

## The Apple 211

### Chapter 211: Your Father Is Sick

Qiao Mu was caught off guard. She widened her eyes and slapped the bed hard. Li Yan, if you want to start, can you tell me in advance?! ” Immediately after, the man’s low and hoarse voice sounded in her ear. ” You should be happy. Your man has no desire for you! ” This beast! That night, Qiao Mu somehow ignited a certain man’s fire and practically used all sorts of methods to demand from her.

This man was even crazier than usual. It was as if he wanted to swallow her whole. All kinds of postures exhausted her! Later on, after an unknown period of time, Qiao Mu’s body was already extremely weak until she finally fell asleep. After intense exercise, Qiao Mu successfully overslept the next day. When he woke up, it was already late in the morning. She immediately got up and prepared to go to work, but she was stopped by Li Yan.

Compared to Qiao Mu’s listlessness, Li Yan was refreshed. He looked at Qiao Mu, who was in a flurry, and said indifferently, “I’ve already approved a day off for you. You don’t have to go to work today.” ” Oh, ” Qiao Mu replied and listlessly fell back onto the bed, preparing to catch up on her sleep. His body was aching badly and he had no strength at all.

Li Yan, this beast, was really helpless when he flared up! Qiao Mu wanted to go back to sleep, but her phone rang. It was Yu Tingyun. After staring at the caller ID for a while, he finally picked up the call and said, ” Hello? ” Then, he heard Yu Tingyun’s voice. ” Qiao Mu, go home. Your father is sick. ” Qiao Mu was startled, and her sleepiness disappeared in an instant. She hurriedly asked, “What happened to my dad?” “If you’re worried about your father, go home and see him yourself!”

Qiao Mu rushed back to the Qiao family’s residence, and Yu Tingyun and Qiao Ya were both there. Yu Tingyun saw her and asked in surprise, “I just called you. Why did you come back in such a short time?” After Qiao Mu hung up the phone, she came straight over from the Li residence. She was worried about

her father, so she couldn’t care about anything else. Without answering Yu Tingyun, Qiao Mu asked directly, “Aunt Yun, is my father alright? ”

” The doctor said that he’s been working too hard recently. He’s depressed and under too much pressure. His body can’t digest it for a while, so he fell sick all of a sudden. He needs some time to recuperate. ” Qiao Mu realized that not only her father, but even Yu Tingyun’s face had lost its usual

vigor and was much more haggard than it had been a few days ago. She had never cared about the company's affairs. When Yu Tingyun mentioned the Qiao Corporation last time, she thought that she was exaggerating. Now, it seemed that she was really in trouble! What made her feel strange was that she had mentioned this to Li Yan before. Li Yan's attitude was that he had agreed to help her. Why was there no progress? Just as Qiao Mu was feeling puzzled, she heard Yu Tingyun speak again. "Qiao Mu, when I asked you to do it, did you think it through?"

Your father is already in this state. Don't tell me you still plan to leave Mrs.

Qiao in the lurch?" Qiao Mu's expression turned colder, and she coldly said, "Aunt Yun, you really think too highly of me. If you can't do it, how can I? You want me to get close to Li Yan, but do you think he's the kind of person whose judgment will be affected by a few words from me?" Yu Tingyun's gaze fell on Qiao Mu's face, and the corners of her lips curled up. Her tone was matter-of-factly as she said, "Isn't your greatest asset your body? The Qiao family raised you up, and now it's time for you to repay the Qiao family. Even if you don't care about me, don't you care about your father?"

Your father is really good to you!"

Chapter 212: She Doesn't Look Like Her Father Or Her Mother

Qiao Ya said disdainfully, "Qiao Mu, don't put on such an arrogant expression. You've already been violated by Lin Xian a long time ago. This kind of thing is very normal for you. After all, a woman will have a second time after her first time. It's already too good for you to be with a man like Uncle!"

Qiao Mu's eyes darkened at the mention of Lin Xian. "You still have the cheek to mention Lin Xian? Qiao Ya, I really don't know how you became like this!" After a pause, Qiao Mu looked at Yu Tingyun and said, "Aunt Yun, if I remember correctly, you reminded me that Li Yan wasn't someone I could mess with. Now that I'm with Li Yan, do you agree?"

