

Destined Wife: The Apple of My Eye

Chapter 241 Qiang Di's Change

"Brother Ruoxian, I won't disturb you. I'll go back to my room first!" Tang Cao quickly rushes to the second floor. Yan Hua gives him a gesture to show him to be shameless. Then she smiles at Lang Ruoxian, "Why do you come back so early?"

"I am not at ease that my wife will sleep alone. I come back without eating dinner but the result is I am alone in an empty bed." Lang Ruoxian smiles faintly. "Come here!"

Yan Hua trots over. "Then why don't you let the house maid cook something for you to eat. How about mom, dad and grandma?"

"They've gone to bed. Mom asked the house maid to cook the noodles for me. I have already ate up." Lang Ruoxian grabs Yan Hua's hand and says, "Mom didn't tell me where you went. Do you want to tell me?"

"That's not a big deal!" Yan Hua whoops and says frankly, "Hua Zhong was drunk in the bar. Bai Yuanfei couldn't handle it, so he called me. Tang Cao and I sent them into the car and came back."

Lang Ruoxian has guessed that it is related to other men.

"Why did he get drunk and go crazy?" He asks, though that guy is a small child whom he thinks little of.

Yan Hua turns her eyes. "Who knows. He suddenly had emotional collapse anyway. I don't know how I used to treat him, but I can't ignore him for the sake of his calling me Sister Duo every day."

Lang Ruoxian stares at her for a while. Yan Hua raises her hands on her chin, making a flower look. She looks at the man with watery eyes.

"..." Lang Ruoxian glances at her, and then holds her up suddenly.

Yan Hua almost cries out. She covers her mouth and shouts in a low voice. "Why do you suddenly hug me and frighten me?"

"Since you are so active, why shouldn't I hold you to bed to make..."

“Do others know that you are actually an animal?” Yan Hua pokes the man on the chest.

Lang Ruoxian has already carried her to the door of the room and kicks the door open. “I don’t know. I shall be an animal only in front of you.”

He presses her on the bed. “To others, I usually directly kill them.”

“ ... ”

Yan Hua is treated this way and that way all night. In the morning, when Gungun sees Lang Ruoxian go downstairs alone, Gungun is very calm. He calls his father and goes to eat meat buns.

“Why don’t you ask where your mother is?” Tang Cao asks curiously.

In the past, this little child would keep asking why his mother was too tired to get up, and so on...

Gungun seriously looks at him. “Uncle, don’t mind adults’ business. You will know it until you have a wife.”

“What did you say?” Tang Cao is shocked.

Gungun hasn’t finished speaking, and then he shakes his head. “But look at you, I don’t think you will have a wife, alas! How poor you are! Or should I introduce our English teacher to you?”

“Haha...” Tang Cao pinches Gungun face. “Say! Who gives you the courage to slander that Yanjing’s most handsome playboy can’t find a wife?”

Gungun answers, “ ... It... is... you...”

Clap! Tang Cao is hit on his hand.

Wuyou expressionlessly retracts her hand. “Gungun can’t talk.”

“Mom, do you still care about me?” Tang Cao pretends to cry and jumps into Bai Susu’s arms. “Your grandson and granddaughter bully your son.”

Wuyou goes to get the schoolbags. Gungun takes the opportunity to quietly say. “Uncle, you see! That’s the advantage of having a wife. Quickly find a silly girl and bring her back to be your wife!”

“You’re right, I... No! Why should I find a silly girl?”

“Smart girls will despise you!”

Tang Cao is speechless.

In retaliation for the morning incident, Tang Cao takes the initiative to send the two little children to school. When they arrive at the school gate, Wuyou gets out of the car first. Tang Cao grasps the chance to lean over to Gungun and laughs at him. “Are you sure that Wuyou knows that she will be your wife in the future? Don’t you call her elder sister? She regards you as her younger brother!”

Gungun is very angry.

Yan Hua gets up at noon and finds that Lang Ruoxian is still there.

“Why didn’t you go to the company?”

“There is nothing important today.” Lang Ruoxian sees that she wake up and kisses her. “I will stay at home with you.”

Yan Hua blinks and becomes a bit more sober. Then her eyes light up. “Let’s go out for a walk!”

“OK!” Lang Ruoxian holds her up. “Then go to wash your face and brush your teeth quickly.”

The two haven’t been out alone for a long time, but in fact they don’t have many places to go. According to the most standard dating process, Yan Hua decides to go to see a movie. There happens to be a movie of Fei Shan, so they will contribute to his box office.

“Generally speaking, we didn’t have a chance to meet when Fei Shan came to work in Yanjing last time. I hear Fei Ying say that he is promoting this movie!” Yan Hua specially looks at the poster. It is true that in three days Fei Shan will come to Yanjing for publicity.

“He didn’t perform well, so he has to publicize it. Otherwise no one will watch it.” Lang Ruoxian is sharp-tongued.

Yan Hua glares at him. “Go to buy popcorn!”

The man goes to buy popcorn obediently. It happens that an American animation has just been released, and a stunt is also made to promote the popcorn. The barrels are made into the cartoon characters' shapes, but they cost twice as much as an ordinary barrel.

"Sir, do you want it? This is the last one." The waitress's eyes glisten. Wow! What a handsome man!

Lang Ruoxian stares at the barrel for a few seconds. He is sure that Yan Hua and the two little children have seen the cartoon before. It seems that Yan Hua likes it...

"Yes." He takes out his wallet.

Suddenly a girl rushes out from aside. "Ah, I want one, too!"

"I'm sorry, miss. This is the last one." The waitress says shyly, "There are only ordinary barrels."

Another girl runs over and says, "Forget it. When I saw it that day, I told you to buy it, but you didn't listen. There's none now. Just buy one and we'll go in!"

"Oh, but I really want it!" The girl who arrives first ties a bun and looks at Lang Ruoxian with eyes blinking. "Little elder brother! Why do you a man want this barrel? Let me have it, OK? I'll add you as my friend on WeChat!"

The girl is in her early 20s, full of youthful spirit, with a face of collagen and pretty facial features, smiling. "OK? OK?" She plays coquetry with a stretched voice.

The waitress maintains a smile on the surface but scolds in her heart. The girl does it on purpose. She's here to hook up with this handsome guy.

"It is not OK." Lang Ruoxian hands over the money. "Change."

The waitress whoops and moves very fast, even five seconds faster than the speed of the examination.

"Sir, this is your change, and that is your popcorn. Please take them well! Please take care!"

The face of the girl with a bun hairstyle turns pale. Despite the dissuasion of her companion, she stops Lang Ruoxian and bites her lip, looking at him. "You are a man! But you compete to buy things with young girl!"

"Honey?" Yan Hua has waited for a long time but Lang Ruoxian hasn't come back. When she comes to find him, she sees Lang Ruoxian who is with a cold face is stopped by a girl.

Hearing her voice, the faces of the girl with a bun and her companion change color. When Yan Hua walks over and her face is clearly seen, the two girls' faces look uglier than sh*t...

"Wow!" It is unknown that the waitress is intentional or can't help it. "Sir, your wife is so beautiful! You are a perfect match."

Lang Ruoxian gives her a look, and the waitress feels that her muscles are tight. She thinks that she might have said something wrong.

"Well, I think so." Lang Ruoxian smiles faintly.

Wow! It's worth it! I'm going to work in this movie theater till the earth and heaven get old. The waitress blushes and smiles at Yan Hua. Yan Hua also smiles at her, and then the two leave arm in arm.

The man can be heard asking.

"Do you like the rabbit on this barrel?"

"Well, the rabbit is so lovely!"

The man answers, "Really? I think you are more lovely!"

The waitress feels that they are so sweet.

As for the two girls with a bun, they have already despondently left.

"Attract bees and butterflies." After entering the video hall to sit down, Yan Hua squints at Lang Ruoxian.

The man smiles and looks very handsome.

Yan Hua covers her chest. Despicable! He uses his handsome face to seduce her.

“I ignore them. I only attract one bee, you.”

Yan Hua shows a ferocious look. “The needle behind the wasp’s tail is the most poisonous as woman’s heart!”

“Well, I’m not afraid. I am willing.” Lang Ruoxian hugs her over and kisses her. “Where do you want to sting? Do you want to take off my pants?”

Yan Hua pushes him away hastily. “Watch... Watch the movie!”

This is a grave robbing movie with a supernatural theme. In it, Fei Shan plays a grave robbing thief who is very handsome. He has a national license. Naturally, no matter what he finds, he will give it to the country.

“The heroine is very beautiful and her acting skill is also good.” After watching it, Yan Hua comments.

Lang Ruoxian hugs her to walk to the parking lot. “Does the hero not look good?”

“Of course good... He is not as good as my husband!” Yan Hua’s desire to survive is very strong. She immediately says, “Husband, why doesn’t our company also invest in making movies? You can play the hero.”

She knows how narrow-minded this man is. Yesterday she met Hua Zhong, causing Lang Ruoxian to go crazy secretly. Yan Hua thinks that she can make it up. Whatever he says is right. She wants to coax him first.

“Ruoxian?”

Yan Hua is about to kiss the man when she hears someone calling Lang Ruoxian.

The two turn to look and see Qiang Di who has not been seen for a long time.

“Hi!” Yan Hua takes the initiative to say hello. “Are you coming to watch the movie, too?”

Qiang Di gives her a look. “I’m not so free. I go across the street to buy some paint.”

“Oh.” Yan Hua keeps silent.

Qiang Di feels like beating on tofu, soft and weak.

“Do you want us to send you back?” Yan Hua asks her again.

Qiang Di stares at her hard. “No, I have a car.”

“Oh.”

Lang Ruoxian opens the car door and Yan Hua sits into the car.

Qiang Di’s face flushes with anger, thinking that Yan Hua must be intentional.

“Tell Shu Sheng what you want to buy in the future, and I’ll let him send it to you.” Lang Ruoxian closes the car door and leans out. “You don’t want the bodyguards arranged by me. Then you should be careful.”

Qiang Di snorts. “If I am kidnapped, please don’t pay the ransom and let the kidnappers kill me.”

“How inappropriate it is!” Yan Hua leans out half of the body from the other side. “Rest assured! We still have money to redeem you.”

Qiang Di stamps her foot and turns to leave.

“She seems to be a little better recently.” Yan Hua looks at the view of Qiang Di’s back and says with relief. “It seems that she can still listen. I think one day she will free her heart.”

Lang Ruoxian starts the car. “We can’t be happy too early. She had this kind of situation before, but later her psychological situation became even worse. I hope she can see a psychologist.”

“Take it slowly!” Yan Hua touches the man’s arm. “Anyway, if we keep an eye on her more, nothing serious will happen.”

Qiang Di, who is supposed not to have anything serious, finds a man sitting in her car.

Chapter 242 Dad! I Hear That You Have Another Woman?

Dong Nianshuang posts on micro blog.

Hey, I'm back! Do you miss me? I ran into Childe Hua on the plane that day. Don't say as if we have already been in love. (crying, crying, crying, storm crying) I haven't been in love yet! (shy, shy) I am going to record a new program. I hope you will continue to support me. Thank you! (heart, heart, heart)

There is a picture of her eating breakfast below. The girl in the picture is still pure and beautiful. The fans below are supporting her enthusiastically. It perfectly solves the rumors that has been raging before, and also validates her own sense of being.

"This girl is quite amazing." Yan Hua also sees the news and says casually.

Lang Ruoxian just sees Tang Cao set off. During this period of time, his brother-in-law Tang Cao has no pocket money and has to send Gungun and Wuyou to school every day. In private, Lang Ruoxian will pay him a salary.

Of course, only Tang Cao thinks he earns money secretly. In fact, everyone knows what is going on. Well... Except Tang Yao.

"The previous news was deliberately hyped by Hua Zhong." Lang Ruoxian hooks his mouth corner. "Hua Zhong went abroad specially to run into her. This idea came from Dong Nianshuang's agent in order to create a topic for her return."

Yan Hua has already known about Lang Ruoxian's rescue of Dong Nianshuang previously. Lang Ruoxian says it in front of the whole family. He is afraid that Bai Susu will not be happy. Bai Susu hears and smiles.

"The two sisters of Dong Family are much younger than me. They couldn't bully me at that time at all. But their surnames are Dong! Therefore, it is just good to keep away from contact and intersection. If it hadn't been for her calculation to Hua last time, this kind of girl wouldn't have attracted my attention."

Lang Ruoxian was angry and regretted saving Dong Nianshuang because she had set up traps for Yan Hua. However, Yan Hua says immediately that if she were there, she would certainly save Dong Nianshuang. It was just a matter of lifting a finger.

Yan Hua is somewhat surprised by Hua Yan's behavior. "It seems that Hua Family really decided to unite with Dong Family by marriage? It is strange that

Dong Family is at most a third-rate family in Yanjing. How does Hua Family pick and choose them?”

“You forget that there is Bai Family behind Dong Family.” Lang Ruoxian takes a plate of steamed buns from Yan Hua’s hand. There are only the two of them having breakfast at home this morning.

“So actually Hua Family and Bai Family unite by marriage?” Yan Hua suddenly asks nervously, “Does it affect our family?”

Lang Ruoxian’s heart is made itchy by Yan Hua’s lovely look. He leans over and kisses her before saying. “A little bit more or less, but your eldest uncle still has a three-year term of office to serve. During this period, it depends on who will be more capable.”

Yan Hua feels worried that neither of the two families in power will be good for her family.

“Rest assured!” Lang Ruoxian rubs her head. “They are going to deal with your eldest uncle. As for our family, at most there is bad business. Although your eldest uncle has offered us some conveniences, Tang Consortium spends a lot of money just in supporting him every year.”

