Chapter 221: Using Each Other Without any Feelings

The other end of the phone fell silent. After a while, Chi Xia's voice sounded, ' Mu Mu, are you really with Li Yan because he is Yu Tingyun's younger brother and you want to recruit your enemies into your camp? "

"No." Qiao Mu sighed softly. It was not just that. The matter between her and Li Yan was too complicated. If it was possible, she naturally did not want to provoke him. The situation now was completely out of her control.

As soon as Qiao Mu said that, Chi Xia raised her voice. " So, you still have feelings for Li Yan, right? " I knew it. You can't be like a block of wood. How can you not make a move on such an outstanding man!"

Qiao Mu felt a little helpless. " Xiaxia, you're too excited. I haven't finished speaking. '

"What's wrong? Don't tell me that you don't have any feelings for Li Yan at all!" Qiao Mu's heart was in a mess. She was a little confused by Chi Xia's question.

She had never thought about this problem, nor did she need to think about it. Back then, she had already fallen in love once, and in return, she had only been hurt. How could she make the same mistake twice?

However, when she thought about how Li Yan had been treating her better and better recently, the feeling was becoming more and more like the past. She was at a loss.

Qiao Mu tightened her grip on her phone and said indifferently, "" I can't explain the situation between me and Li Yan in a few words. He has his own goals, and I have mine. He doesn't get along with Yu Tingyun, so I took advantage of the situation. If Li Yan stands on Yu Tingyun's side, I won't be able to turn the tables. "

Chi Xia sighed. " No matter what, don't make things difficult for yourself. Just be with Li Yan now. '

‘ Yes, of course I want to be good with Li Yan. I want to be so good with him that Yu Tingyun got so angry that she had a nosebleed when she found out the truth! ’

As soon as she said this, the man who had already walked out of the bedroom stopped in his tracks!

His handsome face suddenly darkened.

The bedroom door wasn’t closed tightly, so the sounds from the room could be heard clearly.

When Li Yan went up to the second floor, he vaguely heard Qiao Mu’s words. The closer he got _ the clearer he heard them

It turned out that she had always felt that being together with him was just taking what they wanted and using each other emotionlessly!

This woman! This woman!

Li Yan pursed his lips tightly and clenched his fists tightly. Although he knew that she had ulterior motives and was mentally prepared, when he heard her say that she was only with him to anger Yu Tingyun, he could not suppress the anger in his heart!

He had warned her many times that he could let bygones be bygones and not try to scheme against him in the future!

However, she did not learn her lesson!

He had always thought that the time they had been together had made her dispel those thoughts that she should not have. She was still just using him and being with him!

Li Yan stood outside the door like a statue. He did not move at all, and his face was terrifyingly dark.

Immediately after, Qiao Mu's voice sounded in the room again. "" Yu Tingyun wants the design drafts for the Li Real Estate development. This is making things difficult for me...It's just a design proposal. What's the big deal?" Li Yan's pupils constricted, and his eyes were filled with endless coldness.

She had still schemed against him!

This woman had crossed his bottom line time and time again!

Li Yan did not know how long he had been standing outside the bedroom. The woman in the room had already hung up the phone. Then, the phone in his pocket vibrated. It was a message from her..

Chapter 222: Her Purpose Has Not Changed in Ten Years

"Uncle, when are you coming back? I'm sleepy."

Li Yan gripped his phone tightly. The veins on the back of his hand bulged as if he wanted to crush the phone.

This woman! On one hand, she did not take him to heart, but on the other hand, she was still concerned about his whereabouts. If he had not heard her words with his own ears, he would have thought that she really cared about him!

After Qiao Mu hung up the phone, she sent Li Yan a message.

After sending the message, there was no response for a long time. After a while, she called the other party, but there was no response.

He didn't reply to his text messages or pick up his phone. This was the first time he had encountered such a situation.

Although he would ignore her messages when he had some conflicts with Li Yan, they had been getting along very well recently. Whenever she sent him a message, he would always reply as quickly as possible. Sometimes, he would call her back directly if he found it troublesome to reply to her messages.

Perhaps he was busy and didn't have time to bother with her.

Qiao Mu put down the phone, turned off the lights, and lay down.

She recalled Chi Xia asking her if she would help Yu Tingyun get the design proposal. This was already considered stealing. Even if Qiao Enterprise was her father's blood and sweat, she would not do anything.