Yu Tingyun smiled sarcastically. "Qiao Mu, what dream are you having? What kind of person is Li Yan? If you really have the ability to be with him, then I

really have to give you my blessings! I'm afraid that if you get close to him, he will help Mrs. Qiao, which has already shown your role vividly. Do you think you still have other influence on him?"

Qiao Mu clenched her fists. Very good!

She would wait for Yu Tingyun's blessings!

Qiao Mu couldn't be bothered with them and went straight into the room to meet Qiao Jiannan.

In the room, Qiao Jiannan was lying on the bed with his eyes closed and his hand on an IV drip.

Even when he was sick, Qiao Jiannan was still in high spirits. Although he was middle-aged, he maintained his appearance very well. From his face, one could tell that he must have been very handsome when he was young.

If he hadn't been so handsome back then, Yu Tingyun, who was from a wealthy family, wouldn't have married him!

Perhaps Qiao Mu had inherited Qiao Jiannan's genes for being beautiful, but she never looked like Qiao Jiannan since she was young. Qiao Jiannan's shadow could hardly be seen on her face, but no one in the Qiao family would raise this question. Because she did not resemble her father, she definitely resembled her mother. Her mother was definitely not allowed to be mentioned.

However, the strange thing was that Qiao Mu was not like Zhou Jieru. Perhaps she had grown into her current state because she had combined the strengths of Zhou Jieru and Qiao Jiannan's invisibility.

Qiao Jiannan opened his eyes as if he had heard a voice. When he saw Qiao Mu, he smiled. "Mumu, you're back. You haven't come home for a long time. "

Qiao Mu sat down beside the bed. "Dad, I've been too busy with my internship recently. I heard from Aunt Yun that your body was overworked because of the company's matters. Did the company encounter some difficulties? "

"It's okay. You don't have to worry about the company. My health is fine. I just need to rest for a while. You just have to go to school."

Qiao Mu felt terrible inside. She smiled at Qiao Jiannan. "Dad, the company will definitely be fine. Don't work too hard. You must rest well."

Qiao Jiannan nodded and raised his hand to pat Qiao Mu's head. "The child has grown up. She knows how to care about her father."

Qiao Mu pouted. "I've always been very sensible!"

"Yes, Mumu is the most sensible!"

Qiao Jiannan's eyes were filled with love, and Qiao Mu's heart felt extremely warm.

She had been in the Qiao family since she was young. Although she had not been treated as carefully as Qiao Ya by her mother, Qiao Jiannan was a very competent father to her. She did not lack the fatherly love that she should have.

She did not have a good mother, but at least she had a good father.

Hence, Qiao Mu was very grateful to Qiao Jiannan, so how could she leave the Qiao family in the lurch!

After Qiao Mu left the Qiao family's residence, Qiao Ya went up to Yu Tingyun and asked, "Mom, will Qiao Mu help the Qiao Corporation?"

Yu Tingyun smiled and said with certainty, "Of course!"

Chapter 213: Yu Tingyun's Purpose

Yu Tingyun was very clear about Qiao Jiannan's position in Qiao Mu's heart. If she wasn't confident that Qiao Mu would do her best, she wouldn't have made such a request.

Qiao Ya furrowed her brows, feeling a little indignant. "But Uncle treated Qiao Mu differently in the past. Uncle is such an outstanding man, but if he was really seduced by Qiao Mu, wouldn't she be taking advantage of him?!"

“Who do you think Li Yan is? It was still uncertain whether Qiao Mu would succeed in this matter. Even if she had the means to make Li Yan help the Qiao family, how many days could Li Yan’s interest in her last? Besides, she’s a member of the Qiao family after all. My aunt won’t agree to Li Yan being with her!”

Yu Tingyun was full of confidence. She told Qiao Mu to get close to Li Yan. If she could do it, it would be of great help to the Qiao family. If she couldn’t do it, the Qiao family wouldn’t suffer any losses.

Regardless of the outcome, if Qiao Jiannan found out that Qiao Mu was approaching her uncle in name, Qiao Mu would be doing her best for nothing!

Yu Tingyun thought that she had complete control over this matter, but she had no idea that Qiao Mu had already gotten together with Li Yan.

When Qiao Mu returned to the Li residence, Li Yan was still at home and seemed to be waiting for her.

When he saw her, the man lifted his eyelids. “ Did you get bullied by your stepmother after you went back? ”

Qiao Mu was stunned. Was he concerned about her?