“Although it looks as if Tang Consortium is prosperous due to him, in fact all the money has been spent on him.”

Yan Hua nods. She understands this. Tang Consortium has done many things for her uncle. They and the first branch of Tang Family are mutually beneficial.

But Tang Rui that fool doesn’t understand it. He always thinks that the second branch is to rely on their first branch to have today’s life.

“Has he been like that lately?” At the beginning of the year, Tang Rui messed up an investment project of Lang Ruoxian. Ironically, he didn’t get it, either. Finally, the project fell into someone else’s hands.

Lang Ruoxian has a mocking expression. “He is like a bedbug that cannot be killed.”

Tang Rui doesn’t hide his hostility to the second branch. He met Lang Ruoxian twice at the dinner parties before and was also cynical. However, Lang Ruoxian ignored him every time, which made Tang Rui more annoyed.

“But if you show up with him on the same occasion, you should be more aware of him.” Lang Ruoxian pinches Yan Hua’s hand lightly and says, “He has completely ignored Tang Family’s face and only wants to embarrass our family.”

Yan Hua goes into the man’s arms with fear and says, “If there are occasions like that, I will follow you and won’t walk a step away!”

“Have you done anything to disappoint me?” Lang Ruoxian squints at her.

Yan Hua seldom poses as a younger girl, so there must be some problems in acting so coquettishly.

“No!” Yan Hua’s eyes roll around.

Lang Ruoxian turns her head over to face him. “Go ahead, what did you do?”

“I didn’t do anything bad! It’s just... It’s just that I promises to have a meal with Hua Zhong.”

Sure enough, Lang Ruoxian’s face darkens after hearing this.

“Last time he was drunk and I went over! He wants to thank me.”

“He needn’t be so polite.” Lang Ruoxian hugs her. “Let him come to me and invite me to dinner.”

Yan Hua smiles. “Then we will go together?”

Although Lang Ruoxian doesn’t like Hua Zhong, he also knows that this is one of Yan Hua’s a few friends. However, he is still upset and agrees to go together. But he has a temporary meeting at noon the next day and he can’t go to the dinner, so he has to send Yan Hua to the restaurant with a dark face.

“Go home after dinner and let him take you back.” Yan Hua’s safety is superior to jealousy or anything else.

Hua Zhong sits in front of the French window and watches Lang Ruoxian driving away. He stands up and pulls open the chair for Yan Hua who has entered.

“You have to be so polite.” Yan Hua nods at the waiter. This is a western restaurant. She orders a regular lunch.

“I’m sorry to have troubled you in the late evening.” Hua Zhong looks at her and smiles. “You can think that I’m making an excuse to ask you out for dinner, OK?”

Yan Hua shrugs. “I didn’t say that you can’t invite me to dinner!”

“I think...” Hua Zhong frowns. “You are not the same as before.”

Yan Hua feels uneasy, but her face is still calm. “Oh? What’s the difference?”

“How to say!” Hua Zhong ponders, looking for the right adjective.

He has long found that Tang Duo who comes back to life is somewhat different. At first, he even suspected that it was not herself. He also found someone to check it secretly to make sure that was really Tang Duo. And then he was at ease.

As for the change of Tang Duo’s character, Hua Zhong doesn’t care. Anyway, whatever character she has, as long as she is still Tang Duo, it is OK!

“Speak!” Yan Hua wants to know if she has spilled the beans.

Hua Zhong shakes his head. “It’s no big deal. I just think you are more enthusiastic now, or not as arrogant as before?”

“ ... ”

“You see! Just now, for example, you shrugged and used an exclamatory sentence. In the past, you would only use exclamatory sentences when talking about clothes and jewelry.” Hua Zhong suddenly stops laughing and looks a little dim.

“In the past, you and I were not as polite as we are now. You often taught me lessons and kicked me.”

In Hua Zhong’s view, that is the way of two familiar people getting along, and that is the attitude of Tang Duo regarding him as a friend on her own side. It is not like now. Tang Duo will say thanks and sorry to him, politely like an outsider...

“Do you actively ask me to scold you?” Yan Hua is relieved to hear him say so. “After all, I am the mother of two children, and so much rage will be inappropriate. But it depends. I’ll show you how arrogant I am if there is any chance!”

Hua Zhong smiles. “I don’t have any other meaning. Anyway, you are Sister Duo whatever you are. I won’t change. Our family...”

“Don’t mention your eldest brother. It’s none of my business.” Yan Hua interrupts him. “Shall we have a good meal?”

“OK!” Hua Zhong nods, “I will not mention him.”

Yan Hua asks Hua Zhong to send her home after the meal. They meet Tang Yao who sneaks out to play at the door.

“Give me a ride quickly!” Tang Yao pulls Yan Hua out of the car and sits into it himself.

Yan Hua rolls her eyes. “Dad, my mom didn’t go out today?”

“Dear daughter! Can I be so careful if your mother is not at home? She is painting with your grandma.” Tang Yao fastens his seat belt. “Stop talking. I’m going to be late for the tea with a friend.”

“Hua Zhong, why don’t you drive?”

“... OK, uncle.”

Yan Hua smiles helplessly at Hua Zhong. “Sorry to trouble you.”

“You are welcome!” Hua Zhong waves his hand and starts the car to leave.

“Did your father slip out?” As soon as she enters the house, Bai Susu stands in the sitting room to ask her.

Yan Hua holds back her laughter. “Dad wants to go. Why don’t you let him go?”

“His blood pressure has been high these days, so I told him to stay at home, but he insists on going out to play.”

Tang Yao goes out to play just to see horse racing or go to some opera. Singing karaoke or going to entertainment city is impossible. All people in Yanjing know that he is henpecked and never dares to go to some places.

“He eats meat secretly.” Bai Susu sits down with a straight face. “His blood pressure must be high again when he comes back in the evening.”

But in the evening, Tang Yao’s blood pressure is not high, but that of Bai Susu is almost high.

Yan Hua has just coaxed the two little children to fall asleep and is going downstairs to serve midnight snacks to Lang Ruoxian. She sees Bai Susu answering a phone call and then her mother looks pale.

“What’s the matter, Mom?” Yan Hua hurriedly asks.

Bai Susu hangs up the phone. She goes upstairs to change clothes and says, “Your father called and said that he was in the hospital.”

“Hospital?” Yan Hua is surprised.

“Not him, he’s fine.” Bai Susu stops walking. “I’ll know the details when I arrive there.”

Yan Hua also runs up quickly. “Mom, wait a minute and let Ruoxian take you there.”

When Lang Ruoxian and Bai Susu arrive at the hospital, Tang Yao is squatting in the corner gloomily.

“Where is the person?” Bai Susu asks as soon as she sees him.

Tang Yao’s reaction is to jump over and hug her!

“Wail. Honey, I was scared to death. When I waited for the traffic light, she crossed the road herself. She walked to my car and fell down...”

Bai Susu frowns. “Ruoxian, pull your dad away. He makes my skirt wrinkled.”

“Dad...” Lang Ruoxian supports Tang Yao to the chair to sit down. “You don’t cry first. How is the person? What did the doctor say?”

This is not an operating room, either. Is the person dead?

“In... In it.” Tang Yao points to a ward. “The doctor... The doctor said that she had a miscarriage.”

Bai Susu frowns. “Can we come in?”

“Women can...”

Bai Susu knocks twice and pushes open the ward door. The nurse seems to have just changed the patient’s clothes and tells her when she comes in.

“Are you the patient’s family? Pay attention to the liquid and ring the bell to call us after finishing transfusion!”

Bai Susu looks at the woman lying in the hospital bed. She is about the same age as Yan Hua, looking pretty, facial features bright and beautiful. But now her face is pale and she lies there quietly with her eyes closed.

When the nurse goes out, Bai Susu is hesitating whether to wake up the woman. Tang Cao’s laughter comes from outside the ward.

“Dad? Dad! I have heard that you and another woman did this and that. You are so brave! Where’s my mom? Is she going to kill the woman first and then kill you?”

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 243 Hit the Headline Again

Bai Susu’s face turns dark. Then she sees the woman in the hospital bed moving and opening her eyes.

“How do you feel, Miss Sun?” Bai Susu greets the woman with a very standard smile. And she tries hard not to think about how to kill her son.

Her name is written on the medical record card at the head of the bed. She is Sun Xiaolin, a 25-year-old woman.

“You...” Sun Xiaolin closes her eyes again. Then she opens her eyes. What she sees becomes clearer. Suddenly, her expression alters and she touches her belly.

Bai Susu keeps looking at her and says softly, “You... lost your baby.”

“I lost my baby?” She is stunned. Then she shows a fake smile and says, “Hah! It’s a good thing. In fact, the baby shouldn’t exist at the beginning.”

After that, her tears drop instantly. Finally, she sobs sadly, burying her face in her hands.

“Mom, the policemen come.” Lang Ruoxian stands at the door. Two policemen come in.

The older policeman greets Bai Susu, “Mrs. Tang, please don’t mind it. We just come to ask her few questions according to the procedure because a witness called the police. Just now Mr. Tang’s driver said that the car did not hit the lady. So we want to ask her what happened.”

“That’s all right. Do as you wish.” Bai Susu nods and says to the woman, “Miss Sun, I’ll stand outside the door. You can call me if you need help.”

Bai Susu goes out of the ward and looks around. She asks, “Where is Tang Cao?”

“He has run away.” Lang Ruoxian says without concealment, “He didn’t know you were in the ward. And he was afraid that you would hit him.”

Tang Yao runs over and says, “You can hit him when you go home!”

How dare Tang Cao laugh at himself? Tang Yao thinks, he must let Tang Cao can’t get his pocket money for a year... no, for three years!

“You were in the car at that time. Did the car really hit her?” Bai Susu pushes Tang Yao’s head away and asks him.

Tang Yao nods affirmatively, “No! Our car stopped first. How did it hit her?”

“It’s strange... How could she miscarry?” Bai Susu murmurs. Then she seems to think of something. She says, “Ruoxian, go to check her. Her name is Sun Xiaolin and 25 years old. This is her picture.”

Bai Susu sends the picture from her cell phone to Lang Ruoxian. She took it in the ward just now.

Then Lang Ruoxian walks aside to call Shu Sheng. When he just hangs up, Yan Hua invites him to make a video call.

“Hua.” He immediately presses yes on his phone.

Yan Hua looks at the environment around him and finds nothing. She asks, “How’s it going?”

“A woman had a miscarriage.”

Yan Hua is shocked, “But I heard that dad’s car didn’t hit her, right?”

“Yes. Dad was waiting for the traffic lights and his car didn’t move at that time.” Lang Ruoxian touches her face on the screen of his mobile phone. He says, “The police also came because passers-by called the police. There must be monitors at the crossroad. It has nothing to do with dad. In fact, dad helped her this time.”

They say a few more words. Then they see the police coming out.

Yan Hua says, “I’ll hang up first. You have to tell me instantly if something happens.”

“Okay!”

Sun Xiaolin told the police that she fainted herself on Tang Yao’s car and there was nothing to do with him. Naturally, the police do all things what they should do. So they leave the hospital after they come out to say goodbye to Bai Susu.

“Let’s go, too!” Tang Yao says.

Bai Susu frowns and says. “She’s been in the hospital for so long. But her family hasn’t come to see her.”

“I just asked the nurse. She doesn’t have any phone number in her cell phone, so the hospital can’t contact anybody.” Lang Ruoxian looks at the ward and says, “In fact, she has nothing to do with us now.”

“It’s your dad who sent her here. Although it’s an accident, we can’t leave her here alone.” Bai Susu says. She isn’t so suspicious actually. But people like them are always cautious about this kind of thing.

“You two should wait outside. Let me enter and ask her.” Bai Susu turns around and goes back to the ward again.

Sun Xiaolin's eyes are inflamed. She is going to sit up when she sees Bai Susu coming in.

"Lie there and don't move." Bai Susu smiles, "I'll pour some water for you."

"Thank you!" Sun Xiaolin says with some nervousness and anxiety, "I heard from the police that it was your husband who sent me to the hospital. Look... It's my fault but finally I bother you."

Bai Susu hands the water to her and spins the sickbed's handle to raise the forepart of the bed for her. Bai Susu says, "Not at all. It's convenient for us to help you. Nobody will ignore it in that situation."

"It's all my own fault. The doctor said before that my anemia was very serious. But I didn't take it seriously. Who knows I will faint when I walk, especially on the street?"

"It's really dangerous for you. Do you have any relatives?" Bai Susu asks her, "I'll help you to call them to take care of you."

Sun Xiaolin shakes her head with a pale smile and says, "I grew up with my grandmother, who died a few years ago. Don't worry. I'll be discharged tomorrow."

Bai Susu thinks that Tang Yao just muttered that Sun Xiaolin's belly was not big at all and she was so thin. He couldn't find that she was pregnant. So Bai Susu guesses that Sun Xiaolin was just pregnant not long time ago.

"Would you mind telling me how long have you been pregnant?" Bai Susu asks. She still wants to make sure it. She would find a nurse's aide for Sun Xiaolin if it is not good for her to leave hospital.

Sun Xiaolin bows her head and says, "It's less than three months..."

"It's not too bad because your body won't be hurt so much." Bai Susu takes out a card and says, "Don't hesitate to call me if you need help."

"No, no!" Sun Xiaolin waves her hand in a hurry and says, "I've given you and your husband so much trouble. How can I continue to..."

Bai Susu puts her card on the cabinet beside the hospital bed and says, "It must be destiny that we meet each other. After discharge, you'd better have a

good rest. No matter what happens, we will always look forward. You are so young that you have a long time to live!”