But she would still help Yu Tingyun. It was just a design proposal, right?

If Yu Tingyun wanted a proposal, then she would personally make a proposal and give it to her. Regardless of whether this proposal was eventually adopted by the Li Group, she had a clear conscience.

Qiao Mu stretched lazily and closed her eyes to sleep.

Li Yan's legs were stiff as he stood outside the bedroom. The dim yellow light from the corridor shone on his face, making him look even more gloomy and cold.

The woman in the bedroom seemed to have fallen asleep.

He took out a cigarette, leaned against the corridor railing, and smoked.

The smoke swirled around his fingertips and went around his hair, making his cold and handsome face even more mesmerizing.

He tried his best to suppress his anger and resisted the urge to rush into the room to vent his anger on the little woman.

He had said that he would not force her or hurt her in the future. He was worried that he would lose control of his emotions the moment he stepped into the room!

No one had ever restrained his temper like this. He had always handled everything with ease, but she was the only one who was not out of his control!

Ten years ago, when he discussed with his parents that he would bring Qiao Mu overseas, he heard Qiao Mu personally tell Qiao Ya her motive for approaching him.

Ten years later, he still heard the same words. She was with him just to anger Yu Tingyun!

Everyone had their own goals. This was her goal!

But what was his purpose? She must have thought that he was with her to deal with Yu Tingyun.

This woman always tried to twist his meaning!

Li Yan felt a heavy feeling in his chest. He took a deep puff of his cigarette, but he still could not suppress his anxiety. What should he do with her?

Suddenly, the door opened.

Li Yan looked up and saw Qiao Mu walking out in her loose pajamas and slippers with her hair disheveled.

Her eyelids were half-closed, and her slippers were on the wrong side of her feet. It was obvious that she was still asleep.

While Qiao Mu was still in a daze, she felt extremely thirsty. There was no water in the bedroom, so she got up in a daze and prepared to go downstairs to drink some water.

When she opened the bedroom door, she smelled the pungent smell of tobacco. She frowned and looked up to see the man standing at the door.

He was shocked..

Chapter 223 -Each Taking What They Need

The man stood in the shadows. The light shone on his body. At first glance, he was a dark shadow.

Qiao Mu blinked. When she saw the man's face clearly, she heaved a sigh of relief.

"Uncle?" Qiao Mu took a step forward. As she was still not fully awake, her first reaction was to get closer to him when she saw him. She naturally wrapped her arms around his waist and leaned against her chest with her eyes closed in a daze, treating him like a bed.

He muttered, "Why are you standing here? You didn't even enter the room when you came back."

Qiao Mu's actions made Li Yan freeze.

Her voice was low and soft, and she sounded lazy and sleepy. Her body leaned against him softly, and her movements were so natural.

His heart was suddenly pulled. The resentment and anger that had been accumulated in his heart could not be released at this moment towards this little woman.

Li Yan frowned slightly. After a while, he said, "'I'm smoking outside. I'll go back to my room in a while. Why are you out?"

"Oh?" Qiao Mu leaned against Li Yan's chest and almost fell asleep. She suddenly forgot what she was doing outside and looked up at him pitifully. " Don't smoke in the middle of the night. I'm so sleepy. Uncle, let's sleep. '

Li Yan's eyes darkened as he stared at her fair face. After a while, his thin lips moved and he replied, "Alright."

Then, he put out the cigarette butt on the cigarette box, bent over, picked her up, and strode into the room.

The little bit of anger in her heart was completely shattered by her actions.

Lying on the bed, Qiao Mu took the opportunity to burrow into Li Yan's embrace and continued to sleep in a daze while hugging him.

As if she had thought of something, she narrowed her eyes and asked, "I sent you messages and even called you, but you ignored me."

There was a hint of complaint in his tone.

He did not know if it was because she was in a daze that she was acting so obediently or if she was doing it on purpose.

After listening to her words, he couldn't help but think about what she had done to him. Was it all for her purpose, to deliberately get close to him?

Li Yan's eyes darkened as he felt a pang of bitterness in his heart. The moment he thought of the reason why she relied on him and cared about him, the anger in his heart burned wildly.

Suppressing the raging anger in his heart, Li Yan lowered his voice and said slowly, "Qiao Mu, do you mind if I ignore you?"

"Yes..."

Qiao Mu snorted lazily. It was impossible to tell if she was replying in a drowsy state or if she was really responding to him.