The next moment, she nodded her head heavily and sat down beside Li Yan. “ Uncle, my stepmother is interrogating me why she hasn’t done anything to you yet. Didn’t you promise me to help the Qiao Corporation? ” But my father fell ill because of the company.”

Li Yan put down the laptop in his hand and opened his arms to wrap his petite body in front of him. “ Your stepmother just asked you to get close to me, so I immediately helped the Qiao Corporation. Are you trying to make her think that I’m easy to take the bait, or are you trying to hint to her that we’ve actually been in a relationship for a long time? ”

Qiao Mu thought for a moment and felt that his words made sense. She should have spent a lot of effort to get close to Li Yan and ask him for help. How could it be that easy?

Yu Tingyun would definitely be suspicious if this matter was settled so easily. He looked up at his handsome face and grinned. " Uncle is still the smartest! "

He rubbed Qiao Mu's head with his large hand and cast a sidelong glance at her. " I'm so considerate of your situation, shouldn't you perform well? " Think about how to thank me!"

Qiao Mu's lips twitched. " Uncle, didn't I do enough last night? "

Her body was still sore, and he still had the cheek to let her perform!

Li Yan's handsome eyebrows raised slightly, and a hint of a smile flashed in his eyes. " Little thing, what's in your head? You're still so young, don't be so indecent. Is this the only way you can express yourself? "

Qiao Mu was speechless.

F \* ck! The most indecent person still had the cheek to say that she was indecent!

She was clearly following his train of thought, but she was actually laughed at by him!

Then, she heard the man's voice. " Treat me to a meal? How can it be a simple way to thank me? You didn't even consider it and insisted on thinking in that direction. You're really a pervert. "

Seeing that evildoer's devilish smile, Qiao Mu really wanted to pounce on him and strangle him to death.

In a beef noodle restaurant near T University.

Qiao Mu took the menu and ordered a few dishes before generously handing it to Li Yan. " Uncle, what else do you want to eat? Order whatever you want.

Don't say I'm stingy! '

Li Yan glanced at the price list on the menu with a cold expression. The most expensive price on the menu was not even a fraction of the price of a cup of tea that he usually drank..

Chapter 214: Treat Me to a Dinner

This little thing had generously agreed to treat him to a meal, but in the end, she had brought him all the way to a small noodle shop near her school.

Seeing that Li Yan did not respond, Qiao Mu smiled and handed the menu to the waiter. " I've already ordered a lot of dishes anyway. I'll order more later if there's not enough! "

The facilities in the small noodle restaurant were very simple. Li Yan's tall figure could not hide his noble temperament as he sat there. He was a little out of place in this small restaurant.

Qiao Mu rested her chin on her hands and smiled at Li Yan while waiting for the dishes to be served. " Uncle, the food here is delicious, especially the river snails. They're my favorite. You should be happy that I'm sharing such delicious food with you. Why are you pulling a long face? You don't even appreciate it! "

Li Yan looked at the little one's happy and relaxed expression and asked helplessly, ""Do you often come here to eat?"

"That's right. You'll know how delicious it is in a while."

Qiao Mu was brimming with confidence. Very soon, the beef noodles and a few side dishes were served.

There were spicy stir-fried river snails, skewers, fried mushrooms, and home-cooked cold dishes.

Li Yan looked at these things that did not have much nutrition and finally understood why this little thing was so thin. It would be strange if it could get fat if it ate these things often!

Qiao Mu enthusiastically added a piece of fried mushroom for Li Yan. " Uncle, try this. It's fried mushroom. It's delicious! "

Mushroom?

Li Yan glanced at it and frowned.

Li Yan hated mushrooms the most. Whether it was the taste or the appearance, they were not appetizing.

He almost never touched it, and the people around him knew his habits and would not order dishes with mushrooms in front of him, but Qiao Mu did not know that.

When he raised his head, he saw Qiao Mu looking at him with great anticipation, waiting for him to taste it. His furrowed brows slowly relaxed, and he picked it up as if nothing had happened and put it into his mouth.

"Is it delicious?" Qiao Mu blinked her big eyes and asked.

Under Qiao Mu's watchful gaze, Li Yan chewed slowly. He picked up a cup of water and took a sip before nodding. " It tastes pretty good. "

Immediately after, Qiao Mu grinned very happily and even more enthusiastically added a few pieces of fried mushrooms for Li Yan. " Uncle, if you like to eat, then eat more! I also like to eat this!"