Yan Hua doesn't sleep all the time because she is waiting for them.

“Where is Tang Cao?” Bai Susu asks whether Tang Cao comes back as soon as she goes home.

“I don't see him!” Yan Hua feels strange and she asks, “Didn't he go to the hospital to find you?”

Bai Susu snorts, “He'd better not come back.”

“What happened?” Yan Hua uses her mouth to ask Lang Ruoxian but she doesn't pronounce.

Lang Ruoxian also says silently, “Let's talk about it after we go back to our room.”

“Dad, are you okay?” Yan Hua quickly asks after seeing Tang Yao stands listlessly behind Bai Susu.

Tang Yao shakes his head and says, “My dear daughter, I'm fine. I just feel how unlucky I am.”

“Dad, you should be happy.” Yan Hua pats him on the shoulder and says, “Fortunately, you stopped your car to wait for the traffic lights. Otherwise you really can't prove your innocence.”

“I didn't mean that. It's... It's not a luck symbol.” Tang Yao lowers his voice and says superstitiously, “Think about it! She was pregnant and lost her baby when she fainted on my car... The baby is also a life!”

Tang Yao becomes more frightened as he says. He even shivers a little.

“You could change your car.” Bai Susu pours a cup of ginseng tea for him to calm down. She asks, “It happened because you ran out secretly. Will you do it again?”

“No! No!” Tang Yao shakes his head with a cup. He swears, “I'm not going out for a month!”

Bai Susu stares at him angrily. Then she says to Yan Hua, "Well, it's almost two o'clock. You should go to bed quickly."

When Yan Hua and Lang Ruoxian go upstairs, they still hear her mother nagging.

"Fortunately, our mother sleeps early and doesn't know, otherwise she would be frightened to death by you."

"You will be punished if mother knows it tomorrow."

"I don't tell her? Why?"

"You deserve it!"

Lying in bed, Yan Hua is too tired to open her eyes. But she wants to hear Lang Ruoxian's words. Lang Ruoxian tells her the situation of Sun Xiaolin. In fact, there is not much information. Shu Sheng will find something more tomorrow.

"Does that mean she doesn't want the child?"

Lang Ruoxian gently pats her back and says, "It's true according to what mother said."

"We can't say she doesn't want her baby. Maybe she just doesn't know how to live in the future with a baby. The father of the child might..." Yan Hua sighs, "There's no need for her to struggle now. God has made a decision for her."

After yawning, Yan Hua asks again, "What about my younger brother? Why didn't he come back with you?"

"He said something wrong again." Lang Ruoxian lowers his head and sees Yan Hua closing her eyes. He continues to pat her on the back slightly and says, "He ran away because he was afraid that mother would beat him. I don't know where he is now."

Yan Hua mumbles few words and her breath gradually becomes smooth. Lang Ruoxian also closes his eyes after kissing her.

"Young Master." Early in the morning, Shu Sheng calls him and says, "Someone has exposed what happened yesterday on micro blog."

Lang Ruoxian has a look at Yan Hua, who is still asleep. He sits up carefully and tries not to make a noise. Then he goes to the balcony before saying, "Have you got Sun Xiaolin's information?"

"Yes. I've sent it to you by Email. The news on the Internet..."

"I know. Let's talk about the news later after I see it."

There's a person's second account on the micro blog that wrote out what happened yesterday with photos, which are about the driver and Tang Yao getting off and carrying a woman. The person who exposed it said that Tang Yao was walking with his dog and encountered an accident when he took pictures of his dog.

There was blood on the ground because Sun Xiaolin had an abortion at that time. The photos of this blogger show obviously that something red was on the ground. But he also analyzes objectively that the car had stopped to wait for the traffic lights, but the woman suddenly fainted in front of the car and had so many blood.

Oh my God! Is this a paranormal?#

The woman is the descendant of the devil tribe. She practiced her skills too much so that she vomited blood. Are the people in that car who took her to the hospital yesterday still alive?#

No, no. She is the fairy who suddenly appeared on the road because she tore up the space to escape the devil's pursuit. Then she fainted in front of the car.#

You two certainly understand each other. Why don't you get married?#

The discussion below is getting stranger and stranger. Nobody says anything about the driver. The occasional mention of the car's owner is basically praise.

"Are they so idle?" Bai Susu slams her cell phone on the table and says, "Even such a little thing can make a headline."

Yan Hua still reads the comments. Then she looks up at Tang Yao, who is even more depressed. She says, "People think it is a paranormal. So it is not strange that it hits the headlines."

“Sun Xiaolin is no problem.” Lang Ruoxian sends Bai Susu a copy of the information in his mobile phone and says, “She is from Yanjing. When she was young, her parents jumped from the building and died because their company went bankrupt. Both their insurance and house were paid off their debts. So she lived on her grandma’s pension.”

When she was in junior high school, her grandma died of illness. She finished her university with the donation of other people. Then she was allowed to work in her school because she got good grades.

“She has a boyfriend!” Yan Hua sees a name and says, “He is unfaithful.”

Sun Xiaolin’s boyfriend is her college classmate. He comes from a village and is poorer than her. After graduation, they rented a house and lived together. Few months ago, the daughter of his company’s boss wants him to be her boyfriend. He agrees.

“She found she was pregnant after they broke up. It’s reasonable that she doesn’t want the baby.”

When they are talking about that, the sound of the engine comes from the door and Tang Cao who didn’t return overnight rushes in.

“Dad! You really betray mother this time.”

Chapter 244 Encounter on the Street

Why does he need this kind of son? Tang Yao thinks angrily, he’d better let his son disappear in this world after eating a good meal.

Bai Susu puts down the chopsticks, twitching the corner of her eyebrows. Tang Yao looks fiercely at Tang Cao who is running in.

“Do you believe I will publicize that you aren’t my son anymore in the press?”

Tang Cao shakes his cell phone and explains, “Well, didn’t you read the headlines?”

“There’s something new.” Yan Hua refreshes her micro blog and finds another headline.

According to the latest news, Tang Yao, the owner of Tang Consortium, sent the young woman to the hospital yesterday. It's confirmed that she had a miscarriage. It's not sure whether she knew Mr. Tang before and whether she has any relationship with him.

The following discussion is heated instantly. Without any reasons, people gradually say the woman is Tang Yao's mistress. Tang Yao wanted to break up with her but she didn't agree. Then she ran out of the car and fainted. Finally, she lost her baby.

"What these people say is so lively as if they saw it personally." Yan Hua is a little angry. She says, "They talk about it casually but they don't know anything."

Tang Yao is about to cry, "I don't know that woman at all!"

"I'll let people deal with it right away." Lang Ruoxian says and goes to call someone.

Bai Susu frowns, "Where does the news come from?"

"I don't think the woman says that!" Tang Cao finds a comment he just read and says, "Look, this netizen said that he saw a lot of reporters in the hospital. I guess reporters only hear some information and make up a wrong story."

"I should go to the hospital." Bai Susu stands up.

Yan Hua stops her mother and says, "Mom, if you are photographed going there by reporters at this time, you will make others believe the reporters' nonsense."

"Mom, you don't have to go. I'll go there." Lang Ruoxian has already called his people. Soon Tang Consortium's official blog issues a statement, seriously accusing the social media influencer that released the news. Tang Consortium also sends a lawyer's letter to that person.

"I'm sure nobody will talk nonsense anymore." Yan Hua says after reading the statement, "The whole thing is just speculated by them. Now we handle it in time. People who want to show off dare not talk nonsense again."

Lang Ruoxian takes his coat and kisses her. He says, "I'll go to the hospital first and then go to the company. Let's call later."

“Alas!” Tang Cao begins to laugh his father again, “Dad, you are much more dissoluble than I am! I haven’t made any headlines like that. Look at you!”

Tang Yao immediately hits his son with his slipper. Then he runs around the sofa in sitting room to chase his son.

“Mom, you saw that girl yesterday. Do you think she...”

“She doesn’t look like a person who talks nonsense.” Bai Susu says, “And Ruoxian has checked her. However, we can’t judge a person according to its appearance. I’m not sure that she never gives wrong information to reporters.”

But they all feel that Sun Xiaolin isn’t so foolish to do that. Because it isn’t good for her and will make her offend Tang Family. Of course, it is possible that someone behind her asks her to do that. However, even if she slanders Tang Yao intentionally, it will be totally meaningless without any evidences.

At noon, Lang Ruoxian calls Tang Family that there is no problem and he would tell them specifically when he gets off work in the evening. Besides, the online reports are all withdrawn. Chang Pei’e scolds Tang Yao when she knows it. Because of that, Tang Yao is punished not to go out alone for three months.

“Sister Duo, does your birthday come soon?” Fang Diandian asks Yan Hua with a smile. Today, Fang Diandian invites Yan Hua to have coffee.

Yan Hua remains speechless for a short time. She forgot that Tang Duo’s birthday was in June.

“It’s in next week. How do you know it?”

Fang Diandian giggles, “Tang Cao talked about it in a group online. So I see it.”

“He lets you join that online group!” Yan Hua smiles.

Tang Cao and his friends have an online group, called the most handsome playboy in Yanjing. It is said that only the wastrel can enter. If you are an elite or a president, you are not qualified to join.

“Sister Duo, you don’t know. I’m the only one woman in it. I almost want to quit.” Fang Diandian complains, “If Chen Xiaopang didn’t tell me that he was

going to take me to see Yang Xue, I would not have stayed and listened to their boasting every day.”

“Do you like Yang Xue?” Yan Hua asks. She remembers Yang Xue seems to be a very popular actress, and her TV play is on TV now.

When talking about her idol, Fang Diandian becomes excited, “She is shooting a new film. Chen Xiaopang said that he would take me to its location to play tomorrow. Well. Sister Duo, what kind of gift should I give to you for your birthday? I don’t think you lack anything.”

“Don’t give me anything. I’ll ask you to have dinner then.” Yan Hua answers. Fang Diandian says yes. Then she suddenly looks out of the landing window.

Yan Hua also turns her head and finds a man and a woman arguing at the roadside. The man seems to want to rob the things in the woman’s bag.

“Why is there no one to stop them in broad daylight?” Fang Diandian asks. She sees that the passers-by go to prevent the man but they just leave when the man says something.

When the thing in the woman’s bag is about to be taken away by the man, the woman struggles to rush into the cafe.

The woman shouts, “Please help me! Help me!” The waiter at the door also keeps looking at her. He is stunned when she runs in. After the waiter finds out what happened, the man has come in, too.

“Don’t refuse a toast only to drink a forfeit. Give it to me quickly!” The man scolds. He stretches out to grab the bag again.

Then another waiter also comes. The two waiters stop the man together.

“Go away! Otherwise I’ll tell your manager.” The man is not afraid at all. He even threatens them, “It’s not your business that I quarrel with my girlfriend.”

Waiters hesitate. The woman says hurriedly, “No. We’ve broken up. He wants to rob my thing.”

“Miss, why don’t we call the police for you?” A waiter says.

If it’s really a fight between the man and his girlfriend, the waiters have no reason to intervene.

“Do you dare to call the police?” The man laughs and says to the woman, “Aren’t you afraid your students know your actual character?”

The woman trembles all over, biting her lips and looking like she is about to cry.

“Hey!” Fang Diandian couldn’t stand it anymore. She stands up and shouts, “Are you a man?”

She walks to stand in front of the woman and says, “You are shameless to bully a woman!”

“What’s the matter with you?” The man reaches out to push Fang Diandian. Then he is stopped by the waiters. But the waiters also dare not hurt the man. So the man directly uses his hand to pull them away and tries to catch Fang Diandian.

At that time, Yan Hua also comes over, holding a cell phone in her hand.

She warns him, “I don’t care your business. But if you don’t stop, I’ll call the police.”

The man glares at her and asks, “Do you also want to interfere it?”

“How could I let you rob something in front of so many people?” Yan Hua frowns and looks at him. “Will you leave or not?”

“You can call the police if you have the ability!” The man smiles. “You should ask her if she agrees.”

The woman shakes her head with her pale face. And her eyes are full of supplications.

“If you don’t want the police, we can change it...” Yan Hua also smiles.

Then in the door come three tall and strong men, which can be seen obviously that they are good at fighting.

“Take this man out and see if there’s a cool place nearby to calm him down.”

“What are you doing?” The man becomes panicky. “Let me go! Let me go. I’ll call the police!”

As the door of the cafe closes, the man's voice gradually disappears. Fang Diandian sees the bodyguards cram the man into the car and take him away. She asks Yan Hua slightly.

"Sister Duo, will you really make him..." She does an action to pretend that she cuts her throat.

Yan Hua pokes her forehead and says, "What are you thinking about? I just want to frighten him."

"Waiter, I'll pay the bill." Yan Hua says. It's almost time to pick up two children. She says to Fang Diandian, "I can drop you off to school."

Out of the cafe, the woman catches up to thank them.

"Miss... This lady!" She seems to be in bad health and is weak after running a few steps.

Yan Hua turns her head.

"Thank... Thank you!" The woman covers her chest to thank her.

Fang Diandian looks at her worriedly. She says, "Are you all right? Would you like us to take you to the hospital?"

"No. I'm fine... Thank you!" The woman makes a fake smile and says, "I'm just getting well. So I'm a little weak now. It's all right."

Yan Hua says, "Then you'd better go home quickly, in case the man comes back later. Nobody will help you at that time."

Yan Hua doesn't know what the man had in his hands about this woman. The woman refuses to call the police even if she is bullied like that. But it's impossible to solve the problem if she doesn't dare to call the police. Not everyone will help her every time.

"I..." The woman smiles bitterly, "Well, I see. Thank you!"