As soon as he finished speaking, Li Yan's eyes narrowed. He cupped her face and kissed her fiercely.

Qiao Mu, you better really care! You must care. Even if you don't care now, one day, you will truly care!

The kiss became more intense.

It was as if he wanted to swallow her whole. His arms hugged her tightly and refused to let go.

Qiao Mu was originally in a half-asleep state and almost fell asleep. When she opened her eyes, she saw a face right in front of her. The man's sudden action made her subconsciously want to push him away. ‘

Uncle, I'm so sleepy. It's already so late today...”

Li Yan's large hand reached into her clothes and proceeded to the next step without any explanation.

Qiao Mu felt extremely uncomfortable being disturbed in her sleep. The man's actions were not gentle, making her feel uncomfortable.

She struggled for a moment, and her reaction seemed to have made him unhappy. She increased the strength of her hand.

“Uncle, it hurts ...” Qiao Mu's small face scrunched up..

Chapter 224: Qiao Mil's Concealment

Li Yan's movements paused. When he saw the little woman's uncomfortable expression, his movements softened a little in the next second.

Her rough movements gradually became gentle, but every move she made was filled with extreme possessiveness, not allowing Qiao Mu to resist at all.

Smelling the faint smell of tobacco on the man's body, it was as if she was refreshing and no longer sleepy.

The man's lips pressed against her ear. " Qiao Mu, you must wait for me to come back in the future. You're not allowed to sleep alone! "

Alright."

Qiao Mu, remember, I'm your man. I'm your everything. I'm the only one in your heart! "

Yes." Qiao Mu replied blankly.

"Qiao Mu..."

The man seemed to want to fuse this name into his bones and blood as he repeated it over and over again.

Gradually, Qiao Mu only felt her thoughts becoming more and more chaotic, and then she gradually fell into a trance,

On the weekend, Qiao Mu slept in for a long time.

She dragged her tired body downstairs. The butler had already prepared breakfast.

Seeing that the house was empty, Qiao Mu asked, "Miss Chen, did Uncle go out?"

"Young Master is working in the study." Uncle Chen replied.

Qiao Mu nodded and snorted in her heart. She slept in, but he woke up early to work. He had clearly tortured her to death last night, yet he still had the energy to work early in the morning!

He really wasn't human!

Qiao Mu was having breakfast when Li Yan came down from upstairs and leisurely sat down opposite her.

"Uncle, do you want some?" Qiao Mu asked politely.

"Do you think I'm like you, a pig who only starts eating breakfast in the middle of the afternoon?"

Qiao Mu was speechless.

Li Yan's broken mouth was really annoying!

She didn't even think about who caused her to sleep in!

Li Yan's cold gaze swept across the little face whose eyes were swollen from sleeping. When he thought of how she had cried and cried pitifully last night, his body suddenly tensed up.

This woman was really a vixen!

Li Yan's eyes darkened as he said coldly, ""You went back to the Qiao family last night?"

Qiao Mu nodded as if nothing had happened. Then, she heard the man's voice continue to ring out, ""Did anything happen?"

Qiao Mu stopped eating and looked up at Li Yan. She blinked her big eyes and smiled. " Uncle, you're really more concerned about me now. I'm just making a trip home. What can happen? " My stepmother

can't bully me. If she bullies me, I'll immediately run to you and complain so that you can teach her a lesson!" Qiao Mu's words were spoken naturally, and there was nothing unusual about them.

Li Yan narrowed his eyes and a cold smile appeared on his face. "That's good."

Qiao Mu felt that Li Yan's gaze was filled with deep meaning, but she could not understand it at all. She shook her head. Perhaps she was overthinking things.

Li Yan worked at home for the entire day. Qiao Mu stood guard in front of him and studied the design proposal seriously. If she did not understand anything, she would ask the man beside her.

Qiao Mu asked Li Yan for his opinion as she thought about the plan. She then adopted his suggestions to perfect her own plan.

Li Yan looked at her and said calmly, "You really put in a lot of effort into your internship. This isn't even your major. Are you planning to change careers after graduation?"

Qiao Mu pursed her lips unhappily. "You have to be good at your job. Uncle asked me to go to the company for an internship, but he didn't hire me to serve tea, right? I'm so dedicated, but you don't praise me. Instead, you insult me!"