The corner of Li Yan's eyes twitched as he said calmly, ""If you like it, then eat more."

"It's okay. It's my treat today. I don't care! "

It was rare for Qiao Mu to be so confident in front of Li Yan.

Actually, Qiao Mu chose to eat here to save money. She also thought that those expensive dishes were not worth mentioning in front of Li Yan. She might as well bring him to a place he had never eaten before and eat some fresh food.

As expected, it was to his liking!

After the meal, Qiao Mu ate and drank to her heart's content. She then called the waiter to pay the bill.

The waiter handed the bill to Qiao Mu and said with a smile, "" It's a total of 78 yuan. I'll charge you 75 yuan. '

Qiao Mu nodded and paid. Then, she proudly said to Li Yan, ""Uncle, isn't it satisfying to eat such an affordable meal?"

Li Yan's lips curled up. " Yes, you're not even an auntie yet, but you already know how to save money for me. You know how to be frugal. Not bad. '

Qiao Mu blushed. She was trying to save money for herself, alright? How shameless!

Li Yan held Qiao Mu's hand as they walked out of the noodle shop and looked down at her. ""However, it's good to know how to save money, but I hope that next time you'll treat me to a meal to thank me. Don't act so cheap." Qiao Mu pouted.. " This is my sincerity! You can't use money to measure it!"

Chapter 215: Ye Lin's Plan

After Qiao Mu rested for a day, she went back to work the next day.

When Ye Lin saw Qiao Mu, it was as if the previous incident had never happened and she continued to be busy with her own matters.

Ye Lin's arrogance did not allow her to lower her head to Qiao Mu. Even though she knew about Qiao Mu's relationship with Li Yan and even though she had lost face in front of Li Yan, she was still Qao Mu's superior!

Li Yan did not make things difficult for her at work. Instead, he took advantage of the situation and handed the project of Chengbei Real Estate to her. This meant that Li Yan recognized her ability to work.

Qiao Mu was merely Li Yan's woman. Her career was more important to Li Yan, so she did not need to worry about Qiao Mu.

In the following days, the design department was busier, and Qiao Mu often had to work overtime. As long as Li Yan did not have any social events, he would wait for her in the company until she got off work and then go home together.

Moreover, the treatment of the design department was obviously much better. When they worked overtime, Lei Yi would come and deliver supper to reward everyone.

Everyone thought that Lei Yi was fawning over Qiao Mu and benefited from Qiao Mu, but only Ye Lin knew that while it was true that he benefited from Qiao Mu, the person who arranged for the food to be delivered was Li Yan!

The better Li Yan treated Qiao Mu, the more anxious Ye Lin felt, and the more she hated Qiao Mu!

During lunch break, a colleague suddenly stared at Ye Lin's neck and said in surprise, "Sister Lin, I think I've seen this necklace in a magazine before. Is it the same one?"

Ye Lin touched her neck and smiled faintly. "You're really sharp-eyed. This necklace is a limited edition design that was released in the summer. My boyfriend gave it to me."

"I remember that this necklace is very expensive. Sister Lin is so lucky. Your boyfriend treats you so well!"

The flattery of others made Ye Lin's vanity rise bit by bit.

Sun Ning smiled disapprovingly. "I'm also very curious. Who is Manager Ye's boyfriend? He's so rich but has never met him before. Could he be some old man?"

Ye Lin's expression turned cold. Sun Ning continued, "Xiao Qiao, Assistant Reiter often comes to deliver lunch and supper to you. He's so good to you. He must have spent a lot of money to buy things you like, right?"

At the mention of Qiao Mu, everyone was extremely curious. After all, they really wanted to gossip about this office romance.

Qiao Mu raised her head and glanced at Sun Ning. Sun Ning had now completely treated her as a target to suppress Ye Lin. As long as Ye Lin said something, Sun Ning would always mention her!

Qiao Mu retracted her gaze nonchalantly and said indifferently, "I'm still in school. I don't need these jewelry."

A hint of disappointment flashed across Sun Ning's eyes. He had wanted to use Qiao Mu to deal a blow to Ye Lin, but Qiao Mu refused to cooperate!

Ye Lin's gaze was sizing up Qiao Mu's body. There was nothing valuable on her body.