Seeing that she gets into the taxi, Yan Hua begins to start the car and leave. After carrying Fang Diandian to school, she turns around to pick up the children. Suddenly, Yan Hua steps on the brake.

“The woman she saw just now...” Yan Hua murmurs. She suddenly recognizes that the woman is Sun Xiaolin.

Sun Xiaolin’s photo is in the materials. No wonder she feels familiar with her.

At that time, Yan Hua feels a little sad for her. This woman is too unlucky.

She just lost her child not long ago. Now she is bullied by the man. It seems that the thing has been lasted for many days.

Sun Xiaolin’s affair is just a little trouble for Tang Family. They will forget it soon when it finishes. There are so many poor people in the world. No one should be responsible to make others happy. It’s their own destiny to live better or worse.

“Are you free tomorrow?” Just after her birthday, Qiang Di calls her.

Yan Hua looks at the calendar and says, “Tomorrow is Sunday. I’m free. What do you want to do?”

“Come out and get your birthday present.” Qiang Di says. Her tone is so arrogant as if Yan Hua owes her. “I couldn’t come to celebrate your birthday because something happened before.”

Yan Hua wants to say that she doesn’t need to be so polite. But Qiang Di immediately says again.

“Come or not? Don’t you want the president from me?”

“... Tell me the address.”

Qiang Di tells her an address. Yan Hua remembers that it is a big seafood restaurant. After deciding the time to meet, Yan Hua hangs up the phone and shakes her head.

“Why does she want to see you?” Lang Ruoxian hugs her from behind and says, “Don’t go if you don’t want to see her.”

Yan Hua turns around and sees that his hair is still wet. She wipes his hair with a towel and says, “She will invite me to dinner and give me a birthday present.”

“A birthday present?” Lang Ruoxian frowns, “Why does she do that?”

“I said that too. Then she got angry.” Yan Hua shakes the towel and says, “Anyway, I’m free tomorrow. It’s not bad to see her!”

Seeing the man twists his eyebrows and keeps silent, Yan Hua leans on his shoulder and asks, “What’s wrong?”

“Tomorrow I will go to a dinner party. So I can’t go with you.” Lang Ruoxian hugs her on his legs and advises, “You can change the time with her.”

“No. I’ll go myself.” Yan Hua rubs in the man’s arms and says, “She doesn’t invite you.”

Lang Ruoxian thinks for a moment. Then he says, “I’ll send you over. When it is more or less over, you can call me and I’ll pick you up.”

The next day Lang Ruoxian takes Yan Hua to the hotel. Then he goes to play golf with several business partners. He just wants to play for a short time. So he soon says goodbye to them and drives away. After driving back to the city, he thinks Yan Hua almost finishes. But she hasn’t called him yet.

Half an hour later, when he arrives at the entrance of the hotel, Lang Ruoxian calls Yan Hua. But the phone is not answered.

If you find any errors (broken links, non-standard content, etc..), Please let us know via our discord so we can fix it as soon as possible.

Chapter 245 Yan Hua Is Missing

“Mom, has Hua gone back yet?”

Bai Susu is stunned, “No. I think you will come back together.”

“Hua didn’t answer the phone. The hotel said that she had left half an hour ago when I asked them.” Lang Ruoxian’s voice on the phone suddenly turns cold. He says, “Mom, if I don’t call you an hour later, you should call the police.”

Lang Ruoxian doesn’t leave the hotel and goes to watch the surveillance video from the entrance of the hotel. In the video, Yan Hua and Qiang Di left together. Instead of getting on the car, they went to a shopping mall not far away.

“Madam said we didn’t have to follow her, but two of us still went out to secretly follow her.” The bodyguard says. All of them are brought by Lang Ruoxian from G Province, and they are completely his men.

“But... Now the two brothers are also out of touch.”

Now Lang Ruoxian is sure that Yan Hua had an accident. He immediately calls the police and then notifies Tang Family.

“Tell Xiaokai to find a way to access the shopping mall’s preservation system.” Lang Ruoxian says to bodyguards and runs to the shopping mall with them.

Xiaokai is as good as a top hacker at operating a computer. Soon he sends a message to him.

“Young master, there’s only a video which shows that Young Mistress went into the mall.”

Lang Ruoxian’s eyes light up. He says, “Let’s find her on each floor!”

When Nancheng Police Station receives a call about someone is missing, it doesn’t take it seriously. Because it almost receive the same call every day. But most of the missing people run away themselves when they quarrel with their families, and they usually come back as soon as it is dark.

But few minutes later, the telephone from the general administration comes. They are asked to find Yan Hua immediately and to cooperate with her families. When a large number of policemen rush to the mall where the accident happened, a red sports car suddenly stops in front of the shopping mall.

“Eew...” Chen Xiaopang vomits as soon as he pushes the door and gets out of the car. He complains, “Brother, you... you drive here so quickly.”

But Tang Cao couldn’t care about Chen Xiaopang’s feeling at all when he drove over. He began to come here instantly when he received Bai Susu’s phone call.

“Wait for me!” Chen Xiaopang shouts when he sees Tang Cao has directly run into the shopping mall. He shows the white of his eyes and chases Tang Cao soon.

The shopping mall has five floors, which is one of the largest shopping malls in Nancheng. Lang Ruoxian's people scatter around all the floors and ask others with pictures of Yan Hua and Qiang Di. When Tang Cao finds Lang Ruoxian on the third floor, he doesn't dare to be close to Lang Ruoxian and just looks at him in a far place.

"Your brother-in-law makes me so scared!" Chen Xiaopang also sees him, shrinking his neck and trembling. "He seems to be in the dark."

Tang Cao coughs to cover his anxiety and says, "Let's... Let's go."

Lang Ruoxian is emotionless. He just asks other people if they see these two girls shop by shop. Although his sound is calm, people will find his panicky eyes if they observe him carefully. According to the time when she went out of the hotel, Yan Hua has lost for three hours.

He doesn't dare to think about what will happen. So he tries not to think about it.

"Brother Ruoxian." A little voice comes behind him. Lang Ruoxian turns his head.

Tang Cao's body becomes stiff as he sees Lang Ruoxian's eyes. He stammers, "Do... Do you find anything?"

Standing behind them, Shu Sheng shakes his head to Tang Cao. Lang Ruoxian goes on to ask the next store. Tang Cao says to Shu Sheng in a low voice, "Is my brother-in-law okay?"

"He will be terrible if we can't find her."

Tang Cao immediately glares at him and says, "It won't happen. My sister is so lucky. She could even revive when we all thought she was dead. So she won't have an accident so easily!"

"Yes, yes!" Chen Xiaopang nods, "Our sister must be waiting for us to find her!"

Shu Sheng says with a sigh of relief, "Let's look for her quickly."

Tang Cao and Chen Xiaopang also join the searching team. They don't find her secretly, which makes other people suspect that. So when Tang Cao

looks for Yan Hua on the fifth floor, he sees Fang Diandian running over out of breath.

“Why are you here?”

Fang Diandian covers her chest and gasps, “I... I see someone on the Internet talking about you.”

Some people on micro blog have sent out news that the Second Young Master of Tang Family is playing hide-and-seek with his people in the mall. Soon another person said that he seemed to be looking for someone, and so was Tang Consortium’s new president.

“Are you looking for Sister Duo?” Fang Diandian asks and almost cries. She just saw Lang Ruoxian downstairs. His face is so scary. Who could make him like that besides Sister Duo?

Tang Cao has been afraid and wanted to cry long time ago. But he always controls himself not to show that. At present, he fails when seeing Fang Diandian is going to cry.

“I... I can’t find my sister.”

The young man who is 180 meters cries so that he is out of breath. Fang Diandian also cries loudly. Only Chen Xiaopang stands there and is as restless as ants on a hot pan.

Fang Diandian sobs, “How can you say that you can’t find her. She just lost in the mall. I’ll go to broadcast, Sister Duo will come out after hearing that...” After that, she is going to go to the reception counter to broadcast. But she is grabbed by Chen Xiaopang.

Chen Xiaopang says to her, “Alas, now you should stop crying and look for her!” Then he yells at Tang Cao, “How can you cry at present? Our sister hasn’t died.”

Tang Cao wipes his face casually and says, “You are right. Let’s look for her quickly. Maybe we will find her soon.”

Lang Ruoxian, Tang Cao and dozens of policemen search the shopping mall. But they don’t find any clue. Then others gather in the lounge of the shopping

mall. Policemen are still looking for clues outside. Lang Ruoxian just sits there and nobody dares to approach him.

“Ah, the phone of the supermarket is broken again. How could it have problems every day? They are...” A uniformed worker comes in the lounge with a whimper, holding his cell phone and not knowing who to complain to. Then he is shocked to see so many people.

“I’m... I’m sorry!” He goes out immediately.

But Lang Ruoxian stands up instantly and asks, “Is there a supermarket?”

“Yes... It’s on the ground floor.” The person in charge of the mall says, “You don’t know?”

Tang Cao spits an obscenity and says, “How could we forget the supermarket?”

Lang Ruoxian hurries to the door and says, “Everyone goes to the supermarket to find. Shu Sheng goes to check the supervision of the supermarket. We can’t miss any corner.”

“Wait for me, Brother Ruoxian!” Tang Cao and others rushes to follow him.

It’s easier to find in the supermarket than the shopping mall which has many exits and many places cannot be photographed by cameras. But supermarket is different. There are cameras at every intersection. As long as people go in, they will certainly take pictures.

“Young Master!” Sure enough, Shu Sheng calls him a few minutes later. He says, “Two hours ago, Young Mistress and Qiang Di entered the supermarket together. They stayed in the beverage area for a while and then turned to the freezing area.”

Qiang Di also doesn’t answer her phone. It seems that she should always be with Yan Hua.

They run to the frozen area, but it’s the only corner of the supermarket that can’t be seen by camera. According to the camera, Yan Hua and Qiang Di disappeared here.

“They should be here.” Lang Ruoxian looks around. Tang Cao and others ask the staff around if they have ever seen Yan Hua. A person says that he has seen her.

He’s a staff who shaves the meat.

“They came to see crabs and picked them for a long time, but they didn’t buy them at last.”

Lang Ruoxian says, “Did you notice where they went after that?”

“I’m sorry that I didn’t pay attention to them.” The staff feels sorry to say, “I went to talk to another guest who wanted to buy meat.”

Tang Cao is so anxious and wants to cry again. He is about to catch the truth, but he finally wastes all the previous efforts. That feeling is too terrible.

Lang Ruoxian slowly looks around with his eyes. If Yan Hua does not leave, he thinks, she will be here...

“Young Master!” A bodyguard runs over and says, “We find the two missing bodyguards! They are knocked out and left behind the supermarket.”

“What about my sister?” Tang Cao asks them in a hurry.

The bodyguard shakes his head and says, “We don’t find her...”

“What’s behind the supermarket?” Lang Ruoxian suddenly asks.

The manager following them says, “It’s a cold storage.”

Lang Ruoxian suddenly runs to the cold storage. All people follow him.

“Open it.” Lang Ruoxian tries to open it but fails. He shouts at the manager.

The manager calls quickly to find a person to open it. Then he swallows nervously and says, “Our... Our cold storage is 30 degrees below zero. If they are really in it...”

“Then open the door quickly!” Tang Cao roars, smashing hard at its door. He shouts, “Sister! Sister! We’ve come to save you!”

Fang Diandian cries loudly. Chen Xiaopang holds Tang Cao back and says, "Calm down!"

"Young Master..." Shu Sheng looks at Lang Ruoxian worriedly. Lang Ruoxian looks at him without too much emotion.

Shu Sheng's heart sinks. The situation of Lang Ruoxian makes him scared. He's afraid that Lang Ruoxian will commit suicide if Yan Hua dies today. But before he takes his own life, the person who causes all these consequences would surely be better off dead than alive...

"Here comes the key!" Someone runs to open the door and Lang Ruoxian is the first to rush in.

"Hua!"

"Sister!"

"Sister Duo!"

The cold storage is not small. When others look for them aimlessly, Lang Ruoxian has run directly to the end and finally finds two snow-white people in the corner.

He quickly takes off his clothes and comes to them.

"Tang Cao!"

Hearing Lang Ruoxian's saddest shouting, Tang Cao and others quickly arrive.

"Take off your clothes! Take off your clothes!" Lang Ruoxian shouts as if he is mad. His upper body has been naked and all of his clothes have been covered on the snowman in his arms.

Tang Cao takes off his clothes while crying. He doesn't dare to ask how his sister is.

Shu Sheng also holds a person in his arms, which is Qiang Di. They take the two women out of the cold storage. Lang Ruoxian asks Shu Sheng to drive. He can't wait for the ambulance to come.

Tang Cao wants to take the same car with them, but Lang Ruoxian kicks him down and says, "You take another one."

Tang Cao has no time to feel sad. He quickly holds Qiang Di to take another car with Chen Xiaopang.

As soon as the car is started, Lang Ruoxian begins to take off Yan Hua's clothes. When she is naked, Lang Ruoxian hugs her tightly and wraps them with clothes outside. Shu Sheng throws a blanket over without looking askance and turns the heat in the car to its maximum.

"Tang, go to the hospital! Come on, let's go to the hospital." When Bai Susu receives Tang Cao's call, she helps Chang Pei'e run to the door.

Tang Yao runs faster and almost falls.

"What did Tang Cao say? How is Hua now?"

"I don't know. He just said she was on the way to hospital. We should go there as soon as possible."

The ambulance picks Yan Hua and Qiang Di up on the way. Lang Ruoxian looks the doctor gives Yan Hua an electric shock to her heart, one by one. Every time she is bounced, his heart becomes up, and then she falls silently.