Li Yan glanced at the outline of the proposal that Qiao Mu had drawn up. "You seem to have put a lot of effort into the development of Chengbei Real Estate. This proposal isn't something an intern like you should be involved in.."

Chapter 225: Does She Have a Heart?

"I'm just gaining knowledge and accumulating experience. Uncle, don't worry about me." After Qiao Mu finished speaking, she paused and asked nonchalantly, "Uncle, is the company recruiting design proposals for this project? As long as other companies come up with a good plan, it might be adopted, right?"

Li Yan's black eyes flashed and he nodded. "Why? Do you have an idea?"

Qiao Mu shook her head vigorously. " No! "

Li Yan looked at Qiao Mu and clenched his fists tightly.

If she really did as Yu Tingyun said...

At the thought of this, Li Yan's eyes darkened. He really wanted to see if she was really heartless!

Qiao Mu exhausted her brain and collapsed onto the sofa to rest.

She took out her phone to play and realized that it was on silent. There was a missed call and a few WeChat messages.

The call was from Han Su, but the call didn't go through. He sent her a WeChat message.

"Mumu, I have good news for you. Your exchange student application will be finalized soon. Although we haven't received the notification yet, there shouldn't be any accidents." With the internship certificate, you'll be treated very well there."

Qiao Mu stared blankly at the message.

During this period of time, she had been doing her internship every day and had actually forgotten about the exchange student matter.

If it weren't for Han Su's sudden reminder, she would have forgotten the purpose of her internship!

Han Su had told her this news in advance because he was very confident. This meant that there was a 90% chance of getting an exchange student!

She was originally looking forward to the notification and leaving the Qiao family as soon as possible.

But why was he not as surprised as he had expected?

Qiao Mu looked at the man in front of his desk, who was working seriously with his head lowered. Could it be that she had gradually gotten used to her current life because of his protection recently?

He slapped his head hard. What a good-for-nothing. He actually wavered!

This was her only way out!

Yu Tingyun was a scheming woman, and she was difficult to deal with. If she continued to stay in the Qiao family, perhaps one day, she would really arrange a marriage alliance for the Qiao family!

Even if her father protected her, Yu Tingyun would definitely find a way to get rid of the obstacles.

Even if Li Yan was protecting her now, he might change his mind at any time.

For her future, this was the best choice.

But ...

If this man knew what she was thinking, she would be in trouble!

She had agreed that her three years would be his, but she was prepared to leave without a word!

Qiao Mu bit her lip, her mind in a complete mess.

Due to the language barrier, it was difficult to apply for a place overseas. Therefore, she applied to a university in Hong Kong. Even if she went to a university in Hong Kong, it would not prevent her from interacting with Li Yan, right?

If he wanted her to continue fulfilling her obligations, she would have no problem at all!

Qiao Mu instantly felt that she was indulging in wild fantasies. Why would this man travel so far just for a bed and a half?

After reading Han Su's message, Qiao Mu replied after a while, ""Senior, if this quota is approved, will there be a chance to reject it?

" Mu Mu, have you changed your mind? " Han Su replied quickly.

When Qiao Mu thought of how Han Su had gone through so much trouble to help her settle this matter, she immediately replied, ""No, I was just asking. Senior, thank you for your trouble."

Anyway, the results had not come out yet. With so many people fighting for a few spots, it might be impossible for her to get a spot.

The misunderstanding between the two of them ten years ago was caused by Yu Tingyun and Qiao Ya. When Li Yan deals with Yu Tingyun, the misunderstanding will naturally be resolved. There will be a turning point next, so it won't be too complicated..

Chapter 226: He Spoiled Her Too Much

Qiao Mu temporarily put the exchange student matter aside. There was still some time before the holidays ended, so she would talk about it when the time came.

Right now, Qiao Mu was focused on the design proposal.

During the weekend, Qiao Mu had a headache thinking about the design proposal. Li Yan wanted to go out for dinner, so he brought Qiao Mu along when he saw that she was bored alone.

"Uncle, where are we going to eat?" Qiao Mu asked on the way. Why don't we go to the noodle shop in our school?"

Li Yan glanced at her coldly. " You want me to go there to discuss business? " It turned out that he wanted to talk about work. She thought that they were eating alone.

When they arrived at the restaurant, Qiao Mu followed Li Yan into a private room. Su Chen was already waiting for them.

Su Chen complained helplessly when he saw who it was. ""Big Brother, you're always late. It's not a good habit to make people wait."