It was said that when a man cared about a woman, he had to be willing to spend money on the woman first. However, Li Yan, who was a spendthrift, did not buy Qiao Mu such expensive jewelry. It was obvious that Li Yan did not really care about Qiao Mu!

At the thought of this, a trace of delight surged in Ye Lin's heart. In the end,

Qiao Mu was not that important. She was just lucky to hook up with Li Yan!

Since Qiao Mu could hook up with him, why couldn't she?

The corners of Ye Lin's mouth curled up, and her eyes were filled with scheming.

There was still half an hour before work ended, so Ye Lin called Qiao Mu to her office.

Qiao Mu, go and deliver a document. President Chen is accompanying a client at the hotel. You have to hand it to President Chen personally. The design department will be working overtime tonight. After you deliver the document, come back and continue working.” Ye Lin handed the document to Qiao Mu..

Chapter 216: She’s Not Worse Than Qjao Mu

Qiao Mu nodded, took the document, and left.

Ye Lin looked at Qiao Mu’s back and picked up her phone to make a call. When the call connected, Ye Lin smiled and said, ““President Chen, I’ve already sent someone to send the document over. Once you sign it, we’ll consider this project a success.”

A hoarse male voice sounded from the other end.”Little Ye, didn’t you come personally to send him off? Did you send someone to deliver the documents because you don’t want to see me? If I don’t see you, I won’t have the motivation to sign this contract!”

Ye Lin’s expression was cold, but her tone was very enthusiastic. ” President Chen, look at what you’re saying. I’m just too busy to get away. I guarantee that the colleague who will deliver the documents will definitely satisfy you. She’s an intern from our department and hasn’t graduated from university yet! ”

Suddenly, loud laughter came from the other end of the phone, and he repeatedly said, “Okay! ”

“President Chen, please be patient and teach the intern some things she doesn’t know.”

After hanging up the phone, Ye Lin smiled coldly, her eyes flashing with the cold intent of revenge.

She really wanted to know if a man like Li Yan would still care if someone else touched the thing he liked!

Ye Lin touched up her makeup in front of the mirror, then picked up the documents on the table and went to Li Yan’s office.

In the office.

Ye Lin placed the documents in her hands on the desk and looked at the handsome man in front of her. She smiled and said, "President, this is the proposal I've made for the villa area in the north of the city. Please take a look."

Li Yan glanced at the document and said without looking up, "This project proposal will only be completed half a month later. Have you finished it?"

"Yes, CEO. I worked hard for a few nights to make this. If you're not satisfied,

I'll go and modify it."

Li Yan looked up coldly. "Manager Ye is really dedicated."

Ye Lin smiled shyly and stared straight at Li Yan. Her voice was soft and gentle. "As long as the CEO is satisfied, I can do anything."

The corners of Li Yan's lips curled up coldly. His long and narrow eyes flashed with disgust. "You can leave now."

Ye Lin did not expect Li Yan to be so cold. She had made it very clear that she would give Li Yan anything he wanted.

In the past, she did not have any thoughts about Li Yan because she thought that a man like Li Yan was too high and mighty to be approached- He was not

someone she could have any thoughts about.

However, when she found out that Li Yan was related to Qiao Mu, she could not suppress the turmoil in her heart.

Why could Qiao Mu do it, but she couldn't?

Who wouldn't want to get close to such a man?

Ye Lin did not give up. She clenched her fists and said in a low voice, "President, aren't you going to take a look at the proposal? If you have any objections, you can tell me now. I'll take it back and revise it."

"Get out! Don't make me repeat myself!" Li Yan's tone was cold.

Ye Lin gritted her teeth and her expression was extremely ugly. Li Yan actually ignored her!

At this moment, Li Yan's phone rang. He picked up the call and listened to it quietly before hanging up.

His cold eyes swept across the woman opposite him.

Ye Lin was about to turn around and leave dejectedly. She was still unwilling to give up. She turned around very slowly, not wanting to disappear from Li Yan's sight just like that.

"Stop!"

Suddenly, a cold voice sounded from behind her. Even though this voice was cold and without any fluctuations, Ye Lin was still secretly happy.

Although she was not as beautiful as Qiao Mu, she was superior to Qiao Mu in terms of temperament, talent, and ability.. It was impossible for Li Yan not to admire her!

Chapter 217: Li Yan's Cruelness

As expected, this man was only cold on the surface. In fact, he was just an ordinary man!

