

## Destined Wife: The Apple of My Eye

### Chapter 23 Lang Ruoxian Leaves Home

Deng Jingjing asked Lang Ruoxian to apologize to employee. Standing in front of crowds, without getting mad, Lang Ruoxian showed Deng Jingjing the attendance record first. That employee turned out to be 20 days late for work a month on the ground of too long distance from his home to company, and he thought that he was entitled to have a car from company.

“Auntie, I know his strong sales ability has impressed on you. At very first, I wanted to turn a blind eye, or I wouldn’t let him work like this for three months.”

Deng Jingjing’s face was ghastly pale, for she never thought that she was deceived.

“He sold our business to other company, that’s why I fire him.” Lang Ruoxian said peacefully.

The people around have long begun to whisper. Hanging a pale face, Deng Jingjing finally gave glance at Lang Ruoxian and left here in high-heeled shoes. She was heard of slapping that employee and asked her secretary to inform other companies of never hiring that guy.

“No wonder you will be kicked out...” After knowing the whole thing, Yan Hua doesn’t know whether to sympathize or gloat.

When they are having breakfast in the dining room, Lang Ruoxian takes up coffee and looks at her, “It seems that you have forgotten what I said before...”

“No, no, no, I haven’t.” Yan Hua sighs, “When you leave here, I guess she will pick on me first.”

“Alright.”

Yan Hua also wants to ask why Deng Jingjing abhors her so much, but just hearing voices outside the dining room, she shuts up and drinks her cubilose.

“So early you guys?” Lang Jia comes in and pulls back her chair and sits down. Behind her are Lang Li and Lang Hongyue with her husband.

Lang Hongyue frowns when she sees Yan Hua and Lang Ruoxian stay alone together again, but she feels better in her mind as another thought comes, that, Lang Ruoxian will move out soon. “The driver will take you to the hospital tomorrow. Be careful on your way.” She says.

“OK, I will.” Yan Hua nods.

After Lang Li sitting on the mater chair, Lang Ruoxian fills a bowl of soup for him.

“Well... Just let it go, you will be more comfortable when you move out.”

Deng Jingjing kicked up a row with him when she came back last night.

“Lang Li, you really, really let me down! You have such a big son, huh? I have been contributed to your family for so many years, but now, you’re going to give the company to that bastard?”

Deng Jingjing breaks all the lights in study room, crying and cursing, “A bastard to take our company, No! No way!”

“Why don’t you talk to Dad?” Lang Li rubbed his forehead. “You know the rules of Lang Family. Without Ruoxian, believe it or not, he will call back Third Brother Family right away!”

“You... you just let that bastard bully me? For Lang Family, I have...”

“Jingjing.” Lang Li interrupted her crying. “Don’t say that all the time. You know it. Lang Family doesn’t depend on your relationship. Your part is the icing on the cake, but without it, we just earn less money, that’s all.”

Deng Jingjing was not convinced and she was going to talk back. Noticing that, Lang Li cooled his voice down, “These years, how much money did your father spend behind the campaign? Where did the money come from, you know it right?”

“What do you mean?” Deng Jingjing’s face turned to dark, even forgot to cry, “Are you abandon me? You want to kick me off and spend good time with your son?”

Lang Li got up, went over to her and put his arm around her, said, "You know me, I haven't had a woman outside all these years. Am I not good enough?"

"Where did that bastard come from?" Deng Jingjing glared at him.

Lang Li's eyes dodged and said, "I have told you right? It was an accident, I drank too much, then others arranged me to sleep with a waitress, and I didn't even know I had a son when police found me until she died in a car accident."

"Hum! He was born with a heart attack, but how he could be like a normal person after undergoing a successful operation, you don't see how powerful he is in the company today."

Lang Li taped her on the shoulder and said, "You can't have a baby, but I need a son. Do you want him, or shall I get another woman to have a baby?"

"How dare you!" Deng gritted her teeth. "But I can't stand living with him. You let him move out, is that okay?"

Lang Li was dissatisfied, but it were not for Deng Jingjing's Family having value in use, and he did not want to give up the capital line, he had long being tired of this woman.

"Dad laid down the law that living outside is prohibited."

"I don't care, you tell Dad. I don't want to see him anyway..."

The door of the study room opened suddenly, Lang Ruoxian stood in the doorway: "Sorry, I am not intentionally eavesdropping, you're too loud."

"Ruoxian, it's okay, your auntie just lost her temper, and it will go over. We will talk it tomorrow if you have something to say." Lang Li is really pleased with his son, especially now Lang Cha likes him too.

"I will move out after talking with Grandpa by myself." His lips curved and said, "Don't quarrel for me."

Deng Jingjing really wants to rush up to tear up his face.

"Ruoxian..."

"Dad, it's all right, I'm going to bed."

Lang Ruoxian offered his will, Lang Li just followed him.

“Li, you just decide to let Ruoxian move out, but who is going to talk to Dad?” Although Lang Hongyue hopes Lang Ruoxian to stay away from Yan Hua, she doesn’t want to miss any opportunity to apply eyedrops to Deng Jingjing.