After Su Chen finished speaking, he saw Qiao Mu following behind Li Yan, and the corners of his mouth curled up. " So you brought along a burden. '

Qiao Mu looked at Su Chen. She thought about how Chi Xia had vomited all over him the last time, so she didn't mind the teasing in his words.

"Mr. Su, I'm really sorry about what happened to my friend last time," she said politely.

Su Chen's smile froze. " Can you not mention this to me before we eat? " Do you want me to lose my appetite?"

Qiao Mu was speechless.

It seemed that this matter had a huge impact on Su Chen. After so long, he still had a trauma!

After sitting down, Su Chen handed the menu to Qiao Mu. " Miss Qiao, order whatever you want to eat. It's your uncle's treat today. '

Qiao Mu looked at Li Yan beside her, and the man said indifferently, ""What do you want to eat?"

After obtaining approval, Qiao Mu ordered the dishes one by one. The price of each dish here was more than ten times more expensive than a meal at the noodle restaurant near her school. Qiao Mu would turn her head to look at Li Yan with an inquiring look every time she ordered a dish.

Li Yan nodded his head cooperatively and agreed to all of them.

After ordering a few dishes, Qiao Mu looked at Li Yan and asked, “Just the three of us?”

“Yes.” Li Yan replied.

“Then order six dishes. That’s already a lot.” As Qiao Mu spoke, she handed the menu to the waiter and obediently sat at the side to wait for food.

Su Chen, who was sitting opposite him, silently observed the way the two of them interacted. Li Yan clearly had a cold expression on his face and did not seem to care much. However, based on his understanding of this man, his behavior showed that he cared a lot.

In fact, Li Yan was a very reserved person in the past. People like them who had been pampered since they were young would not take others seriously. Even if he met someone he cared about, he would show it in a different way.

Just like now, in Su Chen’s eyes, Li Yan was already spoiling Qiao Mu to the extreme, but Qiao Mu did not seem to feel it.

Very soon, the dishes were served one by one. Qiao Mu started eating by herself while Li Yan and Su Chen were talking about some topics that she did not understand.

Although Li Yan and Su Chen were brothers and they even planned the underground organization together, the Li Corporation and the Su Corporation were both businesses of their own. When they encountered some cooperation, they would sit down and discuss it seriously.

When they were almost done chatting, Su Chen took a sip of tea and picked up his chopsticks to eat. Only then did he see Qiao Mu’s order.

The six dishes were quite sumptuous with meat and vegetables, but there was one dish that Li Yan hated the most, stir-fried meat with mushrooms.

Su Chen couldn't help but glance at Li Yan. Qiao Mu had clearly asked for his opinion when she ordered the dishes just now, yet he agreed without any objections?

This was really puzzling.

Chapter 227: He Won't Allow Her to Cross His Bottom Line

What kind of person was Li Yan? He would never give up just for anyone. Even if the entire table of dishes was to his liking, as long as there was one dish that he did not like, he would never place it on the table.

Therefore, those around him who knew his taste would not order dishes that he did not like.

Especially mushrooms!

Li Yan had once said that mushrooms were like fatty meat when eaten. It affected one's appetite just by looking at it.

However, at this moment, he allowed this dish to exist under his nose. When Qiao Mu saw that the two of them had stopped, she took the initiative to add more food for Li Yan. "Uncle, eat this fried mushroom. It's delicious. You like fried mushrooms, so you must like this dish too. I specially ordered this for you."

Su Chen was speechless.

How could he not know that this man's taste had suddenly changed?

Moreover, this was not the first time. They had eaten fried mushrooms together before!

Su Chen watched quietly, waiting for the man's reaction.

When Li Yan heard that, he lowered his head and looked at the mushrooms on his plate. His expression did not seem to change as he hummed in agreement.

Seeing his cold attitude, Qiao Mu seemed dissatisfied and advised, ""Uncle, don't just talk about business. Eat a few mouthfuls first."

Seeing the little woman blinking her big eyes at him with concern, Li Yan picked up his chopsticks, picked up a mushroom, and put it into his mouth.

The man chewed slowly, and Qiao Mu lowered her head to eat her own food in satisfaction. Su Chen was stunned as he watched from the side.

He really ate it!