Ye Lin stopped in her tracks and looked up at Li Yan. She suppressed the excitement in her heart and asked with a smile, ““President, what’s the matter?””

Li Yan narrowed his cold eyes. He stood up and walked elegantly to Ye Lin.

Ye Lin’s heart beat nervously as she watched the man approach. Such a charismatic man, regardless of status or power, stood at the top. Anyone who saw him would be tempted!

Soon!

She would become his woman very soon. As long as he walked in front of her and hugged her with both hands, she was confident that he would fall in love with her!

Ye Lin maintained her smile as she watched Li Yan walk up to her step by step.

Li Yan narrowed his cold eyes slightly. His expression was as cold as ever, but the words that came out of his mouth were bone-chilling. “Did you ask Qiao Mu to deliver the documents to President Chen?”

Ye Lin’s eyes widened in shock. She did not get what she had hoped for and only got this sentence!

It was actually Qiao Mu!

Could it be that the call he received earlier was related to Qiao Mu?

At this moment, Qiao Mu had already entered CEO Chen’s room. Even if she was unwilling, she would not be able to escape CEO Chen’s grasp.

Everything was going according to her plan. As long as this man paid more attention to her, she would replace Qiao Mu’s position!

“ CEO, ” Ye Lin said with a smile, “ is there anything wrong with me assigning Qiao Mu a job? ‘

As soon as Ye Lin finished speaking, she saw the corners of the man's mouth curl up. For some reason, the other party was smiling, but that smile made Ye Lin feel bone-chilling.

Ye Lin could not help but tremble. She could not understand this man's emotions at all!

However, she had finally gotten close to him. How could she give up?

Gritting her teeth, she took a step forward and was about to get close to him when she saw the man raise his arm. Before she could react, she felt a sharp pain in her neck.

Ye Lin lowered her head, her face instantly turning pale.

Li Yan was holding a fountain pen in his hand. The sharp tip of the pen was pointed at Ye Lin's neck. As long as he used a little force, it would pierce through her fair skin.

Ye Lin widened her eyes in panic and said in disbelief, "President, you...What are you doing?"

Li Yan narrowed his cold eyes and the corners of his lips curled up. He had a half-smile on his face, and his gaze was extremely frightening. "What do you think will happen if this pen pierces in?"

Ye Lin's face was pale and she was trembling in fear.

Without waiting for Ye Lin to speak, Li Yan increased the strength in his hand. His voice was as terrifying as a messenger from hell as he said word by word, 'There's an artery here. Once it's punctured, your blood will gush out like tap water. It won't stop. A few minutes is enough to kill a person.

As Li Yan spoke, the pen in his hand moved gently. His expression was calm as if he was pinching someone to death. To him, it was an extremely normal thing.

Ye Lin's face was filled with fear. She felt her vision darken. The man in front of her was so terrifying that she wanted to escape, but her feet seemed to be rooted to the ground and she could not move at all.

She believed that this man was serious. He looked like he could crush her to death in the next second!

Ye Lin was so scared that her forehead was covered in a layer of cold sweat. She suppressed her fear and forced a smile. "President, don't scare me. I don't know what I did wrong."

"Oh? You don't know?" Li Yan raised his eyebrows. He held the fountain pen and jabbed it hard. The tip of the pen pierced into Ye Lin's skin..

Chapter 218: You Should Be Lucky That Qiao Mu Is Fine

A faint trace of blood appeared, but Li Yan remained unmoved. The strength in his hand was still increasing.

Ye Lin was in so much pain that she felt like she was about to suffocate. She could no longer hold on and said in panic, "President, I was wrong. I won't do it again. Please let me go!"

"What did you do wrong?"

"I ... We shouldn't have let Qiao Mu deliver the documents!"

Li Yan's black eyes narrowed, and his expression darkened. "Ye Lin, you should be glad that Qiao Mu is fine. If anything happens to Qiao Mu today, don't even think about walking out of here! "

Ye Lin's legs went weak. She tried her best to stand up straight, afraid that if she accidentally moved, the fountain pen would poke deeper.

Dong Li bit his lip and cried, " President, it won't happen again. There won't be a next time. Please don't hold it against me. I won't dare to do it again! "

Li Yan seemed to be satisfied with this answer. He put the fountain pen away and looked down at the red tip of the pen. He raised his hand and threw the fountain pen into the trash can.