“I have already called Grandpa.” Lang Ruoxian wiped his mouth, “I told him that I was busy with company things recently, and it was not convenient for me to go back here. There was an apartment near the company, where I would live for a few months.”

Lang Hongyue eats moodily, but Lang Jia gives a word.

“Grandpa really loves you, He’ll say yes to anything for you. When I went to high school, I would like to rent an apartment near the school, Grandpa said he would break my leg!”

Yan Hua slightly raises her corner of the mouth, and thinks that this girl really takes every opportunity to entrap others. What a past master of pointing at one but abusing another.

As expected, both Deng Jingjing and Lang Hongyue’s faces turn to dark, but Lang Ruoxian looks at Lang Li, like he didn’t hear that, says, “Dad, I am going to America next week.”

“I know, to discuss a partnership with Migao Company.” Once official business comes, Lang Li will get serious right away, he says, “We don’t work with them once or twice. If you can increase our profits, that’s fine. If not, business as usual.”

Lang Ruoxian smiles and says, “I will try my best.”

Yan Hua feels a bit indigestion after watching such a hot battle in early morning. After breakfast, Lang Li and Deng Jingjing go out for social engagement, Lang Jia finds friends, Lang Hongyue also goes to the company, just leaving Lang Ruoxian here who is going to move out.

“You...” Yan Hua thinks that he stays here for he wants to say something to her.

She just opens her mouth, Lang Ruoxian has faint look at her and leaves away.

He leaves...

“Hehe!” Yan Hua refrains from rolling her eyes and goes to small flower hall with a dish of snack.

Waking up after a sound sleep in the hall, Yan Hua makes some things clear.

“In the future, I will stay away from Lang Ruoxian!”

During this time, Lang Ruoxian’s indistinct hints and words to her have made her forget that she is a stumbling block to his inheritance of legacy. No matter what he does now, she can’t rule out his ultimate goal.

“Wake up! You can’t treat him as a harmless one for his good look.” Yan Hua pats her face, “I look so much better than him! Look at myself.”

Completing the construction, and Lang Ruoxian also moved out, Yan Hua thinks that she could not see the man for a short time. But, she does not expect that when she goes to the hospital for antenatal care in the next day, just coming out of the ward, she sees Lang Hongyue with a dark face, is talking to a man.

That back is so familiar...

“Yan Hua.” Lang Ruoxian turns and smiles towards her, and there is an inhalation around her. Yan Hua sees a little nurse faint.

How exaggerated...

“Antenatal care again?” She asks.

Lang Ruoxian’s mouth curves more and says, “What a coincidence! Same day again.”

After absorbing doctor’s words, Lang Hongyue comes over to Yan Hua and says, “Okay, I will ask the driver send you back.”

“I will send her on the way!” Lang Ruoxian says, “I just go back to the old house to get a file.”

Yan Hua doesn’t say anything, and there is no turn for her comment.

“No, is it okay for you to be out of the office?” Lang Hongyue refuses him naturally.

“Nothing much this morning, but I will be back later for a meeting.” Lang Ruoxian thinks of what to ask, “Auntie’s subsidiary will also come to the meeting?”

Lang Hongyue serves as the manager of several jewelry stores owned by Lang Family, and she will participate in the meeting in the afternoon really. And before that, she had to hold a small meeting in her branch, that’s why she doesn’t have time to send Yan Hua back.

“Don’t bother you, driver will send me back.” Yan Hua cannot help but say, “I don’t want to go back, weather is fine, so I want to go to the mall.”

Lang Hongyue is somewhat surprised, and says, “Alone?”

“So many pregnant women, they don’t always stay at home, and I haven’t been shopping for a long time.” Yan Hua put on a grievance, and the beautiful eyes are so sad that makes people feel sorry.

“Then you go!” Lang Hongyue looking at Lang Ruoxian who refuses to go, says, “Okay, you go to Lang Family’s shopping mall, I let the driver to send you, again, do not go to the crowding place.”

Lang Ruoxian comes back hospital after watching Yan Hua leaving and sending Lang Hongyue to her car.

“Show me the check results of Yan Hua, please.”

The doctor of Yan Hua silently hands it over. Anyway, no matter what he asks, the doctor will report it to Lang Hongyue.

“Is she too thin? Lang Ruoxian frowning at the words on the case, says, “Does it affect the fetus?”

“No, but, the fetus will be malnourished if she is too thin.”

After receiving the text message from doctor, Lang Hongyue almost breaks her nails. Is this Lang Ruoxian so brazenly counting on Yan Hua? What does he want to do? Get rid of the child in Yan Hua?

“I asked you to find someone to keep an eye on him, have you found one?”  
She asks the assistant who is sitting in the co-pilot.

The assistant hurriedly nods: “Yes, we have one to stare at him all the time, but he just comes and goes between the company and home, even when he has a dinner party, he always takes an assistant.”

“No wonder he’s moving out!” Lang Hongyue thinks of something, “Continue to stare at him, now he lives alone, I don’t believe he can stay lonely.”

A man, who never sleeps with woman...

Maybe, I can find a woman for him?