Lang Ruoxian's heart also turns down.

He covers his heart, and there is nowhere to spill out his anger.

"She has heart beating now!" In the little box, the wave line suddenly moves. The doctor breathes a sigh of relief and calls Lang Ruoxian, "Sir! Sir?"

Lang Ruoxian opens his mouth, but can't make a sound.

"Your wife is out of danger now!"

Chapter 246 Being Saved

Yan Hua feels Qiang Di today is a little strange. Because she has many words to say.

“Do you want to tell me something?” Yan Hua asks, putting down her chopsticks.

Qiang Di just lowers her head and denies, “No. I’m just bored recently and want to talk to someone. You know I don’t have any friends, so I have to call you out.”

“I heard that you do well in university and many students write love letters to you secretly. And some CEOs are chasing you.” Yan Hua asks tentatively, “Do you like one of them?”

“I don’t want to be in love.” Qiang Di has a look at Yan Hua with a faint smile on her face. She asks, “Did you hear that from a girl named Fang Diandian?”

Yan Hua smiles, “Yes. She is my friend, a very lovely girl.”

“To be honest, at first I thought she was sent by you to spy on me. But then I thought if you really wanted to spy on me, you couldn’t let a fool do that.” Qiang Di says.

“... I’m not that bored.” Yan Hua wants to show the white of her eyes.

Qiang Di shrugs her shoulders and says, “Who knows? Don’t you want me to find a boyfriend so that I won’t pester Lang Ruoxian anymore?”

“I hope you find boyfriend, not because you pester Lang Ruoxian.” Yan Hua sighs, “Do you think he can make you pester him? We just want you to find your own happiness and not live in the past.”

Yan Hua thinks the girl begins to take this thing to heart again. Every time she is persuaded, she will doubt it as soon as she goes back.

“My happiness...” Qiang Di twitches the corner of her mouth and says, “My happiness has long been dead.”

Sure enough... Yan Hua rubs her eyebrows weakly.

“Forget it. Don’t say that.” Qiang Di looks at her watch and says, “Will you accompany me to the supermarket in front of the shopping mall? I want to buy some daily necessities.”

Yan Hua naturally agrees. But Qiang Di hasn’t bought anything in the supermarket for a long time. Yan Hua asks her.

“What do you want to buy? Food, or something else?”

Qiang Di doesn't respond her. She lowers her head and seems to think about something. Yan Hua asks her again. Then she trembles suddenly and asks, “What?”

“I ask you what to buy?” Yan Hua looks at her strangely. “Are you okay? Are you feeling unwell?”

“No...” Qiang Di looks at the frozen area in front of her and walks slowly. “Yan Hua, if I please you to leave Lang Ruoxian and give him back to me, will you agree?”

Yan Hua stops walking and looks at her.

“No.” Yan Hua says firmly as Qiang Di looks back at Yan Hua. “He is a man I love, my husband and the father of my children.”

“But who is he for you?” Yan Hua asks. She is a little angry.

She didn't expect that Qiang Di had such an idea.

“There are some things I didn't want to say. But I think if I don't say it, you'll never wake up.” Yan Hua throws her hands up in the air and says, “You have no relationship with Lang Ruoxian. It's his eldest brother who keeps you together.”

“Eldest brother chose Lang Ruoxian between you and his younger brother. In other words, he chose revenge between you and his family's hatred. So he gave Lang Ruoxian the chance to live and let him take back what belonged to them.”

Yan Hua smiles, “In fact, the person you should hate and blame isn't Lang Ruoxian, but his eldest brother. He didn't choose you...”

Qiang Di's expression is anger first, then she turns blank. Finally she looks so sad.

“Look, you know it clearly.” Yan Hua continues to say, “You know you are the one who is abandoned, but you can't hate your lover. Besides, he's dead. He won't know whether you hate or love him.”

“But Lang Ruoxian is still alive. You transfer all this to him.” Yan Hua closes her eyes and says, “Qiang Di, you should wake up.”

Qiang Di’s face has already been full of tears. When she is about to say something, her expression suddenly becomes frightened. Yan Hua’s heart sinks and she wants to turn back. But someone has covered her mouth and pulls her into an employee corridor without struggling for a few moments. Her hands are tied and her mouth is stuffed with something.

“Miss Tang!” She is tied up by a man who is short and very slim.

At this time, the man squats in front of her and stares at her.

“Do you want to know who I am?” The man asks.

Yan Hua whines.

“You’ve blocked her mouth. How can she talk?” Qiang Di stands aside and says.

Yan Hua takes a deep look at her. Qiang Di avoids her eyes and says to the man, “According to our agreement, I bring her here and help you solve the bodyguards. You should do the rest thing. I’ll go first.”

“Don’t go now!” The man stands up and says, “Come on, help me carry her.”

Qiang Di’s eyes flash and she grabs Yan Hua’s arms. Her face changes when she sees the word “cold storage” at the end of the road.

“Are you going to lock her up here?”

The man takes away the cloth in Yan Hua’s mouth. No one could hear her shouting in this place. He looks at Qiang Di and says, “Of course. What is more desperate than waiting for death slowly?”

“Who are you? Why do you kill me?” Yan Hua is rather calm at this time.

The man lights a cigarette and says, “My name is Tian Xiaogang.”

“I don’t know you.” Yan Hua doesn’t think she knew such a person when she was Tang Duo.

Tian Xiaogang sneers, “Do you know Guo Lili?”

“... Is she Hu Quan’s wife?” Yan Hua certainly remembers this woman.

Tian Xiaogang stares at her viciously and says, “It’s your wrong! You sent Lili to prison. You destroyed her.”

“I don’t think I have the ability to send a person into prison.” Yan Hua asks him tentatively, “You are her friend?”

“She’s my lover!” Tian Xiaogang’s expression becomes very fascinated. “We were classmates in junior high school. And we were together in the second year of junior high school. She also had an abortion for me. We are in first love!”

Yan Hua twitches the corner of her mouth and says, “Then why didn’t she marry you...”

“Because I have no money.” Tian Xiaogang sits on the ground painfully. “I can’t give her the life she wants, so I can only watch her marry someone else.” After that, he beats the ground hard with his hands and says, “Just because I don’t have money! No money! “

Soon Tian Xiaogang’s hands bleed, and he seems to feel no pain. He just covers his face and cries, “I love her so much! I’m willing to do anything for her as long as she wants to see me! We are just together in secret for a short time. I thought we could go on like this all the time.”

“It’s because of you!” Tian Xiaogang suddenly grabs Yan Hua’s hair and pulls it up. “You rich people can imprison people at will. You put my Lili in prison, in prison!”

Yan Hua endures the pain and keeps silent. She doesn’t dare to stimulate the man again. After seeing Qiang Di out of the corner of her eye, Yan Hua hurries to say to the man.

“What’s the matter with me? Her husband accused that he was poisoned by her. Besides, do you know how long she stays in poison? You’ll be in prison if you kill me now. You won’t see her when she comes out in a few years.”

Bang! A board hits Tian Xiaogang hard on his head. His body is stiff for a moment. He touches his forehead and sees that his hands are full of blood. Then he faints.

“Are you all right?” Qiang Di quickly squats down and unties Yan Hua’s rope. She says, “I wanted to ask for someone’s help, but he didn’t let me go. Later, I didn’t dare to leave. Because I was afraid that he would take you somewhere else.”

“I know I’m wrong. I’ll take full responsibility for this. Let’s leave here first.”

Yan Hua listens quietly to Qiang Di and sees that the rope on her feet is about to be released. She suddenly pushes Qiang Di away. Before Qiang Di falls to the ground and asks why, she sees Tian Xiaogang punching her on the head.

Bang. Qiang Di crawls there motionless.

“I know this woman is unreliable.” Tian Xiaogang blows a raspberry and wipes off the blood that blocks his eyes. “Originally, we cooperated with each other. Since she looks for death herself, it would be lucky for you to get a companion to die together.”

He drags Yan Hua to the bottom of the cold storage. When he sees Yan Hua saying nothing, he squats down and asks, “Why don’t you beg for mercy? Maybe I’ll let you go!”

“Will you?” Yan Hua asks without any emotion.

“No!” Tian Xiaogang ties her feet to the post behind. Then he brings the faint Qiang Di here, and also ties her feet to the post. After cleaning up the outside, he closes the door of cold storage and leaves.

Yan Hua tries to untie the rope, but she fails. Soon she could not stand the coldness. Even the seams of her bones are so cold. Gradually, her limbs begin to stiffen. Yan Hua could feel that her face is covered with cold frost. Her tongue is numb and could not reach out.

“Lang Ruoxian...” She whispers, “If you can’t find me, we’ll really say goodbye this time.”

Qiang Di doesn’t wake up all the time. Yan Hua doesn’t call her. If she can die unconsciously, Yan Hua thinks, it will be a kind of happiness.

Yan Hua doesn’t know how many hours pass. She knows it is so long that she can’t feel her body. She thinks she cries but she can’t feel the tears. She doesn’t want to die. She has Gungun and her family.

Lang Ruoxian... Finally, Yan Hua screams his name in her heart and then doesn't move again.

When she becomes conscious again, she even thinks she is dead and goes to heaven. Because what she sees is white, pure white. As her body recovers, she recognizes the familiar smell.

"Hua!" Bai Susu hurriedly rings the bell after seeing Yan Hua opening her eyes.

Yan Hua wants to smile, but she feels her face very rigid. It's good! She's still alive.

"You... found... me..." She has to say word by word.

Bai Susu cries and says, "Yes! Ruoxian found you."

Yan Hua's eyes move a little. Bai Susu says quickly, "I let him go back to rest. He's been with you all night."

"Mom... I... am... still... alive..."

"You are alive!" Bai Susu cries and laughs. "You should live 100 years."

The doctor comes and examines Yan Hua.

"There is no big problem! It may take some time for the body function to recover. She may have a fever recently. Pay attention to it." The doctor says.

There is a noise at the door. The whole Tang Family comes. Chang Pei'e cries instantly when she hugs Yan Hua.

"You suffered so much!"

"Grandma... I... am... fine." Yan Hua moves her finger.

Tang Yao also comes over and sobs, "My little darling, I'm so glad that you're fine. I'm so glad!"

Chapter 247 Is He Dumb?

Tang Cao puts a lot of flowers on the sofa and says, "Sister, all these flowers are sent by Chen Xiaopang and others. You didn't wake up when they come to see you, so I let them go back."

"Do... they... know...?" Yan Hua blinks and always feels her eyelashes are heavy.

"It has been reported on the Internet. There were many different versions about your story." Bai Susu puts the straw in a box of milk. Then she holds the milk and puts it close to Yan Hua to let her drink a few mouthfuls. "I thought we'd better ask the police to tell the truth openly. So the police sent a micro blog."

However, they didn't say too much. The police just said Tang Duo and Qiang Di were kidnapped, and they successfully rescued the hostages, but the specific situation of the suspect was still investigating.

"The police claimed all the credit for themselves. How could they say that sister was saved by them? Sister, you might have frozen to death without my brother-in-law."

"Bah, bah, bah!" Tang Yao kicks Tang Cao and blames him, "Nonsense. Spit it quickly."

Tang Cao shows the white of his eyes and spits. "Take no offense at a child's babble!"

"Qiang Di..." Yan Hua says.

"Ah, she's in the next ward!" Bai Susu puts down the milk and begins to peel the fruit. She says, "Qiang Di hasn't woken up, but she is out of danger now."

Yan Hua's eyes blink. Chang Pei'e touches her head and asks, "What's wrong? Are you uncomfortable?"

"No." Yan Hua tries to use her rigid facial muscle to smile and she finally succeeds. She moves her teeth and she can speak clearly now. "This time I incriminated her."

Bai Susu cuts a piece of mango and feeds it to Yan Hua. Then she says, "Rest assured, we will take good care of her and compensate her when she leaves the hospital."

"The doctor said that her head seemed to be beaten." Tang Cao clucks, "Well, sister is the target of murder. But the person who was beaten was Qiang Di. How unlucky she is!"

"Fool! Did you mean your sister had to be hurt?" Tang Yao says and kicks him again.

Tang Cao avoids him by jumping and explains, "I didn't mean that. I just said she was unlucky!"

"Yes..." Yan Hua drops her eyelids and says, "She's really unlucky."

The door of the ward opens and Lang Ruoxian comes in.

"I ask you to go back to rest." Bai Susu sighs, "Why do you come again?"

Lang Ruoxian just shakes his head. Chang Pei'e stands up and says, "Well, come and sit here!"

"I'm all right." Yan Hua says. Lang Ruoxian hugs her quickly. She pats the man on the shoulder and says, "I knew you would find me."

Lang Ruoxian says nothing and only looks at her.

"What's the matter with you?" Yan Hua feels something wrong.

Lang Ruoxian shakes his head.

"You can't hide it." Bai Susu looks at them and says to Lang Ruoxian, "You can't stay away from her. How can you hide it?"

Yan Hua is a little panicky. She asks, "What's wrong with you? Why don't you talk?"

"It's all right. He can't talk for the time being." Tang Yao says directly.

As soon as he says, Yan Hua's eyes turn red.

"What did you mean? Why can't he speak?"

Bai Susu casts a glance at Tang Yao. Then she answers, "It's a kind of stress reaction. The doctor said that he had too much pressure before, so he had dysfunction. It will be better in a few days."

"Really?" Yan Hua is almost frightened to death. He is always so healthy. How can he not speak suddenly?

Lang Ruoxian nods and entwines his fingers with hers.

"That's good... That's good." Yan Hua becomes relieved now. Then she feels guilty for him. "It's all my wrong. If I didn't..."

