

Destined Wife: The Apple of My Eye

Chapter 21 I Will Take You Back!

He Mingkai is in a mess and he doesn't know where he lost his suit. His white shirt is wrinkled with a tie hanging on his chest. He looks at Yan Hua painfully.

"What do you want to do?" Yan Hua asks calmly, but several thoughts flash through her mind.

Was it Lang Ruoxian who let him in?

Lang Ruoxian asked her to come to the party just to make a fool of her?

Will there be a lot of people breaking in with cameras in a minute?

"I want to see you. I miss you so much!" He Mingkai doesn't pay attention to Yan Hua's expression. He goes forward to catch her, "How are you? Are they nice to you?"

Yan Hua quickly bypasses the other side of the bed, picks up her coat and puts it on, "Whether I am good or not has nothing to do with you..."

"What can I do now?" Yan Hua thinks.

"Hua!" He Mingkai is distressed by her evasion, and hastily explains, "The divorce agreement was not signed by me. My mother lied to me..."

"Why did you run away without saying a word? We can discuss everything, can't we?"

"I've been looking for you everywhere, and I'm going crazy to know that you've entered into Lang Family..."

After finishing his words, He Mingkai finds that Yan Hua has run into the living room outside, and he has to chase her then.

"Listen to me, Hua, I will get you out of Lang Family. Don't worry! The child will stay if you want and I will raise him as my own child."

Yan Hua looks at him as if he is a psycho, “Do you think Lang Family will let me take away this child?”

“Then we can wait for the baby to be born!” He Mingkai seems to have known that she would say so. He says happily at once, “When the baby is born, we can give it to Lang Family and then we will be together again.”

“Who told you that?” Yan Hua frowns and says, “Who told you that I’d leave when the baby was born?”

He Mingkai’s eyes flash for a moment, and immediately he looks affectionately again, “No one told me that, don’t you want to leave?”

“Why should I leave?” Yan Hua says slowly word by word, “I’ll be with my child. It’s over between us. It’s over from the moment I was driven out by you.”

He Mingkai is stunned and then his face changes.

“You don’t want to leave Lang Family. Is it because you are not willing to give up the status?” He Mingkai wants to go forward to grab her again but Yan Hua escapes.

She looks at the door and analyzes how likely she is to run out. But now she is wearing a nightgown under her coat. Isn’t going out like this telling others something happened just now...?

“Don’t be silly, Hua. Lang Family is just taking advantage of you. They would like you to leave when your baby was born.”

Staring at the man not far away, Yan Hua can’t overlap him with the man who saved her in the street two years ago.

He once lent his hand when she was at a loss in her life, so even if she didn’t love him, she agreed with his proposal to marry him.

But now this face...

Yan Hua chuckles and says, “What does that have to do with you? Even if Lang Family doesn’t recognize me, I’m still the mother of my child.”

“Hua!” He Mingkai can’t help raising his voice, “What you think is too simple...”

“All right.” Yan Hua interrupts him, “Please leave and don’t look for me again. After all, I am a widow now.”

He Mingkai’s eyes are full of pain and he shakes his head inconceivably, “How did you become so? Is it because Lang Family has money? What they can give you, I can give you, too!”

“Are you sure?” Yan Hua’s tone relaxes. Just now the man’s little residual good expression in her heart was gone.

She owed him only two years of life under his hedge. But Guo Xiaotong and Lyu Yan destroyed her fame and somehow made her a widow. The account was cleared up.

“He Mingkai.” Yan Hua looks at him faintly, “Don’t you understand? It’s over between us.”

“No! It’s impossible.” He Mingkai exclaims excitedly, “You can’t treat me like this. My mother said you were greedy for the money of Lang Family. I had a quarrel with her... Hua, you can’t do this to me.”

The man huddles and squats there as if he is really in pain, but Yan Hua does not feel pity for him. Just a few months ago, she also felt so abandoned by the whole world.

“Your mother and Guo Xiaotong jointly set me up. I’ll square accounts with them sooner or later.” Yan Hua looks at him coldly and says, “Now, you leave immediately, or I’ll call the police!”

He Mingkai rushes forward recklessly, Yan Hua cannot escape him and is grasped by him.

“Why did you say that my mother and Xiaotong hurt you? They couldn’t have done that. It must be a misunderstanding.”

Her arm is firmly grasped by the man, Yan Hua dares not stimulate He Mingkai anymore. She struggles carefully and asks, “Did you investigate the truth?”

“I...” He Mingkai is stuck. He didn’t investigate because he thought that it was impossible for Lyu Yan and Guo Xiaotong to do such a thing.

Yan Hua takes the opportunity to pull away and runs a few steps to the door. Anyway, she should leave at once even if she will be seen by others.

“He Mingkai!” When she opens the door, a woman rushes in.

Yan Hua is nearly hit by her, fortunately, she held the door frame quickly. She looks up and finds the woman is Guo Xiaotong.

“Mingkai...” Guo Xiaotong falls into the man’s arms and cries, “Don’t do this. Don’t torture yourself...”