After Ye Lin felt the sharp object on her neck disappear, her legs went limp. She covered her neck and fell to the ground weakly.

The fear in her heart was still lingering. The man's terrifying appearance just now was deeply imprinted in her mind.

At this moment, she finally realized what kind of terrifying person she had provoked. This man was indeed not someone she could mess with. She actually dared to approach him recklessly!

Li Yan's cold eyes swept across Ye Lin, and the corners of his mouth darkened. Ye Lin, remember this. Qiao Mu isn't someone you can provoke. If I find out that you're targeting her again... "

At this point, the man's tone paused, and then his voice was filled with bloodthirsty majesty. " Can you imagine what kind of ending you will have?!" "

Ye Lin looked at the man in front of her. She almost suffocated and could only nod her head in panic.

"Get lost!"

After saying that, Ye Lin got up and stumbled out of the office.

Li Yan suppressed his anger and dialed Qiao Mu's number. Very soon, the other party picked up and said in a brisk voice, ""Uncle, are you off work? I'm outside now and can only return to the company later."

Hearing her voice, Li Yan's expression softened a little. He asked, ""Where did you go?"

"I went to deliver the documents, but when I arrived, I found that the other party's CEO had already left. I made a wasted trip." Qiao Mu's tone was still a little gloomy.

Li Yan pursed his lips coldly. If the people he sent to follow Qiao Mu had not found Qiao Mu's whereabouts and gotten rid of President Chen beforehand, who knew what would have happened to his little woman!

There was a knock on the door. Li Yan answered and hung up the phone. Then,

Lei Yi walked in.

Lei Yi placed the documents on the table. " Young Master, this is the information you asked me to gather. "

Li Yan took the document and looked at it a few times. " Have you checked it thoroughly? "

"Yes." " Qiao's Group has been declining in recent months, " Lei Yi reported. '

It's because Yu Tingyun has done something to it. "

Li Yan raised his eyebrows and waited for Lei Yi to continue.

' Two months ago, Yu Tingyun secretly transferred all the cooperation from the Qiao Corporation to the Yu Corporation. Because of our secret suppression of the Yu Corporation, the Yu Corporation was in danger. However, Yu Tingyun asked the Qiao Corporation to help fix the loophole, so the problem now is the

Qiao Corporation. "

Li Yan listened as he read through the documents. His lips curled up coldly. ' For the Yu Corporation, Yu Tingyun would even drag the Qiao Corporation down with her! Things were done so densely, no wonder Qiao Jiannan didn't notice.."

Chapter 219: All the traps

Lei Yi continued, " The Qiao family has a family rule. Children who have reached the age of 18 have the right to get the company's shares. Yu Tingyun must be wary. After all, the Qiao Corporation belongs to Qiao Jiannan, and the second daughter of the Qiao family deserves the shares. If the Qiao Corporation is

defeated, the Yu Corporation has nothing to do with the second daughter of the Qiao family. So, since one of them has to be defeated, Yu Tingyun will naturally choose to defeat the Qiao Corporation.

Li Yan's eyes were cold. "There's another aspect. Qiao Enterprise is in trouble, and Qiao Mu can be used by her. That woman is really scheming!"

Looking at Li Yan's cold face, Lei Yi asked, "Young Master, should we interfere in the Qiao Corporation's matters?"

If they helped the Qiao Corporation, it would mean that they were helping the Yu Corporation. They had suppressed the Yu Corporation with their own hands, but now they wanted to save it?

Li Yan's fingers tapped rhythmically on the table as he said coldly, "Hand over the cooperation in the construction materials of the real estate in the north of the city to the Qiao family."

Lei Yi was startled. This answer was within his expectations, but also beyond his expectations.

Then, she heard the man continue, "We have to do things in a roundabout way. We have to let Yu Tingyun think that I changed my mind to help the Qiao family. We can't drag Qiao Mu into this."

Although he had promised Qiao Mu that he would help the Qiao family, he would not let Qiao Mu get involved in his feud with Yu Tingyun.

Now was not the time to publicize his relationship with Qiao Mu. If Yu Tingyun knew how important Qiao Mu was to him, who knew what kind of outrageous things that woman would do to Qiao Mu!

Qiao Mu had no idea what Ye Lin had done to her. She returned to the company and handed the document to Ye Lin, explaining the reason.