Lang Ruoxian points at her lips, then touches them and shakes his head.

"What does this have to do with you?" Tang Yao indignantly says, "Tian Xiaogang is really insane. Let him go to prison with that woman."

Yan Hua thinks about it for a while and asks, "Does the Hu Family know about it?"

"Of course." Bai Susu is angry when talking about them. She says, "Hu Quan came early in the morning and apologized for a long time."

Yan Hua twitches the corner of her mouth and says, "In fact, he is very unlucky."

Hu Quan also feels himself is so unlucky. He even wants to worship in the temple. He doesn't do anything wrong but the disaster still comes from the sky. But after knowing the relationship between Guo Lili and Tian Xiaogang, he went to the paternity test for the first time. Now he is waiting for the result in panic.

"Mom, you'd better go back. I'll stay with Hua. I have to bother you to manage the company these days." Lang Ruoxian types on the phone and sends it to Bai Susu.

Bai Susu sees that Yan Hua blinks and is hard to open her eyes. She says, "Hua, continue to sleep. We'll go back first. Your brother will bring dinner for you in the evening. Don't buy any food from outside."

“Chicken soup noodles are in the insulation barrel. When she is hungry, Ruoxian remembers to bring them out for her to eat.” Chang Pei’e tells them a few more words before she leaves.

Yan Hua tries to open her eyes. Lang Ruoxian smiles and kisses her. Then he types a few words, “Sleep. I’ll accompany you.”

“You should also sleep.” Yan Hua thinks of that Bai Susu said that he didn’t sleep all night, which makes her heart ache. She says, “Let’s eat together when we get up.”

Lang Ruoxian immediately types to ask her, “Are you hungry?”

“Yes. But I prefer to sleep.” Yan Hua yawns, “I want to eat after sleeping.”

Her voice goes down. Lang Ruoxian sees that she has already closed her eyes and falls asleep. Her breathing gradually becomes smooth.

“Young Master.” Shu Sheng knocks at the door. Lang Ruoxian raises his hand to keep him silent.

The two men enter the compartment.

“Qiang Di wakes up.”

Lang Ruoxian’s expression becomes so cold that Shu Sheng can’t help shivering. Shu Sheng says, “The confessions of the police have all been changed. Nobody knows that Qiang Di is in collusion with...”

Shu Sheng doesn’t go on talking. To be honest, when his young master knew about the kidnapping of Yan Hua and Qiang Di, his emotion becomes different.

“Young Master, do you want to see her?”

Lang Ruoxian shakes his head. He just turns and goes out. Shu Sheng sighs and returns to the next ward where the doctor is examining Qiang Di. Shu Sheng’s cell phone rings suddenly. When he looks at it, he sees Lang Ruoxian’s short message.

“Take good care of her.”

“Yes. Young Master.”

In the evening, Tang Cao brings the meal to them. When Lang Ruoxian goes outside to call someone, he secretly complains to Yan Hua.

“Sister, I suspect there is something wrong with the confession from the police station. When I went there, Tian Xiaogang said that Qiang Di was in collusion with him. Why does Qiang Di become innocent now?”

Yan Hua is stunned for a while. Then she smiles, “I know it. We can’t put Qiang Di in prison.”

“Sure enough! She harmed you. Right?” Tang Cao stands up and is going to the next ward. He says, “I’m going to see this brutal and cold-blooded woman. My mother even told me to give her chicken soup. I will poison her to death.”

“Come back.” Yan Hua holds him and says, “I’m weak now. Listen to me!”

Tang Cao is so angry. He asks, “Sister, why do you still hide it for her? Does my brother-in-law ask you to do that?”

“No.” Yan Hua of course can’t say it is Lang Ruoxian’s intention. Otherwise Tang Cao must fly into a rage.

Besides, she agrees what Lang Ruoxian did.

“Don’t let parents and grandmother know it. Do you hear me?” Yan Hua tells him. Seeing that Tang Cao still wants to kill Qiang Di, she pats his hand and says, “After this, we don’t owe her any more. At least I won’t feel any guilt for her in the future.”

Yan Hua believes that Lang Ruoxian has the same feeling with her. Before that, they all wanted to let Qiang Di open her own defense and get happiness. Although Qiang Di finally came to her senses at that time, she almost killed Yan Hua. If Lang Ruoxian did not find Yan Hua in time, she doesn’t dare to think what would happen.

“People always have to pay for their actions. Sometimes, the person who did the wrong things can’t be forgiven even if the person regrets.”

Tang Cao pouts, “I will ignore her in the future anyway.”

When Lang Ruoxian comes in, he is glared by his brother-in-law immediately. Tang Cao goes out with an insulation barrel and asks a nurse to send it to the next ward.

“You know it...” Lang Ruoxian types to ask her.

Yan Hua snorts with a straight face, “Tang Cao finds it.”

“Hua, will you be angry if I do that?” Lang Ruoxian types another line, then he hesitates for a while and adds an emoji of panic.

Yan Hua chuckles suddenly, “When did you learn to use the emoji?”

“I’m afraid you’re angry.” Lang Ruoxian takes her hand and says, “I feel sorry for you, too.”

“I understand it.” Yan Hua clasps the man’s palm and says, “It’s not bad. I can beat her if she provokes me again later.”

Lang Ruoxian types, “Although she doesn’t need to go to jail, I won’t forgive her.”

He doesn’t deal with Qiang Di because he’s inconvenient now. When he can talk...

Before Tang Cao leaves, he asks Lang Ruoxian out.

“You should be glad that my sister hasn’t recovered her memory now. Otherwise, it is impossible for her to forgive Qiang Di according to her previous nature.” Tang Cao glances at Lang Ruoxian indignantly and says, “It’s your wrong. She suffered so much and almost lost her life.”

Lang Ruoxian looks at him. Tang Cao doesn’t dare to look at him. He says, “What’s wrong? It’s impossible that you can avoid talking about that when you can’t talk now. I tell you! I will remember it. You should treat me better in the future, or I’ll tell my parents your behavior!”

Then Tang Cao’s phone rings a little, which means Tang Cao gets money. Lang Ruoxian writes, “I will give you twice the pocket money per month.”

“... Can you buy me over with money?” Tang Cao asks. But he quickly receives the money and has a look at the number of it.

Lang Ruoxian glances at him and turns to the ward.

“Did you give Tang Cao money?” Yan Hua grins at him.

Lang Ruoxian curls the corner of his mouth with his so gentle eyes. He goes over and sits down. Then he holds Yan Hua and lets her lean on him.

“Don’t give him too much.” Yan Hua takes Lang Ruoxian’s hand and pokes him on the finger. She says, “If you give him much, it’ll be easy for him to get into trouble.”

Lang Ruoxian types, “He doesn’t get too much.”

“That’s right!” Yan Hua nods.

Compared with other playboys who have millions of money per month or spend money with an unrestrained sub-card, Tang Cao is absolutely a poor playboy.

“Does he still refuse to see me?” Qiang Di leans on the bed with a bitter smile on her pale face. “Will he send me away when I leave the hospital?”

“I don’t know.” Shu Sheng doesn’t have any expression. “Young Master can’t speak at present. He would see you when he recovers.”

Qiang Di shakes her head and says, “Actually, what I want to see is Yan Hua. But he probably won’t let me see her.”

“You’d better take good care of yourself first.” Shu Sheng hands her a glass of water and says, “When you are fine, you can go to see everybody.”

On the third day, Yan Hua makes a comprehensive examination. It shows that there is no sequela. She decides to stay in the hospital for another two days after accepting the doctor’s advice. And the doctor transfuses some drugs to promote cell regeneration to her. In the afternoon, Hua Zhong comes to see her.

“I want to see you early. But I’m afraid that you can’t have a good rest when I come.” Hua Zhong says. After looking at Yan Hua carefully for a long time, Hua Zhong is sure that she is really fine. He finally breathes a sigh of relief.

He also completely ignores the gloomy look of Lang Ruoxian who stands next to him.

Chapter 248 Dong Nianshuang's Goodwill

"It's all right. I'll be discharged few days later." Yan Hua has a look at Lang Ruoxian. Then she says to Hua Zhong, trying not to laugh, "You can't do anything superfluous."

Hua Zhong looks at her for a few seconds before nodding. He promises, "Okay, I'll listen to you."

He knows the man who kidnapped Yan Hua is called Tian Xiaogang. So he finds someone to teach the fool a lesson in prison. Apparently, Yan Hua guesses his intention. But... he still has to do that. For Yan Hua's sake, he will ask his people to beat Tian Xiaogang not so frequently.

"I heard that Dong Family would choose one to marry into your family. How is it going now?" Yan Hua casually finds a topic.

Hua Zhong sneers, "I don't know. But Dong Nianshuang seems to disagree."

"Why doesn't she agree?" Yan Hua is confused. If Dong Family attaches themselves to Hua Family, they will be in the circle of the richest and most powerful family. How could Dong Nianshuang refuse that?

"I don't know." Hua Zhong says. He doesn't care about the thing between his elder brother and Dong Nianshuang at all.

Seeing his attitude, Yan Hua can't ask too much about that. Then they talk about other topics. Meanwhile, Lang Ruoxian goes out for a while and then comes back. A few minutes later, the doctor comes and says that Yan Hua needs to have a check-up. Hua Zhong has to leave early. But when he leaves, he casts a particularly contemptuous glance at Lang Ruoxian.

"Did you let the doctor come here?" Yan Hua asks. The doctor just checks her eyes casually and goes out. So she is sure it is a dubious thing.

Lang Ruoxian nods. He admits it directly.

He says, "I don't," like him.

He could pronounce yesterday. But it seems that he can only speak one or two words at a time.

Yan Hua understands him even if he doesn't speak the whole sentence. He doesn't like that Hua Zhong comes to see her.

Yan Hua receives a short message from Qiang Di on the day she leaves the hospital. There are only three words on the message, "I am sorry". Yan Hua looks at it for a moment but she doesn't reply. She doesn't want to talk to Qiang Di now. As for when she can face her, she is also not sure at all.

"Mom!" Gungun runs over as soon as she goes home. He complains, "Why did you go on a business trip suddenly without telling me?"

It's the first time for the little boy to be separated from Yan Hua for several days. He hugs her sadly and doesn't let her go.

Yan Hua squats down to apologize, "Sorry. It's Mom's fault this time. I'll tell you in advance wherever I go."

Gungun doesn't know that she was kidnapped and stayed in the hospital these days. They are afraid that he will feel frightened. So they cheat him that Yan Hua is on a business trip. Although Gungun feels strange why mother has to travel, he doesn't doubt it because everyone says so.

"Mom?" Wuyou calls her. Unexpectedly, Wuyou stares at Yan Hua for a long time, as if she doubts that.

Yan Hua touches her head and says, "Good girl!"

Lang Ruoxian doesn't want Yan Hua to be tired. He quickly takes Yan Hua to sit down. Yan Hua whispers to him, "I'm all right. Don't treat me as a porcelain doll." Then she turns to ask Tang Cao, "What's wrong with Mom?"

Bai Susu is glad that her daughter is discharged from the hospital. She goes to the kitchen to make fruit tea for everyone. But Yan Hua still finds her mother's face is not good.

"Alas. Mom is running the company these days. A new project needs a spokesperson. The manager is so stupid to find Dong Nianshuang as the spokesperson."

Tang Cao lowers his voice, "Mom has been not happy since she knew it yesterday. So Dad and I just stay at home and dare not go out to play today."

Looking at Tang Yao, who pretends to be busy helping Bai Susu, Yan Hua twitches her mouth and says, "Do you mean that we can't change another spokesperson?"

"The contract has been signed, and the official blog has released the news. Now it would be too bad for the company to change her." Tang Cao says. Of course, he doesn't know it and heard from Bai Susu when she was talking on the phone. Then Tang Cao has a look at Lang Ruoxian.

"Brother Ruoxian, am I right?"

Lang Ruoxian nods his head.

When children are asleep at night, Yan Hua asks Bai Susu, "Mom, are you still angry?"

"I won't publish myself to feel angry." Bai Susu denies. But everyone knows she is still angry.

Yan Hua hugs her with a smile and says, "Why not break the contract and change another person? Anyway, we just lose money. How about spending some money to make yourself happy?"

"I won't be angry if it can be solved by money. It's not that simple." Bai Susu shakes her head and says, "We get the project from abroad. Its product is very suitable for young people. You can see the reaction on the Internet."

Yan Hua has seen it. Everyone seems to be very happy that Dong Nianshuang is the spokesperson. She has many fans to support her so much. Even passers-by say she is suitable.

"If we change her at this time, it will have a bad impact on the whole product." Bai Susu removes her glasses and says, "The power of fans is sometimes fearful."

Yan Hua is all right. So Lang Ruoxian plans to go to work the next day.

"Are you okay?" Bai Susu points at her throat.

“No problem.” Lang Ruoxian can basically speak normally. Anyway, he is a president and just needs to say yes or no. Besides, Shu Sheng and Xiaokai will help him.

“Young Master, Dong Nianshuang will come to the company today.” Shu Sheng says to Lang Ruoxian as soon as he arrives at the office. “She’s coming to sign a supplementary agreement.”

Lang Ruoxian looks down at the document and doesn’t respond. Shu Sheng understands that he doesn’t want to see her. However, Lang Ruoxian didn’t expect that the person, who he didn’t want to see, came to see himself.

“Let her in.”

Dong Nianshuang has come early. Shu Sheng tells her that Lang Ruoxian is in a meeting. She says it is okay and waits for half an hour. Walking into the office, she sees the man sitting behind his desk. The man doesn’t raise his head to look at her.