She turns her head in He Mingkai’s arms and looks at Yan Hua sadly, “How could you do this to him, Hua? Since you left, he has been drinking all day. He doesn’t go home or even cares about his company. He is so sad, can’t you treat him well?”

Yan Hua really laughs this time and her laughter almost breaks Guo Xiaotong’s grieved face. She twitches several times before reappearing such kind of expression.

“If you say that, I’ll go with him now?” Yan Hua thinks that Guo Xiaotong has a talent of acting, which is comparable to the acting skills of the movie queen.

Guo Xiaotong trembles for a moment and soon begins to cry again, “You’ve entered Lang Family. If you leave, they will not let Mingkai go!”

“So would you like to help him?” Yan Hua is not in a hurry now. Even if someone comes to see the bustle, she can make it clear because Guo Xiaotong is here.

Besides, she doubted just now that it was Guo Xiaotong’s plot that He Mingkai could find her. Now it seems that it should not be. Guo Xiaotong would not want her to meet He Mingkai.

“Xiaotong, get out of the way.” He Mingkai pushes Guo Xiaotong aside and then looks at Yan Hua firmly, “Listen to me, Hua. I will not be afraid of Lang Family. I will pick you up and you must wait for me!”

“Mingkai!” Guo Xiaotong screams.

He Mingkai is startled by her and asks, “What’s the matter, Xiaotong?”

“You...You...” Guo Xiaotong was so angry just now that she forgot to cover up her thoughts. She tries to make her tone normal and says worriedly, “I know you want to be with Hua and I also hope you can be together again.”

“But you have to take your parents and your company into consideration!” She cries, “Lang Family chose to cooperate with you because you were divorced, if you...”

He Mingkai interrupts her with some panic, “No! I don’t know...” He hastens to look at Yan Hua and hurries to say when she turns the corner of her mouth.

“Hua, please believe me. I don’t know about cooperation. It’s my mother...”

“It’s enough!” Yan Hua rubs her forehead. She feels uncomfortable and wonders if she is disgusted by Guo Xiaotong’s acting skills.

Guo Xiaotong looks at her as an enemy and soon becomes innocent when she turns her head to He Mingkai, “Listen to me, Mingkai. Let’s go back first, shall we?”

“No!” He Mingkai rushes to Yan Hua crazily again, “Hua, believe me. You have to believe me.”

Yan Hua opens the door and tries to run, but Guo Xiaotong is faster than He Mingkai. She is tripped deliberately and pushes her hands straight towards Yan Hua.

“Ah!” Guo Xiaotong shouts.

Yan Hua is about to fall out of the door. Under her present situation, the consequences will be terrible. Suddenly, a pair of hands reach out to hold her.

“What’s wrong with you?” A slight voice comes from the top of her head, “Yan Hua, are you okay?”

If your hands don’t pinch me so hard, I will believe you care about me.

Yan Hua twitches her lips and thinks that all this might be arranged by the man, so she quickly stands firm and then takes a few steps back.

“I’m okay.” She looks up into a pair of calm and appealing eyes. She stares at him for a few seconds and tries to see something from the eyes.

Guo Xiaotong's eyes rove over them, she resents Yan Hua even more.

Yan Hua, this bitch, dares to seduce her brother-in-law after seducing Mingkai.

"Mr. He, Miss Guo." Lang Ruoxian takes a meaningful look at Yan Hua and then turns into the room, "Why are you not in the hall? What are you doing here?"

Yan Hua follows in and sits silently on the sofa farthest from He Mingkai. Seeing Yan Hua is so icy, He Mingkai almost bursts into tears.

"Mr. Lang, I..."

"I think I made it very clear when you came to me before." Lang Ruoxian interrupts him, "Yan Hua is a family member of Lang Family now. You should stop saying that you will take her back in the future."

He Mingkai is a little embarrassed and then looks at Yan Hua at a loss.

"He Mingkai, you saw what happened just now." Yan Hua glances at Guo Xiaotong and says, "I just want my baby to be born safely now and after that we will talk about other things."

Guo Xiaotong shows an incredible expression. Lang Ruoxian on the other side moves his mouth slightly but says nothing.

Only He Mingkai says excitedly, "Okay! We'll talk other things later. Take good care of yourself. Call me if you need anything."

..". Yan Hua turns her head because she feels sick when she looks at such a man.

Guo Xiaotong pulls He Mingkai away. Seeing Guo Xiaotong itching to kill her before leaving, Yan Hua, on the contrary, smiles and waves her hand.

"What's the benefit for you to drive her crazy? Aren't you afraid that she will take extreme actions against you?" The man mocks behind her.

Yan Hua has a headache. She almost forgets that the man is still in her room.

“Compared to this, I’m more concerned about how He Mingkai found me and why he had my room card.” Her tone is not so good because she feels great pain in her chest.

“So you doubt me?” Lang Ruoxian says carelessly, but his voice is somewhat overwhelmed.

Yan Hua bites her lips and wonders, is her mood so obvious?