Without waiting for Ye Lin's responsibility, Ye Lin said with a good attitude, "I understand. Leave this to me. You don't have to worry about it."

Qiao Mu looked at Yeh Lin's pale face and the red spot on his neck, and asked in surprise, "Manager Ye, why is your neck bleeding?"

Ye Lin's expression froze and she covered her neck. "It's fine. You can go out."

This time, Ye Lin was indeed frightened. She did not expect Li Yan to be such a terrifying person. She also did not expect that Li Yan would protect Qiao Mu to such an extent!

At the thought of this, Ye Lin's face turned even paler.

Fortunately, Qiao Mu was fine. If anything had happened to Qiao Mu, her fate would have been even worse!

Chapter 220: Each With Their Own Purposes

In the following period of time, Qiao Mu worked smoothly.

Qiao Mu would occasionally return to the Qiao family's residence to visit Qiao Jiannan. Qiao Jiannan's body was fine, and with Li Yan starting to help the Qiao Corporation, the company's situation did not seem so bad anymore.

Qiao Mu returned to the Qiao family's residence and was about to leave when Yu Tingyun stopped her.

Qiao Mu, you didn't do anything I asked you to do last time," Yu Tingyun said straightforwardly. "Li Yan only helped the Qiao family out of respect for me. I need your help now."

Qiao Mu looked at Yu Tingyun coldly. "Aunt Yun, don't tell me you want me to seduce your younger brother again?"

"Li Yan doesn't seem to like you. I can't blame you. I overestimated you." Yu Tingyun's words were full of sarcasm. She paused and continued, "I need you to give me a copy of the design proposal for Chengbei Real Estate. You're in the design department. This is very simple for you."

Qiao Mu frowned. "What do you need this for?"

Don't worry, it won't affect you much. The development of the northern real estate of LSAG Group is a very important matter. The Qiao Corporation will also participate in the recruitment of the design proposal. If the Qiao

Corporation is selected, it will be of great help to the development of the Qiao Corporation. '

You want to plagiarize?!"

Don't make it sound so harsh. I'm just borrowing from it. Anyway, the final proposal will be checked by the Li Corporation. Whoever passes the proposal won't affect the Li Corporation, but it will be of great help to the Qiao Corporation. Your father's health has just recovered. You should know how important the Qiao Corporation's health is to your father. "

Qiao Mu's face was cold. This woman was really shameless enough to use her father to threaten her!

Qiao Mu didn't give Yu Tingyun a reply and left immediately.

Qiao Ya overheard their conversation from upstairs and said indignantly, "Mom, I have connections in the Li Group too. I can do this. There's no need to let Qiao Mu do it!"

Yu Tingyun's lips curled up coldly. "It's a waste not to use a ready-made resource. It's not easy for Qiao Mu to come in handy, so it's time for her to perform well.

Qiao Ya secretly gritted her teeth, and a trace of scheming flashed across her

That night, at the Li residence.

Li Yan had yet to return from his social gathering, so Qiao Mu was lying on the bed reading some documents.

Her phone rang. Qiao Mu looked at the caller ID and picked up excitedly. "Xiaxia, why are you calling me so late at night? You've been home for so long and you're finally willing to call me!"

Chi Xia smiled. "I'm just worried that I'll disturb you and your uncle's private time!"

"You called to make fun of me, right?" Qiao Mu was helpless. She was initially worried that Chi Xia would go into a dead end, but after hearing her relaxed voice, she was finally relieved.

"Tell me," Chi Xia asked again, "How's your relationship with your uncle?" "Give me some positive energy."

Qiao Mu flipped over and sat on the headboard. After thinking for a while, she briefly explained how Yu Tingyun had asked her to get close to Li Yan. Chi Xia yelled at her in response.

"This old woman is too shameless. She can even think of such a thing! But it's just right. If she finds out that you've been in love with her brother for a long time and that she's been kept in the dark, she'll be furious!"

Qiao Mu pursed her lips. "I clearly had no choice!"

Chi Xia's tone suddenly turned serious. "Mu Mu, are you really not serious about Li Yan? I think he treats you quite well. Who is Li Yan? If he doesn't like you, he won't protect you everywhere."

Qiao Mu looked up at the ceiling and then smiled into the phone. "Xiaxia, you don't understand. The relationship between the Li family and the Yu family is complicated. Li Yan and I just get what we want and have our own goals. We're not going to fall in love.. '