Su Chen laughed. " I want to try it too. This dish looks delicious, isn't it, Big Brother? "

Li Yan looked up coldly. He raised his eyebrows slightly at Su Chen's hint. ' Since you like it so much, I'll leave this plate to you. '

Su Chen was speechless.

Did he have to be so ruthless?

Qiao Mu stood up. " Uncle, I'm going to the washroom.

Li Yan nodded, and Qiao Mu left the room.

Su Chen took the opportunity to tease the man opposite him. " Big Brother, I really didn't expect you to eat mushrooms. It's as if you'd eat a poison to please

Qiao Mu if she gave it to you! ‘

Li Yan stopped drinking his tea. He had never thought of pleasing Qiao Mu, but he could not help but want to satisfy her when he saw her look of anticipation.

As long as it was something he could accept, she could be willful as she wished, but he would never allow her to cross his bottom line!

Before Li Yan could speak, Su Chen thought for a moment and said, “” Recently, the Qiao Corporation and the Yu Corporation have been in a mess. I heard that the Qiao Corporation wants to participate in the bidding for the design proposal of the Li Corporation. ”

“I know.” Li Yan’s expression was indifferent.

Seeing his reaction, Su Chen said, Qiao Mu is a member of the Qiao family after all, and she happens to be working in the design department of the Li Group. What if she has thoughts that she shouldn’t have?
”

Li Yan narrowed his eyes and his thin lips moved. ” There won’t be such a ‘what

if’! „

She paused for a moment before her voice deepened. ” If she dares to do this, she won’t be treated like this again! ”

He had given her a very good choice. If she did not choose, then don’t blame him for being cruel!

Qiao Mu walked out of the bathroom and bumped into Qiao Ya.

Qiao Ya frowned when she saw Qiao Mu. ” Why are you here? ” “Why can’t I be here? Why are you here? Why am I here?”

“I’m here to entertain guests!” Qiao Ya looked at Qiao Mu with disgust in her eyes. “ Qiao Mu, don’t tell me you’re dating and are here on a date? ”

“You’re thinking too much. I’m also here to socialize!” After Qiao Mu finished speaking, she turned around and left.

She came with Li Yan and did not want Qiao Ya to see her..

Chapter 228: Falling in Love Is Like Being a Thief

Qiao Ya watched as Qiao Mu left. She was just a small intern, what kind of social interaction did she need?

Out of curiosity, Qiao Ya followed behind Qiao Mu and saw her enter a private room at the side.

The expenses of this grand hotel were not something that ordinary people could afford. Could it be that Qiao Mu had hooked up with a rich man?

Qiao Ya strode over and stood outside the private room that Qiao Mu had entered. She raised her hand and knocked on the door.

Qiao Mu had just sat down for a while when someone knocked on the door.

The room had a mahogany door with a layer of glass in the middle. Through the glass, people outside could not see inside, but people inside could see outside.

Qiao Mu saw the person standing outside and looked at Li Yan. “ Uncle, it’s Qiao

Immediately after, Qiao Ya’s voice came from outside the door. ““ Qiao Mu, I know you’re inside. Who are you meeting? Why are you hiding like this? ”

Li Yan glanced at Su Chen. Su Chen was helpless and said unwillingly, ““Big Brother, do you have to be a thief when you’re in a relationship?”

Qiao Mu’s lips twitched, and she could not help but look at Li Yan. How were they dating?

Li Yan met her gaze and raised his eyebrows. “ Little thing, don’t you want to be a thief? If you want to talk to me openly, then open the door.”

The man had a half-smile on his face. It was hard to tell if he was joking or serious.

Qiao Mu grinned and leaned closer to him, saying in a low voice, ““I still like it this way. It’s exciting!”

The corners of Li Yan’s lips curled up. As if to stimulate her even more, he kissed her on the lips.

Qiao Mu froze and immediately turned to look at Su Chen. Fortunately, Su Chen’s back was facing them, so he did not see them!

This man really acted like a hooligan regardless of the occasion!

Qiao Ya refused to give up and knocked on the door, thinking about who Qiao Mu was with. If Qiao Mu had any evidence against her, it would be easier to deal with that wretched girl in the future!

Just as he was about to open the door and enter, the door to the private room suddenly opened.

When Qiao Ya saw the person who opened the door, she was shocked and stood rooted to the ground with her eyes wide open.

“Brother Chen...Why is it you?”

Su Chen’s tall figure stood at the door, blocking out the entire private room.

