple whispering.

Li Yan, who had never been close to others, had always treated others coldly. However, at this moment, he took the initiative to approach an employee!

Qiao Mu panicked, and under everyone's shocked and confused gazes, she stood up.

She smiled nonchalantly and looked down at Li Yan. "President, why didn't you tell me earlier that you were thirsty? I was sitting next to you and I'm sorry for not serving you well.

After saying this, the others slowly recovered from their shock. It turned out that they were not whispering. It was just that the CEO was thirsty and wanted to drink water!

Li Yan raised his eyebrows slightly. This little thing's reaction was really fast. When he saw her hand over a glass of water, the corners of his mouth curled up and he raised his hand to receive it.

As his large hand held the cup, he wrapped around Qiao Mu's hand as if he was teasing her. His fingers lightly rubbed against her hand, and Qiao Mu instantly felt like she was being taken advantage of by a pervert!

Qiao Mu's hand trembled when she was teased in front of everyone. She was caught off guard, and she let go of the cup before Li Yan could even hold it.

The cup fell to the ground and the water spilled out. Li Yan moved to the side elegantly and quickly. Although he reacted quickly, his pants were still drenched.

Qiao Mu was shocked. She immediately took a tissue and wiped Li Yan's pants haphazardly. She cursed him in her heart and apologized, "I'm sorry,

President. I didn't do it on purpose!"

Qiao Mu's actions shocked everyone again!

Where was she wiping?