“Mr. Lang.” Dong Nianshuang finally says after she stands there looking at him for a long time.

Lang Ruoxian doesn’t know why the woman wants to see him and says nothing when she comes. He doesn’t have such good manners to stand up to welcome her. If she keeps silent, she can stand there as she wishes.

“Mr. Lang.” Dong Nianshuang calls him again.

Lang Ruoxian finally raises his head and says, “Miss Dong, what do you want to talk to me?”

“I...” Dong Nianshuang opens her mouth. She bites her lip and slowly walks to his desk. She says, “I just want to say thank you personally.”

Lang Ruoxian raises his eyebrows and says, “I thought Miss Dong should know that if I had known it was you that day, I might not have been meddlesome.”

Dong Nianshuang’s face changes suddenly and her eyes become very sad for a moment. Then she asks lightly, “Just because of the Tang Family?”

“Of course.” Lang Ruoxian looks at her and says, “The place you are standing now belongs to Tang Family.”

“I don’t mean anything else.” Dong Nianshuang seems to have returned to normal. She says with a faint smile on her beautiful face, “No matter what Mr. Lang thinks, as a rescued person, I should say thank you. This is a matter of courtesy.”

Lang Ruoxian says, “Are you finished? Then you can leave. I’m busy.”

“... One more thing.” Dong Nianshuang almost shows her anger. She makes a fake smile and continues to say, “It’s about the spokesperson of your company’s product. If it’s inconvenient, I will consult with you on terminating the contract and I will make a statement that we can’t cooperate for some reasons.”

Lang Ruoxian squints at her and says, “Do you want to conceal the contract?”

“No. You misunderstand me.” Dong Nianshuang smiles, “I mean we can discuss about how we conceal the contract friendly. Anyway, Tang Family doesn’t want me to be the spokesperson. It’ll be good for you and me.”

Dong Nianshuang thinks for a moment and says, “Mr. Lang, the reason why I become your spokesperson now is because your people don’t know the bad relationship between our two families. I think it makes you very hard to explain to Tang Family, right?”

Lang Ruoxian thinks it is none of his business.

“If we conceal the contract, you will make Tang Family satisfactory.” Dong Nianshuang tilts her head and shows a lovely smile. She says, “Well, I help you because you saved my life.”

“No.” Lang Ruoxian doesn’t want to hear her superfluous words anymore. He stands up and raises his chin. He says, “Now that the contract has been signed, we will obey it. I have something to do. Miss Dong, please leave.”

Dong Nianshuang stares at him angrily. “You...”

“Shu Sheng.” Lang Ruoxian rings the bell, “Send Miss Dong out.”

The door of the office opens. Shu Sheng comes in and says, "Miss Dong, please!"

Dong Nianshuang is obviously mad. She leaves with her high-heeled shoes crunching. Lang Ruoxian flicks his finger on the back of his chair. He thinks about several possibilities for Dong Nianshuang to do so. No matter what her intention is, he is afraid that she will shift the blame to him if he agrees to rescind the contract.

Thinking about that, Lang Ruoxian hates the woman even more. He decides to go back to complain to his mother-in-law in the evening.

"Nianshuang, are you all right?" The assistant asks her in a low voice, "Where are we going now?"

"Take me home." Dong Nianshuang says angrily, "Where else can we go?"

"Okay!" The assistant quickly asks the driver to start the car and turns around to say, "Just now, Sister Li called you."

Dong Nianshuang asks, "What does she want to talk?"

"I don't know. She asked you to call her back." The assistant says. Then she turns back and says nothing.

Even the blind can see that Dong Nianshuang is in a bad mood now. The assistant doesn't dare to make her angry.

Sister Li is her new broker. When she comes back this time, the company changes another team to help Dong Nianshuang be the film queen. So Dong Nianshuang calls back even if she is in a bad mood.

"Nianshuang, have you come out of Tang Consortium?"

Dong Nianshuang grunts, "Yes. What do you want to tell me?"

"Nothing. I just want to ask you." The broker smiles, "Your assistant, Liu, said you went to see Mr. Lang. Why did you find him? Did you talk with him about the cooperation?"

Dong Nianshuang's mouth becomes a thin line and she says, "It's just about a private thing. Have you finished asking?"

“Are you in a bad mood?” The broker doesn’t ask anymore after finding her bad emotion. The broker says, “Well, I received a reality show for you, a very relaxed travel program. You’d better go to get some fresh air. When you come back, you can directly start the shoot.”

When she comes back to the entertainment circle this time, her first film is invested by Hua Yan’s new company. They directly decide that she is the heroine and they haven’t announced who is the hero yet. However, it’s said that he is a very famous actor.

After hanging up the phone, Dong Nianshuang begins to angry again when she thinks of Lang Ruoxian’s attitude. Then her phone rings again. She looks at the number, which is from Hua Yan.

“Did she take the initiative to terminate the contract?” After listening to Lang Ruoxian, Bai Susu’s first thought is also...

Dong Nianshuang must have a plot!

“I didn’t agree with her.” Lang Ruoxian says, “She wants to conceal the contract at this time. Who knows what she wants to do?”

“Well done.” Bai Susu praises. She wouldn’t agree if she were Lang Ruoxian.

Even if she thinks Dong Family disgusting, she won’t be impulsive in such matters.

“Did she run to the office to talk to you?” Yan Hua touches her chin and says, “It’s strange...”

“Don’t care about her.” Bai Susu sneers, “Dong Family only has some sinister ideas. We don’t have to pay attention to them. Well! Let’s invite Qiang Di to come over for dinner this weekend.”

Yan Hua and Lang Ruoxian looks at each other. Then she says, “Let me ask her! I heard that she was busy now because she had been in hospital for several days. So she might not be free now.”

Before Yan Hua asks Qiang Di, Lang Ruoxian has gone to find her.

“You come here finally.” Qiang Di is a little surprised when Lang Ruoxian goes directly to her house.

Chapter 249 Qiang Di Leaves

“I never expected that you sent me away when you came to my house the first time.”

Qiang Di smiles, “I’m packing up. Please wait for me.”

Lang Ruoxian comes in and sees a suitcase put in the middle of the sitting room. He has a look at Qiang Di and says, “From now on, I have nothing to do with you, and I don’t owe you anymore.”

“You are wrong.” Qiang Di says, “Yan Hua is right. You never owe me.”

She hands a U-disk to Lang Ruoxian and says, “It’s my last request. For the sake of your elder brother, please give this to Yan Hua.”

Lang Ruoxian doesn’t take it. Qiang Di says with a bitter smile, “I promise I have no malice.”

“Where are you going?” Lang Ruoxian accepts the U-disk and asks.

Qiang Di shrugs her shoulders and asks, “You decide where I should go, don’t you? Will you send me to Africa?”

“You can choose it.” Lang Ruoxian looks at her and says, “I just want you to stay away from us.”

Qiang Di has predicted that she will not be trusted after she hurts Yan Hua. But she is still so sad when she hears Lang Ruoxian’s words.

“Sorry...” She closes her eyes and says, “I messed it up.”

If she could come out early, she wouldn’t help the man to kidnap Yan Hua, and she might be Yan Hua’s friend and treat Lang Ruoxian as her family.

But life can’t be over again.

Qiang Di holds back her tears and says, “I want to go to France. A college invites me to be a teacher.”

“Great.” Lang Ruoxian probably wants to say something in the end, but he doesn’t say anything.

Qiang Di books the ticket for tonight and Shu Sheng comes to see her off. When she arrives at the airport, he gives her an envelope and asks her to see it on the plane. When the plane takes off, Qiang Di opens the envelope, which contains an address and a key.

“Lang Ruoxian...” Qiang Di cries. Then she begins to laugh.

She puts the key in her bag and looks at Yanjing, which is getting smaller and smaller.

“See you next time!” She says.

But she also knows that maybe she won’t see it again.

At the same time, Yan Hua opens a file in the U-disk, which is a self-made video of Qiang Di.

“Yan Hua. Or I should call you Tang Duo.” Qiang Di has an easy smile in the video.

Yan Hua feels that Qiang Di’s smile is somewhat different from that of the past, as if she becomes more relaxed.

“I’m afraid you won’t forgive me even if I say sorry thousands times. In fact, I can’t forgive myself, either. I almost destroy myself, you and Lang Ruoxian.”

“In other words, I almost destroy your family.” Qiang Di bows toward the camera and apologizes, “But I still want to say: I’m sorry.”

“I was actually shocked when Tian Xiaogang came to find me. I thought he knew the thing about Lang Ruoxian, so I stopped to hear his words. It gave him a chance to say. Then I was seduced by his words.”

“Fortunately, he just knew from the old news that I had a relationship with Lang Ruoxian. So he thought that I was Lang Ruoxian’s former girlfriend and you grabbed him from me.”

“At that time, I totally agreed with his words. I thought you really grabbed him from me.” Qiang Di sneers, “Then, I couldn’t believe that I decided to help him.”

What happened next is the same as Tian Xiaogang's words. They cooperated with each other. Qiang Di made Yan Hua to go out and Tian Xiaogang would kidnap her. But at the last moment, Qiang Di regretted. Unfortunately, Tian Xiaogang did not trust her, either.

"Actually, I'm very happy." Qiang Di suddenly laughs, "I'm happy that he shut me in the cold storage with you. When I woke up, I thought I was dead. My first thought was that I was lucky enough to die with you."

"But these days I understand that it's just a kind of self-redemption, because I can't forgive myself."

Finally, Qiang Di makes a deep bow to Yan Hua in the video and says, "Goodbye, Hua! If it is possible in the future, I hope I can see you again. May you and Lang Ruoxian be happy. I also wish I would be happy."

When Lang Ruoxian comes in, he sees Yan Hua sitting on the carpet beside the bed and looking at the computer in a daze.

"Hua?" He sees Qiang Di's face on the computer as he comes over.

Yan Hua sighs and puts the U-disk away.

"It's okay. I just feel so upset."

Lang Ruoxian hugs her and comforts her, "It's good for us that she leaves here. I can't bear the consequences of losing you. I'm not guilty for Qiang Di anymore because of her behavior this time. I even wanted to kill her when I knew she was also involved in the kidnapping."

"So did I." Yan Hua rubs against his chest.

She is a bit clingy recently maybe because she is frightened by the bad thing. Lang Ruoxian can also feel the change of Yan Hua. But he is happy about that.

"Does everyone have to pay the price before they grow up?" Yan Hua shakes her head and says, "He helps her find a place to live. Everything is arranged for her. I hope she can start again soon."

Lang Ruoxian takes her to the bathroom and says, "Yes. She will be far away from our life in the future, so now it's time for us to take a bath."

“I just had a shower!”

“Let’s wash again.”

Bai Susu can’t believe that Qiang Di doesn’t come and goes abroad suddenly.

“The environment of university abroad is good as well as its conditions.” Yan Hua finds a right reason for that and says, “She went in a hurry and said that she would come back to see you when she had the chance.”

Bai Susu doesn’t ask much. So Yan Hua thinks her mother knows nothing. When Yan Hua goes to pick up Gungun from school, Bai Susu and Chang Pei’e are chatting in the sitting room.

“Did the girl leave?” Chang Pei’e asks.

“Yes.” Bai Susu sneers, “If she doesn’t leave, I won’t promise to be friendly to her anymore.”

Qiang Di helped the man kidnap Yan Hua! And she lets Lang Ruoxian help her to escape punishment by law. Does he think Tang Family members are all fools? He doesn’t know Bai Susu’s ability at all.

“Don’t mention it again.” Chang Pei’e reminds her, “Ruoxian did well. If we really do something to punish her, Hua won’t agree.”

Bai Susu takes a sip of tea and says, “I know. So I pretend to know nothing in front of her. Since Hua believes we don’t know, we’d better pretend that we don’t know it.”

“Well, Qiang Di...”

“I have people staring at her! Don’t worry, Mom.”

Chang Pei’e wants to say that she believes Bai Susu can do well. However, she suddenly blacks out and fainted on the sofa, which makes Bai Susu shock and scream. The house maid in the kitchen rushes over and also petrifies after seeing that. Bai Susu doesn’t dare to move her. She quickly calls the ambulance.

Yan Hua takes Gungun to go home. They and the ambulance almost enter the villa area at the same time. Gungun points at the ambulance and says.

“Mom, look. Someone is sick.”

Yan Hua has a bad feeling all of a sudden. Then she despairs immediately when the ambulance stops in front of her house.

“Mom, why does it stop in front of our house?” Gungun still asks curiously. But Yan Hua has already gotten out of the car. Before she runs to the gate, Chang Pei’e has been wheeled out on the stretcher.

“Mom!” She rushes over.

Bai Susu looks panicky behind the stretcher and says, “Your grandma suddenly fainted. The doctor said she had a heart attack.”

“How it come?” Yan Hua is even more alarmed. She says, “Grandma was still in good health when she was examined before New Year.”

Soon, all people from Tang Family receive a call and know it. Tang Yao is drinking tea with Tang Ming today. When they hear that, Tang Ming asks his people to arrange the best doctor for Chang Pei’e as soon as possible. Then he goes to the hospital with Tang Yao. Tang Cao is the last one to arrive.

“Sister! Sister!” He rushes out of the elevator. His tears are streaming in an instant when he sees that everyone is there and the operating room’s door tightly closes.

Lang Ruoxian gives him a hand and says, “The doctors are operating on grandmother. She has been out of danger.”

“That’s good. That’s good!” Tang Cao is able to gasp now.

When he receives the phone call, he is playing golf with Chen Xiaopang in the suburbs. On the way back, Tang Cao thinks that he won’t forgive himself if grandma’s situation becomes terrible and he can’t see her last time.