He raised his eyebrows coldly. " Miss Qiao, I don't want to repeat the same words. Don't try to be familiar with me. "

Qiao Ya blushed awkwardly and immediately changed her words. ""Mr. Smith, why are you here?"

As Qiao Ya spoke, she tiptoed past Su Chen's body, trying to get a better look at the situation in the room. However, Su Chen took a step forward and closed the door behind him, completely blocking her view.

Su Chen's actions were obviously hiding something, but she had seen Qiao Mu enter this private room with her own eyes!

Could Su Chen and Qiao Mu...

Qiao Ya's eyes widened in shock. These two were on a date?

"Miss Qiao, do I need to explain my personal matters to you?" Su Chen asked coldly.

Personal matters...

In an instant, Qiao Ya confirmed her thoughts!

There was really something between the two of them!

Qiao Ya took a deep breath and forced herself to remain calm. ""Mr. Su, I saw my sister enter this private room, so I came over to take a look."

"You're mistaken."

“But...”

Su Chen was a little impatient. “ Miss Qiao, do I know you well? ”

His cold words were like a merciless slap on Qiao Ya’s face, making her feel a burning pain on her face.

He actually didn’t give her any face!

Qiao Ya clenched her fists tightly and looked straight at Su Chen. “ We’ve known each other since we were young.. Aren’t we close? Brother Chen, don’t you know how I feel about you? Why are you so cold to me?”

Chapter 229: Could It Be That You Are Infaithful?

Facing Qiao Ya’s deep affection, Su Chen’s lips curled up in disdain. “ Move aside, I don’t have time to talk nonsense with you! ”

Qiao Ya’s expression froze.

She had never been humiliated like this before. It was fine if she had run into a wall in front of Su Chen, but this time, it had something to do with Qiao Mu!

After all, he was young and his mental fortitude was not good enough. He was so agitated that he could not hold it in any longer. He lost control and asked, “Brother Chen, did Qiao Mu sow discord in front of you? Don’t listen to Qiao Mu’s nonsense. Compared to her, I’m clearly more familiar with you, so why are you going on a date with Qiao Mu alone?!”

Su Chen couldn’t be bothered with her. He waved at the waiter beside him.

Please call the security guard over. She’s blocking my way. ‘

Qiao Ya’s expression changed again and again. She glared angrily at the door behind Su Chen and reluctantly turned around.

Qiao Mu! She had been against her since she was young, and now she was even trying to snatch the man she liked!

When she was young, she had snatched her uncle away and tried to sow discord between her and her uncle, causing him to ignore her. Now, she had shifted her target to Su Chen!

Just as her mother had said, Qiao Mu had hidden all her schemes!

She would definitely make that wretched girl pay the price!

Inside the room, Qiao Mu listened to the conversation outside, and she could imagine how awful Qiao Ya's expression was.

Qiao Ya liked Su Chen and misunderstood that her relationship with Su Chen wasn't simple. Now, this young lady would definitely target her even more.

Qiao Mu pushed her chin with both hands and sighed. ""So many years have passed, but Qiao Ya still likes Su Chen? She's really loyal!"

Upon hearing this, Li Yan narrowed his eyes and stared at Qiao Mu. " Could it be that you're not faithful?"

Qiao Mu was instantly stunned.

Then, the man's voice was low and deep as he questioned, "So, you've used your feelings on many people over the years, right?"

The last two words were spoken very softly, enough to show the man's displeasure.

Qiao Mu immediately understood the meaning behind his words. He was alluding to their past!

When Qiao Ya liked Su Chen back then, she happened to like him too.

Now that Qiao Ya still liked Su Chen, she...

Qiao Mu tugged at the corners of her lips and smiled as she pretended to be careless. " I'm not. Uncle, I've just become an adult. I don't have puppy love! " Not puppy love!

Li Yan's eyes darkened. In other words, she had never been in love before she became an adult!

He raised his hand and pinched her chin. His thin lips moved and he spat out a sentence that was unclear of his emotions."You only know how to play dumb!"

"I'm stupid to begin with!"

Qiao Mu smiled mischievously when she saw the displeasure on the man's face.

' Uncle, I'm also very devoted. I only have feelings for you! '

"Oh? Is that so?"

These words were completely intentional to please him. It was obvious that he was a lackey.

Li Yan's face darkened. He leaned over and was about to touch her lips when the door suddenly opened.

"Cough..." Su Chen coughed dryly, interrupting the ambiguous atmosphere in the room.

Li Yan paused in his actions and shot a sharp glance at Su Chen. He felt that Su Chen was an eyesore.

How could Su Chen have known that his brother would be so agitated? What couldn't he do at home that he couldn't bear to do during a meal?

If he had known that this was the situation in the room, he would definitely not have come in and become a third wheel!

Li Yan let go of Qiao Mu and stood up with a cold expression. He walked out without turning back.

Qiao Mu was stunned. Why was this man so unpredictable? Why did he suddenly change his attitude?

Su Chen saw Li Yan walking out of the door. He wanted to say something, but before he could, the man had already disappeared.

He said that he would treat today. Was it public or private? What did he mean by leaving without paying?

Su Chen then looked at Qiao Mu, who was jogging behind Li Yan, and shook his head helplessly. Li Yan's ability to make him uncertain had not changed at all..

Chapter 230: Don't torture yourself

Qiao Mu did not follow Li Yan into the car. The man walked so quickly as if he was going to leave her behind.

The car was extremely quiet. Qiao Mu glanced at the man driving. " Uncle, did I make you unhappy?

She said that she was only loyal to him, and then he changed his face.

She thought that pleasing him would make him happy.

Actually, she wasn't trying to please him on purpose. Ever since she was young, she had only had feelings for him. She wasn't lying.

These two days, this man's temper had been hard for her to fathom. The way he looked at her was always unfathomable and she could not understand it.

Alright, she had never understood him.

Li Yan did not say anything, and Qiao Mu did not know what to say either, but she still did not want him to be unhappy.

After some thought, he couldn't help but explain, ""Uncle, I've really never been in love."

What Qiao Mu meant was that she had never dated anyone all these years.

However, when Li Yan heard her words, it was as if she was emphasizing that they were not in a relationship. Whether it was back then or now, it had nothing to do with love!

The atmosphere in the car dropped.

Li Yan tightened his grip on the steering wheel. His lips were pursed tightly, and the lines on his face were extremely cold.

The bandage on his hand had been wrapped for more than half a month, but it had not been removed. It was so tight that his palm felt uncomfortable.

Whether it was driving or doing things, he was in the way. He just wanted this woman to treat him better for the sake of his injury, so he pretended that his hands were not flexible.

At this moment, he felt that it was very troublesome!

He slammed on the brakes and stopped the car by the roadside.

Qiao Mu pounced forward without any warning. She turned to look at Li Yan and saw him removing the bandage on his hand.

He pulled the gauze down roughly. His brows were tightly knitted, and his expression was extremely bad.

Qiao Mu was shocked and grabbed his hand to stop him. " Uncle, what are you doing? "

"Let go!"

"Your hand is injured. You can't open it!"

Qiao Mu nervously grabbed his two hands that were moving about. She met his cold eyes that flashed with a cold light and timidly said, ""Uncle, if you're in a bad mood ... Hit me, don't torture yourself."

Li Yan paused.

She was really nervous as she stopped him. He said that his hand was a knife wound, so she thought that he was seriously injured and might have hurt his bones. Therefore, for the past half a month, he had been bandaging his wound. She did not suspect anything at all.

This woman!

She would rather let him hit her than let him hurt her?

Li Yan narrowed his eyes and held her hand. He pressed her against the seat and leaned over to kiss her.

The kiss was punishing.

His large hand reached behind her and lifted her up, placing her on his lap.

In the narrow space, the two of them were pressed tightly together.

Qiao mu had a Dad teenng. " Uncle, we're In a car! "

Li Yan's large hand gently brushed across her back. His voice was extremely seductive. " Didn't you say that you didn't want me to torture myself? Then I can only torture you!"

Qiao Mu's body stiffened.

As the two of them were entangled, the white gauze slipped from Li Yan's hand.

There were only a few shallow wounds on the back of her honey-colored hand, but they had already healed.

Qiao Mu was stunned for a moment. Didn't he say that he had a knife wound? Where was the knife wound?

The next second, she suddenly understood something. Qiao Mu widened her eyes. " Li Yan, where are your injuries? "

Li Yan looked up coldly. " I'm going to remove the gauze, but you insist on stopping me and want me to torture you. I can only satisfy you! "

Qiao Mu was speechless.

He suddenly felt like he had been cheated!

Then, the man continued to move.

F * ck! They were in a car!