Chang Pei’e undergoes emergency bypass surgery and eventually is wheeled to the ward safely.

“The old lady is getting older, so we should pay more attention to her heart.” The doctor tells Bai Susu what they should notice.

Almost all the masters of internal cardiology have gathered in this operation. Even the people who hand the scalpel for doctors are also experts. They also

choose the most suitable and best treatment for the old lady. And they suggest that the old lady should go to a warm place for recuperation after discharge.

“It’s almost New Year’s Day. Our whole family will go to South Island for holiday this year.” Bai Susu makes a decision in the ward.

Tang Ming is here, too. He advises that they can live in an internal sanatorium in South Island.

He says, “I’ll let my people arrange it now. You can live there directly when you go to South Island.”

Bai Susu doesn’t refuse. The sanatorium that Tang Ming talks about has the best infrastructure and service around the world. Only few people can live there.

When Chang Pei’e wakes up and looks better, Tang Ming tells them to take good care of her, then he finally leaves as well as the guards outside the door. Lang Ruoxian lets their own bodyguards stand there.

“I’m sorry to scare you!” Chang Pei’e smiles at everyone after she wakes up.

Tang Cao buries himself in Chang Pei’e arms and says like a spoiled child, “Grandma, if you still scare us next time, I will sell all your ancient paintings!”

“How dare you!” Chang Pei’e holds him by the ear.

Bai Susu quickly stops them and asks, “Mom, do you feel any pain?”

“I feel good.” Chang Pei’e also moves her body a little and says, “All of you look worse than me!”

Tang Yao’s eyes are red. He just cried secretly, so did Yan Hua. At present, everyone heaves a sigh of relief. But their faces are still so pale, which looks really worse than the old lady.

“You all surround here. Are Gungun and Wuyou at home alone? Well, go back quickly!”

“House maid accompanies them!” Bai Susu puts the wet cotton swab on the old lady’s lips. Then she turns her head and says to Yan Hua, “All of you can go back. I will stay at here tonight.”

Yan Hua immediately shakes her head and says, "How can we let you stay here? Mom, you and others go back. I'll accompany Grandma."

"Let me accompany Grandma!" Tang Cao shouts.

"You are a man. It's inconvenient."

Finally, Yan Hua stays here. Lang Ruoxian wants to accompany her. But Yan Hua lets him go back and take care of Gungun.

"He was frightened to see that grandma was wheeled on the ambulance today." Yan Hua says to Lang Ruoxian. Anyway, Bai Susu and others are not Gungun's parents. At this time, Gungun should be more willing to be accompanied by his parents.

Lang Ruoxian agrees. But he doesn't leave with others. He goes out to buy some food and accompanies Yan Hua to dinner before leaving. As soon as he gets back, he sees that Gungun is still in the sitting room. Bai Susu is holding him and saying something.

"Dad!" Gungun runs over and says, "Will great-grandma really come back in a few days?"

Lang Ruoxian touches Gungun's little head and says, "Of course. Grandma won't lie to you."

"Can I go to the hospital to see her?" Gungun says again.

Lang Ruoxian looks at Bai Susu. She nods and says, "The day after tomorrow is the weekend. Let's take them to hospital on that day."

Chapter 250 Can Playboy Make Money?

The news that the old lady of Tang Family is in hospital spreads quickly in the circle of rich families. At the beginning, some friends of Chang Pei'e go to the hospital to visit her. Then Tang Family's business partners and some people in the political circle also visit her.

People from Tang Family's first branch also go to see Chang Pei'e. Gungun is in the ward when they come.

“Ah, which class is your Gungun study in?” Yang Yanqing asks Yan Hua, “Kai has never seen him.”

Tang Kai is in the third grade this year, one grade higher than Gungun.

“They are all in the elementary school. Don’t they study in the same building?” Yan Hua says casually. She knows Tang Kai’s class. But she never lets Gungun find him.

“He’s in the third floor of the red building. He is Class Six, Grade Three.” Yang Yanqing asks, “What about Gungun?”

“Gungun is Class Three, Grade Two.” Yan Hua says. She isn’t worried because she doesn’t think Tang Kai will go to find Gungun. Yan Hua knows what Tang Kai looks like in school.

But Yang Yanqing doesn’t think so. She believes that her son is so good except for his poor grades. In her view, it isn’t important that he doesn’t study well. She can teach him well later because he is still young.

“Gungun, remember to find Brother Kai and let him take care of you at school!”

Gungun obediently sits on the bed of Chang Pei’e with Wuyou. He says, “Aunt, don’t ask Brother Kai to take care of me! I have Wuyou. She is so great.”

“... Well.” Yang Yanqing doesn’t agree with Yan Hua who treats the orphan so well. It seems that Wuyou is her real daughter.

“Wuyou is Wuyou. Kai is your cousin. You are family and need to help each other in the future.” Yang Yanqing says. She has planned it well. Her father-in-law will retire in another two years. Her husband’s company isn’t bigger than that of Tang Family’s second branch. So they will have to cooperate in the future.

As a result, it’s good for her and her child to have a good relationship with Yan Hua.

“... Okay.” Gungun nods his head and says, “I know.”

But in his heart, he thinks that Wuyou is his wife and he should play with his wife!

Today, everyone of Tang Family's first branch comes besides Tang Rui and Tang Yixiao. Hua Yating also says to Chang Pei'e politely.

"Grandma, Rui is on a business trip in Mi Country! He specifically lets me to greet you and tell you to take care of your health."

As for Tang Yixiao, he often travels abroad, even if his family can't see him a few times a year.

Chang Pei'e smiles kindly and says, "Okay. I get it. You don't have to all come. You are so busy with work. I'm fine!"

Tang Yu, the eldest son, says, "Well, you are the only grandmother of us. When you're sick and in hospital, we have to come to see you even if we are busy."

"Don't forget to let your mother eat it. It's all good stuff." Huo Liyun brings several boxes of bird's nests and tells Bai Susu, "I'll give you a business card later. Their bird's nests are of good quality. We're all getting old. Drinking it every day is good for our health."

Tang Ziyang, who has been standing behind then, snorts in a low voice, "Mom, you just pay attention to unnecessary things."

Then her second brother, Tang Jie, casts a glance at her.

The whole family don't stay long. They leave soon after saying all they should say. Tang Yao and Tang Cao walk with them to the door. As they come back, Tang Cao sneers, "Chen Xiaopang scolded with me last night that Tang Rui grabbed girls with him in the clubhouse and he didn't leave until midnight. How could he go to Mi Country today?"

Seeing Wuyou and Gungun are watching TV in the room, Chang Pei'e is sure that the children can't hear their words. Then she begins to say, "Why did you allow them to come? They always make us unhappy."

Bai Susu puts the sofa in order that they just messed up and says, "You said that Tang Ming's two stepsons were very smart, and his daughter of his ex-

wife was also a good child. But the son and the daughter of him and Huo Liyun are all...”

“They are all stupid!” Tang Cao smiles, “Mom, don’t be embarrassed. Tang Rui and Tang Ziyun are all foolish.”

Tang Yao nods beside him and says, “Huo Liyun’s gene is not good...”

“Dad, if you talk about the gene, I and my sister are really lucky!” Tang Cao says proudly, “If we are like you, our family will have no future.”

“I’ll kill you!” Tang Yao grasps Tang Cao.

Lang Ruoxian, who never joins them, suddenly says, “Do you have any misunderstanding? I think you are still like father, and Hua is like mother and grandmother.”

Tang Yao and Tang Cao are angry. Don’t think we dare not hit you even if you are smart, they think.

“Well.” Tang Yao touches his chin and says, “Do you feel that Hua is smarter than before after she lost memory?”

Yan Hua thinks: How stupid I used to be?

“Right!” Tang Cao immediately echoes, “My sister used to only know how to buy and dress up. She always ate, drank, played and made merry. But at present, she likes to analyze something.”

“Nonsense!” Bai Susu cast a glance at the father and the son. She says, “Your sister before didn’t want to worry about these things. In fact, she knew everything!”

Yan Hua embraces Bai Susu and says, “Yes! I understand everything in my heart.”

Lang Ruoxian hugs her and agrees, “Yes.”

“You make me laugh until I cry!” Chang Pei’e wipes her tears and says, “Go quickly to ask the doctor when I can leave here.”

Chang Pei’e lives here until the end of the year. On the day of discharging from hospital, Wuyou and Gungun’s winter vacation is also coming. Bai Susu

and Tang Yao plan to take Chang Pei'e and children to South Island. Before they leave, Bai Susu says to Yan Hua.

"Don't worry to let me take care of your children. Will you go there after the annual meeting or wait for Ruoxian?"

Yan Hua is going to attend Tang Consortium's annual dinner party this year. This is the first time for Lang Ruoxian to attend annual meeting. She wants to accompany him."

"Can I tell you my decision at that time?" Yan Hua grins.

Bai Susu understands her intention. She says, "It's up to you. Anyway, you two must come on New Year's Eve."

"Of course. Mom, don't worry!"

Tang Cao is the happiest person in family. He will be free when he takes the three seniors to the airport.

"Sister, don't find me if you have nothing important! I'm going to enjoy my youth."

Yan Hua shows the white of her eyes. Seeing Tang Cao starts the sports car and disappears instantly, she turns her head and asks Lang Ruoxian.

"Did you give him money again?"

"No." Lang Ruoxian looks very happy, too. He says with a smile in his eyes, "We're both left at home."

Even the house maid has been taken to South Island. The driver and the cleaner do not live at home. The man of course is in a good mood because he hasn't stay with Hua alone for a long time.

"Don't diverge from the subject." Yan Hua says and pretends to be calm. She knows clearly why Lang Ruoxian is so happy.

Lang Ruoxian starts his car and kisses her. He says, "It's true. I didn't give him any money. It was his company that paid him a dividend at the end of the year."

“How can he get a company?” Yan Hua is shocked. Isn't her brother a playboy? When did he get his earning skills?

“It's not him who makes money.” Lang Ruoxian hands over his mobile phone and says, “There's a game in it. Have a look.”

Lang Ruoxian's mobile phone is very clean, without any useless apps. But Yan Hua doesn't know when there is an additional game icon, which looks like an ancient warrior.

“I had a game's template before.” Lang Ruoxian says. He wanted to develop it by himself. But since he promised to help his brother-in-law to make a fortune, he could not break his promise.

“When Tong Yue came to find me, he said that he wanted the game.” Lang Ruoxian sees Yan Hua opening the game. He says, “User name is your mobile phone number and password is your birthday.”

“Later, he registered a company with Chen Xiaopang and Cao. They finally make the game.”

Yan Hua lowers her head and watches the game's animation. She asks, “How much did you sell them?”

“I didn't sell them.” Lang Ruoxian smiles, “Tong Yue is a smart boy.”

Three playboys don't have much money to buy the game. They asked their families for money. Their families did give them. However, their families didn't give them much money because they didn't believe the playboys could make money.

“Tong Yue said that I could become their shareholder. Now I'm the biggest one in their company.”

Yan Hua gives an oblique look to him and asks, “How can Tang Cao get the money?”

“I borrowed him.”

Yan Hua raises her eyebrows and asks, “Do you mean that he makes money from the game?”

“It is true at present.” Lang Ruoxian looks at his cell phone and says, “You will understand after you play it.”

Yan Hua is building a character in the game. She complains, “You have nothing on this game account.”

“It was given to me few days ago.” Lang Ruoxian parks his car and says, “The game has just been in service for a month, but the data is very good. Next year, it should make a lot of money.”

“Why did you stop here?” Yan Hua looks up and sees the car parked in front of a jewelry store.

Lang Ruoxian gets out of the car and opens the door for her. He says, “I ordered a set of jewelry for you. It’s available today.”

Yan Hua has chosen her dress for annual meeting dinner which was selected by Lang Ruoxian. The jewelry matches the dress very well. The diamond necklace in the fan shape is shining brilliantly. The manager introduces it for her smilingly.

“Ms. Tang...”

“Please call me Mrs. Lang.” Yan Hua interrupts him.

She did not have this consciousness before. When she occasionally chatted with Fei Ying, Fei Ying said that it might be not proper that people over there called she Miss Tang. Yan Hua begins to find out the problem. From then on, she lets people call her Mrs. Lang on any occasion.

The manager is stunned and immediately understands. He says, “Mrs. Lang, look at it! This one is specially customized and unique in the world. There are 999 diamonds. The biggest of which is bought by Mr. Lang from the auction.”

In addition, there are earrings and bracelets of the same style, blindly placed on the tray.

“Very beautiful. I like it very much!” Yan Hua smiles. She takes it up and puts it on her neck. She asks, “Does it look good?”

Lang Ruoxian never turns his gaze from her. He says, “Yes.”

“Shall I put it away for you?”

“Thank you.” Yan Hua puts the necklace back in the tray.

The manager takes the tray and goes to pack it. Yan Hua asks Lang Ruoxian in a low voice, “When did you buy the diamond?”

“I let Xiaokai to buy it abroad.” Lang Ruoxian pinches her hand and says, “I know you like jadeite. But I have to find the fine jadeite slowly. I will buy it when I meet the right one.”

Yan Hua nods and kisses him. Lang Ruoxian is very satisfied. At the same time, he finds that Yan Hua really likes jewelry. He decides to give her jewelry frequently later, in order to be kissed by her.

“Miss, this one is customized. We only have one. You can see the others.”

As they leave the jewelry store, several women stand at the counter and the guide is explaining to them.

“Can I customize one?” One of the women asks.

Yan Hua feels that her voice is familiar. Then they see each other when they turn around at the same time.

Yan Hua of course feels the voice familiar. Because it's from Dong Nianshuang.
